Jap Plane Losses Mount to 138 in New Guinea Rout

ALLIED AIRCRAFT PURSUE REMNANTS OF JAPS' CONVOY

ALLIED HEADQUARTERS IN AUSTRALIA, Jan. 11 (AP)—Allied airmen boosted to 138 the Japanese planes shot down or crippled in four days of blazing action as they pursued the remnants of a battered Japanese convoy fleeing from New Guinea yesterday and scored bomb hits on two more ships, General MacArthur's headquarters announced today.

As Idaho Sheepmen Convened Here

H. B. Souden, Weiser, president of the Idaho Wool Growers association, center in the photo above, was a much sought after individual after his arrival here Sunday night. Because of efforts of the war on the business, wool growers brought a record number of questions to this year's convention. Those in the picture, left to right, are F. E. Wilson, Hammett, association director; M. C. Clair, Boise, association secretary; Mr. Souden; T. C. Bacon, Twin Falls, president of the association; and Mr. C. A. Bailey, Boise, secretary.

The only discordant note in the sweeping allied successes was the disclosure that Brig. Gen. Kenneth N. Walker, Glendale, Calif., had failed to return from an aerial attack on Rabaul, New Britain, on Jan. 10, which he led in the fighting of Flying Fortresses and Liberators which damaged 50,000 tons of enemy shipping and shot down nine Japanese fighters.

MacArthur announced "with profound sorrow" that Walker was missing and said that the fiercest of the air operations in the leadership and courage, must be presumed lost.

How many more the Japanese actually succeeded in landing in their efforts to reinforce their garrisons in Lae before their convoys turned tail and steamed away from New Guinea Saturday night was not known, but it was evident that whatever success the enemy achieved in this respect had been won at a heavy price in terms of its air strength in this theater.

Weak Opposition
Indisputable how hard the Japanese had been hit, allied headquarters reported that American and Australian airmen had met only weak opposition as they pursued what was left of the enemy convoy in the Solomon sea to New Britain yesterday.

The Japanese fighters were shot down in the Aleutians and another probably destroyed, while all allied planes returned, the communique.

Of the 10-ship convoy which left New Britain for Lae on Jan. 6 and here, the Japanese reported that a heavily-laden 14,000-ton troopship which went down with all hands on the 10th, was probably sunk during the first two days of the engagement, while other vessels were damaged by bomb hits.

COUNTY'S BOARD PICKS MOLANDER

(Picture on page two)

Ernest W. Molander, Bull, was elected chairman of the board of county commissioners today.

Molander was chosen by the board after he had taken the oath of office as preferred commissioner from the west end district.

Chairman Molander then administered the oath to the other elected officials—President Everett Kennedy, Jr., Doris Stredley, county superintendent; Dr. A. A. Newberry, coroner, and Harold W. Marney, clerk.

No auditor was sworn in because Walter C. Musgrave, who resigned Dec. 14, did not have time to qualify for his second term. He will resign in the able following surgery at Billings hospital, University of Chicago Hospital, in the same year.

President Roosevelt told congress today our war costs in 1942 total \$100,000,000.

While the coming year's estimate of foreign costs aren't exactly comparable, due to difference in population, wealth, price levels and other factors, here are estimates from unofficial sources of what the other nations will spend in the same year:

Germany \$3,400,000,000
England 2,100,000,000
Canada 1,500,000,000
Japan 870,000,000
Italy 700,000,000
China 400,000,000

Not even rough estimates were available for China and the others.

U. S. to Spend More Than All Other Nations

WASHINGTON, Jan. 11 (AP)—Everybody is supposed to be doing the best he can, but Uncle Sam will throw into the war pot next year more than all the other warring nations—on both sides—put together.

Here's How Tax Hit U.S. Income In Past Years

WASHINGTON, Jan. 11 (AP)—President Roosevelt's assertion that taxes never will return to prewar levels caused older taxpayers today to recall what happened last time.

Take a married man with two children and an income of \$5,000 a year. From 1919 to 1933 he paid on the average an income tax of \$10 a year. In 1916 he paid twice that amount and in 1937 his tax rose to \$64. That's one the war. Here is what he has been paying since then:

DAKAR PORT OF NEGRO STATE OF U. S. COMMISSION FINES

New Chairman and Two New Officials

OIL, AMMUNITION GONE FROM CITY

By Walter Logan

ALMAHED HEADQUARTERS, North Africa, Jan. 11 (AP)—Two years of fighting have left the strategic West African port of Dakar without fuel, ammunition or materials for reconditioning a vast amount of shipping in the harbor, Vice Admiral William A. Glassford, jr., head of the American military mission to Dakar, yesterday said.

Glassford, who described the port as an army, navy and air base of the "greatest potentialities," conferred at headquarters with Lt. Gen. Dwight D. Eisenhower, Robert D. Murphy, U. S. minister to French Africa and other American and French political and economic leaders, on measures to rehabilitate Dakar.

Twin Falls News in Brief

Grange Meets—The Twin Falls Grange will meet at 8 p. m. Wednesday evening for installation of officers.

Co. 6 Drills—Regular drill of Co. 6, Idaho volunteer reserves, will be held at 8 p. m. today at the city garage. Capt. John Q. Adams, jr., announced.

First Session—The Order of the Eastern Star will meet for its first session of the year on Tuesday at 8 p. m. Thursday with the newly installed officers in charge.

Special Instruction—Tech. Cpl. Royce E. Woodridge, U. S. Army, will give special instruction at the stadium school at Camp Murphy, Friday.

Two Men Fined—Two men were sentenced to pay fines for being drunk in a public place when they appeared before Municipal Judge J. O. Humphrey, P. B. Hartnett, Twin Falls, paid \$10, and E. A. Duff, Hansen, paid \$5.

Moore Meeting—The church choir and women of the Moore will meet Tuesday at 8 p. m. in the Old Fellows hall. All members are urged to be present as 100 members of the choir will be trained.

Ensign Into Training—Elmer E. Hudt Ross, an ensign in the naval reserve and an employee of the Idaho Power company for the last few years, left Twin Falls Sunday night for his training at the U. S. Naval Air Station, Pensacola, Fla. He is the son of Mr. and Mrs. Elmer C. Ross, 122 Walnut.

To Texas Field—Aviation Cadet E. (Eddie) Cook, army air corps, has been transferred to Ellington field, Houston, Tex., for advanced training. Second Lt. Harold M. Cook, chemical warfare service, is attached to the air corps at Barksdale field, La. He has two brothers and one sister, Mrs. D. H. Harvey, Cook.

Two Cars Crash—Failure of one driver to stop at a red light resulted in a collision for a collision near Washington school Monday between cars driven by Mrs. M. E. (Mae) Taylor and Mrs. Marcus Asayra. District Police said the Asayra car came from the north on Hill street north and failed to stop at the Addison street stop sign. Both machines were damaged.

NAVY FINDS NEW RECRUITING SPOT

If Lt. C. A. Hebert, base head of the fleet automobile in Idaho approves, the Twin Falls navy recruiting station will move into the county office building in the basement of the Federal bank building.

Chief Machinist's Mate Edmund Hanson said that the office has been offered the navy and that Hebert will arrive here this week to inspect the office.

The navy recruiting staff here has been using part of the office of the internal revenue bureau since beginning their work here. However, because of crowded conditions in that office, the staff has been notified that it will have to move.

Fire to Dispose Of Oil Produces Glass-Cracking

An oil disposal problem in the alley behind the board-granted seventh floor, 141 Third avenue north, resulted in cracking of approximately 100 small panes of window glass at the rear of the building occupied by Dewberry Brothers, Inc., and Bohannon hardware, both of which face on Second street north.

The Chief L. T. (Zeke) Harrell, chief of fire department, was alerted by a telephone call from the fire department. He arrived at the scene at 10:30 p. m. and found a fire in the alley. The fire was extinguished, and the oil burner was found to be the cause of the fire. The fire was extinguished, and the oil burner was found to be the cause of the fire.

Drive Starts to End Gas Tax Payments by Cities, Counties

Calling for a combined effort of city organizations to secure enactment of gasoline taxes, Mayor Joe Koehler urged Twin Falls to line up in the campaign initiated by Boise and other cities.

The drive seeks amendment of the present state gas tax law as regards cities and counties.

"Forcing cities and counties to pay five cents per gallon tax," the mayor said, "means that we are forced to the state for using the police cars to enforce laws, for running the fire equipment on our streets to give protection to taxpayers' property, and for using our city departments in the interest of our own streets."

He pointed out that the greatest gasoline consumption of the fire-fighting equipment comes in pumping water which will put out fires on our streets.

Twin Falls city, Mr. Koehler said, pays about \$2,500 annually. He termed the situation "not only unfair to cities but also to the taxpayers' first last their residents to secure the money for operation of police, fire and street work—and

Former Auditor Undergoes Foot Surgery in East

Walter C. Musgrave, former Twin Falls county clerk-auditor-recorder, underwent surgery today at the Billings hospital at the University of Chicago.

Chicago cancer specialists in Chicago had advised Mr. Musgrave to have a portion of one foot amputated, according to a telephone message from the former county auditor to his brother in Twin Falls, Harry Musgrave. After removal of part of the foot the surgeons will make extensive tests to determine whether cancer has spread upward to the leg.

Mr. Musgrave had been bothered for some time by a persistent growth on the bottom of his foot. After resting as county auditor, he had been a persistent smoker and connected with his illness, he learned the nature of the ailment and went to Billings for treatment. From there he went to Chicago. The clinic at the Billings hospital was operated by Dr. James Dr. Dallas B. Premier, regarded as one of America's leading foot surgeons.

Whether or not he will be able to return to Twin Falls county to continue his duties is not a prophetic matter. Results of the operation and the diagnosis of the specialists will determine that.

Qualifying time ends in two weeks.

NOTE ASKED FOR 18 YEAR-OLD MEN

(From Page One)

Republican caucus late Saturday with Gov. C. A. Bottelstein in attendance.

The Republicans were informed that for a 30-month period—Jan. 1, 1943 to March 31, 1945—the state will pay the expense of the maintenance under the senior citizens' act would cost \$2,700,000, which would be paid by the state.

They were further informed that the state faces drastic reductions in income tax and other sources of revenue—so drastic, in fact, that even with strict economy there may be enough in state balance the budget without considering the increases necessary under the grant program.

Sen. Harry R. Horn, R. Clark, suggested the 40 a month "man's" plan, which would be paid for 18 months and a special election held in July to allow the electorate to approve or reject the plan.

Otherwise the legislators were urged to consider the plan as a budget without considering the increases necessary under the grant program.

JUDGE PLED BY ACTOR'S LETTER

LOS ANGELES, Jan. 11 (AP)—Allegation of movie blackmail, contained in a letter to a federal judge, has caused a court to order back to the limelight today the name of Francis X. Bushman, leading foot of the silent screen two decades ago.

Justice Leon Vankovich disclosed receipt of Bushman's letter as a result of a verdict last night in the trial of Channing Drexel Lipson, 35-year-old actor, charged with swindling Philip Grace, 35, former well-to-do actor.

Lipson was acquitted of attempting to extort \$20,000 from film executive Louis B. Mayer, but the judge disagreed on a second charge of attempting to extort \$20,000 from Mayer. Grace, charged with two counts of being an accessory after the fact, was acquitted.

Justice Vankovich excoriated Bushman for the letter, in which, he said, the actor, who was charged he had been prevented by Mayer from working in major studios since 1930.

Lipson had testified that he sent Mayer a letter to cause him "get out of the picture" and demand \$20,000 because, he alleged, Mayer had caused his father, Leo Lipson, a career actor, to be "blacklisted" by the studios. The law, Lipson said, prevented a disreputable with lawyer for the verdict. The judge, as a result, Justice Vankovich announced he had received a "letter from Bushman" and that he had ordered the actor to be removed from the picture. The judge said that he had ordered the actor to be removed from the picture.

FARM AGENT TO BOOST WAR WORK

JEROME, Jan. 11—In his annual report, Ray O. Peterson, Jerome county agent, today announced that the work of his office during 1942 would be " geared to the war effort." Peterson said that most of his work would be difficult to perform because of the shortage of labor and materials. He said that the organization of volunteer committees and neighborhood farm groups would be one of his main objectives.

He pointed out that the county agent was secretary of the USDA district headquarters in Jerome, in the promotion of salvage collection, the "food for freedom" program, farm machinery repair, transportation conservation and farm construction.

The report set out that 10 rural fire companies were organized in the county following the fire in the county during the year.

Between four and 10 men have volunteered as fire fighters in each community. A community fire unit was elected for each company. E. E. Lutzner and Ray Hamblet were appointed county fire warden by the council of civilian defense.

Three of the companies were called to fire during the year. One of the companies, the Jerome fire company, was called to fire during the year.

In county 4-H club work there were 44 new clubs and 100 new members. Twenty-two completed their first year of membership.

Hailey Walks Atop 25 Inches Of Snow After Rain, Freeze

HAILEY, Jan. 11—Although Hailey has had 7.5 inches of snow fall during the past week, it now has 25 inches less snow with a depth of 25 inches. After the last snow fell, all of an inch of rain fell, then a clear-up and freeze, with the result that an average person can walk wherever he pleases on the crust.

The water content of the snow that fell was 21 of an inch, bringing the total since Oct. 1 to 5.19 inches against 2.24 inches one year ago. The total precipitation since Oct. 1 amounted to 7.50 inches against 7.19 inches a year ago. The water content of Hailey over a 23-year period has been 4.92 inches. From Oct. 1 there has been 25.72 inches of snow, but 2.26 inches of rain. Last year at the same time there had been 35 inches of snow and 4.92 inches of rain.

Ketchikan now has 32 inches against 10 inches in 1942; Galena, 60 inches against 34 inches last year.

U.S. RELINQUISHES TERRITORY RIGHTS

WASHINGTON, Jan. 11 (UPI)—The United States today announced it was relinquishing its extra-territorial rights in China, which were claimed by the United States.

The treaty was signed by Secretary of State Cordell Hull and the Chinese ambassador, Dr. Wei Tsiangning.

It was announced on Oct. 9 that the United States intended to renounce its right to prosecute in U.S. courts the crimes of the extra-territorial rights. On Oct. 24 the negotiations were begun with provision that the United States would be treated to accomplish this purpose.

The next of the treaty was not announced in keeping with the custom of withholding it until ratification.

However, the state department announced that when the treaty comes into effect, the United States will relinquish:

1. Special rights accorded under the "Boxer Protocols" of 1901, including the right to station troops in China.

2. Special rights in relation to the system of treaty ports and its relation to the international trade.

3. The right to station troops in the treaty ports and in the international trade.

4. The right to station troops in the treaty ports and in the international trade.

SOLON OPPOSES BUTTER EXPORT

WASHINGTON, Jan. 11 (AP)—Butter for the home folk and the margarine for those abroad is the aim of Sen. La Follette, who today introduced a bill to prohibit the export of butter.

In a letter to Secretary Wallace, made public today, the senator said that while an important part of the war effort was in the feeling of the allies: "I strongly urge you to take the necessary action to prevent the export of butter to our own armed forces and domestic consumption."

Senator La Follette said that the use of butter substitutes has been consistently discouraged as a matter of public policy. He said that the use of all three past efforts will be threatened with complete destruction. If more is done to encourage the use of our own butter, it will be a great help to our own people as well as to our allies.

SAFEGWAY GUARANTEED MEATS

Our voluntary allowance is considerably more than the population of other nations at war are getting. The British get about 30 ounces of meat per person weekly. The German 12 1/2 ounces, the Dutch 10 1/2 ounces, the Belgians 5 ounces.

Share the meat—so all may eat.

\$108,903,047,923 Asked in Roosevelt's Budget Message

large inherent tax revenue by removing the tax exemption from future income on such securities as now exist, that estimated \$24,000,000 in revenue deduction of more than \$2,000,000 for reserves required by law. He said the fiscal year 1943 budget aggregate \$117,675,233. He said the national debt would be \$210,000,000 when the fiscal year ends 18 months hence. It is approximately \$113,000,000 today.

The overall budget figure of \$108,903,047,923 is made up of: \$47,000,000,000 in estimated spending through the fiscal year; \$12,220,223 of non-war spending; \$2,000,000 national debt interest; \$1,774,125,509 in war and non-war outlays of government corporations and agencies.

The latter figure is not included in budget bureau computations striking a balance between treasury revenue and expenditures. It is computed in estimating increase in national debt.

Could Be Changed
All revenue and deficit estimates are based on the present structure and would be changed in the event that the President's proposed additional savings in response to the President's request.

Revenue Acts Help
"The revenue acts of the past three years," Mr. Roosevelt said, "particularly the last 1942 act, have contributed greatly toward meeting our fiscal needs. In the fiscal year 1943, total normal receipts are expected to be \$35,000,000,000, which is \$1,000,000,000 more than the \$34,000,000,000 of the fiscal year 1942. If the objective proposed in this message is adopted, we shall require \$1,000,000,000 more of floor expenditures during the fiscal year 1943."

The 1944 revenue act was developed by the President's budget procedure. But he emphasized that such revenue ultimately would be to the individual after the war.

The message to congress was not only in general but was read by clerks in house and senate. The fiscal year covered by this

BRITISH APPROVE POST-WAR PLANS

LONDON, Jan. 11 (AP)—London newspapers today lauded the pledge of Herbert S. Morrison, minister of home security, that Britain would give public opinion the lead in American statements to achieve the post-war aims of "unity, security and universal progress."

Morrison, addressing a Labor party meeting at Newcastle-on-Tyne yesterday, declared recent statements of President Roosevelt and Vice-President Henry Wallace propounding the post-war aims were "broadly shared views of international cooperation."

"The result of self-sufficient empire has gone the way of other historical illusions," Morrison said, "and I hope to see the British Commonwealth come to self-aid and to its own end."

"The London Times declared that Morrison's public opinion was the kind of lead the country has been waiting for and crystallized many of the views which should be set to 'general but vague agreement'."

"The Daily Herald, while approving Morrison's aims, said that the aim of 'general but vague agreement' was not a member of the war cabinet."

RAF DROPS 2 TON BOMBS ON ESSEN

LONDON, Jan. 11 (AP)—Essex, all of the great Krupp armament works, including today under the effects of devastating bombs from the RAF, which unloaded a great weight of bombs—including two-ton "blockbusters" on the city Saturday night in the first raid on the Ruhr in seven months.

Pilots returning from the assault, which was carried out under extreme weather conditions, said they had left vast fires raging in the Essen industrial area, some of them visible for 30 miles.

"The number of planes which took part in the raid was not officially disclosed, but it was estimated that seven were lost that night as an indication that upwards of 140 or 150 participated.

The raid was the 50th on Essen since the start of the war. The city, which has a population of 1,000,000, lies in the heart of the great German coal-mining district and produces a wide variety of guns, tanks, locomotives, railway equipment and other material vital to the German war effort.

In addition to striking at Essen British planes also laid mines in the Ruhr valley.

There was sporadic German activity over Britain during the week-end. One ton on a south coast was the target of a sharp attack yesterday, which killed at least 100 and injured many more.

The planes returned to unloading the streets after midnight. One of the daylight raids was reported shot down off the south coast.

Give Generously

In Twin Falls, the Junior Chamber of Commerce has undertaken sponsorship of this drive. They urge you to give generously that many lives of non-combatants may be saved. They ask you to place your contributions in the containers which will appear this week on store counters, in other public places. Give! Aid give generously!

UNITED NATIONS WEEK

JAN. 14th thru 20th, 1943 . . . give for the aid of those suffering victims of axis barbarism . . . GIVE!

Weapons with which to wage this war are not enough to send across the seas . . . we must also send the necessities of life to those unfortunates who suffer where war has passed . . . Belgium, Greece, Russia, Free France, Czechoslovakia, Poland . . . these and many other countries hold the destinies of thousands of souls who depend upon us! Starvation, desolation, exposure faces those people who gave all in the cause of freedom, the crying watchword of those nations bound to-

gether in the pact of a United Nations. Let us help . . . let us give freely . . . let us give with the kindness of a great people. YOU can give by placing your contribution in one of the containers bearing the insignia which you see reproduced above. As soon as they appear, be sure your contribution is among the first! Your pennies, dimes or dollars will help in a great humanitarian cause for the homeless, the starving, the desolated people who are dedicated, as we are, to the United Nations.

Let us help those who have sacrificed homes, possessions, loved ones in our cause!
