# Senator Says French Maritime Merchant Vessels Demobilized

By H. O. THOMPSON  
WASHINGTON, May 21 (U.P.)—There was only embarrassed silence at the state department today after an announcement by Chairman Tom Connally, D., Tex., of the senate foreign relations committee that merchant vessels as fighting ships, Maritime, French colony in the Caribbean, were being demobilized.

The department has been giving out only scanty information about the demobilization now in progress at Port-de-France, Martinique, between Admiral Georges Robert, high commissioner of French possessions in the western hemisphere, and Rear Admiral John H. Hoover, American commander of the Caribbean area.

It was the second time this year that Connally has embarrassed the state department. On Jan. 21, in the midst of the Pan American conference at Rio de Janeiro, he invited the people of Argentina to elect a president.

But he was known that the state department had hoped to keep the Argentine neutrality discussions, now known to be approaching a critical stage, as quiet as possible for the next few days.

# Reds Smash Enemy Lines At Kharkov

By The Associated Press  
Russian's battling Red armies broke through main German lines at Kharkov, key industrial city of the Ukraine, and stormed on into open country, Soviet dispatches said today. Only Nazi troops and police troops were left to hold the Soviet troops, who had breached the principal Nazi defenses, it was said.

A key German stronghold was engulfed and repeated German tank attacks crushed in the new six-mile Russian advance.

In the far north, picked Soviet troops, wading waist-deep in icy water and holding their weapons overhead, were said to have cut 12 miles around a Finnish island, averred a main highway to the north and inflicted 3,000 casualties on German and Finnish soldiers taken by surprise.

But the main battle surged around in a dramatic battle.

Soviet dispatches said Russian troops were taking the Nazi soldiers' garrison in a fierce 40-minute struggle.

Far behind the lines, Soviet guerrillas were reported to have recaptured a village and "enormous losses" inflicted on the enemy.

The President, as commander in chief of the armed forces, has ordered the army to the front for those already in the forces.

Washington, May 21 (U.P.)—The treasury formally recommended today to work out a system of installment payments of income taxes to avert the blow of increased rates in the low-income brackets.

It is the first time the committee has recommended a new individual tax program by raising the rate of surtaxes from 6-7 1/2 per cent to 10 per cent on incomes below \$3,000.

That plan would authorize the treasury to make regular deductions from paychecks which would be paid in installments at the end of each month.

The committee would also recommend a new income tax proposals would add an estimated \$2,500,000,000 to the \$5,000,000,000 in income taxes below \$3,000.

The program would be based on \$500 exemptions for single persons and \$1,200 for husbands and wives.

It would also provide for a 10 per cent increase in the minimum surtax rates starting at double the present level.

The committee, rejecting a treasury suggestion to reduce the present 10 per cent earned income credit up to \$14,000 in computing the tax on income over \$3,000, the present \$400 exemption for dependents.

Small Earners.  
Thus, the committee would bring the minimum surtax rate to 10 per cent on income over \$3,000, a 10 per cent increase in the minimum surtax rates starting at double the present level.

# Wanted: 1,000 Men At \$22.50 Daily—To Settle Disputes

WASHINGTON, May 21 (U.P.)—An "impartial" and public-spirited citizen "willing to serve your government for \$22.50 a day plus \$5 a day for subsistence."

The war labor board said today it is seeking 1,000 men citizens throughout the country to assist in settling labor disputes.

The board already solicited many prospects by letters, and will make available to the public a list of names of those who have been accepted.

William H. Davis said the "prompt and eager response of the vast majority of those reached had been most heartening."

Those chosen will be assigned as arbitrators between labor and management and investigators to help adjust disputes "on the spot." The pay will be for each day served.

SERVICEMEN LANDED

WASHINGTON, May 21 (U.P.)—The navy announced today that a medium-sized United States merchant vessel had been torpedoed several weeks ago off the northeast coast of South America. Survivors have been landed at an east Atlantic coast.

# SUGAR RATION BOOSTED TO CAN NATION'S FRUIT CROPS

## POUND ALLOWED ON FOUR QUARTS

WASHINGTON, May 21 (AP)—With greatly liberalized allotment of sugar, the government today encouraged growers to cut a maximum of 10 percent of their crop but made sure the sugar in each jar would be something less than normal.

New regulations issued by the office of price administration, stipulated that housewife might obtain one pound of sugar for every four quarts of fruit put up.

This compares with average peacetime rationing of one pound of sugar for every 2 1/2 quarts of fruit.

Only an honor system, the threat of grave penalties if caught, and the prevention of hoarding by putting more sugar into fewer cans of fruit, or from using canned sugar in the home, will be required to keep the supply obtainable through ordinary ration card purchasing.

OFA made much less sugar available for preserves, jams, jellies and fruit butter—only one pound a year for each person. This is because preserves require more sugar per quart than canned fruit.

In one sector alone, the community rationing board has estimated that the new regulations will save 100 million pounds of sugar per year.

Previously, OFA had announced that rationing sugar would be based on a basis of only five pounds for each person.

Market Employee  
Tops Last Draft

The executive officer in Boise, said, "They're going to make up for lost time."

Men drawn here in the supplemental list will probably be given the 14-day furlough.

Eliminating the 65 registrants who will leave for the regular June induction, Capt. Beaver has allowed a dozen left in the 1-A classification.

"Dig" Deeper  
"But that doesn't mean anything," the captain said, "I just want to get the list and pull out some more for classification."

For instance, 19 registrants were examined Tuesday night. They will be classified at a meeting of the selective service board Friday afternoon.

However, Capt. Beaver admitted that he was "getting way down" in the list from draft No. 1 and 2, and it probably will not be long until the men in the third draft are reached.

Legion Will Give  
New Flag to City

The American Legion will present a new flag to the city to be placed on a pole at the library building. It was decided at a meeting of the local post last night.

The presentation will be made by Commander W. W. Francis and four other members of the local post attended the post meeting at Paul Tuesday night. Harry Bennett, Twin Falls, chairman of the national constitution and by-law committee of the Legion, spoke, as did State Commander Emanuel E. Vance of Hagerman, and Lester P. Roberts, Boise, and Terry Prater, state representative officer.

Sugar Firm Gets  
New Car Permit

The Amalgamated Sugar company, Twin Falls, received new car purchase permit No. 4 from the county rationing board today.

The board has 60 permits for the March, April and May quarter remaining.

## Twin Falls News in Brief

**Speeder Fined**  
Police records today show that Fred W. Paulson, American Falls, was fined \$20 when he pleaded guilty to a charge of speeding within the Twin Falls city limits. The fine was paid and Paulson was released.

**Limited Partnership**  
Royal bakery, Twin Falls, is now operated under a limited partnership agreement with the county representative. General partners are B. L. Graves and Vernon L. Graves. Limited partner is Mr. Graves as trustee for Kathryn Graves.

**Named Captain**  
Alvin Kempson, instructor at Albion Normal school for several years prior to the time he was called into active army service, has been named to the rank of captain in the air corps, his father, N. O. Kempson, Twin Falls, was informed today. Captain Kempson graduated from the local high school and also from the University of Utah and the University of Idaho.

Fought and the Germans are suffering heavy losses in manpower and equipment.

In one sector alone, the community rationing board has estimated that the new regulations will save 100 million pounds of sugar per year.

Previously, OFA had announced that rationing sugar would be based on a basis of only five pounds for each person.

Market Employee  
Tops Last Draft

The executive officer in Boise, said, "They're going to make up for lost time."

Men drawn here in the supplemental list will probably be given the 14-day furlough.

Eliminating the 65 registrants who will leave for the regular June induction, Capt. Beaver has allowed a dozen left in the 1-A classification.

"Dig" Deeper  
"But that doesn't mean anything," the captain said, "I just want to get the list and pull out some more for classification."

For instance, 19 registrants were examined Tuesday night. They will be classified at a meeting of the selective service board Friday afternoon.

However, Capt. Beaver admitted that he was "getting way down" in the list from draft No. 1 and 2, and it probably will not be long until the men in the third draft are reached.

Legion Will Give  
New Flag to City

The American Legion will present a new flag to the city to be placed on a pole at the library building. It was decided at a meeting of the local post last night.

The presentation will be made by Commander W. W. Francis and four other members of the local post attended the post meeting at Paul Tuesday night. Harry Bennett, Twin Falls, chairman of the national constitution and by-law committee of the Legion, spoke, as did State Commander Emanuel E. Vance of Hagerman, and Lester P. Roberts, Boise, and Terry Prater, state representative officer.

## MONSOON RAINS BOG DOWN JAPS

(From Page One)  
This advance has been accomplished in two years, he said.

The probability that the Japanese were heading for the Philippines was raised by yesterday's raid on Port Moresby, New Guinea. It was conducted exclusively by fighter planes. Their half-hour attack was reported to have done little damage, but they dropped small balloons in an apparent attempt to determine prevailing winds. (This would be of importance to parachutists and planes attempting to land.)

Meanwhile allied airmen renewed their assaults on Japanese bases, blasting yesterday afternoon both Kopeang and Dili, capital of the Dutch-Portuguese island of Timor.

**Death Comes for 19-Year-Old Wife**

HAGERMAN, May 21—Mrs. Anita Abbott, 19-year-old wife of James Abbott and eldest daughter of Mr. and Mrs. Dale Cady, all of Hagerman, died last night at St. Valentin's hospital, Wendell, where she has been taken earlier in the week.

Mrs. Abbott is the daughter of the late John C. Porter, both of Hagerman. Funeral services are pending word from the family.

The couple had made their home on the ranch of his parents, Mr. and Mrs. Charles Abbott, and Mr. Abbott was in charge of ranch affairs for his father.

Besides her husband and parents, survivors include two sisters, Doris and Virginia, and one brother, Billy, all of Hagerman, and her grandparents, Mrs. Fred Cady and Mrs. C. Porter, both of Hagerman.

## Seen Today

Cell No. 3 at city jail once more being cleaned of burned materials (the hum). Couple of boys tugging half a bicycle into police station and reporting they found it abandoned. City bus traveling half on paving and half on gravel from hospital to city limits with rear signal indicating all that time it's going to turn left.

Auto with Illinois license 1-153-03 parked on Second street west with lights burning. Workmen flooding city park with ordinary hose when repair pump system breaks down. Little girl using cellar excavation on Ghoshone street for coaling in wagon to high post of legs, arms and so on. Officers paying no attention as prisoner blatantly raps on door of cell No. 2. Chamber of Commerce secretary, in request of Glendale field, sending him names of two department stores and three gift shops for Christmas in side of taxicab. More and more frequent appearance of paraphernalia, has to do with horses. Crowd of evasive housewives watching lawn mower that carries its operator on high school campus. And motorist backing and turning in middle of block near city hall.

**ITALIAN BIDS ACTIVE**  
Rome, May 21 (AP)—Italian bidders today submitted bids for the purchase of 20,000 tons of Italian submarine cable, the largest contract in the world.

Despite anti-aircraft fire the Japanese planes rained scores of high explosive bombs on enemy airbases and military installations. Runways were destroyed at the Kweilin airfield, Japan said.

**Sack Supply for Idaho Sufficient**

BOISE, May 21 (AP)—State Agriculture Commissioner James B. Fanning today assured potato growers a sufficient supply of sacks will be available to meet all packing needs of the state.

Potato growers will not be forced to use burlap, as feared earlier, because major sack manufacturers have increased the output of bag material.

There will be enough sacks to meet all needs of agriculture and packing, Fanning declared, "I have been informed 20,000 additional loaves have been converted to production of bag material."

**LeClair Elected To Lead K. of C.**

Joe LeClair is the new grand knight of the Twin Falls lodge of the Knights of Columbus, succeeding Harry O'Halloran. He was elected at a meeting of the council last night.

**Twin Falls Youths Sworn Into Navy**

BOISE, May 21 (AP)—Twenty-four men were sworn into the United States navy here as Idaho's main recruiting station opened its doors for the first time.

Among the Idahoans sworn in were Gordon M. Elliott, 20, and Merlin J. Eldredge, 20, both of Carey; Adrian D. Green, 20; Jerome Fred W. Smith, 20, and Robert W. Gunderson, 20, both of Twin Falls; and Donald W. Taylor, 19, Nampa.

**Sightseeing Bus Services Banned**

WASHINGTON, May 21 (AP)—All sightseeing bus services were prohibited today by the office of defense transportation, effective June 1, 1942.

The action, expected to save more than 100,000 pounds of crude rubber this year, was intended to save the tires on sightseeing vehicles now "so that they will be available for operations essential to the war production program." ODT Director Joseph B. Eastman said.

**\$500 Bond Frees Accused Man, 48**

Joe Collins, 48, Twin Falls, charged with embezzlement by his wife, was free on bond of \$500 today.

Collins had been in the county jail since he was returned here from Ventura, Calif., on May 10 following his arrest there. After he appeared before Probate Judge C. A. Bailey he was bound over to district court. The bond was filed today by the district attorney.

Collins, in a complaint signed in probate court by Mrs. Gladys Campbell, was accused of removing a 1933 panel truck last Dec. 15 on which he still owed \$65.04 under purchase contract.

## UNION EXECUTIVE PRAISES MURRAY

CLEVELAND, May 21 (AP)—The CIO United Auto Workers' president, R. J. Thomas, told the CIO United Steelworkers of America today their unions would "battle the forces which try to break up the labor movement from without or within," and lauded CIO President Philip Murray as a man who "is not sitting in Washington in a grouch—grumping and nursing a sore."

Thomas' speech came as many of the steelworkers' convention delegates gathered that Murray, expected to be named head of the union, was headed toward a showdown with John L. Lewis, miners' chief and Murray's predecessor as CIO president.

Mentioning no names, Thomas declared: "Our unions will be the ones to battle the forces which try to break up the labor movement from without or within the labor movement. We know there are some in the union who would like to detract from Philip Murray but it can be said of Philip Murray he never gave his support to a Wall street broker who had aspirations for the presidency and who never until recently became a friend of labor."

## Massey Cows at Top During April

Registered Holsteins owned by P. O. Massey, Gooding, captured first and second honors for milk and butter production in the Gooding-Jerome Dairy Herd Improvement association during April. According to Ray O. Peterson, Jerome extension agent, first was Beauty, who produced 2,500 pounds of milk with a butterfat content of 80.6 pounds, while Epe was second with 2,130 pounds of milk and 68.8 pounds of butterfat.

Pel, a grade Holstein owned by Clarence Wells, Gooding, was third with 1,850 pounds of milk and 67.2 pounds of butterfat.

P. A. Kennen's 28 grade Jerseys at Hagerman led the herds of more than 20 cows with an average of 622 pounds of milk and 28.2 pounds of butterfat. Second in the group were the 24 registered Holsteins of Massey which averaged 745 pounds of milk and 23.1 pounds of butterfat.

In the 10 to 20 cow class, the H. A. Steele herd of 15 registered Guernseys at Gooding were first with 700 pounds of milk and 42.7 pounds of butterfat, followed by C. J. Meek's 10 registered Holsteins at Wendell which yielded 285 pounds of milk and 33.5 pounds of butterfat.

In the under 10-cow class, Wells' six registered and grade Holsteins produced an average of 1,520 pounds of milk and 55.5 pounds of butterfat. Second was Glen Parsons' eight grade Guernseys at Tuttle, which gave 322 pounds of milk and 33.4 pounds of butterfat.

Twenty-seven herds with 497 cows were tested. They averaged 715 pounds of milk with a butterfat content of 26.3 pounds.

## DUKE SUPPORTS FUEHRER REGIME

LONDON, May 21 (AP)—The duke of Bedford, who tried to initiate peace negotiations with Germany two years ago, today defended Adolf Hitler's Nazi regime before the house of lords during a debate on war policy and the proposed treatment of the German people after the war.

The 54-year-old 12th duke of Bedford made his statements in approval of Hitler while defending a "justice for the German people" speech made by Herbert Morrison, minister for home security, at Blackpool on May 5.

It was upon Morrison's controversial speech that the debate centered. "Hitler has seen the children of his country starving and I suggest, that if you and I share the experience you would at least begin to understand why he is ruthless when protecting his country from a repetition of that starvation by reason of the blockade," the duke said.

"Don't forget that when our national safety or victory is at stake, we are perfectly prepared to kill the French."

Mr. and Mrs. Milton Sweet, returned from Concordia, Kan., Sunday and visited his mother, Mrs. Walter Stevens and family before returning to their home at Hermiton, Ore.

Douglas Conner is home on a 15-day furlough from Mate Island, where he is navy training.

Clark Hand arrived Monday from San Diego, where he was called by the serious illness of his sister, Mrs. Robert Draper.

Mrs. Forrest Armstrong and son, Bill, left Tuesday for Portland where Billy will enter the Shriners' hospital.

Mrs. Bert Meinel and children and Mrs. Rudal Brown and children left Wednesday for Richmond, Calif., to make their home. Carson Brown accompanied them to visit his children in San Francisco and Louis Beach.

Mr. and Mrs. W. L. Jenkins were called to Malad Monday by the death of his father, William F. Jenkins. John Burnside, Resburg, is managing the cheese factory while Mr. Jenkins is away.

Miss Thelma Peterson left with two other teachers the first of the week for Berkeley, Calif., where they will attend summer school.

## TUCKER'S NATIONAL WHIRLIGIG

FANTASTIC—The course of the United States lies in a national doghouse so deep and dark that the occupants cannot determine whether they are terrorists, assassins or just plain fools. And their predicament is no light or laughing matter to Washington—or to the nation. The implications of the current action in Washington will form the chief topic of conversation in the classrooms.

They brought about their own troubles. Right? Wrong? It is a question that the nation is asking itself. They brought about their own troubles. Right? Wrong? It is a question that the nation is asking itself. They brought about their own troubles. Right? Wrong? It is a question that the nation is asking itself.

RAY TUCKER points out that they are not alone in their predicament. Many other individuals are in a similar position. They brought about their own troubles. Right? Wrong? It is a question that the nation is asking itself. They brought about their own troubles. Right? Wrong? It is a question that the nation is asking itself.

The more analytical also note that many members—perhaps a majority in view of absences at the time of the ballot taking—along with the "genuine" group. The full list, in their opinion, should not be blamed for the faults of a few more than a community should be condemned because the whole house is partially filled. In discrediting the legislative branch, the people may be doing themselves a disservice. For this is the "popular" and the elective unit of government. And some think it is not too fantastic to suggest that some day they may stand as the only safeguard against possible encroachment on civil, personal and economic liberties.

BIZARR—House appropriation committee members—both Democratic and Republican—are among the golden wings of Mrs. Anna M. Rosenberg, who knocked down \$5000 a year in salary for herself and public master. But separating the "robbers" which they have taken from the government is a partially filled. In discrediting the legislative branch, the people may be doing themselves a disservice. For this is the "popular" and the elective unit of government. And some think it is not too fantastic to suggest that some day they may stand as the only safeguard against possible encroachment on civil, personal and economic liberties.

Publicly alone may straighten out this bizarre situation. Mrs. Rosenberg's power at Washington lies in the fact that she is the only woman in the White House and its official annex. The regional director of the social security board could be brought down to financial earth through a simple amendment providing that no officialholder should receive money from outside the government. It is a simple matter to amend the law. It is a simple matter to amend the law. It is a simple matter to amend the law.

DEBATE—American railroads are making a quick and desperate effort to cash in on the admittedly fine services which they have given the government since the Pearl Harbor battle. Defeated on the floor recently in a surprising skirmish, they have mobilized a strong lobby in an attempt to get rates fixed under 70-year-old land grant agreements.

In order to open the west during the booting days of the long haul, the railroads have been valued at approximately a hundred and twenty-five million dollars. The iron horsemen are steaming up their political boilers in an endeavor to make the grade. But this is a long haul.

ACCUSED—Trailing films of glory will accompany American soldiers wherever they may be called upon to fight when the time comes for establishing several active fronts on foreign soil. Their achievements will be glorified by a series of motion pictures. Their achievements will be glorified by a series of motion pictures. Their achievements will be glorified by a series of motion pictures.

REMARKS—Majority leader Barkley is well liked by colleagues and correspondents because of his bumbling good nature, but he has never commanded great respect for his ideas or his leadership. He has never commanded great respect for his ideas or his leadership. He has never commanded great respect for his ideas or his leadership.

## CARE OF YOUR CHILDREN

WORDS ARE SOUNDS TO CHILDREN: Words are sounds to children and if we pour too many of them into their ears they turn a deaf ear to our direction. Experience, personal and sometimes sharp, is what puts meaning into words and gives our teaching value.

## Other Points of View

THOSE PATRIOTIC CROOKS: There couldn't be much debate about it any time the subject came up. That one of the latest forms of crime at this war-time moment would be the counterfeiting of war stamps. The point is clinched because such a get-rich-quick proposition was too contemptible even for an underworld gang, whose members recurred to it only when they were desperate. # FOR STARTS MASS PRODUCTION OF BIG U. S. AIR BOMBERS

## ONE PLANE PER HOUR IS PLANNED

By ROY F. PORTER

**DETROIT, May 21.**—The first of the big four-engine bombers which will be put into mass production based on simplified manufacturing methods has rolled off the five-mile long assembly line of the Ford Motor company today.

Edsel Ford, president, told correspondents on the National Association of Manufacturers' assembly line for the first time that completion of the first bomber assembled marked a new phase in Ford's war manufacturing which now includes approximately 100 different contracts.

**Other Items**  
Besides bombers, the Ford company is making tanks of modernized design, tank control instruments, combat vehicles, cartridges and shells, engines for land, sea and air forces, individual airplane parts and other weapons which, because of their technical importance, must remain secret.

The bomber program was now beginning in earnest, said the Ford company's president, Charles E. Sorenson, vice president, declared. "Our work on general war production will double the entire peacetime business of the Ford Motor company and our employment will also be about doubled."

The bombing plane, which will be produced on the design of the Consolidated Aircraft Corp., is known technically as the B-24-E. It is a four-engine, 28,000-pound, powered by four Pratt & Whitney 1,200-horsepower engines with a cruising range of 2,000 miles at a speed of 200 miles an hour. It can carry four tons of bombs.

**One Per Hour**

Sorenson already has been quoted as saying the Willow Run plant has been built on an estimated production rate of one bomber every hour. Workers in the new plant probably will go on to three or four shifts when high speed turn-out is attained.

The assembly of the first plane, Sorenson said today, has proved that airplanes can be built by the same mass production methods that Henry Ford introduced into the automobile industry with his Model T car.

Special training schools for employees have been established in a building near the assembly plant where both men and women are being trained. Women will make up about 25 per cent of the total employees and will be paid at the same rate, job for job, as men.

## JEROME

Donald Eoff, son of Mr. and Mrs. Ed Eoff has been a guest here at his parents' home, 114 E. 1st, this week for the first time since he is employed with the government.

Mr. and Mrs. Maurice Kline have returned home from Medford, Ore., where they visited his brother, Russell Kline, who is in the United States armed forces.

Mrs. Fred Carlson, accompanied by Mrs. Maude Knobel, her sister, and Miss Dorothy Carlson, left for Boise last week-end where Mrs. Carlson enrolled in a business university. Mrs. Carlson returned this week-end.

Miss Knobel will remain a few days to visit her relatives. She plans to attend graduation exercises May 25 for her nephew, Wayne Hendry, Albion.

Six workers, majority being school teachers, are at present employed at the Jerome high school, painting the interiors of the rooms and the hallways.

Lila and Edna Lawrence left this week for an N. Y. school. Miss Lila Lawrence to enroll in business, while Miss Edna Lawrence will become a nurse's aide. Louis J. **AT NETHERLANDS**

By FRED VANDERSCHMIDT

A. J. Henderson, New York lawyer, successor of William L. Ball as director of the war production board's materials division.

Henderson's decision to let his chief hangerman, Heinrich Himmler, supply the full fury of Gestapo "pacification" to the Netherlands is evidence of his fears lest his headquarters of western Europe become one of the main seats of Hitler's power.

Since Monday Himmler is reported to have been in The Netherlands, organizing his forces, and cloaking his Dutch Nazi who betrayed their country two years ago.

**Aid From Within**  
There are excellent tactical reasons for an allied breakthrough to The Netherlands, when the time is ripe for a western land front, and a situation also has arisen there which might conceivably give the allied invaders a greater degree of skilled and organized assistance from within than will be available in other countries.

The Germans themselves admit that the class primarily responsible for their fears regarding The Netherlands is their officer personnel, the Dutch army which once totaled 400,000. Among the 66 Dutchmen recently shot by German firing squads were an untrained number of Netherlands officers accused of violating their parole, later the Germans said that "all 2000" officers and cadets still out on parole had been arrested.

**Hasn't Caught All**

Obviously, however, the Germans have not caught all the officers who had so little chance to fight in May of 1940, or Hitler would not have delayed Himmler from his bloody work in Germany and elsewhere.

There are ample indications that these officers are in frequent contact with their own exiled government and their British allies across the narrow lower reaches of the North sea, and that they are carefully preparing to assist the first allied forces to set foot on the coast, high soil of Holland.

To anyone who knows the Dutch there is no doubt that these canny and indomitable men will defeat the methods of Himmler, just as they defeated with their contempt the first clumsy efforts of the Nazi propagandists to lure them into a pitiful "Teutonic brotherhood."

## Albion Yearbook Honors Those in Service of U. S.

By FRED VANDERSCHMIDT

To those from the Albion State Normal school campus who are engaged in the defense of the nation, the 1942 Sage, Albion Normal yearbook, is dedicated.

The 223 copies of the well-illustrated and completely edited annual have been delivered by the publishing department of the Times-News. Department managers consider it one of the best they have printed this year.

Miss Jennie Williams of Albion College, the editor; Forrest Goff the editor, and Barbara Warner business manager.

The cover is of padded, grained linen, brown with blue overtones, and has a die cut of the Statue of Liberty pressed into the surface. Printed in brown, blue and black with a serial binding, the book carries a patriotic theme.

Printed in brown, is a view of Lake Cleveland, favorite outing spot for Albion State Normal students.

Division pages have pictures of campus scenes, printed in brown, and solid blue cross-outs to lighten the pages.

The four sections of the book are devoted to administration, classes, activities and student life, and are profusely illustrated with photographs and snapshots.

A memorial page is dedicated to the late Frank E. Howard, who died March 19, 1942. He was a member of the Albion faculty for 27 years, retiring in 1935.

Illustrative of "war times" is the page devoted to the CAA Flying club, now in its second year. Members of the club are shown in their flying tops.

A feature of the annual is a poem by Ted Roger Homing.

# DEFENSE HOUSING PROGRAM SLOWING TO STANDSTILL

## LACK OF LUMBER CUTS DOWN WORK

By WILLIAM NEEDHAM  
WASHINGTON, May 21 (AP)—Defense housing construction throughout the country is slowing to a standstill as a result of the army's hold on virtually all supplies of softwood construction lumber, was production board officials disclosed today.

In at least 15 cities, many with heavy concentrations of war industries, housing projects have been stopped entirely and at least 35 other cities have reported "critical" situations because of dwindling lumber stocks. Similar reports from other defense housing areas are flooding into Washington daily. Direct cause of the threatened collapse of the housing program is a WPB order, issued a week ago at the insistence of the war department, "freezing" all sales and deliveries of softwood construction lumber by large producers for 60 days—except for deliveries to the army, navy or maritime commission.

Can't Build  
Some officials at WPB, sharply critical of what they described as war department "shot-gun" methods, said the "freeze" order is equivalent to a halt on public construction. For example, farmers who cannot ship grain to already-filled elevators will be unable, in many sections of the country, to build bins for their spring wheat crops.

It was indicated that the order was rushed through WPB's lumber branch under army instructions before high-ranking WPB officials realized its full effect.

"There certainly was no intention to stop defense housing," James G. Knowlton, director of industry operations, declared today, "and something will be done about it."

Full Program  
As of May 9, war production board statistics showed, a total of 410,000 defense housing units had been programmed, including family dwellings, trailers and portable houses, and single-person units. Construction contracts had been awarded covering 213,680 units.

The only lumber still available for such projects is in retail yards in the United States. It was reported the army had bought up some 2,000,000,000 feet of these stocks since March.

Authoritative WPB officials declared that the army, although warned months ago that it should begin stockpiling lumber for the emergency in which it will house its multi-million-man new army, had failed to do so.

The 35 areas in which housing projects were reported in a "critical" situation for lack of lumber included Phoenix, Ariz.; Salt Lake City, Seattle and Spokane.

To Foreign Duty  
HAGERMAN, May 21—Lieut. Jack Clifford, son of Mr. and Mrs. Lawrence Clifford, visited his parents recently before leaving for foreign service. He has been leaving officers' training at Fort Bell, Okla.

## Ayres in Army, Noncombatant

An army doctor at Portland, Ore., looks over Lewis Ayres, the nation's most famous conscientious objector, as he signed up to serve with noncombatant troops of the United States army for the duration, he hopes to see duty with the medical corps, still doesn't believe in bearing arms.

HAGERMAN  
Mr. and Mrs. Howard Fox, Idaho Falls, and Mrs. Margaret Walker, Hiley, visited Tuesday at the home of Mr. and Mrs. Martin Curran. They were on their way to Santa Barbara, Calif. Mrs. Fox is a sister of Mrs. Curran.

Howard Winger was guest of honor at a party at the home of Mr. and Mrs. Giles Condit. Games were played and a marshall and wicker roast was enjoyed in the outdoor fireplace. Howard left Monday for Boise to enlist in the navy.

Donna and Silva Tucker, Salt Lake City, daughters of Mr. and Mrs. Richard Tucker, were home for graduation exercises. They have completed their business courses and are now both employed in a government office in Salt Lake.

Mr. and Mrs. G. F. McReynolds have been enjoying a short vacation. Mr. and Mrs. Nick Haglund, Shoshone, have been in charge of Mack's pharmacy during McReynolds' absence.

They visited Mr. McReynolds' parents in Nampa and with her parents in Caldwell. At Fairfield they visited with their daughter, Mrs. C. L. Dickinson and at Boise with another daughter, Mrs. Irwin Moore.

Mrs. Henry Clark, her daughter, Bernice, her mother, Mrs. John Clark, and Mrs. M. M. Prewitt left Monday for Sacramento, Calif. They will visit Mrs. Clark's son, Keith Clark who has a few days leave from the navy.

Mrs. George Martin and Mrs. Lloyd Martin left Tuesday morning for Camp Roberts, Calif., to visit with Lloyd Martin, who is stationed there.

Mr. and Mrs. Richard Tucker left Tuesday for Long Beach, Calif., where they will visit their son, Martin, who is entering the army.

British Commonwealth Air Training Plan has extended the training period for pilots from 24 to 28 weeks. In this extra time more attention will be given to aircraft recognition and navigation.

## DATE, HOUR SET FOR SPD VOTE

County Agent Bert Bollingbrook will be in charge of a meeting of potato growers which will be held at the Idaho Power auditorium at 2 p. m. Wednesday, May 27. It was announced today. The purpose of the meeting is to nominate candidates to the Idaho potato administrative committee.

The administrative committee has charge of the potato marketing program under a continuing agreement, acts as intermediary between the secretary of agriculture and any producer and handler, and receives and investigates complaints of violation of the marketing agreement. The general rule regulation of the agreement specifies that no handler shall ship potatoes which do not meet requirements of the U. S. No. 2 or better grade.

Bollingbrook represents the University of Idaho extension service and has been asked by the administrative committee to handle the meeting. He will open the session and after outlining its purpose will call on the growers to select a presiding officer and secretary.

Other meetings will be held at Idaho Falls and Caldwell.

## Kimberly Hires Music Directors

KIMBERLY, May 21—Employment of new directors for band and orchestra was announced today by Kimberly school board officials.

Clayton Boyd, music director at Challis for the past five years, will succeed Harold Dodd as band director. He will also teach in junior high. Boyd is a graduate of U.S.I., where he directed the symphony orchestra and the pep band, and is also a graduate of The University of Idaho, Moscow, where he was active in music.

Boyd taught two years at Midway, Lewistown, Ida. At Challis his band rated first division three out of five years.

Golden K. Hansen, who graduates next month from U.S.I. college, will handle orchestra and chorus here next year. A native of Salt Lake, he studied two years at the McCutcheon School of Music, Utah, before entering U.S.I. For the past two years he has been director of choral work at the state college.

## Buhl Pair Receives Word From Australia

BUIH, May 21—Mr. and Mrs. Adolph Rendia received a cable May 17, from their son, Fred Rendia, as follows: "Am in Australia feeling grand. Don't worry about me. Will write shortly."

They had not heard from him since March when he was sent from the 16th Infantry to Camp Lewis in San Francisco. He joined the military forces last October.

## Mechanical Fence May Take Place of Guards at Plants

LOS ANGELES, May 21 (AP)—R. K. Gasky, owner of a small engineering plant, said today he has invented a mechanical guardman which will replace some of the soldiers guarding defense plants for front line war duty.

The mechanical guardman, technically an interceptor fence detector, has been tested for several months at Northrup Aircraft Inc. Army engineers said they were "very much interested in this system."

Gerkey's guardman, invented by violation of the marking agreement. The general rule regulation of the agreement specifies that no handler shall ship potatoes which do not meet requirements of the U. S. No. 2 or better grade.

Bollingbrook represents the University of Idaho extension service and has been asked by the administrative committee to handle the meeting. He will open the session and after outlining its purpose will call on the growers to select a presiding officer and secretary.

## Castleford Club To Sponsor USO

CASTLEFORD, May 21—Evelyn, woman's club met at the home of Mrs. Fred Sniffen, Jr., with Mrs. Grace Kinyon assistant hostess. The group voted to sponsor the U.S.O. drive for the community and voted \$5 to begin the fund.

Mrs. Grace Kinyon was appointed drive chairman; Mrs. Leo Conrad, secretary, and Mrs. E. D. Logan, treasurer.

Members agreed to plant extra vegetables for canning for school lunches next year.

# SOCIAL EVENTS and CLUB NEWS

## Revolving Art Loan Presented To Officers by Mrs. Nicholson

Establishment of a new Twentieth Century club tradition highlighted the final general meeting of the year for the group Wednesday afternoon at the Idaho Power company auditorium.

Mrs. T. S. Nicholson, Filer, a member of the club, and one of Idaho's artists, gave a choice of pictures to Mrs. H. L. Hogsett, retiring president, and Mrs. William Baker, retiring chairman of the Fine Arts department of the club.

These original paintings by Mrs. Nicholson are to form a revolving art loan to be passed on to retiring presidents and retiring chairmen of the Fine Arts department each year, or to be exchanged for paintings of their choice from Mrs. Nicholson's gallery.

**Motivation for Gifts**  
Mrs. Nicholson has made this gift because it makes her happy to share her love of art, and because the Twentieth Century club has fostered art among its members, especially through the organization and work of the Fine Arts department.

Mrs. Hogsett selected a scene from Zion National Park, and Mrs. Baker a Clear Lake view. Mrs. Nicholson presented at the business session, and under recommendations of the board of control the following donations were accepted: Twenty dollars to the USO; \$7.50 to Camp Fire; \$7.50 to Old Reserve; \$10 to Cancer control; \$20 to the McCloskey memorial health camp.

**Buy War Bonds**  
The club voted unanimously to reinvest \$1,000 of the club funds, now in the First Federal Savings and Loan company, in three \$500 war savings bonds.

Officers, department chairmen and committees submitted their annual reports, and Mrs. Hogsett then turned over the gavel to the incoming president, Mrs. P. H. Wilson. In the absence of Mrs. Wilson, who was unable to attend, Mrs. H. A. E. Cook, first vice-president, accepted the gavel for her. Mrs. Hogsett was given a rising vote of thanks for her successful year as president.

## Gardening Books Found in Plenty At Local Library

Subjects to types of gardening problems—from vegetable to cactus—are to be found on the shelves of the Twin Falls public library. Mrs. Joe Frazier, librarian, said members of the Twin Falls Garden club yesterday afternoon.

Mrs. Frazier distributed lists of garden books, and described the outstanding ones. She also recommended the Garden Encyclopedia and the Garden Dictionary as being good reference books.

Session was held at the home of Mrs. T. W. Hicks. Mrs. W. T. Seal presented the timely topic.

**Fairview Club's Anniversary Is Party Occasion**  
FAIRVIEW, May 21—Six of the right women who were present at the organization meeting of the Fairview Klutznick club 20 years ago at the home of Mrs. John Chapman, were present at the 20th anniversary celebration of the club Saturday at the home of Mrs. L. O. Watson.

They were Mrs. Ben Johnson, Mrs. Frank Atkins, Mrs. Esther McGahey, Mrs. Chris Forrester, Mrs. Gustafson, and Mrs. E. H. Pembler. Mrs. Chapman, present as guest of honor, presided.

Others present at the initial meeting were the late Mrs. Stanley Twitty and Mrs. M. Shaders, living in Enid, Okla.

Mrs. Chapman described that founders' meeting and Mrs. Harvey King read a history of the club. Eight women then renounced the 20-year-old tradition, wearing appropriate costumes.

Taking part were Mrs. Chester Noe, Mrs. Elvin Noe, Mrs. Ernest Voss, Mrs. Esther Schuster, Mrs. Dick Atkins, Mrs. Emil Hahn, Mrs. Dick Peterson and Mrs. Tom Twitty.

Mrs. Frank Atkins sang the club song, and Mrs. Kauffman received the white elephant. Mrs. Chapman presented the club with a new birthday cake which Mrs. Voss, present president, cut and served with other refreshments.

**Ogden Couple Wed At Kimberly Home**  
KIMBERLY, May 21—The home of Mr. and Mrs. B. O. Cook was the scene of a wedding Saturday night when Miss Phyllis Guttery, Ogden, became the bride of Orin Sudweeks, Ogden. Bishop D. T. Whitte of the Kimberly L. D. S. church performed the ceremony.

Mrs. Cook was best woman and Mrs. Cook, matron of honor. Mrs. Jay Stanley was a guest.

Mrs. and Mrs. Sudweeks left Sunday night for their home in Ogden. He is a brother of Mrs. Cook.

## Wodskow-Johnson Vows Exchanged At Burley Rites

BURLEY, May 21—Miss Genevieve Johnson, daughter of Mrs. Sarah C. Johnson, Burley, became the bride of John Wodskow, son of Mrs. Lillie Jenkins, Heyburn, Sunday at 2 p. m. at the Johnson home in the Ramsey apartments, with Pastor Judge Henry W. Tucker reading the ceremony.

Miss Averla Leiger, Minidoka, played the wedding march as the couple in place for the exchange of vows. The bride wore an afternoon dress of blue silk crepe with white accessories. Her corsage was of roses. She was attended by her sister, Miss Wilma Johnson, who wore pink.

Dr. Wodskow, Heyburn, attended his brother as best man. Miss Wilma Johnson played "I Love You Truly," and following a ceremony a buffet luncheon was served with the table centered with a decorated wedding cake topped with a bride and groom. Lilies and anemones decorated the apartment.

Wedding guests were Miss Evelyn Nelson, Mrs. A. A. Brown, Mrs. Cora Harrison, all of Rupert; Miss Alvera Leiger, Minidoka; Mrs. and Mrs. Durrell Wodskow, Mr. and Mrs. Walter Wodskow, Heyburn; Mrs. Sarah Johnson and Miss Wilma Johnson, Burley.

Later Sunday afternoon the couple left on a wedding trip to Pocatello and has returned to make its home in Heyburn.

The bride was graduated from Rupert high school in 1937 and later completed her work at Albion State Normal school, she taught in the Overland school in Burley for the past two years.

Prior to the wedding, the bride was honored at a shower at the home of Mrs. Albert Anderson, with Mrs. May Reid and Mrs. Viola Moon as hostesses.

## Forewell Honors Two at J. U. Meet

Miss Gladys Davidson, who is leaving soon to live on the coast, and Mrs. Lena Osborne, who is leaving soon to spend the summer on the coast, were honored at the J. U. club meeting yesterday afternoon at the home of Mrs. O. E. Kunkle. Gifts were presented to them by the club during the social hour.

A buffet luncheon followed the business session, and Mrs. Osborne and Miss Davidson were invited to pour. Lilies and tulips formed the decorations.

Assistant hostesses were Mrs. Ray Treadwell, Mrs. Ruth Whitehurst and Mrs. Florence Christensen. New officers took the chair, including Mrs. W. A. Minkus as president and Mrs. J. N. Claar, secretary-treasurer. Committees are to be named later.

Miss Alma Carson gave a talk on first aid.

# Marjorie Slack and K. H. Poe United at Taperlight Nuptials

## Bride Receives Bouquet

At a taperlight ceremony, Miss Marjorie Lee Slack, Compton, Calif., daughter of Mrs. and Mrs. F. W. Slack, and Kenneth H. Poe, Glendale, Calif., son of Mr. and Mrs. W. A. Poe, were united in marriage Wednesday evening by Rev. Mark C. Cronenberger, pastor of the Christian church.

Ceremony was performed before the flower-banked fireplace in the living room at the home of the bride's parents, in the presence of the immediate relatives and a few intimate friends. Graduated floor candles held in lighted white tapers and baskets of spring flowers formed an impressive background for the ceremony.

Mrs. Charles Allen, sister of the bride, was matron of honor, and Terry Sullivan was best man. The bride was given in marriage by her father.

**Hand-Designed Necktie**  
Interesting item of the bride's wedding ensemble was a heart-shaped pendant on a gold chain, made by Mr. Poe for his bride.

The heart of plexiglass was finished with a miniature gold 2-3/8. The bridegroom is employed at the Lockheed aircraft factory, where these famed bombers are made.

The wedding gown of white tulle was styled with a white lace bodice top and sweetheart neckline and short puffed sleeves, and the fingertip veil was held in place with an orange blossom spray. The bride carried a shower bouquet of pink roses, and the handkerchief that her mother had carried at her wedding.

**Young Girls Play**  
Little Miss Betty Cronenberger, aged 10, played the wedding march and also the instrumental for the bride, "The One Rose" and "Because," sung by Mrs. Ed. Clarkson and Miss Joyce Pierce, sister of the bride.

Betty wore a floor-length yellow silk formal and the singers wore pastel lace frocks, all completed by shoulder corsages.

The matron of honor was gowned in a pink tulle formal, styled with a jacket, and carried a colonial bouquet.

Mrs. Poe wore a pale green beanie gown with gardenia and rosebud corsage and Mrs. Slack wore a dark blue dress with white trimming and a gardenia and rosebud corsage.

**Reception Follows**  
A small reception followed, and the couple left immediately after the wedding for California. They will be at home at 361 S. Palmer, Glendale. The bride wore a flowered silk jersey dress and matching accessories for traveling.

Mrs. Poe, a graduate of Twin Falls high school, has been a civil service employee at Canyon Junction college, Compton, and Mr. Poe, also a graduate of Twin Falls high school, is a Lockheed employee.

**Friends From Four Towns Attend Party**  
KIMBERLY, May 21—Mr. and Mrs. Roy Davis, Kimberly, entertained at a no-host dinner Sunday. Attending were Mr. and Mrs. Ira Fuller, Robert Fuller and son; Mr. and Mrs. Ed Enlow and son; Albert Todd, Robert Todd and Miss Jean Todd, Jerome.

Mrs. Sarah E. Hollahan and O. J. Gay, Piler; Mr. and Mrs. Erwin Holloway and family, Mr. and Mrs. George Fuller and Mrs. M. Manning, Twin Falls.

**Deputy President**  
Mrs. Myrtle Ballantyne, Twin Falls, deputy to Mrs. Lulu Watts, Pocatello, president of the Rebekah Assembly of Idaho, made her official visit to Primrose Rebekah lodge Tuesday evening at the Odd Fellows hall, giving instructions to the lodge.

# Mona Hulbert, Fiance Honored By M. W. Hunts

Honoring Miss Mona Hulbert and Claude Brown, Jr., who will exchange nuptial vows at 1 p. m. Sunday, May 24, in the recreation room of the second ward Latter Day Saints church, Mr. and Mrs. Mitchell W. Hunt and their daughter, Miss Marian Hunt, entertained at a buffet supper party for 20 guests last evening at their ranch home near Huhl.

The bridal motif was cleverly carried out in buffet table appointments, with an improvised altar on a floral base, with tiny bride and bridegroom figures in the center, as the centerpiece.

Tapers, place cards and all other appointments were in the heart and satin ribbon motif.

Guests, members of the families and close friends enjoyed an informal humorous program of games and contests designed to give the couple "necessary information" for their bridal career, following dinner.

Prizes were awarded to Miss Hulbert and to Claude Brown, father of the bridegroom-to-be.

The betrothal ring was presented with a gift of silver by the host trio. Out-of-town guests included Mr. and Mrs. Percy Kock, Salt Lake City, and Mr. and Mrs. Burton Briggs and daughter, Ora Lucille, Gooding.

## Recital Given By Bach Pupils

Beginning with "America," played as a duet by Sandra Ann Gill and Mary Lou Gill, a program of music from Beethoven, Mendelssohn, Schubert, Kullak, Heller and Tschakowsky was presented by Junior Bach club members at the studio of their instructor, Mrs. Effie Richard Hinton, yesterday afternoon for parents and friends.

Piano soloists were Dina Rowan, Sandra Ann Gill, Nancy Magel, Mary Lou Gill, Gene Pickett, Rae Louisa Schallert, Jane McFarland, Louise Voorhees, Arnold Johnson, Betty Cronenberger, Richard Irwin, Gloria Moore, Dorothy Allen and Norma Finke.

A piano octet was played by Miss Finke, Miss McFarland, Miss Moore and Miss Allen at piano 1, and Lillian Arnold, Richard and Gene at piano 2. A piano duo was played with Miss Finke at piano 1 and Miss Schallert at piano 2.

Guest pianists were Joan Wilson, Murray North and Pat Day, who played compositions of Scarlatti, Chopin and Lacuna.

# BOOST URGED IN RUBBER MAKING

WASHINGTON, May 19.—Secretary of Commerce Jesse Jones told senators today that he had recommended that the nation's synthetic rubber capacity be raised from present plans for 500,000 tons to 1,000,000.

The secretary also disclosed that government financed plans for converting grain and other farm products into synthetic rubber would increase from present plans for 500,000 tons to 1,000,000.

Senator Charles McNary, chairman of the Senate Committee on Commerce, said that he would support the plan to increase synthetic rubber production to 1,000,000 tons.

## WHEAT SLUMPS ON LATE SALES

CHICAGO, May 21.—An outburst of selling after mid-session on wheat futures prices and during the first half of today's session and brokers attributed much of the selling to the favorable crop picture, scarcity of storage space and government moves to press more wheat into storage as freed.

The senate approved a measure authorizing sale of government grain at 10 cents below market.

Wheat closed 1/4 cent lower than yesterday, May 17-17 1/2, July 12 1/2, and August 12 1/2.

## INDIGNANT TOKYO SEES FDR "TRICK"

By United Press  
Tokyo radio, after 36 hours of contemplation, today replied to President Roosevelt's announcement that Brig. Gen. James H. Doolittle led the bombing expedition over Tokyo on April 18, by terming it "just another trick to attract world attention from allied disasters."

"The sudden statement by the Washington government in regard to the American raid over Tokyo is just another trick of President Roosevelt to attract world attention from the allied disasters and the allied defeat in the Coral area," the radio quoted "observers."

"When asked by newsmen whether Japan had on display for the public Doolittle's answer: 'No planes were lost and Japan may have gotten it somewhere else.' If this is so, observers said, Roosevelt had better burn up."

Seventy-five American pilots were awarded medals. How many of them can stand on their own feet? Doolittle also said that the American raiders could not be the result of the bombings because of loss of altitude.

"This statement reveals that the Americans lied before they confirmed the outcome of their attack."

## Castleford Grads Hear G. N. Green

CASTLEFORD, May 20 — "The Empty Niche" was the subject of the commencement address by George N. Green, principal of the Castleford high school, at the high school here last week.

He said for each of us in the coming days there is a battle front, and that to keep up courage we must hear America singing.

The band played several numbers as given by Jack Stevens, Jimmy Brown, Tommy Pinkston and Gaylord Thomas. Marilyn Stiller played a clarinet solo.

## Teachers at Declo Leave for Summer

DECLO, May 21—The following teachers have returned to their homes after the close of the Declo school term: Ora and Ruth Robert to Murtaugh; Leo Sater to Albion, Wells Koye to Hazelton, Junior Eames to Elba, Lester Dowling to Twin Falls, Francis Heininger to Rigby, Maurice Riddle to Driggs, Joseph Mervay to St. Anthony, and J. Bernie to Hurricane, Utah.

## State Chairman Addresses Club

SHOONHE, May 21 — Robert Coulter, Boise, state chairman of the Democratic party, was guest speaker at a recent meeting of the Lincoln county Democratic Women's club, held in Shoshone at the Legion Memorial building. He gave an interesting address on party unity and the approaching campaign.

Mrs. J. E. Harmon, program chairman, gave a review of a pamphlet issued by the foreign policy association on "Why the League of Nations Failed."

Margery Kinsey, accompanied by Mrs. Paul Phelan, sang two vocal numbers, followed by violin solos by Mrs. Howard Atkins and Colleen Sullivan. Mrs. J. E. Harmon and Mrs. Frank Baylax were hostesses.

## "CEILING" LIMITS SOME BEVERAGES

Prices of beverages sold by hotels, restaurants, soda fountains and cafes for consumption on the premises are controlled by the general maximum price regulation, provided such beverages are not mixed on the premises, the OPA advised the county rationing board today.

"The regulation exempts food or beverages prepared and sold for consumption on the premises by restaurants, hotels, etc.," Leon Hendrich, price administrator, advised. "The word 'prepared' means that something must be done besides cooling or icing, opening and pouring a beverage. The price of a glass, bottle, or other container of a beverage not mixed on the premises is therefore controlled."

He explained that if a six-ounce glass or a half-pint bottle of milk was sold in a restaurant, during March for a top price of five cents, that is now its maximum price regardless of whether the wholesale

or the retail price has been increased since March.  
Tea, coffee, cocoa and chocolate are prepared on the premises and therefore not subject to price regulation.
