Boiler Defective.
The disaster, the worst in Rhode Island waters since the sinking of the Larchmont in 1907, with between 25 and 175 on board, was the direct result of a defective boiler, Assistant Attorney General Owen H. Helton told the Associated Press tonight. It was a coal-burner that exploded, blowing a hole in the boiler.

Boiler Examined.
"When the state investigators inspected the Mackinac's exploded boiler," Helton said, "it was found to be in a state of disrepair. It was a coal-burner that exploded, blowing a hole in the boiler."

Cripples Police Force.
The disaster has virtually crippled the Newport police force, 17 patrolmen being absent as a result of the explosion. Of this number Patrolmen Henry Dickinson and Elmer Whitaker and Detective David Burns are the severest other policemen are in hospital.

ATHLETICS LOSE TO ST. LOUIS; 3 POINTS IN LEAD

Washington Defeats Cleveland 12 to 8 While Philadelphia Drops Game; League Leaders Are Threatened.

(By The Associated Press) ST. LOUIS, Aug. 19.—Philadelphia's lead over Washington was narrowed to three points here today when the St. Louis Browns registered their second straight win over the league leaders. The score was 9 to 8. A belated rally which suited the Athletics six runs in the ninth and put them two markers ahead went for naught, when the Browns retaliated in their half of the inning by scoring three runs.

Philadelphia used 20 players including five pitchers during the game. Al Simmons, Philadelphia outfielder, hit his twenty-first home run of the season. Hee of the Browns also hit for the circuit.

Washington made it two straight from Cleveland today, winning 12 to 8. Beuther helped to win his own game with three hits, including a home run with one on. Smith, retired with a lame ankle, but Karr, who replaced him, was knocked out of the box. With the bases full and two out in the ninth, Beuther gave way to McWhorter, who pitched two balls to retire McNulty.

Chicago 3-BOSTON 1
CHICAGO, Aug. 19 (AP)—Charley Robinson outpitched Howard Ehmke in a twirling duel today in which Chicago defeated Boston, 3 to 1. Hobson's arm allowed only two scratch hits until the eighth inning when a base on balls and a double gave the visitors their lone run.

DETROIT 4-NEW YORK 3
DETROIT, Aug. 19 (AP)—Detroit evened the series with New York today by taking the second game, 4 to 3, behind steady pitching by Wells, and with the aid of six blunders by New York. Every Yankee infielder made one error and Dugan and Washington each distinguished himself with two. In the second inning the visiting infield went to pieces, with three errors that allowed the Tigers to score.

PRESBYTERIAN PITCHER STARS

Hart Twirls No-Hit Game in Phenomenal Performance; Score Ends 4 to 0.

Eddie Hart won the pitching crown of the Twilight church league last evening, a record hundred feet, and pitched the first no-hit game of the season—the royal flush of the baseball world—and pilot Manager Scelley's team to a 4-to-0 victory over the Presbyterians, who are starting in fifth place and making eleventh-hour efforts to pull toward a higher position in the league.

Hart's demonstration on the mound drew the marvel of the spectators as the Presbyterian twirler put on a classic display of super-control, ease of delivery, baffling hook and evasive whip. Without a walk against him, Hart pitched a steady, even ball until the final score, when he nudged his battery mate, "Jeff" Swin, who backed him without an error, decided in favor of a quick finish and shut out over three consecutive strikeouts.

Bunched hits and one error brought the four runs for the Calvinists in first inning, after which they, too, endured a fourning shutout, for which R. Taylor, who got into clever action on the Methodist mound with his brother, O. Taylor, as battery mate behind the plate, was mainly responsible.

Martin in the third inning was the only man to pass second base after the first half of the opening inning, and with one down threatened to make a lone score for the Methodists, but the Calvinists held tight and Paulson kept down, hitting to Walters, while Smith followed with a strikeout.

After tying the score in the eighth, the Phillies scored the winning run after the first two batters in the ninth inning. Band and Leach singled in succession, and the former scored on Cy Williams' safety, which dropped in left for a single.

What Women Drive At
What is the real object of
this movement? It is to
secure for women the same
rights and advantages of
education and knowledge
as men have.

Keep Complexions Clear
The smoothness and clarity of
the complexions of beautiful women
are ascribed to the fact that their
religious observances necessitate
washing their faces many times each
day with cold water.

POSTOFFICE AT EDEN IS ROBBED

Burglars Force Way to Postal Funds and Break Into Garage; Take About \$100.

Smashing the rear door transom, burglars Tuesday night gained entrance to the postoffice at Eden, 50 miles north of here, according to reports received from Sheriff Stanton at Jerome, and looted the postoffice and the Eden Auto company garage of approximately \$100 in cash and jewelry.

After visiting the postoffice the robbers forced their way in the rear of the Eden Auto company where they took a 1924 Buick car belonging to B. O. Linn, opened the front doors to the garage and drove down to the blacksmith shop where their own car was stalled in the mud.

At a late hour Wednesday evening Sheriff Stanton and his deputies were still without definite clues as to who the robbers were.
