FOREST FIRES BREAK LOOSE

First Blaze of Season Recorded Near Wallace; Hazard Is Great, Says Supervisor.

WALLACE, Idaho, April 15 (AP)—The first forest fire of the season in the Coeur d'Alene district broke out today in timber along the east fork of Big creek, 10 miles west of Wallace. The fire had spread over several acres tonight, but E. C. Palaski, district forest supervisor, said it would not assume alarming proportions.

Mr. Palaski said the fire hazard was great in this district. Lack of rain and unusually warm weather the last of the week has made forestry as thorny as declared in a warning issue here today.

TWO IN WASHINGTON
PORT ANGELES, Wash., April 15 (AP)—Two, brick forest fires were reported here tonight on a cigarette tossed from a passing automobile.

Campers were accused of carelessly firing two houses belonging to East Point on the Bogachie river, four miles south of the Olympic highway bridge over the river. The buildings were destroyed and flames threatened the Olympic national forest with a forest service pump truck quelled the blaze.

TEN IN MINNESOTA
BRainerd, Minn., April 15 (AP)—Ten forest fires were reported south of Brainerd tonight, being fanned by strong winds. E. G. Rhodes, state forest ranger, estimated the fires cover between 15,000 and 20,000 acres of land. Two hundred and fifty men are fighting them.

Farms, houses and even villages are threatened, say reports received here.

The largest single fire reported tonight was in East Gull township, where several hundred acres of forests are ablaze. The fires are reported south of Brainerd in Maple Grove and Crow Wing townships of Crow Wing county, Byron and East Gull lakes in Cass county and Belle Plaine in Morrison county. More than 75 men were recruited here to fight fires about the city. Brainerd is crowded with smoke from surrounding territory tonight.

CIRCULATE PETITION FOR VOTE ON VOLSTEAD LAW

DENVER, Colo., April 15 (AP)—A movement was initiated here today to give Colorado voters an opportunity to express themselves at the November elections on the question of a mandate to the next state legislature demanding alteration of state prohibitory laws to permit the manufacture and sale of liquor by or through the state insofar as it does not conflict with federal laws.

Headed by Senator Peurson, Colorado Springs millionaire and an avowed wet, a group of petitioners applied to Secretary of State Milburn for a ballot title and submission clause for the proposed amendment which, if adopted, will make it mandatory on the legislature to alter the statutes. The title and wording of the clause will be determined at a meeting of the petitioners and Milburn tomorrow.

A total of 25,241 signatures must be obtained on the amendment petition to insure its place on the state ballot next fall.

CHILDREN PICKETERS FAIL TO SEE PRESIDENT COOLIDGE

WASHINGTON, April 15 (AP)—Children picketers who came to Washington today to plead the cause of the textile workers in Passaic, New Jersey, with President Coolidge, failed to see him and, in addition, they were forbidden to parade with placards around the White House grounds.

Under the leadership of Carl Troelsch, of the strikers' united front committee, the children, one boy and five girls, ranging in age from 4 to 12 years, descended upon the executive office with placards calling for the hardship imposed upon them by the strike. The youngsters were from two families and their mothers were among the five adults accompanying them.

AMERICAN FUNDS NEEDED FOR JOB

This Country Is Only Nation Capable of Developing Russian Resources, Joffe.

MOSCOW, April 15 (AP)—The United States with its ready liquid capital and colossal energy, is the only nation which is capable of tapping the immense, untouched wealth that is treasured in the riches of the soviet government, concession commission.

Mr. Joffe said that lack of recognition of the Associated Press said that definite progress has been made especially of late on foreign offers are beginning to lose their purely speculative aspect and assuming more solid proportions.

Work Awaits America.

"It still seems the real big concession work awaits America alone," Mr. Joffe said. "The difference between Europe and America is that Europe must first sell us ready merchandise, make a profit and then invest in concessions, while America has liquid cash augmented by colossal energy and technical skill. The European offers are acceptable but the American offers are preferred."

Mr. Joffe said that lack of recognition of the soviet government by the United States would not decrease safety of any American "concessionaire's" rights.

Among the concessions which the commission plan to grant are those in the metal industry, mining, chemicals, timber and many manufactured products.

Another development of the day was a formal statement by Assistant Secretary Andrews, of the treasury in charge of prohibition enforcement, that he was advocating no change in the prohibition law.

He explained that his opinion given before the senate committee yesterday, that sale of non-distilling beer for consumption in homes or hotels with meals might aid law enforcement was in response to a hypothetical question. "It is my task to enforce the law as written," he said "and to that end I am giving my sole attention."

The statement was issued after General Andrews had conferred with his prohibition aides and treasury officials, Acting Secretary Winston said the statement of the general before the committee was the assistant secretary's own opinion.

PHILLIES TAKE THREE IN ROW

Cy Williams Hits Homer in Ninth With Bases Full, Breaking Tie With Boston.

PHILADELPHIA, April 15. (AP)—The Phillies made it three straight from Boston today by winning, 8 to 4. Cy Williams, pinch hitting for Nixon in the ninth, hit a home run with the bases full that broke a tie. Harry Riccicola broke his left leg trying to score from third in the eighth inning on a tap to the pitcher's box. He slid into Catcher Jimmy Wilson and his spikes caught in the receiver's shin. George Morgridge, Boston pitcher, pitched his first game in the National League, weakened in the final innings. Leach worked him for a home run with one in the eighth, presaging Williams' cleanup.

The score: R. H. E. Boston..... 4 16 0 Philadelphia..... 8 15 2 Batteries—Morgridge, Benton and Taylor; Knight and Wilson.

CARDS TROUBLE PIRATES

ST. LOUIS, April 15. (AP)—The St. Louis Cardinals made six hits, pitched two runs today, while the Pirates' five were so scattered that none of the champions could hit more than St. Louis won, 2 to 0.

BROWNS LOSE TO WHITE SOX

Chicago Batsmen Drive Zachary From Mound in First Inning; Score 11 to 4.

CHICAGO, April 15. (AP)—The Chicago White Sox drove Tom Zachary off the mound in the first inning today and took a commanding lead which enabled them to make it two straight from the St. Louis Browns by a score of 11 to 4. Williams of the former Senator flung, and erratic support on the part of the Browns gave the Sox the game. Blankenship pitched handily throughout but toward the finish weakened.

The score: R. H. E. St. Louis..... 4 0 2 Chicago..... 11 10 0 Batteries: Blankenship, Riley and Schang; Blankenship and Schalk.

SENATORS DEFEATED

WASHINGTON, April 15. (AP)—Es-cott relief pitched by Pate while his mates were punting Washington pitchers gave Philadelphia the third game of the series here today, 9 to 3. Pate allowed two hits in six and two strikes in innings, while the Washington hurlers were giving up 14.

Five errors by the Senators helped the visitors at critical times.

LIST GROWS IN SPECIAL EVENT

Addition of Hollister and Kimberly Brings Total Up in Invitation Competition.

Two schools have entered the invitation track meet in addition to the five named the week.

Hollister enters a one-man team and will make a five mile participation in four events and Kimberly will enter a six-man team. This brings the total number of schools competing to nine and will make a large meet with more men competing in it than will appear in the district meet May 1. Everything is in readiness for the meet Saturday morning.

The weather has been favorable all week and the track should be fast. Arrangements are being made for a large crowd and it is expected that the seating capacity of the park will be taxed.

This meet will give all the schools participating a chance to get a line on their material and also give the district a chance to see how its athletes will stack up with previous years. It is unfortunate that the meeting will not be in the grounds team has one of the fastest sprinters in the state.

The Bruins should make a nice showing in the middle distances. With Captain Johnson in the 440, 800 and mile, and Knight in the 440, 800 and mile, they make a pretty good combination and should bring home several places in these events. In the weights and jumps the Bruins also should gather a few points.

Piler has the largest number of entries of any school outside of Twin Falls and should gather in their share of the points. At present it looks like the race for the winning team cap would be between Piler and Twin Falls. The other schools entered, however, have some strong men and it will not be a walkaway for any one school.

The trophies are of unusual design and are attracting much attention in the Picher jewelry store window.

BRUIN TEAM JOURNEYS TO BURLEY FOR GAME

Twin Falls Bruins baseball team will journey to Burley this afternoon to cross bats with the Burley team. The Burley team is an unknown quantity so far, but rumor has it that they have a strong ball club and expect to land the Bruins their first defeat.

Coch. Kinman was backstop on the Vandal team while he was at Idaho university and probably has turned out a real ball team.

The Bruins have been going good the first weeks of the season and have taken all the games played so far. Beach or Martin will probably start on the mound for the Bruins, with Davis or Jones as relief hurlers.

Fanger worked Wednesday against Jerome and probably will not be used. The Twin Falls infield looked like big league stuff against Jerome and the feeling was almost all right. The outfield accepted all chances and had no errors chalked up against them. The Bruins lost no opportunity to score and ran wild on the paths so that the Burley club will have to play a tight ball to keep the Bruins from crossing the pan once they get on the base.

Magician Pilot to Arrive Next Week

Magician Pilot Carl Zumloch and six players will leave at 6:00 p. m. Monday night and arrive in Twin Falls Tuesday evening, coming over the Wells cutoff, according to advice received last night by the local directors. Additional transportation will be wired to some players in southern California a little while and the whole Magician team will probably be in Twin Falls by April 23.

This means that active games of building the Twin Falls team will commence early next week with the manager on hand and with several local players who are anxious to start workouts there will be plenty of material for Zumloch to start moulding the first Twin Falls organized ball club.

Park in Condition.

The grounds are in shape so that workouts can be held, although some work is yet to be done on the track. The finishing of the grounds could be delayed until after the practice season and they can be put in shape the players are away from home the first week of the season.

The news that Zumloch and six players will be on the way next week was hailed with much enthusiasm among the fans on the street and baseball gossip is running free as to what the players are and where conditions they play. The pre-season interest among the fans indicates a great season from the get-go. A receipt standpoint at least, and the general opinion is that Twin Falls has the best pilot in the league.

The Business Man's Choice

We talked with a score or more business men. Asked them what they wanted most in a suit. Almost without exception they told us the same thing—business looks and business comfort demanded the single breasted, fairly loose but trimly tailored model we've pictured above. It's made a hit with business men everywhere. It's due for new records this Spring, for the new grays, the Brackens and Channel blues place it out in front—and odds-on favorite among discerning men.

High School Boys Confide Plans for Life's Vocations

More than a score of the boys of Twin Falls high school's 1926 graduating class availed themselves of opportunity presented at a dinner meeting Thursday evening in Twin Falls for tentative conferences with representative farmers and business and professional men of Twin Falls in regard to choice of vocations...

Each boy was assigned on this occasion to conference with business or professional men engaged in the field of activity for which the boy had expressed a preference. Individual conferences were held with regard to the boy's likes and dislikes in relation to probability of success in his chosen vocation and with view to availing himself of the placing of "round pegs in square holes."

Men who took part in the conferences expressed keen interest in the boys' ambitions and the opportunity given for discussion of their plans and many of the conferences that began at the dinner meetings will be continued in later and informal meetings between the men and boys who took part in the meeting Thursday evening.

The questionnaires, according to Ernest H. Dixon, superintendent of schools, indicated a wide range of choice of vocations. Strong tendency toward engineering pursuits was indicated. Several boys announced their purpose to become farmers, lawyers and business men. One stated his purpose to enter the ministry and another to fit himself for U. S. C. A. work.

The dinner meeting was presided over by Mr. Goodrich, who has spent several days here in connection with this undertaking. The meeting continued from 8:30 for about three hours.

MOON AND DIANA CARS TO ENTER LOCAL FIELD

Distributors of Moon and Diana automobiles will open offices and sales and service rooms in Twin Falls in the near future, it was announced Thursday by J. T. Caspersen, vice president and general manager of the Caspersen-Snyder company. Mr. Snyder, distributor for these cars in the Idaho-Tri-State region, stated that he would return Monday from Boise to complete arrangements for the representation here for Moon and Diana cars.

Mr. Caspersen said, however, expressed with enthusiasm by the automobile buying public in the intermediate district. A new light-six to be added to the line in June, he stated, will prove a revolution.

BURBANK ESTATE TO WIDOW

SANTA ROSA, Cal., April 15 (AP)—Mrs. Lathur Burbank was named in the superior court today as special executrix of the estate of her husband, the famed horticulturist who died Sunday. She will serve without bond in his big ranch about half way between Colorado Springs and Pueblo.

"I tell you my case was a sore enough hard one—first cough and then everything to track it. Food had no taste to me—supper, crackers and milk was about all I lived on, and every time I tried to eat I was sick. SOCIETY AND CLUBS

Mrs. E. Williams Phone 396

Mrs. W. H. Greenhow, Mrs. C. H. Hurd, Mrs. M. E. Gundelberger, Mrs. H. Cora Greenhow entertained with a charming bridge supper, at seven o'clock Wednesday evening at the Hotel Progress. A color scheme of yellow and gold was carried out, with marigolds as centerpiece, and nat caps and place cards. A large number of daffodils were placed on stands about the room. Twenty-two tables of players enjoyed the game, with favor for high score going to Mrs. Jack Shroat, second high to Mrs. J. Lawrence Hudgin, a first and second low score was also given and were won by Mrs. Thoresen and Mrs. C. A. McFace. The out of town guests present were Mrs. H. E. Gundelberger, Mrs. H. Thoresen and Mrs. George Buckley, all of Hazelton; Mrs. T. E. Moore, Mrs. Harold Shinn, Mrs. E. A. Duval, Mrs. Ethel Snyder, Mrs. A. H. Wood and Mrs. C. W. Case, of Filer, and Mrs. A. J. Finke of Buhl. One hundred and sixty invitations were issued.

Mrs. Robert J. Day gave a prettily appointed luncheon with covers for thirty at her home on Third avenue north. The table decorations featured a yellow motif. A Kensington followed luncheon.

On Thursday Mrs. Henry J. Wall was hostess at a delightful luncheon with places marked for twelve. Table embellishments were in two shades of yellow, and the table decorations featured the same colors. A Kensington was enjoyed after the luncheon. Mrs. M. P. Gamble assisted Mrs. Wall in serving.

The Addition Avenue Social club met Wednesday, April 14, at the home of Mrs. R. O. Kuykendall with seven members and one guest responding to roll call with jokes. After the bustles were laid aside, the members of Mrs. R. O. Kuykendall and Mrs. W. O. Smith was given as follows: A clever rousing contest, "A Young Fur Young" was thought to be won by Mrs. Ernest Koch, a guest of the club; Mrs. C. E.

Bruggeman and Mrs. Glen Smith each having guessed six of the eleven questions were given a penny as a prize. Mrs. Guy Turner, accompanied by Mrs. Bruggeman, sang a vocal solo: a harp solo by Mrs. R. O. Kuykendall accompanied by Mrs. W. O. Smith, and a selection by a trio composed of Mrs. Orlo Williams, Mrs. W. O. Smith and Mrs. Guy Turner, with Mrs. Smith at the piano. The closing number was the singing of the club song by the members. The members had a flower seed exchange and the baskets served most delectable refreshments. The next meeting will be with Mrs. Glen Smith on April 25.

The Catholic Women's League met Thursday evening at the home of Mrs. Fred Rebeck at the home of Mrs. Charles Hart, the president, presiding. After the regular business was disposed of, the nominating committee presented the names of various candidates for the coming year. Mrs. Charles P. Larsen had charge of the entertainment program which was as follows: Two piano solos by Miss Larson; two vocal solos by Miss Naomi Navin, accompanied by Father Keyser, the meeting adjourned until May 9, when the annual blossom luncheon will take place.

The Episcopal Guild met with their president, Mrs. H. H. Atkinson, Thursday afternoon. The usual business was transacted after which Mrs. Thomas Robertson read two chapters from the study book. A pleasant social hour was spent during which the hostess, assisted by Mr. James Baldwin, served delicious refreshments.

Knights Pythias Pick Twin Falls For Next Meeting

Sixteenth annual convention of the Knights of Pythias District No. 6, will be held next year in Twin Falls. It was decided at the convention held Wednesday in Buhl, with about 100 delegates representing the eight lodges of the district in attendance.

R. E. Brown, Buhl, was elected chairman of the district organization to succeed W. T. Stafford, Gooding, retiring chairman, and other officers for the coming year were elected as follows: Vice chairman, W. O. Filer, Shoshone; secretary and treasurer, James W. Williams, Gooding.

In competition with various fraternal lodges, Buhl lodge's degree team won the annual competition in connection with the convention. Work of the Degree of knight was exemplified by the competing teams. Shoshone team was awarded second place and Buhl team third. The trophy cup offered each year to the winners of the contest, had been captured the past two years by the Shoshone team. Degree and convention visitors were guests at a banquet served after the business session and before the degree team's contest.

Twin Falls lodge was represented at the Buhl convention by a delegation of 16 officers and members. Lodges represented in the district organization are those of Mountain Home, Oceans Ferry, Gooding, Hailley, Shoshone, Rupert, Buhl and Twin Falls.

MICKEY WALKER ASPIRES TO MIDDLE-WEIGHT TITLE

NEW YORK, April 15. (AP)—Applications of Mickey Walker to become a middle weight champion were reviewed today with completion of negotiations by Tex Rickard for the welter-weight holder to fight Tiger Flowers, Georgia negro, in a 16-round bout for the middle weight crown at the Yankee stadium in June.

Approval of the match, which will mark Flowers' first defense of the middle weight championship he lifted from Harry Greb less than two months ago, will be sought by the state athletic commission today.

At the same time, Rickard will receive bids, attempt to obtain official aid in signing Jack Delaney to box Paul Bernick for light heavy weight honor on June 15.

"JUST TELL THEM TO SEE US ABOUT THIS 'KARNAK'" "When You See How Well It's Made Me When For Years I Had To Live On Milk And Crackers, You'll Know What A Medicine It Is," Says Old Time Colorado R. R. Man. "Butlers and cooks couldn't pay the debt of gratitude my wife and I owe this Karnak, and as a railroad man of fifty years experience I want to tell railroad men especially, and anybody else for that matter, just what this remarkable medicine will do. This sincere and enthusiastic statement comes from one of the best known railroad men in the West, Charles C. Miller, Route A, Box 27, Colorado Springs. For twenty years Mr. Miller was yard master for the A. T. & Santa Fe at Pueblo; for about twenty years engineer of the Beaver & Rio Grande, and for several years conductor on the Union Pacific. He is now retired, and is living on his big ranch about half way between Colorado Springs and Pueblo. "My wife and I only regret it that I didn't have this remarkable medicine about forty years ago," continues Mr. Miller, "for it would have saved me hundreds of dollars that I spent on medicines and treatments for my wife and myself. "I tell you my case was a sore enough hard one—first cough and then everything to track it. Food had no taste to me—supper, crackers and milk was about all I lived on, and every time I tried to eat I was sick. NESTED COWS RAISE RECORD

Pioneer Association Report Shows 85 Out of 399 Cows Produce Over 40 Pounds.

Our of 399 cows in 28 herds in the Pioneer Cow Testing association during March, 85 cows yielded over 40 pounds of butterfat each, according to report by W. J. Byrne, leader. During February only 48 cows out of 411 animals in 26 tested herds made over 40 pounds production.

"During March all cows under test in the Pioneer herd produced an average of 28.9 pounds of butterfat and 77.2 pounds of milk per cow, an advance in average of 27.2 pounds of butterfat and 61.6 pounds of milk per cow for February.

Head of 19 registered and grade herds owned by L. S. Tenack, Twin Falls, with average of 47.5 pounds of butterfat and 123.6 pounds of milk per cow headed the list. Herds with 15 or more cows, and the herd of 20 registered and grade herds owned by J. E. Lewis, headed with an average of 46.3 pounds of butterfat and 140.4 pounds of milk, held first place in the medium sized herd of from 10 to 15 cows. Three grade Jersey cows owned by Clyde Walker, Hansen, produced an average of 45.5 pounds of milk, and led the list of small herds for the month.

The honor roll of herds in which 10 per cent or more of the cows produced over 40 pounds of butterfat, in the large herd division included herds of L. E. Tenack, 14 cows or 11 per cent of herd; C. E. McClain, 10 cows or 50 per cent of herd; Joseph Walker, 5 cows or 100 per cent of herd; Carl Middleton, 32 cows or 41 per cent of herd; J. Ward, 4 cows or 10 per cent of herd; A. T. Maxwell, 3 cows or 100 per cent of herd; J. E. Lewis, 2 cows or 100 per cent of herd; A. Tanner, 3 cows or 11 per cent of herd; William Travis, 2 cows or 10 per cent of herd.

In the medium herd division, there were listed on the honor roll, the herds of J. E. Lewis, 6 cows or 60 per cent of herd; J. R. Crawford, 5 cows or 83 per cent of herd; A. H. Jacobs, 5 cows or 100 per cent of herd; J. E. Lewis, 2 cows or 25 per cent of herd; E. R. Smith, 1 cow or 100 per cent of herd.

The small herd division the honor roll listed herds of C. Wiseman, 3 cows or 50 per cent of herd; C. Wiseman, 1 cow or 100 per cent of herd; J. E. Lewis, 1 cow or 25 per cent of herd; J. E. Lewis, 1 cow or 100 per cent of herd.

Industries In Idaho Show Improvement

The industrial and labor situation throughout Idaho showed much improvement during March over February, according to the March survey report of the department of labor employment service for the mountain district.

The moderate surplus of labor which existed during winter months, chiefly unskilled, is rapidly being absorbed in diversified out-door activities. Calls for general farm workers are gradually increasing and within 30 days it is indicated that all unemployed resident farm workers will have opportunity for steady employment. By the middle of May there will be need for several hundred additional hand workers for the sugar-beet fields of the southern section of the state. Industrial plants continue steady operations. Lumbering is gradually increasing, particularly noted in the Clearwater, Salmon and other metal mining districts. Metal mining labor of all classes ample for immediate requirements.

Building and general construction under way, or indicated to commence in the near future includes a power dam and lumber mill on the Clearwater river near Lewiston, 41 miles of railway construction out of Orofino east to a pine lumber forest, American Falls dam project at American Falls, a \$250,000 hotel at Idaho Falls, a railroad street subway, a cannery

plant, and a concrete pipe manufacturing building at Nampa, an ice manufacturing plant and a hotel structure at Coeur d'Alene, a \$20,000 tabernacle at Twin Falls, a flour mill and U. S. forestry headquarters buildings at Casper, a \$25,000 warehouse at Jergens, and considerable miscellaneous building at Lewiston.

An oversupply of labor exists in the vicinity of Lewiston. There is a demand for a few additional carpenters for work on the American Falls dam project. Lumbering is increasingly active, several summer wood operations are opening up, particularly noted in the Elk river, Bl. Joe, and Coeur d'Alene districts. Pine sawmills are starting up in increasing numbers. Many of the sawmills will immediately put on night shifts. Local labor for lumbering operations is as yet adequate. Favorable weather is allowing highway construction to be resumed on an extensive scale, labor in connection with highway work is being supplied in most parts in the vicinity of the projects and is ample. More favorable weather is allowing increased activity and employment in railroad maintenance and way and construction work. Railroad labor of all classes sufficient to meet immediate demands.

Veterans of 1898 To Aid in Memorial Observance Here

Spanish war veterans of General Lawton post, Twin Falls, Idaho, Spanish War veterans, according to resolution recorded at a meeting of the post Wednesday evening, will cooperate with the American Legion and other organizations in arrangements for observance here of Memorial day on May 30 next.

The post at this meeting received into membership four more eligible veterans: R. E. Marchese, Hollister; Samuel A. Dickinson, Jerome; John Mason, Buhl, and Carl Washburn, Twin Falls.

OWNERS GET LICENSES TO SAFEGUARD DOGS

Owners of 20 dogs in Twin Falls have procured 1928 dog licenses, it was announced Thursday evening at the office of the city clerk. Licenses for the current year for all dogs must be procured before May 1, under provisions of ordinance which the city administration and police force are preparing to enforce strictly. Dogs without licenses and tags are to be seized and owners, in addition to payment of the license fee, will thereafter be required to pay a fine or costs.

Dog licenses issued in Twin Falls last year totalled 300, according to the city clerk's records.

Thermometer Shows 80 Above for High

Maximum temperature recorded for Twin Falls for this year has again shattered yesterday when the mercury jumped four degrees over the previous day's high of 76 to 80. Temperature records locally seem to compare favorably to those recorded throughout the west, and represent a distinct contrast to eastern weather, which is still cool. Minimum for yesterday here was 37 above.

Cherry trees are in bloom; other trees are budding and it is only a matter of a few days and the continuation of present weather conditions and every thing will again be green.
