

## ALLIED BOMBERS FIGHTING CONVOY

**Twin Falls Day**  
Gen. George C. Kenney, to New Guinea to personally direct defense measures. Kenney's flight set 100 Japanese planes down in their first three large-scale enemy attacks against allied bases in New Guinea this week, apparently crippled by the same factor which they failed to follow through with a new attack yesterday.

Reconnaissance planes sighted the Japanese ships, the *Yamashio Maru*, on the north coast of New Guinea, 230 miles northeast of Lae, yesterday and the first force of heavy bombers from the Port Moresby airfield attacked at dusk.

By midnight, one 8,000-ton cargo ship was listing rapidly with a heavy oil fire on board. Another 8,000-tonner was sinking slowly by the stern and a third vessel of 5,000 tons was forced to the shore and sank.

"We are continuing the attack," said MacArthur's communiqué today.

Air reinforcements were sent to reinforce MacArthur's forces in the extensive plans to implement operational plans for the southwest Pacific developed at the Casablanca Conference. Informed quarters said the plan was well governed.

The plan, it was said, will govern the general plans of operations in Australia and other Pacific areas for the time being.

Can't Explain Warnings

MacArthur has been apprised of the plans, officials said, adding that he has not yet given his final okay for the idea for more aircraft and the chorus of warnings from Australia that the Japanese are on the verge of attacking the continent. One source put it this way:

"Operations in the Pacific for the next several weeks will determine the outcome of the conflict. Military and naval leaders from the Pacific were summoned to Washington for a conference at which they were told that the Japanese were given directives governing these plans. Now steps are being taken to implement these directives with supplies and materials and supply especially planes."

See No Revision

Officials indicated that there is no revision in the plans, but in light of recent developments in the southwest Pacific. Furthermore, they said, there is no evidence here that the Japanese air force is a prelude to invasion of Australia.

Secretary of War Henry L. Stimson, too, reported that the Japanese were continuing to emanate from Australia when he told his press conference that American and Australian forces would be supported not only with land, seapower and airpower, but a sufficient number of planes to "counter the increasing enemy air strength."

### SEES JAP THREAT

**PERIOD**, Austria, April 16 (UPI)—Army Air Materiel Forces told today that Japan's Japanese forces had in a speech. "The 100-bomber and fighter attacks by the Japanese on our base at Morebly and Milne Bay, which came in the face of a great concentration of the enemy in the perimeter of Islands north of Australia."

### JAP CLAIM VICTORY

**WASHINGTON**, April 16 (UPI)—A Japanese broadcast by radio Tokyo today, too, reported that "air raids and aerial bombardments" had destroyed four planes downed and destroyed 10 more aircraft.

The foolish people who scoffed at warnings of Japanese attacks were proved wrong, the Japanese said in a speech. "The 100-bomber and fighter attacks by the Japanese on our base at Morebly and Milne Bay, which came in the face of a great concentration of the enemy in the perimeter of Islands north of Australia."

### BURLEY BABY DIES

#### Soon After Birth

**BURLEY**, Idaho, April 16—Infant daughter of Mr. and Mrs. Frank Dusdy died Thursday afternoon at the family home shortly after birth. The child was the second son for parents and one brother, Edward.

Graveside rites will be conducted at 10:30 a. m. Saturday at the Burley Cemetery. Mrs. Anna Lillian Larsen officiating and burial under direction of the Burley home.

## WEATHER

Scattered thunderstorms but with very little rain; little change in temperature tonight. High yesterday 80; low 73; low this morning 48.

Keep the White Flag of Safety Flying

## O. K., Buddy?

Scenes dream Irene Manning has been chosen Baby Poppo girl for 1943 in connection with the P. W. W. Fund for the week preceding Memorial Day.

## BRITISH ADVANCE IN FIERCE FIGHT

(From Page One)

British held ground

smashed counter-attacks and captured

more prisoners.

Last Stand Line

It was apparent that the British forces, even small allied thrusts that Field Marshal Erwin Rommel and Gen. Juveon von Arnim intended to try to hold

Two British brigades, almost entirely on a pack transport train, had the main British attack which took the Derna-Antena road right. Wheeled vehicles were left behind.

The major credit for the attack must go to the infantry who, after five months of continuous contact with the enemy, put on a great show over very difficult country.

Villa Olido, El Mas and Decembarone airfields were listed among the Sardinian targets for the day. British bombers and commandos

dropped large fires started at Decembarone.

Trucks Shot Up

German transport was given no rest on Tunisian highways even at night. Fighter planes shot up motor vehicles and trucks, and the British 100 miles south of Tunis, and along the Tunis-Hammamet road by moonlight.

Mitchell bombers set a gasoline dump afame in a raid on the landing grounds at Ste. Marie Du Zint and Wellington followed up with a great show over very difficult country.

Villa Olido, El Mas and Decembarone airfields were listed among the Sardinian targets for the day. British bombers and commandos

dropped large fires started at Decembarone.

There was a lull in aerial fighting over Tunisia, but two Messerschmitt 109s were shot down during the day.

During the day Kittiwakes and Warhawks bombed and shot up anti-aircraft supply columns in the difficult terrain.

There was a lull in aerial fighting over Tunisia, but two Messerschmitt 109s were shot down during the day.

During the day Kittiwakes and Warhawks bombed and shot up anti-aircraft supply columns in the difficult terrain.

Malta-based planes again attacked railway and highway lines in Sicily and destroyed two Junkers 88s.

Allied night fighters attacked several small ships off Hammamet and wharf buildings and trucks near Hamma.

Malta-based planes again attacked railway and highway lines in Sicily and destroyed two Junkers 88s.

According to A. Elliott McDowell, commanding officer, 1st Battalion, 10th Inf., 3rd Division, the unit had been in the annual meeting of the organization, total sales reached \$32,914.27, an increase of 24 percent over 1941 sales.

Dr. A. M. Peppas, Boise, was re-elected president of the association and Major Goodwin was retained as executive secretary.

Speakers included Dr. F. L. Berry, director of the state department of public health, and Dr. G. M. Nease, medical officer at the Japanese relocation center, Hunt.

County commissioners, Mrs. Katherine Eakin, Jerome; Mrs. N. K. Jeuck, Rupert; Mrs. Audrey Seegmiller, Shoshone; Mrs. D. Sidney Smith, Shoshone; Mrs. Freda Clegg, Gooding, and Mrs. Ruth Gwin, Mountain Home.

The Hospital

Only emergency beds available at the Twin Falls county hospital Friday.

ADMITTED

Mrs. Frederick Munyon, Jr.

Father; Thomas R. Hutchinson, Mur-

phy; William C. Cook, Shoshone;

Mrs. Elinor E. Edwards, Shoshone;

William, Shoshone; Rich-

ardson; Baby Boy Gray, Miss Lora O'Toole and Mr. W. E. Wheeler, all of Twin Falls.

DISMISSED

Edward McCarty and Lagenna

and Lucy A. Farris will be held at

2:30 p. m. Saturday at the Bethel

Temple church with Rev. B. E. Da-

vis officiating.

Funerals

Now 10 days without a fatal traffic accident in our

Magic Valley.

## AXIS STRONGHOLD SEIZED BY REDS

**MOSCOW**, April 16 (UPI)—The red army, hammering back the axis bridgehead in the northwest Caucasus, stormed and occupied an axis stronghold on the Taman peninsula today.

All German attempts to restore the situation were hurried back with a heavy toll of tanks, guns and men.

Axis forces followed a series of strong German attacks yesterday, which cost the enemy 600 men and 12 tanks without inflicting any damage on the Red Army.

German infantry, supported by tanks, also attacked the Soviet lines without success, losing 200 officers and men, two tanks, two guns and many prisoners.

Above Chuguev, 22 miles southeast of Kharkov, the Soviets threw back a German attack and then advanced in a counterattack, the mid-day communiqué said.

German infantry, supported by tanks, also attacked the Soviet lines without success, losing 200 officers and men, two tanks, two guns and many prisoners.

Above Chuguev, 22 miles southeast of Kharkov, the Soviets threw back a German attack and then advanced in a counterattack, the mid-day communiqué said.

## Thespians Take Part in Victory Drama Program

Twin Falls high school Thespians organization became an active member of the nationwide high school theater victory program when it staged its one-set plays at the high school.

In order to become a member of the organization a group must participate in the drama activities. The Twin Falls Thespians qualify by donating the money they raised on the plays to the Stage Door canteen and the Victory Fund.

All five plays were class work, produced, directed and acted by students in the "Stage Door" series. The first play was "The Devil's Own." The last, "The Valiant," was in a more educational vein, the four comedies were "The Devil's Spies," "The Devil Must Talk," "Madam President," and "Then Came the Spring."

Exhibits will be concentrated for his performances Jim Campbell who plays the part of a young man watching a baby in "Then Came the Spring."

Four months-old Patrick Henry Goekner seemed to understand everything that was said and acted in the proper place.

Just as the Thespians and awards were given to the people, one for comedian and the other for the dramatics, awards were presented to Misses Jeanne Wetherbee and Miss Elaine Glens by the Twin Falls business university. She has been employed at the U.S. employment office in Twin Falls for the past year.

The bridgeburner graduated from the Kimberly high school and is engaged in farming near Kimberly where they have a home.

## Miss D. Collard Says Examination Is Cancer Guard

"The best positive advice in guarding against cancer," declared Mrs. Dorothy E. Collard in speaking at the recent meeting of the women's club of the Utah Agricultural college at Idaho Falls.

The bridgeburner graduated from the Kimberly high school and is engaged in farming near Kimberly where they have a home.

Teddy Sherman, movie new-comer, goes for western garb, and appropriately so, for her father is Harry Sherman, veteran Hollywood western film producer.

## Look to Future By Buying Bonds, Says BPW Head

"Women who work know that it is better to buy bonds than to buy war," stated the speaker, "and that the protection of manpower should be the concern of every woman. It is too early to say that an annual physical examination is a patriotic duty. So the woman's job is to back the cause of the movement and to help save our own life and help the war effort by learning the danger signs of cancer."

The club was entertained Thursday afternoon by Mrs. Henry J. Wise and Mrs. Frank Valentine at the Wise home.

Mrs. Dorothy E. Collard, Mabelberry, Mrs. Elmer Thiba, Mrs. A. G. Gray, Mrs. Virgil Williams, Miss Hazel Booth, Mrs. O. H. Neely, Mrs. John C. Johnson, Mrs. Edith Anderson, Mrs. Jeanne Harper, Miss Melba Holt, Miss Irene Schulte, Miss Virginia Merritt, Miss Elizabeth Green, Miss Dorothy Glens, Bill Bush, Bob Deem, Cecil Gish, Jim Campbell, Don Bales, Dick Victor, Cliff Rickard, Paul Moxley, David Flige and James Whiting.

Amenities were made by Robin Blaser, Thespian president.

## Cancer Symptoms Explained to Club

Mrs. R. A. Penney explained symptoms of cancer of the breast to members of the Mary Merrill Women's association at their meeting when they met at Mrs. Lloyd Hill and Mrs. Oscar Kline's home.

Six danger signals were explained by Mrs. Penney: Any persistent lump of thickening; and irregular shape or size; from any of the body organs; any sore that does not heal; persistent indigestion; sudden changes in the form of growth of any part of the body; and habits.

A \$5 donation was made to the fund, as well as the same amount from the women's club. The mothers' guest day plan was made. The event will be April 29 at the school.

## Leaders Reelected By Baptist Class

Officers of the last year were re-elected at the Mary Merrill class meeting held at the Baptist church. President is Mrs. J. D. Wakem; vice-president, Mrs. P. L. Tucker; treasurer, Mrs. Walter Turner.

The role of Madame Chancery, which was assumed by Mrs. Virginia gave a lesson on handicraft by explaining how to make cardboard mats from felt hats.

An Edible prayer was presented by Mrs. Helen French. Mrs. Alice Holloway read the Easter story and Mrs. Alice Adkins gave an address. A memorial service was given for Mrs. Conner and Mrs. Eddie Tucker.

A nomination committee was appointed and election will be at the next meeting.

## Farewell Dinner Planned by Club

Plans for a so-called supper at the home of Mrs. Mrs. M. M. Park were made when the Blue Lakes boulevard club met at the home of Mrs. McDonald and Mr. Park. The Warks are moving soon to town. A \$5 contribution was made to the camp fund and Mrs. McDonald and Mr. Park exchanged hub exchange. The next meeting will be the annual guest day at the home of Mrs. Boone, April 28.

# A. P. SCRIBES PICK REDS TO TAKE NATIONAL LEAGUE FLAG

## Dodgers Selected to Gain Second Position

By WHITNEY MARTIN

**NEW YORK.** April 16 (AP) — It generally is agreed that anyone is an ump-chay who would try to predict the outcome of the major league races this year, so we'll stay right in character and express a firm opinion in no uncertain words. *Or maybe it should be express an uncertain opinion in no firm words.*

Besides, we have a reputation to uphold and don't want to disappoint our loyalists who wait patiently for our permanent choice so they can scurry right out and put their two-bits on some other team. Here is the way we see the National League race:

1-Chicago; 2-Brooklyn; 3-St. Louis; 4-New York; 5-Cleveland; 6-Pittsburgh; 7-Boston; 8-Philadelphia.

The choice of Cincinnati to win is no secret. You might say it was a hunch we've been holding for a long time, but we'll let them think it's the law of averages that's been repeated.

**Cincinnati May Be Lost.**

Cincinnati has suffered fewer real losses than the rest that any other club. Mike McCormick, manager of the only regular loss, and the Reds were good enough to finish fourth last year.

Sure, they have less winning power than the others, but the Reds are the only ones that aren't going to be hitting much this year, and the Reds have some clowns pitchers, and we'll bet the Red Sox will be at short, will have a stout defense.

We'll place the Dodgers ahead of the Cardinals for second place because the Cards have a better chance to stay with the team, and even if some of them have allowed to let go, they still can hit the ball.

Those three clubs—the Reds, Cards and Dodgers—should finish 11-12, 12-13, or 2-14-15. We'll take the Browns as the best hope to, with about all you can be sure of being that the teams will finish in the league season finishes.

## Filet of Carp Sells Quickly

**BOISE.** April 16 (AP)—Fresh filets of carp, sold at \$1.50 a pound, the supply wasn't sufficient for the demand.

Twenty fresh fish trapped in the Boise River, which is the state fish and game department as part of its rough fish removal program, the filets brought 35 cents a pound, while the whole fish cost 38 cents a pound at another.

Both retailers were sold out and reported they could not get more. Paul H. Johnson, director of the department, reported a similar rush for fish taken in the Snake river in American Falls marks a record.

The fish were sold to the markets at cost of trapping. Perrine said for most it was little less than cost.

"There's no money to be made in trapping today," he said, "so why waste rations?"

He added that the fish often contained parasites by sportfishing, so he places them in either crates as soon as possible.

The state has been removing literally thousands of fish that are threatening to both sportfishermen and market dealers this month as part of a program to benefit trout and game fish by removing the non-game species such as carp, catfish, gar, bowfin, etc., that are being removed.

The department has been busy setting up traps to remove the fish from parts of the country since the official announcement of its plans for the carp-removal program.

## 250 Golfers in Dallas Event

**DALLAS.** April 16 (AP)—Texas' first post-war victory, open starts today with indications that at least 250 golfers will tee off in the tournament, to be conducted as the major links meet in the southwest for the day.

Only a few names presented in the field are well known, but there were plenty good, solid suckers and fellows who long have been top amateurs here, like the Mason-Dixon line.

Little Ben Hogan, three Vardon cup winner and twice the nation's leading amateur, and Ed Dudley, national amateur and national PGA, are among the entrants.

Another top choice was Texas' Henry Hanson, who has already tied for the national amateur title.

Heading the amateurs are Harry Todd, low man in his class in the last two years, and Tom O'Hara, O'Hara Watty, David (Speed) Goldman, Earl Stewart, and Iverson Martin, all of whom have earned high awards in southwestern golf.

**Threat of Flood Closes Hatchery**

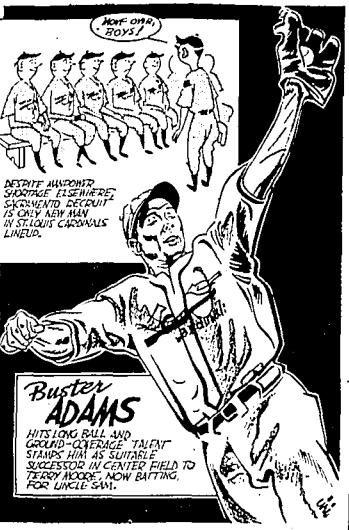

**BOISE.** April 16 (AP)—The state fish and game department has ordered temporary abandonment of the hatchery at Cascade, due to the threat of floods next week in the Boise river.

A total of 450,000 fish of all ages have been raised there. Some have been planted this week in ditches and other waters near the hatchery. Hurton Perrine, department of culture, said, smaller fish have been removed to other hatcheries.

The hatchery will remain closed until the water level goes down, he said. It is located along the river below the Linder bridge near Eagle.

## New Card in Old Deck

## Pimlico Race Season Opens

**BALTIMORE.** April 16 (AP)—Maryland's rationed racing season, reduced to 20 days this spring because of wartime gasoline shortage, impossible for most of one track to operate, opened today at the Maryland Jockey Club's Pimlico track.

The Pimlico will still donate the proceeds of a special five-day meeting to the national war fund as racing's main contribution this year to the \$100 million goal of \$2,000,000 for relief causes.

Although aided by a state office of rationing, the Marylanders believe that racing may not be driven to the track if only 8-cent aviation gasoline is used, the track will probably maintain its present car service.

The Pimlico meeting is served by four street car lines.

There will be no stakes races during the first two weeks, but the features will have the same "first time" flavor, being named for battle sites of the current conflict. The first race, for instance, is the Guadalcanal, and the 70th is the Okinawa.

Pimlico's barns are virtually filled to the brim, and additional stalls are quartered at nearby Laurel Park.

Pimlico's May regular meet will start next Thursday. That meeting will be climaxed by the running of the historic Preakness stakes on May 8.

**Broken Neck Can't Stop Grid Star At Officer School**

**SAN MARCOS,** Tex., April 16 (AP)—Football foes of Duane Purvis found it tough to handle back in the thirties.

The Army air force is finding him just as tough. He's the guy who went to college, officer candidate school at MacDill Air Force Base, Fla., with a broken neck.

Nine months ago the former Purple Knight was a high-flying, fast-thinking, 18-year-old college football star. He failed to decide a break and some weeks later he reported at MacDill Air Force Base, Fla., to undergo a physical examination for his first year of rigorous training, according to Kelly Field, San Antonio, in December.

Examination there showed the break and a delicate operation was performed. Doctors told him he was extremely lucky to be alive, and he was sent to the 10th General Hospital in his native career, but somehow the guy always has managed to come out on top.

He had to sit out his senior year at Purdue when he couldn't compete in track until the last meet because of a football injury, but he got back to it, though, so he could get out and do one throw with the javelin. He broke the state record and won his letter.

**Ross Will Resume Plant Tour**

**NEW YORK.** April 16 (AP)—Completely recovered from a recurrence of malaria suffered on a trip to South America, Jimmie Ross, former light heavyweight champion, will resume his tour of defense plants with Cleveland as the first stop on his program.

He will speak in St. Albans naval hospital here since March 15, will be released tomorrow and leave Sunday for Cleveland.

Guadalcanal, Ross was scheduled to begin the tour after he collapsed from the attack. Officials said he has recovered completely.

## Wakefield Is Prize Rookie

**NEW YORK.** April 16 (AP)—One of the most promising young players in the major league has been the head of the rookie ranks in the major league club used to until the end of the season.

It is Wakefield, who is fast this year, but they are pretty nine-tenths and the competition for honors as "rookie of the year" seems likely in the past.

The best known newcomer, perhaps, is Dick Walker, who, two years ago he auctioned his service around the major leagues to the Tigers. They signed him for, apparently, to appear in the All-Star Game.

**Led Team League.**

From the University of Michigan he went to Detroit's Piedmont league farm at Winton-Salem in 1941, and last year he was the top player in the team league where he won the batting championship with a .345 average, making 192 hits, scoring 162 runs and having 102 walks. He was named the league's most valuable player.

There is a question, though, about how well Wakefield will field and how he will do in the big leagues among the Bengals. He is single, but thus far has been deferred because of dependents.

Before the season opens, the outstanding national league rookie appears to be left-fielder Eddie Stanky of the Chicago Cubs, who was the batting champion and most valuable player in the American association last year, at Milwaukee.

He also led in runs scored with 125 and in doubles with 24, or 2-14-15. We'll take him to lead the team, and even if some of them have allowed to let go, they still can hit the ball.

**Three Card Rookies.**

The St. Louis Cardinals, who had the last two seasons been the best team in the league, have a big group of candidates again this season—among them, pitchers George and Harry Birchen and outfielder Billie Duster Davis.

The Boston Braves also are high on the list. Chilly (Red) Hart, who has been a star in the minors for seasons but never a complete campaigner, the majority, has been a star in the Interleague, besides Wakefield, remained watchful.

## ITALIANS PRAISE BRITISH ARMIES

By FRANCIS BRUTON  
DETROIT, April 16 (UPI)—The British army now is a model for Italian troops who once looked upon German military discipline and ability as unsurpassed, a Rome dispatch to the Tribune of Rome said.

"A Rome broadcast heard in London Wednesday night called the British army 'the finest fighting force in the world today' and said 'it represents the most modern and most powerful fighting unit in the world's armories.'

The dispatch, apparently trying to tell more than censors would permit, also reported that authority to command the British army came from Italian officers and entrusted to superiors now had been returned to part of it. It was to reorganize the Italian army.

Above All Pride

"The courage, discipline and spirit of sacrifice of the British army in Africa and elsewhere in the world," said the dispatch. "Their splendid physical condition, combative spirit, the ability of their commanding officers to lead the British RAF could serve as an example to the finest armies in the world."

The dispatch quoted the Italians as saying that the reputation of the qualities of the foe "is necessary because underestimation already has proved to be costly."

The Italian army, many of whose men had been nearly three years in the African deserts, had to be reorganized in Tunis after being driven out of Libya by the British, the newspaper report said, and the men had to be "reduced" to command attack after playing a passive role for so long.

System Found Useless

Without specifying exactly what changes were made, the dispatch quoted the Italian as saying that the command which could possibly be justified for foreign armies "but which is useless to the Italian army" was eliminated and the framework of the Italian high command reorganized.

O. J. Bothne Joins  
Dettweller's Staff

O. J. Bothne, manager of the Twin Falls Gamble's store the past three years, has resigned that post and will be associated with Dettweller Bros., Inc.

Chadie H. Dettweller, president of the firm, said Bothne will be in charge of the new department store for the duration and after the war will be manager of the apparel department.

Bothne is secretary and one of the incorporators of the Magic Valley Processing company, potato starch manufacturer. He is president of the local Elks club, a members' club treasurer of the Merchant's bureau, vice-president of the Lions Club and is a captain on the board of the Idaho round robin reserves.

His resignation from Gamble's ended an association of 13 years, during which time O. J. Bothne was manager at Menominee, Wis., for eight years before coming to Twin Falls. He had also managed other Gamble's stores in Wisconsin and Lincoln, Ill. He is a native of La Porte, Mich.

"As far as I'm concerned," he said, "I don't have any place in this nation like Magic Valley. I want to live here permanently."

**Eagle Rating for  
Two Hunt Scouts**

HUNT, April 16.—Two Hunt Scouts, Carl W. Wilson and Robert D. Est, in Scouting, at a court of honor held Wednesday night at the Minidoka center, Watson, Idaho, as assistant Scoutmaster, Carl W. Wilson, was presented his award by his father, Yoshi Asaba. Kelli Sono, district assistant Scoutmaster of troop 122, and his corps, received his Eagle award from the hands of his mother, Mrs. Yone Asaba.

Frank G. Singh, assistant Scoutmaster of troop 122, received Star Rating. The Rev. G. Shoh, his father, received the award.

J. R. Bandy, chairman of the executive of the Snake river council, presided at the court of honor. Seven Scouts received first class badges, 10 received second class badges and 20 were awarded merit badges. A three year service award was given to Richard Insel, assistant Scoutmaster of troop 122, and a two year service award to Charles E. Wilson, Scoutmaster of troop 122. These awards were presented by W. W. Frank, Twin Falls district commissioner.

E. Schobler, who has resigned as Hunt district chairman, was given an appreciation award on behalf of the district. Carl W. Wilson, who has two former Scouting sons in the army, explained the scouting program to parents. About 30 persons attended the court of honor.

Spence Robinson, Scoutmaster of troop 11, and members of his troop, with the sword she seeks quiet, peace under liberty" is the state motto of Massachusetts.

## 2 TICKETS FILED IN BURLEY RACE

### Hempleman Methods Provide Real Help to Farmer-Feeders

By DALE W. EVANS

BURLEY, April 16—Two complete ticket books have been entered in the "People's party" race at the track here April 23, following the nomination of a "People's party" ticket to compete for votes with the "Victory" ticket.

Lynn Hempelman, and his father, Alfred, respectively known to the community as "the Hempelmans," are definitely of the first kind.

We had heard a lot about their methods and their feed set-ups, but until we saw them, we saw more than we had hoped for.

In the first place we found a beautiful farm, "beautiful" is only word that will describe it, with two pretty, white dwellings, green roofed and green trimmed, well-kept yards, barns and equipment, kept clean, barn and equipment, and "beautiful" cattle. At least they are all beautiful to one and to the other.

Seems Automatic

To a specialist there were no doubts, many outstanding things were found, but the general impression was impressed principally with two things: The fact that everything seemed to work automatically, and the added fact that everything was in its place. We're

### Mrs. Morrison's Last Rites Held

WENDELL, April 16—Funeral services for Mrs. Jennie Miller Morrison, 85, were held yesterday at the home of her daughter, Mrs. Charles Grimes, who assisted in recent Red Cross drives in the church.

Mrs. Morrison had lived in Idaho since 1916, first in Twin Falls and since 1924 on the north side. She was a member of the Twin Falls Woman's Club and the church.

With labor already short, farmers foresee a real pinch during the coming harvest and call for the favor of action to meet the present supply situation. Farmers will use the old hotel building here for the new hotel building.

With labor already short, farmers foresee a real pinch during the coming harvest and call for the favor of action to meet the present supply situation. Farmers will use the old hotel building here for the new hotel building.

The No. 3 volume issue also may be used to couple more items of news of interest to the public.

Officials said they had no intention of using the No. 3 book to return any new commodities, but could make no promises because of the unusual possibilities of special emergencies.

### Ration Book No. 3 Issuance in July

WENDELL, April 16 (UPI)—On Saturday, April 23, the issuance of ration book No. 3 will be issued soon, probably late in July, but will be issued early in August.

Burke, Idaho, has three children. The mother needs \$20 per month support for the children and custody of the children during vacation. The father may have their custody during vacation months.

**DESTINATION  
Fighting Front**

BURLEY, April 16—Dorothy Johnson has filed suit for divorce from Charles Johnson on grounds of mental cruelty. The couple married in Burke in 1936 and have three children. The mother needs \$20 per month support for the children and custody of the children during vacation. The father may have their custody during vacation months.

## SUBSTITUTE FOR QUININE SOUGHT

By HOWARD W. BLANTON  
Associated Press Science Editor  
DETROIT, April 16 (UPI)—A huge program of search for quinine substitutes, which the United States is making, was described, within limits permitted by military secrecy, to the American Chemical Society.

Dr. E. L. Shand, of the U.S. Public Health Service, told the society that

fact that more than one per cent

of the nation's domestic ducks are

serving as guinea pigs testing test

drugs to combat malaria.

A lot of chickens and canary birds are also serving.

The duck census was given by F.

W. Whitepage, Johns Hopkins University.

He said also that of all the new drugs tried about 12 per cent

are showing some ability to combat malaria.

Dr. L. T. Coggeshall, University of Michigan, said that some of the new drugs are effective, but that none is as effective as quinine or atabrine.

Dr. W. L. Laurence, University of New York, expects to be making atabrine at a rate five times larger than the world's total annual production of quinine.

This was reported by A. E. Shand

of the Winthrop Chemical company, which brought atabrine to the country from Germany by the war.

The atabrine planned would take

care of upwards of 100,000,000 people.

Atabrine is more effective than

quinine in that it will not cause

any side effects.

It is expected to be effective in

as little as 100 mg. daily.

Atabrine is also less toxic than

quinine.

William L. Laurence of New York

City proposed a new kind of attack on malaria.

This is use of a combination

of atabrine and quinine.

He said the fever-causing

adults extracted therefrom, may be

expected to starve the malaria

parasite in the human system.

He said the avoidance of atabrine

in order so that it will work.

The atabrine is to be taken in

daily doses of 100 mg. daily.

The atabrine will help to protect

troops by cleaning up the distance among civilian

populations.

## THE 2ND WAR LOAN DRIVE IS ON!

# Winner Take All !

There is one stark and simple fact about war which you had better get straight . . . and quickly, too  
**THERE IS NO SECOND PLACE IN A WAR—IT'S EITHER WIN OR LOSE!**

This war is being fought for tremendous stakes . . .

...for your life and your liberty.

...for your church and your children.

...for your freedom and your future.

And it's WINNER TAKE ALL. Don't forget that for a minute.

The winner will dictate whether tomorrow you shall be a free citizen of a free world, or a helpless slave to a "master race."

The winner will dictate whether you shall live and prosper under the Four Freedoms, or toil hopelessly in the darkness of a "New Order."

The winner will dictate . . . because the winner takes all.

The winner takes all. All you own, all you hold dear.

The winner is being decided right now . . . today . . . this very minute . . . on battlefields all over the world. Will you stand idly by . . . or throw all your weight on our side?

The weight of mighty tanks and planes. The weight of thousands of guns and millions of shells. The weight of billions of dollars . . . 13 billions which your country asks you to lend during this Drive.

Your country wants to borrow every idle dollar you have—every dollar except what you need for the bare necessities of life.

You'll have to give up some luxury or comfort which was dear to your heart. You'll have to postpone some pleasure which you had been eagerly anticipating.

But what of it?

Your sons and brothers and husbands are dying out there . . . fighting your fight. Surely it is no sacrifice to lend your dollars while they are giving their lives.

They need your help. They need the weapons your money can buy. If one of the War Loan volunteers calls on you . . . greet him with open pockets. Remember, Uncle Sam's goal is 13 billion dollars in April.

Don't wait to be asked. Go to your nearest bank, investment dealer, broker, Post Office or issuing agency and lay your money on the line. Remember, it's an investment you're making—an investment that pays a good return and insures a happier future for you and your loved ones.

So lend up to the limit.

You'll sleep better for it.

There are 7 different types of U. S. Government securities—choose the ones best suited for you.

**United States War Savings Bonds—Series E:** The perfect investment for individual and family savings. Gives you back \$4 for every \$3 when the Bond matures. Designed especially for the smaller investor. Dated 1st day of month in which payment is received. Interest 2.9% a year if held entirely. Denominations: \$25, \$50, \$100, \$500, \$1000. Redemptions any time 60 days after issue date. Price: 75% of maturity value.

**2½% Treasury Bonds of 1954-1958:** Readily marketable, acceptable as bank collateral, these Bonds are ideal investments for trust funds, estates and individuals. A special feature provides that they may be redeemed at par and accrued interest for the purpose of satisfying federal estate taxes. Dated April 15, 1948 due June 15, 1963. Denominations: \$200, \$1,000, \$5,000, \$10,000, \$100,000 and \$1,000,000. Redemption Note callable till June 15, 1964 thereafter at par and accrued interest on any interest date at 4 months' notice. Price per and accrued interest.

**Other Securities:** Series "C" Tax Notes; 5% Certificates of Indebtedness; 2½% Treasury Bonds of 1950-1952; United States Savings Bonds Series "T"; United States Savings Bonds Series "G".
