

Three Valley Vets Among Winners in Hunt Drawing

March 4—Futures for
World War II veterans were
drawn from a 10-page can
at 1:35 p. m. Thursday when a
lot of 40 homestead farm
in the Hunt area of the
federal reclamation project
was held on the stage of the
theater here. Three
men's names were drawn
by Henry J. Simon, route 1,
Meridian, a York route 5, near
and Thomas C. O'Connor,
a Piner, Joe R. Knut, route 4,
all was named on the list of 40
names drawn. Oregon led in the
names drawn by placing
names on the first 48. Idaho
names with 23. Utah placed
names, three Texas and
Alabama each placed two. One
from Iowa, New Mexico,
California, Nevada and Nebraska
was drawn.

Information officer of the bureau
of reclamation regional office, Boise.
The first name drawn from the
container was that of Carl O. Ro-
mer, route 1, Tremonton, Utah.
He is the first 20 names had been
drawn the (unseen) leased notice-
ably.

Wagons J. Costley, Jr., Homedale,
one of the veterans whose name was
drawn, was in the audience with
his family for the drawing. He
said "I'm pretty nervous and pretty
tired." Costley said he is huge
and he looked the place over
and said "I think it looks like a
good prospect for the rocks, but I
think I will be able to get a good
piece of land."

Costley is 24 years old, married,
has two daughters, Bernice, 3,
and Catherine, 1 1/2. He farmed in
the Homedale area last year but
has no farm at the present time.

Prior to the drawing, a 30-minute
program was held in honor of the
war veterans of the reclamation
department in the theater. The
program was opened by an address
from the reclamation director, John
Hoeman, who welcomed the veter-
ans and their families.

Hoeman was followed by the director
of the bureau of reclamation, read
a statement issued by J. A. Krug,
secretary of the bureau regarding the
drawing. In part, he said:

"Modern homestead opportunities
are, as you know, far different from
those of the old days of land grab-
bery, speculation, and exploitation
of the public domain. These
new opportunities will create and main-
tain new homes for veterans.

"The farms on this reclamation
project which are being awarded to
veterans are adequate in size, fertile
of soil and rich in water for irri-
gation. Good farm management
practice will be a practical assur-
ance of sufficient income to sup-
port your families.

"The minimum requirements
of capital and farm ex-
perience are needed to qualify for
award of a farm unit.

"When the new homesteaders
start farming operations, technical
and other assistance will be avail-
able. Everything that the govern-
ment can do to make your home-
stead venture successful will be
done.

"A lot of pioneering spirit and
hard work are still required, how-
ever. The land must be cleared and
irrigated. Good farm manage-
ment must be constructed. Home-
steads in full of hard labor and
careful planning and farm build-
ing advantages over the homesteaders
of 100 years ago."

Costley was the only one to

BLIND INTOLERANCE
The denial of Federal Sen. Claude Pepper that he meant to reflect on the patriotism of any class in charging that manufacturers' sons "played home" during the last war can hardly undo the damage wrought by the senator's original intolerant statement...

Efforts to banish prejudices from American life are directed almost exclusively toward feelings about race and religion. But there is another form of intolerance that needs some educational spawdork. It is what may be called vocational bigotry.

The vocational bigot is the person who tells you that all union organizers are communists or that all corporation executives are fascists, or that all lawyers are crooked.

It is possible to be a vocational bigot and at the same time be a liberal. Claude Pepper dares to take a stand against racial and religious intolerance, though he comes from a part of the country where such a stand can amount to political suicide.

Such a stated labor relations bill Mr. Pepper wound up by bounding on a peak and shouting, "It was the workers' sons who died on the battlefields and the manufacturers' sons by and large who played home and made the profits out of the war."

World Bank officials have overruled the selective service system to send all manufacturers' sons to the front to atone for the sins of their fathers? Does he think that the skills and experience of industrial management...
FOOT IN THE DOOR!

According to an Associated Press dispatch from Seattle, Sen. Hugh B. Mitchell, Democrat of Washington, has predicted that President Truman's Columbia valley authority bill will be ready for introduction to congress in about two weeks.

President Truman has made the decision that the bill should be prepared," he said, "and that he'll get it ready."

TUCKER'S NATIONAL WHIRLIGIG

By ROGER WARREN (For Mr. Tucker, who is vacationing!)
WASHINGTON—President Truman is not helping himself with congress by his new coalition.

The lips buried in the Jefferson-Jackson day celebration will be here. Each such spot is expected of Truman on the stump. But many of his liberal Democrats on capitol hill bridle at his inattention to the hearings.

PERGE—Should he actually make good his threat, certain Democrats will take it as a purge and will fight back. Even Franklin D. Roosevelt failed miserably with his policy of "letting it go."

OPA—Chairman Spence of the house banking and currency committee has introduced a new OPA control bill that is more drastic than anything used in the past. His plans to jam it through in the guise of congressional legislation.

BURLEY, PAUL TAKE LEADS IN DISTRICT CAGE TOURNAMENT

Burley Controls Backboards

Paul Stops Albion In 48-32 Thriller

With Jack Clark leading the way with 33 points, the Burley Bobcats charged from behind in the final quarter to hand their arch rival, Rupert, a 63-60 loss in class A district tournament play last night. The loss gave Rupert its first defeat in the meet and left Burley as the only unbeaten squad. In other tournament play yesterday, Buhl eliminated Oakley in a thrilling 49-41 thriller.

Clark and Twin Falls eliminated Gooding with a 39-35 win. Yesterday's game paved the way for tomorrow's final, which will pit Twin Falls and Rupert at 7:30 and Burley and Buhl at 9 p.m.

Following by three points at the start of the final frame, the Bobcats launched the strongest rally of the tournament to force from behind and capture the game. The Bobcats captured more than 3,000 spectators rose to their feet when the Bobcats went to work striking about from every angle. Burley scored 24 points in the final quarter.

Rupert opened the game fast taking a surprising 8-1 lead in the first four minutes. Abbie Urgruen connected on three long shots as he took the early Private drive. Rupert held a 12-3 lead before Burley charged back on an early rally.

After the first period ended 12-9, Rupert went back to work to take the lead at the start of the second quarter shooting. Burley came back on the floor a different team. Harold Lovrenson helped the Burley control the backboards. In the first half Ernie Shads and Buhl finished combined to give Rupert control of the boards.

Clark then went on a rampage of scoring, using his dummy back to full advantage. Burley outplayed the pace of the game. Rupert's scoring attack led 20 points. Urgruen was held.

Through five starting players ended out of the game, the Twin Falls team headed onto an early quarter lead, that was held throughout the game. At one point in the second quarter, Coach Ed Lander's Twin Falls team was downed by a free throw by Vern Blain.

Coach Ed Lander's Twin Falls team was downed by a free throw by Vern Blain. Then connected on two quick shots for the Bruins and the local team was never headed. The Bruins fought back strongly in the final quarter and came within three points of Twin Falls with two minutes left.

The Bruins led Tom Palash, Bob Walsh, Marlon Hickey, Dick Buhl and Ed Lander via the foul route in the fourth quarter. Coach Ed Lander was forced to fill out his final minutes with reserve players in the final minutes.

Turning point of the contest was when Buddy Cross, freshman forward, fell behind the Gooding defense and failed to fill out his first game. Coach Ed Lander took command of the game from that point.

Gooding led the last players, Blain and Harold Dahr, on personal fouls. Altogether 45 fouls were called by officials in the game. Coach Ed Lander's team entered the first game yesterday as the destined underdog to Buhl. In the contest of the first game of the tournament so far before bowing to the Indians 49-41.

Oakley exchanged basket for basket with the Buhl team and at the end of the first half Buhl led 12-10. The score was knotted 12-12 and 20-20 at the end of the first quarter.

The Hornets, behind the sharp shooting of Hal Smith and Bob Metzler, jumped to a 5-3 lead shortly after the game opened, but Buhl charged back and tied the count on a lay-up shot by Herman Osterkamp. Bob Rogers then put the lead back on the Hornets with the second 14-14 tie. Buhl's Paul Moore scored on a lay-up from three and then the Indians led three and one.

But neither did the game again with a gift ton. Buhl's brilliant forward, went on a one man scoring spree as he tallied 12 points. Clark and Hale added points for Oakley to knock the count at 12-12. The game then took a strong in the third period to make six points for the Indians again. The Indians range. Ruppener sank two quick baskets and a gift ton and Clark connected on a field goal to put Buhl ahead by one at the end of the third period.

Coach Grant Miller's Indians held a 43-42 lead in the three minutes rest period, but the score was tied with two minutes to go in the game. Coach Ruppener and Metzler then combined to give the Indians the margin of victory.

Nampa Leads Boise Region Cage Tourney

BOISE, March 8 (AP)—Nampa remained the only undefeated team in the district three class A tournament Thursday night. The Bulldogs beat Emmett 43 to 31.

In other games Boise beat Wallace 36 to 23 and Caldwell edged Meridian 27 to 21.

Forward Wayne Edgerfield netted 18 points in leading Nampa to its third straight tournament victory. The Bulldogs hit off an early lead and held it throughout.

Welter battled the favored Boise Braves down to the wire. Buhl led at halftime 17 to 15, but were one point behind just before the half. In 13 to 14 high scoring Dick Elm of Boise led the point making with 14 counters.

Caldwell staged off a last half rally to edge the scrappy Meridian Warriors. Caldwell jumped into an 8 to 2 first quarter lead and held it to a margin at halftime.

Emmett eliminated Welter and Meridian from the double-elimination tourney. Payette was eliminated last night.

Friday night's schedule will pit Nampa against Caldwell in the first game. Boise and Emmett will wrap up the twin bill.

Awards were given on the basis of awards made this season with 25 caliber rifle.

King Hill's Lemarch took top scorer honors with 12 points. Ed Dietrich opened the game with a 10-8 lead, but the Hilltoppers came back to take a 18-11 lead at the half.

King Hill's Lemarch took top scorer honors with 12 points. Ed Dietrich opened the game with a 10-8 lead, but the Hilltoppers came back to take a 18-11 lead at the half.

In a preliminary game the King Hill girls defeated Dietrich's girls 22-23. Char Snow, King Hill freshman forward, dumped in 20 points. Metzger was the high point man for Dietrich with 12.

King Hill has scheduled another post-tournament game for Tuesday at Richfield.

SENATE OK'S Bid To Seek Olympics

WASHINGTON, March 4 (AP)—The senate Wednesday unanimously approved a resolution to extend indefinitely by 10 years the authority of the International Olympic committee to hold the 1948 Olympic games in Detroit.

Paul Stops Albion In 48-32 Thriller

The red-hot Paul Panthers charged to the fourth last night as the only undefeated team in the class A tournament at Kimberly. Coach Harold Brown's smooth operation overcame an early Albion lead and went on to over their opponents 48-32.

The Blue Devils from the Mini-Cupula league from Paul started the second half after holding an 11-7 lead at the end of the first period.

Kimberly yesterday saw the end of the backboards and with Hatch contributed the outstanding shot of the tournament, a 22-20 lead at halftime. The first half saw Gerry Backsberry of Albion consistently out-jumped Paul's center, Robert Fern, on both backboards. Backsberry's rebound work and Pettigrew's control took the play away from the Paul crew until Hatch flipped in his thriller.

The second half saw Paul take the floor a different team. With Rantz back in his place as master of the backboards and with Hatch cutting four field goals, the Panthers rang up a 43-20 score with three minutes to go and coasted to a 48-32 victory.

Mal Conner with 12 and Hatch with 11 topped Paul while Dale Aher and Rulon Pettigrew counted eight points for Albion.

Kimberly high school's LARRY Bulldogs moved another step on the journey toward the state championship by stopping Hazzard's Pratts Thursday 64-38.

Inspired by the red-hot shooting of John Nelson, "Jep" Jones and Orlie Bailey, the Paul McCoy club ran up quarter leads of 18-12, 27-12 and 40-26. In the second quarter, Jones inserted his second five and the Pratts reduced the 21 point margin to a mere eight.

Nelson scored nine while Jones and Staley were high with 18 and 15, respectively. Hazzard's Ralph Maxwell, who scored his team's first 14 points, led the Pratts with 27 markers. Maxwell's continued performance as the outstanding ball player in the tournament.

Bob Briggs' Halley Waldron scored an impressive victory over the Shoshone Redskins their second consecutive defeat 20-23. The contest was the curtain-raiser to the Paul-Albion battle.

The lead changed hands six times before Halley picked up a 23-13 halftime margin on the dead-eye marksmanship of little Jay Butler. Butler, who tallied 21 points in the game, was unstoppable as he rolled seven field goals in the first half. Bob Schaefer, the Halley captain, dropped in a total of 11 to aid his team. Carroll Waller played an exceptionally fine game, both at the basket and on the floor.

Berry, Burgess and Oetzel again were the big guns in the Redskin attack. Points collected 10 markers to take high honors for Shoshone.

SENATE OK'S Bid To Seek Olympics

WASHINGTON, March 4 (AP)—The senate Wednesday unanimously approved a resolution to extend indefinitely by 10 years the authority of the International Olympic committee to hold the 1948 Olympic games in Detroit.

The action was taken in response to a request by Sen. Vandenberg, R. Mich., which had signed legislation, R. Mich., introduced the resolution Feb. 2.

Vandenberg told the senate that the committee will meet in Rome April 1. The resolution now goes to the house.

The United States Olympic association already has pledged its support to the International Olympic committee to hold the 1948 games in Detroit.

It would be to have the U.S. government to hold the 1948 Olympic games in Detroit.

1949 SUGAR BEET PRICES

What price can the beet grower expect to receive for his 1949 crop of beets?

This is a matter that is controlled almost entirely by the government. The government through the Sugar Act of 1948 controls the amount of sugar that is permitted to enter the market. Thus, the government controls the price of sugar and consequently the price of beets.

Last year because the amount of sugar permitted to enter the market was substantially greater than the country's needs the market sagged. However, this year the government's determination is slightly less than was consumed last year. Further, the government has stated "*Domestic sugar prices should be higher in 1949 than in 1948. The present wholesale price of refined sugar at 8 cents a pound is about one cent below the price objective defined in the Sugar Act.*" It would appear that, not only through its statement but through its actions, the government intends to strengthen the sugar market.

As evidence that the government's objective is gradually being realized one need only examine the "raw sugar" market. Since the government's announcement of the amount of sugar to be permitted to enter the market this year, the "raw sugar" price has advanced to a figure of \$5.75 per hundred pounds. The low figure last year was \$5.05. The undertone of the market in recent weeks has been very firm and many authorities are predicting another substantial price advance.

At today's sugar price one ton of beets would return to the grower slightly in excess of \$13.00. It would appear from the statement of the Department of Agriculture that the cost of living would have to fall substantially below where it is today before the government would, through its controls, permit sugar to fall below its present price.

THE AMALGAMATED SUGAR COMPANY
