

CONGRESS SENTIMENT FOR CONCRETE WAGE FORMULA

ADMINISTRATION HEADS TROUBLED

WASHINGTON, Sept. 10 (AP)—Rising congressional sentiment for a concrete wage formula and a new basis for farm parity prices, complicated the problems of administration leaders trying to meet President Roosevelt's call for legislation to hold down the cost of living.

Despite Senate Majority Leader Barkley's word that he hoped to pass the bill in the next three weeks, it is clear that numerous senators were prepared to insist on a full discussion of all controversial points. That meant lengthy debate for a senator may talk as long as he wishes unless the clause rule is invoked by a two-thirds vote.

Might Welcome Hindenburg

There also were reports that some senators might be inclined to show down, to determine just how the President would protect the law he asked for was not on the books by the first of next month.

In the house, Speaker Rayburn, D. Tex., suggested a simple, joint congressional resolution which would authorize the President to stabilize "everything" entering into the cost of living.

At this point, there appeared to be a general accord; across the house separating the Democratic and Republican members elected early for swift action.

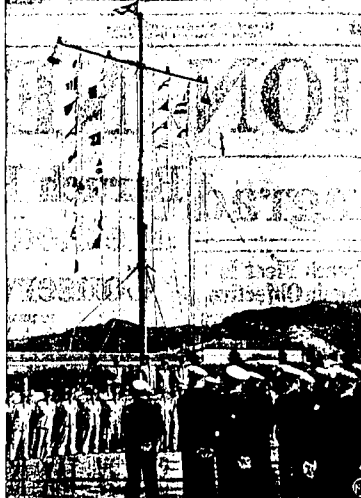

Protests developed

But kindling protest against turning the entire anti-inflation assignment over to the President with a broad grant of congressional authority developed soon after Rayburn laid his resolution proposal before the house. Able socialists and Democrats also were present.

Most farm state lawmakers did not appear disposed to accept a measure holding down agricultural prices unless industrial wages received similar specific treatment.

In his message to congress, Mr. Roosevelt said he would insist that wages be held down to hold down the price of farm products.

Navy Men at St. Mary's

St. Mary's, peaceful builder of great football teams, now holds men for the navy. At left are members of the first graduating class of the naval pre-flight school at camp during graduation address by Comdr. Justin M. "Sam" Barry, former University of Southern California football coach.

COMMODITIES TO ACCEPT ISO HALL

(From Pasco)

Old boots at least 10 of the pretty girls under the direction of Mrs. E. W. McRoberts will set stamps, the cent commutation of which will carry "very special" inducements for purchasers. These may earn a \$25 war bond.

In the meantime, the unknown showing of not only new fall styles but also the instants of the ranks, grades and divisions of the military and naval services. Each window will display a picture of a different insignia and the person who correctly will receive a \$25 bond. Second correct will receive \$10 war stamps and third correct, \$5 stamps.

In the Times-News Friday will be found a complete list of the stamps participating in the contest. This list must be completed by 6 p. m. today. Merchants also will have contest blanks to distribute.

Deborah Anderson

Following the dedication of the new USO center, the auctioning of merchandise started from a truck on Main avenue. The merchandise will have a retail value of from \$1 to \$40. However, it is actually being given away because purchasers will receive the value of their bids in war bonds or stamps. All merchandise for the auction is being donated by businessmen.

The auction will be along lines similar to that of Johnny Sheffield day, which proved so successful that the merchandise copied by many other cities holding war bond campaigns.

In order to remove traffic hazards, all activity during the evening will be centered in the Main avenue block between Main and Second streets west.

Committee leads

Frank Cook, chairman of the general committee and also the traffic committee, Robert H. Warner headed the USO dedicated committee. Leo Anderson the finance committee, John C. Adkins the music committee, Fred Frankham and Lucille Anderson the flag committee. Anyone wishing to contribute articles to the bond auction may do so by contacting the general committee stores desiring to enter a window in the "Know Your Service Man" contest. These articles will be in the Times-News advertising department.

Seen Today

Brown, scoping old notices of court-house... boards... Pelton... and grass-covered when he cuts across... instead... building square corner... Men and woman watching while another man... One-legged man... Hoofers... Model A pickup truck... machine with the top of cab... weathered off... And... with bucket attached to handlebars.

NATIONWIDE GAS RATIONING NEARS

(From Pasco)

Line rationing can be established throughout the country.

The limitation in the use of gasoline... any more... that commodity, the committee said, it is wholly a measure of strictly national defense. The restriction is to be nationwide. Any local measure would be unfair and futile.

The committee proposed a seven-point synthetic rubber program:

"That there be no further substitutions in the plans now laid down."

The immediate authorization of an additional 140,000 tons of bunnas capacity per year which would bring the total annual capacity to 845,000 tons.

A full-scale conversion program to yield a total of 100,000 tons of bunnas in addition to that now planned.

Adjustment Asked

"The immediate adjustment in the use of construction of present styrene and polystyrene plants to obtain the maximum production of bunnas in 1942."

An additional construction of an additional plant for the production of 200,000 tons of bunnas per year and an associated plant for the production of 30,000 tons of bunnas, both to be located near the center of grain production, the conversion of grain into bunnas and the production of bunnas to be started six months hence."

The immediate erection of alcohol plants to produce 1,000,000 gallons per year, using recently developed apparatus; the plant to be located near the center of grain production, the conversion of grain into alcohol and the production of alcohol to be started six months hence."

The committee reported that the present rubber situation is "so dangerous that unless corrective measures are taken immediately, the country will face both a military and civilian collapse."

The committee also reported that the entire synthetic program added to annual production of 1,000,000 tons of synthetic rubber, the program of 1,000,000 tons of bunnas, the principal type being produced in this country.

Looks at Future

The committee offered figures to illustrate the crude rubber picture of the nation. From 1,145,000 tons in 1941, estimating the total crude rubber available since that period at 2,000,000 tons compared with estimated military and other demands of 1,000,000 tons, this figure makes it "no allowance for time for passenger automobiles."

The committee said that three on civilian cars are wearing down at a rate that means greater than that being replaced and that if this rate continues, in 1944, there will be an all-out collapse of the 275,000 passenger cars in America.

The committee voiced a note of restrained optimism in discussing its civilian restrictions, saying that if the program called for in this report "will fulfill reasonable expectancy," the civilian restrictions might be relaxed somewhat before the end of 1943.

"But until then, any relaxation is undesirable," the committee said. "Saying that the country 'is depending, finally, upon the production of synthetic rubber,' the committee said.

Middle East Chief

Gen. Sir Harold H. L. G. Alexander, commander of the new British middle east commander, who will oppose Nazi Field Marshal Erwin Rommel in the desert, was seen here on the Egyptian front. Alexander, called the "last man out of the desert," was seen here on the Egyptian front. Alexander, called the "last man out of the desert," was seen here on the Egyptian front.

TWO-TONE SHOES DOUSTED BY WPB

WASHINGTON, Sept. 10 (AP)—Some of those fancy shoes, including two-tone shoes, were doused Wednesday.

To save leather, the war production administration has prohibited the manufacture of two-colored footwear, and reduced the variety of colors available for next spring and summer. No restrictions were placed, however, on the total number of shoes to be produced.

Colors were limited to the following: Black, white, tan, army, russet, brown, tan and blue.

Describing shoe leather now being used primarily by the armed forces as a limiting factor in shoe production, WPB said "excessive style and color variety" increased the amount of leather used in dealers' inventories and little-used footwear on the shelves.

Except for blucher and oxford shoes and cowboy utility boots, the order prohibits the manufacture of shoes of any kind, effective October 1.

Boots eliminated include riding boots, and several special women's and children's style types, known as military and motorcycle boots.

Starch Factory Starts New Run

Second annual run of the Magie Valley Processing company was underway here today. It was announced by company officials.

The plant, featuring many new pieces of machinery and also new starch processing equipment, is now producing starch from potatoes.

Officials said that the present run will continue until the early potatoes are available but that the "big run" would be in the harvest time.

The plant is paying 25 cents per 100 pounds for the potatoes delivered to the plant by the growers, and 20 cents per 100 pounds if the potatoes are called for by company trucks.

Twin Falls News in Brief

Village Here
Mrs. Gene Dillon, Auburn, Wash., has arrived here for a visit with her parents, Mr. and Mrs. G. W. Wilson.

\$5 Fine
A fine of \$5 was levied on a charge of petty larceny, Gus Malone this morning paid a fine of \$5 in municipal court, records show.

Two Men Fined

Chamber Meets
The Chamber of Commerce will hold its regular weekly meeting at the Fitzgerald hotel tomorrow noon.

Twin Falls Grange
Twin Falls Grange members will be guests of the Jerome Grange Friday evening. Members are requested to meet at the I. O. O. F. hall at 7 p. m. Friday and go to the Twin Falls Grange.

Nevada Visitors
Mr. and Mrs. Vernon E. Gresham and children, Susan and Glen, Reno, Nev., have left for Pocatello after visiting Mr. and Mrs. John Lund and family, Mr. and Mrs. W. L. Walker and family here. Gresham is a nephew of Mrs. Lund and grandson of Mr. and Mrs. Walker while Mrs. Gresham and Walker are sister and brother.

TURK NEUTRALITY ASSURED WILKIE
BEIRUT, Sept. 10 (AP)—M. M. M. Zaidi, veteran state treasurer and anti-fascist with corporate headquarters, stepped out of a long silence today to tell the otherwise aloof Turkish government that future state finances should be administered.

M. Zaidi, a vigorous Democrat, claimed the "little corporal" in the Republican administration had called opposing parties in the statehouse "corporals of confusion."

In the latter, she suggested the program of reimbursement of the program of drastic economy. In the foreground of her blarney report, Mrs. Zaidi called for a firm stand against new taxes other than those vital to the war effort. She stated that the government should provide educational endowment funds to reduce future school appropriations and to provide for the education and equalization of the tax burden among various properties and services by replacement of a four-point board of equalization by a four-member bipartisan tax committee.

In the latter, she suggested the appointments be staggered in terms of six years each, giving power to review and revise local.

A fourth point urged removal from state-owned government of the funds of dollars of state money which can be used only for specific purposes.

Mrs. Zaidi said the state had \$1,250,000 cash on hand of which \$1,000,000 was in U. S. bonds, and \$250,000 in cash. Bonded debt was \$1,250,000.

BRITISH ATTACK ON MADAGASCAR

(From Pasco)

The full military occupation of the island by British troops, the British government has announced today, is the result of the successful conclusion of the attack on the island of Madagascar.

The announcement explained that the British occupation of the island of Madagascar, a French possession, was the result of the successful conclusion of the attack on the island of Madagascar.

Surprise-Cup Of Coffee Now Called a Meal

A cup of coffee, if served alone, constitutes a meal in the eyes of the war production administration, and consequently Twin Falls restaurants and cafe owners will have to enter it as such in their books. Carl N. Anderson, chairman of the local rationing board, announced today. The board is now in the process of placing of this new regulation.

The rationing board chairman said the order may be made available of a handout on cafe and restaurant owners in Twin Falls inasmuch as many business men take time out several times daily to get a cup of coffee. "However, this regulation is not to be made by it," he stated.

Letters saying that records of all meals served must be made available to OPA and rationing board officials on call were being sent out to restaurants and cafe owners today. These records must be presented when application is made for sugar, Anderson pointed out.

Funeral Services For V. J. Peterson

Funeral services for Victor J. Peterson were held yesterday afternoon at 2 p. m. at the funeral home of Mr. and Mrs. C. R. Peterson, 1015 1/2th avenue, Twin Falls. Mr. Peterson, 54, was a resident of Twin Falls for many years. He was a member of the Christian church, officiating. Mr. Frank Black and Mrs. Charles Allen presented musical selections. Pallbearers were Shelly McCallin, Paul Peterson, Paul Peterson, Mr. Stein, Clayton Richardson and Brady Jackson. Interment was in Sunset memorial park.

33 Selectees Put Into Top Bracket

Thirty-three registrants were placed in the 1-A classification (immediate service) at a hearing of the Twin Falls selective service board, Monday, yesterday. The board also designated others for physical examinations.

Nine other registrants were placed in the 2-B classification, while two were transferred from 3-A to 3-B and two from 1-A to 2-A.

TREASURER MAPS ECONOMY PLANS

DOVER, Sept. 10 (AP)—Mrs. Myrtle Zaidi, veteran state treasurer and anti-fascist with corporate headquarters, stepped out of a long silence today to tell the otherwise aloof Turkish government that future state finances should be administered.

M. Zaidi, a vigorous Democrat, claimed the "little corporal" in the Republican administration had called opposing parties in the statehouse "corporals of confusion."

In the latter, she suggested the program of reimbursement of the program of drastic economy. In the foreground of her blarney report, Mrs. Zaidi called for a firm stand against new taxes other than those vital to the war effort. Names in the News

By United Press

Harry A. Brown, second in command to Brig. Gen. Claire L. Chennault of the "Flying Tigers," was killed today in a crash landing in the Philippines. He was a member of the "Flying Tigers" and was killed in action.

York today that "India will be another Burma if somebody doesn't watch it." He said that American airmen had been killed in the Philippines.

Ankara sources report that Marshal Erwin Rommel, German commander in Egypt, is "suffering from an unspecified ailment" and that the German high command is considering his recall.

Comedian Bob Hope and Frances Langford and Jerry Colonna are in the radio show "The Big Show" on the radio.

Rep. Willa Brown, who was scheduled to appear before the Oklahoma criminal court of appeals to argue against the constitutionality of a state law under which four communists party members were convicted of criminal syndicalism, has been ordered to appear in court.

A Nevada auto dealer has secured a license to sell cars in California. Michael Richardson, who has been in California for some time, has been ordered to appear in court.

Rep. Willa Brown, who was scheduled to appear before the Oklahoma criminal court of appeals to argue against the constitutionality of a state law under which four communists party members were convicted of criminal syndicalism, has been ordered to appear in court.

Last Rites Honor Clarence Bowen

Funeral services for Clarence L. Bowen, 48, for many years an employee of the Federal Reserve Bank here, who died last week in a Los Angeles hospital at the Twin Falls mortuary chapel.

Rev. E. L. White, pastor of the First Methodist church, officiated, and musical numbers were presented by W. W. Thomas, accompanied by the choir.

Pallbearers were Guy Kinney, F. H. Holmgren, William Peterson, J. W. Dunn, E. L. Bowen and A. J. McLean.

Daughter Seeking Estate Authority

Petition for letters of administration in the estate of the late Mrs. Ruth Pearl Brown, who died Sept. 1, was filed today in probate court on behalf of Mrs. Ruth E. Johnston, a daughter.

Attorney for Mrs. Johnston is A. J. Meyers and real and personal property involved in the estate does not exceed \$1,000.

Probate Judge C. A. Bailey set 10 a. m. on Sept. 23 as time for hearing on the petition.

Action Clear on Pinball Machines

DOVER, Sept. 10 (AP)—The Idaho state police have issued their latest books today of the recent action on pinball machines by filing a remittance clearing the period in which the appealing device operators could ask for a rehearing.

The operators, R. E. People and Richard L. Graves, lost an appeal from a third judicial district decision which denied permanent injunction restraining law enforcement officers from confiscating the machines. People and Graves were allowed a 20-day period in which to appeal the decision to the supreme court, but they did not appear.

Flying Tiger Wins Minnesota Ballot

MINNEAPOLIS, Minn., Sept. 10 (AP)—Henry L. Olson, a former flying tiger who wants to "redeem himself" from the "Flying Tigers" and win the Democratic nomination to congress from the criminal class, has been elected to the Minnesota legislature.

Olson, a member of the American People's Party, was elected to the Minnesota legislature. He was elected to the Minnesota legislature.

Tales of Heroism and Humor Come From Desert Tank Duel

ROOSEVELT BANS DOUBLE-TIME PAY

WASHINGTON, Sept. 10 (AP)—President Roosevelt has signed an executive order today eliminating payment of double-time rates for work on Saturday, Sunday, or holidays, as such.

The order permits double time for a seventh consecutive day of work, but not for any particular day of the week as such. The days of the week lose their identity for wage-determining purposes.

The White House said, in a line with pledges given the President several months ago by AFL President William Green and CIO President Philip Murray.

"Many unions," said the announcement, "have already modified their contracts to put this pledge into effect, and in order to make the practice universal the order has been issued."

The CIO United Auto Workers, at its Chicago convention last month, served notice it would not be bound by its promise to waive double time rates unless all other unions complied within 30 days.

The White House announcement said the double time for the seventh day of work was to encourage, in the interest of efficiency, one day of rest in seven. The order permits payment for work over 40 hours a week at the rate of time and a half, as provided in the wage-hour act.

The announcement did not say what emergency powers specifically the President drew upon for the order, which enters the much-discussed field of wage control.

The President in his message to Congress on Monday said he would stabilize wages in general when Congress authorized him to stabilize farm prices. If Congress had not acted by Oct. 1, the President said he would feel bound to stabilize both himself.

Potato Workers' Wages Increased

KLAMATH FALLS, Sept. 10 (AP)—Klamath potato growers today had announced a bargaining scale, 50 per cent over last year's levels and the highest in the history of the industry.

At a growers' meeting at Hienley, it was decided to establish a scale of eight cents a sack of pickers and \$1 per hour for specialized work.

About 2,500 laborers are needed for the potato harvest now starting.

HAGERMAN

Corn. Henry Auterburn, Camp Hough, Tex., is spending a week's furlough at the home of his mother, Mrs. Emma Auterburn.

Mr. and Mrs. Morris Spinks and son, Marvin, Hill City, spent a few days last week at the home of his parents, Mr. and Mrs. Silas Conner.

Junior Allen, son of Mr. and Mrs. Earl Allen, who is employed at Doel's meat market, is spending a week-end for a short visit at the home of his parents.

Miss Lou Boyer, daughter of Mr. and Mrs. Emerson Boyer, spent the week-end at the home of her parents.

Mr. and Mrs. John W. Jones and daughter, Florence Mary, and son, Billy, returned from Albany, Calif., where they spent the past two weeks with relatives. They reported that Mr. Jones' mother, Mrs. Mary Jones, who has been seriously ill, is improved in health.

Mrs. Florence Mary Jones, daughter of Mr. and Mrs. John W. Jones, left for Seattle to attend the University of Washington. She is a sophomore at the university.

Guests this week at the home of Mr. and Mrs. Van Irons included Mr. and Mrs. Hollie Irons, Colburn, and Mr. and Mrs. Mervyn Levanon, O. Van Irons and Hollie Irons are brothers.

Mrs. Clarence Henault and son, Lynn; Miss Irene Marie Jensen and Mrs. Emile Billard, Dietrich, were week-end guests at the home of Mr. and Mrs. Ernest Billard. Miss Billard is a daughter of Mr. and Mrs. Ernest Billard.

Mr. and Mrs. J. W. Condit and daughters, Eunice and Edith, and son, Homer, visited in Boise. Sheldon Condit was transferred to Santa Ana, Calif. He is an aviation cadet in the army air corps and has just completed two months' training at Boise.

Mr. and Mrs. L. B. Taylor and daughters, Muriel and Patricia, and son, Dick, formerly of Boise, spent the week-end at the home of Mr. Taylor's sister, Mrs. E. L. Chaplin. Mr. and Mrs. Taylor and family are en route to Washington, D. C., where they are moving.

Miss Clara Jean Dinder, Dohl, is visiting at the home of her grandparents, Mr. and Mrs. Walter Gribble.

Ernest Conrad, Portland, returned there Saturday after visiting a week at the home of his parents, Mr. and Mrs. Gus Conrad.

Miss Edith Condit, who has been employed in Jerome the past month, spent the week-end at the home of her parents Mr. and Mrs. J. W. Condit. She left Monday for Boise where she will be employed.

Arlin Dennis son of Mr. and Mrs. A. J. Dennis, left for Moscow to attend the University of Idaho. He is a senior at the university and also senior manager of the university football team.

Mr. and Mrs. Al Penfold, Mr. and Mrs. Jess Sando, Mrs. Bel McMan, Mrs. Emerson Boyer, Mrs. Glenn Bell and Mrs. M. Penfold left for Boise, Utah, to attend the family reunion of the Thacker family.

A group of friends and relatives gathered at the home of Mr. and Mrs. A. J. Dennis for a surprise birthday party in honor of Mrs. Alice Parks and Mr. William Ennis. Out-of-town guests were Mr. and Mrs. John Hoover, Shoshone, and Mrs. Alice Parks and Mr. William Ennis, and children.

MARRIAGE LICENSE ISSUED
BURLY, Sept. 10 — County Recorder Vin Hogan has issued marriage licenses to the following: Delbert P. Packer, 22, San Francisco, and Darlene Anderson, 18, Home-Fraser; Hele F. Freer, 21, Burley, and Thelma Maxene Dayley, 19, Burley; Lelan H. Peters, 23, Burley, and Marie Doris, Burley; and Gaylord V. Phillips, 25, Burley, and Melissa Jeffs, 21, Burley.

Death to Japs From Pacific States

Gift of the people of the United States northwest, this B-17 bomber, named "Chief Seattle" is now in active combat in the south Pacific. It is shown with its crew upon return from a bombing flight somewhere in the battle zone. Left to right: Sgt. Quentin Lacey, Idaho Falls, Id.; Pvt. Phil Zumwalt, Nemo, Id.; Sgt. L. Stewart, East Chicago, Ill.; Sgt. Meyer Levin, New York City bomber; and the first Japanese ship sinking. Kneeling are Sgt. D. Craig, left, of Boston, and Sgt. Tom Wood, Hazelton, Pa.

Terrific Wind Storm Wreaks Damage in King Hill Sector

KING HILL, Sept. 10.—High winds did considerable damage in and near here shortly after 7 p. m. Monday. The Idaho Power company suffered the greatest loss in wires, poles and transformers destroyed. A Ford pickup belonging to Joe Bernier, who is employed on the highway east of town, was destroyed where it was parked in front of his home. The water wheel on the banks of Snake river west of here on the Lloyd Freider farm, was totally destroyed and blown into the river.

It is termed virtually a miracle that several persons were not killed during and following the storm, as 15 large cottonwood trees lying the late running west from town were blown down, carrying several charged electric wires down and into the tangled mess.

Fence Charged
A wire fence along one side of the land was charged from the wires and Mrs. Frank Parry received a slight shock when she came in contact with a fence near her home. She clambered about the tree tops until ordered away.

Several homes were struck by the force of the trees or debris missed by the larger limbs as they crashed to the ground.

Two large trees were uprooted in the yard of the Grells. One of these here, one tree some 12 to 14 inches in diameter falling on the roof but not breaking through. Another, somewhat larger, was thrown to the ground, carrying away a corner of the roof as it fell. The plaster cracked in one of the rooms by the smaller of the trees and several of the rafters were damaged.

The Idaho Power force from Glenora Ferry was on the job shortly after the storm struck and worked until late in the forenoon of Tuesday without a break. An extra crew from Boise arrived on the scene about midnight and another some two hours later. One crew returned to Boise Tuesday forenoon, but the other remained to help complete the repairs.

Soldier Apologizes for Tank Door Opening During Battle

By HENRY T. GORRELL
WITH THE BRITISH AND AMERICAN ARMORED FORCE ON THE ALMEIN FRONT, Sept. 7 (AP)—Alexander, Knight of the Bath, Alexander, Knight of the Bath, N. J., explained somewhat apologetically today that he hadn't been able to keep his hand under his tank in the recent battle because he had to make sure its gun was hitting the target.

"Every time I gave the order to fire," said Capt. William Bailey, "I would open the door of the tank and everybody would shout: 'Shut that damned door!'"

"I was excited," Kagan explained, "and I was a bit nervous, with all that tank flying about. I wanted to be sure we were hitting the target. As soon as I made sure that it was O. K. I felt better."

He said that he had to open the door because if anybody had been hit it would have been him, up there in the turret and the turret was the only place where the enemy could hit him.

2 Given Divorces

In Burley Court

BURLEY, Sept. 10 — Mrs. Evelyn Johnston has been granted a divorce from Robert Carl Johnston in district court here. Her maiden name is Evelyn Campbell. Mrs. Johnston received a divorce from Frank W. Johnston, Burley, in the same court. The plaintiff was awarded real estate, furniture and her beauty shop equipment. The defendant was granted his interest in a livestock business. The plaintiff's maiden name of Mary Harris was restored.

BUTTER PRODUCTION DOWN

DOBOE, Sept. 10 (AP)—A seasonal decline carried creamery butter production down three per cent during the week ending Sept. 3, the bureau of agricultural economics reported today. Compared with the same week of 1941 output was unchanged. Idaho was one of six states showing substantially greater output than a year ago, the bureau added.

CHINA CAMPAIGN \$366 OVER QUOTA

Twin Falls more than went over the top in the United China relief campaign. Mayor Joe Koehler, chairman of the local committee, revealed today as he prepared to mail a check for \$1,215.37 to the national campaign headquarters in New York City. Twin Falls' quota was \$1,000.

The mayor said the \$1,215.37 did not include the \$451.05 in defense stamps which were sold during the campaign.

Consequently, he was \$366.42 over our quota," the mayor stated.

Here County Mayor Koehler was augmented by promised contributions still to come in and by other contributions expected during the month—designated by Gov. Clark as "United China relief month" in Idaho. Mayor Koehler said that Wing Chan had been authorized to receive contributions at the city office.

Most of the fund sent to the New York headquarters came from personal contributions. A total of \$352.20 was raised by receipts from the motion picture, "Kukan," shown at the Rex theater.

A letter received by Mayor Koehler from E. V. Jern, Boise, chairman of the state United China relief campaign, revealed that Twin Falls was the only large city of the state to reach its quota so far.

"I like to know 'Twin Falls' secret," Jern stated in the letter, in which he asked for literature and an outline of the methods used here. "Let the USO from now on," Mayor Koehler stated. "We've got to raise the money to pay the rent and light and heat the new recreation center for the soldiers."

He said that \$70 already had been raised toward this end.

Heyburn Soldier Now Lieutenant

Wayne Eugene Morgan, son of Mr. and Mrs. F. H. Morgan, route one, Heyburn, has graduated as a second lieutenant in the ordnance department of the U. S. army, according to a notice received by the Times-News from the ordnance military training division, Aberdeen proving ground, Md. He was one of 600 officers graduated there Sept. 1.

The young man is a graduate of the Heyburn high school and before entering the regular army was employed in highway construction. He was ordered to the officers' school at Williams field, Ariz., where he had attained the rank of first sergeant in an administrative capacity.

His wife, the former Dollie Merck, resides in Phoenix, Ariz.

Dr. C. W. Dewey was selected as major of the outfit and the group drill at regular intervals.

Their qualities were praised by Supv. C. L. Graves who declared the Indians will turn out for help whenever called upon in event of fire, flood, earthquake, or riots, or in any other emergency.

"That 'other emergency' angle is what the descendants of the Snake, Shoshone and Bannock warriors who once battled each other and the white pioneers of early Idaho history with unquenchable enthusiasm are looking forward to—and when."

California officials estimate that the number of foreign licensed passenger cars entering that state this year is approximately 16 per cent below 1941 intaxation, due to the rubber shortage.

One big tree at a rear corner of the house was uprooted totally demolishing a shed that was held up by the large mass of roots and soil pulled up. Another shed nearby was raised a few inches from the ground by a large root that was pulled from the ground. The roof and dirt mass, to Boise Tuesday forenoon, but the other remained to help complete the repairs.

Restrictions for Coast Tightened By Military Head

NEW YORK, Sept. 10 (AP)—Moving to tighten military restrictions along the coast, Lieut. Gen. Hugh A. Drum yesterday said he would exclude from 16 seaboard states "any person whose presence in the eastern military area, or any part of some thereof, is deemed dangerous to the national defense."

In a proclamation issued from headquarters of the eastern defense command and first army at Governors Island, Gen. Drum designated 803 prohibited zones and 22 restricted zones and laid down drastic regulations governing them.

They were designed to protect foris, arsenals, airports, dams, factories and vital military and defense installations from northern Maine to the Florida keys.

DEATH CONFIRMED
BERLIN (From German Broadcasts) Sept. 10 (AP)—Maj. Gen. Georg von Bismarck has been killed in action while commanding a paratrooper division in Africa. It was officially announced last night. (This had previously been reported by the British, who quoted German prisoners in Egypt.)

NORWEGIANS STAY INDOORS IN PROTEST AGAINST GERMANS

SLOW-DOWN PUTS CRIMP IN WORK

By JOHN A. PARRIS
LONDON, Sept. 10 (AP)—Through-out Norway, in cities and villages, men, women and children patriots will remain indoors after 7 o'clock tonight in a silent national protest against Nazi terrorism, secret aid to the Germans and Germanization of the Norwegian people.

The mass protest was organized to commemorate the first anniversary of a ruthless German terror campaign as part of which more than 100 Norwegians have been executed and many among the thousands sent to prisons or concentration camps have died under German torture or because of sub-human conditions.

Ten Norwegians have been sentenced to death this week.

So far the Germans have been able to conscript only about 20,000 Norwegian workers for labor in Germany instead of the 70,000 they wanted, because the workers prefer prison slavery.

More than 1,000 workers were arrested at the important Lulea air-drome in southern Norway recently for opposing their Nazi taskmasters, and 75 were arrested on sabotage charges at the Vemmerdalen air-drome near Trondheim. Activities to Norway have said that "no law" exists among men forced to work in Norway for the Germans had brought production to the point of paralysis.

British aviators said a general strike was spreading among workers in Luxembourg, one of the world's 10 largest steel producing countries, despite Nazi threats to execute those who refused to work.

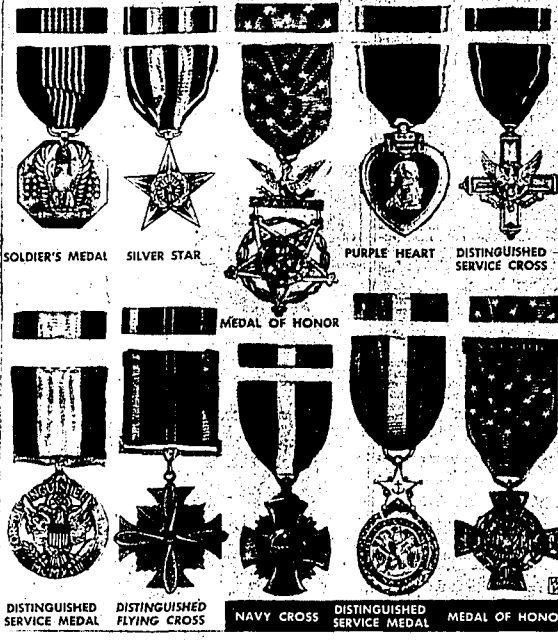

Belgian sources had reported increasing sabotage against Luxembourg railroads. Workers fail to roll stock or mix sand with oil. They do all they can to slow traffic and cause blockades.

A Vichy dispatch reported that railroad guards found railroad ties and locomotives on the main line railroad between Montpellier and Nimes, on the Mediterranean coast, of unexplained origin.

The obstructions were placed so that a train which struck them would be forced into other main line tracks and wreck the entire right of way.

British sources reported the dynamiting of railroad lines near Gaborovo, Bulgaria, by anti-Nazi partisans. The British radio was quoted as reporting 100 arrests at the result.

These Are America's Hero Awards

(World Wide Features)
Here are the 10 major awards with which America honors its soldiers and sailors for heroism or performance of exceptional character. The army medal of honor is given for conspicuous gallantry in action beyond the call of duty; the distinguished service cross for extraordinary heroism in action. The distinguished service medal is awarded for exceptionally meritorious service in a duty of great responsibility; the silver star for gallantry in action; the purple heart for meritorious service and for wounds received in battle; the soldier's medal for heroism or extraordinary achievement in an aerial flight.

The navy medal of honor and distinguished service medal correspond to the same decorations in the army, and the navy cross for extraordinary heroism or distinguished service. Both the army and navy award the distinguished flying cross for heroism or extraordinary achievement in an aerial flight.

CREWS CLEARING CANYON HIGHWAY

KETCHUM, Sept. 10 (AP)—A crew from the Sawtooth forestry division has been busy for several days clearing up the highway down the entire length of Warm Springs canyon, starting from the Fairfield end of the Smoky section, crossing the divide and running into Ketchum. This has given rise to reports that it is perhaps the intention of the department to keep the road open throughout the coming winter.

For some time there has been increased activity in mining operations and many claims are now being opened up on small scale, some of them shipping a good tonnage. These, as a result of the time from operations in past years, and have the promise during the present period of better prices of duplicating the record of the heyday of good times.

The predominance of the great formation, the two former admitted to be of good quality, and the heavy trucks are carrying out the mineral from various properties every day and night, hence the importance of maintaining open thoroughfares during the rigorous months this will have the additional value of creating needed employment for a good many workmen who have the means to go far distances for employment, and who are not eligible for army service.

This district is highly mineralized, and the success of the Triumph mine is sufficient testimony of the value of large operation and good roads to a market. There is sound belief that more systematic working and development during these times, and the interest being shown by mining men and capital, will work out a solution of the industry once notable in this mining district.

Aside from mining at large, livestock will improve along the productive line by elimination of four closed winter months on the road for while those four months are quiet for that industry, the gain in time during the spring and late fall in keeping clear the roads will have a pronounced benefit. Aside from that all aid to the attractiveness of Idaho's premier game and fishing advantages, known to native and the country at large.

4-H Champion

Here's the boy who was judged grand champion showman at the Twin Falls county 4-H fair yesterday. He is Eugene Todd, Castleford, who will represent this county at the district event in Jerome. A member of Roy Haley's Foremost Club, young Todd is shown with his blue ribbon "A" Guernsey heifer which held first place in the county show.

INDICTMENTS HIT FIVE COMPANIES

WASHINGTON, Sept. 10 (AP)—Two indictments, charging five companies and 14 officials with violating the Sherman anti-trust act in the manufacture and sale of plastic, were returned today by a federal grand jury at Newark, N. J. Attorney General Francis Biddle announced.

The persons indicted included Laumont du Pont, chairman of E. I. du Pont de Nemours and Co. Biddle said that at the request of the secretaries of war and navy, trial of the cases will be delayed until after the war.

One indictment charged that the du Pont Company and the Rohm and Haas Co., Inc., of Philadelphia, engaged in a world wide conspiracy to suppress competition in and to monopolize the manufacture and sale of acrylic plastics in the United States and in other countries. It alleged also that they were members of an international cartel which included L. O. Farberndustrie of Germany, Rohm and Haas, also of Germany, and Imperial Chemical Industries, Ltd., of England. The foreign companies were not indicted.

Besides the two companies, officials named in the first indictment were Laumont du Pont, W. P. Harrington, du Pont vice president; F. A. Wardenburg, general manager of the ammonia department; A. C. Pletcher, general manager of the plastics department; W. W. Perry, manager of the special plastics division; Otto Hines, president of Rohm and Haas Co., Inc.; E. C. K. Kierulff, vice president; and D. S. Frederick, manager of the plastics department.

National Honesty Termed Essential

BUILD, Sept. 10—Rev. E. L. White of Twin Falls was guest speaker at the noon meeting of the Kiwanis club Wednesday, discussing the philosophical question, "Does right make might, and might make right?" as exemplified in the lives of Christ and Caesar. He closed with the statement that a vital necessity in our time is a national honesty.

Howard W. Hayles, head of the U. S. employment service in Twin Falls county, discussed the farmers' labor problem and what he believed to be the solution. He said that the Japanese at Eden will be employed in the harvest fields, and that farmers should file their applications with the employment office for this and other labor. An office is to be established in Build for the convenience of the farmers in making application for farm laborers.

Dr. A. Kallusky reported on the Utah-Udvald district convention held at Sun Valley over the week-end. Twelve Build people were in attendance at the successful convention, including Dr. Kallusky, Dr. William E. Bagg, Mr. and Mrs. Harold Packer, Mr. and Mrs. F. J. McElroy, Mr. and Mrs. Dave Berntsen, Mr. and Mrs. Alfred W. Hunt, Mr. and Mrs. Frank Skrusky. Dr. Kallusky reported that almost 400 delegates were in attendance.

"Gandy Dancers" Insulted by Being Classed as "Hep Cats"

By JOHN M. SECKLIN
WASHINGTON, Sept. 10 (AP)—A gentleman in California requests—and deserves—an apology. He wants to know that a "gandy dancer" is not a "hep cat" nor a "hen cat" nor a "rug cutter."

He writes, furthermore, that a real "gandy dancer" would not be seen anywhere in a "good suit."

His complaint grew out of this correspondent's report last week of a war production board warning that "gandy dancers"—those remarkable costumes they tailor like deep red diving suits—use too much cloth, cloth that better could be used for uniforms.

Being something of a novice at the lucid lingo they use to go with the "hep suits" and the "drape shapes," we accepted at his face value of an office of war information official's advice that "gandy dancers" would be among the persons who should heed the warning.

The war production board, who signed his letter Harry Boyd, general de-puty, San Diego, Calif., explained as follows:

"I read in the papers where Uncle Sam had to take time out to warn the 'needle nuts' and 'gandy dancers' that they are not helping matters."

"Let an old 'gandy dancer' tell you what a 'gandy dancer' is. We built the railroads in the west. We are the men that hid the ballast under the ties and made the track safe for the Johnnies-come-lately to get around the country before the auto moved the Johnnies from the wagons to the jalopies."

"We, the 'gandy dancers,' were shipped all over this good American continent by the employment offices. Out of Walnut street in St. Louis, Union avenue in Kansas City, 16th street in Denver, Clark street in Chicago, and every other kind of street in the western part of this good American country, and we recent being classed with these

TOWNSMENITES TO MEET

BOISE, Sept. 10 (AP)—Leaders of Townsend clubs in several counties of Idaho will meet in Boise Friday afternoon, Lewis Williams, president of Townsend club No. 2 in Boise, announced today. Strategy to bring about passage of the senior citizens' Idaho bill will be discussed.

Japanese Admiral Warns That U. S. Nation Not Weak

TOKYO (From Japanese broadcast)—Sept. 10 (AP)—Admiral Isoroku Takahashi, retired former commander of the Japanese combined fleet, said in an interview with the newspaper Nichi Nichi today that the Japanese must not make the mistake of considering the United States a "weak enemy."

He said Japan's victories in the Pacific were not due to weakness of the United States, but to thorough training and preparations of Japanese forces.

The United States is preparing for a long war, he declared, therefore the Japanese must not be over-confident but must be ready to meet any contingencies.

SOCIAL EVENTS and CLUB NEWS

Military Police Escort Guard, Aides Attend Initial Dance at U. S. O. Center

Seen at the USO Sports Dance

"This is the best USO recreation center we've seen in the west—this side of Hollywood."

Such was the pronouncement of the military police escort guard officers and men, stationed at the Minidoka relocation camp, Eden, who attended the first local USO-sponsored no-date sports dance here last night.

Center Appeals

With a military police escort guard and a committee of the townpeople and the army unit alike, committees were organized under the direction of Mr. H. P. Perry, co-chairman of the USO contact committee, had remodeled and redecorated the USO recreation center on Main avenue north in record time.

The red, white and blue decor, arranged under the supervision of Mr. and Mrs. Milton L. Powell, professional decorators, presented a cheerful setting for the dance, attended by the uniformed "men from Minidoka," and 40 of the Aides, who wore sports clothes.

Capt. W. E. Dorland, in command of the military unit, and Lieut. Evan Miller were among the officers who attended the dance. Lieut. Arthur Portney and Lieut. Wilson called briefly, but were obliged to return to duty early in the evening.

Mrs. Kenneth Henderson and Mrs. W. W. McRoberts, chairmen of the Aides committee; Mrs. Perry, Mrs. H. B. Blandford, Mrs. Emma Clouck, and Mrs. Robert Miller were among those who represented the country and city USO during the evening.

Official hostesses of the evening were members of a committee from the Ascension Episcopal guild, who served refreshments at the conclusion of the dance. The buffet table appointments were in the patriotic tri-colors, and arranged by the guild.

Free Canteen

J. H. Blandford and E. W. McRoberts "look over" the canteen for the evening, dispensing bottles of Coca Cola and orange crush to the soldiers and their dancing partners, as their treat of the evening.

Later, when a vending machine is installed, the soft drinks will be sold at five cents apiece.

As their contribution to the evening's good time, Aron Baskin and his orchestra members donated their services. Other members of the military escort are Mrs. Helen Staley, Tony Warner, Tom Roberts and Pete Wahl.

The Episcopal Guild Committee, headed by Mrs. Charles B. Beymer, included Mrs. Allyn Dugan, Mrs. Frank J. McCallister, Mrs. M. K. Jones, Mrs. C. J. Hahn and Mrs. A. L. Norton, president of the guild.

Other organizations will provide refreshments for future USO-sponsored dances. It is the plan of the committee to stage one month, and all servicemen, including those on furlough or passing through Twin Falls on dance nights, are eligible to attend.

Other Aides, selected by the USO committee, will attend future dances.

Clarks Observe Golden Wedding At Dinner Party

PAUL, Sept. 10.—Mr. and Mrs. E. Clark celebrated their golden wedding anniversary last night at the home of their son and daughter-in-law, Mr. and Mrs. Glen Clark, west of Paul.

Children and the honored couple were hosts and hostesses. Besides the honorees, the following children were present: Mr. and Mrs. Glen Clark and family, and her mother, Mrs. C. E. Bousie, Rupert.

Mr. and Mrs. Charles Francisco, Mr. and Mrs. Gilbert Blake and their children, Mr. and Mrs. Walter Toews and Mr. and Mrs. Glen Clark and family, and Mr. and Mrs. Oliver C. Clark, were present to be present for the occasion.

Mr. and Mrs. Clark are early pioneer residents of Paul, having been steered an 80-acre ranch, which is now the Paul townsite. After selling their ranch at town lots, they purchased another 80 west of Paul, which they still own, but live in their home in town.

The party was a surprise to Mrs. Clark. The dinner was served and the long, long-covered table was lovely with a set of American Haviland china, a gift to the honored couple from the children. Gladiolus, remembrances from friends, decorated the table and room.

Center of attraction on the table was the large wedding cake, baked by Mrs. Ray Clark.

Gold colored ribbon streamers extended from the cake to each place; place cards were gold bells, and the table was lighted by gold lamps.

Congratulatory gifts.

The children presented their father a large bronze statue, and coming as a surprise to Mrs. Clark was a silver set of dishes, a gift from her husband, the original engagement ring having been lost several years ago.

Other gifts were received from grandchildren and friends.

Life in the time of Abraham has been brought to light through excavations at Ur, Mesopotamia, carried on by the British Museum and the University of Pennsylvania.

Dancing at the USO recreation center are, top left, Miss Helen Olsen and Mr. Earl Smith. Tony Warner, of Arion Baskin's orchestra, top right, converses with Mrs. Helen Staley. Mrs. Helen Staley, top right, Mrs. Emma Clouck, Mrs. Robert Miller, Mrs. Kenneth Henderson, Mrs. W. W. McRoberts, Mrs. Perry, Mrs. H. B. Blandford, Mrs. Emma Clouck, and Mrs. Robert Miller were among those who represented the country and city USO during the evening. (Staff Photo-Engraving)

Mrs. Connor Is Installed Head Of Legion Group

JEHOE, Sept. 10.—Installation of new officers for the American Legion auxiliary was conducted at the regular meeting this week at Civic club house, the retiring president, Mrs. Linda Lowe being in charge.

Those installed were Mrs. Edith Connor, president; Mrs. Rita L. Turner, vice-president; Mrs. Lulu Heister, secretary-treasurer; Mrs. Heister Tyne, historian; and Mrs. Frieda Sinclair, chaplain.

Record Drive Ending

Mrs. Lowe reported that the photograph record drive was nearly completed and that more than 1,000 records had been collected, as well as a large number of playing cards for the men in service.

The drive to collect playing cards was undertaken as a special project by this individual auxiliary unit from Jerome. The photograph record drive was conducted throughout the entire country. Part of the records and cards will be sent to the veterans' hospital as well as to the men in service.

Mrs. Connor, the newly installed president, announced her committee assignments for the year as follows: American and national defense, Mrs. Jessie Baker; child welfare and rehabilitation, committee members are Mrs. B. L. Therpe and Mrs. Wallace Jellison; constitution and by-laws, Mrs. Maxine Wahl; civilian defense, Mrs. Maxine Wahl; radio, publicity, and unit activities, Mrs. Phoebe Thompson.

Poppy day sales chairman, and activities for poppy poster display, Mrs. Alice Hoff; junior Legion auxiliary, Mrs. Helen Smith; membership for the auxiliary, Mrs. Rita L. Turner; program, Mrs. Margaret Tyne, chairman; Mrs. Heister Fort, Frances Stanton; auditing, Mrs. Edna Henry; Mrs. Josephine Ricketts; music, Mrs. Trappen, chairman; Mrs. Alice Callen; national affairs, Mrs. Myrtle Hardie.

To Entertain Soldiers

The recreational center for soldiers of the service here was discussed and it was decided that members would cooperate in placing either cookies or some other similar treat on the table for the soldiers at the center. It was also decided that auxiliary members would cooperate in acting as hostesses for various functions for the soldiers who might visit at the center while in town.

A report on the state convention at Kellogg recently was given by Mrs. L. H. Blandford, who stated that welfare and rehabilitation were topics stressed mainly. She explained that aid in overcoming defective speech among children would be a nation-wide program which would be carried on by the auxiliaries.

Funds will be available to help any needy children whether their parents are Legion or auxiliary members this year, according to plans. Mrs. Lowe directed Mrs. Connor that the funds received from the poppy sales would go partly toward work in juvenile delinquency.

Couple Pledges Vows at Garden Rite at Jerome

FILER, Sept. 10.—Louise Childs, Filer, son of Carl Childs and the late Carl Childs, Twin Falls, and Vivian Kerley, Twin Falls, daughter of Mr. and Mrs. W. H. Jerome, were married Sept. 6 at 3:30 p. m.

The ceremony was performed in the garden at the home of the bride's parents, Rev. B. F. Hutchings, pastor of the Jerome Methodist church, officiating. Baskets of gladiolus and sinias augmented the growing flowers.

The bride wore a white chiffon floor-length dress, and a gold necklace belonging to her mother. Her only other ornament was a gold bracelet, gift of the bridegroom.

For traveling dress, she wore a brown and beige suit with matching accessories.

The bride is a graduate of the Buil high school and the bridegroom is a graduate of the Filer high school. They were both members of the traditional cake cutting ceremony, followed the nuptials.

The bride is employed by the Garret Transfer company and Mrs. Childs is employed at the county auditor's office. Mr. and Mrs. Childs will be at home in the Boston apartments, Twin Falls.

Among the wedding guests were Mr. and Mrs. Herbert Neale, Filer; Mrs. Max DeBach and daughter, Eleanor; Mrs. J. L. Grow and Mr. and Mrs. Dorol Wernick, all of Buil; Mr. and Mrs. Ray Dunken, Mr. and Mrs. Wayne Williams and son, Lloyd; Miss Opal Benfien and D. P. Ray, all of Twin Falls.

Mrs. Priscilla Butler, Guy Hays, Lakoyne Reiter and Rev. and Mrs. Hutchings and the bride's parents, Jerome.

Army Nurse Visits

Gooding Relatives

GOODING, Sept. 10.—Miss Rose Requist is a second lieutenant in the army nursing corps, is visiting at the home of her parents, Mr. and Mrs. P. C. Requist. She left Seattle and will go to Ft. Carson, Colorado Springs, Colo., for a month leaving for overseas duty.

Miss Requist is the first Gooding girl to leave for foreign duty. She is waiting for her call and traveling orders.

CHEESE GOOD FOOD

Cheese is an easy food, easily digested. Fuel values of the different varieties range from 435 to 2,000 calories per pound. It is an important part of any meal. It lends variety, zest and lusciousness and is an economical food to fit a low-cost diet.

HARDENED HONEY

If honey has become solidified in its jar, or crystals have formed around the top edge, it is not spoiled. It is only a matter of time before the jar in a bowl of warm water will entirely melt. The water in the bowl should be quite warm, but never hotter than touch can bear.

CHECKS, FLAIDS COUNT

Blue is a favored color just now for clothes of school youngsters, but red, green and brown also are popular. And color is chosen with greater concern for individual "likes" and "dislikes". More than any one color, little girls' style accents pattern—above all, checks and plaids.

Mary Lou Gilb Tells Friends of Betrothal

Engagement of two University of Idaho, southern branch, students, Miss Mary Lou Gilb and Edward J. Novak, was made known to a group of intimate friends of the bride-elect Monday afternoon at the home of her parents, Mr. and Mrs. Carl Gilb, 504 Blue Lakes boulevard.

No date has been set for the wedding. Mr. Novak is the son of the late Mr. and Mrs. P. J. Novak, and the nephew of Mr. and Mrs. Ernest Cameron, New Britain, Conn.

Scrolls Bearing the Names

Scrolls bearing the names "Mary Lou and Eddie," encircled in diamond ring sketches, were distributed in bon-bon dishes to reveal the betrothal news.

The engagement announcement came as a surprise to the guests, who believed they had been invited for an afternoon of bridge and final get-together before many of them leave for their several colleges and universities.

The bridge games did follow the engagement announcement, however. Miss Gravieus Bennett and Miss Norma Dickey won honors.

Other guests were Miss Helen Thomas, Miss Melba Holmes, Miss Judy Jones, Miss Margaret Vazquez, Miss Lillian Lauder, Miss Patricia Smith, Twin Falls, and Miss Mary Peterson, Kimberly.

Simultaneous with the distribution of the scrolls, Miss Gilb pinned on a rosette corsage that had been sent from her mother by Mr. Novak.

Miss Gilb will leave soon for the southern branch to complete her sophomore year in pharmacy at the school.

Premiere on Campus

Miss Gilb is a member of Gamma Delta Gamma sorority, Cadette, women's pop group, Delta Delta Epsilon chapter, scholastic honor society for sophomores women, and is women's editor of the "Twin Falls" at the southern branch this year.

Mr. Novak, a member of a student council last year, is affiliated with Intercollegiate Knights; Chi Kappa Iota, scholastic honor society for pharmacy majors, and the Pharmacy association.

Mary Acaiturri, Lyle Stroupe Wed

BURLEY, Sept. 10.—Friends in Burley have learned of the marriage of Miss Mary Acaiturri, former Burley girl, who became the bride of Lyle Stroupe, Aug. 6, at Pocatello, the ceremony being solemnized at the home of Mr. and Mrs. P. B. Thompson.

The bride attended Burley schools and was employed for several years at the National hotel coffee shop, where she recently has been transferred to the Pocatello hotel.

The bridegroom is stationed at Kelly field, Tex., in the quartermaster corps, and the couple expect to be married while he was on furlough.

JUMPER DRESSES GOOD

Jumpers dresses are taking the important place of the pinaflore in new wardrobe for school girls. They are that is typical of the primer quality of 1942 clothes. Smart young-ladies insist upon dress that are "functional" rather than "baby-fied," when it comes to dressing up.

Marian Martin Pattern

9001

SOFT TAILORED DRESS

Round the clock and through the seasons goes this soft-tailored Marian Martin frock, Pattern 9001. There's unusual bodice interest in a deep U-shaped front yoke, becoming collar, and a draw-through ribbon tie. Notched collar. Pattern 9001 may be ordered only in misses' and women's sizes 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40, 42, 44, 46, 48, 50, 52, 54, 56, 58, 60, 62, 64, 66, 68, 70, 72, 74, 76, 78, 80, 82, 84, 86, 88, 90, 92, 94, 96, 98, 100.

Send SIXTEEN CENTS for this Marian Martin pattern. Write plainly SIZE, NAME, ADDRESS and STYLE NUMBER.

Please send your order to: Twin Falls, Pattern Department, Times-News.

New Bondodiers To Participate In Friday Sale

Five new Bondodiers will make their first public appearance Friday in connection with the special United States war stamp sale, starting at 7 p. m. in connection with the annual fall opening.

They are Miss Dickey Victor, Miss Helen Pettigrew, Miss Mary Ellen Davis, Miss Ruth Bibbo and Miss Ruby Carlson. They were selected by a Joyce committee.

Other Bondodiers, already members of the stamp and bond-selling group, will participate in Friday's sale will be Miss Shirley Smith, Miss Jane Braliford, Mrs. Alice Reed Watts, Miss Dee Heppner and Miss Helen Jane Olin.

With every 25 cents stamp purchased, the buyer will have an additional opportunity to win a \$25 United States war bond at the end of the program.

Committee in charge of the special stamp sale will be Brock Pain, Mrs. E. W. McRoberts and Russ Thomas.

Mariners' Club Planning Dinner For Sept. 23rd

All young married couples of Twin Falls are invited to attend the post-lunch dinner Sept. 23, planned by the Mariners' club.

The event will be held in the parlors of the Presbyterian church. Plans for the dinner were made when the Mariners' club met last evening in the church parlors for a short devotional session and business meeting.

Later games were played in the recreation room of the church, and a watermelon "feed" concluded the evening's activities.

Barnett Family To Be Feted at Farewell Affair

A farewell affair for the Barnett family, who are leaving soon for Montana to make their home, will be held Friday at 8 p. m. at the Baptist luncheon.

All members and friends of the Baptist church are invited to attend.

Members of the Baptist Missionary society, with Mrs. Herman Dodson as president, are in charge of arrangements.

Mrs. Garth Reid is planning the program, and Mrs. George Warberg will be presented to the Barnett family. Rev. Barnett recently resigned as pastor of the church.

Navy Mothers to Give Dance for Relief Benefit

GOODING, Sept. 10.—Gooding Victory Navy Mothers' club is sponsoring a navy relief dance Saturday evening, Sept. 12 at the Legion hall. Music will be provided by Russ Smith and his orchestra.

This dance is being given in place of the regular county drive for the benefit of navy relief. It is urged that those who would have participated in the county drive will respond to this opportunity to assist toward the navy relief.

It was pointed out that half of the funds collected for navy relief when turned into headquarters is given to the army relief and that half of the army relief is given to navy relief, so that both branches of the service are benefited.

Committee in charge of arrangements are Mrs. Deulah Hoyle, chairman, Mrs. Delma Alban, Mrs. Ruth Regehr and Mrs. Edna Smith. All members will sell tickets.

The regular monthly meeting will be held Thursday.

Wondering how we do it?

With the new paper Victory bag how can Edwards Coffee still guarantee freshness?

Here's how—

YOUR grocer still gets this rich luxury coffee direct from the roasting ovens... but now he sells it in the bean and grinds it when you buy. This protects freshness in nature's own way! That's why you always find Edwards coffee at peak goodness, no matter where or when you buy it!

Few roasters could meet this wartime need as well as Edwards, with step-by-step control freshness is assured, even in a paper bag.

Quality and blend are unchanged. Here is the same loyal Edwards you've long enjoyed, favorite of thousands for 35 years. In times like these it pays to use fine thrifty Edwards. With what you save, buy extra WAR SAVINGS STAMPS.

BIG SEVEN REVAMPS GRIDIRON; PLAY OPENS FRIDAY

Rupert, Burley Are Hosts in Opening Games

JEROME, Sept. 10.—A revised schedule that gets play underway on Friday of this week in the Big Seven conference was drawn up at a meeting of coaches and school leaders of the organization here last night.

The new schedule, given 100 per cent approval, starts Friday with Buhl at Burley and final games are slated for Friday, Nov. 20, and between the two dates, full schedules will be played by all teams.

Elected president of the circuit was Supt. Earl Hume of Burley. Vice president, J. H. Hume, was named vice-president, and Floyd Hume, Burley, was elected secretary.

Meet Principal

Football was the only subject discussed and all other decisions of the organization will be considered at the annual South Idaho Athletic association meeting in Twin Falls on Saturday afternoon.

Complete schedule for the Big Seven was announced as follows:

Sept. 11—Buhl at Burley; Piler at Rupert.

Sept. 18—Burley at Gooding; Rupert at Piler; Piler at Buhl; Oakley at Twin Falls.

Sept. 25—Oakley at Buhl; Piler at Gooding; Piler at Piler; Gooding at Twin Falls.

Oct. 2—Burley at Piler; Jerome at Gooding; Oakley at Piler; Piler at Buhl; Piler at Twin Falls.

Oct. 16—Open dates (harvest vacation).

Oct. 30—Jerome at Piler; Buhl at Gooding; Oakley at Piler.

Nov. 6—Gooding at Piler.

Nov. 11—Burley at Piler; Buhl at Jerome; Gooding at Piler.

Nov. 20—Burley at Jerome; Piler at Oakley.

Three Changes

There are two coaching changes this year. At Piler, Art Hume, former Huley Volunteer member, takes over coaching duties.

At Rupert, Rex Hume, former Buhl high school basketball coach, and before that head football and basketball coach at Downey high school, succeeds Gerald Dellinger, who moved toampa as business manager.

In other schools, John Norby returns to Jerome, Huley Dodge to Buhl, and Huley Dodge to Buhl and Mack Saunders to Gooding.

Season's Play Shows Cards Had Most Wins

SALT LAKE CITY, Sept. 10.—Pocatello had the best card in the Pioneer league this season, on the basis of play in the first half of the split schedule, a survey disclosed today.

Cards banded 72 victories and lost only 46 games for a percentage of 610, the league statistician reported.

Pocatello won 60 games the first half and 22 the second, finishing with a 82-46 record after serving up the initial pennant.

For the season, the other clubs played the following:

Bolton won 63 and lost 52 for 54.7; Idaho Falls, 60 and 50, 55; Salt Lake City, 55 and 42, 56.7; Pocatello, 62 and 47, 56.7; Ogden, 50 and 42, 54.7.

Idaho Falls played 50-50 ball most of the season, winning 31 victories the second half and 20 the first. It loses 20 and 20 the second half, 40 in all.

Bolton tied for fourth in the first half, then streaked to the second half with 41 wins and only 10 losses.

Ogden and Twin Falls finished in the third division, with Ogden, but Salt Lake City's bees took the longest drop, slipping from second in the first half to fifth in the second half.

Army Comes First, Football Second, Grid Coach Finds

MARCH FIELD, Calif., Sept. 10.—Capt. Paul Scheller, a football coach for 28 years, is still learning things about the game. It's the army that's finding out about now.

Football came first with the Hollywood Bears, who were merely owned and tutored, and while he wouldn't admit it, the sport has been occupying primary position with a good many of the boys he used to coach at Oregon State College.

"Every man on the squad of 60 is a member of the air force first and a football player second," Scheller said. "They get no special breaks and all must perform their regular duties. If they interfere with practice, that's my hard luck."

Southeastern Idaho Pheasant Hunt Prospects Great

BOISE, Sept. 10.—The early season pheasant hunt in southeastern Idaho which closes today was described by returning hunters in this area as the best yet.

Most hunters returned from the fields with bag limits and with excellent reports on the prospects of pheasants. Scores of pheasants were flushed and hunters anticipated a good season.

The second season on pheasant will be from Oct. 18 to Nov. 16, and duck shooting will begin Oct. 15 and last Dec. 31.

The 10-day season on doves also closes today.

This Is Not an Act

Recognize the big fellow on the right as the moustache? Clark Gable, film star, speeds around banked track of toughening course, with other aspirants at army air corps officer candidate school, Miami, Fla.

Yanks Defeat Browns, Only Majors' Game

ST. LOUIS, Sept. 10.—The Yankees overpowered the Browns, 8 to 3, yesterday to increase their American league lead to 10 1/2 games over the life Red Sox.

Bring his Brian Boudreau his 10th pitching triumph.

Clayton Kershaw, a Gordon anked a home run with the bases loaded in the first inning, his 18th round-tripper and second grand slam, to get the Yankees started and after that was just a breeze.

Most of the damage was done against Knickerbocker Johnny Niggling.

In the first inning he served slugs to Buddy Hassett and Joe DiMaggio and walked Charley Keller to fill the bases ahead of Gordon.

In the third inning, Roy Cullenbine and DiMaggio led off with single, then Ted Williams and Earl Cullenbine and Keller scored on a wild pitch.

Red Kille opened the fourth frame with a double and tallied on a single by Cullenbine.

After a single margin, Boudreau and the Browns scored once in their half of the fourth on doubles by Hank Green and Walt Judnich. Their other two runs came in the eighth on a pinch slug by Bill Cullenbine and a double by Cullenbine and Keller.

U.S. ATTACKS IN ISLANDS SPREAD

WASHINGTON, Sept. 10 (AP)—A new American offensive to drive the Japanese out of the Solomon Islands apparently was underway today—launched by an aerial assault on enemy troops and installations at Olito Island.

With the U. S. captured base on Guadalcanal, 215 miles to the southeast, evidently the springboard for the attack, American air forces bombed the road to the small, heavily wooded island, which had fled to Guadalcanal.

The attack was carried out last Sunday without enemy resistance, the navy said, as the marines continued to mop up Japanese units which had fled to Guadalcanal.

Chief significance of the American air attack was regarded as indication of a new phase of offensive activity, the navy said, as the island and evidence that the American forces had consolidated their positions in the southeastern Solomons.

Until the Olito attack the troops in the Solomons were regarded as being mainly on the defensive against Japanese sea and air attacks. The navy said that the positions and presumably building a bomber base on the Guadalcanal.

Also regarded as significant was the fact that Olito is situated more than 100 miles from Guadalcanal, the Japanese-held port of Kila on Bougainville Island, southeast of the enemy's big Solomons base at Buna.

THIS CURIOUS WORLD

By William Ferguson

ANSWER: Because mighty Casey has struck out.

Blakeslee Infant Rite at Richfield

The body of Mary Ellen Blakeslee, 10-month-old daughter of the late Mrs. J. W. Blakeslee, was buried today in the White mortuary to the home of Mr. and Mrs. Walter Stevens, 1500 N. 10th St., Richfield, Utah.

Funeral services will be held Friday at 2 p. m. at the Richfield Latter Day Church. The interment will be in Shoshone cemetery.

CAMERAS URGED IN LAND PATROL

BY LIVINGSTON FOMEROY
WASHINGTON, Sept. 10 (AP)—The United States army is urging the use of small cameras for land patrol duty during the war.

The army said that the cameras would be used to take pictures of the terrain and to identify units and equipment.

The army said that the cameras would be used to take pictures of the terrain and to identify units and equipment.

SPUD PRODUCTION INCREASE LOOMS

WASHINGTON, Sept. 10 (AP)—The agriculture department today forecast that this year's potato crop at 278,000,000 bushels, as indicated by Sept. 1 conditions.

This compared with production of 252,000,000 bushels last year, a 10-year average of 270,400,000 bushels and an indicated crop a month ago of 270,170,000 bushels.

Probable production of corn was estimated at 3,015,000,000 bushels and wheat at 901,000,000 bushels.

A corn crop of 2,735,000,000 bushels was indicated a month ago. Production was 2,722,400,000 bushels last year, and the 10-year (1930-39) average production was 2,397,450,000 bushels.

The wheat crop indicated a month ago was 3,172,000,000 bushels, the largest since the record crop of 1,000,000,000 bushels in 1915.

Winter wheat production is 977,000,000 bushels, compared with 203,000,000 bushels last year and a 10-year average of 309,470,000 bushels. This year's yield of winter wheat was a record with 152 bushels to the acre, compared with 12 bushels last year when unit quantity established a record.

Spring wheat included in the total crop forecast at 284,000,000 bushels, compared with 274,000,000 bushels last year, and a 10-year average production of 178,000,000 bushels.

Lone Nazi
REYKJAVIK, Iceland, Sept. 10 (AP)—A lone Nazi raider attacked Iceland today, machine-gunning a store and burning in an open boat, laborers in a field and two Icelandic fishing trawlers.

The report said the plane dropped no bombs and caused little damage, none of it military installations. It said there were no casualties.

Heroine
The real name of Molly Pitcher, Revolutionary war heroine, was Mary Hays. She received her nickname because of her heroic devotion in carrying water to the soldiers.

NORTHWEST AREA COMMAND SLATED

WASHINGTON, Sept. 10 (AP)—Establishment of a northwest service command, to direct army high way and railroad building activities and supply and maintenance services in western Canada and Alaska, was approved today by Secretary of War Henry L. Stimson.

The new command will be similar to the nine service commands in the United States whose functions are primarily administrative.

Col. James A. O'Connor, chief engineer, a native of Bay City, Mich., will head the new command, with Col. J. H. Smith, chief of staff.

Col. O'Connor will be responsible for all activities of the army in the northwest, including the Yukon, Alaska, and the territories of Yukon, Northwest Territories, and Alaska, and will have installations in Fairbanks and Skagway.

The new command will be similar to the nine service commands in the United States whose functions are primarily administrative.

Col. O'Connor will be responsible for all activities of the army in the northwest, including the Yukon, Alaska, and the territories of Yukon, Northwest Territories, and Alaska, and will have installations in Fairbanks and Skagway.

SERIAL STORY
WHEN A GIRL MARRIES
BY RENE RYERSON MART

BACK TO WORK
CHAPTER XV
She could pretend to herself—and nearly succeed in believing—that she was doing matters of fact an errand that had to be done. Her month's rent on the Arlington apartment was up, and she had to hand over the key. But her heart wasn't fooled by this elaborate self-justification. It was a shame because she was going to see Hank Holliday again very shortly—and maybe a miracle would happen. Maybe, somehow, fate at last smiling on her, would make it possible for her to go on seeing Hank although her truant month was over.

She went into the apartment that had been her home for three happy weeks, and packed her clothes and looked around to see that everything in the apartment was just as it had been when she had rented it. Then she set her bags out in the hall, locked the door, and went down the corridor to Hank Holliday's apartment.

She pressed his doorbell and waited, her blood pounding dizzily in her head. But the door didn't open, and Hank didn't smile at her from the threshold. There was no sound at all from within his apartment.

Enid pressed the bell again with some urgency. The possibility of his not being at home simply hadn't occurred to her. In the silence she heard footsteps shutting up the back stairs from the basement, and the next moment Jim, the janitor, appeared in the rear of the corridor.

"Hank Holliday's apartment," Enid said, "is on the second floor. Oh, it's you, Miz Sharon. The doctor's not here."

"Oh—Hank's voice was limp. It meant that she wasn't going to see Hank, at least not tonight, and for a moment she could only think beyond the disappointment of that.

Jim came up to her and she handed him the key mechanically. "I'm moving," she explained. "Here's the apartment key. Will you give it to the doctor?"

"He don't been askin' me where you bin this last week," Jim volunteered cheerfully.

"My father and mother met with an accident," she said absently. "I've been with them."

"Wait a minute," she said briskly, reaching a decision. She delved in her purse, found a memorandum book, tore out a sheet, and began to write. "I'll leave my new address with you, Jim, in case any mail comes here for me."

It was a lame excuse but better than none. Of course, there wouldn't be any mail for her, she thought, for none of her friends had this address, but Hank would ask where she had gone and Jim would tell him.

The garrulous Jim breezed on. "It's too bad you're missin' seein' the doctor. He jest left yesterday. Went for a trip with his mother and Miz Adams."

Enid stopped writing. Hank had gone with his mother and—Clare Adams. The beautiful, arrogant, read-made Clare, the girl he had said his mother wanted him to marry.

She tore the scrap of paper on which she had been writing, tore it into bits. How silly she had been, thinking that he might want to see her again—might even go to the bother of looking her up.

"What's the matter, Miz Sharon? That your new address you don't care up?"

"It doesn't matter, Jim. I won't bother you with it. I'd forgotten, the postoffice will forward my mail."

[The nerve-wracking cliche—clack of 50 typewriters pound—

Hank was driving and with his eyes intent on traffic, heavy at that hour, did not see the girl smiling at him from the curb.

And yet, oddly enough, Enid wasn't altogether disappointed. Just seeing him for that brief moment had done something to her. She'd get off a half hour early the next evening and then she'd catch Hank before he left his office. She'd been awfully silly, she decided, cutting herself off from him the way she had when they lived in the same town, and seeing him was such a simple matter. And probably she had grossly exaggerated the importance of the trip he had taken with his mother and the beautiful Miss Adams.

It was an almost happy girl who boarded the bus when it came. It takes such little things to alter an outlook, a future. Little things like little really really really. Then she set her bags out in the hall, locked the door, and went down the corridor to Hank Holliday's apartment.

She didn't know that many of the surgeons and specialists on Third street, the town's medical center, were "in" all afternoon. And Hank was almost with her. She had reached the corner just as the Holliday's senior and junior, had their office, when she was delayed momentarily by a traffic light. As she waited for the signal to change she saw two men come out of the entrance of the building across the street and hurry to an automobile waiting at the curb.

Almost instantly Enid recognized the younger of the two men as Hank. She looked eagerly at the automobile as it came across the intersection toward her, but
