

RUSSIANS STAGE COUNTER-ATTACK ON SOUTH FRONT

By HENRY SHAFIRO MOSCOW, Aug. 19 (AP)—The Russians are furiously counter-attacking in the Kleklyanka area, destroying masses of infantry reserves and new tanks and planes poured into the most determined German effort to crush across the river Don, capture industrial Stalinsk and cut the Volga river line, front-line advance said today.

The Russians, who announced last night that the Germans lost 12,500 men between May 15 and Aug. 15, were raising the total on both the Kleklyanka front, 75 miles northwest of Stalinsk, and the Kotelnikoff front, 90 miles southwest.

Successful attacks on the Soviet front, the Kotelnikoff announced that Russian forces had carried out successful raids in the immediate rear of the German northwest of Kotelnikoff. The communiques acknowledged that German forces had been pushed back to the Russians around Pysatkov, to which a German apparently had fled from Milshtainovo, 40 miles to the north.

Soviet counter-attacks south of Kotelnikoff yesterday killed 4,000 Germans, destroyed scores of guns and tanks and were continuing. Counter-attacks were reported from heavy tank forces and motorized infantry pierced the first line of Russian defenses in the sector.

Soviet command had ordered a retreat, but the Russians managed to take the German in their second line, and held them.

All-Out Effort The German organ Red Star warned that the Germans were making an all-out effort to sweep the Russians from the Don and start a final drive for Stalinsk.

On all other fronts, the moon communique indicated, the Russians were holding fast, and reported "serious" attacks in the southeast of Kleklyanka.

Inquest Called Thursday After Fatal Crash Here

Coroner's inquest into the death of John A. Flynn, 75, Twin Falls produce dealer who died shortly before 3 p. m. yesterday of injuries suffered in an auto accident, will be held at the Twin Falls mortuary at 9 a. m. Thursday.

The inquest was set by Dr. A. A. Newberry. The mishap in which Flynn received his injuries occurred Tuesday morning two miles south and three west of South Park. He was driving his own truck which was transporting milk, a load from O. L. Climer, Jr., a fisherman employed at 10th.

Climer is believed to be in the Twin Falls county jail on an open charge. State Policeman V. K. Barron, who investigated the crash, said the young man told him he had failed to observe a stop sign at that point. Mr. Flynn's death is the first in the Twin Falls area since the night of June 7 when a motorcycle was killed in a crash on the highway.

Some of gallons of milk from the milk truck spilled over the pavement and was estimated at 4000. The milk truck was damaged by the crash. Mr. Flynn's panel type truck was practically demolished.

Mr. Flynn was born Feb. 19, 1867 near Toronto, Canada. He came to the United States at the age of three and lived at St. Cloud, Minn., until 1904. He then came to Twin Falls and helped to construct the western country.

On Dec. 2, 1901 he married Miss Minnie Barnington at Dickinson, N. D. She is among his survivors. The family came to Idaho in 1910 and for 17 years he was a stockbreeder on this tract.

Mr. Roosevelt has expressed no opinion on the issue publicly, but he has been reported to be actively creating the WNC instructed McNULT to work out an overall plan for a new federal agency.

MOP UP STARTS ON ENEMIES IN SOLOMON ISLES

The mop-up operation in the Solomon Islands apparently rested today on the completion of the more difficult jobs of mop-up where the United States marines have landed and the consolidation of navy mastery in that south Pacific zone.

This still was a triple-header operation—the greatest mauling, involving land, sea and air forces, but every indication in the absence of official reports is that the mop-up is accumulating success.

For one thing, the Japanese radio has begun changing its story on the battle and the only reference to it in the latest Tokyo broadcast was a comment on the way the United States onslaught might lead to further attacks on Japanese-held territory in the Pacific.

A report Auckland from a New Zealand correspondent commented on the south Pacific said the United States had won "sufficient success" at sea to reinforce and support the assault troops for what may be weeks or months of "extremely bitter" fighting on the water.

Japanese units which were in the Solomons at the opening of operations have been driven off the Caroline Islands, said this dispatch to the New Zealand Press Association.

Still, however, the fleet of United States Vice Admiral Robert Lee Ghormley and the land-based forces of Gen. Douglas MacArthur scored thousands of miles of the Solomons on the water.

American naval forces were reported to have begun clearing the island from the Japanese for the seaways vital to holding on to the island and to supply lines into the enemy's network of advance island bases.

Gigantic Raid Still Being Fought; U. S. Soldiers Take Part

LONDON, Aug. 19 (AP)—United States troops with Canadian, British and Fighting French commandos stormed the French coast on the broad beaches around Dieppe at dawn today, with tanks and the greatest aerial umbrella ever spread aloft fought on throughout the day against the German defenders.

Despite the unprecedented scope of the attack, the British repeatedly announced that the action was not an invasion intended to create a front in western Europe but only a raid.

This was supported by the return to Britain during the afternoon of some of the commandos who had accomplished their mission speedily. The main battle raged on, however, and the possibilities inherent in the situation increased as night approached.

The constant shuddering roar of heavy explosions denoting the battle continued unabated on the English side of the channel. Even as the battle thundered on, first aid units reported that the first raid two days ago on Rouen, 38 miles south of Dieppe, all of the bombs were accounted for.

EARLY EUROPEAN WINTER IS SEEN

BERN, Switzerland, Aug. 19 (AP)—Signs of an unusually early winter have been reported from central and northern Europe, giving rise to widespread concern over the country's inadequate fuel supplies.

An early winter, it was pointed out, also would have a direct bearing on military campaigns. Along northern sectors of the east front early freezing would be a substantial aid to the Russian, accustomed to wintery conditions.

Military observers alerted the fact that certain Russian Arctic ports remain free of ice, while harbors in the German-controlled Baltic freeze.

Newspapers reaching here brought reports of early frosts in villages of northern Sweden. In the region of Tanajoe potato plants were nipped by frost and the growth of grain was retarded. In the province of Jamland, a Stockholm dispatch stated, extensive damage was done to crops by snow.

Strikes in their southern migration from Germany have already reached Marseille in large numbers, other dispatches stated. In suburbs of Paris leaves are beginning to fall.

Fuel is a vital concern to many European nations, with indications that there will be considerably less than a normal supply of coal. Germany and occupied countries have had the hardest days in previous war winters, and prospects are that fuel rationing will have to be more stringent than ever to conserve scanty supplies.

Cassia County's Poultrymen Aided By State Expert

BURLEY, Aug. 19—Many poultrymen in Cassia county have been visited by Fred Moore, extension poultryman, and County Agent W. W. Palmer relative to poultry management and production problems. A meeting was held in the Elba community with poultry raisers.

Palmer said the major problem discussed by Moore with poultrymen involved laying flock management including healthy and contented flocks, comfortable quarters, and food and sanitation and artificial lighting.

Because of conditions growing out of the war a number of ingredients accepted as standard in poultry rations are no longer available or are so high in price as to make them impractical to use. Fish oil, fish meal and powdered milk are among the ingredients. Moore said it is possible to use very simplified rations of grains that are natural products of the farm especially when supplemented with some liquid skim milk. Also, there has been developed a vitamin D in powdered form that has been proved to be as efficient as vitamin D in powdered form that as the vitamin D contained in fish oil.

High quality dehydrated alfalfa containing 15 to 20 units of carotene can be used as a sole source of the vitamin A factor. There is now an alfalfa dehydrator in Idaho which is supplying all of the dehydrated alfalfa that is needed for the poultry industry of the state. Arrangements have been made whereby the powdered vitamin D is mixed with the dehydrated alfalfa and is made available to the farmers of the state who care to use it.

More complete information on this subject can be had by contacting Palmer. It is also contained in leaflet No. 16, which can be obtained at the extension office.

Retail Food Cost Up 1.1 Per Cent

WASHINGTON, Aug. 19 (AP)—Retail costs of food advanced 1.1 per cent between mid-June and mid-July, the labor department said yesterday, attributing the gain chiefly to seasonal advances in prices of eggs, butter, lamb and poultry and higher prices for fresh milk, meats and certain fresh vegetables.

Soldier Brides in USO Found Home

Three wives of soldiers who came to Eden to guard the Japanese evacuation camp are now in the new home the USO found for them here. Recent brides they are, left to right: Mrs. Soule, Mrs. Robert Tracy and Mrs. Robert Davidson. Their husbands are privates first class and were well known in athletic circles before entering the service. Mrs. Soule is from Alpena, Mich., and the other two wives from Pomona, Calif. (Staff Photo-Engraving)

Athletics Started Romances Of Three Pretty War Brides

The way to a fair maiden's heart may not always be through ability to tuck a tasty pair of leather mittens or to swing a baseball in a Bambino fluff. But there are three pretty new residents of Twin Falls who are getting their hearts won by the athletic abilities of their respective new husbands.

Now generally the arrival of three pretty brides in Twin Falls wouldn't call for a visit by a reporter but in this case it did, for the trio represented the first steps in the expansion of the work of the local USO. For it was the coming of the three wives of soldiers sent to guard the Japanese relocation center at Eden, that gave the initial impetus for a wild and wonderful program of the city and county USO. It was for this trio of brides and their husbands that the first two days were arranged at which the Times-News reporter interviewed them.

Not Married Long
The brides are Mrs. Robert Tracy, the former Miss Tillie Ferro; Mrs. Robert Davidson, the former Miss Betty Acker, and Mrs. Bill Soule, who was Miss Pearl Penell. Each of their husbands is a private first class in the Eden guard company. The first two, life-long friends, were married at Los Vegas, Nev., Aug. 2, while Miss Penell came all the way from Alpena, Mich., to Pomona, Calif., to become Mrs. Soule on July 14.

It was through sports that each met their husbands-to-be. The first two girls were baseball fans and were introduced to Pvt. Tracy and Davidson, who also both from Michigan, after watching them perform on the diamond in Pomona, where they were attending a new Japanese camp. Mrs. Soule met her husband through her brothers, now training to be army officers after watching him score a knockout victory back home in Alpena, Mich. The liking for a boxer came nature.

Employees Asking Plant Return to Private Owners

DAYTONNE, N. J., Aug. 19 (AP)—Employees of the General Cable corporation, taken over by the navy last Friday after the workers walked out as the result of a wage dispute, last night requested President Roosevelt to return the plant to private management.

In a resolution adopted unanimously at a meeting attended by a crowd of workers estimated by the navy department representatives to number 600, the employees asked the General Cable corporation to enter into immediate negotiations for a collective bargaining agreement with them, and designated the executive board of local 1108, International Brotherhood of Electrical Workers, as their negotiating committee.

"This serves to vindicate my opinion of the American workman," commented Rep. Admiral Harold G. Bowen, in charge of the plant, "if given an opportunity, he will work out the answers in his own way."

Your PERMANENT will include a soft water oil shampoo, new razor hair cut, the styling \$3.00 up.

IDAHOAN TAKES PART IN RESCUE

MELBOURNE, Aug. 19—(Australian Broadcast Recorded by UP in San Francisco)—The pilot and co-pilot of an American plane recently forced down in shallow water today told how they used an armful hunting knife to free two crew members from the rear gunner's compartment in a dramatic race against a rising tide.

The pilot, Lieut. Ellis Patterson of Middleham, Va., and the co-pilot, Lieut. Dale Davis of Owen Sound, Ky., said Engineer Sgt. Myron Williams of Caldwell, Idaho, and Rear Gunner Sgt. Alfred Dely of Johnson City, Tenn., were rescued from the compartment when the water hit their necks.

Only a trusty hunting knife was available and with it the rescuers cut a hole just large enough to pull the men through.

The plane landed in three feet of water. The impact tore the bottom from the ship. Patterson and Davis climbed out and found that the navigator, Lieut. Gordon Lipman of Stoughton, Pa., the radio operator, Alfred J. Lund of Kenosha, Wis., and Williams had been knocked from their positions in the forced landing.

Williams and Dely at first could not be found. They summoned aid by knocking on the wall of the compartment.

With the aid of Bombarrier Sgt. Franklin Hughes of Georgetown, Texas, Patterson and Davis raced against the rising tide to free their imprisoned comrades.

The crew had to spend the night on a beach only thirty yards from a crocodile-infested swamp. All were rescued the next day.

Bonnie Muriel Knox and George T. Carroll Pledge Vows at Evening Nuptial in Garden

At a garden wedding Tuesday at 4 p. m. at the home of Mr. and Mrs. C. L. Luke, 748 Blue Lakes boulevard, Miss Bonnie Muriel Knox and George T. Carroll were married by Bishop N. W. Arington of the first ward, Latter Day Saints church.

After a short wedding trip, the bridegroom will leave for Nashville, Tenn., where he is stationed with the United States army air corps, training to be an aviation cadet. Mrs. Carroll will join him there in about six weeks.

Mrs. Carroll was a member of the national and state chapters for three years, and for three years was stationed with the United States military air corps in California. She is the daughter of Mr. and Mrs. Thomas Carroll, Twin Falls.

Unusual Setting
A military motif was introduced into the background for the ceremony, an American flag being draped behind a huge decorated heart, flanked by baskets of late summer flowers, which added to the colorful beds of gladioli and other growing blooms.

Participating at the reception following the ceremony were Mrs. L. A. Hagen, Mrs. N. H. Montgomery and Mrs. J. E. Orchard, who also supervised the decorations.

The bride, daughter of Mrs. Ira T. Knox, Twin Falls, was given in marriage by her uncle, Frank Battersworth, of Boise. Her bridesmaids were Miss Betty Jones, Mrs. Knox's maid of honor and Edward Carroll, brother of the bridegroom, who acted as best man. Others were Jerry Knox and Lloyd Graybill.

The bride wore a black velvet suit with white satin trim and a corsage of yellow roses and white gladioli. The honor attendant wore a black wool gabardine suit with white accessories and white gladioli corsage.

Mrs. Knox was frocked in a green-gold crepe dress and her corsage was of peach gladioli. Mrs. Carroll wore a dark green tulle dress and a corsage of yellow gladioli.

Reception Follows
Miss Muriel Luke was wedding soloist. Mrs. Dale Knox was in charge of the guest book at the reception. Mrs. Muriel Luke, Mrs. M. Marvin D. Hagler presided over the gift room.

One hundred guests attended, including Mrs. Orville Skyles, Castledale, Mrs. and Mrs. Frank and Mrs. John Denzel and Charles Satterwhite; Mr. and Mrs. Stewart Scott and son, Rogers and Mrs. Ira McClintock, all of Hanford, and Mrs. Howard Corbett, Paul.

Mrs. Muriel Carroll, a brother of the bridegroom, stationed at Fort Lewis, Wash., was unable to be present.

Mrs. and Mr. Carroll received their education in the Twin Falls schools. Where they left on their wedding trip, the bride wore a black and white wool suit with blending accessories.

Marjorie Byram In "Wack" Army

Miss Marjorie C. Byram, 27, Twin Falls, and Miss Helen B. Rockwood, 22, Idaho Falls, were two of four auxiliaries (privates) from the interment section to be inducted into the women's auxiliary army corps this week in Salt Lake City.

They were the first to enlist from this region. They also will send several officer candidates and specialists to the Wacks, however.

Wartime Work Of Idaho P. T. A. Receives Praise

Idaho Parent-Teacher associations are "standing by our country" in the present emergency, according to the "community" edition of the National Congress bulletin.

Mrs. E. C. Stogher, chairman of the auxiliary war emergency committee of the National P. T. A. congress, gave Idaho P. T. A. units credit for participating in the following wartime activities:

Assisting in sale of war stamps; collecting salvage materials; securing clothing for evacuees, assisting with child protection through air raid warning instructions; air raid drills, members serving as wardens, immunit'ion and hot.

Assisting with sugar rationing; enrollment in civilian defense; participating in the Victory bond drive; serving on defense councils; selecting air raid shelters.

Mrs. Stogher continuing: "There is a great interest also in the plan to appoint block mothers. This plan has already been carried out in Twin Falls, under the leadership of Mrs. F. G. Kleffner, president of the Twin Falls Parent-Teacher association council."

"Multiply the Idaho record by thousands, and you will have a fair idea of the scope of the Parent-Teacher effort today," says Mrs. Stogher.

Nursing Education Program Expanded

St. Mark's hospital school of nursing, Salt Lake City, has been selected as one of the schools participating in a federal government program to expand nursing education.

Federal funds will be available to pay room and board of students during the six months spent at the university and some tuition scholarships are also available for students who can make arrangements to continue in the cities of Sept. 29, 1942, or January, 1943.

Summer Apples Have Minerals And Vitamins

By MRS. GAYNOR MADDOX
NMA Service Staff Writer
Summer apples, arriving in large quantities, are selling at reasonable prices, are well supplied with essential minerals and in general are good sources of vitamins B, C and G, and have a small amount of A.

Many growers are leaving the apple trees in the orchard until the fruiting. That increases the content of natural sugar, and these apples, picked late, are less sugary than sweetening when cooked in pies and puddings and sauces.

Apples that are firm and free from decay or bruises, according to use, buy some apples for cooking and some for salads and desserts.

Apple Cakes
One quart shredded cabbage, 1 teaspoon salt, 1 teaspoon pepper, 1/2 teaspoon sugar, 1/2 teaspoon red-kidney apple, chopped, 1 cup salad dressing.

Mix dressing to cabbage and marinate in vinegar for 5 minutes. Add apple and salad dressing and serve.

Tomatoes stuffed with apples and vegetables call for what you have left over in the refrigerator. Wash tomatoes, remove stem but do not peel. Scrape out some of the pulp (save for soup) and insert tomato to drain. Sprinkle with salt and stuff lightly with chopped cooked minced, chopped raw apple, with skin left on, and enough shaved cheese to hold mixture together. Bake in moderate oven (350 deg. F.) for about 30 minutes.

Martin-Killian Vows Exchanged

BURL, Aug. 19.—Mr. and Mrs. Glen Killian, Buhl, have announced the marriage of their daughter, Miss Donna Killian, to Mr. Martin A. Martin, Twin Falls Saturday evening, Aug. 15. The marriage ceremony was performed by Rev. Brooks Moore, pastor of the Burley Methodist church, at the parsonage at Burley.

The bride chose for her wedding a gown of light aqua with which she wore a light aqua accessories.

After a short wedding trip they will be at home at the Colonial Hotel in Twin Falls. Mr. Martin is associated with his father at the East Side Drive-in Market.

The bride graduated from the Buhl high school. Since that time she has been employed in Twin Falls. The bridegroom is a graduate of the Twin Falls high school.

VerLee Hansen Weds Boyd Schenk in Utah Temple Bride

New member of the bridal train in Mrs. Boyd F. Schenk, Twin Falls, formerly Miss VerLee Hansen, Rupert, (Staff Engraving)

Two former University of Idaho students, Miss VerLee Hansen, Rupert, and Boyd F. Schenk, Twin Falls, were united in marriage at 9 a. m. today at the Latter Day Saints temple at Logan, Utah.

Both were prominent in the Lambda Delta Sigma, L. D. S. fraternity at the Moscow school.

The bride is the daughter of Mr. and Mrs. Joseph Hansen, Rupert, and the bridegroom is the son of F. L. Schenk, superintendent of the Amalgamated Sugar factory here, and Mrs. Schenk, Twin Falls.

White tulle was the fabric for the wedding gown, with a tangerine veil of bride's illusion was worn.

The bride wore a gold band ring, an heirloom of her family, as a wedding memento. Both Mr. and Mrs. Schenk were graduated from the Rupert high school.

Mr. Schenk will continue his premed course this fall, planning to attend the University of Utah at Salt Lake City.

At Sun Valley Following a wedding trip to Sun Valley, the couple will be at home in Twin Falls for the present. For a redingote ensemble of scarlet net French serge with black accessories.

Circle No. 4 to Sponsor Novelty For September

Members of Circle No. 4, W. O. S. of the Methodist church, are planning a novel luncheon for Sept. 15—and hoping it doesn't develop into a dessert luncheon.

Each one will bring her favorite recipe for exchange, this recipe to be made into a dish for a luncheon to be served at 1 p. m. at the home of Mrs. Donald Murphy, 119 Park.

Details for the occasion were outlined at the home of Mrs. Clarence Nye Thursday afternoon, with Mrs. Mike Erickson as assistant hostess.

Later in the season plans will be made by Mrs. Nye for a series of luncheons for the purpose of collecting food.

Program highlight was an illustrated talk on China by Betty Jenker, daughter of Rev. and Mrs. E. Jenker, formerly residents of the city.

Calendar

Circle No. 3, W.O.S. of the Methodist church has postponed the picnic scheduled for Thursday at the city park.

POWELL COYS SPOIL POCATELLO

Punchers Push Across 9 Runs In 3 Innings

POCATELLO, Aug. 19 (AP)—Twin Falls Cowboys spoiled Pocatello's dedication of Halliwell park last night, staging an uprising in the late innings that gave them a 9-to-5 Pioneer Baseball league victory over the Cardinals.

The loss dropped the second-place Cards to three games behind the league-leading Boise Pilots.

The Cardinals scored three runs in the first inning and added single runs in the second and third for a big lead but the Cowboys tied it up with a five-run outburst in the seventh and eighth innings.

Starter Joe Davis was the victim of the Cardinals' new strategy which was touched for four hits and a walk and he tossed in two pitches and his teammates contributed an error to account for the five runs.

Cecil started the rally with a single and an error led Cecil's teammates to score three runs in the eighth. Cecil's error was a single and an error led Cecil's teammates to score three runs in the eighth.

Manager Vargas took over Pokatello after the bases were loaded. Shanks hit a Texas leaguer, scoring two runs in the ninth. Three errors and an error sent Twin Falls' two unneeded runs home.

The pitchers set some kind of a record—the league-leading pitcher team being charged with eight errors. Cecil pitched around the Twin Falls line-up and was responsible for at least four errors.

Big Six Ballots to Keep Grid Schedule

SUN VALLEY, Aug. 19 (AP)—The fall football schedule of Idaho's big six high schools received the go-ahead signal from the southern Idaho athletic conference board yesterday, but next year's basketball schedule was given no such assurance.

Possibility that the latter might be cancelled was seen in a motion by L. A. Williams, Caldwell, that 1942-43 schedule be postponed until the fall meeting Oct. 31 at Twin Falls.

Because of transportation difficulties and manpower shortages the basketball round-robin schedule may be out for the duration, it was predicted.

The conference members voted to eliminate the central board assignment of officials for coaching football games, because many personal chances.

Member schools agreed to select referees mutually agreed to competing teams. Standard payment rate of \$75.00 per game was continued, and a mileage allowance was raised from four to five cents with choice limited to 100 mile radius from home.

Because harvest vacations will force several schools to open early, the board agreed to consider the possibility of opening of football practice. State board sanction must be obtained for this purpose.

Explained, since schools will not be officially opened at that time, and the rule making period on Labor day and the first day of school.

Edward Johnson, Twin Falls school principal, who is conference president, presided at the meeting which was held in conjunction with the Nampa coaching school.

Boise Beats Reds, 2-1, in Pitching Duel

PIDGON, Aug. 19 (AP)—Harry Johnson pitched Ludwig Lew in a brilliant pitching battle last night to give Boise's Pilots a 2-1 Pioneer league victory over Ogden.

Johnson gave up only four hits but the Reds bunched two of them in the fifth for their only counter. The Pilots got six hits off Lew, four of them being struck up in the third and coupled with a stolen base and a walk brought in Boise's two run victory.

Each pitcher gave four bases on balls but the only third-inning hit by Lew did any damage. The Reds struck out five Boise batters and Johnson's pitching caught four Red hitters to whom he threw 100 pitches.

Rip Koehn beat out an infield hit to launch Boise's third-inning rally. Lew's throw followed with similar tactics. Al Korhonen forced Timmer at second, but Koehn's throw to short and moment later Korhonen stole second. The action was wasted however, as Manager Jim Kerey walked to lead off the sixth.

Ken Chay, who succeeded Newton in the second and scattered several one-baser hits over seven innings, gave way to Oscar Judd in the ninth after Buddy Hascall hit a home run in the eighth. Judd passed Joe DiMaggio purposefully but Charlie Keller singled in the ninth, tying the score and putting in Mac Brown to replace Judd.

Brown retired the side and held the Twins hitless in the 10th to hang up his seventh win against two defeats.

Murphy Loses 7th Straight As Bosox Win

BOSTON, Aug. 19 (AP)—Fireman Johnny Murphy, once the most decorated pitcher in the American League, went down to his fourth straight defeat today when he lost to the Yankees.

Murphy, who entered the game in the ninth inning as the third Yankee reliever after his mates had come from behind with runs to tie the score, was clipped for a double by Johnny Peacock, first man to face him in the 10th.

Pete Fox ran for Peacock, moved to third on a sacrifice and scampered home with the winning run as Tommy Henrich gathered in a long fly by Don Dibaggio in right field.

Stanley Hack, who pitched the 12th win with only two defeats, lost to the Yankees when Dick Newcombe, but both were hit hard and early. Newcombe yielded three runs in the first two innings.

Ken Chay, who succeeded Newton in the second and scattered several one-baser hits over seven innings, gave way to Oscar Judd in the ninth after Buddy Hascall hit a home run in the eighth.

Bob Davis to Manage SCI Loop All-Stars

Bob Davis, slugging outfielder who managed the Jerome Stars last year, will boss the SCI Loop All-Stars in their battle against the Twin Falls Cowboys here on Monday night, it was announced today by Oscar Tingwall, league president.

Davis will have under him players from Jerome, Hailey, Shoshone, Rupert and Burley for the local USO benefit contest.

Tingwall reports that his full lineup has not yet been completed as contact work goes forward. Already chosen from the Jerome team are Clair Kichten, pitcher; Al Walters, first baseman; Morris, third baseman, and Davis.

Requested to perform from the Rupert club, which tied Jerome and then lost in the playoffs, are Earl (Kooze) May, pitcher; Ralph McCoy, catcher and Wayne Foss, big infielder.

Shoshone is expected to furnish two fourth-order brothers who pitch and play the outfield, and probably at least one outfielder.

Hailey Trippers miners are expected to furnish two players—including Sutton, second baseman.

The Burley choices have not yet been announced, although four players are expected to be furnished by the Cassia outfit.

Meanwhile, ticket sales campaign went forward here for the benefit of the USO. The proceeds of all proceeds go to the local USO effort.

Groves, head of the ticket sales organization at Jayce park, announced that his full staff will be in operation in the latter part of the week. Their services will be furnished free. Twin Falls Cowboys will furnish the ticket sales staff.

Russets Score 9 Runs in 1st To Beat Bees

SALT LAKE CITY, Aug. 19 (AP)—The Idaho Falls Russets pounded out six hits off three Salt Lake City pitchers last night to wallop the Bees, 11 to 6, in a Pioneer league game.

The Russets set nine runs home in the opening frame, then scored four more in the third and fifth cantos.

The Bees chalked up four runs in the second, but they were out after that weren't able to do much with Bernard Schmitt's twirling, scoring only single runs in the seventh and eighth frames.

Salt Lake City's starting pitcher, Earl Dinn, chalked out four singles to the first eight men at bat then retired with one man out and five runs home. Brother Black

Cards Slash Dodger Lead To 6 1/2 Games

ST. LOUIS, Aug. 19 (AP)—The Cardinals jumped on Claude Passer early last night for a 5-0 victory over the Chicago Cubs. The triumph, coupled with Philadelphia's win over the Dodgers, boosted the Cards to within 6 1/2 games of the top.

Chicago's leading pitcher, Phil Cramer, pitched around the Cardinals line-up and was responsible for at least four errors.

Mild Cardinal Shortstop Now Terror at Bat

ST. LOUIS, Aug. 19 (AP)—Once mild and meek, Martin Marion, the St. Louis Cardinals' sweet-fielding shortstop, is stepping up to the plate like Rogers Hornsby these days.

By changing his stance to marion became a terror with the stick and one of the principal reasons why the Cardinals are tearing into the Big Cat's national.

Battalion of Girls "Attacks" Blues of Soldiers on Desert

NEW YORK, Aug. 19 (AP)—Un- der Sam's thousands of men on un- der in California. The girls in a warfare conditions find an oasis each week-end when a battalion of girls moves into a desert outpost recreation hall to do battle with the blues of lonesome soldiers.

Founder of the girls' desert battalion is Mrs. Edward G. Robinson, wife of the film star and Cal- ifornia USO chairman. Mrs. Robinson was in New York to tell na- tional USO officials about the bat- talion.

"Privates" are young girls, chap- eroned by USO women and army wives, who each week-end pay \$2 each to climb aboard army-chartered buses in Beverly Hills to go to Co- chella training post, 23 miles into the desert beyond Palm Springs.

The famous winter resort is a built furnace in summer months. Unbroken heat ranges above 110 degrees Fahrenheit. Hereafter only one white woman has stayed through the summer. Quantities of salt wa- ters are indispensable.

Saturday evening some 2,500 sol- diers, brought from their isolated camps in army trucks, descended upon USO headquarters at Cochella to dance with 300 girls.

The girls dance for five or six hours without leaving the floor," Mrs. Robinson said. "A 16-year-old boy moves around the dance floor with a towel for them to wipe their faces and with drinks of water. When the dance is over, the sol- diers set up army cots and make the beds for the girls. After the girls have left, the boys are the beds are "short-shuttled" in best order.

At 8:30 a. m. Sunday an army de- part wakens the girls and cleans the room. Various army cooks pre- pare breakfast. There is swimming in a pool which accommodates 1,000 girls.

Following a light lunch provided by the USO there is more dancing. The girls then leave for home, miles away, before midnight.

Before inclusion in the battalion Mrs. Robinson had been a dance teacher and had received many recommendations from two re- putable citizens and signs a pledge that she will take no money, she will not leave USO premises and she will not divulge any remarks she may hear giving military informa- tion.

30,000,000 Boys, Girls Seek Scrap

NAZIS GET TASTE OF ALLIED PLANS

By GLENN BARR
Wide World War Analyst—
Commandos of the United Nations, Americans of the "Ranger battalion" along with the British Canadian forces are giving Hitler this morning a foretaste of "the day of liberation."
Lord Louis Mountbatten's tough young men were reminding the fighters that while heavy fighting has been going on in the Pacific, the Allies have been plotting the outlines of their grand strategy in the east, fixed the lines at which the attack toward Asia is to be held, the preparations for the eventual offensive in the west have gone forward with a grim, fierce determination that the main defenders of the European beaches must know at first hand.

Today's obviously is the largest of all the commando raids, hatched in secret and of longer duration than any by the real thing, the opening of the second front, using all the weapons that will be used in the day-after-tomorrow air support overhead, the heavy fighting ships offshore laying down a barrage of shells and landing barges disgorging their steel-clad fighting machines on the beaches that once formed one of Europe's gayest playgrounds.

The German radio's description of the raid stresses its scope and boldness of conception. This may betray genuine alarm, may reflect the mounting anxiety with which the German doubters watch their western beachheads while trying desperately to finish the war in the east before the blow falls elsewhere. Or it may be merely a bold upsurge of a story of an alleged British failure to be broadcast after the commandos have returned across the channel. It would be naive to assume that the enemy betrays his real feelings over the air waves.

Steady Development
Whatever the outcome of this adventure, it emphasizes again the steady development of an unified, world-wide plan of action to which the United Nations are beginning to fit their conduct of the war. Especially is the pattern of the war against the European end of the axis becoming more definite.
The United Nations still have nothing to match the singleness of direction which Adolf Hitler's great general staff has in his campaigns in Russia and Africa and the defensive dispositions in western Europe. But Winston Churchill's journey reveals that something that ultimately may match the unity that Hitler impresses on his own people and his satellites is in the making.

YOUTHS ENLIST
SALT LAKE CITY, Aug. 19 (AP)—Four Idaho men enlisted yesterday in the army, district recruiting officers announced. They included: Ellis L. Boden, 21, Burley and Vernon O. Savage, 21, Wendell.

Sugar Signup at Legion Hall Here

The Legion hall has again been obtained for the registration of persons seeking sugar for the campaign of large fruit. Carl D. Anderson, chairman of the local rationing board, announced today. Places for registering in other parts of the county will be announced later, he said.
The start of the registration next week, Anderson stated, will depend on obtaining sufficient registrars. He asks that volunteers call his office. He said one would be needed to instruct the registrars.

BIDS ASKED
DOISE, Aug. 19 (AP)—The Idaho public works department today called for bids on state highway projects. To be opened Aug. 26 were bids on crushed gravel surfacing of 12.2 miles of the Gooding-Patfield highway between Selby and the summit in Gooding and Cassia counties.

POLICEMAN DIES IN PISTOL FIGHT

EDMONTA, O., Aug. 19 (AP)—Patrolman Howard Taft, 29-year-old rookie policeman, and a Cleveland Negro were killed last night in a pistol battle that led to the discovery of the body of a nude white woman in the trunk compartment of the Negro's car.
Detective Sgt. Martin P. Cooney, head of the Cleveland homicide squad, identified the Negro as Nicholas Spruiel, 35, former night club operator who recently was convicted in Cleveland of contributing to the delinquency of four teenage white girls. He had appealed from the conviction.

Six Times
He was shot six times after opening fire on the patrolman, who was taking him to jail for questioning about an automobile collision. Taft, struck by three bullets, died after he was taken to a hospital.
Pending an examination by the coroner, there was no report on how the woman, about 23, died. She had been riding in a police cruiser with Taft, said Spruiel was overtaken shortly after a collision with another car. A driver gave this account of the gun battle:

Gun Battle
Taft started to drive Spruiel's car to police headquarters, with Spruiel beating him, while Anderson followed in the cruiser. After driving a short way, Taft stopped to straighten a fender damaged in the collision. Spruiel also got out and took the ignition key.
Refusing at first to surrender the key, Spruiel then walked to the car as if to get in, but pulled a .45 caliber pistol from the automobile and opened fire on Taft. Falling to the street, Taft returned fire, emptying his service revolver while prone. Also taken from the car were about 60 boxes of women's hose and a quantity of clothing.

Labor Head Denies Girls 'too Frivolous' for Defense Jobs

WASHINGTON, Aug. 19 (AP)—Stirred by an airplane manufacturer's claim that many women in his plant are too frivolous, the women's division of the labor department had today issued a statement that the vast majority of women workers are doing their jobs seriously and efficiently.
The observations of H. Oliver Boeing Aircraft company, Seattle, Wash., executive vice-president of the West, don't jibe with reports from his fellow airplane manufacturers on the west coast and the east, the officials here said.

It would seem Mr. West is one of those men who didn't want women in the plant in the first place, she smiled. "He is like a lot of foremen who never having worked with women are afraid of them. They complain: 'How can we work women? We can't give 'em out.' Even as she talked a spokesman for the Glenn L. Martin company said that "maybe west coast women are different," but as for the women workers of the Boeing-Airplane plant, "the majority feel they are contributing seriously to the nation's war effort, and are doing a good job."

Civilian Defense Officers to Visit Cities of Region

BOISE, Aug. 19 (AP)—Capt. James R. Barker, army officer detailed to the civilian defense program in Utah, Idaho and Montana, said last night he believes Idaho's local defense organizations are now perfecting their "paper" organization.
Here to confer with state officials before starting on a tour of Idaho cities to see how civilian defense work is progressing, Capt. Barker said he plans to arrange "incident tests" for many Idaho cities in cooperation with the defense organizations. These tests, similar to those recent held in Nampa, Ogden, Utah, and other towns, call all the forces of the local defense units into operation.
Capt. Barker said he would leave for north Idaho inspections Friday. He plans to return to Boise Aug. 21, and to tour south Idaho towns beginning about Aug. 21.

Excelsior School to Resume August 24th

HANSEN, Aug. 19—The opening date for the Excelsior school has been set for Aug. 24, according to Mrs. Charles Prior, principal. The other teacher for that school will be Mrs. Mary Zicker, Kimberly, who completed the last half of last year in the same position.
