New Jap Threats Loom on Aussies As Vessels Mass

By The Associated Press

The far Pacific war theater took on ominous new significance today as Australia's Prime Minister John Curtin warned that "the tempo of the struggle is increasing and our fighting men hourly face the supreme test."

Curtin's statement, possibly hinting at the imminence of a new Japanese assault on Japan, followed upon China's warning yesterday that Japan was preparing a major offensive to crush Generalissimo Chiang Kai-shek's main Chinese armies and knock China out of the war.

You have been told that the next few weeks are fraught with grave possibilities," Curtin said. "I repeat that warning in the sternest terms."

Gen. Douglas MacArthur's headquarters in Manila reported that Australian fliers continued their scouting sweeps over the northern islands where the Japanese were reported massing new airplanes for a possible thrust toward Australia.

The Japanese are continuing their southward sweep in Cielking province, the coastal district south of Manila which they believe contains potential bases for bombing Japan, the Chinese acknowledged.

A communiqué said the Japanese who captured Chuki, on the rail-line midway between the provincial metropolis of Hangchow, continued southward with the aid of planes which bombed Chinese positions.

Fighting was reported along the coast in the southern Chinese province of Kump. Bitter Chinese resistance was said to be taking a heavy toll of the Japanese.

Another Japanese column driving southward along a line about 40 miles from the coast had taken Chienchen and Chuan-chow, was reported continuing its advance toward the coast.

The Japanese made no reference to Yunnan, in western China, where there was a heavy downpour that may mark the start of the rainy season notorious in China's southwestern border regions.

British headquarters announced "no change" on the Burma front and reported that the Japanese were driving up the Chindwin river valley toward Imphal.

The IAP twice talked the Japanese airmen at Akyab, Burma, during the week and they were reported to have thrown away zero planes on the ground a communiqué said.

Declaring that "offensive action by the IAP against Japanese forces in Burma continues," the communiqué said that the IAP had machine-gunned "a few days ago" in northern Burma, the Myittha airfield in that area was ground-strafed recently.

Rupert's Hero

Gen. D. L. Kump received a medal from her son, Glen Dwyer Kump, but not until this week-end did she have any idea why he had been awarded the honor.

With word that there was a member of the crew of the submarine which performed one of the most daring feats in United States naval history, Mr. and Mrs. Kump have decided that he must have received the medal along with other crew members for having accomplished successfully the mission that was kept secret since early in February.

That mission was the routing of the Jap blockade of Manila bay by bringing out from Corregidor the Philippine Commonwealth's entire supply of gold and silver. Its success was announced last Friday by the U. S. War Department.

Glen, whose name is now on the lips of every Rupert citizen, was born May 11, 1920, at Shelby, and was graduated in 1939 from Rupert high school, where he was a popular member of his class.

His family had not heard from him since he mailed his medal to his mother two months ago—without any explanation of how or why he had received it.

OURSHILL SEEKS CONFIDENCE VOTE

LONDON, May 20 (AP)—Prime Minister Churchill today sought confidence of the house of commons today, at the conclusion of a two-day war cabinet meeting.

The government stands or falls on a vote of confidence on its conduct of the war.

The consent to a vote of confidence was announced on behalf of the government by a cabinet member, Lord Halifax, who was accompanied by the cabinet leader in commons, who wound up the debate with a speech.

During the debate, Leslie Hore-Belisha, former war minister, urged Churchill to resign, saying that he was composed of chiefs of staff who would be "unhindered by political considerations" now in the office of minister of defense as well as prime minister.

Hore-Belisha also warned that Japan probably would attack Russia in the next few months and invade western Europe in order to open a second front against Germany.

Cripps repeated a pledge made earlier by Clement E. Attlee, secretary of the ministry of defense, that Britain will do all in her power to aid Australia.

The German Luftwaffe made four April more bombs were dropped on Malta than were dropped on Britain in any month during the war period of the Blitz.

Germany's losses made more than 5,000 sorties against Malta during April, he said.

Churchill was unable to take part in the two-day war debate.

BOMBING IS BEST REED AID CRIPPS

LONDON, May 20 (AP)—Bombing Germany is the best way of assisting Russia "until such time as we are able to make a carefully planned attack upon the continent of Europe," Sir Stafford Cripps told the house of commons today.

An avowed isolationist in the second day of a war debate in which Prime Minister Churchill is not participating, Sir Stafford Cripps, secretary of the ministry of defense, declared the government was ready to "take a vote of confidence if the substantial body of members" desired it.

Hore-Belisha, former war secretary and a sharp critic of Britain's war leadership, urged establishment of a separate ministry of defense, which now is under Churchill.

Hore-Belisha repeated assertions that Churchill demanded the government and even appeared to "lynchpin" Germany, saying that the prime minister as minister of defense "is liable to control of the cabinet" and "as other ministers do in their sphere of activity."

Hore-Belisha conceded that the government should not "be bound upon opening a western front against Germany," saying that would perhaps be "the biggest undertaking in British military history, and worse than the taking of Iloilo, which would be to undertake it and fail."

LABOR IMPROVING PROGRESS MADE

WASHINGTON, May 20 (AP)—The labor force is showing signs of improvement in Mexico, according to a report from the U. S. State Department.

Charles M. Kearney of Morelos, executive secretary of the National Beet Sugar Growers Association, said he understood a tentative program of procedure and standards already had been determined.

Kearney said the plan called for the submission by the labor organization to the U. S. State Department of a list of grievances, which would be referred to the U. S. State Department for its approval. A portion of this report, he said, would be the first step toward putting the plan into effect.

Rep. Anderson, R. Calif., said the U. S. employment service had informed him and Rep. Elliott, D. Calif., that it is actively recruiting 6,000 Mexican laborers to be brought into the United States to work on the farm lands in California and other states.

Idahoan's Brother Safe After Fleeing Bataan in Sail Boat

HAIGERMAN, MAY 20—Lieut. Charles A. Walruff, in the navy for 16 years, is alive, well and in the United States after he was transferred from the Houston a few days before that ship was sunk, and because he was able to escape from Bataan in a two-masted sailboat by hiding by day and sailing at night.

Word of his safety and a brief account of his experiences were received here today from his half-brother, who also has two other half-brothers in the service.

With the men who made their daring escape from the Philippines, Lieut. Walruff was in the Philippines, D. C., by naval authorities, presumably to tell what they can of the events in the island.

"The required for the escape trip was 28 days of sailing at night and hiding in the hull of the boat."

Lieut. Walruff has a wife and two children living at San Diego, Calif.

DOOLITTLE SEES MORE RAIDS ON TOKYO OBJECTIVE

By SANDOR S. KLEIN

WASHINGTON, May 20 (AP)—More raids on Tokyo may be possible if the base from which Big Boy, the B-29 Superfortress, was taken to bomb the Japanese capital remains a secret, officials here today said.

It is one of the most provocative secrets of the war and not the least interesting to learn the answer are the Japanese.

Officials hinted that a repeat performance of Doolittle's daring raid, which left a wake of death and destruction among warships, airplanes and other military objectives in Japan on April 18, depends upon how long that secret is kept.

Plan New Attacks

They are determined to keep it well and hope to be able to create in Tokyo again—and soon—the panic and excitement that Doolittle and his men precipitated when they appeared on the warm in the day moon.

Doolittle, the dare-devil speed flyer, was given no peaceful days, when asked if he was going to try another raid, he replied:

"I don't know. It's in the lap of the gods and the war department."

But those who watched him receive the congressional medal of honor from President Roosevelt yesterday and later listened to him answer questions at a special press conference had no doubts as to the short, baldish, 45-year-old flyer was "in" to go.

Doolittle revealed virtually all details of the raid that he knew—except where the two-engine North American bomber was ordered to take off, where they landed and how many were involved. And no hint was given as to the exact date of the "hazardous and important" flight from China, which was kept secret since early in February.

From Shanghai-Las

For the present everyone let President Roosevelt's words about the subject stand—until the planes started from Shanghai-Las and landed at the island of Iloilo, reported that the President refers when people ask "from where did you come from?"

That technique seems to be working well. At least one partner of the merchant seaman who was captured at Shanghai-Las and landed at the island of Iloilo, reported that the President refers when people ask "from where did you come from?"

Order Lacking on Jap Housing at Camp Here

Roy C. Lane, manager of the migratory farm lobby camp south of Twin Falls—announced yesterday as home for 600 of the 3,000 Japanese laborers to be brought into this section of Idaho for work in the sugar beet fields—said this afternoon he had received "no instructions from supporters relative to Japanese occupying the Twin Falls camp."

FSA headquarters having jurisdiction over the local camp are in Portland.

Today Mr. Lane hastened a memorandum to each family now residing in the camp here. The memorandum stated that his jurisdiction over the local camp is in Portland.

"This is to inform you that the camp manager has received no instructions from his superiors to the effect that the Twin Falls migratory labor camp will be occupied by Japanese."

"In event that such instructions are issued, you will be notified immediately by the camp manager."

Eleok Not Worried

A. E. Eleok, Idaho manager of the Amalgamated Sugar Company, contacted by telephone in Boise by the Times-News today, said he could see no hitch in plans to bring the 3,000 Japanese to this section of Idaho.

"That is my understanding at the present time," Eleok said.

In addition to the 600 workers expected here, another 400 are to be placed in the mobile farm camp at Rupert, which is being removed to a new site near the town of Pinedale and Millville counties. Recruiting of the workers for this area will begin in Portland area tomorrow and they are expected to arrive by special train the last of next week.

Some Voluntarily

The Japanese to come here will consist of those who will be handled through the United States employment service. The other 2,400 will be handled through transportation to the workers.

If the Twin Falls camp is used for the purpose of removing while families now residing there, these units will probably be taken to Jerome and placed in the mobile farm camp.

55 Axis Aircraft Downed in 7 Days

VALETTA, Malta, May 20 (AP)—Defenders of this Mediterranean island outpost destroyed 55 axis aircraft during the seven-day period last night, an official announcement said today.

Labelling placed the May toll of enemy raiders at 100, compared with 40,000 first month of the war.

The announcement said the defenders have destroyed 53 enemy planes since the war started.

Germans Gather Parachutists for Caucasus Attack

By ROBERT D. GREENE

Associated Press Wire Editor

Russia's armies storming toward the great Ukraine steel city of Kharkov were reported by London sources to have fought their way "into the heart of the city's defenses" today, while the Germans were massing 100,000 parachutists for a giant air-borne invasion of the Caucasus.

The German high command said that axis.Criman troops had already overrun the Kerch peninsula, across the narrow Kerch strait, from oil-rich Caucasus. Moscow said battles still raged there.

A Berlin communiqué also announced that General Baron von Murrmann, who directed the bombing of Belgrade and paved the way for Germany's aerial invasion of Crete, had been named to Kerch battle zone. Baron von Murrmann is placed on troop transportation by plane-transported soldiers.

With Russia occupied on the Baltic coast, her ally, Britain, shortened her air force to 40,000 first month of the war.

TWO VESSELS, 33 MORE LIVES ARE LOST IN SINKINGS

Two more American ships and 33 more lives were added today to the depredations of axis submarines in the Gulf of Mexico.

One was a medium-sized cargo vessel. A submarine that the gun crew never saw fired one salvo into her amidships late on the night of May 17. She burst into flame, and the crew was killed or killed by the torpedo's explosion. Twenty-five were saved.

The second was a medium-sized merchant ship, which was torpedoed on May 19 and sank so rapidly there was no time to radio for help. Twelve men died on the vessel and one died later in a lifeboat. Twenty-six were rescued.

Two survivors of the ship that was sunk on May 12 told at Key West, Fla., how a German U-boat sank her in the burning Yucatan's tropical waters for 12 hours to keep from being sunk by the U.S. Navy's destroyers. U. S. PROMISES BALANCE RETURN OF POSSESSIONS AFTER WAR

WICHY SHOWERED WITH LEAFLETS

By RALPH HEINZEN
 WICHY, France, May 20 (AP)—British planes dropped American printed leaflets over the town during the night, containing a promise by President Roosevelt that the possessions of the United States would be restored after the war.

After water, to an obligation of maintaining the fire, the royal air force planes dropped over the city area showering their leaflets on the city.

All the leaflets bore the statement that they were printed by the United States government and distributed by the British air force.

It was half an hour before the planes flying from the south, ended their leaflet distribution but apparently marked the opening of a joint Anglo-American campaign to assure the Frenchman in the streets that the United States, the United Nations would not free France and the other countries under the German heel.

French British More
 The leaflets were dropped when Vichy sources claimed to have received reports that British might drop leaflets over the town and government leaders were conferring on a serious claim to bring the British to the aid of the French and Algerian, and naval forces of Algeria, on the French North African coast.

Leaflets were also dropped over Paris last night, conferring on the French government and the British, and presumably the Somaliland situation and the implications of the Anglo-American alliance.

Laval, Abela Confer
 In Paris, it was learned, Laval conferred with Abela, German diplomatic envoy and other Nazi officials. Vichy envoy on problems concerning French was prisoners held by the British, and for Berlin for two weeks consultation. He conferred with Laval last night.

British capitals were quoted as sources for reports that the British wanted to clear up the status of French Somaliland, on the important African coast across the Mediterranean. DOODLE SEES ADDITIONAL RAIDS

(From Page One)
 Doodle, who was not otherwise mentioned by President Roosevelt.

Doodle revealed at his press conference some hitherto unknown details about the raid. First he spoke of the claims that some of the American raiders had been shot.

"There were no planes left in Japan," he said, "Some were damaged, but none was shot down and none was damaged to an extent that precluded its proceeding to its destination."

He said that he was attacked by nine Japanese fighters but avoided them before either the enemy or his own gunners could fire a shot.

He revealed that he issued special instructions to his men before taking off. He said that he was to be spared.

Volunteer Aides
 Works were done by the men who accompanied him volunteered for what then was described as a "charity" raid. They were not in uniform, but they took off, after their special instructions in the United States, and they were to be spared.

He took off in a specially equipped medium bomber that accompanied him. He was accompanied by Douglas MacArthur's recent raid on the Philippine Islands. In the words of the Japanese, the plane was the "finest group of men I ever have had the good fortune to be accompanied by."

Japanese anti-aircraft fire was so accurate that the enemy shot down a number of our planes. The American bombers were faster than any Japanese fighters seen in the Philippines.

The raid covered an area 40 miles long and 20 miles wide. Doodle said, and extended from the city of Manila to the north, through the mountains, and the navy yard at Yokosuka. Bombs also were dropped on Nagoya, Osaka and Kobe.

His Doek, Warship
 "At one place we hit a target which a great crane was clipped so though some giant had flipped it off with his fingers."

"Another plane dropped bombs on a tank farm, where oil was stored. The tank farm was blown away, the crew could see flames and smoke."

"A salvo, made a direct hit on a new cruiser or battleship under construction in the navy yard south of Tokyo."

"One of our bombardiers threw incendiary bombs along a quarter of a mile of the city of Tokyo."

"The largest Japanese plane was shot that the effect on the plant was 'absolutely devastating.'"

"The Japanese did not know we were in the area. They were taken to avoid non-military targets; that the principal military target was the city of Tokyo."

"Several planes were shot down, tanks, tank farms, munitions plants and arms dumps."

RUSSIAN TROOPS STORM KHARKOV

(From Page One)
 Prava likened the Russian stand at Kerch to the long American defense on Hailan peninsula in the Philippines.

The Soviet communists listed 1,500 German officers and men killed and wounded in one area.

British military quarters said a successful German counter-offensive toward Izyum and Barvenkova, 30 miles below Kharkov, would be a serious threat to a "very tender spot" in the Red army's drive on Kharkov, but the Russians indicated that so far they had lost no momentum.

The important factor, however, was the undisciplined use of the German counter thrust. Unless it were stopped, the German advance could expect little more than to distract the Russians advancing on the Kerch peninsula.

Hitler's field headquarters acknowledged that Marshal Semyon Timoshenko's army was pressing new attacks against the Big Steel City, but asserted they had been repulsed.

In the Kharkov fighting, the Berlin communiqué said that the Russian front line was breaking and that the German air force, though it supported ground troops, lost only a single plane.

33,134 RATIONING BOOKLETS ISSUED

Thirty-three thousand one hundred and thirty-four rationing booklets have been issued by the rationing board, Chairman Carl Anderson, today revealed today. Anderson said that each card had to be checked and filed and for that reason the government would install new filing cabinets in the office within the next week.

"With automobiles, bicycles, ceiling prices, etc., you see we have quite a bit of work to do," the chairman remarked.

Anderson also announced an addition to his office personnel—Mrs. Katherine Day, Shoshone, who came to the office through the civil service. She will assist Miss Tice Prescott, who has been the board's clerk for some time.

The board chairman said that he had asked for two more assistants but the price administration would allow him but one.

 "We were opposed at the comparatively small number of enemy fighters that opposed us. We didn't see a 20th as many as we expected."

"Did the Japanese pilots seem to know their job?"
 "Their pilots did not seem as expert as we expected."

"What about the Japanese claim that they had shot down our planes on exhibition?"
 "The Japanese did not have one of our planes on display. They have had a Japanese plane painted with the American colors and they got somewhere else."

"How about anti-aircraft fire?"
 "The Japanese put up a persistent barrage but it was not effective. They kept their barrage balloons up for a while but they didn't shoot down any of our planes."

"When you flew so low did you get a glimpse of the expression on the Japanese faces?"
 "Several planes were shot down. They were taken to avoid non-military targets; that the principal military target was the city of Tokyo."

"Could you see the imperial palace while you were over Tokyo?"
 "I saw the imperial palace. It was a very interesting sight. I saw the imperial palace while you were over Tokyo."

Ethel McCleary Becomes Bride Of Norris Stettler in Glendale

Word has been received here of the marriage of Miss Ethel McCleary, daughter of Mr. and Mrs. L. F. McCleary, of Los Angeles, formerly of Twin Falls, and Norris Stettler, son of Mr. and Mrs. Ernest F. Stettler, Twin Falls, Saturday, May 16, at the First Methodist church in Glendale. Rev. William C. Hodgson was the officiating clergyman.

A number of friends and relatives attended, including several former Twin Falls residents. Mr. and Mrs. Norman Bates, Los Angeles, formerly of Twin Falls, attended the couple.

Widowed in White
The bride wore a white dress with a white lace jacket and many accessories, and her coronet was of gardenias and red rosebuds.

Mrs. Stettler is a graduate of Twin Falls high school, was prominent in local music circles.

Mr. Stettler, following his graduation from Twin Falls high school, attended the University of Idaho for two years. He is now a major in the United States Army, holding in aviation mechanics.

Miss Phil's License
He completed his primary flight training under the civil pilot training program in Los Angeles, and holds a private pilot's license. He is now employed at the Lockheed aircraft plant.

Following the wedding, a reception was held at the home of the bride's parents, 2383 Edgingway Terrace, Los Angeles. Mr. and Mrs. Stettler are now at home at 309 North Central, Glendale.

Hilarious "Field Meet" Entertains Fidelis Members

An hilarious "field meet" was held at the home of Mrs. M. J. Lacey, general director of the club, and Mrs. Harold Lacey, with Mrs. George Berg and Mrs. D. L. Lacey, officers.

Officers entertained Fidelis club members of the Baptist church at a monthly business meeting at the meeting last night at the banquet.

Following the humorous remarks and track contests, movie pictures taken by Mr. and Mrs. Lacey at the camp picnic at Harrison Forks last summer were shown.

Mrs. Stanley Walters, new president, conducted the business meeting and named several committees for the year, including Mr. and Mrs. R. C. McCallin, Mrs. M. J. Lacey, chairman, Gordon and Mrs. Ralph Wylie, secretary.

Mrs. R. K. Anderson, flowers and cards; Mrs. Bernard Martini, historical; Mrs. Verne Moser, membership and calling names.

It was determined that each host committee would make its own plans regarding the use of suggestions on the menu, with the exception of coffee, for which each member is to bring his own sugar.

Report of the committee for the purchase of an organ for the church installed one year and three months ago—showed that the instrument was now completely paid for. The hostesses had a new program planning and presenting a program for residents of the church on each "Fifth Sunday" afternoon of the year.

Mr. and Mrs. Ragland, who taught at Maroa for a number of years, will move to Piler the first of June. Mr. Ragland will be principal of the Piler grade school.

Here Are Pointers for USO Godmother Letters

BY FLORENCE BENSON (Publicity Chairman, USO Office Department)

In passing out names for Godmother Letters, the USO contact department persistently has this query, "What shall I write?" so here are a few suggestions on what to write to the men in the armed forces.

Remember, those men are local boys, interested in local happenings. Maybe the newspaper clipping you plan to send him is the one he is most interested in, but the family has neglected to clip.

Learn His Hobby
Query him on his hobbies, bring him some additional bit about it. Even if you have to "dig" to unearth his hobby.

Make your letters sympathetic, personal, remembering that the man in uniform is someone's son, brother or sweetheart—in other words, a human being, glad to hear about you and your life and the activities.

Give him something thoughtful—something that will make him forget himself or that can be used in "making common" with his buddies.

An incense card and a red, white and blue "uplift" by making your letters naturally cheerful, or otherwise, generally sets a cheerful light on the "romantic touch."

When and if you find he has a different stop writing. He didn't differentiate for whom he would write.

Use a Typewriter
A man in active duty has little time to decipher hieroglyphics. Besides, they slow down otherwise interesting letters. So use a typewriter if possible, especially if you send a card or a letter.

Write on one side of the paper only, for the reason that you will send a card or a letter a month for at least three months!

Simplicity Will Mark Last Elks Dance This Year

Twin Falls Elks lodge will entertain at the last dance of the season Saturday night, May 22, but believe that lodge money can be used more advantageously in war time than for elaborate entertainments.

The fact that fishing season opens the next day—has caused the committee in charge to announce that the affair "will be very informal, with no outstanding decorations."

Gene Fletcher is general dance chairman, with his committee including Mr. and Mrs. Harry Elock and Mr. and Mrs. W. W. McElroy.

Rebekahs Slate Dinner as Last Event of Season

George Leith, grand master of the Idaho I.O.O.F. lodge, and Mrs. Leith, and members of the Twin Falls Odd Fellows lodge, and their wives and guests will be entertained by Rebekah lodge at a no-hosts dinner party Tuesday evening, June 10, at the I.O.O.F. hall.

Plans for the event, final meeting of the year for the Rebekah lodge, were made at the Rebekah meeting last night, conducted by Mrs. Albert Shaw, noble grand. Further details will be announced.

The lodge also voted a donation to the USO; welcomed Mrs. Walter Johnson and her guests; and planned initiation at the June 2 meeting.

Initiation was accepted to attend the third anniversary party of the Theta Rho Girls' club May 23, when the club will entertain in honor of mothers and Rebekahs.

Rebekahs will also assist in the public benefit program given at a later date by the Theta Rho Girls. Her committee included Mrs. G. W. Gerhart, Mrs. Henry Johnson, Mrs. Grace Turner, Mrs. Gladys Thomas and Mrs. William Thelsten.

Group 8 of the Women's Auxiliary of the Presbyterian church will meet Thursday at 2 p. m. at the home of Mrs. Burgeon McCoy.

The bride's gown was of white satin and set with light-hued crystals. The skirt was of full floor-length silk. Her finger-ring was held in place with a large, clear pearl and her bouquet was of white roses and gardenias.

As a token of sentiment, she wore a string of pearls, the gift of the bridegroom.

Mrs. Margie Greenwood, maid of honor, was given in a long, full floor-length model, and the maid of honor, Mrs. Charles Williams, wore a pastel gown. Their bouquets were of roses.

Miss Margaret Weber attended the bridegroom as best man, and George Harris, uncle of the bridegroom, gave her in marriage.

Mrs. Harris wore a dark formal with a corsage of toadstools for her solo carrying.

Vows were exchanged in the presence of 50 friends and relatives.

A reception was arranged at the home of Mr. and Mrs. Bob Williams, 1111 N. Main, where the bride and groom were entertained by the bridegroom's relatives.

Following a week-end trip, Lieut. and Mrs. Harris are at home in Quinsley. The bride's gown was of white tulle with light-hued crystals.

The bride is a graduate of Murdock high school and Utah State Agricultural college, Logan; the bridegroom is a graduate of Murdock high school and of U.S.A.O. where he was affiliated with Phi Kappa Alpha.

Y Girls Choose Dutch Theme at Tea for Mothers

A clever "Holland in the spring" theme was carried out through the tea of tulips and polka in ten table appointments when the Y and Y Girls' club of the Y. W. C. A. entertained at a tea for mothers Sunday from 3 to 5 p. m. at the "Y" rooms. One hundred persons were present.

Alternating in the receiving line were members of the retiring Tri-Y cabinet, and members of the Y. W. C. A. cabinet, headed by Miss Susan Johnson.

Frank E. Wells and Mrs. Helen Henderson, pres. Y. W. C. A. secretary and past secretary, presided, and Miss Margaret Foster and Miss Evelyn Garrett, Y. W. C. A. secretary and past secretary, presided.

Background music was provided by Miss Marilyn Brooks and Miss Joyce Pierce, piano soloists. The Y. W. C. A. secretary and past secretary, presided, and Miss Margaret Foster and Miss Evelyn Garrett, Y. W. C. A. secretary and past secretary, presided.

When southern Idahoans so dancing this summer, it will be in fully informal attire.

The trend has already been established. It was indicated at Radio Radio's swing fests, at the Luncheon and her orchestra "Give their all" for the entertainment of youth Idaho's swing fests.

Nothing blends more happily with the current dance steps than those jaunty, little-girl numbers, worn last night by many of the youthful dancers.

Vividly striped necktie, occasional befrilled frock, reminiscent of long ago, of a few plain suit, some sheer blouses with flange-trim and billowing white, were worn by others.

Many two-toned sport pumps and a veritable parade of sandals—predominantly in the footwear worn by the feminine dancers.

A stand-out frock employing the patriotic motif to the bill was fashioned with a navy blue skirt and a crimson blouse, deep V of blue, yoked the blouse in front, and there were two coded "V for victory" appliques in white.

And here a girl to the young woman who wears the trim navy blue ensemble, a skirt-length cape matching her dress. Only contrast was a frothy white Peter Pan collar.

A like and plump, she wore a pencil-slim effect that is charming on the dance floor.

For the moment, few military uniforms were glimpsed at intervals during the evening, and one male dancer bloomed forth in a wide summer jacket. Dapper was the word for him.

Miss Jackie Bright, Others, many of them appeared in contrasting shades of red, blue, and purple. Her dress was especially popular, and in nearly all instances absorbed the music to the excitement of dancing—far at least a time, was a girl in a white sport dress who wore a clever checker-board beanie and carried a matching bag.

Old-fashioned in a charming way was the girl who appeared in a ruffled light dress, trimmed with narrow black ribbon, and in the latter to outline the neckline. In her hair she wore clever tippy flowers of the same material.

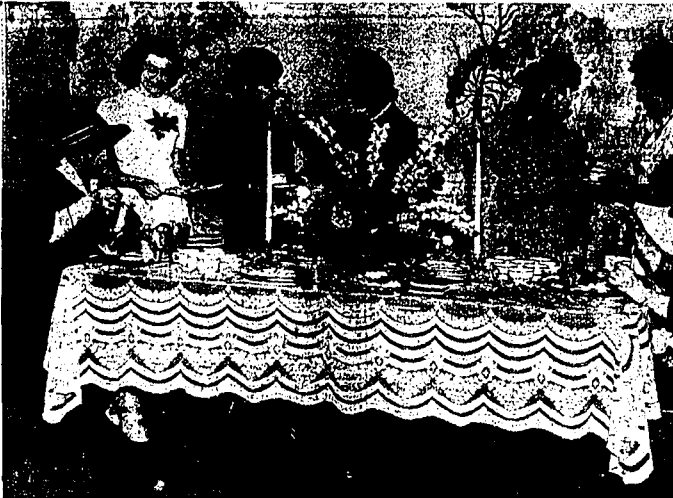

Girls Form Happy Stitches 4-H Club

A group of girls met Monday evening at the home of Mrs. E. E. Walters and organized the Happy Stitches 4-H Sewing club with Mrs. Walters as president.

Economy Cuts of Meat Should Be Well-Seasoned

By MRS. GAYNOR MADDOX NEA Service Staff Writer

War-time economy need not be tedious. Economy cuts of meat can be tender and interesting, as the following recipe will prove:

1 1/2 pounds veal shoulder or 2 pounds lamb, boiling water, 1 onion, celery tops, 1 tablespoon whole pepper, 2 teaspoons salt, 1 teaspoon Worcestershire sauce, 1 tablespoon lemon juice, 1 tablespoon gelatin, 1 cup cold water, 2 cups stock, 1 egg, hard-cooked, a stuffed olive.

Cover veal with boiling water. Add onion, celery tops and peppercorns. Cook slowly until tender, about 2 hours, adding salt during last half hour of cooking. Remove bones, chill veal in stock through cloth and reduce to 1 cup. Soften gelatin in cold water and melt in hot stock. Add Worcestershire and lemon.

When sauce begins to set, put 1 cup in bottom of mold. Arrange sliced olives and egg in gelatin. Arrange in layers. Will up mold with gelatin until firm. Allow to chill. Slice and serve.

BOYS OPEN HOME STADIUM 9-4 VICTORY OVER BEES

Locals Bunch Bingles With Walks to Win

Manager Tony Robello's Twin Falls Cowboys opened their six-day home stand here tonight by blasting out a 9-4 victory over the Salt Lake Bees and thereby securing their fifth-place position in the Pioneer league.

The game was more or less a comedy of errors, but the Twin Falls bunch snatched its wins with some walks and bad judgment of the Bees to clinch the argument in the first four innings.

The two teams are slated to meet again in the second game of the series here tonight. Tony Chappetta on the mound for Twin Falls and either Knowles Ptery or Wilbur Woods starting on up for Manager Andy Harrington's boys.

Last night's battle mainly featured Harrington and Robello in an arguing act with Umpire Louis Stuebgen, who had no help in landing the throw, although his husband, J. E. George was a companion fisherman.

Idaho Falls Pulls Triple Play and Nips Ogden, 3-2

IDAHO FALLS, May 20 (AP)—The Idaho Falls Rustlers engineered a triple play last night to aid them in scoring a 3 to 2 Pioneer baseball league victory over Ogden.

The triple killing came in the first frame. Kenny King, Ogden's batter, walked and was advanced to second on John Maguire's one-base hit to center. Left Fielder Becker hard drive at three bases, Ogden's first base, Jesse, pulled the ball, touched the sack to get Maguire off base and then threw to Shortstop Bill Dunn to catch King off second.

Idaho Falls scored its first run in the second frame. Bob Patterson hit three-bagger and scored home on Ray Adams' single through center.

Ogden went ahead in the third, scoring two runs on three successive singles by Cramer Settle, King and Jesse. The Rustlers tied the score in the sixth, catcher Les Williams hit his one-bagger and then in succession followed singles by Patterson, Adams and Earl Still.

Cooney's Blow Gives Braves 2 to 1 Victory

BOSTON, May 20 (AP)—Johnny Cooney's third hit in the ninth inning gave the Boston Braves a 2 to 1 victory over Cincinnati today after Al Javery and Johnny Vander Meer staged a tight seven-inning pitching duel.

There was no score until the seventh inning, when doubles by Ernie Lombard and Frank Demaree brought in the first Braves run. Charlemagne Abilouton, Cincinnati's pitcher, threw a 2-1-0 ball to Cooney, who hit a 3-1-0 ball to center.

The Reds' lead was held until the eighth, when Javery and Vander Meer pitched a tight seven-inning pitching duel.

Dodgers Beat Cubs to Take 8th Straight

BROOKLYN, May 20 (AP)—The Brooklyn Dodgers barged to their eighth straight victory yesterday with a 6 to 1 triumph over the Chicago Cubs.

The veteran Curt Davis pitched six-hit ball and for the second successive game the only run scored against Brooklyn was a homer—this one by Phil Cavaretta in the eighth inning.

The Dodgers allowed little respect for Big Lee, who had won five games and lost only one in making a great comeback last spring. They tapped him for nine hits, including a home run and triple by Joe Meeuwick, each for two runs.

The National league champions played for the first of runs in the first inning, leading the bases with one out as Andy Sturgeon and Pete Reiser singled and Dolly Camilli walked. Vaughan scored on Dixie Walker's infield out and Meeuwick hit his three-bagger to bring home the other runner.

CATCH

The largest trout catch of the year by a Twin Falls resident has been reported by Mrs. Thelma George, 609 S. Shiloh street.

The Rainbow trout weighed in at 25 1/2 pounds, dressed and was 28 inches long.

The catch was made in the backwaters of the reservoir of the Twin Falls dam, near the bridge over the Shiloh street.

Indians But 2 Points Away From A.L. Top

CLEVELAND, May 20 (AP)—The Cleveland Indians tossed the "kid battery" of Pitcher Charles (Red) Egan and catcher Jim Loughan at the Philadelphia Athletics yesterday, and the rookie Tribesmen came through with a four-hit, 4 to 1 triumph.

As a result of their eighth win in nine starts, the Indians moved a half game ahead of the idle New York Yankees, who still led, however, in the percentage column, 600 to 688.

Embree, the 22-year-old right-handed pitcher who compiled a record of 21 and 5 while hurling Wilkes-Barre, Pa., to the Eastern league championship last season, had all it takes in making his first start for the Tribe. Although he walked five, he fanned six.

Teaming with the 21-year-old left-handed pitcher, who has a 10-10 record in the percentage column, 600 to 688.

Green's Two-Hit Hurling Gives Pocatello Win

BOISE, May 20 (AP)—Vernon Gilchrist limited the Boise Pilots to two runs in the first inning as Pocatello won 5 to 0 in a Pioneer league game.

Green walked seven men but struck out nine batters. Gilchrist's veteran Gerald Stanley pitched the game for the Pilots but his team's inability kept him in hot water.

Green's two hits in the first inning gave Pocatello a 2-0 lead. The double steal was pulled by Don and Rowden, with the latter scoring. Green pulled up at second, but Dick Feldman, new third baseman, fanned to end the inning.

The Sunday show was called off to the fact that fishing season opens on that day.

Last Sunday there were some good scores recorded at the stadium in the 16-year event. John DeKlotz led with 4820. Other scorers included...

Cards Whip Giants And Oust Pirates From Third Place

NEW YORK, May 20 (AP)—The New York Giants, who had slipped to fourth place, won 8 to 1 yesterday for their fourth victory in five games and ousted the Pittsburgh Pirates from third place in the National league.

The Red Sox were given ten walks by Hal Schumacher in seven wild innings and converted five of them into runs.

DOOLITTLE MOST POPULAR AVIATOR

By MAJOR ALEXANDER P. DE SEVERKY
 (Written for the United Press)

NEW YORK, May 20 (UP)—Jimmy Doolittle is not only one of the most glamorous figures in American aviation but also one of the best liked and admired.

The splendid achievement under his leadership therefore comes as a particular thrill to his friends—which means practically every American pilot.

We could not have known, of course, that it was Doolittle who led the successful attack on Japan. But we did know it must have been the Doolittle type—someone who combined unlimited daring with enormous aviation knowledge.

It is a personality, Jimmy Doolittle is unique. He belongs in the air in the same sense that a fish belongs in water. It is his element. He has an extraordinary bubbling sense of humor—a capacity for being lighthearted.

One of the main reasons for his success may be sure to be his complete faith in his men in his leadership. They were certain that he had ordered made sure, and had been meticulously studied and resounded.

It is another sense, fortunately, we have many Jimmy Doolittles. He is a rare bird, but rather a symbol of the ordered, made sure, and resounded. His performance should not be an exception, but a rule should be seen in the last picture of the magnificent showing being given by our aviators generally in the Pacific struggle.
