

COOLIDGE HOLDS OUT PROMISE TO BUSINESS WORLD

Commerce of United States Need Fear no Interference From Administration, President Says in Address.

(By the Associated Press.) NEW YORK, Nov. 19.—President Coolidge tonight held out a promise to business that it need fear no interference from his administration so long as it confines itself to legitimate activities.

Addressing one thousand New York business executives at the 155th annual banquet of the state chamber of commerce in New York City, the president declared that business should be "unhampered by government interference, regulation and control" of business operations and expenses, and expressed his belief that judged by its conduct during the past few years business can be trusted to keep its own house in order.

Carries Out Thought. Carrying out his thought that government and business each ought to be left to its own devices, the president said: "When government takes unduly in the affairs of business, it is likely to develop an administration which chokes the door of opportunity and encourages failure in its outlook and results in oligarchy. "When government enters the field of business with its great resources, it has a tendency to extravagance and inefficiency, but, having the power to crush all competitors, it always closes the door of opportunity result in monopoly."

Applauded Results. Repeatedly during his address, the president was applauded, his audience giving evidence of approval of his address and his policy of non-interference with business. He continued government economy and efficiency; to his appeal for American industry to be united in the support of the national policy, he was enthusiastically joined with others in the support of the national policy of the administration of international justice which they have been practicing.

Oliver Washington. Citing George Washington as a leader who did not permit a personal ambition to enter danger of make sacrifices, the president appealing for support for the national policy, he said: "That we must make our profits; we must make our money; we must make our money; that the works of Washington have failed."

ASK WILBUR TO HALT HEARING

Counsel for Mrs. Lansdowne Wants Board Discharged for Manner It Conducted Probe.

WASHINGTON, Nov. 19. (AP)—Counsel for Mrs. Margaret Ross Rhinelander today asked the court to discharge the board of inquiry which is conducting the hearing into the charges against her former husband, Captain Paul Policy, by Mrs. Lansdowne.

Mr. Davis added that if the usual procedure is to be followed, the board of inquiry, in the manner in which it has handled the controversy between Captain Paul Policy and Mrs. Lansdowne, then, as counsel for Mrs. Lansdowne, he requested that the secretary direct the board of inquiry to be discharged.

Wants Two Things. "First," he requested for Mrs. Lansdowne a stenographic copy of the testimony of all witnesses heard before the board of inquiry, and secondly, a copy of the transcript of the testimony of each of the witnesses who have testified in this case.

STATEMENTS ASSAILED. WASHINGTON, Nov. 19. (AP)—Statements made before the Rhinelander naval court by Mrs. Margaret Ross Rhinelander today were assailed before the tribunal, first by Captain Paul Policy, former judge advocate of the court, and again by Lieutenant Commander G. E. Rowland, senior staff diving officer of the wrecked ship.

Captain Policy entered emphatic denial that he had sought to "sway" the testimony of Mrs. Rhinelander before the court, while Commander Rowland declared that any "swaying" or "tampering" with the testimony of Mrs. Rhinelander would be a crime.

Go Into Conference. Mrs. Rhinelander's attorneys, a team during which Justice Morchauer, Mr. Davis and Jesse N. Mills, counsel for the woman, met in a conference in the chambers. Fifteen minutes later Justice Morchauer resumed the bench and the adjournment until today was granted.

NIGHT OF FILER TO CHAMPIONSHIP IS QUESTIONED

Gooding Citizens Protesting Claim of Wildcats to Title for District; Result of Bruins Game Starts It.

GOODING, Nov. 19.—(Special to The News)—Gooding citizens protest claim to the championship of Southern Idaho, after Gooding's 12 to 0 victory over Twin Falls here today by the following telegram sent to J. J. Ray, secretary of the state athletic board at control:

"We, the citizens of Gooding protest Filer's right to play Nampa as the football champions of southern Idaho on the grounds that Filer is winner only of class B schools and the rules state that the winner of the B class must play the winner of the A class. Gooding is the winner of the A class. Had Filer lost the Gooding-Filer game, the football force Gooding to play them again as winner of the B class. Filer has not finished her schedule. Filer has the Gooding game on a tie and tied Twin Falls. Gooding beat Twin Falls. We demand right to play Gooding-Filer as the winner of the Filer-Nampa game on neutral grounds.

We would have received from Mr. Ray late Thursday evening. H. H. Snyder, president of the state board, will be in Twin Falls today to witness the Filer-Nampa contest and some action may be taken by the state board at that time as Superior Judge Blaine is the chief member of the state board. It is not anticipated that the Filer-Nampa game will be cancelled but some action may result from the Gooding protest after the game Friday.

INTERDISTRICT FOOTBALL TITLE AT STAKE TODAY

Nampa and Filer Teams Will Meet to Settle Gridiron Honors at Lincoln Field This Afternoon.

Everything is in readiness for the championship battle at Lincoln field today between Nampa and Filer for the football title of southern Idaho. Students Manager Clinton Evans had a crew of men working on the field Thursday night, digging and liming the field. Fair weather promises and he having the field will be dry and soft. Coach Herrington and his boys, Nampa aggregation worked out on the field Thursday and were in good shape for the encounter. The junction city team coach is depending on Biles to be his star this afternoon and being home the title for the westerner. Nampa lost a goodly number of her late champions of last year but has built a strong team around the remaining players. Nampa has had one week of practice before the game, but mentioned no injuries to players in that contest. Coach Herrington expressed confidence that his team could defeat the Filer eleven and earn the right to meet Filer for the state title.

Filer has posted one American day and the squad is in excellent condition for the championship contest to lay, which is impending with every racket and it will be a case of one Greek meets Greek when Biles and Dick struggle. They are one of the same build and of about equal height. Both back up the line of defense and it will be a pretty battle to watch. From all previous games it is a fact that both teams are a strong line and the winners will produce prize money in the local market. Filer has developed a strong attack via the air route and Nampa is reported to have a few tricks up her sleeve, also. It will be a nice contest to watch and existing much interest in this district. The crowd promises to be one of the largest this is a record of football contest here to name a day and playing conditions will be almost perfect. The game starts promptly at 2 p.m.

HOME DEFENSE

A Canadian mother whose children frequently were robbed of their napkins by agents who, in their capacities, rang the door bell repeatedly and loudly, decided that something had to be done to protect herself and her children. She put a notice beside her door bell, reading: "Agents positively not admitted. Please do not ring the bell." And her scheme worked. Great peace and quiet settled down on that household.

An American family, living in the city, but on a main highway leading to the city, had a very good view of the highway for many miles. In the summer months by a constant stream of passing tourists asking for gas, for tools, for water, for information and for use of the telephone. In self-defense the housewife finally put up notices at both ends of the highway. The notices gave nothing at the door. They say nothing at the door. This is a private home. Gas station half a mile east."

These warning-off signs are not selfish. They are right and reasonable methods of self-protection. In times, more outrageous and impudent person will figure out a way of putting a stop to the numerous, needless calls from salesmen who regard every household as their legitimate prey.

If door-to-door canvassing had not become a member of the modern home would not have to resort to such self-defense. But in the absence of drawbacks, peddlers, seers, and watch dogs, something has to be done to protect the privacy of the home from invasion.

NATIONAL EDUCATION WEEK

This is National Education Week, which means that the national authorities of the Nation would have us pause a while in the day's occupation and think of education. Its plans and program in a broad sense. We believe that education in Idaho is carried on upon a very high plane. It should be when the conditions of the country are such that it is yearly expended for it. Idaho schools should be well equipped and well managed, and we believe they are. Once every two years, however, comes a time when the people of Idaho are threatened with something of a suspension of education. Happily, Idaho Legislatures have been enabled to stand off most of the more radical attacks and the result is appropriations sufficient to provide courses fully sufficient to the needs of the State and which compare well with those as practiced in most other States.

Idaho's sons and daughters are given every facility in the securing of an education which, it is hoped, will some day prove a splendid investment for the State. The conditions are such that every child who is enabled to read and women to better equip themselves for the duties and responsibilities of citizenship. Incidentally, there is the advantage in the direction of higher earning power for themselves but primarily the end sought is the betterment of the government and a stronger nation.

It is well to think about these things but it is a mistake to attempt to confine the thought to a single week in the year. Education and its kindred subject, good citizenship, should never become associated with a special or a seasonal work or study of the topic.

Such an idea should be expressed through National Education Week, National Response Week and National Credit Fund Week.

Education has no boundary but to some states it is.

Mary Magdalene

Mary Magdalene probably takes her name from Magdala, the city where she lived. Her name is prominent somewhere near Tiberius on the west shore of Galilee. By some writers Mary Magdalene is set down as the first woman to be converted to Christianity. Tradition to support their convictions. Nor is there any reason, so far as history tells us, for the new common opinion that she had been a woman of ill fame life.

Moles Not Fairly Blind

Moles dig out the earth in order to get under the fur to protect them from the earth through which the animal burrows. A mole is well equipped with senses, for, in relation to its life, it has a very good sense of smell, and its hearing is so acute that it can hear footsteps above its underground home. That is why moles are so hard to catch.

JARDINE TELLS OF FARM NEEDS AT WINDY CITY

Secretary of Agriculture Declares Help Is Needed to Solve Problems in Address Before Land Grant Colleges.

(By The Associated Press) CHICAGO, Nov. 19.—The problems of agriculture, particularly its sociological problems, will never be solved by the farmers and agriculturists alone, declared Secretary Jardine last night in addressing the Association of Land Grant Colleges.

So complex and inter-related are the conditions of our civilization today that no one group can stand alone, he said in pointing out that the land grant colleges could perform a service in interpreting agriculture to the people of urban communities who do not know farming or farmers.

National Problems.

In a more general sense than ever before our problems are national problems and they will be solved through our taking into consideration not only all parts of our country and all institutions, but all groups in the population," the secretary declared.

Dr. Jardine said the presence of the Pullman act providing colored federal support for agricultural experiments and farms is one of the means by which the government is favoring the grant of public funds for the advancement of knowledge through research.

"We must consider all aspects—research, teaching and extension—for agricultural betterment," the speaker concluded.

Extension Workers Help.

"Extension workers are doing a great deal in reaching out to the farmers. But organizations and individuals who in the past have been farmers from county and state organizations are disappearing under the influence of contemporary conditions.

"In organizations after organizations farmers are working together effectively and the influence given to them by extension workers has been a powerful stimulus and a strengthening force in their work.

"The development of cooperative marketing organizations is a growing group of new farm organizations to which valuable information can be furnished. Because of their large and increasing membership, information utilized by them will affect the agriculture of the country directly and substantially. Moreover, cooperative operation is not simply a marketing matter but a way of life. It is a group expression of our agricultural population."

TANGO OUT OF STYLE IN PARIS; VISITORS SHUN IT AT CAPITAL

PARIS, Nov. 19.—Dancing mania, and especially dancing mania, have decreased; that is the last step in the decline and fall of tango. The degrees are not of most of the visitors to Paris. Even Frenchmen decline it.

Stomach and south American music a majority of the dancers in fashionable clubs and cafes when the tango comes up.

This is especially true of affable tango dancers, when most of the participants are not in formal dress. "Street clothes" and the tango club do not go well together and it cannot be done at all in Oxford legs.

The American girl who refused the tango at a tea party laughingly quipped: "I have given it up. I have decided that it could only be danced by some man who one is disappointed in love with and should be done on a secluded veranda in the moonlight. It is too hard to stage it properly."

RAILWAY COMPANY TO INCREASE ITS COMMON STOCK TO \$9,000,000

CINCINNATI, Nov. 19.—(Special to The News.) The directors of the Cincinnati, New Orleans & Texas Pacific Railway company decided at their annual meeting here to increase the common stock of the company from \$5,000,000 to \$9,000,000.

Frederic Harrison, Washington, president of the road, said that after necessary legal steps are taken, including the securing of the approval of the interstate commerce commission, the board will declare a stock dividend of 200 per cent on the outstanding common stock.

A quarterly dividend of 1 1/2 per cent on the preferred stock was declared payable December 1 to stockholders of record November 21 and semi-annual dividends of 3 per cent and an extra dividend of 3 1/2 per cent on the common payable December 21 to stock on record December 1.

BLACK RUST SHOWS UP IN BUENOS AIRES

BUENOS AIRES, Nov. 19.—(Special to The News.) Black rust is reported from various parts of provinces of Entre Rios and Cordoba in the northern wheat belt, where early frodding has caused the damage. The specific gravity of the grain arriving here is lighter than expected.

Well-informed quarters, however, do not view with alarm the general condition in the Argentine crop, which, it is pointed out, has just been estimated to be estimated officially at 40,000,000 bushels.

The reports from Chicago of indications of disaster to the Argentine crop are characterized here as "speculative exaggeration" and are in part attributed to speculation.

BRUINS LOSE TO GOODING ELEVEN IN HARD FIGHT

Twin Falls Unable to Stop Charging Back and Score Ends 12 to 6; Rally in Last Quarter Threatens.

Twin Falls went down to defeat before the powerful Gooding aggregation Thursday afternoon in a hard fought contest featured by the unusual play of Tonne's early in the third quarter and the fine punting of Rosenbaum, huffy blocking of Berg and Kelly, and a crowd a thrill early in the last quarter when they opened up an attack that threatened for a short time, and once before for the Bruin backs, Kelly and Berg, accounted for 21 yards in three plays but the Gooding line tightened in mid-field and threw the Bruins for large losses and forced them to kick. The final score was Gooding 12, Twin Falls 6.

Gooding is the first high school team that has come out this season that has gained more yards on average than the Bruins. Gooding accounting for 151 yards while Rosenbaum punting 11 times and the Bruin line plugging and took the half half the length of the field on average. The Bruin line through the Bruin line, only to be held on the three yard line by Twin. The first half was a pretty battle. Though the Bruin line was holding territory the Bruins could not get within striking distance and Gooding was playing the safe game, kicking some times on the second down.

Tonne was not able to get away from his first half for any considerable gain and Rosenbaum could not seem to get started on his line plunges. Early in the third quarter Tonne solved the ball on the 50-yard line and after delaying trying to pass, took the ball through the whole Bruin line for the first counter. Early in the fourth quarter the Bruins after working the ball to the 25-yard line, Rosenbaum received a 20-yard pass at the goal and scored. Berg failed to kick when the pass for Tonne was low, leaving the score tied.

Lovejoy Gets Ball.

On the kickoff Lovejoy, Gooding right end, carried the ball to the Bruin 25-yard line and Gooding started her drive making yardage through the Bruin line (two after time, only to be held on the three yard line). Berg kicked out to his own 35-yard line and on the first play Rosenbaum kicked a punt which was blocked. Bruin tacklers fell from the big play like rain from a dark's back and he came over with the wind whistling. The Bruins opened up after this score passing from one position, but the Bruin line held them back.

Second Quarter.

Twin Falls kicked off to the 25-yard line. Berg kicked and Lovejoy kicked to Owens on his own 35-yard line. Kelly made 3 yards and Tonne was incomplete and Vance recovered a fumble. Potter made a yard and Gooding took the ball on her own 40-yard line. A try at a pass was incomplete and Vance recovered a fumble. Potter made a yard and Gooding took the ball on her own 40-yard line. A try at a pass was incomplete and Vance recovered a fumble. Potter made a yard and Gooding took the ball on her own 40-yard line.

Third Quarter.

Twin Falls kicked off to the 25-yard line. Berg kicked and Lovejoy kicked to Owens on his own 35-yard line. Kelly made 3 yards and Tonne was incomplete and Vance recovered a fumble. Potter made a yard and Gooding took the ball on her own 40-yard line. A try at a pass was incomplete and Vance recovered a fumble. Potter made a yard and Gooding took the ball on her own 40-yard line.

Fourth Quarter.

Twin Falls kicked off to the 25-yard line. Berg kicked and Lovejoy kicked to Owens on his own 35-yard line. Kelly made 3 yards and Tonne was incomplete and Vance recovered a fumble. Potter made a yard and Gooding took the ball on her own 40-yard line. A try at a pass was incomplete and Vance recovered a fumble. Potter made a yard and Gooding took the ball on her own 40-yard line.

Berg fumbled on the next play the ball being lost toward the Gooding goal and Potter trying to pick it up showed it faster toward the goal. Gooding recovered the ball on her own 25-yard mark. Tonne tried a pass but it failed. Fletcher made a yard and Tonne made it first down. Tonne was thrown for a 10-yard loss and Lovejoy kicked to Owens on the 35-yard line. Berg and Owens made it first down in four tries. Kelly made 7 yards but Owens and Potter failed to gain and Berg kicked to Owens on the 25-yard line. Tonne and Fletcher made 13 yards in three tries. Another fumble first down in three tries. Gooding was off-side and Twin Falls took the loss for the penalty. After an incomplete pass, Lovejoy kicked over the goal. Berg kicked from the 20-yard line. Tonne made a pass for 11 yards but Potter and Detzold intercepted the next try on his 40-yard line. Kelly made 2 yards and Berg and Owens failed to gain at the quarter end with the ball on the 48-yard line.

Second Quarter.

Robertson went in for Berg and replaced Kelly in quarter. Berg kicked three yards and then kicked to the 25-yard line. Lester and Williams went in at guard and Peterson and Tonne came out, Sullivan going to center. Rosenbaum and Tonne made first down in three tries. Tonne made 20 yards on a fumble. The Bruins blocked Lovejoy's kick and Gooding recovered, but it was the Bruin's ball because it did not cross the line of scrimmage. Kelly and Potter failed to gain and Potter kicked over the goal. Rosenbaum failed to gain and Lovejoy kicked to the 50-yard line. Robertson made 9 yards, but Kelly and Potter failed to gain and Potter kicked over the goal again. Gooding fumbled and recovered and Lovejoy kicked over the goal. Tonne made 33 yards. Kelly made 3 yards in two tries and Potter failed to gain. A pass was incomplete and Gooding took the ball on her own 40-yard line. A try at a pass was incomplete and Vance recovered a fumble. Potter made a yard and Gooding took the ball on her own 40-yard line. A try at a pass was incomplete and Vance recovered a fumble. Potter made a yard and Gooding took the ball on her own 40-yard line.

Third Quarter.

Twin Falls kicked off to the 25-yard line. Berg kicked and Lovejoy kicked to Owens on his own 35-yard line. Kelly made 3 yards and Tonne was incomplete and Vance recovered a fumble. Potter made a yard and Gooding took the ball on her own 40-yard line. A try at a pass was incomplete and Vance recovered a fumble. Potter made a yard and Gooding took the ball on her own 40-yard line.

Fourth Quarter.

Twin Falls kicked off to the 25-yard line. Berg kicked and Lovejoy kicked to Owens on his own 35-yard line. Kelly made 3 yards and Tonne was incomplete and Vance recovered a fumble. Potter made a yard and Gooding took the ball on her own 40-yard line. A try at a pass was incomplete and Vance recovered a fumble. Potter made a yard and Gooding took the ball on her own 40-yard line.

Grid Classics Will be Played

Four Football Teams Will Clash in Historic Games Planned for Saturday.

NEW YORK, Nov. 19 (AP)—Two of the oldest classics of the gridiron, one of them between traditional foes that have met in a record total of 8 conflicts, will call four eleven to the center of the football stage Saturday for their final appearance of 1925 season.

Although the Lafayette-Lehigh classic does not date back as far as the Yale-Harvard struggle on the same day, teams from the Pennsylvania colleges played two games each season from 1881 to 1901 to run up a total of conflicts exceeding that of the Big Three classic.

LaFayette and Yale are the favored teams on the basis of their early season records. The former's outstanding achievement was an unexpected triumph over Pittsburgh, but the Gators eleven also was held to a tie by Colgate, 6 to 6, and lost by a single point to Washington and Jefferson.

INDIANA WILL OPPOSE MATCH

Foundations Laid to Prevent Dempsey-Wills Championship Fight Next Summer.

INDIANAPOLIS, Nov. 19 (AP)—Foundations for a legal attack on the proposed Jack Dempsey-Bruce Wills fight in Indiana, probably at Michigan City, next summer was laid today when Attorney General Arthur L. Gillson of Indiana, gave Governor Ed Jackson an opinion on the legality of the fight, which virtually prohibits the meeting of Dempsey and his challenger.

"It is possible," Gillson's opinion said, "that these men might without violating the law meet for the purpose of exhibiting their skill as boxers, arising from their purpose the exchange of blows which would be calculated to determine superiority between them in their chosen and well known profession. If this is the intention, there is no intended violation of the law."

Gillson's held that such a meeting would violate the spirit of the Indiana law.

A distinction between "boxing exhibition" and "price fighting" is outlined in the Indiana law, which forbids the latter.

Articles for the match were signed some time ago with the two principals reaching an agreement on terms at a meeting of the fight with Fred Fitzsimmons, a Michigan City promoter.

SUDDEN UPTURN GIVEN TO GRAIN

Reports of Losses in Argentine Supply Causes Price at Chicago to Advance.

CHICAGO, Nov. 18. (AP)—Americans that wheat crop losses in Argentina have reached an aggregate of 37,000,000 bushels gave a sudden boost today to the wheat market here, closing prices were strong at 2-1/4 to 3/4 net gain, new crop, December \$1.50 1/4 to \$1.50 1/2, old crop \$1.25 1/4 to \$1.25 1/2 with corn unchanged to 3/4 net gain, oats 1/4 to 1/2 net advance and provisions varying from 1/2 cent to a cent higher.

It was only when the wheat market had made its marks \$1.00 for December and had advanced \$1.25 for May that profit-making sales had much effect on a wheat market. The buoyancy that was shown in wheat was not due to any new news but to a change in the action of prices during the first part of the session.

Reports of a better weather conditions in Argentina and Australia formed the dominating influence early and was followed by a report of increased shipments this week from Argentina. Middle-born resistance to declines, however, by the market and there was a slight gain of early buying on the part of traders who yesterday were sellers.

Grain prices advanced slightly by wheat, but not as much as the weather news. Provisions advanced higher as a result of the upturn in grain.

CHEMIST LOOKS INTO GUN FIELD OF ANGRY MAN

W. O. Tharp, Dairyman, Heeds Inspector's Call While Pressing Trigger to Shoot H. L. Walter, Witnesses Declare.

H. L. Walter, Twin Falls city and county chemist, held the handle of a loaded revolver in the hands of W. O. Tharp, dairyman, who is alleged to have threatened to kill him when he went on duty Thursday with Dr. M. Grotes, city meat and dairy inspector, to inspect the Tharp dairy farm near the county general hospital on the state high way about a mile west of Twin Falls. Mr. Walter stands at the scene of the crime that he would sign criminal complaint against the dairyman.

According to accounts of the affair given by Walter and Dr. Grotes, Tharp commanded the chemist to leave the premises at the same time drawing the weapon in his hand. He had a pocket and, with a threat to kill the chemist, while standing within a few feet of Walter, he pointed the gun. Walter's hand and finger against the trigger until the hammer was lifted. At that moment Dr. Grotes called to Tharp to drop the gun but the weapon was slowly lowered. Walter returned to his car and was joined by the inspector, both men leaving the place on foot when the car failed to start.

Objection to Inspection
The chemist and inspector had just arrived on the premises and Walter had turned to lift a bottle of milk when the chemist saw the gun in the car. Grotes standing nearby, when Tharp appeared on the scene and began uttering the chemist. There is said to have told the inspector after the chemist turned to leave following the gun play, that he had no objection to any inspection being made by Dr. Grotes, but that Walter could not enter upon his premises. Trouble between Tharp and the chemist is said to have originated about a year ago when Walter, suddenly appearing at the Tharp dairy barn, obtained a photograph of Tharp leaving the barn after milking at a time when the Tharp family was under quarantine for anthrax.

CONTROL HOG CHOLERA OUTBREAK IN POCATELLO

A portion of the Oregon Short Line railroad yards and three other premises at Pocatello, where outbreaks of hog cholera occurred this week have been placed under quarantine and arrangements have been made for the isolation of affected animals. Dr. W. A. Sullivan, of Boise, inspector in charge of United States Bureau of Animal Industry activities in Idaho, stated here Thursday on his return from Pocatello.

The first outbreak occurred in a herd of hogs on the Portetello Hog Feeding company's ranch and due to the prompt reporting of the disease to the state promptly to the deputy state veterinarian, infection spread to three other herds as mentioned by Sullivan.

There has been no outbreak of hog cholera in the Twin Falls county since 1922, according to the health officer.

FORGER SUSPECT HELD TO ANSWER

Harry Matteson, Accuser of Three Other Men, to Stand Trial in District Court.

Harry Matteson, who last week made charges of forgery against three men who were arrested and brought here from Central, Nevada, now is in district court here on charges of forgery, under terms of an order issued by Judge J. L. Troughton at the conclusion of a preliminary hearing in public court here Thursday. Matteson was admitted to \$1000 bond, which has not yet furnished.

In his own behalf, Matteson, who was not represented by an attorney, testified at the preliminary hearing in public court here that the forged signatures, making a sweeping denial of the charges brought against him. Witnesses for the prosecution stated that Matteson had entered into conspiracy with David Haight and Harold Hook to raise money by cashing forged checks and that Matteson was charged in the complaint in this case had issued last August a check on \$1222 signed with the forged signature of A. L. Beveridge which had been cashed by Mrs. J. A. Chris Anderson, wife of a local fruit and vegetable dealer, in charge of the store at that time.

Haight and Hook previously have pleaded guilty to charges of forgery. Haight is serving a sentence in the state prison and Hook is at liberty on deep parole.

Witnesses for the prosecution at the preliminary hearing include Hook, Fred Haight, E. E. Grant, assistant chief of police, H. H. Grant, assistant cashier of the First National bank, A. L. Beveridge and Mrs. Christopher.

FIGHTERS STRUT STUFF FOR ELKS

Interesting Boxing Card Features Elks' Smoker Attended by 400 Members of Order.

Three hundred Elks at a smoker in the Elks club rooms Thursday evening witnessed one of the most satisfactory boxing cards that has been staged here for a long time when two six-round bouts with a four-round preliminary featuring local pugilists were presented for the entertainment of the judges.

Hussell Stoddard defeated W. H. Green with a knockout punch to the jaw in the second round of a scheduled six-round main event. Stoddard connected with a solid punch to the stomach in the first round. Green beat the count and got to his feet in time to take another knockdown and the bell saved him at the end of the round. Green essayed a rally and landed a blow to the eye, the only time he touched his opponent, but went down twice while the referee counted before taking the final count.

Red Miller danced and jabbed at Glenn Ren throughout a six-round go that was a feature event of the evening, and was awarded the referee's decision. Held at a distance by superior reach and lightning swift jabs of his rangy opponent, Ren was forced to adopt a salubrious tactics in attempt to get under Miller's guard, and was successful

only once, landing a solid jolt to the ribs in the second round.
Kid Leonard and Paul Tate appeared cautiously through three rounds, miscellaneously in more hectic fashion in the final period of the four-round curtain raiser. No decision was announced.
During the interval between second and third bouts, Carl Ahlgren presented his performing pig dog, "Jerry," in a waltz dance to music in a manner that is said to be unaccompanied by any performing dog.
