NUPTIALS FOR ROYAL COUPLE

Leopold and Astrid United in Marriage by Catholic Ceremony; Leave on Honeymoon

BRUSSELS, Nov. 10 (AP)—Prince Leopold of Sweden and Crown Prince Leopold of Belgium, united in marriage by a Roman Catholic ceremony in the cathedral of St. Gudule this morning, tonight left on their honeymoon for a destination which has been kept strictly secret.

The heir to the Belgian throne and the daughter of the Vikings whose love had found a way to overcome differences of religion and national character, were the center of the greatest demonstration in Brussels since the Armistice day, eight years ago.

Fully 200,000 persons lined the magnificent streets and avenues of Brussels and gathered in so great a throng about the cathedral that many scores and children were injured. Several were taken to hospitals and treated for their injuries in nearby district stores.

Legion Is Squarely Behind Defense Act

Commander Asserts

Howard P. Savage, addressing Luncheon Gathering at Kaysans City, Baiterhas Stand of Veterans' Organization.

RANKHAM CITY, Nov. 10 (AP)—The American Legion went to war once, and with honor, wants no more of it, Howard P. Savage, national commander of the legion declared in an address here tonight at a Legion day dinner.

"While the legion is pushing forward, in endeavors of community betterment, providing good homes and an even chance in life for the orphans of the veterans, it is not forgetful of the horrors of war and the determination of preventing future war," Commander Savage said.

"It believes and is insistent that the best prevention is adequate defense. The legion stood squarely behind the national defense act of 1920, and today it insists the provisions of that act be carried out to the letter."

Mr. Savage said the legion stands today on the threshold of a new year of activity.

"I say it is our legion whether you be a world war veteran or not, because for seven years the legion has held the respect and love of the entire people of the United States."

There has been a definite reason for this. It can be summed up in two words—loyalty and sacrifice. The part of the fathers and mothers and friends of the world war veterans, and the world service on the part of the younger.

The death list stood tonight at 16.

Ex-Commissioner Struck by Motor

James D. Barnhart of Twin Falls, former county commissioner, was struck and painfully but not seriously injured by an automobile while crossing Main avenue at the intersection with Rhinoceros street Wednesday afternoon.

Mr. Barnhart, according to persons who witnessed the occurrence, was caught up on the fender of the car and then thrown to the pavement. Wheels of the car did not pass over him.

He was taken to a doctor's office where examination was made indicating that his injuries consisted of bruises and were not serious, and was later removed to his home on Adolphus avenue east, where it was reported last evening he was resting easily.

Name of the driver of the car was not ascertained by the officers.

IDAHO SHIPS MORE THAN 17,000 CARS OF PRODUCE

BOISE, Nov. 10 (AP)—Idaho has shipped more than 17,000 cars of produce since June 1 in "refrigerated" or "refrigerator" cars, without a single complaint about service to the public utility commission, A. H. McConnell, secretary of the commission, announced today. The state is served by the Pacific Fruit Express company.

Shipments of potatoes to date, including the early movement, aggregated 724 cars. Other shipments have included 2442 cars of apples, 1450 cars of prunes, in addition to numerous carloads of lettuce, grapes, pears, peaches, eggs, butter, poultry and vegetables.

THE SPORTS OF A DAY

TEAMS BARRED BY STATE BOARD

Nampa and Pocatello Elevens Declared Ineligible for Title Competition on Grid.

Announcement from the state board of control meeting held the first of the week at Idaho Falls to the effect that both Nampa and Pocatello were barred from participation in the state title contest since as a distinct surprise to these fans and officials Nampa was ruled out because of using Adren Garry, who was protested just before the Boise game and who has not played since. The state commission has ruled that all games in which he participated are not to be counted and that the Junction city is out of the running. It was also determined that the western district has not been announced. Caldwell and Boise, the other two strong teams of the district have a game registered and the board may rule that these two teams fight it out.

Red and Blue Ruled Out

Pocatello was ruled out because they did not play sufficient games within the district to be eligible and there was no record of the officials that some of the Red and Blue players are not eligible. It was agreed at 3 o'clock of the evening of the earlier district that should Pocatello defeat Twin Falls they would be considered representatives of that district without the necessity of obtaining a license. This was evidently disregarded by the state board.

The state title is now in a jumbled mess and how it can be satisfactorily figured out is hard to tell. Undoubtedly Nampa and Pocatello are the strongest teams in their respective districts and should represent them. It is a singular fact that several times in the past few years the state title has been hoistly jumbled by the action of the state board. The state title would be but an empty dream if the winner was not forced to play the strongest teams in each.

Opportunity for Protest

Plenty of opportunity to protest players on both teams has been given all season and it is not understood why the state board should let the two teams go through the whole championship race and then declare them 'out of the running. No one is satisfied with such a ruling and it only serves to cause dissatisfaction with the state athletic commission and its rules.

Larger schools will soon pull away from such an organization and will schedule games with each other and strong teams from without the state, thus allowing the state title to go begging for want of a contender. We state athletes should be in a constant uproar is hard to understand, and school officials all over the state are at a loss to know how to act within the many and strict rules of the state commission.

West End Town Looks Forward to Gridiron Contest

BRILL, Nov. 10. (Special to the News)—Plans are complete for entertaining one of the largest football crowds that ever assembled at Twin Falls here tomorrow when the Piler Wildcats invade Brill to try for the scalp of the Brill eleven. The team have been going in good shape all season and have more or less pointed for this game. Brill has suffered defeat at the hands of two district teams, one of which Piler has beaten.

The Wildcats trimmed Jerome while Brill received a one-point defeat at the hands of the north side eleven. Gooding defeated Brill two weeks ago but the Wildcats are a different team. Smith has been busy engaged in trimming the Wendell eleven.

Davis and Smith will vie tomorrow in the district which comes here tomorrow. Davis, local quarterback, and Smith, local punter, who is considered to be the best kicked in the district. Davis has earned much praise for his heavy field-work and his passing and kicking. He bears the brunt of the Brill offensive attack and his work in the open field is highly respected. Smith has won many games for the Wildcats this season by his timely place kicks and is dangerous any time he gets open for 30 yard marks. His punting and open field punning is on a par with any back in the district with the possible exception of Toome, and it will be the brunt task to stop him. The game is called for 3 o'clock.

SHOSHONE TO ENTERTAIN STRONG JEROME ELEVEN

SHOSHONE, Nov. 10. (Special to the News)—Jerome high school will invade Shoshone tomorrow with one of the strongest football eleven in the district to try for the scalp of the locals. Shoshone will be handicapped by the loss of Bayles, who has attracted much notice in district circles as a line plunger this season. He will be forced to stick to the back with an injured arm. Shoshone has a strong eleven that has given some of the best teams in the district a hard game.

Jerome has been defeated but once this season and has one of the strongest lines in the district. Duffy, who was not able to play against Gooding last week, will be in the lineup again and is a dangerous line plunger. Wilson, Tiger half, is also giving strong play and the invaders will be treated to a hard tussle.

Important Merger of Western Roads Seen by Financier

NEW YORK, Nov. 10. (AP)—The New York Herald-Tribune says the most important railroad merger in the western half of the United States, embracing the "Hill" roads, the Great Northern, Northern Pacific and Chicago, Burlington & Quincy, whose combined capital is more than \$1,500,000,000, is under way.

Arthur Carter James, director of the Great Northern and the largest individual holder of railroad securities in the country, indicated this in dispatches received in the financial district. He was quoted as saying that the eventual extension of the northwest lines into California was favored by Hill's dream and that the railroad builders' dream generally came true.

Mr. James was quoted as saying such a merger is "the most logical thing to do, since it will leave the Northwest with two great transcontinental systems—the consolidated Northern and the St. Paul."

The Northern Pacific and the Great Northern control the Chicago, Burlington & Quincy through ownership of about 97 per cent of the latter's capital stock. Thus, the paper says the merger is a natural development from a corporate angle.

Blue and White Squad Ready for Tilt With Invading North Siders This Afternoon.

Twin Falls and Gooding will battle on Lincoln field this afternoon at 2:30 o'clock in what has virtually become a district championship game. The Bruins finished the three-day workout last night with the white squad in a suit except Vance, who was taking it easy because of his bad ankle.

Tomme, the continual threat of any team that he opposes, will be on deck and the fans will be looking for some of his breath taking runs through a broken line. The Gooding forward line will bear the brunt of the north side eleven. The backfield is strong and has speed and plunging ability that is hard to stop.

Brain Line Faces Test

The Brain line will be put to the test again this afternoon in slugging the old line that have made Tomme a much feared back in this district. Williams and Lester, the two speedy guards, will bear the brunt of the work and both have proved themselves capable of stopping line analyses of powerful backs. The ends will also have plenty to do and Lorenz, either Stimson or Nye will have plenty of work for the afternoon.

Overcast skies last night predicted a possible stormy day but some unexpected muddy field will allow up both teams. It will take a real hard game however, to make Lincoln very muddy as it was a son of dust last night's practice.

With the American Legion sponsoring the game as a part of its Armistice day program and practically all the stores closing for the afternoon the spectators are predicting a large crowd. As witnessed, the Pocatello game last week. Reports from Gooding say that a large delegation of high school students and Lehighites are coming with their team. Deputy of Pocatello has been selected as referee and though of Paul as umpire, while Merritt of Twin Falls will be the head linesman.

The Pep band will lead a student rally on the streets before the game.

BURLEY TO GO AFTER RUPERT SQUAD'S SCALP

RUPERT, Nov. 10. (Special to the News)—Burley will invade Rupert tomorrow to try to make it two straight games from the locals. The invaders won last year's battle by a single point margin and Rupert is out to get revenge. Burley will have the edge in weight this year but will lack the experience that the Rupert aggregation has. Both teams were defeated by Twin Falls, Burley 20 to 0 and Rupert 27 to 0, so by the comparative score route they are evenly matched.

In a game where the rivalry between the two schools is as keen as it will be tomorrow comparative scores are no criterion. No doubt one of the largest crowds that has attended a football game in Rupert will be on hand to witness the Armistice day game and will be treated to a real football battle.

PLANS TO STUDY SOCIAL LIFE OF SOUTH INDIANS

SAN ANTONIO, Tex., Nov. 10. (AP)—Bound for the heart of Mexico to study the social life of Indians as near the primitive state as possible, Professor Robert Redfield of the University of Colorado, accompanied by his wife and mother, passed through San Antonio Tuesday, bound for the state of Morelos.

Professor Redfield is making a survey of the social conditions among the Indians of the province for Dr. Faye Cooper Cole, professor of anthropology at the University of Chicago and for the social science research council of the United States. He refused to name the tribe which he will study, but indicated that he would be many miles from any railroad and would see life as nearly like the life of the old Aztec as can be found today.

Special interest is attached to the expedition here because of tales that have drifted across the border which indicate that some remote village of these Indians may still practice some of the old Aztec and Toltec rites.

The Northern Pacific and the Great Northern control the Chicago, Burlington & Quincy through ownership of about 97 per cent of the latter's capital stock. Thus, the paper says the merger is a natural development from a corporate angle.

DENIES REPORT

NEW YORK, Nov. 10. (AP)—No workable plan of consolidation for the Hill railroad of the northwest has yet been outlined after six years of discussion and none is in prospect until the transportation act has been amended. Howard Elliott, chairman of the Northern Pacific, said today in denying reports that a merger of this road with the Great Northern and Burlington actually was under way.

ASIA AND AMERICA ONCE WERE SAME CONTINENT

PHILADELPHIA, Nov. 10. (AP)—Once, during the Pliocene period, ages before history knew of the existence of an American or Asiatic continent, a land bridge spanned the gap between the two continents. The bridge was a narrow strip of land, and it was on this bridge that the first animals to cross from Asia to America did so.

These discoveries, declared Dr. John C. Merriam, president of the Carnegie Institute, at Washington, furnished apparently incontrovertible proof that Asia and North America were once the same continent, for the bear was of Himmalayan origin and could not have come from Asia to America. The bear's teeth was considered by geologists as important evidence of the continental connection of the continent of the northern hemisphere, Dr. Merriam said.

RUPERT, Nov. 10. (Special to the News)—Burley will invade Rupert tomorrow to try to make it two straight games from the locals. The invaders won last year's battle by a single point margin and Rupert is out to get revenge. Burley will have the edge in weight this year but will lack the experience that the Rupert aggregation has. Both teams were defeated by Twin Falls, Burley 20 to 0 and Rupert 27 to 0, so by the comparative score route they are evenly matched.

In a game where the rivalry between the two schools is as keen as it will be tomorrow comparative scores are no criterion. No doubt one of the largest crowds that has attended a football game in Rupert will be on hand to witness the Armistice day game and will be treated to a real football battle.

We keep the curing process secret because it produces the MILDDEST CIGAR in the WORLD

SPAN BUILDERS ORDER LUMBER

Twin Falls Concern to Furnish Materials for Construction of Camp at South Bridgehead.

Ostrander Lumber company, Twin Falls, Wednesday received confirmation of an order given by George C. Hueber of the Union Bridge company, Portland, for lumber and other materials for construction of camp buildings to be erected at the south bridgehead of the proposed Jerome-Twin Falls county \$750,000 toll bridge to span Snake river canyon at Blue Lakes, three miles north of here.

Delivery of the lumber is specified, it is to be made at the bridgehead not later than next Monday. Next Monday is the time set by D. J. Cavanaugh of Twin Falls for completion of the roadway which he has been engaged in driving through lava rock to the north bridgehead since early last September.

In response to Mr. Hueber's request, Francis McAtee, resident here, has advised that the road to the north bridgehead will be completed so that material and bridge building equipment may be moved over it by the first of this week.

BICKEL, PARENT-TEACHER ASSOCIATION IN SESSION

A talk on the value of good books given by Miss Elizabeth Horn, elementary grades supervisor, and a report on the recent district Parent-Teacher association meeting at Eden, given by Mrs. H. C. Dickerson, were features of the first meeting of the Bickel Parent-Teacher association for this season, which was held Wednesday afternoon in the Bickel school building. The meeting was largely attended. Mrs. Dickerson, president of the Bickel association, presided.

THEATRE
FAMOUS WESTERN INTERPRETER
Pass of Western pictures will easily recognize the cast of human beings supporting Rex, who horse star, in "The Devil Horse," showing today for the last times at the Idaho theatre, which are all chosen for their familiarity with the Western people and the Indian types, and for their riding ability, as well as their talents as actors. Gladys McCann, Yukon Caut, Robert Kortman and Roy Clements are the familiar ones, while Master Fred Jackson, son of the director of "The Devil Horse," handles a principal role, that of the hero in his hoodlum, although it is his first screen appearance.

BILLS' GREATEST OFFERING

Mrs. National's most beautiful play of the steel mills, "Men of Steel," which opened last night at the Orpheum Theatre.

Bills, in the starring role gives the best performance he has ever presented on the screen. He lives his part and gives a most convincing portrayal.

Miss Kenyon in the leading feminine role does much to help make this a really big picture.

TAYLOR PLAYERS OFFER COMEDY OF MARRIED LIFE

After many weeks of negotiations, Ferris Taylor of the Taylor Players has secured permission to produce "The First Year" at the Lavington Theatre in this city and it will be the offering of that popular company for three days commencing today.

"The First Year" is known as a "comic tragedy of married life" and the title has something to do with the birth of the new family stage, that "the first year is the hardest," so far as new-weds are concerned.

Members of the Taylor Players cast without exception have very particularly suited to their style assuring full and adequate presentation of this American comedy classic.

Motorcycle Driver Hurt in Collision

A motorcycle driven by Pearl Bowen, 17, and a motor truck, driven by R. L. Craig, collided Wednesday evening on the highway east of Twin Falls. Bowen was caught in the wreckage of his machine and suffered painful injuries including a deep gash in his left leg above the knee. He was brought to his home on Second avenue east by the driver of the truck, who brought his machine to a stop as soon as possible after the collision. Dr. J. E. Langewalter was summoned to attend the injured youth. Pearl Bowen has been employed for some time on a Salmon river project farm. He and his younger brother, Paul Bowen, an employe of the Western Union Telegraph company, were orphaned about a year ago by death of their mother, and since that time have made their home together here.

COUNT MAKES NO RESULT CHANGES

Unverified Official Computation Shows J. L. Barnes, Democrat, Leading.

Election results in Twin Falls county announced on the basis of unofficial returns on the morning after the November 2 general election will not be changed by the official canvass of the vote, it was indicated Wednesday evening when the county commissioners had tabulated returns from all but six precincts after verifying the returns from all of the county's 28 voting precincts.

An unverified computation of the vote cast for candidates for commissioner from the third district, it was reported, showed James L. Barnes of Hansen, democratic, leading Robert Thorne, sr., of Rock Creek, by margin of 14 votes. This was the closest race during the election. Error in returns from Twin Falls precinct No. 3 discovered by the commissioners during the first day of the official canvass, reduced Mr. Thorne's margin and led from 41 to 3 votes. The unverified computation indicates that he has gained 10 votes in the count since verification of returns from other precincts.

The official tabulation Wednesday evening was complete except for returns from Mustang, Rock Creek, Babson Basin, Goodford, Amsterdam and Twin Falls No. 3 precincts, all of which have been verified during the official canvass. The commissioners will resume and complete the canvass next Friday.

SOCIETY AND CLUBS

Edited by Mrs. E. J. Williams Room 306

At the meeting of the M. S. and S. club Wednesday afternoon at the home of Mrs. A. J. Hepp, the club members enjoyed the pleasure of having with them from the Blue Lake Boulevard club, Mrs. C. H. Perry, president of the club, Mrs. E. Wright, Mrs. C. G. Bartholomew and Mrs. H. G. Davies. Twenty-four members of the hostess club were present, including Mrs. C. G. Bartholomew, Mrs. Connelly, Walters and E. S. Fitzwater, Missa Helen Reed, Counselor Sturgeon and Jean Woody. The meeting opened with the singing of "America, the Beautiful." During the business meeting the clothing donated for the Salvation Army was taken care of and plans made for a Thanksgiving dinner for the juniors at a date to be mentioned later. The home gave a thought of Armistice day with American flags in evidence. The program was on Idaho Industries and Child Welfare, with songs of corn, beans and Oregon. Tall coffee displayed by the hostess as a sample of our industries. Mrs. G. E. Sturgeon was program leader and Mrs. A. C. Bartholomew gave an especially fine paper on "Child Welfare" which covered the subject completely. Margaret Hepp read an interesting article entitled "Enriching the Three R's." Mrs. Mary Sherman gave instructive information on the growth of Twin Falls, having moved here 18 years ago. Mrs. Josephine Menth told "Why Our Citizens Should Trade at Home." Mrs. C. H. Lindsey conducted a clever guessing contest for which Mrs. Menth received first prize in the form of a string of small noisies and Mrs. Reed musings which was a small bottle of vinegar. Albert Pierce, Ruth Sturgeon, Alvin Schuber, George Lowry and Eugene Lynn with in first annual little boy lettering American flag, sang two pleasing songs, "Watchword" and "Blushing Song" a most enjoyable feature of the program was several vocal selections by Mrs. E. S. Fitzwater, accompanied by Counselor Sturgeon, and a number of piano solos by Jean Woody. Delicious refreshments, apple pie a la mode with Idaho cheese

The Wednesday Bridge club met this week with Mrs. C. H. Burton at her home on Seventh avenue east. Three tables were at play with first and second prizes going respectively to Mrs. L. L. Wright and Mrs. Alvin Bartholomew.

Mrs. and Mrs. S. H. Kayler were hosts at a charming 7 o'clock dinner Tuesday evening at their home. The guests were seated at one long table centered with a bowl of yellow chrysanthemums, with placards and other appointments to match. Following dinner the evening was spent with bridge. The guests were Mrs. and Mrs. H. O. Milner, Mrs. and Mrs. Charles Neely, Mrs. and Mrs. J. E. Barber and Mrs. P. J. Costello.

The home of C. E. Stinson on Seventh avenue north was the scene of a quiet wedding Wednesday when his younger daughter, Miss Lucy Munson, became the bride of Mr. Wade Sawyer, the ceremony being performed at high noon with Rev. A. G. Pearson of the Presbyterian church officiating, and was witnessed by a very few intimate friends. The bride's gown was a handsome brown crepe backed satin. Immediately after congratulations had been offered the bride and groom went to the home of Mrs. and Mrs. Morgan G. Hepp, where a delicious wedding dinner was served. Mr. and Mrs. Lowell have gone to Idaho by automobile, from where they will proceed to Caldwell to spend a few days at the home of the groom's parents. They will make their home with the bride's father.

The Addison Avenue Social club was delightfully entertained at the home of Mrs. W. O. Smith on Addison Avenue Wednesday afternoon, with eight members present. The club was very happy to have their president, Mrs. Hannah, with them to preside at the business session. At this time it was decided to have a party for the children and a card party for the members and their husbands. Mrs. W. O. Smith then took charge of the program and roll call was answered with humorous stories and readings on Thanksgiving. Mrs. Turner sang a solo, "Lay My Head on Hereth a Rose," accompanied by Mrs. J. E. Bruuggegan. Mrs. W. O. Smith and Mrs. Guy Turner gave a vocal duet, "Dressing and Dressing." With Mrs. Smith at the piano, which was followed by a piano solo by Mrs. C. E. Bruuggegan and Mrs. W. O. Smith. The afternoon closed with the serving of a delicious luncheon by the hostess in which a Thanksgiving motif was carried out. The club will meet with Mrs. Glen Smith on November 21.

The Wednesday Bridge club met this week with Mrs. C. H. Burton at her home on Seventh avenue east. Three tables were at play with first and second prizes going respectively to Mrs. L. L. Wright and Mrs. Alvin Bartholomew.

Following a short business meeting Tuesday evening in the home of Mrs. C. H. Burton, the Order of the Eastern Star gave a card party for the benefit of the home fund. Tables were arranged for bridge, pinocle and five hundred with 22 tables of players. Mrs. L. E. Salladay and James Smith won prizes for high score at bridge, and Mrs. L. Friedman and J. S. Kimes.

low. Pinocle prizes were awarded Mrs. W. A. Thompson, and W. S. Dobson, and Mrs. Clinton Smith and Mrs. A. Thompson. In the five hundred games favors were won by Mrs. Lindsey and P. D. Hawley, and Mrs. P. D. Hawley and Mr. Lindsey. A delicious luncheon was served after the games. Mrs. W. H. Stanley, who was chairman for the card party was assisted by Mrs. E. A. Landon and Burton Smith. The refreshment committee was composed of Mrs. J. A. Keffer, Mrs. C. A. Ems, Mrs. Sarah Smith, Mrs. C. E. Potter, Mrs. Sallie Rogers and Mrs. Lucy Moore.

Invitations have been issued for the wedding of Miss Iva Margaret Evans and Dr. J. D. McMillen, on Thursday, November 25, at 8 o'clock at the home of the bride's parents, Mr. and Mrs. George E. Evans, 1303 Maple avenue.

Mrs. H. L. Price entertained with a charming bridge luncheon at her home on Ninth avenue north Tuesday at 8 o'clock. The five tables at which the guests were seated were centered with crystal bud vases holding Maroon, Still roses, and place cards and tall blue in shades of yellow. In the bridge games favor for high score was won by Mrs. Mitchell Hunt, and low by Mrs. H. A. Bitzer.

The Unity club met at the home of Mrs. G. W. Hlee Wednesday afternoon with Mrs. Herbert Carlson assisting. The annual November luncheon was served cafeteria style to 18 members and one guest. At the business session it was decided to have an afternoon of sewing for the Children's Home at Boise at the regular meeting. Mrs. Hlee next Wednesday and to hold an all day session at the regular meeting in December, each member is to bring a small gift for the grab bag at this meeting. The club decided to take up the nutrition program as given by the nutrition worker for this section of the state. A short program was given on the prime wave among the youth of America.

The Morningglow club held a regular meeting Wednesday afternoon at the home of Mrs. Harry Sussel with fifteen members present. Mrs. Pearl Young, newly-elected president, presided. Roll call was answered with Thanksgiving quotations. Mrs. Atwood played two piano solos. Mrs. Houghton and Mrs. Estling were guests of the

Mrs. Atwood, Mrs. George, Mrs. Houghton and M. Estling were guests of the club. The president appointed the following committees: Collaboration, Mrs. Munn and Mrs. Davidson; program, Mrs. McManick, Mrs. Estler and Mrs. Strunk; work, Mrs. Leese and Mrs. Bartholomew; reporter, Mrs. Strunk. Next meeting will be with Mrs. Young on November 17. The hostess, assisted by Mrs. Amelia Sussel, served delicious refreshments.

IDAHO DEPARTMENT STORE BOYS POCATELLO STOCK

The Idaho Department store has purchased and placed on the shelves of its store here a stock of merchandise valued at \$20,000 from the Gates Dry Goods company of Pocatello, it was announced Wednesday. The stock consists of dry goods, women's wear, men's wear, shoes, etc. The stock was regularly purchased by the Gates company which was a going concern when the sale to the Idaho Department store was made. Kenneth C. Beach, president, and H. H. Brantzen, vice president of the Idaho Department store, spent four days in Pocatello involving the stock before transaction was completed.

EDUCATION WEEK OBSERVED WITH FITTING PROGRAM

Parents of 'High School Students Gather With Members of Faculty; Leaders in Education Here Give Addresses.

American education week was observed in Twin Falls Wednesday evening by the high school Parent-Teacher association with a program of addresses and music at the high school auditorium. Principal speakers were E. D. Bloom, superintendent of Twin Falls schools; E. M. Sweeley, Twin Falls attorney; Miss Mary Ruth Fisher, principal of the high school; and Frankie Barnhart, head of the language department of the high school and dean of girls. About 150 persons were present, and they took advantage of the opportunity of visiting members of the faculty who were at their desks from 7 to 8 o'clock before the regular evening program was started. E. V. Berg, chairman of the senior high school organization, presided.

Mr. Bloom delivered the first address, using as his subject, "American Education Week." The superintendent traced the annual observance in Twin Falls of the week, which was inaugurated by the American Legion in 1920, down to the present time, and intended the purposes for which it was intended.

Tells Veterans' Motives

"The American Legion, an organization of the men who participated in the world's worst war," said Mr. Bloom, "is now in the act of celebrating its week in November beginning November 8, for the purpose of educating the students of the land in the destruction of war and the knowledge of civility, and to impress upon the minds of children and young people the important place they will be called upon to fill when they have left their various institutions of learning."

Miss Fisher, the next speaker, delivered a brief address on certain practices that are being carried out in the principal's office relative to discipline, and outlined the advantages of the "detention room," in which students are sentenced by the principal when found guilty of committing various breaches of the school's regulations.

Mrs. Barnhart spoke briefly on work that is being done among the girls through the various clubs of the school, and Mr. Sweeley delivered a talk on athletics in the schools, their purpose and necessity, and the advantages that are gained by students in later activity outside of the school.

Several musical numbers were interspersed throughout the program of addresses. Walter Carter gave two vocal solos accompanied by Mrs. Carter on the piano and the high school boys' quartet appeared on the program. The quartet consisted of Charles Bateloff, first tenor; Luther Pierce, second tenor; Martin Paluck, first bass, and Edwin Tene, second bass, in under the direction of Miss Rex Dunagan, who accompanied the organization on the piano.

TRAFFIC COPS NAB THREE

Three persons were summoned by the police Wednesday to appear in police court to answer to charge of failure to stop their automobiles at stop signals on Main avenue or Shoshone street. The list included O. P. Davis, Mrs. D. Clark and Marion Coumbs of Hahli.

Armistice Day Observance To be on Elaborate Scale

On a more extensive scale than ever before, Twin Falls today will observe the eighth anniversary of Armistice day which, eight years ago, marked the close of armed hostilities in the great world war.

Business houses generally, in accordance with a resolution adopted by the Twin Falls Chamber of Commerce, will close at 10:15 a. m. for the remainder of the day. Public offices and banks and, in some instances, business houses will close for the entire day.

Tribute to Schools

Schools will be open all usual this morning, but at 11 a. m. all of the pupils of the schools throughout the district will stand at attention for one minute in silent tribute to those who gave their lives as a sacrifice in the world war. School will be in session in the afternoon of Armistice day, but will be dismissed at noon for the remainder of the day.

An Innovation in the observance of the day is to be introduced this year upon suggestion of the American War Mothers, who have requested that every home, church, lodge or other organization that had a service flag during the world war to indicate its membership in the annual service of the nation to display that service flag on Armistice day, to mark "the nation's day of remembrance and appreciation" to the rising generation.

Testile to Hahli

Public observance of the day will begin at 10:20 a. m., when the Twin Falls unit of the high national guard will sound the national salute, after which all pedestrians and automobiles

Twin Falls Artist To Show Pictures

George Schroeder, Twin Falls artist, is one of a number of artists who will contribute original work to exhibit expected to be one of the largest and finest exhibits of paintings and drawings ever shown in Idaho that will be on display in Boise during the meeting of the Idaho State Teachers' association, December 28 to 30.

Mr. Schroeder has promised to send four pictures for the exhibit. One of these is "Glens of the Forest," a painting of the trees. Also he will send a scene painted in the summer, the gardens at the Otchalla, islands off the west coast of California. Mr. Schroeder donned a diver's suit to obtain material for this picture.

Reservoir District To Elect Directors

Notice of election of three directors of the American Falls reservoir district, to be held on Tuesday, December 14, was issued Wednesday at the district's office here.

Directors are to be elected to succeed W. P. Abner of Twin Falls, W. H. Spruce of Kimberly and A. P. McCleod of Wendell, whose terms expire at this time. Eligible members of the board are R. E. Shepherd of Jerome, P. E. Boyer, Bliss; H. K. Wiley, Springfield, and J. H. Barker, Hahli. All members of the present board have served as directors since organization of the district in May, 1924.

Polling places will be provided at centers in the six counties with lands in the reservoir district, at Springfield, Jerome, Wendell, Bliss, Twin Falls, Ellet and Hahli.

MISSING AUTOMOBILES FOUND IN NEW LOCATIONS

Two automobiles reported to the police Tuesday night and Wednesday morning to have been stolen were later discovered in locations at some distance from the place where they had been parked by the owners.

Head of Ellet reported his Ford touring car taken from Main avenue east in front of the Golden Rule store. It was found two blocks away on Main avenue west in front of the Mutual Building and Loan association office. Another Ford touring car reported to have been taken Tuesday night from in front of the Salvation Army hall on Main avenue south was found on Third avenue south in front of the Boise-Payette Lumber company yard.

The sheriff at Hahli advised officers here Wednesday of theft of a Ford touring car, 1922 model, bearing license number 50207.

J. C. Christensen of Berger reported theft of curtains for his Ford car taken out of the car last Sunday.

FARM WORKER BRINGS SUIT

Suit to foreclose a labor lien for unpaid wages alleged to be due in the sum of \$600 was instituted in district court here Wednesday against J. W. Ramsey, tenant farmer, by A. L. Wakefield, through J. H. Barnes, attorney.

Prophets Forecast Rainy Weather Here

Forecast for today: Cloudy; probably rain.

Maximum temperature in Twin Falls Wednesday was 59 degrees, or one degree lower than high for the previous day. Minimum temperature for the 24 hours preceding 6 o'clock Wednesday evening was 20 degrees, according to records at the government weather observer's station.

Skies which clouded early in the week, remain so, and weather prophets predict a continuation of showers that started last week.

STUDENTS TO STAGE PLAY

Vibrationless A New Feature in Some Cars - An Old Friend in Studebaker

TRUMPETED as an amazing new feature in some cars—freedom from vibration and smooth, quiet power have long characterized the performance of Studebaker L-head engines.

For years Studebaker has been spending \$600,000 annually to insure this smoothness by building balance into crankshafts.

And all other vital parts of the powerful Studebaker L-head motor are machined with utmost precision to deliver this same result for hundreds of thousands of miles.

Owners of One-Profile Studebakers enjoy an excess of power as proved by the recent run across the continent of a Big Six Sheriff in 86 hours, 20 minutes—smashing all previous transcontinental automobile records.

Let us demonstrate this outstanding feature of these new Studebaker Custom Sedans.
