

MANY PROJECTS TO GET FUNDS

War Department Announces Allotments Totalling \$45,225,450 for Improvements.

WASHINGTON, April 29. (AP)—Allotments totalling \$45,225,450 for air and harbor improvement during the fiscal year beginning July 1, were announced today by the war department. They were provided for in the \$30,000,000 lump sum appropriation carried in the annual army supply bill, 477,650 being reserved for contingencies.

Funds are allotted to continue work on 232 projects, including: construction on the Atlantic, Pacific and Gulf coasts, the Great Lakes and inland waterways and in Alaska and insular possessions. The allotments have an average of \$100,000, authorization bill now pending in the house.

WOULD CREATE RADIO BUREAU

Dill Measure to Set Up Commission of Control Gets Approval of Senate Committee.

WASHINGTON, April 29. (AP)—The Dill radio bill, which would set up an independent commission with complete powers over broadcasting, was approved today by the senate interstate commerce committee with indications pointing to an early favorable report to the senate.

Taken in the face of repeated warnings from President Coolidge against establishment of any more separate government agencies, the action had the effect of sidetracking the White bill, backed by the administration, providing for an advisory committee to work with the commerce department in controlling the industry. This bill has passed the house.

Refuses Statements.

Meanwhile, Secretary Hoover, whose department recently lost in the federal courts the right to assign wave lengths to radio stations, took exception to statements recently made in congress to the effect that he was attempting to become "director of the radio world."

"It's the last responsibility I want," he asserted.

He reiterated his opposition to any plan leading to any one official the responsibility of determining who shall broadcast and on what wave length because of the expense and bureaucratic tendencies involved.

The duties, he said, should be placed in a semi-judicial board or commission, as provided for in the White bill and the administration or enforcement left to an existing government department.

CALIFORNIA MAN TO TEST NAVAL RULE IN SAMOA

(Continued From Page One)

1921, he says in his suit that he was given reasonable assurance of safe passage by the secretary of the navy, but that on arriving at Pago Pago he was forbidden to land, by order of Commander Evans, and that he was taken before the commander under guard and held that he would be deported. He was kept under guard on shipboard, he alleges, and was brought back to the United States, whereupon he filed suit.

It was brought in Chicago because Commander Evans was then commanding officer of the Great Lakes naval training board here.

SALT LAKE DENTIST IS RECOMMENDING KARNAK

Dr. F. E. Morgan Says This Medicine Beats Anything He Ever Heard Of—Has Remarkable Results From It Himself.

"Karnak is so different from all other medicines I ever heard of—its daylight is from back, or else I'd never come out of it to my present state. Like I have said since it has fixed me up so fine," states Dr. F. E. Morgan, who has practiced in Salt Lake City for fifteen years and resides at the Plumbo Hotel.

"Why, when I began taking Karnak my stomach was all out of condition and indigestion and dyspepsia was troubling me most of my meals," continues Dr. Morgan. "My appetite was next to nothing, and I seemed to do me hurt, harm to good. My nerves were on edge, too. I couldn't half rest at night, and I seemed as though I didn't feel at all up to standard."

"Well, nothing else was helping me, and everybody kept telling me that I should wait until I could get out—and now this medicine has put me to feeling just like a new man. I cut trace of every ailment and never feel at trace of indigestion or dyspepsia."

"When this medicine has built up my entire system and filled my brain with new life and energy so that I feel as young as ever, it just beats everything I ever heard of."

JORGES MEXICAN WATER TREATY

Dr. Elwood Mead, Reclamation Commissioner, Declares Present is Opportune Time. LAS VEGAS, Nev., April 29 (AP)—Dr. Elwood Mead, U. S. government reclamation commissioner, here to inspect the proposed Boulder dam site of the Colorado river with Secretary of the Interior Work, declared today that he believed the present an opportune time for the United States to negotiate a treaty with Mexico regarding international water rights. Such a treaty, the commissioner said, would preclude possibility of disagreement over development work on the Colorado and on the Rio Grande and would establish basic principles on which to divide the waters of these great streams between the two countries through which the flow.

NEW REAL ESTATE FIRM TO ENTER EDEN FIELD

EDEN, April 29.—I. W. Davis and E. S. Falk have formed a partnership and will conduct a real estate business here at Eden. The firm will be known as the Gen State Real Estate and Exchange company. They also plan to arrange to carry on an insurance business. Mr. Davis has had considerable experience in the real estate business, having managed similar business here for several years jacking up another line of work when depression in land values prevailed. Mr. Falk had been field man for the Sugar company for several years and his experience in land values will not be valuable in the Eden market. Mr. Maxwell Kahn went to Pocatello Thursday last week where she attended a luncheon given in honor of Mrs. E. E. Vassar. Mrs. Kahn, national president of the Legion Auxiliary, she was accompanied on the trip by Mrs. H. E. Vassar, Jr., Mrs. W. L. Dettweiler of Hazelton, Mrs. Dettweiler and Mrs. Vassar represented the Hazelton Auxiliary and Mrs. Kahn the Eden organization. Mrs. Joe Price is here from Oklev for a visit with her parents, Mr. and Mrs. Byron Averitt, and other relatives. The Eden post office was moved Tuesday from its present quarters to the E. O. P. building which was formerly the place of business of the Eden State bank. The new location affords more room and better accommodations. The building has been put in first class condition inside and out. Permit to move the post office was recently obtained from the post master general at Washington when a petition signed by the patrons of the Eden office asking the change met with his approval. This village will no doubt be one of the cleanest in this part of the state if property owners comply with the order issued by the city council at their last meeting. The work of April 26 to May 1 was designated by the board as cleanup week. The annual commencement exercises of the Eden high school is being arranged for Thursday evening, May 12. The class consists of eight members, four girls and four boys, namely: Emma Lutz, Ova McFie, Advanta Taylor and Helen Burmanist, and Floyd Elson, Merrill Sumner, Byron Averitt and Virgil Maxwell.

Jerome Rotarians Plan Boys' Week

JEROME, April 29.—Movement is being sponsored by the Rotary club for observance of May 1-8 which has been set aside as Boys' Week; a week of entertainment for the boys. A program for every day has been busily worked out by the committee. R. E. Shepherd has returned from a business trip to Washington. He was accompanied by R. E. Thomas, state game warden; John Thomas of Goodhue, and W. G. Skowronek, state recreation commissioner. Mr. and Mrs. Dan Day are the parents of a son, born at their home on Sunday, April 25. At a recent meeting of the Jerome Rod and Gun club a rifle club was organized with election of the following officers: President, J. E. Lay Turner; vice president, B. D. Stanton; secretary, L. F. Burdick; treasurer, S. M. Saul; executive officer, M. A. Bishop. Signatures of 20 members were received and further arrangements to be worked out at once. Glenn Robby, youngest son of Mr. and Mrs. William Robby of Jerome, is recovering at his home from a severe case of pneumonia. R. E. Hood left the last of the week for Washington where he will be engaged the next six months on a business trip to Washington. He and children will remain in Jerome. Lola Perry of west of Jerome is slowly recovering at her home from typhoid fever. Mrs. Ora Christmann is the house guest of Mr. Christmann's mother in Jerome from her home in Pocatello. Clifford Emerick has returned to his home east of Jerome after spending the week end with relatives in Twin Falls. Mr. and Mrs. Perry Roberts are the parents of a daughter, born at their home on April 17. Mrs. J. J. Richard left the first of the week for Missoula where she will undergo medical treatment. A regular quarterly meeting of the Butte Pomona grants will be held at the Greenwood school house Saturday morning, May 1. Business meeting will begin promptly at 11 o'clock. Mr. and Mrs. John Murray who have been visiting their daughter and family, Mrs. Horton of Knoll, for the past 10 days, left Friday for Klamath Falls, Oregon. Mrs. Lon Webb and Miss Verona Murray sang at the Eden high school play given Friday evening, April 24. Hwy. Norton was called to Yakima, Washington, last week to be with his father who underwent an operation. Mrs. Gabe Winnell motored to Twin Falls Thursday. Miss Thompson and Miss Elton were recently obtained from the post master general at Washington when a petition signed by the patrons of the Eden office asking the change met with his approval.

"THE GORILLA" "The Gorilla," which is the talk of New York, Chicago, Boston and London, where it has been attracting crowds for months past, comes to the Orpheum Monday, May 3. It is a travesty on mystery plays and its chief detectives, Mr. Mulligan and Mr. O'Garly, are sponsors for a whirlwind of excitement. This highly able concert is by Ralph Sperry, who has devised a play which provides clean wholesome fun for those who work to be genuinely amused in the theatre. The entire Adelphi Theatre Chicago cast and production is promised and included: Lou Hissell, Harry T. Shanon, Elizabeth Carmichael, John Hooker Wilbur, C. West Kay, Julian Non, Thomas Bell, John Gray, Carl Ross and Ralph Theodore.

KIDDIES MATINEE AT IDAHO

The program tomorrow morning for the Idaho's regular Thursday morning matinee for kiddies will consist of the funny Reginald Deany comedy, "Where Was I?" also a two-reel comedy, "A Flivver Vacation"; the third episode of the big western serial, "The Winning Idol," and another two-reel comedy "Prep School." A good two-reel western subject is held in reserve in case this is not enough show for the "gang."

"THUNDER MOUNTAIN"

Madge Bellamy and Leslie Fenton will appear in the leading roles of the production of "Thunder Mountain," at the Orpheum theatre for today. In this fascinating story of the crude folks who live high up in the Blue Ridge mountains, Miss Bellamy portrays a little circus girl who runs away from her show and takes refuge among the mountaineers, while Leslie Fenton is seen as the worst boy on Thunder Mountain who later develops into an idealistic but ambitious man to raise his people from poverty and ignorance to prosperity and knowledge.

BERG MODIFIES PLAN TO WIRE ELEVATED AREA

Proposes Carrying American Falls Water Through Own Ditches and Use of Canal Power Possibilities.

Only power possibilities in Twin Falls canal system would be utilized in carrying into execution a modified plan to wire the elevated area to approximately 50,000 acres of unclaimed land in Twin Falls county which was explained by E. W. Berg, Twin Falls water irrigation engineer, at a dinner meeting of Twin Falls Chamber of Commerce members Monday evening.

The original plan recently advanced by Mr. Berg, which was definitely rejected by Twin Falls Canal company directors, contemplated enlargement of Twin Falls canal system to carry American Falls water to the lands to be reclaimed.

Under the new plan American Falls water for the unclaimed lands would be carried through a canal to be built above and parallel to the Twin Falls main and high line canal.

Discipline Credit. Mr. Berg disclaimed credit for originating the reclamation plan, which, he said, was worked out about six years ago by E. W. Berg and other Twin Falls land and water companies which, at that time, had been incorporated into the reclamation plan.

Business interests also seem to compel knowledge of, and close association with, our sister republics. Our foreign trade with Latin-America now amounts to \$2,000,000,000 a year.

INVESTIGATORS PUZZLED OVER SAFE CRACKING

Yegmen Open Three Safes in Buhl Establishments and Take Altogether \$130 in Cash; \$300 in Checks.

Officers here Thursday evening at the close of an all-day investigation, frankly puzzled over the cracking of safes in three business houses at Buhl Wednesday night. The safes had been unopened. It was estimated that approximately \$130 in cash and about \$300 in checks had been taken by the yegmen. The burglars gained entrance through "holes" in each instance. In the Farrell coal yard and Home lumber company yard, windows were broken, and in the Buhl Flour Mill, the window lock was pried open.

Varied Tactics
At the coal yard the safe was broken into, while in the lumber yard and mill safes were opened without violence, either having been left un-locked or else the combinations were known. About \$100 in cash and \$200 in checks were taken from the flour mill. The manager stated to officers that he believed he had not locked the safe when he left the office.

The Sledge on Door
The door of the safe in the coal yard was battered open with a sledge and the knob had been broken off. The tumblers broken with a long chisel. A hole also had been drilled through the bottom of the safe.

If the combinations were operated, the operators were yegmen, and good money was the opinion expressed Thursday evening by Deputy Sheriff Charles E. Jones who had been detailed to make the investigation in cooperation with A. Wilson, Buhl chief of police, when the burglaries were reported Thursday morning. "On

Dog Owners Hasten To Get License Tag

Nearly half as many Twin Falls residents as proposed dog licenses during the entire year of 1925 have already obtained licenses for their pets for the coming year, according to records of the city clerk's office. These records Thursday showed issuance of a total of 141 dog licenses for 1926. During 1925 a total of about 250 licenses were issued, all of them being procured after the first day of May.

Effect of the edict calling for strict enforcement of the ordinance requiring payment of dog licenses prior to May 1 is seen in the record set in this respect this year.

The police department, Chief of Police R. E. Leighton stated Thursday has received some calls for dogs on farms, and arrangements have been made for creation of unwanted dogs which owners are advised to leave to Dr. H. H. Gramma's veterinary hospital on Second street west. Owners of dogs that are not licensed on Saturday will be liable for payment of fine.

HAILEY MAYOR RESIGNS

HAILEY, April 29.—At a special meeting of the city council Tuesday evening, W. P. Fowler tendered his resignation as mayor of Hailey.
