200 PRISONERS WRECK JAIL IN PROTEST RIOTS

Recent Complaints on Conditions in County Prison Culminate in Demonstrations by Inmates; No Lives Lost.

(By The Associated Press.) MEDHA, Pa., Oct. 13.—Released from their cells in the Delaware county jail by seven "trucks" of nearly 200 prisoners, men and women, today drove out the guards, wrecked the interior of the jail and attempted to set it afire.

Battle Lasts An Hour

An hour after the mutiny began, all the prisoners had been forced back to their cells. The battle was fought so hotly by the maddened inmates that few of the cell doors could be locked.

Tringles Led Rioters

The riot leaders in the rioting, the authorities said, were seven "ill-fated men," who occupied one cell, the door of which was not locked. These men, all short term prisoners or men awaiting trial, had been treated to aid the guards and do small jobs.

Vice President's Advocacy of Abolishment of System Draws Fire of Borah, Edwards and Hiram Johnson.

(By The Associated Press.) WASHINGTON, Oct. 13.—Vice President Dawes' advocacy of the abolishment of the primary system in his speech before the American Legion was assailed today by both Senator Borah, Republican, Idaho, and Senator Edwards, Democrat, New Jersey. At the same time, without mentioning General Dawes' address, Senator Johnson, Republican, California, issued a statement charging that anti-statehood propaganda was being conducted to break down the primary system.

Primary Is People's Guarantee

"The idea of the people who want the repeal of the primary seems to be to make corruption of people in office," Senator Borah declared. "The primary is a guarantee of the use of large funds whereas in the old days they used enormous sums and no one knew it."

Utah Congressman Tells Delegates to Taxpayers Conference Colorado River Project Should Be Subject to Tax.

(By The Associated Press.) LOS ANGELES, Oct. 13.—If the Colorado river power development project of executive order under governmental direction, it should be taken out of the department of interior and placed in the hands of the federal water commission. Congressman Oliver C. Leatherwood of Salt Lake City, Utah, chairman of the public irrigation and reclamation committee, told the taxpayers conference here today. At the same time he assured the conference that the water power commission would award various municipalities as many preferential water rights as the River-Johnson bill, now pending in congress.

Discuss Proposed Construction

The Utah congressmen spoke at the session where the following officers of the reclamation committee were elected: H. J. Hageman, Santa Fe, president; Henry H. Howland, Salt Lake City, vice president; Scott S. Henderson, The Dalles, Washington, second vice president; C. SPORTS

VANDALS SHOW WELL IN GAME

Idaho Victory Over Montana University; Is Gratifying to Fans; Two Regulars Hurt.

UNIVERSITY OF IDAHO, Moscow, Oct. 13.—The performance of Coach Erb's new Idaho team against Montana university last Saturday was very gratifying and heartening to Vandal fans, but the 27 to 12 victory came at a dear price. As a result of injuries received in the battle with "Wild Bill" Kelly and his mates, two of Erb's most dependable players will be out of the game temporarily, and one other may be unable to start against Washington university this week end.

Detail Injured

The two most seriously injured are Jarwa Burghier, star halfback from the 1925 team, and Rollin Linecum, who was shifted from tackle to end this fall by Erb. They are both suffering from severe hip injuries, and it is doubtful if they will watch the game at Seattle from the sidelines. Jaye Stark, who has been playing guard regularly, has a sprained ankle. He will not be able to return to the field, but it is possible that he will be in shape to face the Huskies.

Idaho football followers are not discouraged, however, as the situation might warrant, and most fans who can muster sufficient funds are going to Seattle intent upon cheering their team to victory. The offensive drive shown by the Vandals at Montana was heartening, as was the manner in which the line stopped Bill Kelly and consistently held him to his big losses.

The Idaho offensive was more powerful in the Montana game than the score indicates. The Vandals rolled up a total of 20 first downs, while Montana was recording six.

WENDELL MAN PROMISES HORNSBY BOX OF SPODS

Rogers Hornsby, manager of the St. Louis world's championship baseball team, will receive from Wendell Idaho, a box of choice Idaho potatoes according to telegram dispatched by Harold M. Harrell of Wendell to the Salt Lake Tribune, just before the last world's series game. Harrell had Monday and breakfast over the Salt Lake radio station a few minutes later. Here is the Wendell news telegram which, according to the Tribune, caused more than passing interest because of the extreme and almost complete confidence of the sportsman.

"When St. Louis wins this afternoon, they will be the first club in history to win the last two games away from home; they will be the first club that has won the world's series away from home after losing three of the first-five games played since the American league was organized. We are going to send Hornsby a box of Idaho spuds. Haven't time to dig them until the series is over. Reception is coming this down here."

DUMB BELLS RINGING IN BATTLE

WILLS PASSES FROM PICTURE

Dusky Stevedore Is Virtually "Through" as Contender for Heavyweight Ring Honors.

NEW YORK, Oct. 12. (AP)—Jack Sharkey of Boston, tonight out of the spotlight of the fight game as Henry Wills passed into the background of the heavyweight picture with earnings estimated by boxing men as nearly half a million dollars.

Tirpo Purse Largest.

Wills' biggest purse came from his match with Luis Firpo of Argentina. He was estimated to have received more than \$100,000 for his bout with the "wild bull of panama." He also fought his purse generously by outstanding his bout with Charley Webster last year and with Harry Madison two years ago.

The retirement of the Wills threat by Sharkey's sensational victory took the last of what was probably the greatest group of negro heavyweights in the history of American pugilism. Coming to the front in the dark weeks which swept Jack Johnson to the top, Joe Donato, Sam McVey, Sam Langford, Elmer Searf and Wills for years almost completely dominated the heavyweight field.

Even with the triumph of Jess Willard over Johnson as the outcome of a long "white hope" campaign, the dusky-skinned heavyweight as the most formidable group in the class.

The defeat of Wills elevated Sharkey to a place above the Jack Dempsey, the decorated champion, who now is still uncertainly buoyed of signing the so-called "million dollar" fight with the new light heavyweight title holder.

TEDDY BEARS TO BATTLE KITTENS

Second Teams of Twin Falls and Filer Will Meet This Afternoon on Wildcat Grid.

Couch H. V. Jones and his second team will journey to Filer this afternoon to engage in battle the Filer Wildcat Kittens. The Bruin youngsters have been working all season for a game and a result game have been scheduled.

The Wildcat's younger tribe have the rep of being a scrapping gang that will make things interesting for any team they meet. They will be more or less handicapped by having some of their best men on the trip to Nampa with the senior Wildcats.

Promising Material

There are several men on the string that show considerable promise. Here, who is brother of Howard Berg, has been showing exceptionally well at tackle. Bradford has also held a steady berth on the second team at tackle. John Maxwell, at end, proved himself early in season, and but for injuries, might have earned a regular berth.

Long, on the other wing has been showing considerable stuff at fullback, and used it to advantage against the Bruins last night.

Bruin Gridsters Undergo Intensive Grind for Game

Plastino Spends His Regulars Through Hard Scrimmage in Preparation for Friday's Contest With Burley Squad.

Hard work has been the order of the day at Lincoln field during the last few days. The squad has been drilled until a late hour each night, with the first string coming in for a lot of work. Some new plays have been given the team and interest work on these have perfected them to a degree. The Bruins are not taking the Burley game lightly, despite the fact that rumors continue to come from the east end camp to the effect that the Red Diggers are weak and have lost men via the injury route.

Burley defeated the Devo team by a large score and repeated the trick last week against Alton high school. They are reported to be heavy, but green, but no doubt will give the Bruins considerable opposition.

Kelly Improves

Alvin Kelly returned to Lincoln field with the muleskinn again last night for the first time since his injury in the Shoshone game. The stellar back is still walking with a large limp, but the injured knee is rounding into shape fast, and Kelly expects to be in shape for the West High game.

With the line-working the way they have in the past three games and the added confidence of three hard won victories, Kelly's return is about all that is needed to make the team complete. His absence has been felt, and

his coaches are hoping for an early recovery to the lineup.
While the Bruins have added considerable stuff to their plays during the last week, probably little of it will be used against Burley for the West High season will undoubtedly be present. West High will engage with Pocatello high Saturday of this week. The Bruins will leave Friday afternoon for the east end city in cars, and return that night.

Filer Wildcats to Play Nampa Lads

FILER, Oct. 13.—(Special to The News).—Coach Robert McLaughlin and about 15 of the Wildcat football squad will leave here in the morning for Caldwell, where they will use the College of Idaho field for a hammering up practice preparatory for the game with Nampa on Friday. The Wildcats have hitten off considerably of a chunk in taking on the heavy Nampa team and have been playing in long hours on the field this week getting ready for the contest.

The Twin Falls and Filer second teams will play here tomorrow night at 8 o'clock, and the Baby Wildcats are planning on a foot of Bruin action for the next few days. Little is known of the strength of Coach Jones' Boise Cubs, but the Wildcats have a fairly strong aggregation, although they are nearly all green men. The local fans that did not journey to Nampa are planning on being out in force to witness the affair.

VOTERS AND JURORS The combination of jurors in New York City has a new plan to make citizens vote an election day. He says he is going to go over the list before election, pick out those who fail to vote and put them first on the list for jury duty.

Whether the public will benefit greatly by it is another question. Having probably more important than dragging unwilling citizens to the polls will the administration of justice really be furthered by putting the determination of juror status in the hands of men and women who think so little of their citizenship that they won't bother to vote?

ORGANIZE FOR POWER PROGRAM AT CLEAR LAKES

Nine Persons Including Twin Falls Mayor Sign Articles of Incorporation of Mutual Company Proposed by Dibble.

Articles of incorporation and stock subscription lists of the Peoples' Mutual Power company, a corporation to develop hydro-electric power resources of the Clear Lakes site on Snake River north of Bald, were signed by nine persons at a meeting here Tuesday evening.

First Objective

The corporation is organized with authorized capital stock of a million dollars. The first objective, it was stated, is to obtain subscriptions to \$600,000 worth of stock to provide funds in which to complete work at the Clear Lakes site and to reimburse the rights in the site now held by W. C. Hazzard with whom the company is to enter contract for purchase of the site.

Plans for development of the site by a mutual company were explained by W. C. Hazzard, electrical engineer and former manager of the Minidoka reclamation project. George Herford of Twin Falls, attorney for the company, reviewed the history of the Clear Lakes power site referring to prior attempts by other parties to develop the site.

Proposition to City

Representation of the range organizations at the meeting stated that Twin Falls county Junior range had withdrawn the idea of power development from the association and expressed the opinion that local range organizations would endorse it. They stated that they had written to the county board with the idea that residents of incorporated towns and cities were to be included in the plan with the residents of rural districts in the proposed power development program.

Are You "Toxic?"

It is Well, Then, to Learn the Importance of Good Elimination.

FUNCTIONAL inactivity of the kidneys permits retention of waste poisons in the blood. Symptoms of this toxic condition are a dull, languid feeling, drowsy headaches and, sometimes, toxic backache and dizziness. That the kidneys are not functioning as they should is often shown by scanty or burning passage of secretions. Many sufferers have learned the value of Doan's Pills, stimulant diuretic to the kidneys, in this condition. Always everywhere Doan's. Ask your neighbor!

FLAMES DESTROY EXPENSIVE BARN

Modern Dairy on Edwin G. Ehlers Ranch Is Consumed by Early Morning Fire.

Fire caused by the explosion of a gasoline engine totally destroyed the modern \$3,000 dairy barn on Edwin G. Ehlers ranch located south of Twin Falls Wednesday morning shortly after 6:30 o'clock. One of the finest herds of dairy cattle in the vicinity was saved from destruction through the efforts of Harry Bodekast employee in charge during the absence of Mr. Ehlers in Boise. The Twin Falls Fire department responded to a call for help in extinguishing the flames that for a time threatened to destroy the residence and other buildings. Firemen through the use of chemicals were successful in confining the conflagration to the barn. The loss is covered almost entirely by insurance.

The front explosion occurred a short time after the 2 1/2 horse power engine had been started for the purpose of operating milking machinery. Cause of the phenomenon has not been explained.

Many tons of silage stored in a silo at the north end of the barn were saved by fire fighters. Firemen also tried in vain to reach the flame that had started on the garage roof in which was stored 60 gallons of gasoline.

DEATHS

MOTION PICTURE CAMERAMEN TO MAKE BIG TWIN FALLS FILM

The story of Twin Falls, its people and their activities in the agricultural and industrial development, and its scenic wonders, is about to be recorded on motion pictures. The Twin Falls cameramen are here to begin work today on a Twin Falls motion picture. Several days will be occupied in the work and more than 200 feet of film will be used.

The motion picture men who have launched this undertaking in cooperation with Manager Geo. Koehler of the Idaho theater and Twin Falls Chamber of Commerce, are headed by P. M. Gladale, president of the Imperial Film Corporation of Chicago, which specialized for years in the making of scenic motion pictures, and stands now at the forefront of that phase of the motion picture industry.

They have with them elaborate equipment for making pictures, including cameras, lighting fixtures and accessories. Many scenes of the principal streets, park and public buildings will be taken, together with civic clubs and other organizations, and particularly the scenic beauties and wonders with which this region abounds.

The film when completed will be exhibited at the Idaho theater, and will thereafter be given by the theater management to Twin Falls Chamber of Commerce, for use in community advertising and to be preserved as a permanent record of Twin Falls in the year 1926.

SOCIETY AND CLUBS

Edited by Mrs. B. Williams Phone 396

After the business meeting held by the Order of the Eastern Star, Tuesday evening with Mrs. C. C. Siggars, worthy matron, presiding, an unusually splendid program was given, consisting of two Spanish vocal solos by Mrs. H. Mastros, with Mrs. Charlotte Vogel at the piano, A. Vargas, instructor of Spanish in the high school, gave an exceedingly interesting talk on "Spain, and read two poems in his native tongue. Amusing stunts completed the evening's entertainment, of which Mrs. E. D. Blum was chairman. Delightful refreshments were served at the conclusion of the program.

Mrs. E. M. Wolfe and Mrs. O. T. Koster entertained the drama and literary department of the Twin Falls Country club Wednesday afternoon at the home of the former on Blue Lake boulevard. Mrs. E. L. Price, chairman of the department, presided at the business session, after which Mrs. M. W. Hunt gave a very complete outline of "The History of the Drama," and Miss Cleon Hunt rendered two delightful piano selections. During the social hour the hostesses served delectable refreshments.

The M. S. and B. club enjoyed an exceedingly pleasant afternoon Wednesday when their club entertained the Leontine club and five other guests at the home of Emma Reed. Twenty-eight members responded to roll call, and "America" and "America, the Beautiful" were sung by the membership. After a short business session with the president, Mrs. C. H. Edgren, in the chair, Mrs. Barling of the Leontine club, took charge of the program. Miss Alpha Pierce rendered two delightful piano numbers, "Palm Springs" (Chopin) and "The Waters of the Minnetonka." The subject for the afternoon was the Indian, and Mrs. W. H. Caswood of the Leontine club, presided, entertaining on the American Indian and their early history, giving fine descriptions of the Indian different tribes. She also exhibited a wonderful collection of Indian curios, also dishes and fancy articles and many interesting photographs, all of which was thoroughly enjoyed by the club. Mrs. C. H. Edgren gave a vocal solo and presided at an evening of club. There was a reading, entitled "Humble Plans a Demonstration." The afternoon closed with a delicious lunch, consisting of pheasant, salmon, pumpkin pie and coffee, served by the hostess, assisted by Miss Anne Arthur, Edith, Maudie Daniels and Ray Pierson. The club will meet with Mrs. Mary Hamilton on October 27.

Mrs. J. S. Spencer presented the little folks of her kindergarten class in charming and attractive manner on Tuesday afternoon at the bungalow of the Christian church. SLUMP IN BEAN YIELD IS NOTED

H. T. Blake, Manager of Bean Growers' Association Gives Vital Facts on Product.

Production of beans in the Twin Falls county this year will probably fall short of that in 1925 by about one-third, it was indicated Wednesday afternoon by H. T. Blake of the Twin Falls Bean Growers' association. Mr. Blake arrived at his conclusion after a study of the situation presented by the 420 members of the organization of which he is manager. "The quality of the bean this year is excellent," Mr. Blake said, "but the average yield per acre will probably not greatly exceed 20 bushels. The average yield per acre in the vicinity of Twin Falls last year was approximately 25 bushels. Last season 1200 carloads of the product left Twin Falls, Kimberly, Piler and Buhl for points in the south, middle west and east.

A small percentage of the bean crop was damaged in this territory when the temperatures dropped 10 degrees below the frost line during the night of September 21. This loss, however, it was pointed out by officials of the association, should not play an important part in their calculations of marketable production in this section this year.

Shipping of beans from this part last year went, Mr. Blake said, the first carload left Twin Falls on August 31.

BURLEY PASTOR GIVES AN INSPIRING ADDRESS

Dr. George W. Lobdell, pastor of the Christian church of Burley in an address on "The Church as a Home," featured the program for a "get-together" meeting in the Christian church here Wednesday evening, which was attended by 250 members and friends of the congregation. The Burley Christian church choir, under the leadership of Mrs. Lobdell, gave several selections. Mrs. Lobdell, formerly an instructor in the Eugene Bible institute of Eugene, Oregon, is a vocalist of unusual ability.

CHAPMAN FIRES OPENING GUNS FOR DEMOCRATS

W. Orr Chapman of Twin Falls addressed a democratic rally at Piler Wednesday evening, which marked the opening of the democratic campaign in Twin Falls county. The speaker and a number of the party's candidates for legislative and county offices who attended were introduced by J. J. Lloyd, chairman of the democratic county central committee.

KIDD ACCUSED OF SHEEP THEFT

Milner Man Who Figured Recently in Liquor Prosecution, in Court on Grand Larceny.

Robert L. Kidd of Milner, accused by T. H. Navin, a neighbor, on a grand larceny charge of theft of two sheep, was arrested Wednesday at his farm residence and was arraigned before Judge J. L. Hodgkin in probate court here. Kidd entered a plea of not guilty and was admitted to bond in the sum of \$2000, pending preliminary hearing, time for which was not definitely fixed.

Kidd recently was defendant in a liquor law violation prosecution, which was dismissed when the magistrate refused to admit in evidence a bottle of liquor that was said to have been found in the pocket of Kidd's coat when he was arrested.

COAST PAPERS FEATURE FLOATING UNIVERSITY

Twin Falls comes in for a good deal of publicity through the arrival of the "floating university" with Miss Patricia Wilson and Harvard Barrett aboard, in Los Angeles. The Los Angeles Examiner and the Los Angeles Times each carry pictures of Miss Wilson as one of the 27 co-eds aboard, with a special reference to Twin Falls.

LOST DOG FOLLOWS DOCTOR

An English setter dog, lost on Twin Falls streets Wednesday night, was delivered into the keeping of the officers of police headquarters by Dr. J. R. Morgan, who stated that it had followed him about town and willingly accepted an invitation to get into his car when the door was opened. The dog wore no collar or other means of identification, but it is believed to be a valuable animal.

Mercury Attains 75 Degrees Here Again

Forecast for today—Fair, south; unsettled and probably rain in the northern section. Mercury in Twin Falls and vicinity again climbed to 75 degrees Wednesday, and for the first time in four days reached above 60. Only once since the start of the month has the temperature been higher here. On the ninth, 76 was recorded at the government weather observer's station.
