

Planes Destroyed in Heavy Africa Air Battle

34 Nazi Aircraft in Bracken Slayer's Escape Thwarted

Associated Press War Editor

Tred army shock troops, gouging their way into the remnants of 27 German divisions trapped before Stalingrad, were officially reported to have swept their forces into the outer outskirts of the long-besieged Soviet metropolis today after a night battle in which they captured courtyards, buildings and streets.

The enemy launched six counterattacks, one after the other, Soviet headquarters announced.

"Red army men repulsed the Hitlerite counterattacks and wiped out about a battalion of German infantry," it said.

Now tightly blocked in the narrow Don-Volga corridor, Hitler's armies began their costly and ill-fated quest for Stalingrad, 200 miles from Moscow.

Indications that the red army may have launched a major new offensive in the north were reflected in a report by German military sources that a heavy fighting had spread to the sector between Lake Luga and the Leningrad-Lake Ladoga railroad.

These quarters said Russian attacks outside Leningrad and south of Luga had been held off.

In the Caucasus, Soviet dispatches pictured the triumphant red army pushing its way into the mountainous Caucasus from the east.

Stockholm reports said the Russians were already within artillery range of the enemy's headquarters in the German-entrenched northwest of the city.

Five German tanks and six warplanes into a stiffening stand in the Caucasus in a desperate attempt to reverse the situation.

The Malkop oilfields and the Black sea coast farther west, but the Red army threatened the German lines.

Stockholm reports said the Russians were already within artillery range of the enemy's headquarters in the German-entrenched northwest of the city.

ROSE, Jan. 13 (AP)—Harry Powers, 60, guard at the Idaho state prison, was cut in the neck but not seriously wounded, last night when Daniel Williams, 22, serving a life sentence for first degree murder, unsuccessfully attempted to escape from within the prison walls.

Powers was wounded in the neck by a razor blade which Williams was using as a hostage.

Williams, who with his cellmate, Ed J. Smith, attempted to force guards to give him weapons, Deputy Warden Frank O'Neill reported.

Both men succeeded in tearing a tunnel of the kitchen after being covered by guards with gas guns.

Williams, who was wearing a white shirt, was holding a pocket knife when he and Smith ran up the stairs to the kitchen after the escape had begun.

The prisoner seized Powers arms, took a pocket knife from him and held him at bay for a few minutes.

Williams cut through the wire fence and ran up the stairs to the kitchen.

Here he demanded that Guard Ed J. Smith stand down his gun on threat of cutting Powers' throat. Smith refused.

Williams, with Smith following, then entered a stairway where the guard could not see him, O'Neill said.

Williams cut through the wire fence and ran up the stairs to the kitchen.

Williams cut through the wire fence and ran up the stairs to the kitchen.

French Probe Adm. Darlan's Assassination

BY C. R. CUNNINGHAM

ALGERS, Algeria, Jan. 13 (AP)—A French military board of inquiry today announced a second set of charges against the late Admiral Darlan's assassination.

The board is to report on the charges and the possible involvement of other military leaders.

STATE'S BUDGET ASKS \$7,337,311 FOR GRANT COSTS

BY JOHN COWLEY

BOISE, Jan. 13 (AP)—A budget of \$7,337,311 in excess of estimated revenue presented Gov. C. B. Botolph today to request a five percent rate for the senior citizens.

The governor's budget was released today. He asked for the five percent rate at a Republican caucus last night.

"I've always been opposed to the rate," said the governor today in explaining his budget. "But I do not think we are justified in granting the rate at a Republican caucus last night.

PIPE IN CANALS

FAIRFIELD, Jan. 13 (AP)—A pipe of length of pipe protruding two feet from the canal at Fairfield, Idaho, today was found to be a pipe from the Great Valley.

The pipe was found protruding from the canal at Fairfield, Idaho.

ALIES HIT ON WIDE PACIFIC BATTLE FRONT

By The Associated Press

Allied warplanes, sweeping the far Pacific skies from Burma to the south seas, were reported hitting the Japanese on a rising scale today, and in hand fighting Gen. Douglas MacArthur's headquarters announced "further gains" against trapped enemy forces on the Papan peninsula in New Guinea.

The purpose in controlling credit accounts, according to Mr. Williams, was to the stabilizing of the American dollar, to discourage unfair trade practices, and to defend inflation.

The purpose in controlling credit accounts, according to Mr. Williams, was to the stabilizing of the American dollar, to discourage unfair trade practices, and to defend inflation.

FARMERS' JOB VITAL, Declares Banker in "M" Day Address

BY MELVIN SHOEMAKER

W. E. Meyer, who organized Idaho's first cow testing association at Twin Falls last month, Tuesday to tell Twin Falls farmers of their important part in the nation's food production.

The speaker urged the farmers to increase their production to meet the needs of the nation.

Named Directors on Canal Board

W. A. Cooner, Hansen, and Wilbur Quigley, Castleford, were new members of the Twin Falls Canal authority board of directors today. Ballots were counted in an election which officials said saw some of the heaviest voting in recent years.

Members elected to positions on the board are: W. A. Sharp, Piler; W. R. Hatfield, Bull; and Don Slackford, Twin Falls. Peter Link, Hansen, and John M. Thomas, Castleford, are former members of the board who were not candidates for reelection. Six candidates were nominated in the election Tuesday, and A. R. Scott, Hansen, was the losing candidate.

Probe Asked in Legislature on Idaho Agencies

BOISE, Jan. 13 (AP)—Investigation of two state agencies was asked by the Idaho legislature today in resolutions introduced by Rep. Morris R. Lalab.

The resolutions call for a joint committee to investigate the administration of the Idaho liquor monopoly to obtain information as a basis for enacting necessary regulatory laws.

PRODUCTION COST PLAINED IN RISE IN TONATION'S FOOD PRICES **42** **REPERCENT OVER AUGUST, 1939**

PRODUCTION COST PLAINED IN RISE

WASHINGTON, Jan. 13 (UP)—Secretary of Labor Frances Perkins announced today that the food cost index of the bureau of labor statistics for December 1942 was 113.7, a record high for the month. This is up from 112.2 in November and 110.9 in October. The index for the year 1942 was 114.7, up from 113.7 in 1941 and 112.2 in 1940. Perkins revealed that the sharp rise in the cost of food was due to the increase in the price of raw materials, particularly the cost of food still uncontrolled. The index in December was nine per cent above the level of the index in October 1939, the month the United States entered the world war.

JEFFERS TO GET HELP ON RUBBER

WASHINGTON, Jan. 12 (AP)—Rubber Director William M. Jeffers was reported today to have won a partial victory in his struggle to get immediate expansion of the synthetic rubber program.

A compromise plan, which finally was referred to Economic Stabilizer James F. Byrnes, in a written letter to Jeffers, would provide for \$9 per cent of the 1943 war program, \$500,000 tons annually, authorities indicated.

The war production program, with the approval of the armed services, approved priorities come time ago which covered only 20 per cent of the program.

Jeffers complained bitterly to the senate rubber investigating committee recently that WPB priority policies were hampering the rubber program.

Unable to get satisfaction from Nelson, Jeffers then took the dispute to the White House.

Called to White House, Jeffers did not change his tone with the easy-going Nelson.

850,000 FISH PLANTED IN SOUTHERN IDAHO

Game and Fish Group Hears Year's Report

Over 850,000 fish were planted in southern Idaho waters during the 1942 season as the major project of the Southern Idaho Fish and Game association, it was revealed here last night at the annual meeting held in the Idaho Power auditorium.

The report of the fish committee, headed by Lud Drexler, showed that the plant was at all-time record for stocking streams of the area and assured better and better angling in years to come.

The plantings were widespread and clear from Silver Creek in the north to streams running out of the Rock Creek area in the south for 75 miles along the Snake river.

The fish report was the highlight of the meeting, which also saw the election of five directors for the coming season and the appointment from throughout the area, a national forestry official.

Named Directors
Named on the board of directors for the organization for another year were Earl Davidson, Dr. George Draper and Larry Basset, all re-elected; and Mel Everson and Alvin Jenks, both of the Silver Creek area, elected to the executive positions. Dr. Draper, executive regional forester in charge of grazing management for the national forestry service, out of the Boise area, gave a short talk, asking cooperation between the sportsmen and the stock growers in a better land use program. He pointed out the difficulties of each side and urged the need for better cooperation to help get the biggest possible production in both areas.

Drexler's Report
Drexler, in his report also told of the remodeling of the fish hatchery on the Snake river, improvements totaling \$7,532, under the direction of Henry Dahlgren, plant manager, included in the work the complete reconstruction of the fish trough—this time being made of concrete in new shape, and built and repair work done on the house.

Plans Game Count
Minitoka Forest supervisor John Mathews was also on hand to report that a big game count was planned again in the Minitoka forest this winter. He listed that the results of his "preliminary survey" show a "big haul" with ammunition for the first time.

Ladies' Society
Ladies' society secretary of the organization and chairman of the big game committee reported on the season's take in big game. It was the best in many years. He said 1,370 deer were taken in the first Minitoka hunt in a 30 percent kill. In the second, or Rock Creek hunt, 403 deer were taken—an 80 percent kill for the number of permits taken out.

Only Recommendation
His only recommendation to the state was that the hunt was too long and that they would be even more successful if they were restricted to last one week at the most.

Upward game report was quite as bright as in other years. Bassett, reporting for Chairman Leitch, said that this season's catch had been planned in this year ago compared with over 1,200 a year ago. W. B. Denoe reported that the laboratory waterfowl committee, stating that it was probable that the hunt for the 1943 season may last until Jan. 1—at least such a hunt had been dropped by a federal wildlife agent, who pointed out that the duck population in the Snake river flyway had increased 60 per cent over the 1942 population—and was the best in this region since 1922. However, hunting was down this year because of the weather and the kill was not any heavier than in seasons when the population was down.

Drexler Report
Drexler, in his long report, listed the following fish plantings:
10,000 Snake river (bell rapids) 10,000 Deep Creek 10,000 Snake river (Crystal rapids) 10,000 Snake river (Snake Creek) 10,000 Snake river (bell rapids) 20,000 Roseworth 10,000; Salmon dam 20,000; Rock creek fourth 10,000; 9,000; Silver creek (Grand 24,000; Silver creek (7-inches) 20,000; Snake river 10,000; Goosecreek (third fork) 3,760; Snake river (bell rapids) 25,000; Trapper creek, 9,000. 23 Snake river 20,000; average 25,000; Snake river (Alouhaugh bridge) 23 Snake river 20,000; average 25,000; east fork of Jarbridge river 25,000; Flat creek 6,000; Casala creek 15,000; Trapper creek (Snake river at Wing) 25,000; Snake river (bell rapids) 20,000; Snake river at Wing 20,000; Snake river (Blue lakes) 25,000; Snake creek 20,000; average. Slaughter creek and Dead Man's creek, 2,000; Cedar draw 20,000; average (north of Cedar draw) 20,000 Snake river (Big bend) 20,000.

Burley Beats Nampa in Last Three Seconds

BURLEY, Jan. 12—The Nampa-Burley basketball game ended in a formal draw here last night—but the official score showed the way it should have ended: Burley 26, Nampa 25.

The argument started when Wes Bell, young Bobcat star, sank a left-handed spin shot with three seconds to go. Burley in front—and Coach Gerald Dellinger protested that the game should have been drawn three seconds earlier.

Claims Clock Stopped
Dellinger said that the clock was stopped three seconds for a jump ball when it should have been running—and Coach Lucien Judge replied that everything was as it should be and the score should stand—Burley 26, Nampa 25.

There had been some very fine basketball, with the locals in front all through the first half, but it was only to see the Bulldogs stage a great last period rally and take a momentum lead.

Shooting Off Form
Burley took 40 shots during the game from the floor and made only seven, or 17.5 per cent. Gordon Roberts, one of southern Idaho's finest players, took 12 shots from the floor and made only four, or 33.3 per cent without getting a point.

Score Honors or the evening went to Garrett of Burley and Wheeler of Nampa, each with eight points.

Lineup:
Burley: Garrett (8) and Evans (6); Roberts; Klink (5) and Pehr (8); forwards: Prichett (6) center: Rowlett (2) and Schak, guards: Sharp (2), Nete (3) and Siecie, substitutes.

The Sports Round-up

By HUGH FULLERTON, JR.

NEW YORK, Jan. 12 (AP)—I could not every time you pick up a newspaper, find news of the "Great Game" of the "Big League" boxing tournament is getting under way—and a good idea. The "Big Game" of the "Big League" boxing has been hit harder than any other AAU sport since the war. The "Big Game" has gone into the armed forces. ... But at the same time there's nothing soldiers and sailors are doing to the game as much as good scrap, amateur, professional or just for fun. ... These heavy-weight-sportsmen (boxing) are giving a long way toward bridging that gap.

IN TUNE WITH THE TIMES
The Raleigh, N. C. Times has come up with a 1943 variation of its Golden Gloves tennis, cancelled because of the war, which sounds like the best idea yet. ... The paper proposes to run a serious tennis tournament Jan. 25-30, giving war bonds as prizes. ... Except for one month, the war has canceled the NBA rankings, it's a complete affair.

TODAY'S GUEST STAR
John McCall, Jr., Ashland, Ky., Independent, "Major league years are considering" the idea of serious training purposes. Maybe their sponsors (clubs) are going after all. Some of those teams could do with a little college spirit."

ONE-MINUTE SPORTS PAGE
The U. S. Lawn Tennis association is in quite a state of confusion because the New York association decided that its late at

SPORT Scripps by Hal Wood

There seems to be some discrepancy in the score-keeping of a game played recently between Heyburn and Malaga—and both coaches agree to disagree.

After the Times-News published its story that Heyburn had whipped the fight, three club members telephoned in to announce there had been a mistake in the score and that the game in all reality ended in a 23-23 tie.

After we published that item, Coach P. G. Coffey of Heyburn writes to inform us that there was never, at any time, any disagreement in the score books. That the two scorekeepers for Heyburn and Malaga agreed on the count—and the referee scores also showed that Heyburn had won a one-point victory.

There's nothing that can be done about it now—but it might be a good thing to point out to one and all that the referee should check their books at the end of every quarter—and should verify their count after each half.

And one other thing: the home book is always the official score in any athletic contest—baseball, basketball or football.

Manager Harold Hoover of the Bowlandwood floor of the department is a sort of "referee" for the sport of bowling and at the same time a "judge" for the half ended, a good thing if some of the boys now using the foul line at the local curling would start trying curling.

A few of the do's and don'ts:
DO control your anger and refrain from abusive language.
DO not show a bad disposition by throwing anything in the air or doing anything if you should have a strike.
DO not punctual.
DO be at your post on the approach, ready to bowl when your turn comes.
DO watch the bowler on your right-hand or she has the right-of-way.
DON'T look upon a bowling ball, owned by the alley, as your own property. Others have the same right to use them as you have.
DON'T expect ally proprietors to fix anything to suit you, unless people desire and demands differ widely and there are many others to be satisfied.

Oregon Drubs Vandals in Loop Contest

MOSCOW, Ida., Jan. 13 (AP)—The University of Oregon drubbed the Vandals from the northern district, Pacific Coast conference basketball season last night in a 60-21 victory at the arena in this city.

Oakley-Simpson and Poulsen, forwards; Peterson (9), center; Martin (7) and Mathias (4), guards; substitutes: Mills (1), Stanley (2), Clark.

Bill Webb, Sox Official, Dies

CHICAGO, Jan. 13 (AP)—William J. (Bill) Webb, 47, director of the Chicago White Sox farm system and former coach of the Sox, died of a heart attack yesterday at the wheel of his automobile while on duty at Comiskey park.

Webb, a retired fireman, never was a star in the major leagues, but played for 19 years in the minor leagues. In one occasion he batted over 300 in the International league, hitting his home run in 1926 when he batted .330 for Buffalo.

NET STAR IN ARMY
LOS ANGELES, Jan. 13 (AP)—Frank Beatty, 26, has played 12 years a top ranking tennis player who was ranked No. 2 last season, has been sent into the army and dons a uniform Saturday.

FELDER HOME FOR FURNERAL
VAN METER, Ia., Jan. 13 (AP)—Bob Felber came home last night to attend last services for his best friend and tutor—his dad. The funeral of William Felber, 36, will be held at 2:30 p.m. Thursday in the Van Meter school auditorium.

NEW CORNER SEEN FOR SALES LEVY

WASHINGTON, Jan. 12—Another sweep over a national, small sales tax—this time with possibly more legislators on the "pro" side—will be introduced by Rep. Robertson, D. Va., announced he would introduce this method of raising revenue to help meet the new \$10,000,000 tax bill proposed by President Roosevelt.

A member of the tax-framing house ways and means committee, which will start consideration of pay-as-you-go and other tax legislation today in the next two days, Robertson said he believed the income tax had reached a saturation point.

"If we are to raise another \$10,000,000," he said, "the question is whether we can get it without a sales tax. Income taxes have reached the limit of ability to pay. The question is whether we can get it without a sales tax."

Robertson was unsuccessful in an effort last year to get the ways and means group to consider a sales tax. Since then the committee has undertaken some research.

"As last year, Robertson said he would propose only that the sales tax principle be considered, with the question of whether it is a sales tax left to the people."

Advocates have estimated roughly that a 1 per cent tax on a retail and state purchases exempt, would raise \$250,000,000.

Names in the News By United Press General Chiang Kai-shek, speaking in Chungking of the treaty with the United States for the purchase of military planes, said he had a special message to the people of the United States.

Bartholomew, English-born juvenile movie star, has been sworn in as a member of the Army Air Corps ground crew.

RESULTS at LOW COST

UNITED NATIONS DRIVE TO START A splendid salute to the allied nations' new global war effort will usher in United Nations week Jan. 16 in all Twin Falls theaters, according to an announcement by Brock Pagan, chairman of the Jaycee group arrangements committee in charge of the event here.

Pagan explained that the observance of the week has a two-fold purpose: To bring home to every American the importance of the solidarity of the United Nations, not only in starting the war but also in safeguarding the peace, and aiding in a material way the victims of the event here.

Ernest Jellison heads the veterans committee in charge of distributing and collecting blank checks on every American the importance of the solidarity of the United Nations, not only in starting the war but also in safeguarding the peace, and aiding in a material way the victims of the event here.

WAR FARMERS WAR JOB-MEYER

Speaking before the Twin Falls Rotary club Tuesday noon in support of "Farm mobilization day," W. B. Meyer, president of the Intermediate Credit bank, spoke on the need for increased production in the farm products to meet the increased demand for them during a wartime emergency.

Describing the three most important factors in the war as "fighters, farmworkers and farmers," Mr. Meyer stressed the need for increased production in the farm products to meet the increased demand for them during a wartime emergency.

"First it is our responsibility," he said, "to see that our production is up to the mark. It is our duty to our country to produce as much as we can and to do it in the most efficient way possible."

Mr. Meyer stressed the need for increased production in the farm products to meet the increased demand for them during a wartime emergency.

"Although little if any farm machinery is being manufactured," Mr. Meyer expressed the belief that repairs for equipment already in use would be available. The real problem, he emphasized, will be farm labor.

Possible Methods
"To help the farmers raise and harvest their crops we must require the transportation of laborers, greater use of school students, importation of Mexican workers and other means for increasing production."

Mr. Meyer stressed the need for increased production in the farm products to meet the increased demand for them during a wartime emergency.

Decreasing Idaho Spud Week

Harvey Scheurdelman, new state commissioner of agriculture and member of the Idaho advertising commission, looks on approvingly while showing the potato problem to the press on Jan. 18, 1943 at Idaho potato and onion week. National advertising will accompany the event.

Mother Keeps Chin up Despite Loss of Five Sons on Cruiser

When the Sullivan boys—George, 22, Paul, 20, Jerry, 19, and Albert, 18—were killed in the attack on Pearl Harbor, Mrs. Sullivan, 49-year-old housewife, received her last letter from the boys Nov. 4 before the south Pacific fleet in which the cruiser USS Helena, the battleship USS Iowa and the destroyer USS Lamson, were members of the fleet. Mrs. Sullivan told her in that letter to "keep her chin up."

PRODIGY DIRECTS SYMPHONY GROUP

PITTSBURGH, Jan. 12, (AP)—The 12-year-old boy directs the Pittsburgh symphony orchestra through his complex of 2000 instruments, a feat that conductor last night, and today music critics stated that the world prodigy never came to the conclusion of the two-hour program, thunderous applause filled the auditorium.

Wife Asks Divorce

CLARK SWORN IN AS NEW SHERIFF

BURLEY, Jan. 13.—Sheriff Saul Clark, Oakley, and Precincting Attorney Clarence W. Thomas were the only new county officials to be sworn in Monday at the regular session of Cassia county commissioners.

Sheriff Clark has named Gerardo Draney as his deputy. Mrs. Jeanette Chamberlain began her second term as county treasurer, with Miss Jeanne Salmon and Miss Ellen Sefton as assistants.

Other officials taking their offices were Mrs. Florence D. Haskin, superintendent of public instruction; Henry W. Tucker, probate judge, and Verrill McCallough, collector. His commission was signed by county commissioner from the first district, and began his second term Monday.

P. T. A. Women Serve Dinner at Excelsior School

HANSEN, Jan. 13.—A complete hot dinner of chicken and noodles and several other dishes was prepared and served to the students and teachers of the Excelsior school by eight women members of the P. T. A.

The women were headed by Mrs. George Hays, president of the Excelsior P. T. A. A beautifully decorated table greeted the hungry children as they filed into the dining room.

A business session of the P. T. A. was held preceding the luncheon, at which a program which was prepared by Mrs. Mary Zilkey, teacher of the smaller grades.

The P. T. A. decided to continue serving hot lunches in the school during the colder days of the winter until funds for the project are exhausted.

The program consisted of a talk on "Achievement Tests," by Mrs. Charles Prior, principal; group study of the "Home Front," by Mrs. Charles Prior, principal; group study of "Home Front," by Mrs. Charles Prior, principal.

A mixed group of boys gave a vocal solo in the song "Double Decker," by the upper grade girls.

This Negro Really Has His Worries

MEMPHIS, Tenn., Jan. 13 (AP)—A worried Negro walked into a store in Memphis today and asked if anyone could lend him his handkerchief from his "lady." "Your handkerchief?" a clerk told him, "is the man you say rent?"

"I don't pay no rent," the Negro said. "You see, 'bout nine years ago I found me a little sweet and moved in. I been there ever since and ain't never paid no rent."

"Well, then," said the clerk, "how are you a-coming about it?" "You leave it to me," the Negro said. "You'll find out if I ain't come out of it."

Leaders Talk at LDS Conference

GEORGE, Jan. 13.—Quarterly conference of the Blaine stake of the Latter Day Saints church was attended by a capacity crowd here Sunday.

Principal speakers were President W. L. Adamson, Carey, who conducted the general conference; Rufus D. Hardy, Salt Lake City, representative of the board, and a member of the seven presidents of the Seventy, Bernard P. T. A., representative of the church welfare board, and Mrs. C. T. Ford, Salt Lake City, president of the state Relief society.

A meeting of the priesthood was conducted prior to the general conference.

Several returned letters to the following: Floyd Harris, Hunt, Wallace Henry Norton, Hal Freeman, Leatrice Gladys Pickett and Fayt Freeman.

The closing song was by the congregation and the benediction by Roy Banner.

Kate Smith III

NEW YORK, Jan. 12 (AP)—Radio Singer Kate Smith was seriously ill of a gall bladder ailment today, her family said. She is recovering from her three operations for an indefinite period.

Kate Smith was stricken last Friday. Physicians said an operation may prove necessary.
