RUSSIANS HOLD AS STORM LASHES STEPPES

Planes Grounded As War Goes Into Cold-Time Tactics

MOSCOW, Oct. 20 (AP)—Autumnal storms which howled down the bare steppes between the Don and Volga forced the great battle of Stalingrad back to the World War tactics of artillery-barrage and infantry assault temporarily, and when the cold wind and rain died down today the Russians started holding fire along their battered lines.

Battlefront dispatches said the air war of divebombers and swarms of fighters was resumed full scale after the short forecast of winter which forced the planes of both sides from the air and gave the defenders a respite from at least one phase of the Nazi onslaught.

The Germans turned to ground war tactics of a generation ago, pouring down a three-hour artillery barrage and following it up with slashing infantry attacks in an effort to keep their offensive rolling. The defenders met the attack with point blank gunfire and held firm in positions which the Nazis have seized since the battle of Stalingrad.

The fiercest fighting centered in a northern factory-district of the city.

Held in Kidnap

Levels reported in a dispatch from the front lines that supplies and reinforcements continued to reach the defenders of Stalingrad.

The government newspaper said German long-range guns were shelling the Volga in an effort to interrupt these crossings.

"The Germans were repulsed," the paper declared, "but 400 of the enemy were killed." The communiqué said of the Stalingrad battle: "The German army is being smashed by the Russian army."

A part of the "X" unit in a night engagement, destroyed German planes and four mortars, smashed 15 pillboxes and dugouts and killed more than a company of German infantry," it was announced.

North of Stalingrad our soldiers have advanced, enemy outposts, killing 40 Germans and capturing two machine-guns. Our artillery smashed four enemy guns and a mortar battery and killed a large part of two German companies.

NAVY MUST GAIN POWER-ADMIRAL

NEW YORK, Oct. 20 (AP)—Admiral Ernest J. King, commander-in-chief of the United States fleet and chief of naval operations, said tonight that this country was fighting a two-ocean war with a navy and an army, and that the navy must gain power.

He said that the navy must gain power and that the navy must gain power.

HOUSE APPROVES REVISED VERSION OF TAX MEASURE

WASHINGTON, Oct. 20 (AP)—The House finished its work today on a record-high tax bill which will dip deeply into the pocketbook of the individual American and into the cash registers of the nation's business.

The final House action, on a standing vote of 330 to 2, was adoption of a compromise report which adjusted 800-odd differences with the Senate on wartime revenue raising.

While the treasury's experts have estimated the wartime revenue measure would bring in \$6,881,810,000 in new taxes, Chairman Douglas, D-N.C., of the ways and means committee reported to the House that it would yield a gross of ten billions and a net of eight billions.

A ten-billion increase would make the total to be collected in federal taxes in 1943 roughly \$7,000,000,000.

530 ENEMY SUBS SUNK BY ALLIES

LONDON, Oct. 20 (AP)—Britain has an actual record of attacks which have resulted in the sinking or damaging of 530 enemy submarines since the war began, A. V. Alexander, first lord of the admiralty, asserted today.

Alexander, sitting a war committee at Caxton hall, said this total included 400 submarines destroyed since the war began, and 130 others destroyed by the Russians or by the United States.

"We have had much discussion in recent months about a second front," he said, "but we must remember that our ability to secure this depends directly upon the degree of our victory at sea."

White Population Swells at Strategic West Africa Port

By GEORGE MANUEL

DAKAR, French West Africa, Oct. 20 (AP)—Increases in the land, sea and air forces in the area have swelled the white population of this strategic West African base from 18,000 to 200,000.

The base was placed on a state of constant alert and women and children were being evacuated by air and sea as rapidly as transport facilities became available.

An anti-aircraft unit in effect came to Dakar and the heavy winter rain will be over.

A serious housing shortage was reported by the huge population increase. Dakar's white population is concentrated on a curved 13-mile front of land extending into the Atlantic.

PRISONERS MAY BE ADDED IN HARVEST

BOISE, Oct. 20 (AP)—Idaho state officials took steps today to free the state penitentiary to work under the current farm labor shortage in the state.

In the most important General Clark asked Attorney General Bert H. Miller for an opinion as to the possibility of releasing prisoners in the state penitentiary to work under the current farm labor shortage in the state.

Pierre Laval Wants Added French Labor To Help in Germany

LONDON, Oct. 20 (AP)—Pierre Laval, broadcasting over the Vichy radio, tonight urgently renewed his appeal for more French workers to go to work in Germany.

The chief of government told his countrymen that Germany had issued decrees which "enable her to mobilize labor in all countries she has occupied."

And he added, ominously, "The Germans have assumed heavy losses."

FLASHES OF LIFE

By Associated Press

TIRE HAZARD IN INDIANAPOLIS, Oct. 20.—The tire shortage really is a problem, reported by Raymond McGee, 22, employee of a local tire company.

McGee was treated at City hospital for head injuries, suffered when he was beaten by six men. Asked what started the disturbance, McGee replied:

"I don't know. They started hitting me when I told them I didn't have any tires for sale."

More Land-Based U.S. Airplanes to Help in Solomons

WASHINGTON, Oct. 20 (AP)—Secretary of the Navy Frank Knox said today he believed that the Japanese had "by no means as yet" used their maximum force in the battle of the Solomons.

"It is still a good stiff, hard fight," he told a press conference when asked about the Solomons campaign.

"In my judgment," he said, "the Japanese have by no means as yet exercised their maximum force."

FIGHT BREWS OVER LIQUOR CONTROL IN CAMP AREAS

By SPENCER KILW

WASHINGTON, Oct. 20 (AP)—Sen. Robert M. La Follette, Wis., charged today that a proposed rider to the "teen-age draft bill" would establish a system of army camps and naval bases, if adopted, would have an adverse effect on the morale of the whole army.

"If we consider these boys of 18 to 19 old enough for military service," he told reporters, "we've got to treat them as if they are old enough to use some discretion and judgment."

30 JAP PLANES DOWNED

NEW YORK, Oct. 20 (AP)—Eighteen enemy bombers and 12 zero fighters of a 40-plane force were shot down in an attempt to bomb the American-held airfield on Guadalcanal.

A raid on the enemy base at Reketa Bay on Santa Isabel Island, 115 miles north of Guadalcanal, was repulsed by American fighters.

DETAILS CHARTERED ON TRUCK SIGNUP

"Schools" for persons who will assist farm truck owners in filling out their applications for certificates are being set up in the Twin Falls, Idaho, area.

Twin Falls, Idaho, and Wednesday night, members of the committee were combing the countryside to obtain promises to sign up in the filling out of the applications which will take place Thursday.

FARM ACCIDENT FATAL TO BOY, 17

HUPPERT, Oct. 20.—Robert Manning, 17-year-old son of Mr. and Mrs. H. Manning, farmer of the Hupert vicinity, died at 8 a. m. today as a result of injuries sustained when he was crushed between a truck and the side of a potato cellar at the farm Saturday.

The truck was being backed up to the cellar door when it got out of control and crushed the boy. He suffered a broken pelvic bone, crushed ribs and other injuries.

SOLDIER FOUND GUILTY

BELFAST, Northern Ireland, Oct. 20 (AP)—A United States army court-martial today found Corp. Raymond A. Sacramento, 21, guilty of the murder of Mary Jane Manning, a 19-year-old girl, and sentenced him to life imprisonment.

The girl was shot and killed while she was working in a potato field.

Bulletins

WASHINGTON, Oct. 20 (AP)—The navy announced today that a merchant vessel had been torpedoed and sunk by an enemy submarine in the North Atlantic.

County Will Sell 2 Old Cell Doors

Because two jail cell doors are no longer needed at the county jail—but are too valuable in these days of shortages to be sold for scrap—Win Falls county will advertise tomorrow for public bids.

One of the cell doors was formerly used in the juvenile ward in the basement of the courthouse. That ward, however, has been abandoned. No other door is one used in the "penitentiary" jail in other days but

The sale will be at 10 a. m. Monday, Nov. 23, according to the board county commissioners. Appraised values are \$100 for the lighter of the two doors and \$150 for the heavier. No brand name, defect, or hide not

CHANGE ORDERED ON MILK LABELS

An "ungraded" label will go on 200 gallons of milk now being sold daily in Twin Falls, a grade milk. A result of action taken last night by the city council.

The council ordered that the Grade A label be placed only on bottles of milk meeting all requirements of the city ordinance, and that other milk be plainly labeled "ungraded."

Sherry Decrease
The councilmen quickly agreed on the recommendation after hearing a report from H. G. Gust, Post, district public health unit sanitarian, who said that decreasing sources had reduced the Twin Falls supply of milk meeting Grade A requirements to approximately 17 per cent. The only possible way of meeting consumer demand, Post said, has been to use graded milk. This milk is being pasteurized.

Councilmen voted two important considerations in determining the "ungraded" label, while admitting that there is nothing to do about a milk shortage except put up with it. They said that the public deserves the protection of knowing what kind of milk it is buying, and that dealers supplying with Grade A requirements deserve protection for the business they have built by their compliance.

"People probably still have to buy ungraded milk if there is not enough Grade A milk to go around," said one of the councilmen, "but they should know what they are buying."

Constantly dwindling Post painted a picture of a milk supply constantly dwindling for the last 18 months, because of rising costs and a shortage of help farming many dairies out of business. In the spring of 1941, Post said, Twin Falls milk consumers were served by 17 raw milk dairies and one pasteurizing plant, which had 14 Grade A milk producers. Today, he said, there are only the pasteurizing plant and three raw milk dairies.

Post said the high cost of milk, the fallacy rate, Post explained, Twin Falls continued to receive its estimated 150 gallons of Grade A milk daily until about two months ago. Then the Grade A supply began to dwindle, and Post said, the other milk was used to make up the difference. It was hoped that the situation would correct itself, but, Post said, that has not been the case. The Grade A supply has continued to fall off until now it fails to meet the demand by approximately 200 gallons a day.

Post told the council that the Grade A milk shortage is beyond the control of local producers, and that Twin Falls continued with its high rating after a recent inspection by a federal public health inspector. Twin Falls is still one of the 300 towns in the entire nation which are given a 20 per cent rating for cleanliness and general excellence of milk supply and milk handling. Post asserted, "Only the 2000 towns which have milk ordinances modeled after the U. S. public health standard are considered in this classification, which means that Twin Falls is probably one of the top one per cent among all cities of the nation."

AERIAL GUNNERS WIN SILVER STAR

GENERAL MACARTHUR'S HEADQUARTERS, Australia, Oct. 19—Gunnery Sergeant United States Flying Fortresses who shot down seven of 20 zeros in fierce air battle over New Britain Aug. 7 in support of the American attack on the Solomon Islands were awarded silver stars today by Maj. Gen. George C. Kenney.

They included Sgt. Henry A. Butler, Billings, Mont.

Sgt. Lawrence H. Snow of San Jose, Calif., won a silver star for gallantry over Lae, New Guinea, Rabaul, New Britain, on Aug. 8, when as a member of a flight of fortresses he helped to shoot down five Japanese zeros.

The fortresses had reached their objective and completed their bombing runs when 20 zeros attacked. The citation said "Snow and other gunners with courage and determination beat off the attackers and shot down five of the enemy planes."

Shoe Box Just a Size Comparison; Dont Send Food

A recent postal bulletin demanding a shoe box as the desirable one for Christmas packages coming across, and people took it literally that the postal department now is correcting a wrong impression.

The shoe box was mentioned "solely to indicate the maximum size desirable," says the current bulletin, "and not with the thought that an empty shoe box would be used for such parcels. Pastebord shoe boxes are not strong enough for the purpose, and the public should be cautioned against using anything so fragile for parcels sent by express."

The bulletin also reminded that both the war and navy departments take action against over-crowded packages sent over seas. The reason is that over-crowded packages attract vermin, and sometimes thought, the bulletin points out.

The real reason: Overseas forces are supplied with food. Send something that will be more appreciated.

WAAC Puts No Square Peg in Round Hole, Specialist Finds

In the Army

When the civil service people wrote a rule governing for "ungraded" label, they probably never had any idea that it would mean that Miss Agnes Stronk, left the Twin Falls postoffice to join the WAAC in the army. She is a mother, and she is a mother to the mothers to work on, she will go back into the army, and stay up where she left off in July to become an auxiliary.

Miss Stronk, a junior leader (corresponding to corporal), and a specialist in postal work, is home this week on furlough from Fort Des Moines, Ia., where she received her training and is now stationed. It is less than three months since she left, but she has been so active that she is now, and she admits a big thrill at being able to visit her parents, Mr. and Mrs. M. A. Stronk, and friends.

She's Supervisor
Formerly head of the general delivery department in the Twin Falls postoffice, where her father is postmaster, Miss Stronk's experience in the WAAC is an illustration of how that branch of the service avoids "square pegs in round holes." With a well-rounded experience in civilian postoffice work, Auxiliary Stronk was promptly made supervisor of the mailing section at Fort Des Moines.

"The WAAC has two things in mind in placing auxiliaries in various jobs," she said. "One is to make them as valuable to the corps as possible by utilizing their best abilities, and the other is to keep them happy as a morale factor. Those auxiliaries are asked to do what can do best and what they would like to do. As far as possible they are put to doing the work for which they show a preference."

Junior Leader Stronk unqualifiedly uses "any girl" who is serious in wanting to help the war effort, and sufficiently strong to stand the excitement of the WAAC.

All Walks of Life
"There are girls from every walk of life among the WAACs," she said. "One is to make them as valuable to the corps as possible by utilizing their best abilities, and the other is to keep them happy as a morale factor. Those auxiliaries are asked to do what can do best and what they would like to do. As far as possible they are put to doing the work for which they show a preference."

Junior Leader Stronk unqualifiedly uses "any girl" who is serious in wanting to help the war effort, and sufficiently strong to stand the excitement of the WAAC.

Wife Doubts Crime Trail Of Her Man

CHICAGO, Oct. 20—Jeanette Kadens, a small, thin woman of 27, who told her husband to join the army and then took over the double duty of mother and breadwinner while her man earned a career of crime, says she "didn't believe the things they say about him."

"I can't see him as anything but a dream," she said. "I never knew him as bad as they used to do a thousand good things for me every day. I can't believe these things are true... the whole thing is a nightmare, a dream."

Her husband, Irwin, who had been hunted as one of the nation's most dangerous criminals, in his jail cell explained his criminal behavior.

Assistant State's Attorney Francis McCarthy said Kadens admitted to a kidnapping, two rapes, two attempts at murder, the robberies yielded between \$2,000 and \$10,000, and Kadens told police he had "killed" \$46,000.

"I don't care about anything," said the 32-year-old army deserter whose capture was effected yesterday with dramatic suddenness in a west side hotel room, which he had robbed.

"I don't want to live. I want them to give me the death penalty. If they don't execute me Thursday (his birthday) I still may die on my birthday. If I set a date to commit suicide, I'll do it."

Mrs. Kadens, a defense plant worker, was not allowed to see her husband to whom she was married eight years ago. In an interview she told of his devotion to her and their two small children.

Kadens, who deserted Capt. Grant, Ill., claimed he was struck on the head by an officer, and his wife said, "that blow must have damaged him. I don't think he knows what he's saying or doing. I still believe in him. I want to help him."

Odors are said to affect the memory of a human more than any other factor.

LIQUOR BLAMED FOR ARMS LOSS

BOISE, Oct. 20 (AP)—The Pearl Harbor disaster might have been averted if prohibition had been enforced 77 days before Dec. 7 instead of 77 days after, Mrs. Bebel Blake Day, state W. C. T. U. president, had declared today.

Addressing delegates attending second day sessions of the 56th annual convention of the W. C. T. U., a "drunken army has never won a battle."

As examples she cited the British defeat at Dunkerque, the defeat of

the "morning armada," the Russian defeat of Napoleon, and numerous cases in the United States, and said all were caused by drunkenness.

"The worst subversive propaganda of today is that of the liquor interests," Mrs. Day said. "Nine times out of 10 it is absolutely untrue. Authenticity says there is as much alcohol in the army as there is in the navy."

"The president accused congressmen and senators of being 'cunning cowards' when they passed a law imposing 32 beer was not inebriated."

"I shall allow brewers to Germany America with beer?"

Mrs. Day reported the state membership was the highest in 25 years and had increased one-third over a year.

In an effort to show how the use

of alcohol reduces production needed so much in wartime, she related a story of the sale of beer at the Potlatch, Idaho, lumber mill.

"When the camp opened in 1925 the sale of beer was allowed," she quoted a letter from the company as saying: "The men tried to keep an edge on by drinking beer during working hours. Finally the company was forced to ban the sale of beer."

The Rev. E. L. Ikenberry, Twin Falls, Idaho, recently returned from China, was a principal speaker at a banquet last night.

STRANGLING IN RED CLOTHING
WOODVILLE, 10th, Oct. 20 (AP)—Della Ketter, the six-month-old daughter of Mr. and Mrs. L. Mar V. Ketter, strangled yesterday when she became tangled in her bed clothing, investigating officers said.

New 'Tourist' Idea: Aviator Moves Inland

Possibly the forerunner of a new type of tourist to test the hospitality of Twin Falls, William H. Clayton, Alhambra, Calif., is plying up flying time at the local airport because of wartime restrictions on private flying along the coast.

Clayton owned a sign business in Alhambra where the war began. Faced with the possibility of "induction into the army, and with business commitments not at their best, anyhow, Clayton disposed of

his business, and actually began to go after his commercial pilot's license. He was stymied, however, by the rule prohibiting private flying along the coast.

He went first to an Arizona town to get out of the restriction zone, but found the flying facilities there inadequate. He then came to Twin Falls and now is adding up hours rapidly in the Cessna Cruiser owned by Charles Berder, airport manager and instructor.

"Flying conditions here are swell," said Clayton today. "In addition to the airport being one of the restricted ones, when my friends along the coast hear this place I think they will come flocking."

Guard Against Wartime Constipation

Millions of folks these war days feel as if they are being dragged out, with no kip or pep. And no wonder! Their working, sleeping, and especially their eating habits are all different. Meals are apt to be hurried, improperly balanced—and they neglect the important matter of "bulk" in the diet.

Yet getting enough "bulk" might make all the difference. For lack of it is one of the common causes of constipation. Medicinal laxatives give only temporary relief in such cases; they don't get at the cause.

BUT KELLOGG'S ALL-BRAN corrects this constipation by supplying the needed "bulk"; often brings lasting freedom from the trouble. Eat this crisp, delicious cereal regularly, drink plenty of water and "Join the Regulars." ALL-BRAN is made by Kellogg's in Battle Creek.

Wayne Hawleys, Mrs. Johnson Honored by Boosters at Party

Mr. and Mrs. Wayne Hawley and Mrs. Carl Johnson shared honors at a farewell party Sunday evening, arranged by the U. P. Boosters' club and auxiliary at the home of Mr. and Mrs. John L. Fuller, 444 Third avenue east.

Mrs. Hawley is leaving Twin Falls to take officers' training in chemical warfare, and Mrs. Johnson is going to California to enter war work.

Mrs. Johnson is leaving to join her husband, who has been stationed at Nampa.

Bingo was played, the prizes being musical instruments and Halloween favors.

Mrs. M. P. O'Connell and J. A. Aulbach won high prizes, and Mrs. Frank Kimes and John Fuller, consolation prizes.

Mrs. M. P. O'Connell played piano music, and Mr. O'Connell led the group in the singing of patriotic songs.

Food was served around a Halloween punch board as an added attraction.

To Remember Boys

It was requested that all members contribute to a fund which will be used to buy gifts for the boys in the armed forces.

Mr. H. H. Hays, in behalf of the group, presented gifts to Mrs. Hawley, Mrs. Johnson, and Mr. Fuller, made the presentation to Mrs. Hawley. Committee on arrangements was Mrs. Ben Link and Mrs. Hays.

Red Cross Work To Be Done by Gem State Club

Members of the Gem State Club volunteered to make surgical dressings and do sewing for the Red Cross, when the group met last week at the home of Mrs. W. L. Wolcott.

A dessert luncheon was served, and as a surprise, Mrs. C. E. Stramling and Mrs. Lynn Martin won the war stamp prizes.

Report was made on the USO card party, sponsored by the club, and the purchase of a combination emergency back and sole for the USO recreation center.

Wedding Dinner Piques Crowds

Mr. and Mrs. Ed Crawford entertained at a wedding dinner Sunday in honor of Mr. and Mrs. Homer Crawford, who were married Oct. 18 at Gooding.

Mrs. Crawford was formerly Miss Genevieve Moore, daughter of Mrs. C. L. Lewis, Twin Falls.

A dined wedding cake centered the lace-covered table, and the house was festive with fall foliage and flowers for the occasion.

Navy Mothers to Sponsor Tag Day Here Oct. 27th

In observance of Navy Day, Oct. 27, members of the Navy Mothers' club will sell tags on the streets in the downtown section of Twin Falls. Proceeds will go to the Navy Mothers' relief fund.

The day plans were made when the club met last week at the Y. W. C. A. room. Mrs. Irene Fletcher and Mrs. Fred Richmond were appointed to get a gift for the Y. W. C. A. in appreciation of the fact that the Navy Mothers' club has been privileged to meet in the Y. W. C. A. room.

Those who have promised to donate articles for the second bazaar are asked to bring them to the next meeting.

Mrs. Fletcher and Mrs. Richmond were hostesses. Mrs. Paul Payton, Albany, Ore., was a guest. Her son, Allen Payton, enlisted in the U. S. Navy and is now an electrician in the navy. Mrs. W. D. Gleason, whose son, Junior L. Gleason, has been at Pearl Harbor since the outbreak of the war, was also present. Mrs. J. H. Hays, whose son, Jack, is in the navy, was also present. Mrs. J. H. Hays, whose son, Jack, is in the navy, was also present.

Dressings to Be Made Evenings, Starting Tonight

Surgical dressings for the war department, under the supervision of the Twin Falls chapter, American Red Cross, will be made each Tuesday from 7 to 10 p. m. at the Venetian room, Elks building. Attention to the daily schedule maintained on Tuesday and Wednesday of each week.

This is arranged to enable nurses and professional women and housewives who cannot help during the day, to have a part in this essential wartime production.

At least one business girl of the Beta Gamma club has volunteered to make dressings for the Red Cross, and it is anticipated that other groups will do likewise.

Survey Reveals Poor Nutrition Standards Here

That there is urgent need for better nutritional practices, even in Twin Falls, where there is an abundance of all the essential foods, was revealed by Mrs. Margaret Hill Carter, district home demonstration agent, when she addressed the Falls chapter of the American Red Cross, last week at the Elks building.

In her discussion of "Vitamins for Victory," Mrs. Carter said that her recent survey, 80 per cent of those examined suffered from poor nutrition. She introduced a new game, released to her by the Federal nutrition committee.

We The Women

Maybe you still think of yourself as living in a certain "section" of town or a particular "neighborhood." But you don't have to. You can live in a NEIGHBORHOOD.

And you'll think of it as the people who live around you as NEIGHBORS. In the old-fashioned sense of the word, neighborhood already is being revived among people who had never bothered before to have more than a passing acquaintance.

New Order

Sharing ideas started it. And community aid and precaution activities helped it along.

But the need for neighborhood is going to grow by leaps and bounds, as more and more people leave their families alone to live harder and harder to hire help, and as it becomes more difficult to call in a nurse in time of sickness.

But if you know that when there is sickness in your family, or when there is some other kind of crisis, you'll call on your neighbors, you won't feel so helpless.

Kindness Needed

It won't be hard for people to be kind to their neighbors, though they have been self-sufficient for years. All it takes is a little help and thoughtfulness, and a willingness to put yourself out for someone else.

The real reason that people in large towns and cities have grown away from neighborhood is because they don't seem to be any need for any help for it.

There will be both now—as more people leave their families alone to live harder and harder to hire help, and as it becomes more difficult to call in a nurse in time of sickness.

A foot bath is a fine relaxant and anti-fatigue agent. Plunge the feet into water just as hot as you can bear, before the bath. It is approved by most men.

Maags Rate With Wacks In Assisting Uncle Sam

By THERESA VENTNER

Buhl, Oct. 20.—Miss Lillie Maag, R. N., is adding a bit to her accomplishment of the five Maag sisters, daughters of Emil Maag, Buhl, all of whom are in the nursing profession.

She received her final notice last week to report for nursing duties with the navy at Mare Island, Vallejo, Calif., Nov. 3. She enlisted in the navy June 1, while working at the Veterans' hospital at Fort Lyon, Colo., and received her first notice two weeks ago.

While waiting for her call, she has been doing private and general nursing in the Falls district, from September and October. Miss Maag received her training at St. Anthony's hospital, Buhl, being graduated in 1938.

While attending Buhl high school, she lived in the home of Mr. and Mrs. Henry W. Wacks, and has stayed with them this summer since returning to Buhl.

First of the Maag sisters to enlist was Miss Irene Maag, R. N., who has been a hospital nurse in a hospital unit of the army at Fort Benjamin Harrison since last February. Prior to that time, she was nurse at the office of Dr. J. W. Wurster, Buhl.

Miss Maag, R. N., is nursing in a hospital at Winchester, Nev.

Miss Lorenz Maag is in training at St. Anthony's hospital at Boise. Miss Alice Maag, R. N., is employed at the St. Anthony's hospital, Boise, as a general nurse.

Miss Maag, the youngest sister, is to enter at Buhl high school, and she is already planning to take up nursing studies.

Miss Maag, the father, and his three sons are also making records for the service. Mr. Maag is employed in war work the past year has been working at Los Angeles, Ore.

A son, Warner Maag, enlisted in the navy Sept. 1, and is now in navy construction camp at Camp Randolph, Norfolk, Va.

Miss Maag, Jr., is farming on the Buhl place, and her husband, Benny Maag, was graduated from Buhl high school last spring and is now attending college at Corvallis, Ore.

Gland Meat Is Flavorful and Nutritious, too

MILL BUYING AIDS CLIMB IN WHEAT

CHICAGO, Oct. 20 (AP)—A little mill buying and some increase in professional interest, activated by overnight news developments, spurred an advance in wheat and other grains today.

Wheat started fractionally higher and then rose more than a cent a bushel shortly after the opening. Although demand deminished later, most of the advance was held. Corn moved erratically, starting higher, then dropping below the previous close and finally recovering slightly. Rye and oats displayed a firm undertone in sympathy with the strength in wheat. Soybeans lagged.

Wheat closed $\frac{1}{2}$ - $\frac{3}{4}$ higher, December \$1.24 $\frac{1}{2}$, May \$1.27 $\frac{3}{4}$ -%.

JUDGE PORTER MENTIONED FOR SUPREME COURT VACANCY

GOVERNOR SILENT ON APPOINTMENT

BOISE, Oct. 20 (AP)—Gov. Clark has the power to appoint a successor to Justice McCall, but he has not yet announced his decision.

The question is definitely settled in the case of vacancy upon the death of a justice, but the governor must be filled by the governor, and the appointment runs for the unexpired term, under the constitutional provisions, rather than until the next general election. It necessarily follows that the successor could be elected at the coming election on Nov. 3, 1942, and any name would not fill such vacancy would be void.

GRADE COWS TOP MILK PRODUCERS

Two grade Holsteins and a grade Guernsey were the top producing milk cows in the Gooding-Jermolchik herd improvement association for September, according to a report made by Clarence H. Knutson, supervisor.

The two Holsteins were Jane, owned by Clarence Wells, Gooding, which produced 1,803 pounds of milk and 64 pounds of butterfat, and Spot, owned by R. W. King and sons, Wendell, which yielded 1,644 pounds of milk and 52 pounds of butterfat. The Guernsey was Verma, owned by W. D. Palca, Gooding, which produced 1,231 pounds of milk and 56 pounds of butterfat.

The top producing herd were: Twenty or more cows—31 grade Guernseys, owned by J. L. Dunham, Wendell, with an average of 83 pounds of milk and 24 pounds of butterfat; 28 registered Holsteins, owned by P. D. Massey and son, Gooding, 890 pounds of milk and 22 pounds of butterfat; and 10 to 20 cows—18 grade Holsteins,

ALL BUT ONE OF BUNDISTS GUILTY

NEW YORK, Oct. 20 (AP)—A federal court jury of six men and six women last night convicted 23 of 24 former leaders of the German-American Bund of conspiracy to counsel evasion of the selective service act.

The verdict was returned five hours and 40 minutes after the jury received the case. The former Bundist acquitted was Ferdinand Calton, one-time leader of the South Bend, Ind., unit.

Conviction carries a maximum sentence of five years imprisonment and a \$10,000 fine.

Judge Alfred D. Barkdale will sentence the convicted men Wednesday morning.

The defendants, who throughout the trial had showed little emotion, appeared just as stoic when the verdicts were called out.

Outstanding among the defendants was the Bund's former national leader, Gerhard Wilhelm Kunze, a native of Camden, N. J., and Old Westbury, N. Y., who had been indicted previously in Hartford, Conn.

Gathering of Tin Cans Ordered in 400 Cities of U. S.

WASHINGTON, Oct. 20 (AP)—The war production board today has ordered mandatory collection of tin cans in more than 400 municipalities.

Nationwide collection on a mandatory basis will go into effect when additional shredding and dewatering facilities become available.

The order requires that all trash collection agencies in municipalities over 25,000 population in 15 states must collect and keep segregated all "tinners" cans offered as usual collections.

The states are Connecticut, Delaware, Illinois, Indiana, Kentucky, Michigan, Maryland, Massachusetts, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, Virginia and West Virginia. In addition, the order applies to St. Louis, Mo., and Minneapolis, St. Paul, and Duluth, Minn.

OPA HEAD RAKED BY GRANGE CHIEF

WASHINGTON, Oct. 20 (AP)—The war labor board has reported today that 318,892 man-days were lost in strikes in September, compared with 266,253 man-days lost in August. The September loss was 10 per cent of the total man-days worked.

The number of man-days worked rose from 300,000,000 in August to 322,000,000 in September. The number of men involved in strikes rose from 79,414 to 80,729, while the number of strikes fell from 222 in August to 187 in September.

Proseutur Says Pressure Brought In Actor's Trial

LOS ANGELES, Oct. 20 (AP)—District Attorney John F. Doolittle has declared today that influential people in the movie colony are trying to bring pressure on him to go easy in prosecuting actor Errol Flynn on a rape charge.

"Some people in Hollywood seem to be under a misapprehension as to who is district attorney in this county," Doolittle told reporters.

"They are going to find that this case will be handled in exactly the same manner as any other prosecution of its kind and that pressure will not work with me."

Doolittle authorized issuance of a complaint against Flynn and three studio employees Friday charging them with rape-movie struck Betty Hansen, 17, of Lincoln, Neb. This was after the county grand jury had failed to indict any of the four.

Meanwhile Grand Jury Foreman F. W. Oliver declared he did not believe the testimony justified an indictment, but said the grand jury would review the case when it meets today.

Flynn, who denies his mistress, and his co-defendants will be given a preliminary hearing Friday.

6,000,000 TONS OF SCRAP SEEN

NEW YORK, Oct. 20 (AP)—Returns still pouring in from the newspaper-percentage scrap metal drive which ended in most states Saturday, today had boosted reported collections to 6,000,000 tons with the possibility that figure may be doubled when the total is finally compiled.

The newspaper's metal scrap drive committee believed that when the final compilation is available—perhaps not for several weeks yet—it will show more than 6,000,000 tons of scrap collected in the three-week campaign.

Wyoming, with a collection averaging 104.2 pounds per person and a tonnage of 13,039, headed the 47 states so far reporting to the committee.

Second and third places were held respectively by Pennsylvania, with 90.2 pounds per capita, and 505,000 tons, and Kansas, which had been first for most of the past 10 days, with 97 pounds per person and 372 tons.

TIRE INSPECTION and EXTRA MILEAGE PLAN

Here's what we do

We Will Inspect and Rotate Your Tires from Wheel to Wheel and Help You Get Extra Mileage

First, we inspect each tire, removing glass, rocks and other foreign particles (imbedded in the tread). The tires will then be rotated so each wheel has a wheel to wheel to assure more even wear. This service helps increase tire mileage.

W. M. Jeffers, Rubber Administrator, Urges You to Have Your Tires Inspected Immediately

The rubber on YOUR car is actually more precious than gold. And it is your patriotic duty to conserve your tires now. Don't wait for compulsory tire inspection. Help America conserve rubber by having your tires inspected today at your nearby Firestone Dealer or Firestone Store.

Use Our New Firestone Tire Inspection and Extra Mileage Plan

Firestone Dealers and Firestone Stores are equipped to expertly inspect the tires on your car, to inflate them properly and to switch them from wheel to wheel. In addition, we will apply Firestone Extra Mileage Tire Preservative to your tires and Firestone Extra Mileage Puncture Seal to your tubes. These two new amazing products, developed by Firestone engineers, are designed to help you protect the mileage in your tires. And we will advise you when it is time to have your tires inspected again.

Bar Examination Will Be Held in City in December

BOISE, Oct. 20 (AP)—Members of the board of commissioners of the Idaho state bar have opened a two-day meeting in Boise today to plan for the next bar examinations and appoint committees for the year's work.

The commission set Dec. 21, 22 and 23 as the next date for examinations to practice law in Idaho, and announced the tests will be conducted in Lewiston and Twin Falls, under direction of an examining committee composed of C. W. Thomas, Durley, chairman; Marcus Warr, Lewiston, and Ray A. Paine, Boise.

The board announced that all applicants have been declared eligible to take the tests. They include Howard Ernest Adkins, Shoshone.

George C. Hubbert, Emmett, president of the seventh judicial district bar association, was named chairman of the committee of presidents of local bar associations. Members, all attorneys, include Frank L. Stephans, Twin Falls.

First Lady Will Visit in England, Say Newspapers

LONDON, Oct. 20 (AP)—London newspapers had reported in dispatches from New York and in their local gossip columns today that Mrs. Franklin D. Roosevelt, wife of the President, is coming to Britain today at the invitation of Queen Elizabeth. Authoritative sources did not deny the report, but declined to comment.

Mrs. Roosevelt, when asked about reports of a London trip at a White House press conference last Wednesday, said "I would like to go if I could be useful. I would have to be very sure of that. She indicated such a trip was just another thing that might occur in the future."

The newspaper articles said Mrs. Roosevelt would visit the king and queen with whom she established a warm friendship during the royal visit to America in 1935—would meet with the queen, make trips to American army posts and to war factories and would inspect the organization of the Women's Auxiliary of the RAF, navy and territorial services, respectively.

Cannibals Taught To Salute Officer

AN ADVANCED U. S. BOMBER BASE IN THE SOUTH PACIFIC, Oct. 3 (Delayed)—Life is no picnic for the gunners and maintenance crews of this remote corner of the Pacific. But they have their fun.

One of the fun of the islands here is the game of cannibal. But the enlisted men have them eating out of their hands. They even have induced some of them to wear clothes, to say a few words of English, and to recognize an officer and salute him—in a manner taught by the soldiers.

A favorite trick, says Capt. John Elloit, Santa Cruz, Calif., is to teach the natives to salute the officers and then say, "Go to hell."

Those words might comprise the grinning native's entire English vocabulary.

The officers don't mind. War is like that.

Man Tosses Dozen Tires Into River

PORT JEFFERSON, Ia., Oct. 19 (AP)—The federal grand jury investigating today had filed a charge of sabotage against Edward J. Elliott, 48, Port Jefferson, against a charge in connection with the dumping of 12 usable automobile and truck tires in the river.

The complaint charged that Elliott, president and general manager of a day cleaning company, threw the tires into the river and also slashed a number of inner tubes with a knife until they were beyond repair.

James L. Dalton, special agent in charge of the FBI in Iowa, said Elliott made no statement concerning the act.

We Will Apply Firestone Extra Mileage Tire Preservative

Next, the tread and sidewalls of each tire will be thoroughly treated with Firestone Extra Mileage Tire Preservative. This is an entirely new process that seals the cracks in the rubber and protects against oxidation. This service helps protect tire mileage.
