Idaho's Senior Member Responds to Statements Made by Winston Churchill in Fiery Speech Before Senate.

(By the Associated Press.)—WASHINGTON, April 1.—The strictures made against the United States recently by Winston Churchill, chairman of the British exchequer, in connection with the British-American debt settlement, brought fiery responses to the senator.

Senator Borah, republican, Pennsylvania, referred to the chancellor's utterances as "whinnies," while Clarence Borah of the foreign relations committee, turned back the pages of recent history to show that the United States had sought to arrive at a "just and fair settlement."

Senator Borah is heralding to the world the fact that the United States is not a nation of "whinnies," but a nation of "men."

BOARD HALTS TARIFF PROBE

Senate Committee Suspends Hearings When Dennis Suffers Nervous Attack.

WASHINGTON, April 1. (AP)—The senate tariff investigating committee ended today's hearings abruptly when Chairman Dennis, Democrat, of Maryland, who was testifying, suffered a nervous attack, and was unable to continue.

In the midst of charges that the commission was pigeonholing lower duty cases and expediting those for higher rates, Mr. Dennis put both hands on his head and asked for a recess. He was taken to an ante-room but in a few minutes returned the room only to find that he could not read his notes. He explained that he had been unable to sleep during the night and the committee adjourned until Monday when he will complete his testimony.

The committee made public the findings of its report, the second confidential document of the commission delivered by subpoena.

It showed that on March 7, 1925, the commission recommended to President Coolidge a reduction in the duty on linseed oil from 33 cents to 27 cents per cask. Only three members, Chairman Marvin, Burgess and Glasser voted. Commission Dennis charged that the reduction would result in a loss of \$100,000,000 a year, lower rate inquiry until it had been threatened with a congressional investigation. The report, he said, has now been completed.

The commission said a majority of the commission had recommended an increased duty on cotton goods of 10 per cent valorem to 112 per cent, which would have raised the retail price of 50 cents a yard to \$1.50, but the president, "actuated by a sense of fairness," refused to act on the recommendation.

After he had requested Chairman Marvin to expedite cases, Mr. Dennis said several cases were taken up and only five higher rate cases were completed. The two for lower rate, he explained, are still pending.

He asserted the better investigation was used as a "sting property" to sidetrack other cases on which the commission's majority did not wish to act.

There is no chance of having the woolen schedule investigated, the committee was told, because Chairman Marvin is opposed to lowering the duty. The vegetable oil cases have never been decided and Mr. Dennis, although Senator Wadsworth, republican, New York, a member of the investigating committee, requested an early decision.

DEBT QUESTION DRAWS FIRE OF SENATOR BORAH

tain whether that settlement connects the principal.

Kindred's array of sums that run into the millions and billions, amounts returned to their "rhythmic days and cheerful pencils, added, subtracted and multiplied, until they had covered scores of sheets of paper.

Senator Reed of Pennsylvania started it by asking the settlement provided for the payment by Italy of "every single penny of principal" with interest.

Senator Smart, republican, Utah, a member of the debt funding commission, agreed with him, but Senator Howell, republican, Nebraska, figured out that the agreement not only covers the principal, but imposes upon the American people an interest deficit of some \$2,000,000,000 annually for 42 years.

Continuing Italy's annual payments of \$5,000,000 to the United States with those of \$20,000,000 to Great Britain for the first five years, Senator Borah declared that any count of equity in the world would set aside the Italian arrangement with the United States on the ground of fraud.

He favored the rescission of the agreement to the debt commission and asked that he be permitted to present some facts that he had gathered and that bore upon Italy's capacity to pay.

CHILEANS DISCUSS PLANS

SANTIAGO, Chile, April 1. (AP)—The Taren-Aren situation was discussed by President Figueroa, the foreign minister and the foreign relations committee of the chamber and set out this afternoon. DEPARTMENT RULING PRECIPITATES MILK WAR IN WINDY CITY

CHICAGO, April 1. (AP)—A new prohibition war raged today in Chicago and its environs, but not milk, not liquor, but the beverage in contention's cup.

Precipitated by a rule of the Chicago health department, which at 11 o'clock tonight laid night, forbidding sale in Chicago of milk from dairy herds not tested for tuberculosis in feeding lots.

"You can't insult me. You are a dirty, contemptible scoundrel," Mr. Rankin then started toward Mr. Mills, but Representative Doughton, Democrat, North Carolina, intervened as a peace-maker.

Still struggling to reach the New Yorker, Mr. Rankin as he himself subsequently explained, started to hurl a vile epithet at Mr. Mills, but immediately announced he would withdraw the remark, adding:

"I won't call any white man that." Judge English, who was appointed to the bench by President Wilson in 1918, is the eleventh federal judge and the fourteenth federal official to be impeached by the house.

The chief charges against Judge English are wrongful manipulation of bankrupt funds, usurpation of authority over Illinois officials, use of profane language from the bench and threatening of jurors and counsel in court.

AMERICAN WOMEN MAY BECOME DUMB-BUNNIES, SOCIOLOGIST ASSERTS

CHICAGO, April 1. (AP)—The American woman is in danger of becoming "dumb-bunnies" because she loafes away at worthless recreation the time that labor saving devices in the home have put into her hands, Dudley Crafts Watson, sociologist, asserts.

In an address tonight before the One-Vote House exposition, Watson prophesied hourly the future of the housewife whose time is used in the pursuit of pleasure instead of in self-improvement.

Theater, shopping, motoring, bridge playing, clubbing—all were classed as "leisure" activities.

Mr. Watson, however, gave women much more time to themselves than they used to have and "only a small minority are going in for cultural things."

Orlando's April Fool's handicap was won by Long Point, followed by Silk Sox and Snoots.

COACH ORDERS TRACK MEDALS

Trophies to be Awarded to Winners in District Event Will Soon be on Display.

The order for the cups and medals to be presented to the winners of the south central district track meet to be held in Twin Falls, May 1, was placed yesterday by Superintendent Hooan and Coach Platino. The team winning the meet will receive a handsome silver loving cup and the winners of second place. The high point man will also receive a silver cup, and the winners of the three first places each event will receive medals. A gold medal will be awarded for first place in each event and a silver medal for second place, while the third man will receive a bronze medal. These medals will be inscribed, "South Central District Track Meet," on the front and the event will be engraved on the back.

Coach Platino is seriously considering making for second place, a winter sports team, teaching skiing, snow shoeing, hockey and other winter sports.

Gym Workout.
The heavy snow that covered the ground yesterday kept the athletes indoors for a light workout in the gym and they have had but two sprints on the field this week. The time is short in which to develop a track team and each day lost is a heavy handicap to the team.

Much interest is aroused over the interclass meet this year. The underclassmen feel that they have a chance to win the meet. The jury, however, believe they have the title of class champions already tucked to their belt and have a large number of good athletes to back their contention.

The interclass fray will be held at Lincoln field next Thursday, April 8, and every week thereafter will see a track meet at the local field until May 8, which is the date set for the elimination meet at Caldwell.

SALT LAKE RIVER PEARL

SALT LAKE CITY, April 1 (AP)—A pearl, about one-sixth of an inch in diameter and almost pure white was discovered by Clarence O. Dawson of Blair, Nebraska, in an oyster cocktail which he ordered in a local restaurant.

Mr. Dawson turned his find over to a lapidary for valuation. As the pearl was in a raw oyster, its worth will not have been diminished by heat, he was told by the management of the eating place.

MAN WINS STRIKE BY SERVING 1278 DAYS

VANCOUVER, B. C., April 1 (AP)—Virginia Durand of Vancouver won a liberty today after spending 1,278 days in jail, where his bond bill was paid by Mrs. Agnes Viennet, a former business associate, to prevent him from leaving British Columbia.

Mrs. Viennet arranged to have Durand jailed in 1923 on condition that she pay fifty cents a day for his upkeep, after she proved that Durand intended to flee the country with what she contended was her share of their joint profits. She intended to keep Durand in jail until he paid her \$1,000 that she had in a bank, but ordered his release when the boarding rate for prisoners was raised to \$1 a day January 1.

STRIVE FOR SUPREMACY

BOIRE, April 1 (AP)—January and June strove for supremacy in Boire today, and June came out ahead.

The city awoke this morning to find an inch of wet snow covering trees and lawns, and farmers and business men rejoiced at the "million dollar blanket." By noon the entire fall had melted, slaking into the ground and fields were again green.

fruit trees again blossomed, and June weather, which has been the rule since early in February, again prevailed.

UPSETS FEATURE PLAY IN NATIONAL BASKET BALL TITLE CONTESTS

CHICAGO, April 1 (AP)—The biggest upset of the national scholastic basketball tournament at the University of Chicago came tonight when Salem, South Dakota, defeated Westport High of Kansas City, Missouri, 28 to 26, in a game during which the score was frequently tied and the result in doubt until the final run.

Westport had been regarded as one of the strongest contenders for the national title when the Salem team, coming from a little prairie town of 1000 inhabitants, came to the game unheralded as a tracking team among the 40 entries.

The south was twice victimized, Tech High at Atlanta, Georgia, and Wheeler, Mississippi, going down in unexpected fashion before teams from Minnesota, and Pennsylvania, respectively. Wheeler, Mississippi, champions and fourth place team in the 1925 tournament, was noosed out, 34 to 17, in the closing

minutes by Nanticoke, Pennsylvania, an entry passed with little notice in the opening round. Gaylord, Minnesota, came through with a surprise, smothering the Atlanta, Georgia, quintet, only the southern field goal being remembered in the final score of 23 to 7.

BUHL, April 1 (Special to The News)—The Endicott team arrived in Buhl this afternoon about 4 o'clock making the trip from the Washington city en route. Coach M. E. Miller and his wife and Mrs. Vining accompanied the nine players making the trip. The team worked out in the Buhl gym this evening, taking a two-hour workout on the local floor. The team looks in good condition after the long trip and are confident of winning the local contest. The Endicott team has built up an undefeated record for the past season, playing 15 games without a defeat, piling up 430 points to 175 for the opponents. They have four regulars from last season on the team this year and the team appears well balanced.

Buhl Ready.
The Buhl sextet is ready for the championship tilt here tonight after a light workout tonight after school. The team is resting for the big game Friday. Under the leadership of Harry Barry, the Buhl team has built up a wonderful record, playing 15 games this season and winning all of them, scoring 570 points to 217 for opponents, and in addition defeating the Albion normal team which is a college sextet. The local team has but one girl from the championship team of last year, but have built a real aggression from the second team of last year.

Prepares for Crowd.
All arrangements are completed for the handling of the largest crowd that has ever filled the Buhl gym during these two games. The first served seat sale will open this morning at the Ellison drug store and no doubt every seat will be taken before the morning is well started. The tickets are not reserved and it will be a case of first come first served. The capacity of the Buhl gym is about 2000 people and it is expected that more than enough people will be on hand to witness this championship contest.

Miss Thompson, athletic director at Albion normal, and Syd Kleffner, Lupert mentor, have been chosen as officials.

The games are called at 8 p. m. to allow the farmers to get in without hurrying and the games will start promptly at 9 and will be finished before 10 o'clock.

BUHL AND KIMBERLY TO CLASH AT FERRIS FIELD

BUHL, April 1 (Special to The News)—Coach James Neal's baseball team will tackle the Kimberly nine here Friday at Ferris field. This is the greatest game of the season for the Buhl nine and the third for the Kimberly team. Buhl defeated the strong Rhoades team here last week and Kimberly has not been so fortunate, one to Twin Falls. This is the first regularly scheduled game for the Kimberly nine this season.

MURDER INCREASE SHOWN IN STATISTICAL REVIEW

NEW YORK, April 1 (AP)—Preliminary statistics for 17 American cities showing an increase in the murder death rate of the country from 10.8 per 100,000 in 1924 to 11.1 in 1925, the greatest in history are given in the current issue of the Spectator by Frederick L. Operation of the Amalgamated Sugar company factory at Twin Falls, Idaho, has increased tax rolls for property in Twin Falls county for 1925.

LITIGATION NOT AFFECTED

Whether maintenance of the clover project differs by a paper charge against the Canal company or whether it should be borne by the project's landholders is a question which has been raised by a suit instituted by the project's trustees against the canal company.

A Fine Summer while it lasted, but when winter set in Monday morning, everybody and his brother discovered that they had but one scuttle full of coal on hand and they simultaneously became panic stricken in an effort to get some of that famous fuel found only at this yard. Of course we like lots of business but it's rather hard on the constitution to have to fill every bin in town in one day, so please order your coal early and avoid the rush, you'll need comfort producer for several months yet. Don't forget that this is headquarters for that famous Chestnut and Egg coal; when better coal is to be had, you can rely on being able to get it here, so don't let any body kid you. We haven't time to call on each one of you personally and tell you all about it, we're too busy delivering the same old Spring Canyon that we have been delivering for years. It's the same old coal, we don't change brands or names with the moon.

SEED POTATOES

We have a limited supply of Early Ohio and Certified dry land Russets for sale. Call and reserve what you need before they are all gone.

DAIRY FEED AND LAYING MASH

Yes, contrary to reports, we are still selling lots of these III-Grade feeds. They don't keep very well, though something like a bag of candy with a bunch of youngsters.

BABY CHICK FEEDS

Don't forget, we have baby chick mash and scratch feed, put up on Pron Moore's formula and made right here at home. You don't have to pay the freight from here east and from east here, when you trade with us. We use local grains and save the difference for you. Try some of it, it's cheaper and guaranteed to give satisfaction.

Let us forget, we say it yet, we have all kinds of feeds and grains, and by the way YOU DON'T HAVE TO HAVE THE CASH; we take eggs in trade on feed or coal. We are paying for eggs:

20c per dozen, cash. 22c per dozen in trade (No gyp in the trade).

Elks Lodge Installs Officers for Year

Frank C. Lynch, elected upon his official duties as exalted ruler of Twin Falls lodge of Elks, succeeding L. A. Chapin in that capacity at an annual installation ceremonial held at a meeting of the lodge Thursday evening. Other elective officers for the coming year were installed as follows: Estueneo leading knight, Gay L. Kinney; esteemed loyal knight, Alvin Hartour; esteemed feckling knight, C. O. Marble; secretary, H. E. Debes; treasurer, Harry L. Max; well known B. W. Gandy; trustees, Frank Mattison and W. G. Thompson. Appointive officers were installed as follows: Esquire, J. W. Dudley; inner guard, Glen Wilkinson; chaplain, C. H. Dilore; organist, A. Wilton Peck.

Installation ceremonial was conducted by the following past exalted rulers of the lodge serving on this occasion: the grand exalted ruler, Frank Mattison; grand exalted ruler, G. P. Duval; grand leading knight, H. G. Lauterbach; grand loyal knight, H. B. Grant; grand feckling knight, J. Paul Duval; grand esquire, Harry Debes.

L. A. Chapin, retiring exalted ruler, has been elected delegate to the grand lodge meeting in Chicago, with H. G. Lauterbach as alternate.

Veterans Present Insurance Claims

The Veterans' Bureau is approving over \$1,250,000 worth of government life insurance per day, according to figures from C. H. Wilkinson, district manager of the bureau at Boise, to Twin Falls post of the American Legion. This means that approximately 200 applications average \$5,000 each, are being approved daily. Veterans of the World War, in great numbers throughout the United States, are insuring with the government life insurance. There is only one little more than three months to act. The final date for reinstating and converting government life insurance is July 5, 1926.

While the campaign for reinstatement and conversion now being waged is only about six weeks old, indications are that the volume of applications will increase proportionately as the final date draws nearer and the bureau has made arrangements for the receipt and handling of a veritable avalanche of applications.

Practically the only difficulty being experienced at present in handling the applications is due to the fact that many applicants neglect to give sufficient details to identify their claims promptly. It is not unusual to receive applications giving merely initials and names of the insured, and instead of the full name, serial number, rank and organization and other details necessary for prompt identification and Director Hines is urging all ex-service men to be particular about these items in order that the Bureau's return service to them may not be retarded for lack of essential information.

Verdict for Victim Of Auto Collision

Verdict awarding damages in the sum of \$622 to Edward J. Williams from Frank DeKlotz, on account of Williams' claim for personal injuries sustained in an automobile collision on the state highway east of Piler on the evening of November 1, 1925, was returned by a jury in district court here Thursday afternoon. The verdict was signed by him out of the two jurors. Williams sued for \$8,075.

Evidence introduced at the trial showed that the car in which Williams was riding with Ward J. Blake and Ora L. Munyon, had been stopped on the road for repair of a tire and that it was struck from the rear by the DeKlotz car causing injuries sustained by Williams and the two passengers. DeKlotz alleged negligence on the part of Williams and his companions, asserting that no lights were displayed and that the car should have been halted at the side of the pavement.

Trial in the case of Ora L. Munyon against Frank DeKlotz, involving identical facts, has been assigned to be held next Monday at which time a new jury is to be called.

Gypsum Demand Growing Steadily

Our lots of gypsum to be used as fertilizer arriving here daily from the properties of the Sulphurite company, B. A. Hanks, manager, in northern Nevada and a number of shipments have been made recently from Twin Falls to various points according to Carl L. DeLong of Cryden and DeLong, distributors in Twin Falls.

One shipment was made yesterday to the state experimental station at Blackfoot and a number of letters have been received inquiring as to the shipping rates, etc. A carload of the product will be used on the McCornick farm southwest of town and careful observation made as to the results obtained. The gypsum will be applied to the land under the supervision of R. E. Rowland, county agent, and the resulting data will be available for the guidance of any who may be interested in its use.

A letter received by B. A. Hanks from G. H. Mebble, soil technologist of the University of Idaho, tells of plans now being made for experimental work on the reclamation of alkali land in the vicinity of Caldwell in which a carload of gypsum will be used. Mr. Mebble states that analyses of the product show it to be very desirable for this kind of work.

While the material is a Nevada product, the property is owned by Twin Falls men and will be marketed from this point.

SOCIETY AND CLUBS

On Wednesday evening at Daughters of the Bannermen entertained their husbands and the members of the Kiwanis club and their wives with an informal dancing party. The entire affair was most original, the hall was decorated to represent an English carnival street scene, with streamers, flags overhead; iron bandied street lamps bordered the dance floor. An English tavern at the end of the street where barmaids served refreshments throughout the evening at rustic tables, the music being furnished by the band.

Miss Thelma Tomkins gave a black-faced monologue, "A Trip to Heaven," and Mrs. George Leonard of Piler, a whistling solo, both ladies were presented with beautiful bouquets. Miss Helen Fisher, Miss Pauline Ware and Pat Daly, in gypsy costume, sang two English ballads. A prize drawing was a feature of the evening. Mrs. O. P. Duval and A. J. Peavy, and Mrs. P. H. Storgell and Elmer Holmquist being awarded the prizes. The barmaids were the Misses Betty and Viclan Wilson, Jean Sweeney, Alice and Helen Taylor, Charlotte Vogel and Helen Yelms. The committee for this delightful affair was composed of Mrs. Burton E. Morse, chairman, Mesdames A. J. Peavy, Edwin A. Wilson, E. A. Walters, W. Zenas Smith, J. E. Johnston and Allan G. Fisher. Music was furnished by the Blue Bird orchestra.

Mrs. A. D. DeBany was hostess to the Easter Noon club Thursday afternoon. Two ladies of players enjoyed the bridge games which form the diversion, with high score going to Mrs. J. G. Burt. The committee for the evening, Mrs. Charles Adams was a great of the club. The daily refreshments served during the games were symbolic of the Easter season.

With the church papers beautifully decorated with lace plants and the floors covered with rugs, the Presbyterian Ladies Aid, observed "Eggs Day" on Thursday afternoon. A short

business session was held with Mrs. H. W. Cloucheck, the president, in the chair. The program had been arranged by Mrs. W. B. Nixon, and opened with the singing of "The Star Spangled Banner" by the assemblage. Mrs. J. H. Hill sang two solos accompanied by Mrs. Sturgeon Meloy. Mrs. Fernan Schurger followed with two readings and Mrs. T. J. Woods and Mrs. Rick Bault sang two duets, both Miss Marie Woods at the piano. The table from which refreshments were served was centered with an Easter lily and the silver service were presided over by Mrs. Jabel Lawrence and Mrs. H. W. Cloucheck. The hostesses for the afternoon were Mesdames G. M. Hill, Pluma Mickwell, Hesteron, R. C. Wark, Adams and McAnley. About forty-five ladies were present.

American Legion Women's Auxiliary members at a meeting Thursday evening, were entertained at the

home of Mrs. Orla Oyler, on Poplar avenue, the hosts being assisted by Mrs. P. H. Storgell and Mrs. Craig Bracken. After a brief business session, the remainder of the evening was devoted to bridge. The hostess served daily refreshments.

Check Has Leading Part in Litigation
Suit instituted by Robert Campbell to recover \$251 from Kenneth Sharck of the Shark Transfer, Build, as payment for lily purchased by Sharck on March 10, last year, went on trial in district court here Thursday afternoon. The case will be given to the jury following attorney's arguments this morning.

The case presents question as to whether a check given in payment nine days before closing of the bank

on which it was drawn is sufficient to discharge the obligation. It is admitted that Sharck gave his check against the account in the First National Bank of Twin Falls in payment for the lily on the day it was purchased and that the check was not presented by Campbell before the bank on which it was drawn closed its doors on March 10, 1925.

Plaintiff Campbell is represented by T. J. Ineckman and the case for defendant Sharck is conducted by W. Orr Chapman of Dohiwell and Chapman.

JUNIOR CLASS VOTES TO HOLD 'OUTLAW' PROM

Commencement Week Social Event to be Held Without Official Sanction Because of Board's Ban on Dancing.

In announcement of decision of Twin Falls school board recorded at a special meeting last Monday to withhold official sanction from the annual Junior prom which is being held in the Twin Falls high school junior class members have decided to entertain members of the graduating class next month at an "outlaw" prom with dancing as a feature of the event.

The Junior's decision in this regard was announced Thursday evening following a meeting of the class members. Under the board's ruling, the "outlaw" prom cannot be held in the school building, but will be held in a public dance hall which will be reserved for the Junior and their guests and the occasion. It was indicated that parents and friends of the class members would be invited to serve as patrons for the affair.

Break Fifteen Years' Record.
The Junior prom has been an outstanding social event in the Twin Falls community since its inception in 1911. This year's prom is being held in the school building for 15 years and dancing has always been a feature of the entertainment, although games and other amusements have been provided for students who did not dance.

The vote of the board was divided on the proposition of withholding its support from the prom if dancing were permitted. The record shows that previous favor of withholding official sanction from the prom were cast by E. E. Crabtree, L. H. Perrine and W. T. Stockett. W. H. Weaver, chairman of the board, did not vote on the proposition, although in discussion he expressed opposition to dancing at the prom. Votes against the proposition were cast by Mrs. W. James Smith and E. B. Johnson.

Buhl Youth Admits Automobile Theft

Bill Jones of Buhl, 17 years old, who was delivered into custody of civil authorities at Port Douglas, Utah, upon his arrival there last Sunday for enrollment in the United States army, pleaded guilty in probate court here Thursday to charges of grand larceny in connection with theft from Buhl early last week of a new Ford sedan owned by Pete Land Johnson of Buhl. Judgment of the court is to be pronounced Friday. Jones was brought by Deputy Sheriff E. F. Prater Thursday from Ogden where he had been held since being delivered by the military authorities into the custody of Ogden officers on request of the local authorities. Jones is said to have abandoned the car in Ogden where he was accepted for training in the army soon after his arrival there. The return trip was made in the stolen car.

APRIL ARRIVES WITH SNOWFALL

Twin Falls Country Presents Midwinter Scenes With Heavy White Blanket Over Green.

The first day of April brought to the Twin Falls country one of the heaviest snowstorms in its history, marking a complete reversal of weather conditions that obtained here during the first three months of the year. The storm was of brief duration and was followed by bright sunshine in the afternoon, but during the time it continued the snowfall was extremely heavy. Measurement at the government weather observation station here showed a fall of one inch of snow bringing the equivalent of six one-hundredths of an inch of precipitation. The snowfall is reported to have been general over this region, and the value of the precipitation to field crops and on ranges is large.

ADmits Faulty Conduct

On arraignment in probate court here Thursday, Paul Wilson, plumber, pleaded guilty to charges of failing to provide for his wife and five minor children. Wilson was arrested in Salt Lake where he is said to have lived during the past 11 months, and returned here Thursday in custody of Deputy Sheriff E. F. Prater. Sentence is to be imposed by Judge J. L. Hodgkin today.
