### COMPANY D ASS'N WORKING HARD

Every Citizen Expected to Join  
to Encourage the Boys

LARGE MEETING WITH ENTHUSIASTIC SPEECHES AT CLUB

Every Effort to be Made to Raise Company to War Strength Before Considering Other Organizations.

The rooms of the commercial club were crowded last Sunday afternoon when President E. M. Seeley of the Company D association, called the meeting to order and all were enthusiastic when it was learned that 300 had already joined what it is intended shall be a community affair including every man in Twin Falls and vicinity, band together for the purpose of aiding such aid, comfort and encouragement as may be extended to the brave boys who are on their way to life or death to fight for America. The sentiment was all one way, everyone being anxious to do something that would further the cause of American rights and the present war effort. In the meantime, the committee is gathering in momentum every minute since, until now the little badges may be seen everywhere. President Seeley stated the object of the meeting, on Thursday night previously a meeting had been held at which he had been elected president and C. D. North secretary, and a movement inaugurated for the offering of such assistance as might be given to the boys of Company D. It was felt that every man in the community could spare a dollar for the purpose. Little badges were to be distributed and worn by those contributing and all so contributing would become members of the association. The money raised could be used for necessities by the boys. At the same time an organization would be maintained that could be called upon to assist in any way needed and could be called together at once. President Seeley then named two other members of the executive committee, as follows: L. T. Wright, H. J. Felling, Dr. P. E. Snook and C. M. Booth. Of these Messrs. Wright and Wright, respectively, submitted an address. Mr. Booth was called upon to further explain the objects of the organization and described the needs of the boys in eloquence and in a practical way. He said that there was much work to be done and done at once and all should band together to assist.

Rev. A. Stewart of the Kimberly Methodist church, was called on and expressed much enthusiasm by his declaration of the war and his belief about crushing President Wilson down and throwing him at the American flag. He said that he was interested in the recruiting of the boys and was giving his time to it. He knew that people would ask why he had not enlisted himself. He had offered his services and had been assured that should an opening occur he would be permitted to serve his country. He was willing to make a sacrifice to go to the front. He was called on by Mr. Wright, who said that he had been in Boise the previous Thursday and had seen the boys of patriotic show. While returning on the train he was informed that a man at Huhl had said that he would get what was coming to them. Rev. Stewart said that he believed that all hypotheses should be sent home and in an eloquent denunciation of the reported utterance of the supposed hypocrite at Huhl, declared:

### NAMES KEPT ON PAYROLL THOUGH AWAY WITH MILITIA

Consolidated Wagon Co. Continue Salaries of Employees Called to Arms.

All employees of the Consolidated Wagon and Machine Co., belonging to militia companies which have been called out to serve the colors in the present Mexican trouble, are being notified that their names will continue on the payroll of the company as long as they are away from the front. In accordance with an order issued from company headquarters within the past week and taken effect in the 65 company stores scattered throughout the states of Utah, Wyoming, Nevada and Idaho.

Ted Rantzow, cashier, and Dudley Woodson, in charge of the insurance department, of the Twin Falls branch, are the two young men who come under the order here, and L. T. Wright, district manager for the company, has already written them of their good fortune.

### MAIL CONGESTED SINCE BOYS WENT

Three Postal Clerks Called to Colors Here

NEW CLERKS HELPLESS THROUGH FAULTY MAIL DIRECTION.

Postmaster Strunk Asks That Letters and Newspapers Be Addressed to Street Number or Route.

"We are fully swamped with letters," said the postmaster of Twin Falls, since three of our boys have been called to military duty," said Postmaster M. A. Strunk this morning, "and we would like to see people help us out by complying with the law in regard to street addresses. Some time ago, a similar request was made through the press of this city, with beneficial results and we were getting along nicely until Lieutenant Leighton, I. G. Friedman and M. A. Hensley were called up suddenly. They are of an immediately practical value in mail distribution. They do not know where people live and it will take them a week or 10 days to get able to learn enough to be of any value whatever. I hope that people will appreciate the situation and kindly take the trouble to drop a card in their newspapers and correspondents requesting that they put the number of their box or their route on the letters and papers sent. Yesterday's mail was partly delayed. Here are a pile of letters now without directions that I am trying to sort out. For their own convenience and less than for ours I trust that the people will take the very slight trouble required to comply with postal regulations and will see that their correspondents get their addresses."

### BOONE PASSES THE NAVAL EXAMINATION

Minor W. Bonnell of Elber, Chosen For the Army—Will Soon Be Given Examination.

WASHINGTON, D.C.—Ronald Boone, who was appointed by Congressman Addison T. Smith as a cadet to the U. S. Naval Academy, has passed the physical examination, and is now a full-fledged ensign. He will receive a four-year's training at the academy and receive his commission as an officer of the navy in 1920.

Congressman Smith has been given the privilege of naming a cadet to the United States Military Academy under S. Naval Academy. He has passed the physical examination, and is now a full-fledged ensign. He will receive a four-year's training at the academy and receive his commission as an officer of the navy in 1920.

Mr. Bonnell will be permitted to report to the U. S. Naval Academy at Annapolis, Md., for examination and then at the U. S. Naval Academy at West Point, N. Y., on July 10th.

Such young men are graduates of the Twin Falls high school, and in view of the right examinations required to enter the government academies, speaks well for the thoroughness and the high standard of the instruction which the young people of the Twin Falls country are receiving in the high school.

### APPOINTED FIELD AID TO MAKE SURVEY OF SOUTHERN IDAHO

Joseph M. Burkett to Compile Data For Use by the Naval and War Departments.

Joseph M. Burkett, member of the American society of civil engineers, with offices in the First National bank building, has been appointed field aid in southern Idaho for the naval consulting board of the United States. The work of Burkett is a survey of the industries of our section. In response to the national organization of engineers recently appointed by President Wilson.

Idaho being in such close proximity to the Pacific ocean it is but natural that statistics on resources, manufacturing, etc., be accurately compiled and ready to hand for the naval and war departments in case of war on the Pacific coast.

Immediately as further advice and instructions are received from a naval consulting board, Mr. Burkett will begin his survey of the section. Being one of the first engineers in this tract he is peculiarly fitted to furnish the required information.

### ALEXANDER TO ENFORCE LAW

Will Give Attention to Twin Springs Saloon

REWARD TO BE OFFERED BY THE EXECUTIVE.

Matter To Be Taken Up When War Rush Is Over—Federal Prosecution Expected.

That an effort will be made by Governor Alexander to secure the cooperation of Nevada officials in the elimination of the Twin Springs saloon; that preliminary steps are being taken to inaugurate a movement which may result in placing all who bring booze across the state line in jail and all who act as carriers for them in the federal prison; that towards will probably be offered in the near future for the arrest and conviction of all who bring intoxicating liquors out of neighboring states into Idaho on their persons and that no step will be omitted which will tend to stamp out the liquor traffic, are developments which will result from the movement to prevent bootlegging in this county, originating in Kimberly recently through the activity of M. E. Eden of that town.

Thursday Rev. A. Stewart of Kimberly, president of the Welfare League of that town, placed in the hands of Governor Alexander a petition signed by 1600 citizens of Twin Falls county, including the public officials and all the members of the bar association, who could be found on the day on which the petition was circulated, asking Governor Alexander to intervene with the governor of Nevada for the purpose of closing the Twin Springs saloon. A petition was also sent by the board of county commissioners, accompanied by a statement from Sheriff Frank M. Kendall to the effect that in his opinion 90 per cent of the liquor used in Twin Falls came from the saloon in question. In response Governor Alexander assured Rev. Stewart that every effort would be made by him to secure compliance with the law. He said that the problem was off his hands, he would immediately take the matter up and would endeavor to secure a reward of \$250 for the arrest and conviction of all persons bringing liquor into this county. The law will include those bringing it into the state in their pockets. A more serious phase of the matter is the interstate traffic in violation of the federal law relating to the bringing of intoxicants into dry territory. This will mean that those who do, and those who act as carriers for them, will be liable on conviction, to a term in the federal penitentiary. Sheriff Kendall has been investigating the law violation and has gathered some interesting information in regard to its scope.

The effort to get rid of the Twin Springs saloon with the assistance of the federal government, however, revealed the fact that the county commissioners of this county took the matter up with the county commissioners of Elko county during the visit of both bodies to Jarbidge recently in regard to road conditions. The Elko commissioners replied that they were discriminating between the locality and another, and as they were closed from a county and state that believed in keeping things open, they could not discriminate against the saloon at Twin Springs, even though its business was practically all with people in dry territory.

The officers of the Welfare League, which is conducting the fight, are Rev. A. Stewart of the Kimberly Methodist church, president; Rev. B. H. Shoemaker of the Kimberly Presbyterian church, vice president; Bishop John S. Weeks, of the Kimberly L. D. S. church, secretary-treasurer. The fight began against the Twin Springs saloon was reported that several men were selling liquor around Kimberly, and that minors were buying it. M. E. Eden began watching them and succeeded in getting some of them to leave. From an individual effort it became a community affair. The report that the Twin Springs saloon was selling most of the liquor suggested to the league that its sphere of activity might profitably be broadened and it would have to be broadened if it were to get results. The petition to the governor resulted from the realization of this fact. The activity of Senator O. G. Zuercher in connection with the matter greatly appreciated by Kimberly people.

### GARDNER CHARGED WITH AWFUL CRIME

Criminal Relations With Minor Alleged

GIRL IN CASE IN HIS STEPPED-UP, Aged FORTY-FIVE YEARS.

Man Has Lived In County For Years And Is Father of Seven Children—Preliminary on Thursday.

Charged with maintaining immoral relations with his 15-year-old stepdaughter, Elvian Gardner, for the last five years, William Gardner of Artesian City, lies in jail, without bond, awaiting his preliminary trial, which will take place Thursday afternoon at 2:00 o'clock. The arrest was made Sunday as a result of complaints made up Sunday to V. H. Dransby, probation officer, by residents of Murtagh and Artesian City. The girl is alleged to have confessed improper relations with her stepfather to Mrs. Dick Day, for whom she was working as a helper. Her reason for telling Gardner would attempt to maintain similar relations with her younger sister and saying that she wanted to frighten him so that he would not get Mr. Dransby sent to Murtagh and Artesian City. The girl is alleged to have confessed improper relations with her stepfather to Mrs. Dick Day, for whom she was working as a helper. Her reason for telling Gardner would attempt to maintain similar relations with her younger sister and saying that she wanted to frighten him so that he would not get Mr. Dransby sent to Murtagh and Artesian City. ### KIMBERLY MAN HURT IN BAD RUNAWAY

Load of Suck Brush Catches on Fire and Freightless Team Which Drives Wagon Over Owner.

While trying to open the gates to release his team from a load of suck brush which was enveloped in flames Saturday, Earl Barnhill, who lives near Kimberly, was killed by one of the horses, which became frightened, then ran away and dragged the man over him, inflicting serious but not dangerous injuries. He was found unconscious later on by Delph Efron, who took him to his home, where he was recovering. The team was stopped by Mr. Barnhill's father-in-law, Mr. Guntry, and taken from the wagon. The load of suck brush was in the wagon and the team was driven over the owner.

Mr. Barnhill bought the brush from a neighbor who was clearing his land and burning the debris to get rid of it. He loaded up his rack, supposing that all the fire had been extinguished, and started for home. His team, however, got a short distance, his attention was attracted by a puff of smoke and a gust of heat and he looked back to find the whole load of brush on fire. He sprang to the ground to unhook the horses. The animals became excited and as he leaned over one of them kicked him, throwing him over the wheels. The animals then started to run, dragging the wagon over his head and shoulders and rendering him unconscious. He was picked up by a neighbor and taken to his home, where he is recovering.

### GREECE ACCEPTS DEMANDS OF THE ENTENTE ALLIES

Their Ultimatum Was Delivered to the Greek Government at High Noon—Wednesday.

ATHENS—Under heavy pressure from the Entente Powers, Greece has accepted without reserve the demands presented today in a joint note by Great Britain, France and Russia. At the same time, the Greek government has accepted a government. Premier Skoufandis late today announced to the chamber of deputies the resignation of himself and his associates Mr. Katsaris, and the failure for the present to obtain successors to them.

### CELEBRATION IS TO BE BEST EVER

Committee Hard at Work on Idaho Guard Mustered in Today

July Fourth Program

SPECIAL TRAINS AND RATES IN EFFECT DURING DAY.

Patriotic Bands, Day and Night Fireworks, Street Banding and Free Ice Cream Are Features.

Excursion trains and excursion rates on all regular trains were assured the Fourth of July committee this morning, and this practically sets the stage for the biggest and best Fourth of July celebration ever put on in Twin Falls. The committee in charge of the various features and entertainments have been hard at work for the past week, and have matters lined up so that all that is required now is the hearty support and enthusiasm on the part of the people of Twin Falls.

Joy, merriment and jollity are the orders of the day. Everyone is expected to enter into the spirit of the occasion and guarantee themselves and everyone else a good time, and thus to send all visitors of the day home with expressions of delight at the hospitality of Twin Falls.

The success of each feature of the day. Though the committee were interrupted by the recent departure of the militia which took several members, others have been appointed to fill their places and the organization is complete.

Joe Sumner patriotic parade will begin promptly at 10 o'clock in the morning, headed by the members of the Grand Army of the Republic, followed by the "vanguard choir," in honor of the departed militia boys who, if here, would have taken part in the procession. Then will come the Boy Scouts, the Camp Fire Girls, the civic officers and organizations, the fraternal organizations, and then decorated floats and automobiles.

In the automobile section it is decided to parade in the city, and every auto in the county be represented, and an appeal is made to all auto owners to join in. Everyone is invited to participate and prizes will be given to the most decorated or not, although it is hoped that machine owners will decorate their cars appropriately.

Brilliant displays of the parade, illustrating the patriotic features of the event, everyone is expected to fall in line, carrying a flag or some other patriotic emblem. Make this the greatest parade ever staged in Twin Falls, is the cry of the committee and it is evident from the enthusiasm displayed thus far that this will come up to the height of the occasion. Mrs. Burton E. Morse, in charge of the parade, says that the response from the various organizations has been most encouraging and a successful parade is certain.

The parade will form at the park, where it will proceed down Rhineland to Main street, and then up the two streets a delightful feature is being planned. A decorated platform will be erected and Mrs. T. J. Woods, dressed as Columbia, will stage "Star Spangled Banner" as the parade reaches Main street.

At seven o'clock, special day light fireworks will be displayed upon the court house lawn and at the same hour the Boy Scouts and Camp Fire Girls will give away 60 gallons of ice cream to the children in the park. From 1:30 to 3:30 will be held the various field events planned by the committee. Races and contests of various kinds will be staged and prizes are offered to the winners. At 3:30 there will be a baseball game at the ball grounds between Twin Falls and Kimberly. Other entertainments in the afternoon will be the John Robinson circus, which will give their parade at eleven in the morning.

From eight o'clock a grand display of fireworks will be given at the court house, and during this time there will be a big street dance in a respect to arena in the two blocks in front of the court house and high school. The city band will furnish the music. Some time during the evening the fire department will give an exhibition run.

All during the evening it is planned that a wide open carnival be in progress with the usual rides, refreshments, hot horns, noise, and good time in evidence.

### REGULAR BAND CONCERT TO BE GIVEN THURSDAY

Vacancies Left by Departure of Militia Are Filled By New Material.

Though for a short time the activities of the municipal band received setback in the departure of six members with the militia company, the difficulty has been overcome as a replacement has been made among several parts and vacancies filled by new material discovered about town. The leaders of the band say that the organization will be in as good a shape as ever and they promise an excellent program for the coming Thursday evening. The program follows:

March, "America First".....Loosey  
Overture, "Pastime".....Laurencian  
Selection from "Price Charming".....King  
Patrol, "American".....Mecham  
Waltz, "Autumn Smiles".....Bagley  
Intermezzo, "Amlina".....Linke  
Fantasia—National Airs, "Our Nation".....MacKee-Beyer  
March Songs, "Little Girl Mother" (DeCosta) and "Are You From Dixie".....King  
March, "Bon Voyage".....King  
"The Star Spangled Banner"

### BOYS ORDERED TO THE BORDER

Idaho Guard Mustered in Today Leaves Friday

WILL GO TO COLTON, CALIF., ON MEXICAN BORDER.

Law Requiring Six Years Enlistment Will Not Be Enforced—Many Expected to Join.

A telegram received today by Arthur M. Bowen from his son Theodore, says that Company D, will probably be mustered in today regardless of new enlistments, and will leave for Colton, Calif., on the border, Friday.

The message also states that the enlistment under the federal laws requiring six years active and retired service will not be enforced. This will, it is believed, increase enlistments greatly as many were holding out on account of this provision.

This message confirms reports given out in Boise yesterday, in which it was indicated that a movement to the border would be ordered before medical examinations were completed. Similar orders appear to have been given to all militia regiments throughout the country, the reports being that the situation on the border may demand immediate action. A telegram was received by THE TIMES (Idaho edition) from Captain W. A. Allen, regimental doctor, in which it was stated that no boys had been rejected up to that time. No names were given.

The work of enlisting goes on satisfactorily here and in the neighboring towns. Lieutenant Sloc of Company D has this morning, with six men for Boise. Captain Huchel of Company D has been having good success in Rupert, Burley and other towns along the line. Rev. A. Stewart of Kimberly is working hard and delivering several speeches every day. He spoke to a large audience at Kimberly last night and 10 young men promised to report. He speaks at Murtagh this afternoon. Flier tonight and Hansen tomorrow. It is hoped to get as many as possible to report before the troops leave the border. However, the work will go on and those enlisting can follow to the border.

Captain Wilson, who spent a couple of days last week arranging his business, has gone to Boise to take up his position with the regiment. Captain Wilson's home was long clear of the rest of those who went last week with the company, as he was not a member of Company D, but an officer new recruited to the company. This led to the erroneous idea on the part of some that part of the company might have been overlooked.

## State News

—From Exchanges—

L. O. F. building at Eden—Plans and specifications have been submitted to the various contractors from Twin Falls, Boise, Jerome and other places, who wish to bid on the L. O. F. building. The contract will be let as soon as these parties send their bids and the work started by July 1st. This week the Old Power will dig up the basement two more feet.—Herald Democrat.

Canyon County Assessor Let Out—Assessor A. O. Christopher, of Canyon county, was asked to resign from his office by the board of county commissioners, Tuesday afternoon, because of the result of the recent audit of the county books in which a large shortage was found. Mr. Christopher when notified of the action taken by the board stated he would not resign so this will result in further proceedings being instituted.—Caldwell News.

Caldwell Buys Power Sprinkler—Wednesday evening the city council met in adjourned session with all the members present. The committee appointed last meeting to consider the auto sprinkler and flusher, reported in favor of the bid of the Auto Machine Co., Caldwell. It calls for a 1200 gallon machine, and will cost \$4650, \$1200 on delivery of the auto, \$1200 for the first year, \$1200 for the second year and \$100 for the third year, and 7 per cent. interest on deferred payments.—Caldwell News.

Belated Mountain Floods—Four or five days, starting the fore part of last week, started the belated flood waters of the Central Idaho streams to roaring down the channels. Low water raised four feet in a few days and on Sunday morning water started over the spillway of the Mackay dam. The mighty Salmon in the ramparts and it is said that nearly all the bridges are in danger of going out. Water is in the roads along the river in places that have been high and dry for years. A cold snap started in on Monday evening which has checked the floods.—Mackay Miner.

Boy Accidentally Killed—A shock and accident occurred on the Pahrump road last Saturday at the home of Mr. and Mrs. Del Grubb, when their two sons, aged four and five, secured a shotgun while the mother was at a neighbor's, and in some manner discharged the gun, the full load striking a two-year-old baby brother who fell to the face at close range, completely blowing the little fellow's head from his body. The funeral services were held Sunday morning at five o'clock and turned out to show their sympathy and respect for the family in such an hour of grief.—Mackay Miner.

Rupert To Buy Auto Fire Truck—Rupert is to have a fire department as efficiently equipped as any city of its size. In the past has been for some time ready for fire fighting within a few days. The greater part of the improvement will consist of an auto truck, upon which will be mounted hose, chemical, nozzles, ladders, ladders and other necessary equipment. One of the greatest needs of the department in the past has been for some method of getting to the scene of a blaze more quickly than the horse carts could be pulled by hand or by an engine wagon, and the truck will eliminate this difficulty. The apparatus will be housed in a specially prepared building on the east side of the square, which is almost ready for the truck. The front is open and will have wide swinging doors which can be quickly and automatically opened. It also has announced this week that an electric alarm system would soon be installed. There will be several boxes in different parts of the town, and connections will be made with the telephone office so that central, when notified of a fire, can ring the proper warning.—Rupert Record.

## Better Than Ever.

The John Robinson Circus—the "Ten Big Shows," as this mammoth tent show outfit is publicly heralded, is steadily winning its way to a long winding tour of the Pacific coast and is scheduled to exhibit here on the afternoon and evening of Tuesday July 4.

In the wake of the famous "white top" organization follows everywhere a steady stream of newspaper reporters and commentators. On the opening day's performance recently in Portland, the northwest's great morning daily, the Oregonian, had this to say editorially: "There was a vast difference between the old John Robinson circus of sixty years ago and the John Robinson circus that showed itself yesterday in North Portland. But the changes have all been for the better, until it now looks like the top notch had been reached in equestrian, acrobatic and clown stunts.

"It is simply marvelous that riders can be so expert, that horses can be so well trained, that elephants and seals and monkeys and baboons can develop the wonderful intelligence shown by those in the neck of the John Robinson circus."

Here is the critical impression of the Evening Telegram of the same city: "It is a great show. That is the unanimous verdict of everybody who saw it. Judging from the size of the audiences which crowded beneath the acres of canvas stretched on the old circus ground in North Portland. It looked just about as if everybody in the city was there.

"Every act in the show is of the highest order. There is a snap to the performances that is highly pleasing. At times there is such a wonderful galaxy of performers as to be well nigh bewildering to the one who wants to miss done of the splendid program."

It is this same way everywhere. In every city and town where the John Robinson Ten Big Shows have exhibited this season, the opinions of the newspaper critics have been unanimously flattering.

In this city, the Robinson Circus will pitch tents on the old tent show grounds and for the convenience of

## Filer Items

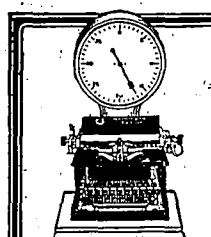

(From The Filer Journal.)

The annual meeting of the district convention No. 17 of the Rebekah lodge was held at Buhl on last Monday. At the afternoon session a very entertaining program was carried out. Filer was chosen as the place for the next meeting and the following Filer people were elected officers: Mrs. Rozetta Ripley, first vice-president; Mrs. Frances Harding, chaplain; Mrs. Mable Ripley, marshal. Supper was served the visiting members at the L. O. F. hall by the Rebekah's of Buhl.

The baking contest given by the Filer Milling Co., was a great success. The judges were Mesdames Shaffner, Mosley and Muscav. The prizes were awarded to Mrs. E. H. Brennan for the best loaf of bread; the best white cake, Mrs. Dwight; the best dark cake, Mrs. Showers. The Ladies Aid realized \$15 from the sale. H. C. Davis, brother of Grover and Dick, visited here for a few days the first of the week on his return home at Granger, Wash., from Detroit, where he attended the Holstein-Friesian association convention. H. C. still maintains that this is the best section of the country he has ever visited.

Mrs. Costello has rented the room next to the bakery and will open a music store. She will carry a line of sheet music, wind and stringed instruments and pianos. She invites the public to call and see when they are in need of anything in her line.

COMING IN JULY: WAIT FOR THE GREAT WALTER THOMAS MILLS, author, lecturer and scientific teacher. One of the most famous orators in the world. This oration is under the private and personal supervision of H. H. Froehlich, who will give out details later.—Adv.

The name of Clark has been changed. The spur laid last fall for the weighing of beets has been taken up and relaid half a mile further on down the track, the new spur being named McMillan, in honor of James McMillan, of the commercial club of Twin Falls. Also with the laying of the new spur, this station becomes a stop, passengers being taken up, or let down. Freight will be taken, and cars loaded here, then taken off, to accommodate the farmers here.

William Eldridge and Lucius Buttolph, business men of Twin Falls, were guests of friends here Sunday.

An ice cream social was given at the home of Henry Cupenbake, last Saturday night, by the members of the Oaks Corner club.

Mrs. Amos Martin was shopping in Twin Falls last Saturday. Also Mrs. Guy Hall and Mrs. Percy Walslow.

Dr. Erskine was a business caller here Tuesday.

Will Gilson, wife and baby Wayne, were guests at the Franklin Brown home Saturday.

Mrs. Charley Schroll's father and mother, Mr. and Mrs. Newberry of Eden, accompanied by their daughter of that place, were visiting here Saturday and Sunday. Mrs. Schroll returning with them.

Mrs. Dr. Hamilton was shopping in Twin Falls last week. Also Mrs. Chas. Hunt.

## RETURNS FROM CONVENTION OF PHARMACISTS AT GYER

Mr. and Mrs. Allen G. Fisher returned to Twin Falls Thursday evening after attending for a couple of days, the state pharmaceutical convention held at Gayer Hot Springs. Mr. Fisher reports that about fifty of the state pharmacists were present, who with their wives and families, brought the attendance to 125. Every part of the state was represented, and a general good time was had by everyone, the desire of the druggists being to get better acquainted. There was a particularly important business transaction, but several interesting and instructive papers were read by various members of the convention.

Will Give 4th of July Address--M. J. Sweeney, of this city, has accepted a call to deliver the Fourth of July address at the celebration to be held at Robert.

Births--June 25, born to Mr. and Mrs. Lee Williams, a daughter, weighing eight and one-half pounds; June 25, born to Mr. and Mrs. John Dingman, a son.

Increase in Book Read--Miss Joseph Fraser, librarian in the public library, reports that during the month of May, 400 more books were drawn out than in the same month a year ago.

Leaves Fire Department--G. C. Stiffler, who for nearly five years has been employed as engineer in the Twin Falls fire department, has left the department to begin work in the postoffice.

Fish Closes Sprinkler--In determining the reason for a clogged sprayer on one of the city's reservoirs, Thursday morning, a live fish was found to be the cause of the trouble. The fish was five inches long.

Will Have New Location--On or about July 15, the Jenkins & Co. store will be moved to its new location in the Reid block, corner of Main and Second street South. The new quarters will have 2500 square feet more floor space than at present.

Installs Cooling System--A cooling system has been installed in the Isis theatre, which Mr. Magel, the manager, says will insure increased comfort to his patrons during the summer. The system will discharge 5000 cubic feet of fresh air into the theatre per minute.

New Able to Get Gravel--O. E. Carlson, chairman of the board of county commissioners, says that after a delay of several days due to a break down in the loading machinery, they are getting gravel from Burley for the state highway west of town, and that the road work is progressing rapidly.

## MOREY ALIVE WITH TROOPS

Captain Left in Sand Rallies and Escapes

GIVES ACCOUNT OF BATTLE AT CARRIZAL

Letter on Body of Captain Boyd Tells of Steps Leading to the Fight in Mexico.

FIELD HEADQUARTERS, via radio to Columbus, N. M.--Captain Boyd is S. Morey, wounded in the Carrizal fight, is safe, after his daring stand against the Mexicans and herds sacrifice to save his men. This report came in here tonight to General Pershing from Major Jenkins's column of the Eleventh cavalry, which is scouting the desert for survivors.

Nine more of the little group who faced the withering machine gun fire of the Mexicans probably must be added to the list of American dead, according to the report. The belief has now become almost confirmed that they wandered out on the desert and perished.

From Major Jenkins's report and the notebook of Captain Morey and Captain Boyd, which have been recovered, the facts of the fight are just about as they have previously been stated.

Captain Morey fell to the sands and believed himself dying. It was then he wrote his report, and giving it to the soldiers with him, ordered them to leave him, and, if possible, save their own lives and deliver his account of the battle to General Pershing.

After the soldiers had departed, Morey, in some unaccountable manner, managed to rally strength enough to reach the ranch of an American name.

that people should be for America first, last and all the time. He announced that he would speak in behalf of recruiting at Kimberly Monday night, Murtaugh Tuesday afternoon, Piler Tuesday night, and Hansen Wednesday afternoon. He predicted the rallying of the people to the flag and country. A. R. Ostrander followed with a brief talk in which he pledged his support.

The telegram of Governor Alexander, in which he said that Rough Rider and other similar organizations would not be organized outside the regular militia, was discussed by Mr. Booth, who argued the concentration of enlistment work along the lines begun. The meeting was unanimously in the opinion that the first duty was to fill the Idaho company.

James Bice, a G. A. R. member, was called upon and said that he had no hesitancy in pledging the co-operation of the 25 members of the G. A. R. post. This announcement was received with cheers and applause and the members at once voted in an honorary membership with the full rights of membership. Mr. Bice suggested the bringing in of "Old Glory," which was done amid great enthusiasm. He said that before the civil war men were recruited by sending out a drum corps and speakers and he felt confident that the young men would respond again as they did before to the call.

Resolutions Repudiate Candidate  
of Republicans

DECLARE HIM NOMINEE OF TIME-SERVING MACHINE BOSSES.

Demand That a Straight Ticket Be  
Placed in the Field and Send Back  
Committeemen to Chicago.

SALT LAKE CITY—After a five-hour discussion Saturday night, the Utah Progressive committee voted unanimously against endorsing Charles E. Hughes for president, declared that he was the candidate of a brazen band of time-serving bosses, that a republic governed by boss rule cannot long continue, that in the interest of good government it will be necessary to perpetuate the Progressive party, and that if Colonel Roosevelt should refuse to run, Hiram W. Johnson, Raymond Robbins or Victor Mardock should be nominated to fill the vacancy and that Committeeman A. T. Moon, who had just returned from Chicago, be instructed to go straight back to the meeting Monday and tell the national committee how they felt about the matter.

The attitude of the Utah Progressives, which will be conveyed by Mr. Moon to the Progressive national committee, is set forth in the following resolutions adopted by the meeting: Resolved, by the Progressives of Utah, that National Committeeman A. T. Moon be sent back to Chicago to the meeting of the Progressive national committee called for June 28, 1916; that he be and is hereby instructed to

vote and use his and the influence of the 25,000 Utah Progressives to place a Progressive national ticket in the field; that, in the event that Colonel Roosevelt shall definitely decline to run, he shall vote and use his influence for the nomination for president on the Progressive ticket of Hiram W. Johnson or Victor Mardock or Raymond Robbins.

That he shall make known to the Progressive national committee that he and the Progressive party of Utah are unalterably and bitterly opposed to any endorsement of Hughes and Fairbanks, or Hughes and anybody, and to any coalition or amalgamation with the Republican party; that we are opposed to the Republican party on its record since 1909, and by reason of the manner in which it is governed by a handful of spineless, self-appointed, self-perpetuating and self-serving bosses; that we believe in the continuance throughout time of this republic; that no republic governed by a party whose internal government is a despotism can long continue; that we are not in favor of a government which would be controlled by these Republican bosses in every essential act, and in being thus governed, could not possibly do anything for which the Progressive party stands; that we believe the Progressive party ought to and will live as a dominant force to compel corrective legislation and as a menace to crooked politics and the encroachments of the invisible government, even though it should not elect a candidate in the next generation.

WESLEY K. WALTON,  
Chairman of Progressive Party of Utah.

N. A. ROBERTSON, Secretary.

When the Progressives gathered in Mr. Livingston's office Mr. Moon told them what he had been doing in Chicago and since the national convention. Mr. Moon said he had gone to Oyster Bay and had a conference with Colonel Roosevelt, at the latter's suggestion. What was said between them, particularly what the colonel told him, Mr. Moon did not make known for general consumption.

Both before and after the meeting Mr. Moon declined to be interviewed. In an interview, "I have nothing to say—now," he said. "Wait till I come back from Chicago."

Mr. Moon told the Progressives that he had come home to attend to personal business matters and that he had left his proxy with a fellow committeeman, whom he said was connected with those of the Utah Progressives—in other words, opposed to an endorsement of Hughes and in favor of a Progressive national ticket.

The Progressives discussed Mr. Moon's statement and many vouchsafed the opinion that Utah ought to have its own representative at the national committee meeting in Chicago Monday. Mr. Moon promptly offered to return at once. This proposal met with the hearty approval of the meeting, but as Mr. Moon had already been under heavy personal expense attending national sessions, it was decided that the party would bear all the cost of his trip back to Chicago.

## UNIQUE CHEW IS MELLOW "SPEAR HEAD"

Famous Tobacco with the  
Sweet, Tasty, Whole—  
—some Relish

## AN OLD-TIME FAVORITE

Chewing is the one best way to use tobacco, because it's the only way the choice leaf can get next to your tongue and give you all the benefit of the wholesome, digestive juices stored up in it by nature.

But your chew should be in plug form—the purest, most natural form into which tobacco leaf is made.

Among plug tobaccos, Spear Head, for a third of a century, has held first place as the unique chew. Its distinctive flavor is supreme—deliciously ripe, relishy flavor not found in any other tobacco made.

A luscious chew of Spear Head braces up a lazy appetite and makes you feel fresher and snappier.

Spear Head is the very best chew that money can buy. Ask your dealer for a 5c or 10c cut.
