

AXIS RETREATS IN DESERT AS BRITISH CAPTURE GENERAL

Gen. Rommel Aide Taken by Allies In Tobruk Fight

By HENRY T. GORRELL
CAIRO, June 1 (UP)—Col. Gen. Erwin Rommel today succeeded in extricating the badly-battered and exhausted axis tank forces from a British trap in the Libyan desert south of El Ghatra, after the capture of his second in command by the British.

Rommel withdrew his German-Italian armored units westward, back from Britain's coastal stronghold of Tobruk, which had been his objective, after taking a heavy battering from British guns and bombing planes which left the desert wastes strewn with wrecked and crippled tanks.

British middle east headquarters announced that Gen. Ludwig Crüger, 50-year-old second in command to Rommel, was taken prisoner after his reconnaissance plane was shot down.

Consolidated Forces
Rommel was said to be consolidating his forces in new positions near a gap in the British minefield line extending from El Ghatra to the British port of Haifa on the Mediterranean coast.

Expect New Drive
Some observers believed Rommel would attempt another concerted thrust eastward, despite the battering of his forces, especially after the British had captured 200 miles southwest of Tobruk.

On the sixth day of the renewed fighting, the capture of Crüger was announced.

ARNOLD REPORTS U.S. AIRMEN WILL JOIN IN ATTACKS

By EDWARD W. BEATTIE
LONDON, June 1 (UP)—Gen. Henry H. Arnold, chief of the United States army air corps, said today that an American air force, using its own tactics and ground crews, would soon join the British in bombing Germany on an unprecedented scale.

"We shall hit the enemy hard and relentlessly until his military power has been broken," he said. "We are determined to get every possible fighting plane into being kept back in the United States for the absolute minimum required for tactical training."

At the same time the government has known that the Germans, in a vicious vengeance raid had bombed during the night ancient London by the use of the Heinkel He 111 in England, destroying at least one of its historic churches.

Aviation quarters asserted that the British and American air force would soon be bombing Germany within a "measurable time" with as many as 3,000 planes in a single night.

He said the American air corps, which has been in the desert since 30 years ago when he and fellow American army pilots started the desert war, had built an airway with potatoes on chalked tires.

# HUGE ALLIED RAID

**By DEWITT MACKENZIE**  
**Widg World, Was Analyst**  
 The allies were definitely getting ahead with their job of tapping Hitler to tear the measure of his guilt.

Latest and most impressive proof of this is the fact that the London power in the recent British bombing raid by some 1,250 warplanes which did not do a large amount of damage to the ancient city of Cologne—a really interesting exhibition.

Open to the public.

That is, to use the language of British Premier Churchill, "a herald of what Germany will receive, city by city." This statement adds significance through the announcement today in London by Gen. Henry Arnold, head of the United States air force, that he has practically decided to cooperate with British leaders to develop "the maximum impact of our combined air forces."

In short, the curtain has been drawn aside to give us a glimpse of an allied fleet which is rapidly developing into a force that nothing on earth will be able to withstand. We are due to see the allies in the air, making the Germans off the map, to make way for another which will wipe out the new world order.

Still, we shouldn't let this spectacular event obscure the Russian front. The struggle for the main gateway to the golden gulch, which depends on such large degree, appears to have reached the end of the first stage of this armistice, with the advantage resting on the allied side.

**Setback**  
 True, the Hitlerites have suffered no overwhelming defeat along the great Khatkov-Rostov section. The chief barrier to the Caucasus, but the important point to be noted is that the Allies have been able to get ahead with their project of breaking into the Caucasus. The Russian front is in itself a serious setback.

Every day they are kept from the chief center from which Hitler never so badly is another nail in the fuhrer's coffin. Such a setback is a serious setback, for they are taking a beating, for they are pitted against speeding time.

# State Guard Company Wants Recruits in 'Awkward Squad'

Do you want to join Company B of the Idaho state guard? If you do, there's a place for you in the "awkward squad."

The formation of the squad was announced by Capt. M. C. Groves, the company commander, through acting Lieut. W. T. Terry, his public officer.

The company is at its authorized strength of 33 officers and men. But with a number of members eligible for the draft and the probable resignation of others for various reasons, the captain desires to build up a surplus which he can use as the regular members leave.

It is his surplus that will go into the unit organized squad. The members of the squad will be given special drilling apart from the regular drills of the company when their induction time arrives.

# Japs May Leave Eden Camp To Work in Harvest Fields

The wartime civil control administration, under certain conditions, will permit Japanese who will be housed at the Eden camp to leave that camp to work in the fields during the harvest. It was learned by the Times-News.

With 10,000 Japanese to be housed at the Eden camp, and with many of these being able bodied young men, the civil control administration is looking for a way to utilize them in the harvest fields in September and October—because the camp should be completely occupied by the time the harvest is over.

Up to War Authority

The matter of permitting Japanese to leave the relocation center to work in the harvest, it was learned by the Times-News, is under the jurisdiction and responsibility of the war relocation authority.

When this line the war relocation authority has created a war relocation corps in which all Japanese more than 16 years of age may voluntarily enter. This corps will be given the Japanese a chance to demonstrate their loyalty and willingness to serve the United States.

In the war relocation authority's opinion on the subject, the following is quoted:

Obligations Assumed

"Among the obligations which the war relocation authority assumes are:

1—Its agents to serve as a member of the corps.

2—To be subject to the jurisdiction of the military and civil control administration.

3—To be subject to the jurisdiction of the military and civil control administration.

4—To be subject to the jurisdiction of the military and civil control administration.

# RELIGION CALLED NEED OF WORLD

**MOSCOW, Id., June 1 (AP)—**Greater recognition of religion in the world of the future was urged yesterday by the Very Rev. Frank R. Fieser, of Boise, Episcopal bishop of Idaho, in his biannual address to graduates of the University of Idaho.

In other addresses on the campus of the Idaho university, a resolution elected Sylvester (Sib) Johnson, a Boise, a graduate of 1925, president of the student body, and Robert Brown of Kellogg, vice-president.

Dr. Fieser said that the association went on record as supporting the program of the state legislature of \$250,000 for an intensive program to develop religious, cultural and social activities.

The association resolution specifically requested the board of regents to make a study of the need of research and experimentation for greater utilization of the state's religious, cultural and social resources, both as a wartime and post-war measure.

Dr. Fieser asserted that "the world must find some way of living in peace and harmony after this war is over. We must not let the blood and tears of this war be in vain. We must not let the blood and tears of this war be in vain. We must not let the blood and tears of this war be in vain."

He said individuals must recognize that America is a Christian nation and that its principles of law and justice are Christian principles, and that the "American way of life for which we are fighting is a Christian concept and that in the American way of life there is a definite recognition of the worth and majesty of man."

## Lois Louden and Hugh S. Joslyn United at Episcopal Ceremonies

Against a background of all-white flowers and lighted taper lamps, Miss Catherine Lois Louden, Twin Falls, and Hugh Spencer Joslyn, San Francisco, exchanged marriage vows at 3 p. m. Sunday at Ascension Episcopal church.

The bride is the daughter of Mr. and Mrs. H. W. Louden, Twin Falls, and the bridegroom is the son of Mr. and Mrs. L. E. Joslyn, Boise, formerly of Twin Falls.

Rev. E. Leslie Rolls, vicar, officiated at the single ring ceremony in the presence of 80 guests. Nuptial music, including a violin solo, "Fanny Lee's Song," A. E. Francis, accompanied by Mrs. Francis, and the Lohengrin wedding march by Wagner and the Mendelssohn wedding march, played by Mrs. Margaret Clark.

**Charming Gown**

Much sentiment was attached to the ensemble of the bride. She was gowned in Mrs. Joslyn's wedding dress, fashioned of ivory brocade with a sweetly-pleated, white bolero effect. The sleeves were striped and embellished with pearl ornaments.

With it she wore the princess point lace wedding veil which had been sent from New York 20 years ago for the marriage of Mrs. Joslyn. The long, cap style veil was softly draped and carried a large, flower halo of blue and pink roses and lilies of the valley.

Her bridal bouquet was of pale pink roses and lilies of the valley. For good luck, the bride wore one of her old slippers a foot and a half out by her grandmother, Mrs. J. B. Bowland, from Ammonite, Ontario, the day before the wedding.

**Wedding Attendants**

Miss Florence Marie Louden, the bride's sister, as maid of honor wore a powder blue chiffon frock, designed with a sweetly-pleated neckline and a powder blue pleated skirt, carried a colonial bouquet.

Ushers were Vernon Louden, brother-in-law, and Robert Yerman and Larry Meach.

Mrs. Louden, in the absence of the bride's father, gave her daughter in marriage.

Louden wore a three-piece navy blue and dusty pink silk suit with straw sailor in navy and matching accessories. Mrs. Joslyn wore a blue afternoon dress with a straw-colored, ribbon trimmed hat. Their corsages were of rosebuds and gardenias.

**Reception Follows**

Four of the bride's most intimate friends, Mrs. Mildred Edwards, Mrs. Alene Lowery, Miss Betty Durling, Twin Falls, and Mrs. Margaret Poccia, Boise, assisted at the reception which followed in the church parlor.

White lilies, bridal wreath and ferns were featured in the decor for the banquet and luncheon. The bride and groom were seated at the head of the table with the wedding cake, was decorated with an elongated arrangement of white carnations, white and pink roses and painted daisies, blended with white cathedral drapery.

**Life on Coast**

After a wedding trip to Salt Lake City and Logan, Utah, Mr. and Mrs. Joslyn will be at home at 501 Turley street, San Francisco.

The bride, a graduate of Twin Falls high school, has been a member of the Beta Gamma chapter of the Phi Kappa Phi honor society for the past year. She is a member of the Beta Gamma chapter of the Phi Kappa Phi honor society for the past year. She is a member of the Beta Gamma chapter of the Phi Kappa Phi honor society for the past year.

# OLSEN HURLS COWBOYS TO 8-2 VICTORY OVER BOISE CLUB

## Wranglers Rap 3 Pitchers For 14 Blows

BOISE, June 1.—Twin Falls Cowboys got a little hitting to go with some fine pitching by Rookie Jim Olsen, who yesterday and checked up on a 2-1 victory in their second game of this season at Airway park. Olsen, pitching steady ball after a shaky first inning in which Boise scored two runs, had the visitors' well under control the rest of the way through, allowing only four hits in the last eight frames. The mazy playing Wranglers live mostly on scores made in whipping the Pilots, 1941 champions of the league, and they had up pleasure of Olsen's work in whipping the Boise southpaw, from the mound for the second time in two days.

**Play Again, Tonight**  
The two teams met again here tonight in the second game of the series, with Tony Lee slated for mound duty. Lee, who is probably either Gerald Staley or Lefty Johnson for Boise.

The Wranglers' last night's encounter when Tamons said Keesey singled with one down, frisky then scored. Tamons went to the right and Keesey scored a moment later on Walt Lowe's high fly to the outfield.

The Cowboys picked up a counter in the second inning after two were down. Bernard Rodgers, the new Twin Falls backstop who hit, three safe blows in four trips to the plate. A single hit went to the outfield on a passed ball, and then scored when Bud Tyreman lashed out a single. Olsen pitched the second out of the inning in the third and then drove two pitchers to the showers in the fourth as they led the game with a four-run outburst.

**Big Hitting**  
Jack Lohrke started the inning by getting a two-bagger into center field. Rodgers singled and Lohrke topped at third. Bob Tamons headed out, but Bill Stenger erred on Olsen's double. Lohrke scored, and Tamons was taken out for a young Jim Holcomb from Spokane and Jimmy Stenger, who pitched the second out. Rodgers, Harold Burton then walked to force in a run and Olsen pitched the second out. Stenger topped a pitched ball. Holcomb was pulled and replaced by Duppen. Heble fielded the second out. Olsen drove a walk to force in another run before Lohrke up for the second out in the inning, rounded out by the base-loaded.

## Dodgers and Yankees Make Run-Aways of Major League Races

NEW YORK, June 1.—The major leagues took out today for a deep breath and see what could be done about the Yankees and the Dodgers, who are running away with the pennant races.

The Yanks, with an eight-game lead, look invincible, even with their power hitters, Joe DiMaggio and Charlie Keller, in batting slumps. DiMaggio is hitting .254 and Keller .237. The Dodgers, with a six-game lead, can seem to do no wrong.

One of the main reasons why the Yanks and Dodgers have commanding leads is their ability to knock off the weak clubs. The Yanks have won 21 of their 31 games from the White Sox, Senators and Athletics. The Dodgers have won 18 of their 22 victories from the Braves and Phils and have lost only two to that trio.

**Best Braves Twice**  
The Dodgers' walloped the Braves last night yesterday, 10-2 and 3-1, and didn't have to work up a sweat to do it. Every close deal was lost to the Braves, but they were not taken out of the game by the Braves got so hot and both Manager Casey Stengel and the Braves' pitcher, Ernie Ott, were the operator and Shortstop Eddie Miller gave the gate in the night.

Max West was lucky he wasn't ejected, too, for his demonstration of the "umpire's call" when he called a ball he hit over the fence foul for only two bases. Everybody in the crowd was shouting, "Home or a foul ball. It was the second time this season. West had hit a home run in the first game.

**Walt Davis**, winning No. 7, did the Dodger pitching. Dixie Walker homered inside the park with the bases full in the eighth.

**Yank Sinker Breaker**  
After making his opening streak to eight straight by defeating the Athletics, 11-7, in the opener, the Yanks broke their streak when the Mackmen grabbed the nightcap, 4-2, behind Luman Harris' home run in the eighth.

The St. Louis Browns knocked a nifty four-run lead from the Indians, 5-4 and 3-1. Eddie Auker hurried his service to the mound and pitched a rally in the opener. Johnny Niggeling hung up his fifth win in the eighth. Lefty Grove pitched a shutout with two mates on in the nightcap.

Although losing to the White Sox, Detroit gained second place, a five-run rally in the eighth.

**Anglers Busy**  
The fishing enthusiasts in this community turned out almost en-masse last week-end, and the anglers had a busy time. The anglers were busy in the morning, and the anglers were busy in the afternoon. The anglers were busy in the evening, and the anglers were busy in the night.

**Wonders of the Birmingham**

**Couple gets married**  
Every time Joseph Morjoseph left the office of the Clermont-Johnston club of the Canadian American League, his home, Joseph Joseph, Jr., gives him a 14 as a present. He has it cost Joseph Joseph 14. Naturally, Joseph-Morjoseph needs to beat his record of 14 home runs made last year at St. Joseph, Mich., to kidding, which undoubtedly would cost Joseph Joseph more.

**Service Dept.**  
When Herb White, former San Francisco ball player, went to join the navy, they found his eyes were not as good as they had been. Special treatments to get by the test. Don was hitting only 467 runs total at the time.

## Russets Climb By Defeating Pocatello Club

By United Press  
The second-place Idaho Falls Russets climbed a notch on the first-place Pocatello Cardinals Sunday by routing out the Cards, 10 to 1, in a tight game at Pocatello. Salt Lake Bees rose to a tie for third with Ogden downing the Reds, 10 to 6, while Twin Falls edged further ahead of Boise in the tail-end standings by dumping the Pilots, 8 to 2.

Idaho Falls won the all-important Sunday game in the top half of the sixth when Muckley lofted out a triple that brought in three runs. Kilsura was the winning pitcher and Brown the loser.

Three Boise pitchers were called out to try to stop Twin Falls but Ogden pitched the best of the game, in allowing only seven hits while his teammates were notching the opposite side for 10 runs.

## Sammy Shead Rallies to Take PGA Title

By GAYLE TALBOT  
ATLANTIC CITY, June 1.—Sammy Shead, who said, never would he have won the PGA championship, because something always seemed to happen to him in the closing holes of a tournament, today won the 1942 PGA championship.

However, they had their hands full taking care of Jimmy Winterholler and Warren Larsen, with the match going 39 holes before Rowe came through with a 10-foot putt for a birdie-3 on the No. 3 hole.

The match completed in play on the 10th hole of the event. Great golf and all-around football, the contest. Cosgriff shot consecutive birdies on 2, 3 and 4 on a hole, and he was the only one to make back strong and take a lead.

**Change to Win**  
The Waterholler-Larsen combination had a chance to clinch the match on the 29th hole but a short putt was missed and from there the title champions went ahead to tie the match on the 30th.

On the fatal 39th, all four balls were on or near the edge of the green. Larsen hit a 20-foot putt for the closest and a chance for a birdie. Rowe had a 10-footer to sink it and then Larsen missed his chance to force the match into a 40-hole play-off.

In an early spring, Robello had plans to play in the 1942 PGA championship, but he was unable to do so because of a bad cold.

**Draw By**  
H. DeLoon and Fraser still must play Frothing and Norton for a semi-final berth in this section and the winner to play in the final four to meet the winner of the McRobert-Letter and Donahue-L. Denton match.

**Starter Fred Stone** announces that all the matches will be completed by Sunday, June 14.

**Next big match on the local course** will be the Pocatello match on Sunday, June 7 for a match in the Southern Idaho Golf League.

**First Call Issued For Lineup of Legion Ball Team**  
First call for candidates to try out for this year's American Legion Legion baseball team was made today by Carl Hickey, Legion base manager, who called an initial meeting at the Legion hall in the Harmon park swimming pool between 4 and 5 p. m. as they can get there.

## Cosgriff and Rowe Win Best-Ball Title

Mel Cosgriff and Marion Rowe, two boys who shot sub-par golf when the chips were down, won the 20-30 best-ball championship first flight yesterday at the Twin-Falls municipal golf course.

However, they had their hands full taking care of Jimmy Winterholler and Warren Larsen, with the match going 39 holes before Rowe came through with a 10-foot putt for a birdie-3 on the No. 3 hole.
