Representative Tilson, Director of Eastern Republican Headquarters, is Visitor at Summer White House.

(By the Associated Press.) PAUL SMITH, N. Y., Sept. 8.—A picture of political conditions encouraging to the republican party in the face of the threatened election campaign, was brought to White House camp today by Representative Tilson...

Anticipate No Loss. The republicans, Mr. Tilson predicted, will suffer no net losses in their vote in the election of 1926. This fall while the elections will result in little or any change in the senate...

Reverting To Type. It would appear, Mr. Tilson declared, that the democrats, "having no other issue," are reverting to type and attacking business.

As for any active part Mr. Coolidge may take in the campaign, Mr. Tilson said it was not for the president to make any executive, adding that he was the chief executive of the nation...

As for the legislative program for the coming year, Mr. Tilson said that in December, Mr. Tilson, who is the republican floor leader of the house, says that the republican party will pass the annual appropriation bill, complete some of the pending measures of a general type, and "stand ready to administer a program of economy."

TERKAMAH, Neb., Sept. 8. (AP)—Brother was arrayed against brother as the fight to free Roy Carson, liquor law violator, from a hard prison water sentence in court jury split 4-3 in a unanimous vote, and friends of the prisoner offered proof that the right diet might be for him.

The next move is expected to be a habeas corpus action by J. H. Chitt, Carson's neighborly brother of the county judge, who imposed the sentence, and his attorney, in force court authorities to give Carson regular food as release.

Physician Eas Fowler. Under the law, the county physician has authority to prescribe a regular diet to a prisoner if he believes the diet jeopardizes his health.

Count Judge Chitt, who is at Rock Springs, said he was surprised at his brother's actions, adding that "it doesn't make much difference."

EXHAUST FIRST JURY PANEL IN CRUMROY TRIAL

Attorneys Examine 55 Prospective Talesmen During Initial Session of Court; Woman Faces Murder Charge.

(By the Associated Press.) RUMPLET, Sept. 8.—Exhaustion of the first panel of prospective jurors, during which 55 men were examined as to their ability to serve on the jury which will consider the alleged guilt of Mrs. Mary Crumroy, charged with first degree murder, in connection with the death of her husband, Carl Crumroy, concluded first day of the Crumroy trial here today before Judge T. H. Taylor.

Imposition of the extreme penalty exacted by law for murder in the first degree had, however, probably been asked by H. V. Gresson, prosecuting attorney of Minola county, as indicated by dismissal of jury of 55.

On exhaustion of the first panel an appeal venue of 25 was summoned for appearance in court tomorrow morning, although the jury list was filed temporarily at the adjournment of court this afternoon.

The fight, the longest yet for the newly christened "New York-Paris" plane, was regarded by those in charge as a successful demonstration of the ship's weight-carrying capacity, as well as its maneuverability.

Progress was such that at the end of the first day both sides agreed the flying of the plane would start at all probability Monday morning.

Mr. Crumroy, said and compared by the side of her attorney, Harmon G. Hooper of Rupert, watched with interest the preliminary skirmishes of attorneys.

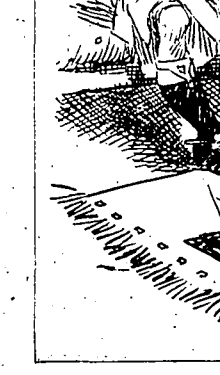

Mr. Crumroy, before her marriage at Denver to Roy Crumroy, Minola county farmer, which is said to have resulted through a matrimonial dispute, and correspondence, was Mrs. Mary Arbetkoff, of Cincinnati, Ohio, and Springfield, Illinois.

The flight, the longest yet for the newly christened "New York-Paris" plane, was regarded by those in charge as a successful demonstration of the ship's weight-carrying capacity, as well as its maneuverability.

Progress was such that at the end of the first day both sides agreed the flying of the plane would start at all probability Monday morning.

GOODING COLLEGE CLEAR IN 1927 IS NEW SLOGAN

GOODING, Sept. 9 (Special to The News)—Men's dormitory funded and Gooding college out of debt by January 1, 1927, was the slogan adopted by trustees and preachers alike at the Methodist conference held at Union, Oregon, last week and the offer made by Senator Frank H. Gooding a year ago to give \$100,000 on a total of \$250,000 will be completed before Christmas time this year, it was announced by delegates returning from the annual conference. In accord with last year's resolution, Dr. John W. Hancher of philanthropic finance will direct the campaign. He has already designated Dr. A. Wesley Miller to take immediate charge and to cooperate with his other workers, the district superintendent, teachers and people of the intermountain empire in raising the much needed funds.

ATTACK MOTOR LAW

BOISE, Sept. 9 (AP)—Constitutionality of the state motor vehicle act of 1923, is attacked in the appeal filed today with the state supreme court, of John Fasta, convicted in Blaine county on a charge of reckless driving. Attorneys for Fasta contend that amendments to the motor vehicle act, passed by the 1923 legislature were made by title only and therefore unconstitutional.

PITTSBURGH AND CUBS SPLIT BILL

Both Teams Receive Slight Setback in National League Pennant Race; Leaders Idle

PITTSBURGH, Sept. 9 (AP)—Pittsburgh and Chicago divided a double header here today, both receiving slight setbacks in the efforts to catch up with the National league leaders, St. Louis and Cincinnati, who were idle. The Pirates won the first game 2 to 1, but made a poor showing in the second contest which they dropped 10 to 1.

The opening fray was a pitchers duel in which Joe Bush bested Percy Jones. Three walks and an error scored Chicago's lone tally, which was driven in by Jones in the second. In the same

round the Pirates put the game in the winning column when Bush doubled down the right foul line, sending Frazier and Gehm across the plate. The score: R. H. E. Chicago 1 0 0 0 Pittsburgh 2 7 8
Batteries: Jones, Odom and Gonzalez; Bush and Smith.
Second game: R. H. E. Chicago 10 12 1 Pittsburgh 2 7 5
Batteries: Kaufmann and Hartnett; Kumpel, Yip, Mahaffey and Smith, Gersch.

The score: R. H. E. Brooklyn 12 17 5 Philadelphia 6 12 3
Batteries: Grimes, McWeney, Vance and Hargreaves; Carlson, Bran, Haneb, Pierce, Taber and Wilson.

KIDDIES' SHOW AT IDAHO

Tomorrow morning at 10 o'clock at the Idaho theatre the regular Saturday morning show for the kiddies will be given with a show that should warm their hearts with glee. There will be three comedies, with the Buster Brown comedy "Buster Helps Dad" in the lead. "Big Game" a Mustang "Steel Western" and the second episode of the telephone serial "Strings of Steel" will also be shown. Last Saturday morning everybody who attended the show were given a ticket good for admission tomorrow. These tickets were given out because the final episode of the Boy Scout serial "The Radio Detective" had failed to arrive in time for the matinee show, so it will be shown tomorrow only without fail. "Mantrap"

the Paramount picture will not be shown at the morning show.

'BRAVEHEART' BIG PHOTOPLAY

Bob La Rocque's new photoplay, "Braveheart" was received with genuine enthusiasm at the Orpheum theatre last night. With its strong dramatic story, artistic portrayals and thrilling scenes, it is a picture for beauty, impressiveness and appeal. It is perhaps the best Indian picture shown in this section this season and is deserving of the enormous which it evoked. "Braveheart" is an Indian who has a university education and who loves a white girl imprisoned delightfully by Lillian Rich. To save her family name, "Braveheart" shoulders a crime committed by her brother, but

she is in ignorance of his sacrifice and upbraids him for his duplicity. He finally realizes that there is a wide chasm between white and red blood and that they never can mix. But his manhood and honor ultimately are recognized. The picture abounds with thrilling scenes, finely photographed and ably directed by Alan Hale. The featured players are Lillian Rich, Robert Edson, Tyrone Power and Jean Ackler.

Dempsey to Get Square Deal in Referee Choice

ATLANTIC CITY, N. J., Sept. 9. (AP)—Jack Dempsey has been assured of a square deal in the selection of a referee and two judges to decide his championship battle against Gene Tunney in Philadelphia two weeks from tonight.

The world's heavyweight champion, it was learned tonight, has submitted a list of six officials to Frank Wiener, chairman of the Pennsylvania state athletic commission, one of whom, Dempsey considers, will be qualified.

The names are reported to include Frank McCracken, Pop O'Brien, Tommy Leidy and Arthur Nolan. Dempsey considers them competent to decide the merits of a close contest, but he is firm in his conviction that the battle will not go the limit.

TWO "BILLS" BEAT BACK INVADING TENNIS STARS

PHILADELPHIA, Sept. 9. (AP)—America's hold on the Davis cup emblem of world tennis supremacy seems secure for at least another year in the hands of her famous veterans, "Big Bill" Tilden and "Little Bill" Johnston. Holding the ramparts today against the challenge of France on the courts of the Germantown cricket club, the two "Bills" beat back the invaders decisively in the opening two singles matches of the challenger round.

Tilden, in one of his rampant moods, overwhelmed the "bounding Jacques," Jean Borotra, ace of the French forces, in straight sets, 6-2, 6-3, 6-3, in the concluding match after Johnston, overcame leg more spirited resistance, had taken the measure of the methodical stroking René Lacoste at 6-4, 6-4, 6-6, 10-8.

FIRST STEP TO ESTABLISHMENT OF PLANT TAKEN

Chamber of Commerce Appoints Committee to Raise Fund for Rental of Quarters for Egg Candling Station.

First step toward establishment of an egg candling plant in Twin Falls was taken Thursday afternoon by members of the board of directors of the chamber of commerce assembled in special session at the Pettibone hotel. After an address delivered by A. J. Shearer of Caldwell, who represents the Idaho Egg Producers' association, a motion was made and carried unanimously which provided for the appointment of a committee to begin work today in raising a fund of \$150, which will be devoted to the payment of rent on a building which will be furnished free of charge to the association. Directors present at the meeting were Frank L. Stephens, W. A. Patrick, Alvin Harrison, Roy W. Edwards, W. H. Edwards, and W. Wilson. Following an address delivered by Mr. Shearer, and transaction of business in connection with the proposal, the board listened to a brief history of the Cooperative Enterprise's activities given by George Kuwze, president of the organization.

Candling Business Reviewed.
Regarding establishment of a candling station here, Mr. Shearer stated that Caldwell and Oostello stations that year handled 620,000 worth of eggs and they expect that the amount this year will be at least a half million dollars. A large portion of the volume of eggs candled in these other Idaho cities was produced in this section of the state.

In Mr. Kuwze's address it was pointed out that during the month of August, 1924, the association produced 500,000 worth of butter which was marketed on the Pacific coast, and that 20 per cent of the butter shipped to the coast and used in the city of Los Angeles comes from Idaho. Mr. Kuwze predicted that five years ago Idaho would produce more butter and eggs per cultivated acre than any state in the union and informed that he saw no reason why the Egg Producers' Cooperative Industry should not be as successful as the Cooperative dairy-

The prohibition has done the solemn, our pure food laws, which are so stringent as any laws in the nation, our anti-gambling law, which has practically eliminated this vice in Idaho, the widow's pension law, the law that has enabled women to remain with their mothers, their mothers and grandfathers, instead of sending them to an institution, our first inspection law, our law that has kept the fruit trees, and prohibiting the sale of imperfect fruit, and many other laws. These laws are due to the intelligent and active cooperation of the women of the state in creating public sentiment in favor of these wise enactments, and by placing in office those who were favorable to this progressive legislation.

D. J. Cavanaugh Authorized to Build \$25,000 Jerome Approach to New Bridge Spanning Snake Canyon.

Circles V. Huber, president of the Union Bridge company of Portland, holder of the franchise for construction of the steel trestle bridge that will span the Snake river canyon, three miles north of Twin Falls, Saturday afternoon awarded D. J. Cavanaugh of this city, the contract for construction of the four mile north side approach to the new bridge. This action involves the expenditure of approximately \$25,000, and calls for the building of four miles of road, with a bed 21 feet in width, which is to be covered with gravel. Mr. Huber, who succeeded George W. Stearns, as president of the Union Bridge company, upon the latter's death, arrived here last Thursday to make arrangements for the preliminary construction work, and left Monday evening for headquarters in Portland.

The first crop, as was stated, was an abundant one and the plants were thrifty. When the roots were removed a second crop of green beans was matured 17 days later. The experiment, Mr. Jarman said, was suggested by the fact that alfalfa, also a legume, yields several crops in a single season.
