THE JAPANESE

CHINESE TROOPS SMASH AT REAR OF BURMA JAPS

By SPENCER MOORE
CHUNGKING, China, May 9 (AP)—A strong Chinese army force which the advancing Japanese bypassed in central Burma has smashed hard into the exposed rear of the Japanese, recapturing the former allied headquarters Maymyo and driving against both Lashio and Mandalay, the Chinese announced tonight.

This sudden maneuver, involving a forced march of more than 90 miles north from Tsungny, already has cut off the main communication route and line of retreat of the Japanese units that pressed so quickly along the Burma road into Yunnan province, China, said a communique.

The Japanese in Yunnan had split into two columns to try to flank the Chinese, but one of these columns already has been wiped out and the other is vainly trying to break out of an encirclement, said the Chinese communique.

Clinging to a broad front, starting reversely for the hitherto uniformly successful Japanese campaign in Burma, the Chinese, a military spokesman said that when the Japanese rushed northward through Burma they sent one force eastward along the Burma road and another went to complete occupation of the Lashio-Mandalay railroad and cut off Chinese troops still in the Mandalay area.

Chinese Active

But suddenly the supposedly trapped Chinese became very active, said the communique, and the Japanese forces which had rushed ahead to cut Chinese communications now are faced with the danger of being "annihilated" between the Chinese.

"It is expected that this Japanese column," said the communique, "is now being annihilated in a few days," said the communique, "apparently referring to the Japanese who had moved along the Lashio-Mandalay railroad."

Maymyo was recaptured Wednesday, said the Chinese, and now the Chinese are thrusting eastward in both directions, fiercely attacking Mandalay, 25 miles southwest of Maymyo, and pushing towards Lashio, 110 miles northeast.

Mother's Day

Clinging to his mother in the picture above is Scott Phillips, 11-week-old son of Mr. and Mrs. Hugh W. Phillips, Twin Falls. The infant, typical of thousands of the world over, saw his first Mother's day today and this morning he will be baptized at the Presbyterian church. Mother, old and young alike, today will be in the thoughts of their children, whether these children be at home or far away fighting for the right to continue to live in a free land. (Photo by O. A. Australians ARE RELIEVED AFTER JAPAN SET-BACK

By F. C. YATES, MANUEL
ALLIED HEADQUARTERS, Australia, May 9 (AP)—Australia counted herself eased tonight from the dread menace of immediate Japanese invasion, under which she has lived this past week, as Gen. Douglas MacArthur announced that the enemy had been thrown back in the war's greatest sea and air battle of "relatively slight" cost to the victorious defending forces, chiefly American.

The battle of the Coral sea, at least in its first phase, a routing, flanking, swirling combat spread over six days and great reaches of the waters just northeast of this continent, had "temporarily" ended.

MacArthur's war bulletins told categorically of allied success, the enemy repulsed, had initiative to attack still in allied hands.

United Nations leaders, however, said that this probably was only the first round with greater battles yet to come. One Commander, General Curtis, put it as "part of a struggle which must continue until the enemy is defeated or we are conquered."

Still Serious Situation

From advanced bases, the scene of the battle, from which land-based United States army bombers had been sent to join the fight, carried forthwith word that it was not at all certain that Japanese forces in this area had been accounted for. Authorities there insisted the situation still was serious. It was not known how far the enemy had withdrawn, perhaps to gather strength for a new and greater smash into the Coral sea. One Commander, however, found a Japanese convoy still north of New Britain, north of the battle area, only yesterday.

But the United Nations had MacArthur's word for it that the MacArthur armada had been placed with 11 of his ships sunk and six others gravely crippled, and that "our attacks will continue."

Claims "Fantastic"

Further, they had no assurance that Tokyo's claims as to allied losses were "fantastic." Its accounts of the battle, they said, were "incomplete and full of errors." (The navy department announced in Washington that its reports up to Saturday afternoon failed to substantiate the loss of any U. S. aircraft carrier or battleship in the Coral sea. The first news of Japanese damage to our forces are incomplete, but that they would be made known when the information would not help the enemy.)

The feeling here at headquarters was that the Japanese had been shut down for from two to seven days as a result of the blaze.

It was widely agreed that this fight marked the greatest setback in the Pacific since the Japanese had been unarmored by major defeat.

U. S. Ships, Planes Score Great Naval Victory in Coral Sea

ALLIED HEADQUARTERS, Australia, Sunday, May 10 (AP)—Allied bombers, continuing their attacks on Japanese naval forces in the Coral sea and the Louisiade islands, damaged an enemy seaplane tender and a tanker yesterday and destroyed or damaged four seaplanes, General MacArthur's headquarters announced today.

Error Costly To Suspected Draft Evader

William Griggs Stirling, 37, Memphis, Tenn., made one mistake as he was in custody of federal officers Saturday.

A charge of violation of the selective service act of 1940, filed against him by an FBI representative, was bound over to federal court Saturday by U. S. Commissioner J. O. Humphrey. The bond was set at \$2,000 and Stirling was taken to court.

Police said that:

—He returned under the name of Smith for the draft back in Tennessee in the first draft.

—He enlisted under the name of Stirling and gave his age as 40 rather than 37 when the 45 to 64, inclusive, age group registered at Bull only recently.

—He enlisted under the name of Smith as Bull when applying for his sugar ration book this week.

The third step proved to be the mistake, State Policeman V. K. Barker said. The name was registered at Bull for his sugar application. He received a ration book, but when the name had been changed and tipped off police.

Police said that the name of the registrant not be used.

GRAHAM McNAMEE DIES IN GOTHAM

NEW YORK, May 9 (AP)—Graham McNamee, 53, veteran radio announcer who once estimated that during his career he used more than 10 times the number of words in the average broadcast, died tonight in St. Luke's hospital.

He had been hospitalized for two weeks because of pneumonia.

A native of Washington, McNamee was regarded as the dean of sports radio in the United States.

In 1926, he had reported the first Rose bowl football game to be heard over a coast-to-coast hookup. From then on his voice was familiar to persons who listened to radio accounts of big-league baseball.

For years, his voice had accompanied newsworld.

He was a sliver before entering radio in 1923, when he was awarded a plaque by the Times Herald in Washington, D. C., in the 15th anniversary of his first broadcast.

McNamee, one of the first baseball and prize fight radio reporters, was a member of the National Association of Broadcasters and the National Press Club.

GIO TO PROTEST NEW TAX PLANS

WASHINGTON, May 9 (AP)—The GIO protested to the house ways and means committee today against any lowering of individual income tax brackets.

A letter to Chairman Doughton, D. N. C., from Fred Robinson and Paul Rosenbaum, GIO leaders, asserted that Secretary Morgenthau's proposals for lowered tax rates would mean a loss of \$700,000,000 below the amount asked for by the treasury.

The GIO asked that the corporate taxes be raised "to at least the amount asked for by the treasury."

The GIO also asked that the income tax exemption of single persons be reduced from \$750 to \$600, for married couples from \$1,200, and for dependents from \$400 to \$300.

Soviet Claims Nazis Using Gas in Crimea

By HENRY C. CASSIDY
MOSCOW, May 9 (AP)—Tass, official Soviet news agency, distributed for the first time in the Russian-German war today a dispatch reporting that the Germans had used poison gas on the Crimean front and the official Communist party newspaper Pravda published the bulletin under a two-column headline.

The Tass dispatch said:

"According to a report from Krasnodar (southern Caucasus), on May 7, in operation on the Crimean front, German troops used several mines with poison gas. A check-up has shown that poison gas affects respiratory organs and disables men."

There were indications that the reported incident was related in Moscow as experimental.

Early in the war Soviet spokesmen had said that the Germans were using gas. It was reported that the Germans were using gas. It was reported that the Germans were using gas.

\$750,000 BLAZE HITS WAREHOUSE

TOOELE, Utah, May 9 (AP)—Unofficial estimates of damage in the International Smelting and Refining company laboratory-warehouse here, which burned last night, reached \$750,000.

The warehouse, which was used for the storage of various mining and mill supplies, was destroyed by a fire which started in the night.

The fire was caused by a short circuit in the wiring.

FLASHES OF LIFE

By Associated Press

SLIGHT ERROR
TOWANANDA, N. Y., May 9 (AP)—A middle-aged woman walked down a high school where blood was being donated to the Red Cross blood bank, joined a line of other women, and asked some questions and a doctor and nurse withdrew a pint of blood.

Lifting herself from the cot, she asked: "What am I going to do?"

"For the soldiers and sailors, of course," the nurse replied.

"All I wanted was a sugar ration book," the bewildered woman explained, as she discovered she had entered the wrong school.

Man Smashes Jail Windows To Climax Busy Jerome Day

Jerome, May 9—County and city officers sighed with relief tonight when they clapped Claude Joseph Thomas back into jail after freedom for 12 hours.

Thomas, 38-year-old transient, practically wrecked part of the jail before he was finally subdued.

The transient, according to Sheriff Lee S. Johnson, did the following: (1) Broke out eight panes of glass from cell windows. (2) Tore off the faucet in the shower bath. (3) Threw the faucet through a window. (4) Broke the windowpane in a parked car owned by K. C. Kalland.

That, according to officers, was the climax to a busy day for Thomas. He was released from jail this morning after serving a sentence of 30 days for breaking and entering.

According to Sheriff Johnson's charges against him, he is accused of: (1) Taking a rifle and sweater from a car owned by Bill Wolfenbarger. (2) Taking a sweater and a pair of pants from a car owned by Bill Wolfenbarger. (3) Taking 100 baby chicks owned by Guy Dellinger. (4) Selling the chicks to Ray Mann, pastor. (5) Releasing a stall at Mann's office, putting a sign on a signpost and a sign on a signpost.

The sheriff said Thomas will probably face formal charges of theft, breakage of county property and breakage of automobile glass.

Japanese Planes Raid in Bengal

NEW DELHI, India, May 9 (AP)—Japanese bombers prospecting for new fields of conquest, raided Chittagong, eastern extremity of the industrial province of Bengal, today for the second time in 24 hours, causing relatively close to the great port of Calcutta the fact that India has dreaded so long.

The raids were the third and fourth attacks of the war on the Indian mainland.

A high level bombing and machine gun attack upon Chittagong yesterday afternoon caused slight damage to some casualties, the British reported.

Big Balkan Losses

LOVON, May 9 (AP)—An admission in an official statement today that 1,194 more Italian soldiers had been killed in the Balkan campaign April 7, 1942 of them when a transport was torpedoed. In addition, 600 were killed in the campaign.

The announcement did not give details of the fighting, but the Italian high command announced that April 7 that an Italian transport had been torpedoed off the Greek coast.

Indian Killed in Family Argument

BLACKFOOT, Ind., May 9 (AP)—A transient, according to Sheriff Lee S. Johnson, did the following: (1) Broke out eight panes of glass from cell windows. (2) Tore off the faucet in the shower bath. (3) Threw the faucet through a window. (4) Broke the windowpane in a parked car owned by K. C. Kalland.

That, according to officers, was the climax to a busy day for Thomas. He was released from jail this morning after serving a sentence of 30 days for breaking and entering.

Only Van Hamm's Body Recovered

The body of Pvt. Samuel J. Van Hamm, Jr., Twin Falls, was the first to be found at scene of an army plane crash, which took the lives of six other fliers high in the Sierra Nevada mountains near Bishop, Calif., his father Mr. and Mrs. S. J. Van Hamm, 1810 Kimberly road, were informed late Saturday night.

An Associated Press dispatch from the scene of the wreck which occurred Dec. 25—the plane not being discovered until several days ago—said that Van Hamm's body was the only one not recovered. Others were apparently buried deep in the snow.

Miners elevated to work at 11,000-foot elevation will join today the search for the other bodies.

Mr. Van Hamm, the father, said Saturday night that he had asked that the body of his son be returned to Twin Falls for burial.

The pack trip to civilization from the remote section where the plane crashed is a distance of 25 miles.

"NO-ESSENTIAL" AUTO GAS RATIONING IS SET AT 3 GAL. A DAY

NEED CARS TO GET MORE FUEL

WASHINGTON, May 9 (AP)—The office of price administration announced today that motorists whose automobiles are classified as "non-essential" would be allowed three gallons of gasoline a week under the rationing plan beginning May 15 in the eastern half of the country.

The decision to make three gallons the basic rationing unit was reached, OPA said, on the basis of supply figures furnished by petroleum companies.

There have been some indications that trucks and taxicabs did not believe such short rations were necessary.

Under the program approved by Price Administrator Harold D. Ickes, pleasure drivers will have seven "A" rationing cards, each entitling them to buy one gallon of gasoline during the 47-day period from May 15 to July 1, when a permanent and more elaborate rationing plan will go into effect.

All automobile owners who need their automobiles in connection with their work will be given additional rationing, depending on individual needs.

OPA said.

About one-third of the 8,500,000 car owners in the nation are entitled to buy gasoline under the rationing plan, OPA predicted, while around two-thirds will be eligible for "B" or "C" rationing cards through supplementary ration cards.

These supplemental cards will provide for "B-1" and "B-2" qualifiers, 45 gallons for "B-1" qualifiers and 30 gallons for "B-2" qualifiers during the 47 days.

OPA said that "B-1" qualifiers also will be issued to persons able to prove need.

Champs Both ANDERSON GIVEN VICTORY IN COURT

Memorandum decision, giving Carl M. Anderson victory in prolonged litigation, was handed down today by Judge J. W. Porter, eastern district of Idaho.

The decision, which was rendered after a hearing on May 8, gave Anderson a judgment of \$10,000 in damages and \$10,000 in costs, plus interest.

The case, which was brought by Anderson against the late Mrs. Anderson, was heard by Judge Porter in the federal court in Boise.

Anderson, who is now residing in the city of Boise, was the plaintiff in the case. The late Mrs. Anderson was the defendant.

CRIPPLED JAPANESE WAR SHIPS

(From Page One)

The Japanese, indeed, acknowledged the loss of a carrier and six planes, but claimed the sinking of an American battleship, two carriers and a destroyer. The Japanese said they damaged two other warships and shot down six planes, but it sounded like Tokyo was whistling in the dark to keep up its courage.

Secretary of State Hull in Washington commented it was difficult to restrain one's self from expressions of optimism equal to the magnitude of the victory. But he too cautioned against conclusions before the full facts are at hand.

These facts include the allied losses and the disposition of Japanese naval power still within striking distance. Japan's main fleet has been scattered in the Pacific, and the bulk of the fleet is in the Philippines. The bulk of the fleet is in the Philippines.

Japan's losses were inflicted where they hurt the most, since already there was a shortage of ships. The enemy was feeling the pinch of shipping losses.

The victory meant that at least two and possibly three of the eight, or nine regular carriers were sunk. The cruiser strength has been reduced by 10, or 15, per cent. At least 12 destroyers had been sunk, or 30 per cent of their strength in that category.

Allied headquarters felt that the spread of the first major Japanese thrust toward Australia or its supply lines had been broken or blunted.

NO 'DRAFT' FOR JAP CAMP WORK

Officials of Morrison-Knudsen Construction company said Saturday there was nothing of a "draft" nature in the work on the Japanese relocation camp to be set up near Elgin for 10,000 evacuees from the coast.

The officials pointed out that "draft" have been circulating to the effect a worker must sign up for a year and might be transferred, this job is completed, to Hawaii or some other location.

"This is not true," an official said. "The men who are working on the camp are not being drafted. They are working on the camp for a year and might be transferred, this job is completed, to Hawaii or some other location."

SOCIAL EVENTS and CLUB NEWS

Episcopal Afternoon Guild Plans Annual Bridge Tea May 18 at J. E. Hayes Home

Anticipated with interest by many Twin Falls women is the bridge tea at which Episcopal church annually entertains. Planned originally in February, the social event was postponed because of the press of other activities at that time. Now, it is marked on the calendars of many for Monday afternoon, May 18, at the home of Mrs. John E. Hayes, 691 Shoshone street north.

Plans for the affair were completed at the Guild's recent meeting at the home of Mrs. D. D. Alvord. Officers were reelected for another year, and account of semi-annual meeting of the Women's auxiliary of the Twin Falls Episcopal church, held earlier in the week at Burley, was given by Mrs. E. Leslie Rols.

Committee for Tea
Mrs. J. A. Blandford is chairman of the committee for the tea, with her assistants including Mrs. Allyn Dingel, Mrs. C. E. Weaver, Mrs. E. M. Robertson, Mrs. C. J. Hahn, Mrs. H. E. DeLus and Mrs. G. H. Truitt.

Women desiring reservations for bridge are asked to telephone any committee member, and those who wish to attend only the tea are invited to come at 4 p. m. Bridge will start at 5 p. m.

Officers reelected were Mrs. A. L. Norton, president; Mrs. Marshall Chapman, vice-president; Mrs. Charles B. Beymer, second vice-president; Mrs. E. D. Williams, secretary, and Mrs. J. H. Blandford, treasurer.

Program feature was an address, given by Mrs. T. M. Robertson.

At Deansy Meeting
Beulah Roy and Mrs. Rols, Twin Falls women who attended the deansy meeting were Mrs. W. R. P. Hahn, Mrs. T. W. Hicks, Mrs. P. F. McCrete, Mrs. Beymer, Mrs. A. L. Bellini, Mrs. George P. Spangue, Mrs. Williams, Mrs. G. H. Truitt, Hansen, and her guest, Mrs. Gertrude Wright, former Filer resident, who is visiting here from Moscow.

During her account of the meeting, Mrs. Rols said that Bishop P. A. Rhea led meditation during celebration of holy communion at 10:30 a. m. at St. James Church in Burley. Luncheon was served in the Presbyterian church, and the afternoon session featured matters pertaining to work of the auxiliary in the deansy.

Mrs. Rols presided in the absence of the vice-president, Mrs. P. A. Haddock, Shoshone, who was unable to attend.

Mrs. P. E. Barrett, Gooding, was named new vice-president of the deansy, and Mrs. C. D. Johnson, Rupert, secretary. The October meeting will be held in Halley.

Stake Officials at Relief Society Meet
Mrs. George J. Ward, stake Relief society president, and Mrs. D. T. Hollingbrooke, her first councilor, were special guests at the second ward stake church meeting Thursday at the church. Mrs. C. F. Parkinson presided and Mrs. M. L. Elman conducted.

Mrs. Beth Benn was in charge of the theology lesson. Mrs. W. E. Packard presented one of her pupils, Miss Blanche Brown, who played a guitar solo.

Mooseheart Benefit Arranged by Women
Women of the Moose will entertain at a picnic social May 12, all proceeds to be donated to the girls at Mooseheart who are graduating June 6. Plans for the benefit were made at the home of Mrs. Ruth Murphy Wednesday evening, when the Moose Women's committee met.

Mrs. Pauline, Mrs. Vera Woolley and Mrs. Ruth Bush were named to arrange the social. Secretaries were re-elected by an exchange of aprons, and names were drawn for next year.

Calendar
Unity club will meet Wednesday at 2 p. m. at the home of Mrs. Sam Gambler.

Zeta Psi chapter of the Delta Delta Delta will meet at 8 p. m. Monday at the Farmers' Auto Insurance company auditorium.

Tri-Y club officials announced last night that the mother-daughter tea had been postponed until Sunday, May 17.

Twin Falls chapter, Order of the Eastern Star, will meet at the Masonic temple Tuesday at 8 p. m. Past matrons and past patrons will be in charge of the program, with Mrs. Emma Jones as chairman of arrangements.

Youngsters Find Paradise at Doll Fair

Dolls aren't normally of much interest to little boys, but young Charles Powers had a wonderful time yesterday during his "trip" through the doll fair with little Miss Janemarie Smith as his guide, and when Janemarie was out of words to describe the vast collection, her friend, Audie Hase Slack, "took over." Sponsored by Oxyacene group of Camp Fire Girls, the show was open yesterday at the Twin Falls public library basement from 2 until 5 p. m. and because of its popularity, will be kept open from 2 to 5 p. m. today.

Unique Doll Fair Kept Open for One Day More

By LUCILLE KNIGHT DUMING
Oxyacene group of the Camp Fire Girls decided about two weeks ago to sponsor a doll fair, invite all their friends to enter their dolls for one of six prizes, and to use the money to help pay summer camp expenses. Yesterday morning, arranging the dolls for display in the basement of the library building, they decided to take part of the money from the show and buy United States defense stamps because returns from that show were so much larger than they had anticipated.

And because so many people responded to the invitation to enter their dolls, they decided to keep it open again this afternoon for inspection by the public. Members of the group will be present from 2 to 5 p. m. to conduct interested people through the exhibit.

Arrange Show
Mrs. Ralph E. Smith, guardian, and Mrs. Lyons Smith, assistant guardian, directed the girls in arranging the display of over 400 dolls from all countries of the world. From one carved wooden doll so tiny it rests within a wooden shell no larger than your finger, to huge rag dolls at large as some of the youngsters who were inspecting the collection, the show offers much in the way of entertainment to a public that likes to forget, occasionally, that we are a world at war.

And there's not all from Twin Falls, either. Mrs. Grace Gries, Burley, sent her 4-year-old China dress doll, and Mrs. Virginia Black, Filer, sent her collection of about 40 different dolls for display.

Foreign Dolls
Miss Marilyn North's display of dolls from many corners of the world is arranged in another part of the room. Included are Kristin from Norway, Tanya from Roka from Alaska, Marie from Normandy, Amelia from the Greek court, Verena from Serbia, Gretchen from Norway and Petunia from the Deep South.

Mrs. Lyons Smith, whose hobby is collecting dolls, has many of her on display. She pointed with pride to her favorite, a Madame Heppen doll made in Germany. Over 25 years old, she said that she found the Lord Faulstich boy doll in a rummage sale, and "wouldn't take any amount of money for him."

Marjorie Slack, Kenneth H. Poe To Marry May 20

The approaching marriage of Miss Marjorie Lee Slack and Kenneth H. Poe was announced today by friends of the bride at a dinner party Friday evening at the home of her parents, Mr. and Mrs. F. W. Slack.

Marriage date is May 20, according to the announcement cards, which are in miniature Lockheed airplane models, which marked each cover. The bridegroom-elect is a member in the Lockheed factory, where the P-38 models are constructed.

Miss Slack recently returned to Twin Falls from California to complete plans for her marriage, the ceremony to take place at the home of her parents.

Mr. Poe, Burbank, Calif., is the son of Mr. and Mrs. W. A. Poe, Twin Falls.

A model Lockheed airplane was suspended from the ceiling above the dinner table, and choice pink and white nautica, from the garden of Mr. and Mrs. C. P. Bowles, formed the centerpiece.

The marriage took place at Filer, Nev., Nov. 20, 1941, J. A. McFarlane officiating. Witnesses were Frank Goldschmidt and James H. Mason, Mr. and Mrs. Smith are making their home on the Morris Cunningham farm.

Joyce Irish Wed To Corp. Klaas
FILER, May 9.—The marriage of Miss Joyce Marguerite Irish, daughter of Mrs. Georgia Irish, McCall, Idaho, and Mr. Oscar Klaas, Filer, was an event of April 11 in St. Leo's rectory, McCall. The ceremony took place at 10 a. m., a reception following at the home of Mr. and Mrs. Peter Strind.

Miss Winona Blakely, Tacoma, Wash., was the bride's only attendant, and Otto Christoff, Filer, served the bridegroom as best man. There were 38 present for the ceremony and reception.

A wedding cake topped by a miniature bride and groom centered the collation table at the reception.

Stop Bickering, Win War, DUP Advised

"Our first duty is to help win the war, and we cannot do this if we find bickering and fault-finding in our midst. Conserve food and clothing—the great lesson of thrift and sacrifice from our pioneer ancestors," advised Mrs. Kate B. Carter, Salt Lake City, Utah, general president of the Daughters of the Utah Pioneers, when she addressed the bi-annual meeting of Twin Falls county D.U.P. company Friday night at the Idaho Power company auditorium.

Members from Twin Falls, Kimberly, Buhl and Murtagh were present for the session, which also featured election of officers for a two-year term and announcement of plans for erecting a memorial plaque on the old Stricker store building at Rock Creek, Buhl, in 1943.

Erected in 1903, the building is in excellent state of preservation. Services are to be held at the farm home of Mrs. Lucy Stricker Saturday, May 16, at 2 p. m.

Mrs. Bucker, who celebrated her third birthday anniversary last day, is southern Idaho's first business woman, and will be honored as one of the oldest pioneers at the day-long services planned by the retiring Twin Falls county D. U. P. officers, headed by Mrs. Emma S. Luke, who submitted her resignation Friday evening as county president.

Mrs. Luke, who has served as county head since the group organization five years ago, presided and gave the welcome address, reviewing accomplishments and growth of the organization during her term of office.

She spoke of the memorial building to be erected in Buhl Lake City after the war, which will honor all pioneer settlers to be found in the place and will serve as a memorial to the courageous men and women who first settled Utah.

A number of local camps who have died in the past two years were paid tribute during a moment of silence.

Program Numbers
Mrs. Minnie Blaser, program chairman, presented the following program: Group singing; duet, Mrs. Ophelia Cox and Mrs. Barton Buhl; asstomoon solo, Mrs. Lucille Blaser; Kimberly; group singing, accompanied by Mrs. Warren Tunks.

A skit was presented by Mrs. Ruby Jackelin, Mrs. Rhoda Babel and Mrs. Wm. Robinson, and 73-year-old Mrs. Jane Gardner entertained the group with a lively step dance lesson when she was a child.

Election results were as follows: President, Mrs. Olive Henry; vice-president, Mrs. Adeline Henry; Zella Morrill; Kimberly; second vice-president, Mrs. Evelyn Millard; third vice-president, Mrs. Lillian Davidson; Twin Falls; registrar, Mrs. Beth Thuesen; Twin Falls; historian, Mrs. Adeline Henry; Twin Falls; chorister, Mrs. Lyona Balch; Twin Falls; organist, Mrs. Zella Morrill; Twin Falls; custodian of relics, Mrs. Margaret Glen; Twin Falls; chaplain, Mrs. Lillian Davidson; Twin Falls.

Several "annual events" featured the meeting of Twin Falls chapter, American War Mothers, Friday afternoon at the auxiliary rooms of the Legion Memorial Hall. Hostesses were Mrs. Anna Peters, Mrs. Mary Newman and Mrs. J. T. Day, Eden.

Traditional recognition was accorded gold star mothers, who were presented certificates from the chapter by Mrs. Carrie Jones. Women so honored were Mrs. Agnes Fields and Mrs. Anna Jones.

Honored Guest
Mrs. J. W. Adamson, whose son, Louis Adamson, was one of the first Idaho defense workers to be killed during the Japanese attack on Wake Island, was an honored guest of the chapter, and was presented with a floral arrangement.

Annual memorial services, in honor of 23 deceased members of the chapter, were conducted with Mrs. Mattie Vickers, Mrs. Laura Young, Mrs. A. S. Maryn, Mrs. Emma Balch and Mrs. Anna M. Wise taking part. Mrs. F. E. Beckett was soloist.

American flags and lighted tapers decorated the memorial altar, and a profusion of white flowers was about the auxiliary rooms.

During a brief business meeting conducted by Mrs. Vickers, a statement was made for the annual carnation day sale staged in downtown Twin Falls yesterday. Mrs. Myrtle Bandy was chairman of workers, who maintained headquarters at the Roger-Son hotel.

Program Numbers
The program was presented by Mrs. Anna Oakes, who gave each participant a corsage. Four vocal selections were given by Mrs. C. S. Sim, accompanied by Mrs. Warren Tunks, and a reading depicting all stages of motherhood was given by Mrs. R. B. Hollenhorst.

Chapter guests were Mrs. Jennie Hinehart, who was welcomed back as a member; Mrs. Adamson, Mrs. Lillibrooke, Mrs. Smith and Mrs. Tunks.

Navy Mothers Will Buy Defense Bond
Magie Valley Navy Mothers' club, at a meeting Thursday evening at the Y. W. A. room, voted to purchase a \$25 defense bond. Mrs. Vuna Larson presided.

Two new members were welcomed, and the club's banner was presented for the first time. A social was set for May 21 at the same place.

Jerome Girl's Betrothal Told At Idaho Falls

JEROME, May 9.—Of interest to friends in Jerome and other spots in Idaho was word received recently of the approaching marriage of Miss Muriel Hunsell, daughter of Mr. and Mrs. Harold Freeman, Jerome, to Harold Bauer, Seattle, Wash.

Announcement was made during a party arranged by Mrs. Ace Johnson, formerly Miss Bert Wilson, Jerome school teacher, at her home in Idaho Falls. Assistant hostess was Miss Winifred Brown, also a former instructor of Jerome city schools.

Place cards, miniature blue birds, held tiny scrolls under their wings, the notes telling of the coming nuptials.

Miss Freeman is a graduate of Jerome high school and of Albion State Normal school. She has taught in Jerome county schools and at present is a teacher in Idaho Falls schools.

The couple will be married early in June at the home of her parents in Jerome. They plan to live in Seattle where the bridegroom-elect is employed in defense work.

chors Awelch and "La Paloma" were featured. Miss Hunsell played piano numbers, "Musical Snuff-box" and "Velocity." Group singing concluded the evening's entertainment.

Mrs. Cora Walters, president, was hostess during the social hour.

Latawah Club Has Guest Day Party

HANSEN, May 9.—Twenty guests braced club hospitality were present at the Tuesday afternoon meeting of the Latawah club at the home of Mrs. Willard McFarlane.

The program, arranged by Mrs. Edna Robinson, included numbers by the brass ensemble of the school band, with Charles Swann, director, and Warren Robinson, Truman Baily and Thelma McFarlane playing.

Dorothy Walker gave a reading. A tea was arranged by the hostess with Mrs. Wm. Howard, Mrs. Robert Howells and Mrs. H. J. Doering as assistants.

Mrs. Lulu B. Stevens, Kimberly, and Mrs. Woodie Clark, Twin Falls, mother of the president, Mrs. Claude Bernard, poured.

FALLS CAPTURES DISTRICT TRACK AND FIELD MEET

Rupert Edges Burley for Second Place

Topping away with nine first places, Twin Falls Bruins won the annual district track and field meet yesterday afternoon with 65 4/5 points.

Running a nip-and-tuck battle with Burley and Rupert until the final two events were reported, the Bruins won firsts in both events—javelin and broad jump, to clinch the title.

The second place was the tough Rupert Pirate squad with 57 1/2 points, noting out Burley with 50 1/2. Quarter point scores were: Burley 24, Jerome 17, Oakley 4, Gooding 3, Wendell 1 1/2. King Hill and Halsey failed to score.

Individual scoring honors went to Mike Hawson, Rupert's all-around athlete. He picked up a first in the low hurdles, second in the high hurdles, tied for fourth in the shot put, got second in the javelin and put on the second-place Rupert relay team to place the final 15 points to place the Bruins.

Hubert Wins Twice

Mike Hubert had 10 1-1/2 points to lead the Bruins to victory. He ran the 40-yard event without pressure and turned in a 53.1 mark.

However, the outstanding performance of the day was by Ed Edgerton, Rupert's weight man. He tossed the discus 127 feet, 10 inches in regulation opposition to take first place and then in three extra trials he hurled the discus only 146 feet, even to gain a new record.

In scoring the victory, Twin Falls had firsts in 100, 200, high hurdles, half and mile relays, pole vault, javelin, broad jump and 440.

Most exciting race of the afternoon was the half-mile in which Edgerton of Rupert moved out Nelson from the lead in the first lap, and in a close finish. The three ran neck-and-neck for the full last 20 yards, with Edgerton pushing ahead in the last 20 yards.

Five Men Eligible

The meet was scored on a 5-4-3-2-1 basis, with first five men in each event eligible to attend the state meet with the exception of the hurdles, where only four are eligible, and in the relays, where three teams may enter.

Well, I guess that we may now say that spring has arrived, as we have had two nice days in succession and you can see the grass is starting to grow. I believe this is the earliest that I've seen since 1918 and the spring of 1919 I turned the cows on grass that was six or eight inches high by the 15th of April. But this year, I believe the cloverleaf cheese factory operated by the late Gustave Kuntz as high as 10 cents a pound for butterfat that year. Few people were milking cows as wheat at \$1.50 per bushel was much more attractive as a farm project, and the work required was not nearly so great.

Sixty bushels of wheat was a good crop at that time as there was very little manure to put on the land. Now with more fertilizer and perhaps better strains of seed this average has been greatly exceeded. One man, Gull Samuels, getting 103 bushels per acre from a field of 10 acres a few years ago.

"Grainary" Flaps

Speaking of crops, the "ever normal granary" seems to have failed to work this time, which is the first time we have had occasion to invoke its aid. On Dec. 6, 1941 we had too much of everything but wheat and corn. You might mention that as of 9 o'clock, Dec. 7, 1941, we were short of everything but wheat and corn. We still have too much of each of these commodities. We can't sell the wheat and they say we have no place to store it. Almost the same thing may be said of the corn. And do you know, I just can't get reconciled to going without sugar so they can make beer out of it. I don't mind shooting the Japs with sugar if we need to but I hate to see the Japs get it. I just don't like to see them get it. I just don't like to see them get it.

MAN CASSA AT MEET LEADERS AT MEET

HULLY, May 9.—Twenty-seven 4-H club leaders from Cassia and Minidoka counties attended a leaders' training meeting recently at the county extension office, purpose of the meeting being to acquaint leaders for this year with some of the requirements pertaining to their clubs.

Much of the club work has been changed, according to defense policies, and likely home needs more than before, according to W. W. Palmer.

D. E. Warren, state 4-H club specialist, discussed with leaders the place of club work, particularly, and stressed a health and nutrition program.

Mr. Warren also discussed club officers, discussed clothing work, and Leatia Christensen, district home demonstration agent for Idaho Falls, assisted.

Mrs. Margaret Hill Carter, district home demonstration agent in this area, and Miss Mildred Hahery, agent for Pocatello, spoke on nutrition and canning.

Club work is setting underway quite well in Cassia county, with the district home demonstration agent, a membership of 237. Organization of clubs before school work has started has been organized with a membership of 237.

SERIAL STORY

FRANTIC WEEKEND

BY EDMUND FANCOIT

TALENT SCOUT

FRIDAY, Peggy was pleased to note that Baldy had decided to join Fay in co-operating with whatever devious plan the younger girl had in mind. He filled Baldy's glass again while Peggy carried on the daily policy, emboldening his confidence of the afternoon.

She described how Baldy had "wowed 'em" in the days before burlesque had come to stay with his act that shared billing with a lady of unquestionable charm—Blossom. "wowed 'em," that is until he made the mistake of marrying her. Her words tumbled out with feigned admiration and enthusiasm that mellowed Baldy until he beamed and struck the rest of the company, and especially Nigeli, as high comedy. She had no regard for sequence, but her praise of Baldy, her mode of his sometimes racy but never colorful career, fell on receptive ears. Even Myra forgot her misgivings in admiration for this glib and entertaining youngster.

"We could learn so much from Baldy," Peggy rattled on.

The rest, tumbling to the spirit of the thing, joined in, and soon Baldy basked in the position that flattered him most. As the center of the company he had been frozen out of a few minutes before—and center of it thanks to Peggy—he was soon taking over the account of his personal history and adding glorious, if alcoholic, embellishments even Peggy hadn't dreamed of.

The upshot of it all was that after dinner he was mellowed and anxious to demonstrate just where his own particular talents could lead them.

Peggy egged him on and was promoted to the role of the lady Blossom in the purposes of demonstration. Fay played the piano.

"Say," said Baldy to Peggy after the first few tryouts. "You can dance! Now try this one."

He began to tap and Peggy followed him with a natural knack for picking up steps. Then he demonstrated how Blossom would make a mistake and how he would and how they'd quarrel and how she'd pull his hair and it came off.

"Now for this concert party you want."

Then he went on, improvising a program as he went, playing half a dozen parts himself and working in Peggy and Fay. He proved himself a comedian with a natural flair for improvisation, and he kept his small audience in a state of laughter and anticipation until he caught a glimpse of himself disheveled and dripping with perspiration.

"Well, folks," he announced. "That's all. Next show at twelve midnight."

Then he retired to change into another new outfit—common pink slacks and sports shirt.

"I STILL prefer to hear you wail."

sing Grace," said Nigeli to Fay. "What about me?" asked Peggy. Myra interrupted. "You ought to be spanked and put to bed. But still you weren't so bad, even though I am your most dubious critic."

Peggy grinned. "You were wonderful. Peggy—quite professional. That is what you want to hear, isn't it?"

Peggy grinned back at him and nodded.

When Baldy returned to the company it had split up to do various things. Fay and Michael and Nigeli went out somewhere in the moonlight.

Peggy met Baldy with a long real drink ready to set at his elbow.

"Say, you read my thoughts," said Baldy who felt at last he was really being appreciated.

Peggy looked at him and shook her head. "You know, Baldy, you're all wrong."

"What do you mean?"

"You need a manager. You shouldn't be managing other people. You need one yourself."

Baldy shook his head. "Don't with that on me. I've been married and I know what it's like."

"I don't mean that, Baldy. A man with a talent like yours shouldn't be looking after other people's talent. With the right management you'd be way up at the top with Hollywood running after you."

Baldy shook his head. "So I would, honey, so I would, but between you and me, it's jealousy, professional jealousy that kept me down. Couldn't fight it. The bigger and better you are the harder they run for you. Jealousy, that's what it was. Jealousy, the curse of the profession, though I'm too big for that kind of thing myself."

BOARD DEMANDS HALT OF STRIKE

WASHINGTON, May 9 (AP)—The war labor board today demanded that 1,200 workers involved in an unauthorized strike at the Williamsport, Penn., plant of Bethlehem Steel, return to work immediately and submit their dispute to mediation by the board.

Welding Chief William H. Davis is at the same time telegraphed officials of the steel workers' organizing committee (CIO) and the company that the board will hold a hearing May 12 on the dispute.

The workers' strike Wednesday, after charging the company with unwarranted delay in the establishment of grievance machinery, yesterday they telegraphed Davis and President Roosevelt a request that the government cease the strike.

Davis told the workers the strike was in violation of the union's no-strike pledge and has "interfered with the production of necessary materials for our war effort."

War Proves Aid To Novel School At Idaho Resort

SUN VALLEY, Ida., May 9 (AP)—War which drove Donald MacJannet and his family from their home in France has turned up this spring as his unexpected ally.

The school, MacJannet, who has conducted a summer camp school here for the past two years, today envisioned a good future for his type of outdoor school during wartime.

MacJannet, a Frenchman, fearful of blacked-out coastal cities, are turning their eyes to inland schools. MacJannet claimed. The parents are also interested in the school program which will make the children physically fit.

MacJannet is no man to neglect the three T's—but he also emphasizes another set of T's at his school. When the pupils finish, they are robust, rough and ruddy.

Twenty-two years ago, in the colorful fishing village of Belle Isle off Brittany's coast, MacJannet opened the first American summer camp in Europe. Driven from Europe by war, his camp was turned into a Quaker-supervised home for war orphans. Now he is working in France on the first French Alpine camp in the United States.

USO Matrons Are "Mothers" Today For Armed Force

Many Twin Falls young men will not be home for Mother's day, but parents of sons in the service can be assured that if they go to a USO building today, they will receive "the next best thing," a sincere greeting from a USO matron, and a lot of "the comforts of home."

That assurance was given by Mrs. Emma Blodgett, who talked to dozens of young men in the navy, army and marines during the past few weeks while visiting in the middle-west.

"The USO gives us the only home life we have," was the way many summarized this activity.

She is in charge of the financial drive for the USO in Twin Falls county, with the Twin Falls district her special responsibility in addition.

"If the response to the campaign meets with the enthusiasm we received when contacting people to assist in the drive, we should raise our allotment of \$6,000 within the two weeks' goal we have set," Mrs. Blodgett said last night.

Women participating in the residential district drive in Twin Falls will assemble at 2 p. m. tomorrow at USO headquarters, Radio building, and the men are meeting in the business district will meet at headquarters at 10 a. m.

It is anticipated that the campaign in the city itself will be completed in 10 days.

Rotary, Kiwanis, Lions clubs and the Junior Chamber of Commerce are taking part in the downtown solicitation.

Gooding Selectee List Announced

GOODING, May 9 (AP)—The May quota, as selected by Mrs. Ruby Massey, clerk of the local draft board, is listed as follows with one volunteer, Branch Britton, Gooding, formerly in class 3-A, volunteered through selective service; others are Robert Scott Miller, Gooding; Otto Willis Cartlett, Tuttle; Oliver Kenneth House, Gooding.

Harry Benjamin Cowan, Gooding; Arthur A. Spencer, Wendell; Glover Cadwell, Gooding; Raymond W. Carlson, Gooding; Donald H. Hovey, Wendell; Leonard H. Wendell; Leonard H. Wendell; Willis Anderson, Wendell.

Transferred from local draft boards are Benjamin E. Uhle, from Casper, Wyo.; Robert Carl Hoffman, from Payette; James Joe Gurdin, from St. Anthony.

These men will be inducted at Boise.

Orville Lee Bishop, Wendell, has enlisted in the U. S. navy. Reynolds Fridman, Gooding, has volunteered for the officers' candidate training. He went to Salt Lake City, took the examination and passed term and has been notified that he will leave Gooding within the near future for the training station.

2 Insurance Men High in Contest

U. N. Thompson and E. Sanders, Twin Falls representative of Equitable Life Assurance society today were congratulating the winners for their help in a national sales contest which was won by the southeastern Idaho district. The district led the entire United States for April.

Charles L. Madden, Pocatello, is manager of the district which made a number of records in the contest. He will represent the district at the convention of the society to be held in Chicago May 11.

Manpower Boss

Arthur J. Alexander, above, is the new executive officer of the war manpower commission. Paul McNutt appointed him.

SPUD PRODUCERS ELECT ON MAY 27

BOISE, May 9 (AP)—Southern Idaho potato growers will meet May 27 at Idaho Falls, Twin Falls and Caldwell to elect five members and alternates to the potato marketing agreement committee.

Shoppers meet Monday at Idaho Falls, Tuesday at Nampa and Thursday at Burley to elect their three members of the committee, which has the power to restrict marketing of undesirable grades of potatoes under a program adopted last fall. In the present shipping season only full potato shipments were curtailed.

MacJannet is no man to neglect the three T's—but he also emphasizes another set of T's at his school. When the pupils finish, they are robust, rough and ruddy.

Twenty-two years ago, in the colorful fishing village of Belle Isle off Brittany's coast, MacJannet opened the first American summer camp in Europe. Driven from Europe by war, his camp was turned into a Quaker-supervised home for war orphans. Now he is working in France on the first French Alpine camp in the United States.

USO Matrons Are "Mothers" Today For Armed Force

Many Twin Falls young men will not be home for Mother's day, but parents of sons in the service can be assured that if they go to a USO building today, they will receive "the next best thing," a sincere greeting from a USO matron, and a lot of "the comforts of home."

That assurance was given by Mrs. Emma Blodgett, who talked to dozens of young men in the navy, army and marines during the past few weeks while visiting in the middle-west.

"The USO gives us the only home life we have," was the way many summarized this activity.

She is in charge of the financial drive for the USO in Twin Falls county, with the Twin Falls district her special responsibility in addition.

"If the response to the campaign meets with the enthusiasm we received when contacting people to assist in the drive, we should raise our allotment of \$6,000 within the two weeks' goal we have set," Mrs. Blodgett said last night.

Women participating in the residential district drive in Twin Falls will assemble at 2 p. m. tomorrow at USO headquarters, Radio building, and the men are meeting in the business district will meet at headquarters at 10 a. m.

It is anticipated that the campaign in the city itself will be completed in 10 days.

Rotary, Kiwanis, Lions clubs and the Junior Chamber of Commerce are taking part in the downtown solicitation.

YOUTHS IN ARMY; CHARGE DROPPED

On motion of Everett M. Eweley, county prosecutor, charges of burglary against Kenneth Eweley, 17, and Gerald Cunningham, 17, were dismissed Saturday by Probate Judge C. A. Bailey.

The two were charged with burglarizing the Chevrolet Motor company garage here. They were out on bond and Eweley explained that they had volunteered their services with the armed forces and were now in the army.

Hearing for Ivan Smallwood, 18, on the same charge, was continued by Judge Bailey until May 11 at 10 a. m. All three youths reside at Kimberly.

According to officers they were found in the garage by Glenn E. Jenkins, manager, and that one of them hit Jenkins over the head with a car heater during the scuffle. Jenkins was slightly injured.

'42 General Tax Held at 15 Mills

City councilmen in recessed session Friday night adopted a resolution calling for publication of a notice that the general fund levy for the coming fiscal year will be 15 mills on the dollar.

Ordinance 1010, which sets the general fund levy has been the same for the last four years. A public hearing on the levy was set for Monday, May 25, at the city hall at 7:30 p. m.

Officials also adopted the budget for the next fiscal year which calls for a general fund expenditure of \$123,215, or 14.05 less than last year. Under the separate waterworks budget receipts for the coming year were estimated at \$9,715.90 including a cash surplus of \$16,715.90, with estimated expenditures from that fund placed at \$20,000.

Car Graveyards Must Dispose of Metals in Week

BOISE, Ida., May 9 (AP)—Owners of Idaho auto graveyards today were given another week to dispose of scrap metal.

John S. Graetz, Seattle, Wash., regional field representative of the salvage metal campaign, announced May 15 had been set as the date by which scrap metal stored in the auto wrecking yards should be sold. Scrap dealers have been provided with lists of the graveyards and are urged to contact owners and make an offer for the material on hand, he said.

Graetz pointed out that the yard owners were not required to sell to the dealer calling on them but they must sell to some dealer, mill or foundry.

Idaho Asks Aid on Mineral Deposits

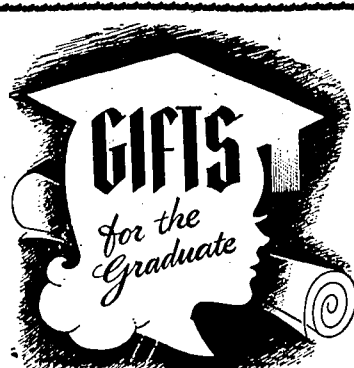

BOISE, Ida., May 9 (AP)—A series of resolutions seeking federal aid for development of strategic mineral deposits were sent to Washington, D. C., today by a committee of Idaho mining men.

The committee was chosen at a meeting of mining men and representatives of the U. S. department of interior. The miners sought engineers, loans for development and exploration of strategic minerals and construction of mine to market roads.

A. V. Fisher, Boise, headed the committee. Other members were J. C. Sawyer, J. J. Oberbiller, and James H. Hawley, all of Boise, and C. A. Dye, Teton.
