Russians Retreat Only Forty Miles From Stalingrad

By ROGER D. GREENE
Associated Press War Editor

Masses of German tanks advanced perilously closer to Stalingrad today, forcing the Russians into a new retreat less than 40 miles from the great Volga steel city, while other Nazi columns struck within 85 miles of the Grozny oil fields in the central Caucasus.

The Vichy (French) radio quoted a Berlin spokesman as boasting that "the fate of Stalingrad will be settled before the end of the week."

Front-line dispatches said the Germans had crossed the Don with large numbers of tanks while dive-bombers swarmed the city and Nazi troops dropped incendiary bombs on defense lines with anti-tank guns, trench mortars and machine-guns.

A German communiqué said the Luftwaffe was striking in "violent day and night raids," setting parts of Stalingrad aflame and inflicting havoc on the city's armament works.

The Russians said the Germans brought up reserves during the night and attacked at dawn with six automatic rifle divisions and a Panzer division advancing in the wake of tanks while planes rained down "many tons of bombs."

Soviet troops beat off the first attack, it was reported, and refused to retreat in bitter and bloody fighting in the trenches when the Germans attacked a second time.

Soviet planes, piloted by Adolf Hitler racing to strike a decisive blow ahead of the United Nations, were reported to have been shot down.

British military experts said the Russian position was "very critical."

"Action by the allies at no distant date is inevitable," they said.

Expect Developments

Today Mr. Churchill conferred with cabinet members on Moscow, and the feeling grew in London that spectacular developments might soon follow.

Disclosures that he visited from his three-week journey suggested that the middle east, now threatened by a double pincer movement from the Caucasus and Egypt, would play an important role in forthcoming operations.

During the night, the RAF's big offensive to scourge Germany day after day was reported to have been stepped up. Bombers from the Caucasus and Egypt would play an important role in forthcoming operations.

HIGHLY TRAINED MARINES EDGED IN ISLAND ATTACKS

WASHINGTON, Aug. 25 (AP)—Heavily armed and highly trained marines, organized into "raider battalions," are being sent to the Solomon Islands and carried out the Aug. 11 attack on Japanese-held Makin Island and the Gilbert group of the Pacific.

This announcement today by the marine corps was the first official disclosure of the existence of the marines and their equipment and training methods have been closely guarded secrets since the time when they would go into action.

Their first known attack of these islands was the surprise landing on the Solomons offensive beginning Aug. 7. Their second was in their assault on Makin, the Gilbert Island group, Maj. James Roosevelt, son of the President, was second in command of the Makin raid. The raid damaged installations and killed Japanese defenders.

Surprise Landings

In surprise landings like that on Makin, the marine announcement said, "their objective may be to destroy vital naval bases, communication centers, ammunition dumps, military stores, and defensive installations."

"They seek to bring back vital information about the disposition of enemy troops and intelligence concerning their future plans, and prisoners."

The raiders are trained also to function as a spearhead of a full-scale invasion. This may have been their role in the Solomon offensive. They may have entered the island at a later stage, perhaps attacking the enemy from the rear after effective surprise landings had been made.

Toughest Men

Hand-picked volunteers, the raiders are among the world's toughest fighting men.

They have been trained particularly in night attacks and have often been used to spearhead such operations.

They are trained to live out-of-doors over long periods.

The marine announcement also said that the non-commissioned officers are hard-bitten veterans.

Plotting Makin Island Attack

Early on the day they shoved off for the mission which culminated in their assault on Makin Island, Lt. Col. Evans F. Carlson (left) and Maj. James Roosevelt, commander and second in command of a marine battalion, study their objective on a map in field headquarters near San Diego, Calif.

Japs Send Fleet to Open Attacks on Vital Pacific Lines

WASHINGTON, Aug. 25 (AP)—United States forces fought a mighty sea and air battle today against strong Japanese forces seeking to regain control of the Solomon Islands and wipe out gains of America's first land offensive of the Pacific war.

Already, said a navy communique, American fliers have bombed effectively more than half a dozen of the enemy's ships, including two carriers and a battleship.

The Japanese counter-attack against hard-won footholds in the Solomons was one of the most serious which cover supply lines to Australia and provide a springboard for full-scale Japanese offensive.

The battle began developing on the night of Aug. 22 when the Japanese navy sent a force of six heavy cruisers, one battleship, one transport, one cruiser, and an unspecified number of other vessels which the navy described only as "several."

Left Burning

The transport and one cruiser were left burning fiercely after the navy's superior fire forced them to the north of Guadalcanal, Aug. 24.

American fighters intercepted the enemy's attack force which was already in the vicinity of Guadalcanal the previous day and shot down 21 Japanese planes, the navy said, including six Mitsubishi bombers.

The main action of the battle, the navy communique said, is currently in progress and the navy said it was "a large scale battle" between the two fleets. The navy said a strong Japanese striking force which has approached the southern coast of Guadalcanal is now being held by a northeast direction.

Army and navy units backing up the navy's operations in the Solomons had expected a violent attempt by the Japanese to recapture the lost base in the Tulagi area, and so, the navy said, apparently were prepared to meet the attack.

On this point the navy said succinctly, "this counter attack has developed and is now being met."

As the navy related the developing battle action it said that preliminary reports indicate that the enemy striking force has been attacked by United States Army flying units and that the enemy's main aircraft are in action.

Casualties

A large Japanese battleship, the name of which was not given, was attacked by army bombers which reported a "large explosion" on the ship.

Navy carrier based aircraft were credited with having "severely damaged" the Japanese battleship, the navy said, a 7,100-ton vessel completed in 1933, which carried about 24 aircraft.

In addition to this damage, the navy said that "several enemy cruisers" were damaged and that "one of our Navy carrier based aircraft was shot down by the enemy's fighters."

The navy referred to "our occupation of Tulagi" and also to "the capture of Tulagi," suggesting that Tulagi was still in American hands.

Mauled by Bear

Mrs. Martha Hansen, superintendent of nurses, who was mauled by a bear in Yellowstone park and who is in serious condition at the Park hospital.

NURSE CONDITION "VERY CRITICAL"

LIVINGSTON, Mont., Aug. 25 (AP)—The condition of Mrs. Martha Hansen, 45, Twin Falls, Ida., hospital nurse superintendent, was described today at the Park hospital as "very critical."

Mrs. Hansen was mauled by a black bear Sunday in Yellowstone park. The bear attacked her as she walked from the Old Fallible cabin in which she was staying while on a vacation trip.

The Idaho resident was rushed to Livingston where she underwent an operation to remove the bear's teeth which she swallowed.

She also suffered a severe fracture of the skull and deep cuts on her face and neck.

Two friends of the Twin Falls nurse attempted to drive the bear away, but they were unsuccessful. Other people gathered, attracted by the screams of Mrs. Hansen, and succeeded in frightening the bear away.

A blood transfusion was given yesterday in an attempt to save Mrs. Hansen's life.

U.S., Brazil to Open Drive Against Subs

By WALTER LOGAN

WASHINGTON, Aug. 25 (AP)—The United States and Brazil were expected today to begin soon a campaign to drive axis submarines out of the seafanes leading to Rio de Janeiro.

Brazil's entrance into the war also is expected to result in extension of the convoy system to waters surrounding the navy's recent ship sinkings in the North Atlantic.

Naval observers believed that when such action is taken the axis fleet will be forced to concentrate its submarines on the north Atlantic seafanes where great shipments of supplies and men are crossing. The German high command could be expected to reason that if their submarine attack convoys were blocked, they would be forced to compareatively harmless merchant freighters plying the coastal waters of the west Indies.

The submarine menace remains one of the United Nations' major problems. The United States and Brazil are believed to have at least 200 of them still in operation.

Recently he fired up the boys and girls who were not looking in his kitchen stove so he hid the family's \$102.66 savings there for the winter.

Recently he fired up the boys and girls who were not looking in his kitchen stove so he hid the family's \$102.66 savings there for the winter.

BRAZIL ASSURED USAGE OF PORTS FROM NEIGHBORS

RIO DE JANEIRO, Aug. 25 (AP)—Brazil's foreign minister today assured the test of war and moved quickly against axis enemies within her borders today as South American neighbors acted to simplify and lighten her task.

Argentina, Chile, Peru, Paraguay and Bolivia granted their warship neighbor the status of a non-belligerent yesterday as Brazil asked for axis ships and ordered three axis-owned banks with assets of nearly \$25,000,000.

Non-Belligerent Rights

The granting of non-belligerent rights gives Brazil the unlimited use of the airports and harbors of her neighbors in times of peace.

The hunt for U-boats prowling the south Atlantic off Brazil was intensified yesterday as the navy said three were sighted yesterday and one attacked with unknown results.

A new dragnet was laid for fifth columnists and enemy radio operators.

The government announced the sinking of an American tanker, the 455-ton Louisiana, bound for Rio de Janeiro from New York.

The axis vessels sealed included 13 Italian and four German ships.

The navy said the German ships were sunk by the Brazilian navy.

Large groups will be the palace of President Getulio Vargas to express their gratitude.

Full Address Must Be Put On Mail Here

Twin Falls citizens today were warned by postoffice officials that because of the large number of postoffice employees going into military service, and the resultant hiring of inexperienced help, it was being necessary in the future that all mail be completely addressed.

The officials said they have also received instructions that mail from business concerns for delivery by express should be completely addressed. All mail to be delivered by express must be returned to the sender for complete address without giving details.

By complete address the officials mean the street number, rural route, postoffice and zone or delivery must appear on the envelope, together with the name of the person to whom the mail is to be delivered. For years and has received mail regularly; men, much to the surprise of the postoffice.

The official pointed out that all mail to be delivered by express must be returned to the sender for complete address without giving details.

For years and has received mail regularly; men, much to the surprise of the postoffice.

The official pointed out that all mail to be delivered by express must be returned to the sender for complete address without giving details.

Australian Says Americans Have Best of Manners

MELBOURNE, Aug. 25 (AP)—Americans generally have better manners than Australians, writes Prof. Walter Murdoch in an article to be published in the Melbourne Herald.

"They are more courteous than we; I think we ought to admit it and mend our manners," he writes.

"If you have met any American soldiers, sailors or airmen you must have noticed their high standard of politeness," he comments. "True courtesy is one of the cardinal virtues. It is a sign of civilization."

Japanese Farm Labor Efforts Turned Over to Amalgamated

The Japanese labor situation today was back in the hands of the Amalgamated Sugar company where it has been ever since the shortage of manpower on the farms developed early this summer.

Unable to determine what Japanese to set up to pay the cost of recruiting and transporting the workers from Eden and other evaluation camps, the committee of farmers organized a week ago and today turned the whole matter over to the sugar company.

Terms of setting up a fund to pay the cost of recruiting and transporting the Japanese workers.

First, Harry Elock, district manager of the sugar company, submitted a plan to the Amalgamated. A farmer making up an acreage labor would pay 30 cents an acre per man on beans and other crops.

However, this plan was discarded when it was pointed out the primary cost of recruiting and transporting the Japanese would be about \$5 and from other camps about \$45. In such a case, it was pointed out, the farmer would be far inasmuch as farmers would have to share in this cost even when they decided to use the Japanese only a few days.

The second plan would have called for the Amalgamated to pay the Japanese used from the Eden camp regardless of time that he used such labor. But this was thrown out when it was feared that a farmer might be able to get that much work for a laborer decided to return to the committee considered two systems.

FLASHES OF LIFE

By Associated Press

SLOW ADVANCEMENT

NORWICH, Conn., Aug. 25—Mrs. John D. McWilliams felt a pain in one of her fingers recently and a doctor found the cause was a small metal object imbedded in the flesh.

The object, Mrs. McWilliams said, was part of a dentist's drill which broke as she was having a tooth filled 17 years ago. It took that time to work its way through her body.

Bulletins

RIO DE JANEIRO, Aug. 25 (AP)—Brazil's foreign minister today announced that his country's navy had received reports that a German submarine was operating in the waters off the coast of Brazil.

The minister said that the navy was conducting a search for the submarine and that it was expected to be located within a few days.

WORKER AT CAMP DROWNS IN CANAL

JEROME, Aug. 25—Edward J. Johnson, 21, worker at Jerome relocation center near Eden, drowned in the canal which skirts the center today. Johnson had been swimming in the canal when he fell in and became the fifth person to drown in Jerome county in 1942.

A father and two of his children, as well as another youngster, were in the water when Johnson fell. Johnson was the first to be rescued and was taken to the hospital where he died.

Plotting Makin Island Attack

Early on the day they shoved off for the mission which culminated in their assault on Makin Island, Lt. Col. Evans F. Carlson (left) and Maj. James Roosevelt, commander and second in command of a marine battalion, study their objective on a map in field headquarters near San Diego, Calif.

Vote From Camas Delays Concessions

BOISE, Aug. 25 (AP)—Rep. Compton I. White, incumbent, scored a plurality of 3,416 votes over John Knox Coe in the race for first district congressional representative. The race was held in the town of Camas, where the board of canvassers showed today that the vote from Camas county, second congressional district, had not yet been received by Secretary of State George W. Shoup. The Republican nomination, received 9,182 votes.

LEGISLATIVE

MINISTER GETS PRISON TERM

HAYTWOOD, Conn., Aug. 25 (AP)—Rev. J. H. Hays, pastor of the Methodist church in Haytwood, was sentenced today to 10 years in prison.

Nampa Girl Gets Part in Picture

NAMPA, Aug. 25 (AP)—Eileen Hooker, Nampa, who is to appear in "The Magnificent Seven" playing the part of Don Juan's secretary, it was learned today. The part will mark her debut as a screen actress.

A daughter of Mr. and Mrs. R. C. Hooker, she formerly was an entertainment columnist for the Nampa Press and has been studying in the film capital.

Cargo Planes May Be Built of Wood

WASHINGTON, Aug. 25 (AP)—President Roosevelt said today the production of cargo planes of wood might be considered as a possibility that the big cargo planes which he and Henry Foster plan to produce may be built of wood instead of metal.

A daughter of Mr. and Mrs. R. C. Hooker, she formerly was an entertainment columnist for the Nampa Press and has been studying in the film capital.

DIPLOMATIC SHIP DOCKED IN U.S.

JENSEY CITY, N. J., Aug. 25 (AP)—The diplomatic exchange ship Orizabal, bearing 145 American representatives from Japan and the Philippines, docked here today. The ship was the first of its kind to be docked in the United States since the outbreak of the war.

The ship was the first of its kind to be docked in the United States since the outbreak of the war.

The ship was the first of its kind to be docked in the United States since the outbreak of the war.

JAPS REOPEN BIG SOLOMONS FIGHT

(From Page One)
 Harbor itself may have been completely captured by American forces. In the preliminary phase of the battle on Aug. 23, the navy related, a "strong enemy air attack" was made against Guadalcanal island but was intercepted by American fighters and 21 enemy planes were shot down with only minor losses for the Americans.

That night enemy destroyers approached Guadalcanal and shelled shore positions. The following day United States aircraft hit the enemy fleet and the cruiser north of Guadalcanal.

To the account of what has happened so far the navy added the brief remark, "the action continues."

From Truk Island
 There was no indication in the navy communique as to where the Japanese force came from in its approach to the Solomon battle area in the south Pacific.

There was no indication in the navy communique as to where the Japanese force came from in its approach to the Solomon battle area in the south Pacific.

Truk is one of Japan's greatest naval bases and is about 1,000 miles from the Solomons.

However, the Japanese have other large bases in their mandated islands and might have concentrated the Solomons attacks force at any one or more of them.

Start of Battle
 The first occurred the night of Aug. 8 when an enemy force of cruisers and destroyers attempted to attack American transports and cargo ships being escorted by the occupation forces. The enemy war vessels were intercepted by an American screening force of cruisers and destroyers and heavy fighting ensued at close range. Both sides suffered damage to the extent of injury inflicted on the enemy being undetermined in the darkness.

The Japanese presumably were following the strategy of concentrating their full available power for a single terrific attempt to drive the Americans out of the Solomons.

The initial phases of the operation, first offensive action against the Japanese was mounted very rapidly in favor of the marine amphibious attack forces for it was officially reported that their positions and beginning to mop up the enemy's land forces.

This was carried on under occasional minor harassment by enemy aircraft, destroyers and submarines which, however, had offered no serious opposition.

Twin Falls News in Brief

Arrives Overseas
 Mrs. Paul Welner has been received here that Major Alvin Kempton has arrived safely overseas.

Denver Visitor
 Mrs. George Adams, of Denver, Colo., is a guest at the home of Mrs. and Mr. John Q. Adams, Jr.

Boleas Visit
 Mrs. Robert Dickard and daughter, Vicki Jean, arrived recently from LaJolla, Calif., for a visit with relatives and friends.

In Boise
 Mrs. and Mrs. C. M. Roberts, F. O. Johnson, J. E. Roberts and J. Schmidt were among Twin Falls business visitors in Boise the fore part of this week.

Sergeant's Rating
 Russell Swanson, formerly of Twin Falls, has been promoted to the rank of sergeant at Ft. Belvoir, Army, according to word received here.

Home From Utah
 Mrs. John Q. Adams, Jr., returned Sunday from a visit to relatives in Utah, where she attended funeral services for her mother, Mrs. Royal Adams, who had been in the hospital for several weeks prior to Mrs. Adams' death.

Returned to Washington
 Mrs. and Mrs. Harry Wohlhab left last week for Lava Hot Springs where they will spend the next two weeks.

Concludes Study
 Mrs. Helen Estrom, local music instructor who took an advanced course in music while vacationing in Colorado Springs last month, has returned to Twin Falls.

Four in Jail
 Four men, all charged with being intoxicated, were in the city jail today. The men were Joe E. Cullin, Herman McCarthy, James W. Earing, and Walter R. Roason.

Home From Coast
 Mrs. E. G. Swanson and granddaughter, Arlene, have arrived from a visit to relatives in California, where they visited Mrs. Swanson, recently of Piler, who is employed as a stenographer in the Santa Fe road at Needles.

TREASURY PLOTS POST-WAR LEVY

WASHINGTON, Aug. 25 (AP)—The treasury proposed today that the Senate Finance committee link a per cent post-war rebate with a shift increase over house rates in annual and surtax levies on business firms.

Members said treasury experts proposed that the Finance committee should link a per cent normal and surtax rate voted for corporations by the house to a per cent normal and surtax rate voted for individuals by the Senate.

It looks like there will be a post war rebate of some kind," Barkley told reporters.

He added that the question of providing for rebates for individuals is a separate one from the question of a post-war rebate of some kind.

Chairman George D. Go., said the committee had laid aside temporarily its consideration of the present income tax rates and debt relief proposals to study business rates.

He added that the committee must determine what taxes it wished to apply on business before it could decide on changes in the house-approved individual rate schedules.

Man, 30, Jailed in Theft of Harness

Frank (Bud) Wilson, about 30, was in the county jail today facing charges of grand larceny filed against him to protect the court by Sheriff W. W. Lowery.

Lowery said Wilson was arrested in connection with the theft of a one-half set of harness from the Salmon tract last March 20.

Part of the stolen harness was recovered near Wells, Nev., and the other part was recovered near Marsah, Nev. The recovery was made by the sheriff accompanied by Assistant Police Chief Kenneth Barclay, Twin Falls.

Dr. Gordon D. Oldham, who recently enlisted in the medical division of the United States army air corps, has received his commission as a first lieutenant.

He left yesterday for Will Rogers field, Okla., to report for duty.

Dr. Oldham had been a practicing physician and surgeon in Twin Falls since Sept. 21, 1941, coming here from Kansas City.

Mrs. Marie James, will remain in Twin Falls for the next three weeks, when she will leave for her home in Colorado.

The Hospital
 Emergency beds only were available at the Twin Falls county general hospital today.

ADMITTED
 Stuart H. Taylor, Lovi Hankin, Harry Mitchell, Billy White, Mrs. Bruce Martin, Twin Falls; Mrs. Raymond Kohlhauser, Burli; Alfred Group, Hester; Bert F. Patterson; Jerome; Willie Rhoads, Murfreesboro.

DISMISSED
 Gary Harper, Mrs. Ella Mathers and daughter, Twin Falls; Jeff Coy, Hansen; Mrs. R. H. Kohlhauser, Burli; Mrs. Ivan Prescott and son, Burli.

TOO LATE TO CLASSIFY
 STOCK scales complete with rack H. H. Fisher, Kimberley, phone 81-311.

AREA WILL MEET ITS FULL QUOTA

For the first time in months, the Twin Falls selective service board will have filled its quota of draftable men. Sixty registrants leave here at 9:30 a. m. tomorrow for Boise to attend their final physical examination and induction into the enlisted men's reserve. They will leave the local station in two buses and after their induction, will receive two weeks' furlough before leaving for the Fort Douglas reception center to begin training in the army.

Here is how the board filled its August quota of 83 men:

Registrants to leave tomorrow — 80, but 10 of these were transfers and not credited to the local board. Registrants to leave from other cities but credited to the local board — 10.

Registrants already enlisted in the army, many of them serving in three other cities and the local board who will leave for induction at other cities are: David Franklin Carter, Everett City, Wash.; Lowell Franklin Wyle, Los Angeles; Noel Hop Harrison, Detroit; Robert Lee Philip, Boise; Herbert A. Froelich, Tacoma, Wash.; Robert Fulton Zimmerman, Champaign, Ill.; Maximilian W. Schilling, Ogdun; Arthur W. Bramble, Great Falls, Mont., and Grant Deo Yeager, Panama.

Two registrants who would have left with the August call but who were deferred during the month were Charles Lewis Norris, James A. Morgan and Alvin R. Jennings, all of Twin Falls.

The selective service office already has turned its attention to the September call of 181 men.

Serial Numbers Called Important
 Chief of Police Howard Gillette issued a warning this afternoon that all persons should record serial numbers of their automobiles, tires, radios, cameras and other like articles.

He pointed out that in many theft cases these numbers are not available and therefore it is not possible to identify the articles even after police recover them.

"With times as they are, a person may indeed find a car, radio or other item here or in Boise... County office is already starting to pair off as they walk to high school classes."

Candidates Show Few Expenditures
 Mostly showing either no expense or else ailing fee, 13 more primary election candidates had filed statements of campaign expenditures today with the county auditor. They included:

Walter C. Musgrave, auditor, recorder renominated by Republicans, \$22 fee; Claud Pratt, Democrat nominated for state representative by write-in, \$2 fee; V. E. Morgan, incumbent Republican state representative, was renominated, \$2 fee; Harold Keenig, G. O. P. representative who was defeated, did not include a statement; Dr. E. J. Miller, nominated for coroner by Democrats, \$10 fee including \$2 fee and advertising.

Candidates and write-in nominees who showed no expense were: W. H. Whitaker, Republican, Burli; Constantine C. E. Rudy, Republican, Burli; J. C. O'Connell, Republican, Albert H. Cobb, Democrat, Piler; Justice L. E. Ward, Democrat, east side; Justice C. G. Kink, Republican, east end justice; Darrell Phillips, Democrat, Castleford justice; Mel Sibbald, two statements, one both Democrat and Republican for Justice at Castleford; Charles Coker, also two statements, Republican and Democratic justice, Burli.

Both Judges Get Total Over 6,000

Both judges in the 11th judicial district, although unopposed, polled more than 6,000 votes in the primary election, according to the returns received here from Boise today.

Judge T. Bailey Lee, Burley, the senior jurist, received 6,678 votes and Judge J. W. Porter, Twin Falls, 6,627.

Results in the fourth judicial district, the other area affecting Magic Valley, are being held up pending receipt of totals from Camas county.

UN-AMERICAN WAY ... Perhaps what happened to Don Mario, the singing big leader, up in Providence, R. I., is nothing to get alarmed up about.

It may be right to say that this was just the arbitrary action of an ignorant labor union executive board, and is not symptomatic of anything general or important. But when a banhammer can be fined \$500 for joining—fourth of July gatherings—in singing "The Star Spangled Banner," while his country is fighting the most desperate war in all its history, perhaps it really is something worth fretting about.

It is a classic case of the Providence Citizens Sunday Recreation committee who sponsored three park entertainments on July 5, and paid union rates for professional bands to provide the music.

SOCIAL EVENTS and CLUB NEWS

Many Former Idahoans Among Valentine-Bremers Attendants

The formal wedding plans of Miss Irene Bremers and Clifford Valentine were untroubled by wartime details being carried out as originally planned, friends learned upon the return from California of Mr. and Mrs. A. Bremers, Eden, parents of the bride. A number of former Idahoans were members of the wedding party.

Miss Bremers, Los Angeles, and Mr. Valentine, Los Angeles, son of Mr. and Mrs. Harold Valentine, Oakland, Calif., exchanged marriage vows Sunday, Aug. 9, at 2 p. m. at the First Methodist church, San Leandro, Calif.

Recent Bride

Lace and chiffon fashioned the wedding gown of Mrs. Clifford Valentine, formerly Miss Irene Bremers. She was married Aug. 9 at San Leandro, Calif. (Staff Engraving)

Beehive Hints
The marriage was read against a background of pink and white gladioli, and a double ring ceremony was used.

The bride's dress was of white lace and chiffon, and her finger tips were adorned with a row of pearls. She carried a bouquet of orchids, gardenias and bouvardia.

Mr. Bremers gave his daughter in marriage. Miss Mary Bodenhamer, formerly of Russell Lane, now of Alameda, Calif., was maid of honor. Bridesmaids were Miss Arleth Hopkins and Miss Rosella Hull, both of Twin Falls, now of Oakland, and San Leandro, and the flower girls were Joyce and Marilyn Bean, daughter of Mr. and Mrs. Harry Bean, formerly of Hansen.

Elmer Floyd Hewitt, Los Angeles, was best man, and sisters were LaVelle Hull, Maurice Standie and Clyde Hughes, all formerly of Hansen. Rev. Anderson, pastor of the church, was the officiating clergyman.

The honor attendant and the bridesmaids wore blue net frocks and carried pink roses and gardenias. The flower girls were frocked in pink and blue dresses and carried baskets of rose petals.

Mother's Necklace
Completing her wedding ensemble, the bride wore the locket which her mother had worn at her wedding 24 years ago.

Mrs. Bremers and Mrs. Valentine wore navy blue hats and white accessories consisting of handkerchiefs, gloves and shoes.

Thirty-five friends and relatives of the bride and bridegroom attended the ceremony. The reception following was held at the Fuller banquet room at San Leandro.

The cutting of the three-tiered wedding cake was a ceremony observed, and music was presented by the bridegroom's father and Mrs. R. D. Hopkins, sister of the bridegroom.

After a wedding trip through Yosemite park, Mr. and Mrs. Valentine are now at home at 912 1/2 Leighton avenue, Los Angeles.

The bride's going away suit was of sordier blue with gold accessories.

U.S.A.C. Student
Mrs. Valentine received her preliminary education at Russell Lane and Eden and attended the Utah State Agricultural college, Logan, Utah, for two years.

She is now private secretary to a doctor in Los Angeles.

The bridegroom received his education at Alhambra, Neb., and is now employed at Lockheed Aircraft corporation near Los Angeles.

Lo-Em-Bo-Call Makes Plans for 'Guest Evening'

Next important social event for members of Camp Lo-Em-Bo-Call, Daughters of the Utah Patriots, will be a guest night Sept. 25.

The event will take place at the home of Mrs. Beth Thomson, 711 Second avenue north, Mrs. Clyde Hinkok, president, announced today.

Plans for the next night were made last evening at the home of Mrs. Gerald Rogers, 1410 Popular avenue.

Croquet and bingo were played, and numerous prizes were awarded.

Mrs. Rogers contributed the white elephant, which was won by Mrs. C. L. Lukic.

Wanted: Gala Occasion

Familiarity, distinctness and grace are symbolized in this attractive dress. The cream-lace fichu, worn strikingly over a black velvet dress, helps make the costume eligible for the most gala occasions. A poke bonnet adds to the charm.

Pastor's Wife and Daughters Honored at Tea

Mrs. Mark C. Cronenberg and her two daughters, Mrs. James P. McCormack, Dallas, Tex., and little Betty Cronenberg were honored at an informal tea this afternoon at the home of Mrs. C. C. Haynie, 311 Eighth avenue north.

Hostesses were Mrs. Haynie, Mrs. Orval Haskins, Mrs. U. N. Terry, Mrs. C. E. Allen, Mrs. W. T. Seal and Mrs. Max Buckenlin.

For Church Women
The guests, women of the Christian church congregation, called between the hours of 2:30 and 5 p. m. Mrs. Cronenberg is the wife of the Christian church pastor.

Presiding at the crystal tea pitchers during the fore part of the afternoon were Mrs. Mable Wickers and Mrs. O. P. Van Auldin.

During the latter part of the afternoon Mrs. Lloyd Mason and Mrs. Bernice Kitchin, presided over the refreshment table, which was covered with a lace cloth and centered with pastel asters, combined with ferns.

Floral Appointments
The rooms were bright with garden bouquets.

Members of the hostess committee assisted in the dining room. Background music was played by Mrs. Charles Allen and Miss Dorothy Allen.

Betty Kratzberg Weds E. Vinyard At Elko Nuptial

Miss Betty Kratzberg, Eden, daughter of Mr. and Mrs. Ed King, Kimberly, and Everett Vinyard, son of Mr. and Mrs. Charles Vinyard, Eden, were married Aug. 6 at Elko, Nev.

The ceremony took place at the Presbyterian parsonage in Elko with Rev. M. J. Swain officiating.

The couple was unattended. Mr. and Mrs. Vinyard are at home on Ranch near Eden.

D. A. V. Auxiliary Travels to Buhl

Members of the Disabled American Veterans auxiliary met Monday at the home of Mrs. Robert O'Rilly, Buhl, for a noon-day luncheon and rock avoidance.

Mrs. Jack Yetter, wife of Buhl, was assistant hostess.

Mrs. Leonard Smith and daughter, Valerie, were guests.

Marian Martin Pattern

It's fun to make your little girl's clothes—when they're pert and gay as Pattern 9735 by Marian Martin. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER.

American Fashion on Review—in our smart Summer Pattern Book! A parade of fabric-conserving, time-saving, money-saving, fun-making and small fry for acute service and "saves off." Send just TEN CENTS! Send your order to Times-News, Pattern Department, Twin Falls.

Seven-Year-Old Girls Present Piano Recital

Mrs. Margaret L. Watts presented Linea Lackey and Nan Soden in a piano recital Sunday afternoon at her home. Both girls are seven years old, and have just completed one year of music.

Linea is the daughter of Mr. and Mrs. Harold Lackey and Nan is the daughter of Mr. and Mrs. John Soden.

Relative's Present
Approximately 35 guests, including friends and relatives, attended the recital.

Guests of honor were two grandmothers of the girls who came here especially for the recital. They were Mrs. R. E. Dooling, Prattsburg, maternal grandmother of Linea, and Mrs. C. M. Lackey, Prattsburg, paternal grandmother of Linea.

Mrs. A. G. Hayes, McPherson, Kan., and Mrs. Oliver Andrews, Los Angeles, wives of Linea, also were present.

Social Hour
Mrs. Lackey and Mrs. Soden were hostesses to the guests at a refreshment hour following the recital.

Men played compositions of Mozart, Liszt, Brahms, Tchaikovsky, Beethoven, Chopin, Heller and Holst. Linea's compositions were by Lachini, Williams, Spencer, Bach, Mendelsohn, Ketterer and Wagner.

The girls played a Schumann duet to round out the program.

Jolly Don Juans Guests of Mayor At USO Benefit

Bringing to a finale a joyous round of events, including a musical luncheon, the Jolly Don Juans attended the USO benefit luncheon last night at Joyce park, the guests of Mayor and Mrs. Joe Koehler.

Don Heller, nephew of Mayor and Mrs. Koehler, in whose honor the club was formed earlier in the season, is leaving Thursday for his home in Vancouver, O., after spending the summer here.

In honor of Bill Mitchell, another member of the club who left today for Los Angeles, Mayor and Mrs. Koehler took him and Don Heller to Sun Valley and turns have over the week-end.

We The Women

The marriage "expert" who laid out free advice to bride and groom, has a long and happy married life, forgot the most important fact, the bride and groom who get together a golden wedding anniversary unless she and her husband both live long enough to celebrate it.

Olds in Favor
That tenacious fact is highlighted by some recent statistics which show that, in spite of all the divorces we read in the papers, men and women marrying today have twice as good a chance of celebrating their golden wedding anniversary as they would have had 50 years ago.

And it isn't because of the country's marriage clinics, college marriage courses, or a better understanding on the part of the average man and woman that is bringing about the change.

No, the main reason why today's brides and grooms have double the chance their grandparents had being married to the same person 50 years in the past is the advance in medicine and public health.

So, any advice to a bride on how to get married ought to stress the fact she must take good care of her own and her husband's health. If she doesn't, their chances of celebrating a golden wedding anniversary won't be so good no matter how clever she is at making her husband think he is wonderful and that she is just the little woman for him.

In other words, it isn't just "feed the brute"—but "see that the brute gets the proper vitamins."

Miss Anderson is Guest of Pounce

Miss Ida Anderson has returned from a two weeks' vacation in California.

While there she visited her fiancé, Arthur J. Myers, who is in the navy hospital with his headquarters at Moffett field, Calif.

GOING-AWAY GIFT
One of the most acceptable gifts you can get for the girl going away to college is a pair of comfortable leaping slippers. New and amusing are peasant slippers of black velvet, lined with a soft print, and decorated with a pair of bright, colorful dancing on their toes. They are also available in red and blue.

CHICKEN PIE
Chicken pie never fails to create enthusiasm for Sunday dinner. Be generous with the gravy and try extending it with a can of concentrated cream of mushroom soup. Add to the favor, too. Do you brist at the crust—make it short and rich, and be sure there are two helpings all round.

SCRAMBLED EGGS
A little sausage or bacon left over from breakfast? Crisp it, crumble it, and add it to scrambled eggs just before it achieves its creamy fluffiness. Mixed ham or poached luncheon meat is tricky, too.

And so They Married

Film Actress Norma Shearer, widow of the late Irving Thalberg, and Martin Arouze, 25-year-old art instructor whom she met four years ago in Sun Valley, Ida., and married Aug. 23 in California. She is wearing the new-famous red, white and black "flirty" dress in which she applied for a marriage license, and in which she was also wedded.

Local Musician Will Enroll at Lindsborg

Taking several steps further along the road to success Miss Lorene Frazier, daughter of Mr. and Mrs. S. L. Frazier, Twin Falls, has enrolled at Bethany college, Lindsborg, Kan. Miss Frazier, who has been studying piano a number of years under the direction of Mrs. Nellie T. Ostrom, has chosen this particular college for particular reasons.

It is at the Lindsborg institution that the nationally famous Oratorio society presents its equally famous "Messiah" at Easter time. For the last six decades this society has brought nationwide fame to Bethany college.

The school's curriculum offers some of the finest musical training to be had in this country and the school's instructors are among the best. The very mention of Lindsborg holds a special meaning for the music world for Lindsborg is a mecca for music lovers.

Familiar to many students of melody is the name of Theodore Presser, publisher of Etude magazine, and the man who made Frazier high an exponent to Bethany college. It is at Presser hall that Handel's "Messiah" and Bach's "St. Matthew Passion" is held each year during Holy Week.

Miss Frazier, who will begin her studies at the college Sept. 7, holds a degree in music at the University of Idaho. She is an Alpha Iota member and has been employed at the First Federal Savings and Loan association.

Calendar

Emannon club will meet Friday at the home of Mrs. A. P. Pouch. Roll call responses will be at the club of Idaho. Members are requested to bring their sewing kits.

Good Will club will meet at the home of Mrs. Jack Bell, 520 Main avenue south, Wednesday at 2 p. m. Instead of 8 p. m. as announced yesterday. Roll call responses will be coming limits.

Twin Falls Orange will meet in regular session Wednesday evening at the Odd Fellows hall. Thomas Speedy of the Jerome Cooperative creamery, will be in charge of the program.

Edwin Craig, Bride To Visit Here Soon

Details of the wedding of Miss Norma Bluhm, daughter of Mr. and Mrs. Reynold Bluhm, and Edwin Craig, son of Mr. and Mrs. L. C. Craig, Rock Springs, Wyo., were received with interest today by friends of the Craig family, formerly of Twin Falls.

The marriage took place at 10 a. m. Sunday, Aug. 23, at the home of the bride's parents, Bishop Cecil James of the Latter Day Saints church, performed the ceremony in presence of members of both families and a few intimate friends.

The recently married couple expect to visit in Twin Falls during the Labor day holidays in September.

Wears Fall Suit
The bride was given in marriage by her father. She wore a gray-rose fall suit with white accessories and a corsage of white roses and gardenias.

Violin and piano selections formed music for the nuptials.

Oldfild and ferns formed the background for the wedding. Miss Dorothy Bluhm, sister of the bride, and George Doan were the honor attendants.

The maid of honor wore a beige silk with white trim, accompanied by Mrs. James Herd, Rock Springs.

Moving pictures were taken of the bride party and guests leaving the home, and will be shown later to relatives and friends.

Following the ceremony, a wedding breakfast was served to 30 guests at Howard's cafe. Mr. and Mrs. Bluhm presided at the U-shaped table which was illuminated by white tapers in silver holders.

Post-Nuptial Events
Guests went to the Craig home, 225 West street, after the breakfast for treats. Here the wedding gifts were on display.

Both the bride and bridegroom were accompanied from the Rock Springs high school. Edwin Craig then attended the Twin Falls high school before going to Wyoming.

Mr. and Mrs. W. A. Craig, grandparents, and Mrs. and Mrs. Claude Pennington and Mr. and Mrs. Cecil Lovgren, Twin Falls, uncles and aunts of the bridegroom, were unable to attend the ceremony.

Very Neat

Neatness is a "must" for women who dress stylishly in wartime. Edwin Kratzberg, in Columbia's "The Berserkers," wears this smooth-worsted beige wool shirtwaister with brown buttons, white pique collar.

Tom Merry Given Surprise Party

Tom Merry was given a surprise birthday party by 25 friends Sunday evening. He had been a dinner guest at the home of his mother, Mrs. Ernest Bossard, earlier in the evening, and returned home to find the party assembled.

Monopoly and phochee were played, and the refreshments included individual cakes, each topped with a miniature candy. Gifts included a decorated birthday cake, presented by Mrs. Edwin Bossard.

Seventeen cities adopted the council-manager form of government during 1935.

Attend Convention

Mr. and Mrs. A. Pelson have gone to Denver to attend the convention of the Regular Veterans' association of Washington, D. C. They will also visit friends at various points.

COWBOYS TRIM SCI ALL-STARS, 9-0, BEFORE BIG CROWD

Venturelli Tosses up Three-Hitter

Angelo Venturelli tossed a three-hitter at the SCI League All-Stars last night to score a 9-0 victory for the Twin Falls Cowboys over the amateurs.

And the 1,300 baseball fans of southern Idaho came through with over \$600 for the Twin Falls USO fund to make the evening a full success in the Times-News benefit contest.

The crowd ready hall all the way through. Venturelli easily got the All-Stars down and they got only three men on base in the top of the first. Center fielder Lane Shankle was hit by a fly ball of Rupert came through with a fly out over. Center fielder Nick Shuster was good for a double. After that Venturelli pitched up and the visitors collected two more safe baseruns in the seventh and ninth innings.

Whiffs 16

The Cowboy moundman also whiffed 16 batsmen and generally was in control of things throughout.

Meanwhile, three All-Star choppers weren't doing so badly against the Twin Fallers in the top of the first, allowing only seven for the full game. However, errors, walks, wild pitches and balks got the amateur into trouble in the first, third and fourth innings. Top things off, the Cowboys pulled a triple steal in the third just to show what could be done.

The only man on the Twin Falls team to get more than one hit was Jack Lohrer, who popped out singles in the first and third innings and also struck out after the fifth.

Here are the pick of ball players in southern Idaho—the SCI All-Stars who chipped in their bit of talent last night at Jasper, Kan. are against the Twin Falls Cowboys for the local USO. They took a 9-0 beating—but played good ball. Front row, left to right: C. Plastico, Jerome; R. McCloy, Rupert; H. Walters, Jerome; Bob Baker, Burling; Al Walters, Jerome; Paul McCloy, Rupert; back row—Bob Davis, Jerome, manager; Wayne Fagg, Rupert; Dick Baumman, Shoshone; Bob McCain, Shoshone; Earl (Moose) Clark, Frank, Joe, and Cliff Ricketts, Jerome; Jiggs Bartholomew, Shoshone; H. Vogt, Burling. (Staff Photo-Engraving)

Phil's May Sell One of Two Stars To Break Even

PHILADELPHIA, Aug. 25 (AP)—Reports have circulated yesterday that the Phils may sell either Pritchard or Shuster, but neither, in both, in order to raise money to pay for their debts.

There has been considerable attendance of the Phils to date is 208,176, well below last year, and Gerry Nugent, president of the club, declared the dwindling attendance is disappointing. He declared comment on the reports a "hugher or Melton would be sold."

Mrs. Wall is U.S. Women's Gun Champion

VANDALIA, O., Aug. 25 (AP)—Mrs. Lela Wall, Strasburg, Mo., five-time women's North American clay target champion, won the 11th annual "champion of champions" race for feminine state title today.

She shot a 16 in the 200-yard range and a 28 in the 300-yard range, for a total score of 80 out of 100.

Mrs. Wall's 16 in the 200-yard range is the best score ever made by a woman in the history of the sport.

Cowboys Open 6-Day Home Stand Tonight

Opening a six-day home stand, Twin Falls Cowboys tangle with the Ogden Reds here tonight in the first game of a three-till series—and for the Wranglers it is really a "crucial" series.

To get any place in the Pioneer League standings, the take at least four of the six games on the home lot—and they aim to get at least two and possibly three of those from the Reds.

With the injury to Earl Ricketts, who carried the All-Star classic, will come out of the new pitching infill, against the Cowboys.

Bobolo was still beset with his troubles in finding talent. Vic Trucksy, who more or less failed to live up to expectations after being traded here from Boise, has joined the party and may have to cut a few more days before he can go to the hill.

Vargas Leads Pioneer Loop In Victories

SALT LAKE CITY, Aug. 25 (AP)—With victories made up for the four games he has pitched since entering the Pioneer league, Arnold Carter, Ogden, has a perfect average to lead the league's twirlers in percentage of games won.

Based on games played through Aug. 20, with the exception of the Boise-Ogden doubleheader Aug. 20, but including the Aug. 21 game, the league statisticians' report shows Manager Vargas, Pocatello, in first place for percentage of games won, with 10 victories and five defeats. Vargas also holds the second spot in percentage with 70.

Bernard Schmitt, Idaho Falls, with five and two for 174, holds the third place in percentage, while the runner-up goes Frank L. Lamanak, Boise, 10 and 8 for 192, placing him fourth in percentage and second in total games won.

Others in the top 10, in order, are: Eric Green, Pocatello, 13 and 4 for 684; Joe Faria, Twin Falls, 12 and 7 for 632; John Helle, Ogden, 12 out of 129; General Slaty, Boise, 10 and 10 for 615; Carl McCannell, Pocatello, 8 and 5 for 615; Earl Ortner, Boise, 8 and 11 for 607.

Carter, Lamanak and Orrella are the southpaws among the leaders.

Sport Spubs

This should be as good a place as any to tell you baseball fans and USO backers that the SCI All-Star team is handling this phase of the fund drive.

First, I might point out that the total attendance and the gross receipts set an all-time record for the fund drive. In the 1941 season, the proceeds from sale of tickets amounted to \$62,000 and the gross receipts were \$100,000.

Add to that a considerable fund from the sale of popcorn, pop and peanuts during the game and the receipts will hit the \$100 mark.

The only expense connected with the whole affair is the 10 per cent federal tax on Uncle Sam, who will take in the neighborhood of \$50.

Highlights of the evening's entertainment included some of the extra-curricular activities of the Rotarians, who handled the popcorn and peanut sales. From the Rotarians, I understand that there was considerable short-changing going on during the game.

The Sports Round-up

By HUGH FULLERTON, Jr., New York City Sports Columnist.

NEW YORK, Aug. 25 (AP)—What difference does it make if the Yankees are nine games in front and the Dodgers are one-half game out over see such a race as they're having in the American association?

During the next few days (today) show only six games from first-place Milwaukee to seventh-place St. Louis.

And then there are the Bondsiders—four of 'em. Mises Barber, Babe Ruth, Harry Coughlin, Hilda Street and Virginia Lee—their last couple of hours off from their respective jobs yesterday afternoon and reported in with 74 ticks on the board.

There is a thanks duo, about to Oscar Truvall, Jerome, president of the SCI League, who banded together boys from his circuit to play in the National Amateurs League, paying his own expenses to the ball game.

And last, but not least, the Twin Fall Cowboy ball club for use of the ball park, furnishing of lights, baseballs, bats and equipment for the season.

SCHROEDER FIRST SEED

NEW YORK, Aug. 25 (AP)—Ted Schroeder, Jr., Glendale, Calif., who has been a stand-out performer in the Amateur League, was named national runner-up in this summer's national tournament, which was given the national singles championship for National title, Aug. 27-Sept. 7.

Latest word on the hockey situation is that Madison Square Garden is preparing for the winter game with the Rangers and none at all for the American.

Cards Defeat Bucs, 7-1, to Lou N. L. Lead

ST. LOUIS, Aug. 25 (AP)—The Cardinals flashed a 7 to 1 victory over the Dodgers tonight before 35,538 enthusiastic fans, allowing the leaguers' margin to 6 to 5.

Manager Billy Southworth's choice of Left-handed Max Lanier to hurl the first of a crucial four-game one with them here, Lou Fisher, a right-hander, was an early success.

The skilled solo play from the very first proved master of the contest. He allowed only one hit in the first seven innings, a double by Mickey Owen with two away, the runner was left stranded when Riggs pulled weakly to Brown, a minute later.

Errors Fall to Aid Dodgers

Cowboy pitchers pitched frames only two other Dodgers got on base by error. Lou Riggs reached first on a fielder's mistake play and scampered to second on Larry French's sacrifice. He died there trying to reach home.

In the fifth Joe Medwick was safe in the first inning, but after three to Johnny Hopp but Johnny threw ended any threats of scoring by the Red Blubs bunched play earlier ranked. Temporarily, in the eighth when two hits a single over and a double by Riggs gave Brooklyn its only runner. He advanced another hit in the ninth and then retired the last batter, the fourth out, besides striking out four men, Lanier showed perfect control in not allowing a batter to get on base in the second round.

Criminals to Lead College All-Star Team

CHICAGO, Aug. 25 (AP)—Bernard Crimmins, former Dan Guardian, yesterday was elected by his all-star mates to captain them against the Boston Stars in Soldier Field today night.

At the same time, George Helms, captain of the Stars, was named as captain of the college all-star team.

The game is scheduled for 7:30 p.m. and will be broadcast on the radio by NBC.

The injured were Bill Dwyer, Virginia, Dick Edlitz, Northwestern, Steve Lach, Duke and Viv Lindquist, Stanford. Dutch Levy, Minnesota guard, may not be so fortunate, however. He has a badly bruised leg muscle.

Yankees Win From Fort Dix, 4 to 2

PHILADELPHIA, Aug. 25 (AP)—Reports had circulated yesterday that the Phils may sell either Pritchard or Shuster, but neither, in both, in order to raise money to pay for their debts.

There has been considerable attendance of the Phils to date is 208,176, well below last year, and Gerry Nugent, president of the club, declared the dwindling attendance is disappointing. He declared comment on the reports a "hugher or Melton would be sold."

PHILADELPHIA, Aug. 25 (AP)—The Yankees won from the Fort Dix baseball team in an exhibition game yesterday, but it took a 4-2 victory over the world champions their winning margin.

The score was tied at 1 to 1 in the third inning when Center Fielder Ed Longacre, formerly with Syracuse, made an international league, muffed Joe Dimaggio's fly ball.

The error, one of four committed by the club, was the only one that hurt the Yankees.

Fort Dix is a military installation in New Jersey. It is a part of the Army's 100th Cavalary Regiment.

The Yankees' victory was a 4-2 win over the Fort Dix baseball team in an exhibition game yesterday, but it took a 4-2 victory over the world champions their winning margin.

Major Leagues Go Over Top In War Relief

NEW YORK, Aug. 24 (AP)—The major league has gone over the top in their contributions to war relief funds.

The majors had set \$300,000 as their goal for the army and navy fund. The league's contribution has exceeded this goal.

The fund is for the purchase of war bonds and stamps.

Asylum for Man Who Fired Bullet

BURLEY, Aug. 25 (UP)—Ted Wahlstrom, 40, was committed to the state institution for the insane at Blackfoot after it was learned that he had fired a bullet...

Wahlstrom said that the shooting was accidental, the gun was discharged as he sat on a bed cleaning it and the bullet passed on a window and striking Moore, who was in the front of the home of Wahlstrom's father, Albert Wahlstrom...

Wahlstrom was first committed to the institution in 1931 after it is alleged the father shot, also in the back, Mrs. Alice Wahlstrom, a brother-in-law, Homer Pope, Pinerole, Ida; five grandchildren and two great-grandchildren...

The body is at the Payne mortuary pending funeral arrangements.
