

# TIME FOR ACTION IN EUROPE NEARS, SAYS GEN. MARSHALL

## U. S. TROOPS WILL JOIN IN ATTACKS

By RICE YAMNER

WITH THE U. S. ARMY IN NORTHERN IRELAND, APRIL 18 (AP)—Gen. George C. Marshall, chief of staff of the United States army, declared "the time for action is near" today, saying that American troops "inevitably will join the command" as the British shock force which has been raising the German-held continent.

Further forecasting offensive action, he held a press conference that United States air forces will be established in bases "all over the British Isles."

Here for a flying invasion of the United States contingents already in Great Britain, General Marshall said he had conferred at length in London with Lord Louis Mountbatten, chief of the British command, as well as with Prime Minister Winston Churchill and other British officials.

Long Trained

He pointed out that the U. S. army has long trained an entire army corps in landing operations such as the recent British operations at Nazari, Buzi submarine base on the occupied British coast.

General Marshall flew here Friday with two of President Roosevelt's closest advisers, Harry Hopkins and W. Averell Harriman, about 10 days of "the most intimate and satisfactory" discussions with the British leaders.

He made a speedy inspection tour and review of the bulk of the United States troops in England, and met officers that these men are but the first of a steady flow.

Such intense

The first U. S. troops of this war arrived in Ulster in mid-winter, and continued to follow in about a month.

Gen. Marshall told the unit commander that he was "very much impressed with the apparent state of discipline and the excellent training of the American forces."

Speaking to the same assembly of officers, Hopkins said that production alone would not win the war and that he had a "deep-seated belief that in the final analysis, the battle is going to be won by our land forces being the Japanese and Germans."

## American Airplanes Bombard Tokyo, Kobe, Chief Jap Cities

(From Page One)

The full story, with disclosure of the bases from which the attack was launched, or from which the aircraft carriers—if they were used—could move today, the United States command "inevitably will join the command" as the British shock force which has been raising the German-held continent.

Further forecasting offensive action, he held a press conference that United States air forces will be established in bases "all over the British Isles."

Here for a flying invasion of the United States contingents already in Great Britain, General Marshall said he had conferred at length in London with Lord Louis Mountbatten, chief of the British command, as well as with Prime Minister Winston Churchill and other British officials.

In Europe, the RAF continued its ceaseless attacks against vital German war plants in the overrun continent.

The British looked in effect had spent a second front against Germany, already looked in a death struggle with Russia, whose armies were reported to have broken the last army from puppetized Finland, and nearing the major German Ukraine base family of the suggested results of Tokyo, the plane-producing center of Nagoya and the major industrial area of the Yonagang oil fields.

All the accounts came from Tokyo and the family of the suggested results of Tokyo, the plane-producing center of Nagoya and the major industrial area of the Yonagang oil fields.

The very fact that the Japanese radio admitted officially that "the first of our aerial attacks" were of great emergency are such as: Demolition and incendiary bombs fell on the city of Nagoya, one of the four great cities, and almost were in force throughout the main island of Honshu, the Japanese official Japanese accounts insisted that damage was slight, that planes were shot down.

## TOKYO REPORTS DARING ATTACKS

(From Page One)

Kawasaki, Mitsubishi and other aircraft plants, 217 miles west of Tokyo.

Following this afternoon two enemy planes raided Nagoya, central defense headquarters announced. "Although they dropped bombs, damage was slight."

A later communication said incendiary bombs fell at six places in the vicinity of Nagoya but the fires were brought under control.

Kobe, population 1,200,000, Japan's largest port, shipping point for a large proportion of the supplies flowing to the Japanese forces in the southwest Pacific war theater, major shipbuilding center, 370 miles west of Tokyo, was hit.

A single enemy plane raided Kobe around 3:30 p. m., dropping incendiary bombs but no serious damage was caused, said a communication. A later announcement said single incendiary bombs fell at three places in the Kobe area, respectively business flooded on as usual with buses, trolleys and other vehicles running without interruption.

While Japanese air defense smashed down the invaders, huge crowds unburdened finished their meals and returned to their offices satisfied that the defenses had fended off the sky for hostile craft. The people remained calm and untroubled. Unperturbed households and civil defense forces closed windows and checked anti-air equipment with the same cool efficiency shown in practice.

The enemy started farming villages in Wakayama prefecture, said the prefecture and the Japanese air force with machine-guns but no damage was caused.

The radio story may be withheld for days until the planes or carriers are safely back at their bases.

The surrender of the Pacific, it was said, would be a blow to the United States, but old Marshall felt re-ferred final authority to the staff of the white-tied Nazi Germany. The victory government, from which the United States had withdrawn its ambassador home to "consult," was formed on a pro-Nazi basis with Laval holding the reins of foreign affairs, interior and information.

COUNTY 1ST FOR YIELD IN WHEAT

Highest yield per acre—52.1 bushels harvested—was attained by Twin Falls county growers...

Preliminary report issued by USDA at Washington, D. C., indicates that Twin Falls county led by 1,082,300 bushels.

Total production in the south central Idaho district was 4,176,000 bushels, while the total for all Idaho counties was 7,252,000 bushels.

Jerome county was second in yields per acre with 47.9 bushels harvested. Average south central Idaho yield per acre was 36.7 bushels harvested.

Other south central Idaho yields per acre harvested were Blaine, 20.2; Camas, 27.4; Cassia, 31.6; Gooding, 43.9; Lincoln, 34.1; Minidoka, 34.1; Elmore county yield was 22.2.

Throughout south central Idaho, 116,700 acres were planted and 112,200 were harvested. Production consisted of 1,250,000 bushels of wheat and 2,848,200 bushels of spring wheat.

Top 1940 Yields Twin Falls and Jerome counties also ran one-two for yields per acre in the 1940 Idaho wheat harvest and production by counties, said the USDA. Twin Falls harvested 43 bushels, Jerome 40, bent two totals in the state.

In 1939 Twin Falls county produced 1,695,800 bushels, the south central Idaho total was 3,520,000 bushels and the state total 20,292,000 bushels.

The 1942 winter wheat crop in Idaho is forecast at 14,520,000 bushels, according to the USDA. This would be about one-eighth less than the crop of 17,000,000 bushels harvested in 1941, but one-eighth larger than the average production in the years 1930-39.

### ARMY INDUCTEES GET FURLOUGHS

WASHINGTON, April 18 (AP)—Men expected to be inducted into the army may now expect furloughs shortly after being sworn in to assist up their personal affairs.

Under a new policy described as "greatly liberalized," furloughs up to 15 days will be granted on request, to begin not later than five days after induction. Requests for such leave should be made in advance to local draft boards.

Under the new procedure, men accepted for military service will be sworn in immediately upon their induction at reception centers with the result that they will not be eligible during their furlough to enlist in the navy or marine corps. The war department advised that the high rate of physical rejections by army examiners made it undesirable for every selectee to assume that his order for induction would mean immediate military service.

### Ranchers Unite To Give Farms Fire Protection

JEROME, April 18—Meetings to organize volunteer fire protection companies will be held in...

Palms City school, April 23, 8:30 p. m.; Eden community, Hillsdale school, April 21; Russell Lane school, April 21; Appleton school, April 23; Pleasant Plains school, April 24; Jerome county court rooms, April 27; Hazelton community at Greenwood school, April 28. All meetings will begin at 8:30 p. m. Minutes of the meetings was held at Canyonside school April 17.

Fire fires are always a serious matter, but during war time they are more serious than ever because there is urgent need of lumber to produce, and materials for replacing buildings are so limited, Ray O. Peterson, county extension agent, pointed out.

The government has asked that the extension service, and the office of civilian defense take steps to organize volunteer companies in the various communities, so that an organized group may be available to fight fires in each county in event of their occurrence. All farmers have been requested to attend the meeting held in their community. The forest service and the grading office will later give the companies which have been organized, instructions in preventing and controlling all types of agricultural fires.

### "Ike" Recalls Libel Action 20 Years Ago

Ira H. "Ike" Masters, former local newspaperman and former secretary of state, came to town Friday night and remained Saturday night to recall with aid of old time friends that it was just 20 years ago this spring that he was sued when he published the Times.

These were the good old days, Masters recalled Saturday here's background.

It seems that Masters was backing L. E. Hodgin for mayor of Twin Falls (the won) and E. F. Wallin, who published a weekly here, was backing another candidate. During the campaign one thing led to another and finally Wallin sued Masters for \$42,000 after Masters, in the paper, had called him a "boodler."

The case went to trial in district court before Judge W. A. Babcock, who still practices law here. Hodgin, who still resides here, was one of the men on the jury hearing the case. Hodgin was represented by Judge E. A. Walters and Frank Stephens, who had called him a "boodler."

The jury found against Wallin and the case ended there.

The jury termed it a "newspaper war" that had just gone a little too far.

Masters recalled Saturday, adding: "But what made me feel peculiar was the fact that anyone, especially a newspaperman, would sue a newspaper for \$42,000. It was pure flattery."

### Probate Asked in Frank Black Will

Petition for probate of the will of Frank H. Black, who died April 8, has been filed in probate court here.

The will, dated Dec. 19, 1930, acknowledged by appointment of a son, G. L. Roy Black, as executor. Hearing on probate of the will was set for April 28 at 10 a. m. by Judge C. A. Butler.

The will asks that the estate, which does not exceed \$5,250, go to the surviving wife, Mrs. Myrtle B. Black. Frank L. Stephen is attorney.

Elected vice presidents by the approximately 175 convention-goers were A. E. Edwards of Kootenai, succeeding Dr. A. R. McCabe of St. Maries and Shelby Jenkins of Yreka, Ore., succeeding J. A. Barton of Electric City, Wash.

Next 21-state meeting will be held at Pendleton in April, 1943.

### Springdale Rites For A. E. Johnson

SPRINGDALE, April 18—Funeral services for Axel E. Johnson were conducted by Bishop G. S. Marchant, speakers included Adolph Nelson, representing the I.O.O.F., state presidency, and Algot Johnson, Salt Lake City.

Nile Matthew sang "My Task," and invocation was given by Wesley Hunt. Albert Holbrook, state war song "Go." Talks were given by N. P. Beaumanson and B. H. Kump.

Nona Jacob sang "O My Father," and Harry Peterson, Salt Lake City, read a poem written by Violeta Blanch, Ogden. Remarks were offered by Bishop Marchant and the women's chorus sang "Sometime We'll Understand." Mrs. O. S. Marchant played all accompaniments. Closing prayer was by Fred Christensen.

Funeral services were James L. Stevenson, George Hyman, Stanley Marchant, J. N. Dayley, Fred Christensen and Wesley Hunt. Flowers were in charge of the Relief society.

Interment was in the Burley cemetery under direction of the Payne mortuary.

### Grief, Sacrifice Coming but Keep Spirit High, Clark Says

There are going to be many vacant chairs at the family circle—many and fatherless children in the land and we will have our share there also.

The governor, during his address at the annual banquet of the Twin Falls County Legion hall, the student studied and was held at the American Legion hall.

The governor, during his address at the annual banquet of the Twin Falls County Legion hall, the student studied and was held at the American Legion hall.

"I have to have even one word of discord among the people of our state, because in unity there is strength."

"I required strong hearts and a complete devotion to the cause of liberty in Thomas Jefferson day and today it requires complete devotion and love of country to carry on this great struggle."

"We will not be found wanting. There are a great many who will not just live to see the time when the clouds of the present day are lifted. Some have already given their lives for their country—but whatever may be our personal fate, we are all assured within our hearts the Declaration of Independence, penned by Thomas Jefferson, will still be maintained."

Will Cost Lives "It will take treasure, and it will cost many lives to maintain it. But through the clouds of the present, we can see the brightness of the future, and the time will never come when the people of this nation will not be able to bring about a new day."

"It is a long train that brings us to the position that we enjoy today. The great ruler of the universe, who has guided us through more than 150 years is not going to desert us now. We are a free people, owing allegiance to none but God, our country and ourselves, and I say with confidence that the time will never come when we will lose the liberty and freedom that we enjoy today." Clark declared.

Annual election of officers followed the governor's talk. Succeeding G. Thompson, Buhl, as president, was Asher D. Wilcox, Twin Falls. Re-elected vice-president of the club was Mrs. R. E. Stover. The president and vice-president will name a secretary-treasurer in the next few days. Bob Creed has served in that post for the past year. Mr. Thompson presided at Friday's session.

Serving as master of ceremonies for the banquet was Mayor Robert M. Terrill, Pocatello.

See Election Success In a brief speech he said that the "young present here tonight appeal for the success of the Democratic party in the coming election contests." He added: "If in times like these, if our opponents were willing, we would rest on status quo for at least two more years, but of course they are not willing and so they will put their candidates in the field and we will have our share there also."

Address of welcome was given by Mayor Joe Koehler. Koehler, normally a Republican, said that he was going to remain "neutral" in the coming election.

"I'm going to remain neutral in the election this fall. I don't give a damn who Gov. Clark beats for governor."

Also speaking briefly was Dan Jloop, Burley, vice-president of the Young Democrats, and two members by a high school quartet accompanied by Miss Marjorie Albertson.

### 'EXAM' WINDS UP DEFENSE COURSE

Nineteen students at the south central Idaho civilian defense examination yesterday which will determine their fitness to become Civilian Control instructors in communities throughout Magic Valley.

James H. Greary, Lewiston, instructor, said the papers will be sent to the Boise office of C. E. Arney, state coordinator of civilian defense.

There the results will be graded and instructors will be certified by Arney. Classes will then commence in each town under guidance of instructors of the school held here.

During the 23-hour course, which commenced Wednesday in American Legion hall, the student studied CDD organization and learned about the control center, air raid warning systems, incendiary bombs and blackouts.

Also studied were defense against poison gas, discrimination, gas masks, protection of industrial plants, effect of explosive munitions and camouflage.

Greary issued a statement thanking the south central Idaho community for cooperative and individual citizens who participated in the school—held to be held in Idaho.

### RECEIVES PROMOTION

JEROME, April 18—Second Lieut. John W. McVey, son of Mr. and Mrs. Frank McVey, Jerome, has been informed of his promotion to the rank of first lieutenant's ordnance. Lieut. McVey is in command of the 43d ordnance company, attached to an aviation unit at Ft. Crockett, Tex.

### MIXUP

JEROME, April 18—If you receive an envelope in the handwriting of your husband or friend who serves in the armed forces, and the contents don't happen to belong to you, just do what Mrs. Ned Sorenson of Jerome did. In a short time, the letter which was originally intended for you, but was misdirected through error, will be forwarded to you.

That's what Mrs. Sorenson discovered this week when she received such a letter from her husband, now in the United States air corps somewhere in the Pacific. Some time ago Mrs. Sorenson received an envelope which contained a letter belonging to a woman in the Dakotas. Thinking that somehow the mistake might be corrected, Mrs. Sorenson sent the letter back to San Francisco.

Coincidental was the fact that the woman in North Dakota had the same idea. So she mailed her letter back too.

This week Mrs. Sorenson received her own letter from her husband, and so did the woman in North Dakota.

## EYES Right!

The surprising number of men rejected by the various military branches of the service for defective eyesight is another warning to America to guard its eyesight in these busy days of war work. Careful attention to good lighting — at home and at work — is one of the first and easiest ways to protect against eye-strain. Check your lighting carefully. See that it does its share to guard against over-worked eyes.

## Zenobia Club Arranges Benefit For Shrine Hospital Patients

Eastern Stars, Shriners and Masons of southern Idaho and their partners will be given an opportunity to mix philanthropy with fun Wednesday evening, April 20, when they attend the annual benefit dance and card party here, arranged by the Zenobia club of the Daughters of the Nile.

All proceeds will be used to help the crippled children receiving treatment at the Shriners' hospital in Salt Lake City, according to Mrs. J. A. Johnson, general chairman of arrangements.

The event will begin at 9 p. m. at the American Legion hall. Cards will be played by those who do not care to dance. Punch will be served throughout the evening.

Daughters of the Nile, Masons and Eastern Stars from several sections, including Gooding, Shoshone and Burley, will join the merry-makers from this locality.

An advance ticket sale is being conducted but tickets may be purchased at the door.

**Welfare Project**

Children admitted to the Shriners' hospital for treatment come from homes where it is impossible for the families to finance their hospitalization, Mrs. Johnson pointed out.

The Zenobia club carries on throughout the year a project of sewing for the children, making clothing and bedding to be sent to Salt Lake City. Once a year a benefit is staged in addition.

Mrs. Ray Shuster is chairman of the ticket committee; Mrs. Grant O. Pudget, the refreshments; Mrs. Joe Koehler, the entertainment; Mrs. M. M. Guy Olin, Kimberly, the card games.

**Officers of Club**

Officers of the Zenobia club are Mrs. Koehler, president; Mrs. Johnson, vice-president; Mrs. Helen Champlin, secretary; and Mrs. Virginia Brown, Kimberly, chaplain.

Spring flowers will be in bloom the last week in April will be used as decorations.

Glen Dates and his Nile Hawks will play the dance music.

## Miss Mae Olson and Frank Feldtman Wed

Nuptial rites read at 1 p. m. yesterday at Immanuel Lutheran church united in marriage Miss Mae Olson, Twin Falls daughter, and Mr. Frank Feldtman, of Billings, Mont., and Frank Feldtman, Twin Falls, son of Mr. and Mrs. Graydon Feldtman, Ashland, Ore.

Rev. H. Hag performed the single ring service at the candlelight altar in the presence of immediate relatives of the pair.

For her marriage, the bride chose a brown and white costume with brown hat and white accessories. Her shoulder corsage was of Joanna Hill rosehedge.

**Wedding Couple**

Her mother of honor, Mrs. Jack C. Durig, wore a tailored beige suit with the accessories. Her corsage was of pink rosehedge.

C. A. Robinson, uncle of the bridegroom, attended Mr. Feldtman as best man.

Immediately following the rites, Mr. and Mrs. Johnson entertained at a bridal luncheon at the Park hotel in honor of Mr. and Mrs. Feldtman.

A two-tiered bride's cake, topped with miniature bride figures, centered the high table. Cakes were marked by individual bud vases holding single yellow rosehedges. Matching the wedding colors which completed the cake decor.

Present at luncheon besides the hosts, bride and her attendants were Mr. and Mrs. Richard R. Smith, brother-in-law of the bride, and Donald Feldtman, brother of the bridegroom.

Mr. and Mrs. Feldtman left yesterday afternoon for a wedding trip to Oregon. For her going away costume, the bride wore a tweed suit with brown accessories.

Mrs. Feldtman, who attended Montana State university for three years, is a member of Kappa Kappa Gamma society.

Mr. Feldtman is a graduate of the University of California, Los Angeles and since last October has been stationed with U. S. forces at Fort Knox, Ky. Expected to complete a training school in about six weeks.

## What Percent of Greatest Books Have You Read?

What do you think are the 25 "greatest" books?

Daniel Glazek, New York, submitted such a list last week at the Eastern Psychological association meeting at Brown university.

It was reached from the selections of 100 judges—50 literary critics and 50 persons distinguished in the various fields of knowledge.

No book published since 1900 was included, since a generation or more must elapse before the judgment of a book can be permanent.

How many have you read? And do you agree with the judges; in your placing of the books in the order of their importance, from 1 to 25?

"The Bible," numerous authors; "Hamlet," Shakespeare; "War," Aristotle; "Iliad," Homer; "Origin of Species," Darwin; "The Divine Comedy," Dante; "Republic," Plato; "Faust," Goethe; "Confucius Classics," Confucius; "Paradise Lost," Milton; "Don Quixote," Cervantes; "Koran," Mohammed; "Cantabrigia Tales," Chaucer; "Principia Mathematica," Newton; "Critique of Pure Reason," Kant; "Anquet," Virgil; "War and Peace," Tolstoy; "Das Kapital," Marx; "Odyssey," Homer; "The Decline and Fall of the Roman Empire," Gibbon; "Novum Organum," Bacon; "The Republic," Plato; "The Wealth of Nations," Smith.

## Women's Rights To Be Discussed At Century Club

Home and Garden department members are going to "change the point of view" for a while next Tuesday.

Instead of considering rationing and restrictions, they are going to occupy themselves with the "rights of women."

Tom Alworth, local attorney, will give principal address on "Women's Legal Rights."

Part of talk will include the comparison of women's rights in 1942, in contrast to 100 years ago. The meeting will be held April 21 at 2:30 p. m. at the American Legion Memorial hall.

A 10-minute talk on the control of cancer will be another program number, the name of the speaker to be announced.

Mrs. L. E. Salladay will be hostess chairman. Other committee members will be Mrs. P. McVicker, Mrs. J. W. Marshall, Mrs. John O'Connor, Mrs. Joe Koehler and Mrs. E. J. Holm.

## Afternoon Guild Host to District U. T. O. Official

Mrs. J. P. Hackney, Burley, United Thank Offering custodian for this district, was guest speaker at the meeting of Afternoon Guild of Assisting Episcopal church Thursday afternoon at the rectory. Mrs. E. Leslie Bolla and Mrs. F. W. Schwedler were co-hostesses.

During her address, Mrs. Hackney gave an account of activities of the guild, which are financed through the thank offerings.

Other guests were Mrs. T. W. Hildebrand, Mrs. J. E. Taylor and members of the Evening Guild of the church.

Patricia A. L. Norton presided at a business meeting, during which it was voted to purchase a membership for Mrs. F. W. Schwedler for the Control of Cancer. The guild also voted to make its kitchen and meeting room available to the cancer corps should the need arise.

Clever arrangements of pink carnations and yellow snapdragons centered the tea table, which was covered with a cut work cloth. Mrs. T. W. Hildebrand, Mrs. C. J. Hahn presided at the silver service, and Mrs. Norton served the dessert.

## Dr. and Mrs. J. M. Rogers Will Celebrate Fiftieth Anniversary

### Golden Wedding Couple

Dr. and Mrs. J. M. Rogers, southern Idaho pioneers, who will observe "open house" today in celebration of the 50th anniversary of their marriage at Bellevue, April 21, 1892. They were in Bellevue, Ketchum and Shoshone, and will be in Twin Falls and Boise at the time each town celebrated the "coming of the railroad." (Photo by Olin Smith—Staff Engraving)

By Mrs. J. G. VENTER  
BUHL, April 18.—Dr. and Mrs. J. M. Rogers, pioneer residents of the Twin Falls tract, are celebrating their golden wedding anniversary today at "open house" at their hospitable home on Bonanza street in McCollum addition. Their wedding date is April 21, but in order that their sons and daughters might be with them they chose Sunday for observance of their 50th wedding day.

Many friends, who have known the venerable dentist and his mild mannered wife, since the earliest days of Twin Falls, Buhl, Ketchum and Shoshone, will be invited during the day to felicitate the couple and recall with them their pioneer experiences in establishing homes and businesses, and helping in the growth of churches and schools of the communities. Dr. and Mrs. Rogers, who came to Buhl in 1906 before the completion of the railroad, were charter members of the Buhl Baptist church.

## Federation Delegates Rename Entire Staff

Reflection of the entire staff of officers to serve a term of two years—because they believe that women experienced in their own jobs should continue their duties during a time of emergency—was unanimously voted by members of the Rural Federation of Women's clubs at the April meeting yesterday at the Farmers Auto Insurance company auditorium. Mrs. R. E. Commons as president of the group the past two years will continue in that capacity for another term. Five rural clubs were represented at the meeting.

Re-elected with her were Mrs. Marie Knutt, first vice-president; Mrs. W. A. Bartlett, second vice-president; Mrs. Lee Smith, treasurer; Mrs. W. A. Poe, scholarship loan chairman, and Mrs. C. Clifford Davis, secretary.

Officers will be installed for the new term at the meeting May 16, when the federation will also complete plans for dedication of the flag pole at Federation Lookout, overlooking scenic Blue Lakes in Snake river canyon.

Mrs. Cora Selroeder, Flier, national defense chairman of the Idaho Federation of Women's clubs, was a special guest, telling in detail of the federation's program planned by the state organization. She will attend a Western Federation Women's club gathering in Denver, Colo., next week. Sessions begin Friday, April 24, and continue through April 27.

Mrs. W. A. Poe gave a detailed report on the Rural-Urban meetings held in 1940, where Dr. Rogers maintained offices until 1932, when he went to Coeur d'Alene to practice until failing eyesight caused him to retire from practice. He returned to Buhl in 1938, and since that time his greatest interest has been his garden comprising one acre, where he raises vegetables and fruits, with a large portion of the space devoted to flowers, which both the doctor and his wife delight in growing. They are assisted in their work by their son, Jasper Rogers, when he is home from his duties as railway postal clerk, and by their daughter, Miss Katie Rogers, who also makes her home with them.

Assisting in receiving friends and presiding at the tea table during the afternoon between the hours of 2 and 6 p. m. will be their daughters, Miss Katie Rogers, Buhl, and Mrs. George Scholtz and Mrs. Florence Dwyer, Twin Falls.

Also assisting will be their son, Jasper Rogers, Buhl. Unable to be with them are their daughter, Miss Mattie Rogers, a teacher at Grant's Pass, Ore., and their son, Allen Rogers, San Francisco.

Many spring flowers taken from the gardens of Dr. and Mrs. Rogers and Mrs. Byron E. Rogers will add to the charm of the home and tea table.

Interest in callers will be the scrapbooks which both have kept through the years. Within Dr. Rogers' books is found a complete history of the state of Missouri, especially of Texas county, where he was born. Mrs. Rogers' scrapbook contains many colorful accounts of pioneer history of Idaho, including obituaries of old friends. Of interest, too, will be the fine crocheted pieces and quilt tops Mrs. Rogers has made.

Wedded at Bellevue  
The couple was married April 21, 1892, at Bellevue, Ida., where the bride, Miss Alice Allen, had grown to womanhood in the home of her grandparents, and where Dr. Rogers was then practicing dentistry. They later moved to Shoshone, and from there Dr. Rogers made numerous trips to Bellevue to take care of dental patients working on the construction project there. They moved to Twin Falls in 1906, when there were only four business houses on Main street. They moved to Buhl in 1909, where Dr. Rogers maintained offices until 1932, when he went to Coeur d'Alene to practice until failing eyesight caused him to retire from practice.

## Won't You Join USO in Writing To Men at War?

The USO contact department is urging all letter writers to get busy.

How many of you remember the "Godmothers" of World War I? It was the name given women and girls who wrote letters to the men then.

Let's have some godmothers for the soldiers, sailors, marines and aviators of this war, say the USO contact women.

"It's lots of fun," they tell you, "and you can give your name in her departure packet has had a letter from its recipient telling his adventures and asking her to write to him.

"If you don't feel equal to letters, how about sending a newspaper subscription?" they ask.

If you want names of men to whom you may write, call Mrs. Richard Smith, 1411-W, chairman of the letter writing project.

Any family having a boy in service whose name would not be on a church letter writing list, and who thinks he would enjoy having a letter-writing godmother, is asked to notify Mrs. E. P. Ferry, phone 128.

The letter-writing plan suggested by the USO contact department is to write one letter a month for at least three months, after which an extended correspondence is entirely up to the participants.

## New Councillor Named by First Ward LDS Unit

Mrs. D. R. Johnson has been named as new councillor to the First Ward LDS Unit.

Hyde, president of the first ward Relief society, succeeding Mrs. Henry Jensen, who was released on account of ill health, it was announced at the society meeting Thursday at the church.

Mrs. Stanley Brown is the other councillor. "Humor for Children" was under the direction of Mrs. Albert Wright, who was assisted by Mrs. C. L. Luke and Mrs. L. W. Hyde.

Preceding the lesson, the group sang humorous nursery rhymes, and during the study period, Mrs. Elwood Whitehead read "Froland, the Bull," as an example of humor especially pleasing to children.

## Canteen Corps to Be Ready "When" Needed

By JEAN DINKELACKER  
Times-News Social Editor

"When" evacuees begin arriving, Twin Falls will be ready to feed them. And ready, too, for any other emergency requiring group feeding.

"When" is an alert, west coast word which has replaced the "if" of the "compendious" vocabulary.

The emergency deepens. Danger threatens the United States increasingly. The call to feed men, women and children under emergency conditions may come at any time.

That is not the statement of a "crackpot." It comes from the Pacific area headquarters of the American Red Cross, reminding that each Red Cross chapter "must be ready. Women must be quickly recruited, and their training speeded up in preparation for the call."

Not "Crackpot" Talk

In response to San Francisco's query, "What are you doing in regard to getting ready for emergency group feeding?" Twin Falls chapter has an answer.

A canteen corps course is being started Monday at 2:30 p. m. in the basement of the Twin Falls public library.

Classes will be conducted each evening until the course is completed.

Purpose of the course is to qualify women to undertake emergency family and group feeding in times of local disaster, national emergency, or war in normal times. They serve at chapter houses and sponsor such projects as gardening, canning and school lunches.

Approximately 60 Twin Falls women—homemakers, professional and business women—are already eligible to take this course of training and are urged to do so, according to the volunteer-organizing committee of the Twin Falls chapter, American Red Cross.

Any woman who is a citizen of the United States, and has completed the 25-hour standard civics course, is eligible to take the canteen course.

Roy C. Lane, manager of the farm labor camp, has permitted Mrs. Russell Miller, home management supervisor, to teach this class.

None of the chapter's money will be expended in equipping and maintaining a canteen corps.

Churches Respond

Several questionnaires have already been sent out to the churches, asking them to cooperate in making available to their buildings and equipment, and the response has been highly gratifying, according to the special services committee. Other questionnaires will be sent out this week.

A canteen corps is divided into units of 18 women in a group, and it is hoped that four units will be trained locally for this work.

This permits the efficient performance of the necessary duties, and the work is divided among the members, the duties being rotated to maintain interest and to give practical experience.

Uniforms will be worn in this branch of special services. The recommended uniform is of medium blue poplin with matching vest or coat, and is purchased by the individual members of the class.

Canteen corps workers will later give test meals as part of their training.

No soldiers are served under the canteen corps actup, such as Twin Falls is establishing.

It is probable that later a short intensive course for canteen aides will be given, these to assist canteen corps workers. The canteen corps is 20 hours, that for canteen aides, 10 hours.

## African Missionary Experiences Related

Experiences he encountered while a missionary in Africa were related by Rev. J. B. Waken at the meeting of the W.C.T.U. Friday at the home of Mrs. Albert Delling.

Mrs. M. Callicott presided, and Mrs. Bertha McVey conducted the devotional, reading the scripture and calling on Mrs. J. C. Porterfield to offer prayer. Mrs. Porterfield also accompanied the hymn singing. Mrs. McVey gave a reading, "Home and Humo," an article on the spiritual life versus liquor.

# TWIN FALLS BRUINS CAPTURE INVITATIONAL TRACK MEET

## Hulbert Takes Three Firsts; Rupert Second

Paced by the sensational Mel Hulbert, Twin Falls Bruins chalked up a victory in their first track and field event of the season here yesterday afternoon in a five-school meet.

With Hulbert picking up firsts in the 100-yard dash, 400 and broad jump, the Bruins scored 54 1/2 points. In second place were the Rupert Pirates with 66 1/2 points. Kimberly edged into third with 25 1/2; Bull had 24 1/2 and Jerome 21.

**Top Scorer**  
Outstanding scoring performance of the day was turned in by Mike Lawson, all-around Rupert athlete. Lawson picked up 17 points with a first in the high hurdles; second in the shot; second in the javelin, and second in low hurdles.

There wasn't an outstanding time or distance turned in during the day—although nearly every first-place winner had a creditable performance. Glenn Gibb's 100-foot, 10 1/2 inch heave of the javelin was one of the better. Ed Schenck of Rupert had a nice 125 foot, 7 1/2 inch of the discus.

**Point Getters**  
Following Lawson in the point column were Hulbert with 15 points; Tate, Kimberly's one-man track team, with 14; Schenck with 12 and Gibb with 10.

**Complete results:**

## Highlights at Five-School Track Meet

There was plenty of fun at Lincoln field yesterday as athletes from five schools participated in the invitational meet. And here are some of the boys who provided the action: Upper left, Ed Schenck, Rupert, who tied for first place in the high jump—showing nice form; upper right, Mel Hulbert, Twin Falls, coming home in the 400 with no opposition closer than 20 yards; lower left, Bildeback, Rupert, also showing some nice form on the high hurdles, despite the fact he only got third; and lower right, Lyle Pearson, well-matched young Twin Falls sophomore star, in the broad jump—won an event in which he placed second to Hulbert.

## Limit Set on Entries for '43 ABC Meet

By FRITZ HOWELL  
COLUMBUS, O., April 10 (AP)—For the first time in history, the American Bowling Congress will limit at Buffalo in 1943, the length of its national tournament and the number of competing teams.

E. H. Baumgarten of Milwaukee, ABC secretary, said today the Buffalo classic will be restricted to 60 days and 4,500 five-man teams—as compared with the 57 1/2 teams competing here over a 10-day stretch.

Buffalo to hurry reservations reached 200 today with no Buffalo teams listed. Last year at this time 2,100 teams had signed up for the current meet.

A possible shortage of tournament pins, draining off them personnel through the draft and war industry and inability to obtain the Buffalo site for more than 60 days prompted the change.

Bowling, America's fastest growing sport, also faces a wartime handicap—shortage of pins. The American Bowling Congress, said Charles (Chuck) Collier, bowling engineer for the Brunswick-Balke & Collier firm.

"With the government having requisitioned 2,000,000 of our maple pin blocks in the manufacture of shoe lasts, we face a definite shortage," he added.

A survey of Columbus alloy owners showed the usual per alloy per year pin consumption has been approximately 15 pins.

"The national emergency hasn't cut into bowling at all to date," said a Columbus pin maker having new leagues which roll at all hours, bowling establishments all over the country have been "throwing away their keys" to take care of the hour business."

## Husky Crews Set 3 New Course Records

SEATTLE, April 10 (AP)—The University of Washington set three new course records today in making a clean sweep of the 29th annual crew regatta with the University of California.

The freshmen and varsity crews won handily, but the Jayvees were hard-pressed by the consensus-favored Bears.

The Husky varsity won by four lengths in 18:48 to California's 16:05. The former record for the three-mile Leach-Nation park course, last raced over in 1920, was 16:40, set by Washington's varsity in 1922.

The junior varsity won in 15:55, half a second and about four feet ahead of the Bears. The old varsity course record was 16:20, set by Washington in 1928.

The Husky frosh won their two-mile event in 10:20.5, California, in 10:43, also surpassed the old freshman mark of 10:14 established by the Jayvees in 1922.

The Husky event held most of the thrills. It was a hard-driving event from the start, and climaxed in a breath-taking finish, California lapped to a lead at the gun, but Washington quickly closed. There never was open water showing between the shells throughout the three miles.

## Steelhead Run Reported Under Way at Sunbeam

The steelhead run is on! First catch of 1942 season was reported yesterday at Sunbeam dam in Stanley basin by Howard Davis, storekeeper. The annual run lasts about a month and always attracts many fishermen from southern Idaho.

The larger packs are not expected to be in full swing for another week or so, according to veteran anglers of that area.

## WSC Baseball Club Crushes Coyotes

## No Decision Yet on Poughkeepsie Race

NEW YORK, April 10 (AP)—Whether the intercollegiate rowing competition regatta will be held at Poughkeepsie, N. Y., again or be shifted to some other site will not be known until next week. Secretary Ana Bushnell said today.

Bushnell said the stewards were interested in holding the classic at a place where there will be the greatest participation and the greatest saving of money to the colleges.

Although Bushnell declined to be quoted, it was learned the stewards considered, in addition to Poughkeepsie, Onondaga lake at Syracuse, the Severn river at Annapolis and Lake Cayuga at Ithaca, where Cornell does its rowing.

## Vandal Track Club Defeats Whitman

WALLA WALLA, Wash., April 10 (AP)—Superiority in the field events enabled the Vandal track club of Whitman college, 63 to 59, to beat the Whitman club in a dual track and field meet today.

Idaho won 40 points in five jumping and weight events while Whitman was getting only five. The margin was too much for Whitman to make up although the missionaries won seven track events.

Whitman broke the Whitman field record in the 800-yard run, finishing in 1:50.5. (Former record unavailable).

REASON FOR TRACK MEET ATTENDANCES  
Looking at the empty stands at Lincoln field yesterday afternoon during the track and field meet, I couldn't help but think what a lot of fun and excitement countless thousands in south Idaho were missing.

But after musing the subject over (and spending just short of four hours on the field) I have come to the conclusion there must be a reason.

Two men chasing down a street will cause 100 per cent of the populace to fight for a place to watch. The same should be true at a track and field meet—where a much more exciting race may be watched.

But there can only be one reason for this lack of attendance—and that's lack of action. And the reason there is a lack of action is because track and field meets often are not run off in a business-like manner. There's too much waste, too much waste time between events.

Yesterday's meet here, which should have been run off in two to two and one-half hours, took closer to four.

It's the waiting between events that causes a lack of interest in sports of this sort. The same trouble is true in some places with boxing—no organization.

Be that as it may, I got my biggest kick out of the meet yesterday watching three-fourths of the Twin Falls Bruin backfield of 1942 in action in a relay race.

All sophomores, three youngsters teamed with Bob Jones to win the half-mile relay. They were Red Higgins, Lyle Pearson and Dale Green. All well-built boys, this trio will probably see plenty of action for Coach Frank Powers' gridiron eleven next fall. As sophomores this year, Higgins and Pearson were in nearly every game. Green was ineligible to compete this season due to transferring from another high school.

Powers, usually noted for putting off powerful lines on his Bruin aggregations, will have a speedy backfield the like of which hasn't represented this city for many years.

If the line lives up to the usual Powers standard, then the Twin Falls club will be tough to beat during the 1943 season.

Short shots:  
Ed Bostel, Twin Falls high school principal, tells me that the Idaho state high school golf tournament has definitely been awarded to Twin Falls—and will probably be held during the Big Six track and field meet in two weeks. \*Rozel

Grange Furrows

By J. R. CRAWFORD

As I sat looking down this Deep Creek valley in the gathering twilight it was hard to realize that the world is a vast and beautiful place.

You know it is good for one to sit apart, in quiet and just muse over the things of the world. There will be a crowd around them all the time in order to be happy. I fear that such folk are not at peace with the world and man, or their thoughts would at times be fit companions.

To mention a few of our leaders, there was Washington, the great "Stonewall" Jackson, Robert E. Lee, Theodore Roosevelt and our own President, Franklin D. Roosevelt.

And what our own glens of industry have been doing it only too typical of what all so-called civilized nations have done. It is a false promise based on might makes right. We see the same thing in our own country.

With the church we have called upon to make enormous sacrifices, these Godless worshippers of the golden calf are seeking in all things to bring the last bit of profit out of a bleeding nation while they criticize for seeking a bit of the wealth that is created.

They accuse the farm bloc in congress of being a bunch of ignorant hicks who are in a jam. Goodness knows agriculture has been in a jam long enough. The farmer, according to the hours he works and the skill that is required of him, is the poorest paid of any class of our people.

So it is that the farmer has been menager. They accuse the farm bloc in congress of being a bunch of ignorant hicks who are in a jam. Goodness knows agriculture has been in a jam long enough.

FARMERS GATHER FOR 'PLEDGE' AND ERATIC CLAMB

BUHL, April 18—Approximately 75 farmers from the Buhl-Caldwell-Glover district, who will act as supervisors and advisers in the universal pledge campaign for war stamps and bonds, will meet in the American Legion today at 8 p.m. to complete their organization and receive final instructions.

Frank L. Atkins, executive chairman in charge of the rural campaign, has sent cards to all 145 farmers, notifying them of the meeting, and also appointing local supervisors who will be responsible for soliciting pledges in as many school districts.

If the supervisors see it fit to enlarge their district committees in order to complete their work in the allotted time, said Atkins, they are expected to make such arrangements. "This is a very important job and all supervisors and those who have defeated as canvassers at the meeting Monday night for complete instructions."

T. B. Toffelmire, associate advisor for the war savings staff for Magic Valley, will be present to outline the program. To facilitate the work of the various canvassers, an information leaflet has been prepared by the E. L. Lynch Insurance office in Buhl. A stenographer will be on hand to take notes and refer to committee assignments, names of supervisors, etc.

Kimberly WSC Hears Mrs. Boyd

KIMBERLY, April 18—The members of the Methodist church met Wednesday at the home of Mrs. Floyd Jones with Mrs. Boyd Kimbrell as co-hostesses.

Guest speaker was Mrs. Carl Boyd, Twin Falls, who spoke on "The World as It is." Mrs. Boyd is a member of the Methodist church and the Ladies Aid Society in Minnesota.

Next meeting will be held May 1st at the home of Mrs. Charles Pierce.

Overseas Officer Father of Infant

PILGRIM, April 18—George D. Rich, Vancouver, B.C., is the father of a son born April 18, 1942, in Vancouver, B.C.

Mr. Rich is staying with his parents, Mr. and Mrs. D. R. Rich, Rich, B.C., who are in the United States.

Mr. Rich is a member of the Pilgrim Club in Vancouver, B.C.

PRICE OF WHEAT MAKES RECOVERY

CHICAGO, April 18 (UP)—Grain prices hit the recovery trail today. Wheat, corn and soybeans advanced the rally with an advance of about a cent at times, but the gains were whittled down before the close.

Reports of a bombing raid on Japan and strength of securities stimulated the buying mood of which represented purchases of dealers covering previous short sales.

Buying did not reach broad proportions, however, and when flour futures failed to advance it soon lost force. Wheat closed 1/4 cent higher than Friday, May 1919-20.

ASIA'S GETAWAY

CHAPTER XVIII  
 "ALLAN!" He roared at the way Asia's wonderful eyes were suddenly lighted by the fire of hope. "You've come to save me! He will—be with me, that Escobar!"

"Believe that's the idea," said Allan. "I think fast, lady. You can drive a car? Good! Do you happen to know where I left my keys? The motor runs, she said, had told her. 'Okay—here are the keys. Your pals didn't take them from me, thank goodness. Now you hop to the sedan and beat it for the border—Mexicali. Understand?"

"Yes, yes!" But—that devil will catch me—"

"Leave him to me. I think I can fix him. Got any cash?" She shook her head. "Here's a hundred. Will that set you anywhere?"

"Yes! It will take me in the States to cover the favor resources! Oh, Allan—how can I ever repay you?"

"Don't mention my name to your address. Write me care of General Delivery, San Diego. Then I will come to you and—claim my reward. How's that?"

"Oh, Allan—it will be wonderful! You shall have anything I can give you—everything!"

"Little lie," said Allan to himself cheerfully. He looked around. "Nobody about for the moment," he said aloud. "Get going, Asia, and keep your foot on the gas till you hit the border. Vamos!"

"He was serious, however, when he met Escobar coming down the steps of the bungalow. The officer was smiling and saying to Allan, "I am honored by your visit and speak bluntly to the point."

"You won't like it, but—I've just set Asia free!"

"The devil you have!" For the first time, Allan saw the colonel react in anger. His brows were thunderous, his eyes were coals of fire. "You carry sentiment a bit too far, soldier! That man—"

"I gave her my car and she's heading for Mexicali by now. I'm going to carry sentiment a little farther, Colonel. I was here for you a small service once, and you promised to return the favor. I'm going to take you in the States, allowed to cross the border unchecked."

"There was a moment of silence so deep it could be felt. Then Escobar bowed—the coldest, most ironical bow Allan had ever seen. "You are a fool," said the officer, sner, with my compliments—and contempt!"

had more than a sentimental interest in releasing the lovely Asia. "Oh, sure! She'd have been wasted on you, Colonel—you only wanted to shoot her—but she can be very useful to me. I'll get our border officials on the phone long before she reaches Mexicali and tell them to let her go. The American eagle has eyes, Colonel Escobar. Those eyes will be on her from the moment she sets foot in the States till she leads us to Gen. Baron Kazumori Sakaya; and they will be on Sakaya till he leads us to a certain German agent who was in on this Japanese camouflage; and they'll be on the Nazi agent until he innocently reveals the location of the secret Nazi base in the Pacific from which that bomber must have come this morning, smashed by Watanabe before a bullet put him out."

"What! I don't mean Asia! I mean the equally charming young lady who is waiting for you with her father—over there!" The officer jerked his head toward the Peninsula. "You will find her very persistent, very anxious to make amends for having misjudged you."

ended. You will be going home—and to the further pursuit of Asia, no doubt! But someday, when this mad world is sane again, you will come to see me in Mexico City, I hope. We will talk over these strange times. And you will bring Senora Steele, eh? She, too, will have memories."

"Senora Steele?" Allan laughed shortly. "You're wrong there, Colonel. I'm more likely to lead her to jail than to the altar."

"Don't! I don't mean Asia! I mean the equally charming young lady who is waiting for you with her father—over there!" The officer jerked his head toward the Peninsula. "You will find her very persistent, very anxious to make amends for having misjudged you."
