

TERRIFIC STORM
TERRIFIC STORM
150 LIVES LOST

Conservative Estimate of Damage Is Eight Millions; More Than 75 Boats Sunk or Destroyed as Hurricane Strikes.

(By the Associated Press.)
NASSAU, Bahamas, July 29.—More than 400 lives were lost, and damage estimated conservatively at \$8,000,000 was caused and more than 75 boats were sunk or destroyed Monday night and Tuesday morning in the most destructive hurricane recorded in the Nassau and the Bahamas islands.

Nassau bore the brunt of the damage in the storm which swept out of the eastern end of the Caribbean Sea, leaving through the entire British group.

Many Homeless.
With many families homeless, her beautiful drives littered with automobiles and masses of debris, all public utilities paralyzed, Nassau abandoned efforts for alleviating her own pitiful plight to assist other islands.

When the storm had abated early Wednesday morning, three small fishing smacks were left in the harbor from an array that Sunday numbered approximately 60 craft, ranging from insignificant affairs to a 100-ton yacht submerged.

The center bands of the group suffered the heaviest damage, beyond Nassau and her island of New Providence being inflicted on the little island of San Jose, 30 miles west of Nassau, where eight large iron fishing boats anchored in the nearby waters laden with cargoes of liquor were hurled upon the shore and smashed to splinter wood.

Nassau, the capital and the largest populated city of the Bahamas, tonight had recovered only slightly from the shock. Business generally had resumed, but many houses lined the streets and paved the main thoroughfares, awaiting word from relatives in the outer islands of the appearance of an unaccounted for boat.

The eastern corner of Nassau in the old Fort Montague section, was inundated with three to four feet of water resembling a mill race. Remnants of many trees and other objects were scattered in many streets, vessels lay beached along the entire water front and across the harbor.

Brisk winds early Sunday gave first evidence of the approaching storm. The case after merger reports of its advance, had been railroad from the tropical station near the wind mounted in the day.

Unanimous Verdict
Of Tijuana Board
Acquits Mexicans

Four Charged With Statutory Offenses Against Two San Diego Girls Are Freed.

TIJUANA, Lower California, July 29.—(By the Associated Press.)—Zenoilo Llanos, Luis Amador, Francisco Gonzalez, and Rufino Alvarez were acquitted here tonight of charges involving statutory offenses against Clyde and Audrey Petret here last February. The verdict was reached at about 7:30 after the jury had deliberated two hours and 20 minutes.

Each of the defendants was acquitted by the unanimous vote of the nine jurors. A vote of seven of the nine would have constituted a verdict.

Llanos was charged with having attacked Audrey Petret, having taken her to a rooming house, and several miles from here February 3, Amador and Alvarez were charged with the same offense in the incident involving occurring in a Tijuana hotel the other Petret girl alleged she had been dragged in Amador's wagon.

COUNTRY FAVORS
ADMINISTRATION

Richard Washburn Child Makes Optimistic Report to President at White Pines.

PAUL SMITH'S, N. Y., July 29.—(By the Associated Press.)—An optimistic report on the campaign was given President Coolidge today by Richard Washburn Child, foreign minister. Child, in his congressional election campaign was slapping up favorably for the administration.

Things are going pretty well, he declared, adding that in his opinion the president was probably the best for the economy program of the federal government and also for Washington not becoming a commercial center.

Mr. Child, he emphasized in the latter connection, is a conservative politician who is more for decentralization of the national government than the old time Jeffersonian idealism.

TO EXCLUDE WOMEN
VANDERBILT, July 29.—(By the Associated Press.)—James Daniel Pearson, president of the British Columbia Hotelmen's Association, tonight announced that the association today decided to exclude women from Vancouver hotel parlors after August 15, partly because "many men objected to the presence of women."

KILLED BY LIGHTNING
PORTLAND, Ore., July 29.—(By the Associated Press.)—Dave Shipps, 49 years old, local truck driver, was struck and instantly killed by a bolt of lightning today, while working at his job at the north end of the city.

PLAN PARADES
IN SUPPORT OF
CHURCH RULING

Mexican Labor and Political Groups to Manifest Their Approval of Government's New Religious Policy Sunday.

(By The Associated Press.)
MEXICO CITY, July 29.—While labor and political groups have organized extensive parades for Sunday as a manifestation of support of the government's religious policy, Catholics throughout the country are planning to attend in their churches for prayers, notwithstanding the absence of officiating clergymen.

Unrests Manifest
Unrests, uncertainty and apprehension are manifest everywhere, and Mexico City is full of all sorts of rumors and reports. Instructions have been given by the police by order of Attorney General Ortega to disarm all Catholics. This, the attorney general said, is a consequence of reports that secret meetings are being held in Mexico City by certain groups which are plotting to overthrow the government.

Prepared to Object
Organizations prepared to object are the Kansas City board of trade, the Kansas Millers' club, the Southern Millers' league, the Chicago Board of Trade, the Milwaukee Chamber of Commerce, the Duluth Chamber of Commerce, the Duluth branch of the Omaha grain exchange, the St. Joseph board of trade, the St. Louis board of trade.

POLITICAL FENCE MATERIAL.
The committee also dipped briefly into the question of political fence material.

GRAND JURY TO
WEE AGAIN IN
BEACH MYSTERY

Mrs. McPherson Will Face Carmel Witnesses in Reopening of Investigation; Keyes Responsible, Foreman Says.

(By The Associated Press.)
LOS ANGELES, July 29.—Almeda Sample McPherson will face the witnesses from Carmel-by-the-Sea, who identified her from photographs as resembling the woman who eluded there 10 days after the evangelist's disappearance when the grand jury next week again takes up the investigation of Mrs. McPherson's kidnapping story to determine whether perjury was committed at the previous inquiry.

These become certain today when subpoenas were issued for the appearance Tuesday of Mrs. McPherson, while an officer left for Carmel to serve similar papers on several witnesses.

Asked to determine whether the evangelist committed perjury when she told the story to the grand jury, district Attorney Alan Keyes said: "Yes, Mrs. McPherson or any other witness who testified before the grand jury."

Finger Prints to Experts.
Other developments in the investigation today include the turning over of finger prints from the apparent slayer to the grand jury for study and the alleged discovery of a new witness here who claims to have information concerning the evangelist in Los Angeles June 19, four days before she appeared in Mexico.

Be Taken to Africa
To Serve Sentence

REHUT, Senia, July 29.—(By the Associated Press.)—Twenty recently sentenced by a court martial to eight years at hard labor, having been found guilty of desertion, are to be taken to Africa to begin the sentence. His appeal from the sentence was denied by the military court of appeal.

HANDS DOWN DECISION
BOISE, July 29.—(By the Associated Press.)—Twenty-five per cent of the automobile license fees collected in 1925, prior to March 1, 1926, were to be returned to the state. The Idaho supreme court held in a decision today.

FLAMES RAGING IN NORTH IDAHO

Ring of Fire Breaks Away in Two Places; Fighters Charged With Incendiarism.

SPOKANE, Wash., July 29.—Firemen fought an advantage tonight in the battle to extend over northern Idaho and eastern Washington when the ring of fire broke away in two places.

The 1500 acre Hungry Gulch fire north of Blueford, which has been fought by the Forest Office Timber Protective association since its incendiary origin Sunday, spread over two and a half miles, and late today was threatening the village of Emmett. Two fire fighters, Edward McFarren and John Amble, were arrested and charged with starting the blaze.

Forest Officer national forest officials reported this evening that the Carlton creek fire which has been held to 1500 acres, has gained another thousand acres. Fire fighters there now number 175.

Runners Evans, Idaho, tonight reported the smoke sky overcast with smoke, and a film of gray ash covering the town and surrounding country.

MOBILIZED FORCES

McCALL, July 29. (AP)—This town today mobilized every available man to fight a forest fire that has taken 10,000 acres, says a state land commissioner. I. H. Nash, state land commissioner, is on the scene directing the fight.

The fire, which started in a ranch pile Monday, was believed to be controlled, but high winds fanned it to a new outbreak today. The town and the Newcomb outdoor life camp are threatened.

Most of the timber being burned is on private land but the Newcomb camp is an state land.

The fire is burning so close to a fox farm near McCall that the animals have been removed and the furniture taken from the buildings. In the upper portion of McCall, residents are packing preparations to moving out.

BRUSH FIRE TROUBLES

BOISE, July 29.—A brush fire on Willow Creek, in the South's first fire season, was giving concern to Idaho national forest officials today, as the flames were reported towards Uncle Sam's timber in last reports.

The Willow creek blaze was one of five brush fires in that vicinity, all of them having dangerous aspects. It should get into the national forest, but men in readiness to go to any section at the first signal of immediate danger.

LINEMAN BADLY BURNED

POCATELLO, July 29.—Leslie Hughes, a result of being badly burned when he came in contact with high tension wires today. Most Haney line man for the Idaho Power company, who was declared to be in a critical condition by attending physicians.

(Continued From Page One.)

velocity with a corresponding fall in the barometer. Shortly before midnight Sunday the gale whipped the island of New Providence, shattering timbers, windows and uprooting bushes and smaller trees. Throughout the night, the wind increased in fury, disrupting public utility service and plunging the city into darkness. At six o'clock Monday morning the hurricane reached its peak with a velocity of 120 miles an hour, according to the government record.

FEDERAL TROOPS MOVE TO QUELL REBELLION

NOGALES, Ariz., July 29.—A Mexican press dispatch received here today said that the central government had ordered a large number of federal troops mobilized to suppress the rebellion of Guerrero where yesterday three military heads, Generals Amador Acevedo, Victoriano Barrera and Epifanio Rodriguez, were reported to have been killed.

A stronghold of the insurgents in central Guerrero was said to be the objective of the troops.

It was further stated in the dispatch that the three generals had taken advantage of the religious situation to start agitation in Guerrero.

ANNOUNCE REDUCTION IN CONVENTION RATES

SEATTLE, Wash., July 29.—A big reduction in convention rates, effective in Pacific coast cities, was announced here today by the Chicago, Milwaukee & St. Paul, Great Northern, Northern Pacific, Southern Pacific and a number of Pacific northwest short line railroads. Under the new schedule, a group of 15 or more persons purchasing tickets for a round trip excursion will be given a rate of one and one-third rates on road trip fares. If 100 or more persons compose the party, one fare for the round trip will be charged.

Hereafter convention rates were not to be charged for a party of less than 15 tickets was assured, and the rate was one and one-third.

The rates apply in Washington, Oregon, Idaho and California. The return limit will be 15 days.

TWO MEN ARE VICTIMS OF ELECTRICITY CHARGE

CHARLESTON, W. Va., July 29.—Two men, 52 miles apart, were electrocuted today, apparently by the same charge of electricity.

L. A. Palletta, a barman for the Appalachian Power company, was electrocuted at a sub-station at Nitro, near here, when he tapped a wire carrying 44,000 volts of electricity. Fifty-two miles away, at Gauley bridge, Okay McCreary, an employee of the American Telephone and Telegraph company while working on a telephone line and killed McCreary.

The power line was electrocuted almost simultaneously. Telephone company officials expressed belief that the electricity discharged into the air at Nitro when Palletta was killed, jumped to a telephone line and killed McCreary.

ORDER WATER SHUT OFF

POCATELLO, July 29.—Local telephone tonight received a grim reminder of the water shortage when Mayor C. Ben Ross ordered the city's water supply turned off between the hours of 10 p. m. and 5 a. m. The mayor in his announcement said the continued use of water for sprinkling of lawns, together with the extreme dryness of the season, have endangered the city's water supply and action was necessary to replenish water reserve.

FAVOR MODIFICATION

AKRON, Ohio, July 29.—The Ohio Federation of Labor in convention here today, voted to put the organization on record as favoring a modification of the Volstead law permitting the sale of 2.75 per cent beer. The ballot was unanimous.

SETTLE PRINCIPAL POINTS IN STOKES WILL DISPUTE

NEW YORK, July 29.—All outstanding controversies between W. E. D. Stokes, Jr., chief beneficiary in his father's \$10,000,000 estate, and Mrs. Helen Stokes Stokes, widow of the elder Mr. Stokes, as guardian of her two children, have been settled, subject to the approval of the surrogate of New York and of the probate court at Orange, N. Y.

The total amount payable by Mrs. Stokes as guardian for her two children is estimated at \$1,500,000 to \$2,000,000.

Samuel Untermyer, counsel for Mrs. Stokes, announced today that Surrogate Wood had signed an order on the final settlement of the contest of the will of W. E. D. Stokes, Sr., wealthy real estate owner, who died May 19, leaving his entire estate, estimated at \$10,000,000 to W. E. D. Stokes, Jr., and ignoring his widow and their two children. Mrs. Stokes filed her action to break the will on June 28.

SLIGHT DROP RECORDED IN FARM PRICE LEVEL

WASHINGTON, July 29.—A drop in the general level of farm prices from 120 to 125 per cent of the average level from June 15 to July 15, was reported today by the agriculture department which said the July level was 14 points below that for July last year.

The price level of grains as a group declined five points during the month, cotton six points, most animals two points, and fruits and vegetables 21 points while dairy and poultry products and miscellaneous commodities remained about unchanged.

During the month the price of cotton, cotton seed, oats, wheat and potatoes, declined slightly, while corn, barley, soy and flax seed increased. There was a decline also in livestock prices, with the exception of milk cows and wool which remained about stationary.

SCORE OF GOVERNORS ON TOUR OF WYOMING

BILTMORGH, Wyo., July 29.—Swimming and dancing occupied the attention of a score of state governors tonight as they ended the first leg of an eight-day tour of Wyoming after a three day assembly in their annual conference at Cheyenne, which closed yesterday.

Governors sat and skinned downed bathing suits and plunged into the Big Horn mineral hot springs swimming pool, which registers 120 degrees Fahrenheit at its source and plucky degrees in the bathing pool.

The gubernatorial party arrived here in the afternoon after a tour of the Salt Creek and Trout Dome oil fields, and were entertained at dinner by the city after a two hour trip through the city.

PIONEER OF GEM STATE DIES AT IDAHO FALLS

IDAHO FALLS, July 29.—Thomas E. Wood, 73, Medicine Lodge, twice state senator from Clark county and widely known livestock man and agriculturist, died at a local hospital of a complication of diseases.

Mr. Wood was born September 15, 1853, at Newton, Ohio, and was the son of Mortimer and Jane Wood. During the early mining days of Colorado, they moved from Ohio, and in 1891 they moved to Idaho.

For the past 25 years Mr. Wood was actively interested in mining ventures, livestock and agricultural work. He is survived by two children, Mrs. Laura E. Wood of Salt Lake City, and Mrs. Clara Gehring, of Long Beach, Calif.

NEW INDUSTRY SPREADING OUT

Ed. Vance, Manufacturer of Peanut Honey, Leases Building and Installs Equipment.

Keeping pace with the development of one of Twin Falls new industries, Ed. Vance, manufacturer of peanut honey, a combination of honey and peanut butter that is proving popular among a steadily increasing number of patrons, has leased the building on Second avenue north that was formerly occupied by a doughnut shop, and is installing additional machinery and a heating plant.

The new plant will have a capacity of 100 cases or 2400 pounds of the product daily.

The product has been on the market only a short time and already has been introduced to consumers in three states. It is Mr. Vance's purpose to launch a more extensive sales campaign in the near future and to build up the production plant as rapidly as demand for the product increases.

COMMISSION ENDS HEARING

CHICAGO, July 29.—Destruction of country roads by motor bus transportation and discontent among farmers because of the burden of road maintenance today was discussed before the Interstate commerce commission hearing on automobile trucks and buses. The three day hearing was completed today.

SHERIFF BRINGS IN RESISTING OFFENDER

A young man who gave the name of Charles J. Anderson is a prisoner in the county jail awaiting hearing on charges of resisting an officer, growing out of a violent altercation that occurred Thursday afternoon on the roadside at the sheriff's home northwest of Twin Falls when Sheriff M. E. Finch arrested the accused man on charges of being intoxicated on the public highways.

Anderson, according to the sheriff's account of the affair, when advised that the sheriff was under a stiff blow on the ear. The sheriff retaliated with a blow with an empty bottle that he had taken out of Anderson's pockets while Anderson lay in slumber at the roadside. Two other bottles that were not empty also were brought in with Anderson by the sheriff.

Anderson is a salesman for a portrait concern, and has been canvassing in this region for several days.

SEVEN RECEIVE APPOINTMENTS

President Upham Announces Addition to Faculty Membership at Idaho School.

UNIVERSITY OF IDAHO, Moscow, July 29.—Seven appointments to the university instructional staff have been announced by President A. H. Upham. H. Carter Davidson, a graduate from Harvard in 1925, has been appointed to succeed William Michael, resigned, as assistant professor of English and public speaking. Mr. Davidson has had a great deal of experience and oratory and debate work. He was a member of the Harvard debating team for three years, and in 1922 he won the university debate championship. During the last year Mr. Davidson taught English and public speaking in the Madras high school, Louisville, Kentucky. He received his M. S. degree this last spring from the University of Louisville.

Miss Ora I. Landis has been appointed graduate fellow in English. Miss Landis is an experienced high school teacher, and has taught for the last five years in West Valley high school, Millwood, Washington. She received her M. S. degree from the University of Washington last spring. Through the cooperation of Dean Donald J. Davol of the Harvard school of business, G. E. Johnston, who received an M. B. A. degree from Harvard in 1925, will take the place of E. L. Schoenover in the Idaho school, an associate professor of business administration. Mr. Schoenover has secured a leave of absence for the coming year. Mr. Johnston, who has degrees of B. A. and M. A. from the University of Toronto and A. B. and M. B. degrees from the University of California, Berkeley, has been appointed to succeed Mr. Schoenover in the department of economics and banking in the University of Idaho. He is graduated from the Harvard school this year.

C. C. Prouty, who has acted as state bacteriologist during the last year, has been re-appointed assistant bacteriologist of the experiment station.

Miss J. White is a new instructor in zoology. Mr. White graduated from the University of Idaho in 1925 with the degree of B. A. (Pre-Med) and during the past year has held the graduate fellowship in the department of zoology. He was elected to Sigma Xi honorary scientific fraternity this spring.

SOCIETY AND CLUBS

Edited by Mrs. E. H. Williams Phone 290

The Lariat club met at the home of Mrs. Harry Stone, Wednesday evening. Mrs. Frank Wilson was taken in as a member. Mrs. Wilson has had accepted a number of her articles and poems by the Country Gentleman, the Utah Farmer and various other publications. The next meeting will be held at the home of Mrs. Myrtle Ayotte on the Fair road.

Mrs. C. H. Eldred entertained the M. S. and S. club Wednesday evening at her country home. Roll call was responded to with humorous sayings. The meeting opened with the singing of "America" and "America, the Beautiful." During the transaction musical plans were completed for the annual picnic for members and their families to be held at the Hull park, Sunday afternoon, August 15. The meeting closed with the singing of the club song. A delightful social hour was enjoyed and the hostess served delectable refreshments. Mrs. Chase and Miss Margaret Hamilton and several husbands of club members were guests.

Mrs. H. A. Severin entertained with a lawn party at her home on Walnut Wednesday afternoon in honor of the eighth birthday of her daughter Helen. The time was delightfully spent with games and contests after which dainty refreshments were served. A color scheme of pink and blue was carried out in the floral decorations, and cups and the lovely birthday cake ornamented with eight pink candles. Twelve little girls were present.

The Tatapanha Camp Fire circle met Wednesday evening at the home of Dorothy Minnick. The meeting opened with the singing of "Wahela" after which old and new business was discussed and Evelyn Dickey qualified as a new member. The business session closed with the singing of "Taps." Mrs. Phil Thomas, the guardian, and Miss Betty Wilson, assistant guardian, were present. The hostess served delicious refreshments. The circle enjoyed a swimming party at the natatorium.

The ice cream social for the members of the Salmon Social club will be held at the home of Mrs. and Mrs. Robert Ray, Friday, August 6. There will be no club meeting that week.

PLAN DEMONSTRATION IN SUPPORT OF NEW RULING
(Continued From Page One.)
religious struggle, James H. Sheffield, the American ambassador, who is the dean of the corps, has not taken any official action in this respect, nor has the plan been presented to him officially.

Cathedral Crowded
Again today waves of humanity of differing magnitude surged around the Mexican city cathedral, anxious to perform religious devotions. Crowds jammed the courtyard, overflowed into the Plaza Constitution and some fringes of the crowd even reached the walls of the presidential palace.

Similarly thousands of persons flock all to the shrine of the Virgin of Guadalupe, all the roads leading to it being jammed with trading pilgrims. Every where priests are saying masses almost unceasingly and confessions, baptisms and weddings are going on, as they have been for the past week or more, in unprecedented numbers.

THREE STRAIGHT FOR CLEVELAND

Indians Come From Behind to Take Game From Philadelphia Athletics; Score 3 to 2.

CLEVELAND, July 29 (AP)—Cleveland made it three straight from Philadelphia and 12 out of 13 from that team for the season when it came from behind today to win 3 to 2.

The Athletics scored two in the first inning when Barber, a rookie from the Piedmont, tripped in his first time at bat in a major league game, Welch and Simmons preceding him with singles.

Cleveland scored one in the fourth on J. Sewell and Summa, while it counted two more in the eighth on a pass to Speaker and doubles by Burns and J. Sewell.

The score: R. H. E. Philadelphia 2 3 0 0 Cleveland 3 0 1 0 Batteries—Groce and Perkins, Buckeye, Miller and Le Sewell.

TIGERS TRIUMPH DETROIT, July 29 (AP)—Boston outfit Detroit today lost 6 to 5, when the Tigers landed five of their six hits in two innings for five runs. They scored their other run in the first inning when Ichmann doubled behind a base on balls to Wagner, Hellmuth also hit a home run, Wingfield, who relieved White in the fifth, held Detroit hitless for the rest of the game.

The score: R. H. E. Boston 6 5 1 1 Detroit 5 6 6 1 Batteries—Wills, Wingfield and Gaston; Storer and Woodall.

SENATORS WIN CHICAGO, July 29 (AP)—Washington staged an eleventh inning rally and by injecting a pinch runner and pinch hitter scored four runs and defeated Chicago 7 to 3. The visitors had five double plays which broke up Chicago rallies. Blackburn suffered a broken thumb on his right hand in the eighth inning when he attempted to knock down a liner off Myer's bat.

The score: R. H. E. Washington 7 3 0 0 Chicago 3 7 0 0 Batteries—Crowder and Buel; Blackburn, Lyons and Schalk.

BROWNS LOSE ANOTHER ST. LOUIS, July 29 (AP)—The New York Yankees knocked Van Gilder out of the box in the fourth inning today and sent from the St. Louis Browns for the third straight time, thus continuing their march toward a pennant.

The score: R. H. E. St. Louis 1 0 0 0 New York 0 1 0 0 Batteries—Coffey and Galloway; Galloway and Jenkins.

WINS DECISION NEW YORK, July 29 (AP)—Heavy Hans, Philadelphia feather weight, was awarded a judge's decision over Johnny Farr of Cleveland in a 16-round bout at Madison Square Garden tonight. Hans weighed 121 3/4 and Farr 123.

FOUL BALLS

Ladies' day, today, at 5 p. m. Let's all be out there to give the Bruins a good welcome. They are here for a long stay and we have a couple of strangers to look over.

That was a tough one to lose and it must have been the holders that did it. The Bruins outfit Al Bonner's crew and it looks like big Pete was pitching all okeh.

Notice that new third sacker got three big ones, one a two-bagger. He has hit in both games and is hearing out his rap as a slugger.

Zambach went hitless yesterday for the first time in many a moon. Must have been a new experience to the skipper.

That drops the Bruins down to third place but only temporarily. We ought to take them three from Pocattello and six from Ogden. Of course that won't happen but then stranger things than that have happened.

Anyway we get to see a half game once again. Six days is a long time without a ball game.

At last, the Collegians took Bill Leonard and his gang to a cleaning. It began to look as though they never would lose a ball game.

This afternoon at five, and the ladies for the bargains prices. That's all.

score was 10 to 7. Five Brown errors contributed to the result.

The score: New York 10 11 2 St. Louis 7 9 5 Batteries—Beall, Thomas and Sever; Van Gilder, Davis and Hargrave.

All National league games postponed. Rain and wet grounds.

Table with columns: SWISH SWIMMER SETS NEW RECORD FOR HALF PHILADELPHIA, July 29 (AP)—Arvo Borg of Sweden, carried the title of the Illinois A. C. to a new world's record in the 800-yard free style event in the National A. A. U. swimming championships in the aquatic center pool today. Borg swam the half in 10:38 2/5; five and one-fifth seconds

letter, than his own world-record made in Honolulu in 1922. Paul Wyatt of the Uniontown, Pa., M. C. A. won the national title in the 200-yard back stroke, beating five starters including the 1925 title holder, Walter Langer of the Cincinnati Y. M. C. A. Wyatt's time of 2:45 4/5 will be established as an American record.

In the half-mile event Borg took the lead at the first turn in the 100 meter pool. He steadily drew away from the field, finishing 30 yards ahead of his nearest rival, Johnny Weissmuller, second place winner.

Why pay a small fortune for pipe tobacco?

THERE'S NO need to slap a mortgage on the old homestead every time you buy pipe tobacco. No sir! Not now, when Granger Rough Cut adorns the shelves of tobacco-shops everywhere.

A few years back, good tobacco did cost a fortune. In those days Granger, too, would have been expensive. But today, thanks to large-scale buying, new machinery and more economical packing, it's possible to sell this extraordinary tobacco most reasonably.

All ripe old Burley... the choicest pipe tobacco known to man. Mellowed by the same recipe that made Jim Wellman famous back about 1870. It's cut especially for pipes, too... in large flakes that burn slowly, and so (underline this) it smokes cooler... by several degrees!

Cool... spicy... mild... and mellow! No man ever smoked any better pipe tobacco. Not on this planet, anyhow!

CITIZENS WANT REDUCED RATES ON IDAHO COAL

Mass Meeting, Presided Over by Congressman Smith, Hears H. F. Samuels Statement and Petitions for Cut.

A mass meeting of Twin Falls county citizens presided over by Congressman Addison T. Smith, in the city here Thursday afternoon, adopted by unanimous vote a resolution requesting the state public utilities commission to order the Oregon Short Line to put into effect the rates proposed by the Idaho state grange for reduction of transportation charges on coal from Idaho mines to Idaho consumers.

Argument for the proposed rate reductions was made at this meeting by H. F. Samuels, president of the Teton Coal company, who, as spokesman for the state grange in this matter, has introduced a number of similar bills through the state of which identical resolutions have been adopted.

Concern All Idahoans. In introducing the speaker, Congressman Smith alluded to the natural resources of the state, and pointed out that the proposed rate reduction is a matter of concern to all Idaho citizens since lower transportation charges would encourage development of Idaho's coal mines, make available more fuel to Idaho consumers and keep in Idaho a large proportion of the state's annual output for fuel.

The resolution, which was proposed by Fred Nihart of Buhl, urged fixing a reduced rate on coal from the mine at "right" station, Teton county, to Idaho points. The text of the resolution was as follows:

"Whereas, every enterprising American has an ambition to see the resources of his state developed and the population increased with prosperity to all, and

"Whereas, the young state of Idaho has been retarded in its development on account of the high cost of coal, and

"Whereas, one of the elements that has contributed to the high cost of coal is the excessive freight rates and long hauls from outside the state;

"Whereas, Idaho is favored by the development of a coal mine which will add much comfort to the people, and

"Whereas, the state grange of Idaho is asking for a fair and just rate for Idaho coal, and

"Whereas, the state grange of Idaho requested the Teton Coal company, by H. F. Samuels, its president, to file a petition with the public utilities commission for a reasonable and just rate on coal from Idaho coal mines to the people of Idaho, now therefore be it,

"Resolved, that we, citizens of Twin Falls county, in a mass meeting assembled at Twin Falls, this 29th day of July, 1926, believing that the present freight rates on coal are excessive, and that the rates proposed by the state grange of Idaho, as set forth in said petition, are fair and reasonable, and that the public utilities commission of the Oregon Short Line Railroad company to put into effect the said rates as proposed by the said state grange in their petition.

Specific Reduction.
Under the rates proposed by the state grange, Mr. Samuels stated, the rate from the coal mine to Portello, 140 miles water grade, would be reduced from \$2.20 to \$1.25 per ton.

"Every cent of the freight and production goes into the pocket of the people and not a cent to the Teton Coal company," Mr. Samuels stated. "The price of Idaho coal is the same whether there is any freight reduction or not."

The state grange committee which investigated coal rates and reported that the rate on coal from the Idaho mine is unreasonably high and unjust to the citizens of the state of Idaho," stated in its report that it had discovered that "the railroad company which is charging \$2.20 for hauling a ton of coal from the Teton Coal company's mine to Portello, a distance of 140 miles, hauls a ton of coal to the same mine in the state of Oregon and Washington to the towns of Wallace, Kellogg and Burke, a distance of 245 miles, for 25 cents a ton."

Lower Fuel Price.
Mr. Samuels traced the history of the Idaho coal mine and let's detail his company's plans for development of the property.

"When the Teton Coal company first began to produce coal from Brown Bear vein," he said, "the farmers were paying \$12 and \$14 per ton for coal for the towns of the Teton basin. Today the same farmers get as good coal at the company's mine for \$4.20. We are doing good and we are happy that we can."

Mining Engineers, Mr. Samuels said,

Collegiate Musical Comedy Promised

A collegiate musical comedy is promised the Twin Falls theatre patrons who swell themselves of the opportunity offered the evening at the Laying theatre. "Rose Dawn" is a fair sample of the modern campus spirit of the American university. Mr. Herron, director and author of the show, at the conclusion of the final rehearsal Thursday evening was invited to the home of the next week will present his play this evening. Mr. Herron is a man of wide dramatic experience and a student of the University of Wyoming where his play was first produced last winter. He is being assisted in giving his play here by a large number of college students who will give the proper "collegiate" atmosphere to the production.

"Rose Dawn" is not a musical comedy in the usual connotation placed upon the term. It rather follows the type made famous by "Rose Marie," the sensational play of New York two years ago. The music of the play is a part of the action and the plot is rather more carefully planned than is found in the usual musical comedy. The action of the play takes place for the most part in a Hindu cult temple on the outskirts of London—a setting which gives ample opportunity for remarkable costuming and lighting effects. The costumes used in the play are particularly elaborate and are the same ones designed for and used in the original production.

The play will be given in Buhl and Kimberly after the Twin Falls performance here this evening at 8:15 at the Laying theatre.

BRANCH TO HEAR SENTENCE

Ellis Branch of Wendell, 21 years old, who pleaded guilty on arraignment Saturday evening, to charges of forgery, will appear before the court again this morning to hear judgment pronounced by Judge W. A. Hilerick.

When you have poultry or eggs for sale, call 175.—Adv.

North Side Camp Open for Scouts

Opportunity for about 20 boy scouts of Twin Falls and Buhl to attend the North Side boy scout camp at Russian John ranger station on the upper Wood river during the week of August 8-15, was announced here Thursday by Dr. L. G. Phillips of Jerome. It has been found, Dr. Phillips told members of the Twin Falls scout council, that accommodations can be provided during the last week of the North Side camp for about 20 scouts from the North Side, and we shall be glad to have them share our camp with us at that time.

Scouts who attend the North Side camp will be required to furnish their own transportation, and are advised to make known to their scoutmaster or to Harry Barber, Twin Falls scout commissioner, their purpose to attend.

ETHEL ROBERTSON

(Mrs. Robert Robertson)
Candidate for the Republican nomination for Twin Falls county commissioner for the second district, subject to the primary election, solicits support on the grounds of qualification and ability, particularly in regard to the administration of the county hospital both as to service to the public and reasonable and economical administration.—adv.

When you have poultry or eggs for sale, call 175.—Adv.

BREVITIES

Fishermen Return.—Olar Nelson and James Arvahl late returned from a week's fishing trip to the upper Wood river region.

Guests From Pocatello.—Mrs. Bruce Schlegel and her sister, Miss Ada Price of Pocatello, are guests for a few days at the home of Mr. and Mrs. Laban Woody.

Back From Coast.—Mr. and Mrs. D. H. Gilbert and daughter, Miss Margaret, returned Friday from a pleasure trip to Portland and Seattle, making their journey by motor.

Teacher Visits.—Miss Ethel Lindley, for three years head of Twin Falls high school English department and now teacher in Peoria, Arizona, schools, is here for a few days' visit.

On Overland Trip.—Mr. and Mrs. G. W. Higdon and son, George, left this evening on an overland trip to visit relatives and friends at their former home in Oklahoma for about six weeks.

Leave for Camp.—L. Douglas Hawley, district scout executive, with Mrs. Hawley, left Thursday for the North Side boy scout's summer camp on upper Wood river. Mr. Hawley is to have charge of activities during three weeks' camping season.

Dairy Cattle for Coast.—A carload of dairy cattle was loaded by G. A. Bill-

Barton to Speak To Odd Fellows

Rev. E. C. Barton of the Baptist church of Twin Falls is to be the principal speaker at an annual district picnic of Odd Fellows and Rebekah lodge members of southern Idaho to be held next Sunday on the county fair grounds at Filer. It was announced Thursday by members of the committee in charge of arrangements.

Members of the order who do not have other means of transportation are requested to meet at 12:30 o'clock Sunday at the Odd Fellows hall in Twin Falls, where automobiles will be provided for their conveyance.

When you have poultry or eggs for sale, call 175.—Adv.

"THERE IS NO SUBSTITUTE FOR ELECTRIC COOKING"

Time for Canning!

DO IT THE EASIER WAY—ELECTRICALLY!

WITH an Electric Range your canning may be successfully done by the approved modern cold pack method—all in the oven. Just a kettle of hot syrup on top of the range. Cold pack canning removes the guesswork and most of the other work. No stirring of steaming hot kettles. A cooler, more comfortable kitchen to work in.

And there is little "cleaning up" to do afterwards. Pots and pans are not grimy and smoke blackened. Walls remain spotlessly clean.

Electric Cooking Is No Longer a Luxury

No longer is electric cooking a privilege of the favored few. The moderate prices of reliable, thoroughly modern electric ranges, together with the very low rate for electricity paid by Idaho Power Company customers makes electrical cooking the most economical as well as the most satisfactory method that a housewife can employ.

A Variety of Models to Choose From

Visit our Electric Shop and see the many types and sizes of electric ranges on display. There is a model here to suit your needs exactly at a fair price.

Our demonstrators will gladly show you with convenience, comfort and economy you may do your canning, as well as all other cooking, when you have your electric range.

Terms as Low as \$5 down \$5 a Month

PROGRESSIVES TO-FILL TICKET

Committee Recommends Names of Candidates to be Written in Primary Election Ballot.

Twin Falls county central committee of the progressive party has indicated the candidates of two candidates for nomination for county offices on other tickets. They are Harry C. Parsons, candidate for the democratic nomination for county clerk, and S. Clard Stewart, candidate for the republican nomination for county assessor.

The committee members in session here Monday, it was announced Thursday, also agreed upon recommendations to progressive party voters the names of other candidates to be written in the ballot at the primary election next Tuesday to fill out the party's ticket. These recommendations, in addition to the independent candidates of Mr. Parsons and Mr. Stewart, were as follows: State representative, A. A. Davis, Pierce county commissioner, second district, William Frankton, Twin Falls; sheriff, J. Walton, Twin Falls; treasurer, Walter F. Forbes, Buhl; probate judge, E. C. Barton, Twin Falls; coroner, E. Burton Hoopie, Twin Falls. Members of the county committee, it was announced, are arranging for a meeting of delegates to the party's county convention. Names of all delegates will be written in the primary election ballot, since none were regularly nominated.

STATE HOME PROVIDES FOR MANY LITTLE TOTS

Of the 102 children now resident at the Children's Home Finding society in Boise, 22 are from Twin Falls county, according to Mrs. Lillian M. Carse, state superintendent of the home, who was a business visitor here Thursday. Many of the children, says Mrs. Carse, are half orphans, left here by the home of the surviving parent who is unable to provide the necessary support for the little ones. Mrs. Carse expects to visit Buhl today after which she will return to Boise.

Mother's Bread is made with milk and it sells at 3 boxes for 25 cents. All grocers handle it or can get it. It tells at the table.

Reduced Price on Peanut Honey

For one week, commencing July 31 and ending August 7. The regular price is 30c; during this sale you can get it for 25c or 5 pounds for \$1.00. It excels for lunches; is very nourishing; not bad to take and not hard to swallow, as the choking effect of peanut butter is overcome. I am manufacturing peanut honey, using only the best grade of blanched imported nuts. Nearly all grocers carry it. In less than one year we have it in three states besides Idaho. We expect to cover the whole country in the near future.

Weather Turns Warm After Cool Period

Weather forecast for today—Fair. Hopes for continued moderate weather, were shattered Thursday, when the mercury climbed to 85 degrees, seven points higher than the maximum for the preceding day. It seems that we may expect July to end in the midst of a warm spell, if past history is an indication. It is added that the temperature reaches the heights and drops directly back again, as it did at the first of this week, and it seems very improbable that it will happen twice in succession. However, it is safer to leave prediction to the government. Minimum for Thursday was recorded at 60 degrees, somewhat lower than the nights have been recently.

DEATHS

GINOCHI—Mrs. Elizabeth Gingrich, 10 years old, died Thursday evening at the home of her daughter, Miss Anna Gingrich, 348 Third avenue west, following a long illness. Mrs. Gingrich had been a resident of Twin Falls for about 10 years, coming here from her former home in Poland, Missouri. She is survived by five children, Mrs. Belle Gingrich, Miss Anna Gingrich, Mrs. H. B. Wallace, E. A. Gingrich and Dr. George Gingrich, all

of Twin Falls. The body was taken to the DeWitt mortuary. Arrangements for funeral services will be announced later.

ASTON—Donna Ruth Aston, three

years old, youngest child and only daughter of Mr. and Mrs. Clarence Aston, died Thursday afternoon at the family residence on Fifth avenue east, following only a few days' illness. She is survived by her parents and

two brothers. The body was taken to the Grossman mortuary. Arrangements for funeral services have not been completed.

Let Dad "Det" Make Money For You

With Higher Prices For Wheat

Tell it to every farmer who meet, Because we are in the market, The speculator will use us for a target. Let him fire off his gun, We'll be on hand and have lots of fun. He thinks we are fresh and right off the range, But before he is aware, he is minus some change. So brother farmer, watch your chance— Sell your wheat on the advance And put the extra dollars in your pants. It's true we don't own elevators, But we are real price regulators. This is quite a game; You also don't own elevators, Although you paid for them just the same. Do we pay more for wheat—not "exactly"; We get the other fellow in the notion of paying more, then we pay the same. So in order to give yourself a treat, Let Old Man Detweiler buy your wheat.

Those who do not want to sell now, we offer special storage inducements on wheat.
