British Unleash Powerful Attack On Rommel Unit

When Allies Stopped Japs at Milne Bay

CAIRO, Nov. 3 (AP)—The imperial eighth army today engaged Marshal Erwin Rommel's Afrika corps in a tank and infantry battle of growing proportions and drove a deeper wedge into axis positions at the north end of the Alamein line.

CAIRO, Egypt, Nov. 3 (AP)—After cautious probing by his infantry and artillery, Lieut. Gen. B. L. Montgomery has unleashed a considerable portion of his armored forces against those of Marshal Erwin Rommel and the most violent battle of the 12-day old allied campaign has broken out.

The allies have scored an important advance near the center of the El Alamein line, official announcements indicated today.

Heavy fighting also raged in the northern coastal area, where tank and artillery-strengthened infantry had penned a sizable axis force and succeeded in driving it off desperate counter-attacks.

This pocket, formed by Australian and British units, was believed to be about eight miles long, between Tel el Eia and El Eisham, and about 18 miles west of El Alamein.

Today's communique said the new wedge was driven in the axis position south of the center of the line, by infantry early yesterday. It was termed "an important advance," in London dispatches said "with the possibility of a breakthrough."

Possibly indicating that the allied tank forces had swarmed through the axis mine fields and artillery positions, the communique added:

"The British are on a considerable axis developed and continued all day. Heavy fighting continued. London dispatches said 'with the shift of the main weight of the allied attack southward there is a feeling that the breakthrough may happen now that armored units apparently have pushed through Rommel's mine fields and perhaps are loose on the other side.'

Stirring Violence (Axis communique) particularly the Italian, stressed more than did the British the violence of the combat between the sea and the Quaternary depression about 80 miles west of Alexandria.

The Italian communique said an "important battle" was fought in the village of El Hydya, where the British force struck with even greater violence. Enemy losses are heavy, especially in the area in which more than 300 men have been destroyed.

(Then it added significantly: "Our losses are high.")

German broadcast said the British center thrust was "the biggest breakthrough" since the start of the campaign. The Germans said, however, that the British had not broken through the mine fields and that the British were still in the immediate vicinity of El Hydya.

British Navy Guns Fire Behind Lines

ALEXANDRIA, Nov. 3 (AP)—The admiralty reported today that British naval forces have carried out operations behind the fighting lines along the North African coast.

U. S., Australian Troops Advance On Two Islands

United Nations ground forces pushed forward on both the Solomon and New Guinea island fronts today but United States Navy Secretary Frank Knox warned against too great optimism.

Although the Japanese fleet has withdrawn from the Solomon battle zone badly mauled, it is certain to return, Knox said.

He disclosed the sinking of two additional Japanese cruisers and a destroyer by U. S. warships in a battle off Savo islands, in the Solomons, on the night of Oct. 11-12.

Building on the gains he continued to press forward against the Japanese on Guadalcanal, The Americans cleared their lines two miles in some sectors, supported by aerial rifle assault by Flying Fortress heavy bombers and further planes.

On the New Guinea front, Gen. Douglas MacArthur's headquarters reported that Australian troops were pushing on toward the Japanese beachhead clear across the 120-mile-wide Papeete peninsula from Port Moresby, after capturing the enemy's chief island base at Kokoda yesterday.

As the Japanese front advanced, Knox said, the Japanese were pushing on toward the Japanese beachhead clear across the 120-mile-wide Papeete peninsula from Port Moresby, after capturing the enemy's chief island base at Kokoda yesterday.

As the Japanese front advanced, Knox said, the Japanese were pushing on toward the Japanese beachhead clear across the 120-mile-wide Papeete peninsula from Port Moresby, after capturing the enemy's chief island base at Kokoda yesterday.

GERMANS DRIVE SOUTH AS REDS HOLD VOLGA CITY

By HENRY C. CASBIDY

MOSCOW, Nov. 3 (AP)—A German force of 50,000 German and Rumanian mountain infantry, attacking from the east, is pushing today in a narrow sector southeast of Nalchik, but the enemy was reported on the offensive in other parts of that flaming Caucasian battlefield.

Instead of carrying on their previously-favored non-stop offensive tactics, the newspapers said, the Germans now are taking a breasting spell after each assault in order to bring up reinforcements.

The German front amounts to only one-fifth of the whole Russian front, the Red Star pointed out, adding that "even here the Germans have been powerless recently to retain the initiative in all sectors with the result that the attacks are being forced to take the defensive on other fronts."

Dispatches from the Caucasus said the Germans had transferred additional troops to the Caucasus for the Nalchik front by the end of the week, it was said now to number 100,000.

Chinese Foreign Minister T. W. Soong returned home from Washington, telling his first press conference that he believed the United States would be able to bring about a general offensive in the Caucasus and were throwing their full available strength into the comparative local advance below Nalchik.

Take Breathing Spell

Upwards of 30,000,000 war-minded Americans exercise today the right and privilege for which their forebears fought and died a century and a half ago for which their sons and brothers now are fighting and dying again—the right to shape their own government.

In the first wartime election in the United States, cast ballots to determine the political complexion of the new congress starting in January after 40 years of the 46th administration.

The Democratic, holding comfortable majorities in senate and house members of the present government, expected some net losses. But even the Republicans themselves have given them control of the house, where their chances were conceded to be slim.

Control Not Threatened

Democratic control of the senate was not threatened. Republicans claimed all the governorships in the 48 states, including New York and California.

Except for a contest here and there, the election was a foregone conclusion. The Republican figure, local issues predominated in a campaign now not unlike the one which was fought there with that politics.

Ballots in 47 states contained 100 million more than in 1936. In 30 states in the new senate and two 60-day terms in the present house membership of 435 members, and 208 other state offices, exclusive of state legislative posts.

Light Ballot

Voting was expected to be light even for an "off-year" election. With millions in war factories and in the fighting forces, about 60 per cent of those eligible were likely to vote, or some 20,000,000.

General election balloting in Twin Falls city was running considerably behind 1940. The city election survey by the Times-News showed at 1 p. m.

These were the only states voting today, held its election last Sept. 14, choosing a governor, a senator and three house members, all Republicans.

Jap Attacks on U.S. Fortresses Fail in Pacific

HEADQUARTERS OF U. S. FORCES IN THE PACIFIC, Oct. 25 (Delayed AP)—Unable to down a single flying fortress with their massive cannon and cannot in two months of aerial warfare in the Solomon, the Japs are trying to force a technique-bombing the bombers.

Jap zero float (post-entrapment) planes have been flying about 100 feet above the fortresses over Guadalcanal and trying to drop bombs on them. The air, 60 feet, not a bit has been scored, and American gunners, who the Japs have found the zero's target at that distance.

Today's communique said the new wedge was driven in the axis position south of the center of the line, by infantry early yesterday. It was termed "an important advance," in London dispatches said "with the possibility of a breakthrough."

Possibly indicating that the allied tank forces had swarmed through the axis mine fields and artillery positions, the communique added:

Earm-to-Farm Pickup Set in Scrap Holiday

Plans for the scrap round-up in the Twin Falls vicinity on Armistice day were taking definite shape this afternoon with the announcement that trucks and volunteer workers will make farm-to-farm calls in this immediate area to collect scrap metal.

The area in which Twin Falls workers will carry on such a drive will be bounded on the north by Snake river canyon, and on the east by the Shoshone falls road, on the south by the sagebrush, and on the west by the road and south road a mile west of Curry.

Claude Decker, chairman in charge of trucking assignments in this vicinity, notified the salvage committee that 100 trucks already have been volunteered for the Armistice day round-up, and joint committees of the Junior and Senior Chambers of Commerce said approximately 500 volunteer workers would be on hand to assist in the collection.

Meet at City Park

All trucks and workers will meet at the city park at 8:30 a. m. of Armistice day, and from there will start making their systematic collection. They will concentrate their efforts along the outskirts of town where sizable amounts of scrap are available and among the farms of their territory. In Twin Falls proper, the Boy Scouts will again make a house-to-house canvass for metal that may have been overlooked in their previous collections.

At the same time, the city salvage committee will be in charge of the scrap-pick-up in downtown Twin Falls, and will be in charge of the collection. The more scrap metal that can be placed on this pile before Armistice day the better, it has been explained, because it will facilitate trucking by reducing the number of individual calls that would otherwise be necessary. All scrap prices may be increased approximately 10 per cent, and those selling to 15 cents a pound.

Other Towns Busy

While Twin Falls was rounding out its plans for Armistice day, all other towns in the county were busy with similar plans.

WASHINGTON, Nov. 3 (AP)—The office of price administration today raised ceiling prices on cigars, beer and California wine and spirits, to enable sellers to meet higher costs of production and increased federal excise taxes.

The action followed similar increases on cigarettes and other products which went under higher excise levies on Nov. 1, and will become effective immediately. Cigar prices may be increased approximately 20 per cent, with five-centers going to six cents, 10-centers to 12 cents, and those selling for 25 cents to 15 cents a strand.

SEN. LODGE LEADS BOSTON, Nov. 3 (AP)—The first two towns reporting in today's national election—Massachusetts and Essex—gave U. S. Senator Henry Cabot Lodge, Jr. 41,307 votes to 191 for Rep. Joseph E. Carter, his Democratic opponent. Both are normally Republican.

COURT APPROVES Earm-to-Farm Pickup NEW TESTIMONY

CHICAGO, Nov. 3 (AP)—Judge William Campbell today accepted as evidence in the trial of six persons for treasonable aid to the enemy prior to his trial, testimony given by one of the defendants asserting that four of the defendants knew Haupt was a trained Nazi saboteur and had come to the United States by submarine.

The statement was signed by defendant Walter Froehling and was introduced to the federal jury by investigation after Haupt was arrested prior to his trial and electrocuted by one of the defendants asserting that four of the defendants knew Haupt was a trained Nazi saboteur and had come to the United States by submarine.

The government is seeking to prove that Haupt's parents, Mr. and Mrs. Otto Haupt, were in Chicago, Ill., at the time Haupt was arrested and that they had knowledge of his intention to sabotage the American war effort.

Probing statement, which was read to the jury, described the first meeting of young Haupt with his parents and the Froehlings at the latter's home when the saboteur came to Chicago after landing on the Florida beach.

Idaho Spuds and Onions for Army

BOISE, Nov. 3 (AP)—Requests from the government for five million pounds of Idaho potatoes and 200 carloads of onions have been "almost filled," James P. Keene, Jr., agricultural marketing administration supervisor in Boise, said today.

Keene said Idaho potato dealers and farmers were asked to wire purchase offers to the Salt Lake office by today. A number of telegrams have reached that headquarters since the request was made.

The Idaho potato yield is estimated at 20,200,000 bushels this year, about 20 per cent over last year's Russian.

Balloting Slow as Idahoans Vote in General Elections

BOISE, Nov. 3 (AP)—Early morning voting was slow in Idaho precincts today, with indications up to 10 a. m. pointing to a vote lighter than in the general elections of two years ago and four years ago, more than in the August primary.

An Annapolis Press survey of the situation in Idaho precincts and their surrounding areas revealed a general backwardness in reporting.

In Boise, precinct officials reported variously: "Concentration of voters in the precincts, not so many as in the past," and "a little ahead of the August primary." In Ada county, the tally was 100 per cent.

HURLEY IN MOSCOW MOSCOW, Nov. 3 (AP)—Gen. Patrick J. Hurley, United States Minister to New Zealand, arrived here today. He flew here from Africa and reached this capital after stops at Tehran and Kabul.

Do You Know Where There's Any Scrap Metal?

Your assistance will be a real help in rounding up scrap metal in Twin Falls county on Armistice day. Scores of trucks will be available and we must find iron and steel that appears to have been overlooked. Fill out this blank and mail it to the Times-News at once. Give location, description and approximate amount.

I wish to report the location of the following scrap:

My Name _____ Address, Phone _____

YOUTH EXECUTED FOR TREASON

LONDON, Nov. 3 (AP)—Duncan Alexander Scott-Ford, a British subject who was executed last week in Wandsworth prison for treason, the home office announced.

Scott-Ford was a 21-year-old British merchant seaman who was made recalcitrant while in England and Lisbon, Portugal.

In Lisbon, the announcement said he was approached by a German agent and for payment of \$75 agreed to supply secret information concerning the British and French movements of convoys between Lisbon and Britain, weather conditions and aircraft positions. He also promised additional data, the home office said.

After his arrest Scott-Ford admitted associating with German spies and making notes at the request of the German agent. The home office said. He also admitted that he "looted public houses, mixing with fellow scoundrels and members of the services in order to pump them for information in their possession." It was said.

He was convicted Oct. 16 at a secret trial and did not appeal the death sentence.

Scott-Ford was the third British subject to be convicted and hanged and executed during the war. His enemy agents have been executed.

Building Permits Get Council O. K.

Approval of five building permits Monday night constituted the major business of one of the shortest sessions of the city council in recent weeks.

Applicants were:

Verner E. Larson, 527 Third avenue, remodeling house, \$100.

Marvin Bond, 101 Ramgar, new garage, \$45.

Frank H. Murdock, new driveway, 1924 1/2, \$100.

Tom Eickoff, 754 Second avenue, remodeling house, \$70.

A. J. Young, 1815 1/2 frame addition to house, \$200.

The councilmen voted to purchase \$200 worth of steel. This will be used in construction of the proposed steel block, if permitted. The new construction is granted by the war production board. Otherwise it will be put to some other use.

Monthly reports showed \$1245 cash and \$1000 in municipal bonds and \$247.50 collected by the city manager, during October.

War Bond Sales Over Top Again

WASHINGTON, Nov. 3 (AP)—War bond sales during October totaled \$41,553,000, exceeding the national goal of \$35,000,000.

Secretary Morgenthau had announced Tuesday the second consecutive month in which the quota was passed.

The monthly totals were below those of July and September. Due to variations in seasonal income and other factors.

—based on a \$12,000,000,000 annual mark—have varied from month to month.

DECLO

Miss Erna Kelsey returned from Springfield, Utah, where she visited at the home of her grandmother.

Billie Wells, six-year-old daughter of Mr. and Mrs. Frank Wells, was released from the Cottage hospital where she underwent a major operation.

Mr. and Mrs. George D. Ward, and Mr. and Mrs. William H. Hunsper spent two days at the Logan temple.

Mr. and Mrs. Carl Osterhout returned to Acquia where they are without in principal of the school. They had spent several vacation on their farm at Acquia.

Mr. and Mrs. Bill Tappan left for Ogden where they will visit a few days before going on to their home at Encampment, Wyo. They visited in Ogden and Burley the past few days.

Miss Cordie Manning, who teaches at Weber, was a guest at the home of her parents, Mr. and Mrs. Frank Manning.

Lieut. Clinton D. Morgan, son of Mr. and Mrs. William C. Morgan, has finished the U. S. army maneuvers in Tennessee and is now being transferred from Fort Leavenworth, Mo., to California. He expects a further assignment soon. Mrs. Morgan is here waiting his parents.

Mrs. Lucinda Olsen has returned to Ogden after visiting her daughter, Mrs. Harold Anderson, Declo, and Mrs. Ren Darrington, Elba.

Miss Dorothy Lewis and her husband home from a visit with her grandmother at Payson, Utah.

Blaise Curtis and sons returned home from Salt Lake City where they visited her mother.

Mrs. James Darrington returned recently from a month's visit with her parents in Marshalltown, Ia.

Jack Stevens and daughter Betty, have returned from Salt Lake City.

HOILD EVERYTHING

It is always a pleasure to write the generous action of a Grange, but the members of Grange have set an splendid example of cooperation in voting \$2 to help the Fairview Grange. The Grange in putting on the fifth degree at the State Grange session, Twin Falls, they also went to help out with pies at the T. T. ladies talk, where Fairview Grange contributed. And the new members to help out with their team cooking. All on behalf of Fairview Grange. I wish to express our appreciation and thanks for this generous action.

A small turnout is reported at the last meeting. Aside from the action of the members, they had interesting discussion on current topics. A short program was followed by lunch, the subject being furnished by Miss Cobbitt, the usual social hour following.

One of the most interesting meetings of the year was held at the Grange hall with Grange leader E. T. Taylor reporting on the recent attempt of farmers of the United States to secure the cooperation of the government, or even its sanction. In the program to make synthetic rubber from surplus wheat and grains. This is one of the major scandals of the war effort in our country. With the boys in the Pacific waiting for planes, the farmers

Man Pays for Right to Criticize Scrap Drive Response

H. H. Soper, proprietor of Soper's Service, won the right to criticize the scrap drive response all he wants to by throwing approximately eight tons on the USO pile in front of the Twin Falls Bank and Trust building, and then posting the money for \$50 worth of war bonds as prizes.

Critic Blasts Scrap Response, Then Proves He Isn't Fooling

If H. Soper is downright indignant, about \$55.00 worth. He is indignant at the county scrap drive response and is vigorously critical of the slow way the scrap metal pile is growing in downtown Twin Falls.

Soper recently returned from a hunting trip into Montana. There, he says, he saw tons of "fracture" of the size of Twin Falls, with the scrap metal pile gathered in communities much less thickly settled than this.

His first act upon returning was to load eight tons of scrap iron on a truck and dump it on the \$250 pile in front of the Twin Falls Bank and Trust company on Main avenue. Then he came to the Times-News office and planked down the money to buy two \$25 war bonds. His scrap iron contribution would be conservatively valued at \$48.

"In a first of seeing people throw their scrap metal into the pile and acting as though they were giving their life savings," he declared, "I'd like to see that pile grow. I'll give a \$25 war bond to the person who puts the largest load of scrap on that pile by Nov. 11, and another \$25 bond to the one with the next largest load."

"Towns like Hamilton, Mont., and Salmon City, Mont., are junking this scrap metal in the collection bins," Soper said. "Take a look around your neighbor's back yard if you think there isn't a lot of scrap yet to come in. I could get more than they're getting now by sending out a couple of boys with a cleared wagon, and they wouldn't have to go six blocks from home."

"We'd better give our scrap now," declared Soper, pointing the counter with his fist, "to keep from having to give our lives later."

Grange Gleanings

DEEP CREEK
Deep Creek Grange met at the R. A. McDonald home with a fair attendance. The wife and writer were visitors as we only live a half mile from these good folks. A picnic was held at the home of the hostess. The food served proved very heartening and some wonderful suggestions were given. "Why don't we do this more often?" was the suggestion. The hostess agreed to serve lunch at the R. D. Neyman home.

Mr. and Mrs. Howard Darrow were elected as representatives to the State Grange session, Twin Falls, Dec. 1-3. The next meeting will be at the McCreae home, Nov. 12. Several live discussions were given by the members and it was brought out that the cooperatively operated Idaho Grange has over 400 members. Mr. Hoover and Mr. Loan, the former in-to blame members of the Grange. Henderson might do a little investigating on the gap between the farm price and the price the farmer gets for his product.

Pumpkin pie and cookies were served. I must mention the coffee, for the days of this defect are numbered. One cup a day, noon. One cup of coffee, but one cup of whisky at the house.

CEDAR DRAW
It is always a pleasure to write the generous action of a Grange, but the members of Grange have set an splendid example of cooperation in voting \$2 to help the Fairview Grange. The Grange in putting on the fifth degree at the State Grange session, Twin Falls, they also went to help out with pies at the T. T. ladies talk, where Fairview Grange contributed. And the new members to help out with their team cooking. All on behalf of Fairview Grange. I wish to express our appreciation and thanks for this generous action.

to stimulate the scrap campaign. He is shown at the left in the photo above, helping to throw off one of the loads. Others in the picture are G. R. Greenley, center, and George McGinnis, right, who were employed by Soper to help express his indignation at how slow the pile was growing. (Staff Photo-Engraving)

FIVE SPEAKERS AT OFFICER 'SCHOOL'

Five speakers will be on the program of the FBI conference for Pacific Valley law enforcement officers, scheduled for Nov. 10 in Twin Falls, according to word released today by Kenneth Logan, special agent in charge of the Butte office.

The Twin Falls session, opening at 11 a. m. Nov. 10, will be held at the Idaho Power company auditorium.

Speakers here will include Special Agent Louis Vincent Gray, special agent; Butte, Howard Gillette, Twin Falls police chief; Clarence Phillips, chief of police at Burley; and J. Mullen, managing editor of the Times-News.

Logan said the conferences are a continuation of a program initiated by the FBI in 1936 to coordinate the FBI and local officers in their investigations of subversive activities and the protection of the internal security of the country. The conferences serve as a medium through which the FBI and local officers are kept up to date on the latest regulations covering the activities of alien registrants and in the active training and service act, and for the discussion of local law enforcement problems of mutual interest.

Approximately 350 of these conferences are held every three months throughout the United States, with an average attendance of more than 2000 police officers, detectives and their subordinate officers. The attendance is restricted to local, state and county law enforcement officials and their subordinate officers.

Mystery Circus Comes Saturday

A big "indoor circus of mystery" will be presented at the high school auditorium at 9 p. m. Saturday, Nov. 7, under the auspices of the Twin Falls Junior Chamber of Commerce.

The troupe is headed by Viscount International jugglers and illusionists, and Julie, "the sweet heart of magic," who will present a full evening show filled with mystic acts and illusions.

Several unusual acts of scenery, music and lighting effects are used in this mystery spectacle.

This company recently gave 25 consecutive performances at the \$5,000,000 Fox theater in San Francisco," said Russ Thomas, Joyce Koonce, manager of the troupe. "The show will be seen here in Twin Falls Saturday."

Two Men Killed In Pistol Fight

LONG BEACH, Calif., Nov. 3 (AP)—A handout and a tenant were shot and killed and the latter's wife critically wounded yesterday in an assassination attempt by a gunman.

Detective Lieut. S. T. Vignaroli said the handout, Joseph J. Davis, 62, shot himself after killing John Leary, 76, and wounding Mrs. Lily Leary, 72.

HEYBURN

Mr. and Mrs. Frank Hermannson and family of Gardena, Calif., are visiting in Idaho Falls, with Mr. and Mrs. Louis Connor.

Mrs. William Lott and her brother, Harold Lott, who have been visiting in Idaho Falls, stopped over to visit at the O. C. Lott home. They were on the way to their home in Ontario, Ore.

Barbara Bower is visiting at the home of Mrs. E. H. Brown in Parma this week.

Mr. and Mrs. Chas. Holsten, Mr. and Mrs. E. H. Miller, Mr. and Mrs. Harold Hines, Grace, Mr. and Mrs. Henry Mauer, Hattie, and Mrs. E. H. Miller, Boise, are visiting at the A. V. Miller home.

4 Nazis Escape From U.S. Camp

DALLAS, Tex., Nov. 3 (AP)—Dallas police have been asked by federal agents to aid in the search for four German prisoners who escaped Monday in an airman camp in New Mexico.

Names of the escapees, as furnished by the FBI, are Bruno Bado, Willy Michel, Hermann Rime and Julius Grunz.

MAN HELD AFTER FAMILY'S DEATH

CHATSWOORTH, Ga., Nov. 3 (AP)—Mark Pullman, a farmer, who told police "I thought no man of my family as any such," was held for questioning today in connection with the deaths of his wife and five of their children ranging in age from three to 11, were found dead in the charred ruins of their farm home.

Morrison said that Pullman had been transferred to another jail but he believes reports that people might try to lynch him.

The victims apparently were killed when they slept, according to Morrison, who reported that bloodstains were found beneath Mrs. Pullman, her knife and shotgun were found in one bed.

The charred bodies of the children were identified as Alva Jean H. Katherine, 8; Martha, 6; and Wayne and Worth, 4-year-old twin boys, the sheriff said.

Morrison said a coroner's jury charged Pullman with murder.

He is the eldest child of the family, who spent Sunday night with grandparents, escaped death. It was believed there was a sixth child also but was unaccounted for, but Morrison said, "We don't know anything about that yet."

5 Indicted for Fraud After Vision of Mountain of Gold

HALT LAKE CITY, Nov. 3 (AP)—Five men in an alleged mountain of gold, which was revealed through a vision and represented as being worth \$75,000 on a \$100 investment, today had fraudulently induced five persons to be fraud by a federal grand jury.

The mountain of gold allegedly existed in Putnam county, Utah, and members of the National Church of Positive Christianity, were among those duped, the indictment held.

A grand jury of Salt Lake City, who held the office of Utah securities commissioner at the time the fraud was being perpetrated.

Patrick T. Henry, Maryvale, Utah, who, the grand jury said, had a vision of a mountain of gold development companies incorporated at a million dollars each to carry on the fraud.

Louis C. DeLaine and Danny DeLaine, both of Wilmington, Del., were charged with acting as sales manager and assistant sales manager, respectively, for the company.

William Estep, Chicago, self-titled professor and founder and leader of the National Church of Positive Christianity, who spread the story of the vision and the mountain of gold before his congregation in Chicago and followers in other cities.

Specifically, the indictment charged the five men with devising a scheme and artifice to defraud and for obtaining money and property by means of false and fraudulent promises from 73 listed persons, all of whom were named in the indictment, and other unknown persons, all in connection with the promotion of alleged gold mining properties.

Last Rites for Charles Holsten

HEYBURN, Nov. 3—Funeral services for Charles J. Holsten were held at the L. D. S. church with Rev. A. H. Parrett, Rupert, and Bishop Holsten, Heyburn, the principal speakers.

Opening prayer was by Joseph Jenks, the officiant was read by Bishop Holsten and the sermon was preached by Rev. Parrett. Closing prayer was by William Christensen.

Active pallbearers were Kim Morrison, Horve Walsh, Oscar Hill, Parley Crall, Levi McDavid and Mike Graber. Honorary pallbearers were members of the home guard.

Burial was in the Riverside cemetery.

Reason for Offer

The congregation was told that Henry was making this offer because of the change in school hours and business houses may change their opening schedule to conform with school hours.

Albion Normal has furnished more than 100 students to work in the harvest. Last week there were 99 women students and 23 men students from the Normal school in the harvest fields near Declo. Buses were used to take them to and from school.

George Scholer, president of Chamber of Commerce, and W. P. Robertson, president of Burley Merchants association, have been advised of the change in school hours and business houses may change their opening schedule to conform with school hours.

Burley Schools Reopened After Month Vacation

BURLEY, Nov. 3—Burley schools reopened Monday morning after a month's vacation. Daily opening time is one hour later than before the vacation.

Pupils will arrive for early classes at 8 a. m., and regular classes at 9 a. m. The lunch hour will be at 1 p. m. instead of 12, and school will close at 3 p. m.

Hundreds of students and teachers assisted with the harvesting of sugar beets and potatoes in Canada county and the decision to remain in the harvest fields near Declo. Buses were used to take them to and from school.

George Scholer, president of Chamber of Commerce, and W. P. Robertson, president of Burley Merchants association, have been advised of the change in school hours and business houses may change their opening schedule to conform with school hours.

BOILDS OR TAXES

We are going to win the war with:

MEN—Our men in the armed forces are doing their job.

MINUTES—Let us make every minute work for victory.

MONEY—Our Government must have more money.

MUNITIONS—Production miracles are being performed by American Industry.

MORALE—The morale in the armed forces and on the home front is excellent.

SOCIAL EVENTS and CLUB NEWS

Ashenbrenner-Johnston Wedding Performed Oct. 30 at Phoenix

Dr. and Mrs. J. Frank Johnston today announced the marriage of their daughter, Miss Marjorie Mae Johnston, Twin Falls, to Lieut. Harold C. Ashenbrenner, William's field, Chandler, Ariz., Oct. 30. He is the son of Mr. and Mrs. Joseph Ashenbrenner, Nampa. Vows were pledged at St. Francis Xavier church, Father M. McManahan officiating. Following the ceremony, a wedding dinner was served at the Corinthian hotel for members of the bridal party and the bride's mother, who returned Sunday to Twin Falls.

If Letters Like These Can Only Reach Them

A church sends Christmas greetings to its young men and young women in military service—many in foreign places—with the hope and prayer that the messages will reach their destination. And another community project is worthy of special mention.

Sunday's Presbyterian church bulletin carried a special page of greetings, with the request that parents forward at once copies of the bulletin so that they will arrive in time for Christmas. It is not permissible to publish a mailing list, so this request was made.

Messages from a father, infant and minister, sent in the name of the whole congregation, were as follows:

FROM A FATHER—Frank L. Stephan (Father of Capt. Robert W. Stephan, with the United States marines, in the Philippines in the Pacific).

To you, in the mid-air, the army, the navy and the air corps: To you, whose lot is to defend and carry forward the fight for America and human freedom; to you, wherever you may be, alert in your thinking and fighting, and in your fighting; I extend Yuletide greetings, and on this occasion it is my wish and prayer that this cruel war may soon end with you victorious; with right and liberty triumphant over evil and wrong.

In your valorous work in this titanic war you are reaffirming your devotion to country, to our glorious flag and to the immortal principles of liberty, equality and justice which have made the United States unrivaled among the nations of the world.

Your heroic services will ever be prized by a grateful country and upon your return at the close of this war you will be a whole nation's hero and a national, God-embodied, God-fearing man. I extend Christmas greetings.

FROM A MOTHER—Mrs. Ethel Gray (Mother of Capt. Roy B. Gray, United States army, reported "missing in action" Christmas after the fall of Corregidor).

A mother sends Christmas greetings to our dear boys scattered over the earth globe. Christmas again and how we wish you were all here. We are very proud of you and want you to know that you are constantly in our thoughts and prayers.

I know you are concerned about mother. Be assured she is taking it with "chin up" and is determined to match your courage and bravery. She wants to be well and strong when her boy comes home, for whom she could make any favorite food or cake.

This Christmas, "service" stars will gleam in our windows for you, Red candles glow, lit by loving hands. May the gleam of your candle reach you wherever you are. It stands for your mother's love and devotion. God bless and keep you and send you safely back to us before another Christmas day.

FROM A FRIEND—Miss Dorothy Call (Teacher of many of the boys and girls who are now in the armed forces, by coming in).

To our boys, everywhere—Christmas greetings!

I say "out boys" because the bonds of friendship bind us as well as the ties of home. You may remember to ask at classmates, neighbors, teachers, friends, relatives and friends to help you to write the pattern of your life before you went away. Sincerely now we are hoping that you will think of us, our faith in you, and our prayers for you may serve, somehow, as a field and ladder in your time.

Our chins are up, lads, and we wish you all a Merry Christmas! (Remember when you used to laugh at "you-all-ah"? We'll have a good time in honor of your coming home. We'll know that you come what may. Life has been richer because of our friendship with you. I am proud to sign myself, your friend.

FROM THE MINISTER—Dr. G. W. Clark (Wise counselor and friend, officiating clergyman at the marriages of young men and women in the past year).

Our whole church family shares messages of love and good-will to you all. We wonder where you are and how you fare. Your courage, your loyalty and your faith touching the purpose of this conflict to make the nations free increase our love and our prayers for you. Our hearts are with you in daily prayer, in deep love and affection.

"The Lord preserve thy going out; The Lord preserve thy coming in."

God send His angels "round about to keep thy soul from every sin."

And when thy going out is done, and when thy coming in is over—

When in death's darkness, all alone, thy feet can come to rest—

"The Lord preserve thy going out from this dark world of grief and sin."

White angelic "round about, sing, God preserve thy coming in."

Wouldn't it be wonderful if everyone in the armed forces could receive a message like that this Christmas? Why don't you write what's really in your heart to someone in service TODAY?

U. of I. Graduate

Lieut. and Mrs. Ashenbrenner are graduates of the University of Idaho. The bride is a member of Gamma Phi Beta sorority and the groom is affiliated with Delta Chi fraternity. He was prominent in football both as a player and coach before joining the armed forces.

The bride wore an Australian green and white dress with a white and brown accessories, and an orchid and bougainvillea corsage.

As a token of gratitude, she carried a white handkerchief with her name and address written on it, which had also been carried by her grandmother and her mother at their weddings.

Matron of Honor

Mrs. James Day, matron of honor, wore a black dressmaker suit with white accessories, and a corsage of gardenias and roses.

Mrs. Johnston, the bride's mother, wore a gold beaded green crepe afternoon dress with black accessories, and her flowers were gardenias.

Lieut. James Day was best man for Lieut. Ashenbrenner.

The altar was banked with baskets of white gladioli.

Lieut. and Mrs. Ashenbrenner are at home at 928 East Culver street, Phoenix, Ariz.

Courtesies Fete Theodosia Coxen

More than 20 guests met in the lounge of the Elks club, Saturday evening to offer good wishes and happy birthdays to Mrs. Theodosia Coxen, whose 45th birthday celebration was Nov. 1.

Halloween decorations and the traditional "apple" and "doughnut" linked the evening with the holiday spirit, and the evening was spent in song, conversation and games.

Among the guests were a half-dozen or more who have passed the three score and ten mark.

Mrs. C. H. Perry, 1241 Eleventh avenue east entertained at dinner Sunday in honor of Mrs. Coxen. The table was centered with a pink and white birthday cake.

Edna Roberts to Become Bride of Kenneth Scott

GOODING, Nov. 3.—The engagement of Miss Edna Lucyle Roberts, daughter of Mr. and Mrs. J. H. Roberts, to Kenneth Scott, was announced at a dinner party at the Alpha Phi house in Moscow Oct. 16. Miss Margie Hamilton was hostess for the announcement party.

News of the coming marriage was made known through scrolls tied with red, white and blue ribbon. The engagement news was presented at the honor given in a corsage. The wedding will be early in November.

Miss Roberts attended the University of Idaho for two years following her graduation from Gooding high school. She is now employed in the farm security administration in Moscow. She will return to her home in Gooding prior to the wedding date.

Mr. Scott is in the medical division of the army air corps, and is stationed at Camp Roberts. His wife was called into service during his senior year at the university. His home is at Lewiston, Ida.

Mrs. Charles Carter, Moscow, aunt of the bride-elect, was a special guest at the announcement party.

Pheasant Dinner For Lodge Group

GOODING, Nov. 3.—Annual pheasant and dinner for members and guests of the I. O. O. F. and Rebekah lodge organizations was held following the regular meeting of the two lodges last week with approximately 30 in attendance.

Following dinner, a program, which included recitation and songs was presented, and William Hart spoke. The Blue children played and sang, with quite an accompaniment.

AMUSING GIFT

If you're looking for an amusing, yet practical gift for a man, consider shaving soap in a funny shaving bowl that looks for all the world like a shaving brush. The soap itself is a mild, good-lathering type, with a clean, outdoor scent that is very pleasing to masculine noses. The shaving bowl is almost as ducklike as a live duck, made of gleamed pottery, covered in green. Soap retails can be purchased.

Gail Ward Bride At Home Nuptial

Miss Gail Ward, daughter of Judge and Mrs. Lawrence Ward, married Mr. and Mrs. Karl Dahmer, son of J. H. Val, also of Kimberly, were the bride and groom at the home of the bride's parents.

Rev. E. B. Travis, pastor of the First Presbyterian church of the Nazarenes, officiated.

Mrs. and Mrs. Albert Hills were attendants. Mrs. Hills is a cousin of the bride.

For her wedding the bride wore a green-gold suit with an orchid corsage.

After a brief wedding trip to Boise the couple is now living temporarily at the home of the bride's parents.

Miss Gail Ward was a graduate of Kimberly high school and Northwest Nazarene college, Nampa, and is a member of the Baccus Produce company.

Mrs. Dahmer, who has been engaged to be married to Mr. Hills, will soon be inducted into the United States army.

That she ever has held down. It is hard work. It would have been easier for her to go on making a full time job of her housework, filling in the gaps with a part-time job. But she decided to tackle a real job. At her age, that took courage.

Since the navy will be needed for bravery, and since there are thousands of mothers in the country who have no one to care for their children—this column is just going to say, "Nice going, Mrs. Jones."

Ernest Clark left recently for Boise to take his physical examination for entrance into the navy. He has enlisted as an aviation mechanic. He was accompanied to Twin Falls by Mrs. W. D. Clark, Bernice Clark and Glenn Clark.

Mr. and Mrs. Charles Wickie have moved to Burley to make their home there temporarily while Mr. Wickie is employed in the sugar factory. Bonita Powell, who was recently employed in the apple orchards at the Caribou hospital in Soda Springs, has returned. She was accompanied by her sister, Mrs. Powell.

Henry Peterson, who conducted

Feminine Vote May Determine Election

WASHINGTON, Nov. 3.—(AP)—The feminine hand that now wields a firm opinion may cast the deciding ballot in this week's election, political experts tonight predicted on estimates that women will compose 50 to 62 per cent of the electorate.

But though the petticoat—or rather, the slacks vote could well be decisive at the polls, there are fewer women candidates for congress and major state offices on the 1942 tickets than in the past two general elections.

This year there are but 68 women candidates in the national and state picture, including three for the senate, 23 for the house of representatives, two for governor and 35 for other state offices. This compares with 83 to 1940 and 92 in 1938, the last off-year election.

At the women's division of the Republican headquarters it was said that women hold the balance of voting power in greater New York, Boston and in the state of Illinois. In the latter it is estimated that women will account for about 62 per cent of the vote.

Miss Lorena Hickok, executive secretary of the Democratic women's division, said that granting general suffrage to women in the war effort, "women are more interested than men in the election."

Lillian Mueller And D. Milliken Exchange Vows

BURLEY, Nov. 3.—Of interest to Burley residents is the announcement by Mr. and Mrs. Paul Mueller of the marriage of their daughter, Miss Lillian Mueller, Oct. 9, to Don Milliken, son of Mr. and Mrs. James F. Milliken, Ontario, Calif., the ceremony taking place at Santa Barbara, Calif.

The wedding took place in the first Presbyterian church in Burley. Mr. Babitt officiating. The bride was given in marriage by her brother, Charles Mueller, U. S. Army, and was attended by her mother, Evelyn.

For her wedding, the bride chose an afternoon dress of dusty rose tulle, with which she wore cherry colored accessories, a dark green halo hat and a corsage of orchids.

The bride graduated from Burley high school and the University of Idaho, taking special work at the University of Washington, Seattle. She returned a few years ago from Europe, where she visited relatives in Switzerland.

Mr. and Mrs. Milliken are making their home in North Hollywood, Calif. Mr. Milliken is employed by Lockheed aircraft company.

Smith and Wilson Rites Performed

L. C. Smith and Lillian Wilson were married Sunday, Nov. 1, by Rev. Charles C. Cronberger at the Christian church parsonage.

The couple was attended by Mrs. Ivan title and Robert E. Morse. Immediate relatives were present. A wedding dinner was served in the evening.

After a wedding trip to California, the bride and groom will be at home at 1203 Fifth avenue east.

Authoritative reasons for bread's importance

No. 5

"Bakers who are providing the people of the United States with enriched white bread are making a most notable contribution to our war effort. This 'nutritionally modernized' type of wholesome bread, with its valuable vitamins, minerals, food energy, and other essential nutrients, helps to raise the level of our national health. When all the white bread produced by American bakers is enriched, as all of it should be, the baking industry will stand in the forefront of the patriotic industries of this country."—James A. Tobey, Dr. P. H. L. D., Director of Nutrition, American Institute of Baking.

A Notable Contribution to Our Nation's War Effort

Taking Dr. James A. Tobey as his word, the bakers of BUTTER-KRUST Bread are making a notable contribution to our war effort, because BUTTER-KRUST Bread is enriched with those valuable vitamins, minerals, food energy, and other essential nutrients which he mentions. Always quick to accept every new scientific development for a better product, the bakers of BUTTER-KRUST Bread were among the first in the inter-mountain west to afford users the advantages of enriched white bread.

20 Players Drafted By 11 Big Loop Clubs

By DAVE HOFF
CHICAGO, Nov. 2 (AP)—Eleven major league baseball teams today selected 20 players from 100 college players as they selected 20 men for the draft list.

PUNTS and PASSES

GAINESVILLE, Fla., Nov. 3 (AP)—Football Coach Tom Lieb of the University of Georgia called a military service course which college football should be carried on in.

Atlanta, Nov. 3 (AP)

The football team in the Georgia-Idaho game here Saturday will go to the mother of Tommy Will, former University of Georgia center, who was killed in action last week while flying a bomber in north Africa.

ATHENS, Nov. 3 (AP)

Ohio university's football team played with the Bobcats against Miami Saturday, despite a broken left hand sustained in a cut, and scored two touchdowns. Today, his right hand is in a cast; he broke it in the game.

HUNT DRAWING

BOISE, Nov. 3 (AP)—The state fish and game department on Thursday held a drawing to award 100 permits to participate in the last big game hunt of the year—in the Pocono Mountains.

STEELPIECE WINNER

BALTIMORE, Nov. 3 (AP)—Rick Miller, 21, of the Baltimore Colts, won the \$2,000 Steelpiece Handicap, feature of the race program at Pimlico.

The Sports Round-up

By HUGH FULLERTON, Jr.
NEW YORK, Nov. 3 (AP)—You don't hear so much about the "T" cartoon as a cure for the cold, but it troubles this season, but the Shuonitz-Holms system still is giving good results to many who try it.

Whirly Tackles Tough Riverland

BALTIMORE, Nov. 3 (AP)—Whirly tackled the job that was tough for him last Saturday, defeating the mighty Riverland, who came up from nowhere to beat the Redskins.

\$503,278 SPENT BY DEMO CHIEFS

WASHINGTON, Nov. 3 (AP)—Reports filed with the house of representatives today by the Democratic national committee show that \$503,278 was spent during the campaign for the national committee apert 11/10/20/21 during the same period.

The Democratic committee said \$110,236.41 of its disbursements were for obligations incurred before Jan. 1, 1944.

Receipts of the Democratic committee since July 1, 1943, from the election, amounted to \$28,260.30, while the Republican committee received \$23,103.15.

The Democratic committee said that on Oct. 29 its unpaid obligations amounted to \$29,274. The balance on hand was \$23,127.22 and it had loans receivable of \$1,500.

Eight Churches Represented at Gooding Meeting

GOODING, Nov. 3.—Representatives from eight churches of the Gooding Central association attended the missionary rally held here today. Business and program sessions were conducted in the morning and a fellowship luncheon was given at noon.

Mrs. W. L. Kyle, Buhl, president, presided. Principal speakers were Rev. Augustus J. Peterson, pastor of the Lutheran church, and Rev. C. H. Northrop, Gooding.

DIES IN MUD

GREEN RIVER, Nov. 3 (AP)—A railroad section hand was found dead in the deep mud of a swamp, Sheriff M. J. Dankowski had reported today.

GOODING

Mrs. Willard Ahaworth and Mrs. Maxwell were hostesses at the luncheon honoring Mrs. E. H. Moreland at the Lincoln cafe, Mrs. Moreland is leaving Gooding for the east to make her home.

Members of the Junior World War Veterans are progressing for the kindergarten being sponsored by the AAUW branch here.

Mrs. J. H. Melton, Mrs. Vera Melton and children and Mr. and Mrs. C. L. Melton and daughter, who were in Twin Falls, were guests at the Omer Melton home here last week.

Mrs. Rose Mayes, Kellogg, vice-chairman of the Republican state central committee, was in Gooding this week conferring with committee leaders of the party.

Mrs. Marjorie Bryant, a member of the WAAC, visited at the home of her sister, Mrs. Fred Locke, and her brother, H. C. Bryant, this week from Gooding to Twin Falls.

Mrs. Dorothy Neal Stephens, Boise, district home demonstration agent, spent several days in the Gooding vicinity. She attended the Women's Home Service club meeting and the Homeowners' club and the Twentieth Century club in Gooding.

Mrs. Robert Cronwell and daughter, Betty, arrived in Gooding Sunday after visiting with her mother there. They are returning to Seattle.

Mrs. and Mrs. Stanley Shupe, accompanied by Mrs. Ed Nelson, visited in Meridian last week at the home of Mrs. Nelson's daughter, Mrs. Helen Clark.

Mrs. and Mrs. Blaine Coon and children, Betty and Ed, were accompanied by Mrs. Coon's father, R. A. Pickens, all of Rupert, visited last Sunday at the Fred Craig home in Gooding.

Mrs. Marjorie Bryant, a member of the WAAC, visited at the home of her sister, Mrs. Fred Locke, and her brother, H. C. Bryant, this week from Gooding to Twin Falls.

Mrs. Dorothy Neal Stephens, Boise, district home demonstration agent, spent several days in the Gooding vicinity. She attended the Women's Home Service club meeting and the Homeowners' club and the Twentieth Century club in Gooding.

Search for Desperado Touhy Spreads to Idaho and West

10422 BASIL BINGHART

The search for Roger "Terrible" Touhy, "Boss" of the "Cow" Bungalow, and five other desperate escape convicts has now spread to Idaho and the federal bureau of investigation conducts its most intensive, nationwide manhunt in nearly a decade.

The seven escaped from Blaineville penitentiary at Joliet, Ill., Oct. 2, after wounding one prison guard with a bullet and severely beating another. The FBI entered the case when it was determined that they had failed to register for selective service.

Most dangerous of the seven are Touhy and Danahart, members of the "Chicago" gang, who are believed to have ruled the Chicago northwest side serving 30-year sentences for the kidnaping and torture of John "Red" Hunter, factor in 1934.

Touhy, 44, leader of the gang, engineered the Hunter kidnaping in cooperation with the "Chicago" gang, which included Danahart, Danahart, who is 42 years old.

The other five fugitives are Edward Darlak, 35, sentenced in 1935 to serve consecutive sentences of 100 years for murder and one year for life for kidnapping; and one year for life for kidnapping; and one year for life for kidnapping; and one year for life for kidnapping.

Captain Tells of Probable Sinking of Nine Jap Ships

PEARL HARBOR, Nov. 3 (AP)—A 40-minute battle the night of Oct. 11-12, in which possibly nine Japanese warships were sunk, was described today here today by Capt. Ernest Gregg Small, New Haven, Conn.

"It was a hell of a melee, completely surprising the enemy," said Small. "We had the heavy cruiser and believe we got two others and one light cruiser, and the bulk of the destroyer and probably four others.

"Within the first four minutes I saw six destroyers and one heavy cruiser on a Jap heavy cruiser, plunging right into her and she sank. I saw her rest a prize fighter sitting soaked on the chin, then shake and just drop cold.

Caught at 5-Mile Range. "We caught them at five-mile range and hit some ships before they could open fire. One had its guns trained on us and was destroyed.

"It was one of those things which officers wait for 20 years to see. "We captured the 'T' and they were coming at 11/12 speed toward Guadalcanal at a right angle to our line of sight. They were in a tight confusion, each ship taking its own course and trying to bring its own guns to bear on the enemy.

"Capturing the 'T' is a naval maneuver which has not been achieved since the first world war. The Japanese sank the cruiser Quincey, Agoria and Vincennes. The Japanese had the advantage of surprise in the first battle but the tables were turned upon them this time with a much heavier loss than they inflicted on the American cruisers last August 8-9.

The night battle was near Savo Island, just two months after the first Savo Island battle in which the Japanese sank the cruiser Quincey, Agoria and Vincennes. The Japanese had the advantage of surprise in the first battle but the tables were turned upon them this time with a much heavier loss than they inflicted on the American cruisers last August 8-9.

"The night battle was near Savo Island, just two months after the first Savo Island battle in which the Japanese sank the cruiser Quincey, Agoria and Vincennes. LEWIS APPROVES NEW MINE DAYS

WASHINGTON, Nov. 3 (AP)—President John L. Lewis of the United Mine Workers of America yesterday authorized coal mining on Saturdays, Sundays and holidays in seven western states in order to meet wartime fuel requirements in the Pacific northwest.

The UMWA said approval of the extra work, at time and a half pay, was issued at the request of T. J. Donohue, UMWA district director in the Pacific northwest.

Mines affected are in Washington, Oregon, Montana, Wyoming, Utah, Colorado, and New Mexico.

The UMWA asked district officers in the seven states to encourage local unions to work the available extra days in order to relieve the terrific pressure in certain areas of the Pacific coast and northwest occasioned by the extraordinary demands for coal growing out of the war.

The Public Forum

MUD-SLINGERS ARE WRONG Editor, Times-News: Too many years ago when we were boys, there were about the same number of us as there are candidates for the major state offices in Idaho. On numerous occasions we were called into domestic court proceedings by that alter haired judge of ours. As was our habit we dug our heels and refused to honor all the caudences and maneuvers, both true and otherwise, against each other in order to place the other as the major transgressor. And regardless of what was the court's verdict, I wonder if I'd have been the kindly admonition of the court to try and stay away from the mud-slinging practices as it was unbecoming and no credit to boys of our age, 12 years and under.

After hearing the various rags of steam shovel capacity heaving the political terra firma at each other's feet, I wonder if I'd have been there. Then I was a listener to the address of Mrs. Gertrude Johnson of Piler, an address whose criticism which can only be answered by its own echo rebounding from the straw-strewn recedes where there is no politics.

No, daddy was right. As a man I'm not a politician. I'm a citizen, says King Solomon, Prov. 23-7, And if I'm litred up will draw all men unto me. Nov. 12-32.

RAY BISHOP (Oct. 2, Buhl)

U. S. Navy Gets Stronger After Every "Defeat"

WASHINGTON, Nov. 3 (AP)—With every "defeat" the United States navy gets better. If one is to believe Japanese propaganda.

The office of war information gave this account of how Japanese broadcasters have promoted the American fleet from fourth-rate to second-rate in a few short months.

After the Coral sea battle, federal communications commission solid listeners heard the Japanese shout war radio say:

"The Pacific fleet is annihilated. America is reduced to a fourth-rate naval power." After the first battle of Solomons, the Tokyo radio said:

"Wholesale destruction of the American fleet... Anglo-American naval force reduced to that of a third-rate naval power."

Now the PCO reports that the official Japanese news agency, Domei, has issued this statement for foreign consumption:

"Again the Japanese navy has proved its great superiority over the American navy which must now be considered a second-rate power."

NEWBURGH, N. Y., Nov. 3 (AP)—Drew Pearson, syndicated Washington columnist, instituted a \$20,000 libel suit yesterday against Rep. William Fish, R., N. Y.

William A. Walsh, Rhinebeck, attorney for Pearson, said a summons was served on Fish at 4 p. m. yesterday at the Fish campaign headquarters. It was always intended to be filed in the federal court in New York.

The suit followed publication of a statement attributed to Fish in a column on November 1, in which a column relating to the veteran Republican representative from President Roosevelt's New York district, Fish, winding up a campaign for reelection against Democratic Ferdinand A. Hoyt, in which the Republican's pre-Pearse Harbor record on defense measures was consistently attacked. Issued this statement:

"I expect to be reelected and will soon afterwards bring a libel suit against Drew Pearson for \$500,000 for the article that was published in the Post-Opportunity New Yorker."

COMPLETE POINTE AUX BARQUES, Mich., Nov. 3 (AP)—This small community in eastern Michigan's Thumb district, traditionally the first precinct in Michigan to report its completed its tally this morning with these results:

For United States Senator: Homer Ferguson, Republican, 7; Senator Prentiss M. Brown, Democrat, 6.

For governor: Harry P. Kelly, Republican, 7; Governor Murray D. Van Wagener, Democrat, 6.

BANKER EXECUTED CHINGCHUNG, Nov. 3 (AP)—Our Chinese banker was executed recently on charges of hoarding rice and manipulating the market and another was sentenced to life imprisonment. It was announced officially last night.

YOUR STANDARD SERVICE MAN

FREE GAS RATIONING GUIDE!

Here's the quick, easy way to learn all you need to know about gas rationing! Today, wherever Standard products are sold, you can obtain your free copy of "Motorist's Guide to Gasoline Rationing." It boils down, in plain 1-2-3 language, just what the average motorist should do to save his time and that of the rationing authorities. It tells what to do before registration day—what to do on registration day, and what to do after registration day. It explains the requirements for supplementary gasoline, and gives instructions on filling out necessary forms.

It shows you how to organize a "Share-the-Ride Group" and gives you dozens of other valuable hints on getting rationing problems. Registration day is next week. So get your free guide to Gas Rationing from one of our Standard Service Men today. We'll also have government "A" Book Registration forms for distribution.

OLD DOC PERKINS SEZ:

"Share-the-ride? Seems to me that if our ancestor could haul a dozen wagons, six kids, a cow and a hogcoop in a covered wagon—we ought to be able to get four people in a sedan."

What To Do Before Registration Day!

1. Make sure you have your auto registration certificate handy to take with you when making ration application. 2. Ask your Standard Service Man to record your tire serial numbers on a Standard Tire Protection Record. 3. Keep track of your mileage to and from work. 4. If you have more than five tires, you must sell the extra ones to the government. Phono your Railway Express office for details.

What To Do On and After Registration Day!

1. To the Registration place, take your auto registration certificate and completed "A" Book application form. (Available from your Standard Service Man.) 2. Know whether or not you should ask for a Supplementary Gasoline Ration Form. You'll find the answer to this and many other questions in Standard's "Guide to Gasoline Rationing." It's FREE wherever Standard Products are sold.

TO OWNERS OF TRUCKS AND COMMERCIAL VEHICLES!

The government has asked us to tell you that you cannot operate your truck, farm truck, or any other commercial vehicle after November 15 unless you have a Certificate from the ODT. Applications should be obtained from your ODT office. Write to "Office of Defense Transportation" at the nearest city on this list: Honolulu, Fresno, Los Angeles, Sacramento, San Francisco, Boise, Reno, Modford, Portland, Salt Lake City, Seattle, Spokane.
