

WITNESSES FOR DEFENSE GUESTS OF McPHERSON

Woman Evangelist Serves Ice Cream and Cake in Los Angeles Temple to Men Summoned to Support Story.

(By the Associated Press.)
LOS ANGELES, Oct. 20.—A social note except into the preliminary hearing of James McPherson, defendant in the conspiracy charges today as defense witnesses told of an ice cream and cake party last night at which the wealthy evangelist as hostess, surrounded with them the case with her attorneys.

The cross-examination by the prosecution indicated that attempts would be made to impeach the testimony of all of the first three witnesses to a testimony in support of the evangelist's story of kidnapping and flight into Douglas, Arizona, last June.

A fourth witness was called by the defense to testify to the fact that she attempted to break down the story of prosecution witnesses that Kenneth G. Crutcher, fugitive, had been a witness at the McPherson home in Los Angeles on several occasions.

Qualifies Former Statements.

The first indication came when C. E. Cross of Douglas, Arizona, who yesterday testified that he had seen McPherson at the home of Mrs. McPherson in the summer of 1925, was recalled to the stand. He was asked if, in the presence of two newspaper men and others at the time of Mrs. McPherson's disappearance, he didn't say that woman is a turned good girl.

He denied this and also that he had said it was impossible for him to travel over the route she said she did without water. Asked if he did not tell the same persons that there was no evidence as to whether or not the evangelist, he said he had spoken of the cabin "but not like that."

Expect Pay to Douglas.

Cross and C. E. Pugh, of Douglas, California, both said that they expected to be paid \$10 a day with expenses added for coming here to testify for the defense.

It was Patterson who told of the evangelist and cake. He described a party given at the McPherson home, at which was attended by a number of defense witnesses, and attorneys W. I. Crutcher and Thaddeus H. Winters.

The party was given by the evangelist, at which different aspects of the case were discussed and cooling and toothsome refreshments.

James H. Gonzalez of Agua Prieta, Mexico, through an interpreter, described the evangelist as a man of about 40 years the morning of June 22, last, after her reported desert. He asked him for a telephone number and was told that he had her two glasses of water and rubbed her arms with alcohol. He added that she appeared to be dead.

The Gonzalez version of the evangelist's condition contradicted the regular testimony of the evangelist's principal several hours later by prosecution.

Pennsylvania Line Increases Wages Of Shop Workers

PHILADELPHIA, Oct. 20.—The Pennsylvania Railroad company today announced an increase of wages for its employees in the rate of wages to be paid in all classes of shop craft employees. The increase, agreed on yesterday, is retroactive to October 16.

The wage increase was announced after the Pennsylvania railroad's plan of employees' representation in the regular conference was approved. The employees include helpers and apprentices.

Place the wage increase for the shopmen is a forerunner for increases for other classes of employees could not be learned.

Several conferences were conducted under the Pennsylvania railroad's plan of employees' representation in the regular conference was approved. The employees include helpers and apprentices.

The body was at the bottom of the trunk and in a layer of clothing and the tray, filled with articles, there were a number of shoes, except a discolored pair at the top.

Farmers Would Work Out Own Sales Problems

WASHINGTON, Oct. 20.—Opposition to the qualification fee principle of the McNary-Huggins bill which was defeated in the last congress, was expressed to Secretary Jardine today by a delegation representing the National Farmers Grain Dealers' association.

The farmer's group permitted to work out the problem through his cooperative association, which he should receive assistance in financing the delegation said. The half million farmers represented by the association it was said are in favor of direct marketing and are opposed to any relief legislation calling for the pooling of crops.

The delegation favored development of a connected water ways system throughout the country.

DEATH GOSSES McPHERSON'S FATHER

Veteran Socialist Leader, Five Times Party's Standard Bearer, Dies After Breakdown.

CHICAGO, Oct. 20.—Eugene V. Debs, outstanding apostle of socialism in the United States, died in a sudden and sudden death tonight at 7:15 a.m.

Mr. Debs would have been 71 years old when he lived until next November 10.

He suffered a nervous breakdown a month ago and retired to the sanitarium in which he died.

Because of his advanced years and heart disease, which had persisted for many years, Mr. Debs was unable to travel over the route she said she did without water. Asked if he did not tell the same persons that there was no evidence as to whether or not the evangelist, he said he had spoken of the cabin "but not like that."

He passed into a profound coma last Saturday and failed to recover consciousness and died in the hospital in which he died.

With the aged socialist leader at the end were his wife, Katherine; his daughter, Mary; his son, Eugene; his brother, Theodore; and two sisters, Mrs. Paul H. Debs and Mrs. William Debs. At his bedside during his last moments also were socialist leaders, including Philip S. Foner, Henry, the national executive secretary.

Mr. Debs, leader of the socialist party in America, and five times its nominee for the presidency, died in the hospital in which he died.

PRESIDENT APPROVES POSTAL GUARD EXPENSE

WASHINGTON, Oct. 20.—President Harding today approved the expenses necessary to arm the postal service and orders were issued tonight to the postmaster general to arm the service of the marine corps, making 2500 marines available tomorrow for guarding the mails.

The postoffice department program, which received the endorsement of the president also provides for the use of force and arms in the event of a situation of more than 200 armed mail cars and motor trucks.

Director Lord of the bureau is understood to have advised the president that funds for carrying out this plan are available.

STUDENTS STAGE STRIKE AGAINST FOOTBALL BAN

HORNELL, N. Y., Oct. 20.—About 300 students of the Hornell high school went on strike today in protest against the action of the board of education in abolishing football from the athletic activities of the school. The students spent the afternoon in parading the streets and displaying banners reading: "No football, no school."

In discussing the question Commissioner Teller predicted that the strike would be a success and that the board of education would be forced to allow football to be played.

Speakers were in the school building in the afternoon and the board of education was in session in the morning. The board of education was in session in the morning. The board of education was in session in the morning.

Idaho Citizens Favor Creation Of American Merchant Marine

BOISE, Oct. 20.—Sentiment entirely favorable to creation of American merchant marine was expressed as the Idaho legislature today passed a resolution to create a merchant navy of the United States.

The resolution was passed by a vote of 10 to 2. It was introduced by Representative H. C. Haggren, of Boise, and was supported by Representative H. C. Haggren, of Boise, and was supported by Representative H. C. Haggren, of Boise.

Marine Guards Are Dispatched To Los Angeles

LOS ANGELES, Oct. 20.—Trinidad General Bradley, U. S. Marine, commanding the United States Marine band at San Diego, announced here today that 150 marines will arrive tonight from San Diego to guard mail trains and trucks.

The use of marines to guard the mails throughout the country was ordered following a conference between Postmaster General Nease and Major John A. Deane, commander of the marines, after a mail robbery in New Jersey.

Brigadier General Butler, enroute to San Francisco, where he will establish headquarters, instructed his aide, Captain John A. Deane, to send him "two who would and could shoot" when he ordered the mail guard at Los Angeles.

Hurricane Sweeps Over Cuba And Heads Toward Miami

THIRTY KILLED; 300 INJURED IN CITY OF HAVANA

Thousands Need Aid and Shelter; Many Boats Go to Bottom and Buildings Topple Under Severe Gale.

(By the Associated Press.)
HAVANA, Oct. 20.—Thirty persons were killed and 300 injured in Havana by a hurricane which swept over the city this morning. The hurricane was the most severe to strike the city since 1917.

All the lower parts of the city were inundated, causing thousands of persons to seek temporary aid and shelter.

In the suburb of Marianao, where many Americans live, great damage was done by the storm. The water was without light or water.

Near Oriental park, where the headquarters of the United States army are located, many houses were wrecked or seriously damaged. Twenty-five percent of the barracks buildings at Camp Columbia were wrecked.

All the trees lining the road from Havana to Marianao were uprooted.

HAVANA, Cuba, Oct. 20.—(AP)—Twenty dead and many injured and several hundred injured by the West Indian hurricane which swept over Cuba today. Eight were killed by the collapse of one house at Luyanó, a small place in Havana province, and it is feared that there will be considerable loss of life through drowning.

In the first emergency hospital there are three dead and 170 injured, some of them seriously.

A large number of persons are being treated in the city hospitals. Many of the injured are being treated in the city hospitals. Many of the injured are being treated in the city hospitals.

Necromancy Fails To Meet Test of Dice Game on Ship

NEW YORK, Oct. 20.—(AP)—Egyptian necromancy has enjoyed a popular standing through the ages, but it failed to meet the test of a modern, transcendental dice game. Passengers arriving on the Paris related the financial downfall of an Egyptian magician who after a long residence in which he made two five chickens disappear, came to a sudden end in a session with the dice.

The magician, who was named, appealed to the skipper who obtained refund of the losses.

70-MILE WIND BLOWING ALONG FLORIDA COAST

Lately Stricken City, Working in Rain and Without Street Lights, Makes Preparations to Meet Another Emergency.

(By the Associated Press.)
ATLANTA, Ga., Oct. 20.—All wire connection with Miami, Fla., was cut off by a hurricane, which reported heading, was low last tonight. Report said the wind at that time in Miami was blowing 70 miles an hour.

MIAMI, Fla., Oct. 20.—(AP)—It was raining in Miami tonight as the city awaited the definite word of the path of the hurricane, which was reported off Key West, moving in a northeasterly direction. Weather Observer Gray said that a respite of the winds may direct the storm east of Miami to the south.

Preparations for an emergency were being made.

Miami awaited in darkness tonight for word of the gale, all street lamps having been extinguished by the storm.

The business, virtually was suspended in the afternoon, following the issuance of advisory storm warnings. Numerous business houses were reported to have closed their doors and dismissed employees until the emergency passed.

A few people were on the streets tonight, but there was little automobile traffic.

The first loss of life from the storm in this city was reported by E. K. Ketchum of San Francisco who killed when a sign fell on him in Flagler street. Identification cards were found on the body.

Four Miami cars were reported to be in the center of the storm had passed to the south.

JACKSONVILLE WIRE DOWN
JACKSONVILLE, Fla., Oct. 20.—(AP)—The Jacksonville telephone company at 5:30 o'clock tonight reported that all of their wires into Miami had been cut off by the hurricane.

At 5:30 o'clock the wind attained a velocity of 70 miles an hour, with gusts often as high as 80 miles. The streets were filled with wrecked trees and debris. Little damage was reported to homes.

SEANAMUELS RAPS GOODING SCORE

Progressive Candidate for Senator Devotes Attention to Republican Nominee in Talk.

A well-filled house at the Parish hall Wednesday evening greeted H. F. Samuels, progressive, first of the three speakers in the series of talks which are scheduled to speak here during the campaign. John P. Nugent, democrat, will speak here Friday evening, and Senator Frank H. Gooding, republican candidate for re-election, will address a public meeting here on Thursday evening, October 25.

The main issue of the campaign, Mr. Samuels declared, is whether dollars should be used to buy votes.

BRUINS TAKE ON
FINAL WORKOUT

Coach Plastino Sends Players
Through Gruelling Scrimmage
in Preparation for West High.

The Twin Falls Bruins took on their last hard workout before they meet the formidable West High team at Salt Lake. Plastino sent his charges through a gruelling scrimmage, using now plays that have been developed during the week, and giving the backfield plenty of chance to hit the aerial line.

The Bruins looked better last night than they have all week. The drill night was there, and the backs were driving into the line in a fashion that will be hard for any team to stop. The punters were also given a good drilling, and it is expected that the Bruins will play a kicking game against the Salt Lake team.

Rich Robertson was on the driving list last night and was not out in a suit. He will be able to play Saturday, however.

Lewis Stinson has been at right end for the last two nights and undoubtedly will start in that position in Salt Lake. Stinson has shown much ability as a lineman in previous games, and has been used at both tackle and guard. He is a hard charging fighter, and although the wing job is new to him, he can be depended upon to make a creditable showing.

Band Real Factor

The pep band drive for funds to enable the organization to make the trip to Salt Lake with the team is going forward nicely, and it is hoped by dawn in charge to have sufficient funds by tonight to assure the musicians making the trip. The band will give the Bruins some needed support if it makes the trip. The blue and white team will be at a disadvantage at best playing on a turf field, and away from home, and any additional support will help the morale.

The Bruins have a real chance of evading the defeat of last year and, while even the most optimistic do not predict that the scores will compare, yet the Bruins are given more than an even chance of bringing home the banner.

With a goal line to defend that has not been crossed this season, the Bruins will fight for every advantage, and close observers claim victory for Twin Falls.

**RUPERT COMES TO FILER
FOR GAME WITH WILDCATS**

FILER, Oct. 20 (Special to The News)—The Filer Wildcats will tangle with the Rupert football squad at 10 o'clock on the local grid next Friday. Filer made a creditable showing against Nampa last week and are hitting the ball all week in practice. The Wildcats team is working fast and with no doubt, he in the district running. Smith, whose punting ability has already attracted statewide notice, is showing considerable speed at center. The center and fullback, a seasoned back, has been displaying prowess as a defensive full.

Rupert is reported strong and has not been defeated by a high school team this season. Rupert and Oakley played a 7-7 tie last week. Rupert, however, is reported a special individual, and has given teams considerable trouble so far this season.

A record breaking crowd is expected at the game by reason of the fact that the Twin Falls team will be playing in Salt Lake, and many Twin Falls fans will make the trip to see the Wildcats perform.

Hurry, Worry and Overwork Bring Heavy Strain.

MODERN life throws a heavy burden on our body's machinery. The eliminative organs, especially the kidneys, are apt to become sluggish. Retention of excess uric acid and other poisonous waste often gives rise to a dull, languid feeling and, sometimes, toxic backaches and headaches. That the kidneys are not functioning properly is often shown by burning or scanty passage of secretions. More and more people are learning to assist their kidneys by the occasional use of Doan's Pills—a stimulant diuretic. Ask your neighbor!

Varsity "T" Men
Penalize Display
Of School Letter

UNIVERSITY OF IDAHO, MOSCOW, Oct. 20—Varsity "T" men, wearing of the monogram sweater, awarded for participation in major sports, are jealous of their sweaters and feel that high school athletes wearing similar to those worn at Idaho, should be discarded by students attending the university, according to an official "editor" passed at a recent meeting.

The "T" club, made up solely of men who have won their letters in one of the most influential organizations on the campus.

Although the "T" club voted that it would take the matter of concealing violators of the rule into its own hands, several influential persons on campus are now to him, he can be depended upon to make a creditable showing.

Punishment for violation of the rule, according to the "editor" is an application of the well known "big stick" or an impromptu bath in the fountain standing in front of the administration building. This same punishment is meted out to violators of other campus traditions.

**HILL CASTLE TO BECOME
INTERNATIONAL MUSEUM**

THE DALLES, Ore., Oct. 20—Queen Marie of Rumania will signalize the transformation of Maryhill castle into an international museum when she visits it during her American tour to dedicate a Rumanian room.

The castle, which crowns a high bluff overlooking the Columbia river about 20 miles east of here, was started a number of years ago when Samuel Hill, would make elaborate a museum which exhibits from various countries of the world would be housed. The Rumanian room will be the first room set aside for an exhibit.

The castle is situated on a 100 acre estate. It was named in honor of Samuel Hill's wife, a daughter of James J. Hill, empire builder of the northwest. The structure, built entirely of cement and metal, is of three stories and contains 44 rooms. Some of the interior is yet unfinished.

Recently it was announced the castle was to be converted into a museum in which exhibits from various countries of the world would be housed.

The Rumanian room will be the first room set aside for an exhibit.

IDAHO FRESHMEN
TO KINDLE FIRE

Annual Bonfire at State University to be Burned on Eve of Washington State Game.

UNIVERSITY OF IDAHO, Moscow, Oct. 20—University of Idaho freshmen, inspired by more than 30 years of bitter athletic rivalry with Washington State college and a tradition as old as rivalry, are planning the annual bonfire, to be burned on the night of November 5. This is kept with tradition, is the night before the Washington State game.

Preceding the fire the entire student body holds its own program of the year, including the boys' "jambaa parade." Headed by the pep band, the yelling, chanting and howling mob parades in serpentine order through the downtown section of Moscow, before dispersing at the fair grounds, where the fire is burning.

Boxes, condemned outbuildings, unused wooden adobe, barrels, railroad ties, logs and everything that is found and will burn, are loaded in trucks to the fair grounds for days before the burning. Barrels of oil are used, and when the match is applied flames shoot several hundred feet into the air from the 75-foot pyramid.

Usually an effigy, symbol of Washington State college, is placed on the pinnacle.

Vow Vengeance on Cougars

As the flames eat darkness for several hundred feet around, the gathered students vow vengeance on the Cougar letter, through the medium of college songs, yells and various other pep producers.

Students are sent out delegations the night before the game to fire the pyramid prematurely. Accordingly a fireman guard is thrown up about the campus to prevent Washington.

Punishment for violation of the rule, according to the "editor" is an application of the well known "big stick" or an impromptu bath in the fountain standing in front of the administration building. This same punishment is meted out to violators of other campus traditions.

The Rumanian room will be the first room set aside for an exhibit.

THEATRE

MARY IN JUVENILE ROLE

Hollering Mary Pickford is back again!

The famous little star, whose screen masterpieces have delighted millions throughout the world, has produced another great picture—which has been called her greatest. It opened at the Idaho theatre yesterday, and will be the feature until Saturday evening.

Mary is cast as "Mamma Mollie," the little girl who mothers the forlorn children on the baby farm. She pilots them through many adventures providing much laughter, many thrills and not a few tears.

"THE TOUGH GUY"

"The Tough Guy," Howard Clifton's rickety tale of adventure and love under western skies, brings Fred and Silver again to the screen of the Orpheum theatre today, where they have often held forth, scattering sunshine and happiness throughout the community.

Thompson and his famous white horse, Silver King, are an inseparable combination, winning their way into the hearts of new thousands every day in the year.

EDEN PLANS TO EVEN
SCORE WITH HAZELTON

EDEN, Oct. 20—(Special to The News)—Football apparently is the main topic for discussion here among the high school students and considerable interest is displayed in the game set Friday afternoon when the Eden high school team will meet the Hazelton team on the local football field.

Last Friday, at Hazelton, the two teams met for the first game of the season. It was, in fact, the first game ever played by either high school. Hazelton displayed more training during the early part of the game and was successful in making three touchdowns for a total of 10 points. In the last half the Eden boys got into the game and held Hazelton scoreless and at the same time gained considerable yardage over their opponents.

The game was merely an introductory game for the players on both teams as neither school has before been able to have sufficient material for an eleven. This season both schools managed to secure enough young fellows to make a start along that line of athletics. During the first game it was evident that each school had some excellent material for a winning eleven, and with additional training and more experience they will be able to tackle the team from the larger schools.

The Eden team is being coached by C. R. Bowles and strenuous workouts are being given the boys this week in order that they may be able to even up the count with Hazelton.

EX-GOVERNOR TO SPEAK AT BUHL

William Spry, Former Chief Executive of Utah to Address Republican Meeting.

Former Governor William Spry of Utah and Lieutenant Governor H. C. Biddle, republican nominee for governor of Idaho will share the platform at a public meeting this evening.

Mr. Spry is now commissioner of the general land office at Washington, D. C., and his address will be founded upon personal knowledge and experience in the field of government lands. It was announced. The commissioner has been employed in his present capacity in the national capital since 1912. He was born in England, came to this country in 1875, spent most of his life in Utah and was once president of a Salt Lake city bank. During his entire public career he has taken a deep interest in agricultural problems and has an understanding of them from a western view point.

Schedule of other republican meetings in this vicinity up to and including November 1 are as follows: October 22, Rock Creek, principal speaker Shad L. Hodgins; October 23, Butte, J. W. Taylor, presiding; October 24, Twin Falls, Frank L. Gooding; October 25, Buhl, Adolph J. Smith and Shad L. Hodgins; and November 1, Twin Falls, Adolph J. Smith and Shad L. Hodgins.

Rehearsal Started For Musical Show

Various committees concerned with the presentation of "Vanity Fair Revue," which is to be given under the auspices of the Twentieth Century club at the Orpheum theatre November 1, are at this time making arrangements for the rehearsal of the musical show. The rehearsal will be conducted daily in the business and professional women's club rooms at 4 o'clock in the afternoon and 7 o'clock in the evening, under the direction of Miss Jo Ann Chiles, a representative of the Associated Producers company of the production.

"Vanity Fair Revue," is a musical show in two acts and includes 22 songs. It is presented after the most modern revues and has triumphed in the hands of amateurs throughout the country.

Pep Band Trip to Utah City Looms

More than one half of a fund of \$200 that is being raised to support members of the Twin Falls high school pep band of 14 members to Salt Lake for the Brain West High game in Salt Lake Friday has been secured Wednesday night through popular subscription. It was announced by members of the committee in charge of the campaign. One local organization subscribed \$50, it was stated.

It is hoped that the remainder of the fund will be secured by the time the campaign committee they will be entered on up to the last minute.

A benefit show to swell the fund has been arranged at the Idaho theatre today by Joe Kuhnke, manager.

It was announced Wednesday by Harry Bonnell, post commander. Members of the post will volunteer their time and automobiles for this purpose, and headquarters for the work will be established at the Mangel garage. Effort will be made to convey all voters calling for conveyance to the voting places.

Demand on Carriers Is Greater Than Ever

Demand upon the equipment of the railway carriers this season has been greater than ever as is evidenced by the fact that for the past 10 consecutive weeks the total number of cars loaded for week throughout the country has exceeded the one million mark, according to a letter received here Wednesday from A. P. McConnell, secretary of the Central Western Shippers' auxiliary board, with headquarters in Boise.

In order to meet the demand this season for cars, Mr. McConnell says, it is imperative that the carriers be urged to load their cars in capacity and asks that all cars received be unloaded as promptly as possible in order that they may be thrown back into the service.

Mr. McConnell continues in his letter to state that at this time of year there is particular demand for empty cars for the movement of coal, grain, sand, ore and lumber in addition to farm products, and urgently requests cooperation on the part of shippers as well as the carriers.

PROFIT TAKING LOWERS WHEAT

Ocean Freight Rates Advance
Counterbalances fluctuations
of Urgent Foreign Demand.

CHICAGO, Oct. 20. (AP)—Faced by heavy profit-taking sales, wheat market here reacted today from an advance to the highest point yet on the present uptick. Indications of urgent demand for wheat abroad were offset by new reports in recent days to Europe. Chicago wheat prices finished easy at 2 1/2¢ down, oats 3/8¢ to 1 1/2¢ down, and provisions unchanged to 1/2¢ drop.

At first the wheat market here showed an upward trend on account of steep fresh advances in quotations at the pool, but on new export business of consequence was apparently being done on this side of the Atlantic. In this connection, trade leaders seemed inclined to emphasize the view that dearth of wheat across the water is due to ocean freight rates of the Indian Ocean, which are still at a high level, and that, for at least the time being, the effect must be considered as a temporary one.

Good support from buyers in the wheat market, however, was not enough to sustain the advance. A steady effect on value of Winnipeg quotations which acted weak early were relatively firm near week end. In some quarters, a good deal of significance was attached to figures showing that more than half the current arrivals of wheat at Winnipeg are grading tough.

Corn was as well as wheat in late profit-taking on a large scale. Weather conditions were favorable at a rule, and the government weekly report was somewhat bullish. There was no sign of demand for oats.

Provisions were affected by notes taken of liberal stocks on hand.

STOCK MARKET PRICE MOVEMENTS ERRATIC

NEW YORK, Oct. 20. (AP)—The stock market presented a spotty appearance during the greater part of today's session, with several of the industrial leaders touching new lows on the current movement. A brisk buying movement developed in the last few minutes of trading, following the report that many of the earlier losses and having closing quotations decidedly irregular. The volume of trading showed a marked expansion in volume, with the day's sales again running above 2,000,000 shares.

Erratic price movements here in relation to the day's news, although speculation for the decline attempted to place a bullish interpretation on the publication of the monthly figures of industrial production, and on the weekly steel trade review, which indicated a slight lessening of activity in the industry. Call money was again in plentiful supply at 4 1/2 per cent, and generally favorable quarterly earnings statements were published by the Republic Steel, Transcontinental Oil and a few other industrial companies.

United States Steel common broke below 12 1/2 for the first time since April, but closed at 12 3/4 for a small fractional gain on the day. General Motors dropped from 11 1/2 to a new low on the current decline, but snapped back to 14 1/2, unchanged on the day.

MANY STUDENTS PAY TUITION TO ATTEND SCHOOL

86 Pupils Enrolled in Twin Falls High School Come From Outside Independent District Number One.

Eighty-six students enrolled in Twin Falls high school came from outside of Independent district No. 1. This amount includes the 42,541.25 paid by districts that do not maintain a high school, and \$65,225 paid by the parents of five students who wish to attend the Twin Falls high school, instead of that maintained by their district, and the three who come from other counties.

Tuition charged each student from outside of this district amounts to \$8.25 per month, or \$25.75 per year, Mr. Bloom said.

Districts represented in the total high school, the number of students from each and the amount of tuition paid by the districts represented is as follows:

District	Students	Amount
Murtaugh	1	\$7.75
Mountain Valley	2	15.50
Golden Valley	1	7.75
District No. 28	1	7.75
District No. 49	1	7.75
District No. 58	2	15.50
District No. 20	1	7.75
District No. 6 (common)	2	15.50
Excelsior	1	7.75
Dark Lane	7	61.25
Shannock	15	123.75
Cherry	12	99.00
Pleasant View	17	140.63
Total	73	\$605.13

The total amount of \$6,581.25 does not include tuition paid by the three students who come from outside of Twin Falls county or the eight who come from a district that does maintain high school, and consequently must pay their own tuition.

The figures above are based upon the present enrollment status. The number of tuition students is susceptible to fluctuation, it was pointed out by Mr. Bloom, due to the fact that pupils residing elsewhere may move into Independent school district No. 1 and thereby be entitled to free tuition.

Should the present number of tuition students remain as it now is until the end of the school year, a total of \$7,540.50 will be credited to Independent district No. 1.

INCORPORATE TO MARKET BEANS

Mutual Concern Covers Wide Territory in Statement of Purposes; Membership 500.

The Idaho Lima Bean and Agricultural association of Hansen, Idaho, a mutual corporation formed to engage in any activity in connection with marketing, harvesting, preserving, handling and storing farm products, and particularly beans, filed its articles of incorporation Wednesday in the office of the county recorder here. The incorporators named are Ray Corral, C. E. Munson, John Holmquist, Bryan Harris and E. N. Pettygrove.

Membership in the association is limited to 500 persons, "all of whom shall have an interest in the bean business." The articles recite that the association is formed to "promote, foster and encourage the business of growing farm products generally and beans in particular," to "eliminate speculation in farm products and particularly beans, and to stabilize farm products and bean markets," and to "co-operatively and collectively handle the problem of farm products and bean growers in improving through proper means the interests of members of the association."

DINNER AND DANCE TO BE GIVEN BY SOCIETY

Members of the Relief society at their regular monthly meeting Tuesday afternoon laid the plans for a bazaar, dinner and dance to be given Saturday, October 23 at the Parish hall.

After the business session a discussion of the life and works of Robert Frost was given by Miss Mary Wright assisted by Miss Winnifred Whitehead who read some of the poet's work.

Mercury Drops to 22 Again at Night

Forecast for today—Fair.

Mercury in Twin Falls again slumped to the low mark of the season, recorded here September 24, during the early hours of Wednesday morning when the red line in the thermometer at the government weather observer's station dropped to 22 above zero. For the fifth time this month temperature dropped below the frost line, Wednesday morning.

FOUR COUPLES LICENSED

Licenses for four marriages were issued Wednesday at the office of the county recorder here. The applicants were: A. H. Hagglund and Katherine Kline, both of Twin Falls; Harold Nelson and Evelyn Knecke, both of Twin Falls; Albert Lancaster and Gaila Stewart, both of Filer; LeMont W. Stocking and Eva Richmond, both of Burley.

FLAG AT COURT HOUSE WILL FLY FROM POLE

The American flag at Twin Falls county's court house will be displayed in the future from a pole set up on the lawn at the east side of the building. The pole will stand 84 feet high, and will be surrounded by a brass ball 10 inches in diameter. The flag at the court house heretofore has been displayed from a staff on the roof, where it was subjected to close contact with smoke from the chimney and from which position it

could be removed only with difficulty. Criticism against this manner of displaying the national emblem has been made by a number of patriotic organizations, and it was largely to remove the basis for these criticisms that the commissioners recently approved purchase of the new flag pole.

The fall of painting front doors in brilliant colors has given the variety of Joseph's coat to many London streets and residential squares.
