Tunisia Noose Tightens

By VIRGIL FISKE... ALLIED HEADQUARTERS, NORTH AFRICA, April 29 (UP)—American infantry gained important ground in savage fighting against prepared German positions in north Tunisia...

FDR Eyes Post War Training for Youth

By DOUGLAS B. CORNELL... WASHINGTON, April 29 (UP)—President Roosevelt ended a 20-state war-inspection tour today with an idea that the youth of America, making use of industrial plants and military camps, might well give a year's service to their government in the post-war era.

Deadline Is 10 a.m. Saturday

By HERBELL HILLMAN... WASHINGTON, April 29 (UP)—President Roosevelt in a strongly worded telegram to John L. Lewis, of the United Mine Workers, warned today that "if work at the mines is not resumed at 10 o'clock Saturday morning, he will use his powers as commander-in-chief to prevent interference with prosecution of the war."

First Recall Election Looms As Townsendites Hit at Bott

By JOHN CORLIETT... BOISE, April 29 (UP)—Idaho's first recall election in history appeared a possibility today with Gov. C. C. Bott's veto of a bill for a recall election...

U. S. Task Force Bombards Attu

By VIRGIL FISKE... WASHINGTON, April 29 (UP)—The navy today reported an American naval task force bombardment of Japanese positions on Attu in the Aleutians and a destructive air attack on Tarawa, enemy air base in the Gilbert Islands group in the South Pacific.

13 Billion Loan Over-Subscribed

By VIRGIL FISKE... WASHINGTON, April 29 (UP)—Underwriters of Treasury Dept. bill today announced that the \$13,000,000,000 second war loan was over-subscribed by at least \$2,500,000,000.

MINERS RESOLVE

FOR ULTIMATUM

(From Page One)

effect of the coal strike was a crippling defeat in the field.

"The production of coal must continue without coal. Without coal, no other industry can produce tanks, guns and ammunition for our weapons over the seas and our sailors in the field will be helpless without coal."

"I am sure that the men who work in the coal mines and in the armed forces, do not want to regard the coal which they have so generously contributed to the war effort as so much as state."

Appeals as friends

"Not as President—no as commander-in-chief—no as a friend of the men who work in the coal mines, I appeal, that they will return to work immediately and their case to the national war labor board for final determination."

"I have confidence in the patriotism of the miners. I am sure that when they realize the effect which will have upon our boys at the front, they will return to their jobs."

"I will not wait while strikes and stoppages run their course. Therefore, if you do not return to work by 10 o'clock Saturday morning, I shall use all the power vested in me as a member of the national war labor board of the army and navy to protect the national interest and the successful prosecution of the war."

Soldiers May Enter

If orders are issued by the president, as he has the war labor board, observers believed it likely that Mr. Roosevelt's troops would enter into the coal fields to protect miners willing to work.

Secretary of war, **L. Stimson**, at a press conference today, refused to answer a question as to whether the army would be prepared for taking the mines over.

The president read his telegram at the opening of a special press conference, called to permit him to give an account of his trip.

He recalled that the coal strike had been certified to the war labor board and that the miners working failed to recommend a panel member to investigate the facts.

DEMANDS WAGE BOOST

WASHINGTON, April 29 (UP)—The executive board of the Congress of Industrial Organizations will meet May 14 in Cleveland to demand wage adjustments to meet increased living costs unless the strike is rolled back to Sept. 15, 1942 levels.

CIO President Philip Murray, in announcing the strike, said that the last night accepted economic stabilization director James P. Byrne, Price Administrator Charles M. Brown and Food Administrator Chester C. Davis of "complete failure to carry out existing wage controls."

Need 14,409 Names

Total vote for governor at the last election was 14,409. Only 14,409 signatures need to be obtained.

The Townsendites, led by **O. Scott**, national Townsend representative for Idaho and now employed by the municipal government, announced that they proposed grants act on the 1942 election ballot. The initiative would require affirmative votes, more than that cast for any candidate, to become law.

"We have the names of all persons who circulated the grants act petition," said **Herbert**, "and names of all persons who signed them. It will be easy to get those 14,409 signatures."

Though Townsend said shortly after his election that passage of the grants act was a matter for the legislature to provide funds for increased pensions, he charged in his recent speaking act with both branches of the assembly by substantial majorities on grounds financing it would bankrupt the state.

He then unsuccessfully sought the recall of the legislature for relief, but did push through a resolution creating an interim committee to study the public needs of the state.

James W. Johnson, president of the Independent Public Action Party, called the recall bill rolling at a meeting of the southwestern Idaho Townsend club Tuesday night.

Emmett Monday night. The representative enthusiastically endorsed a motion to seek recall of the governor and the repeal-voting legislators.

Scott, because he accepted employment with the state, also is seeking his removal as Townsend national representative.

Scott does not wish to submit the recall movement.

REPEALER URGED

BOISE, April 29 (UP)—Validity of a 1942 act repealing the initiative-repealer act was upheld today in an unprecedented 4-1-1 decision of the Idaho supreme court.

The court, in a majority opinion written by Justice James P. Alline, ruled the law is valid. The court stated that the initiative-repealer act, though not a question without further litigation.

"Validity of the repealer was questioned by George L. Curtis from a motion to seek recall of the governor and the repeal-voting legislators."

Recall "Mistake," Rep. Morgan Says

E. Morgan, Idaho's representative from Twin Falls county, declared it "a mistake for the legislature to repeal the initiative-repealer act."

"I think it's a mistake for them to do that," he said in a statement. "The legislature has no right to act in the welfare of the people of Idaho as anyone can be. They studied the proposition and they voted on it and what they thought best."

"With all the forms letters that have been in in the legislature, I have never yet had anyone approach me and say that I was wrong in voting for the repealer."

WANTS ADVANCE

IN SAVAGE FIGHT

(From Page One)

from the front line, but in that area the American scout corps continued to push the enemy into the hands of the British. About 12,000 to 15,000 German troops are reported to be in the hands of the British and the allied forces are making slow progress.

The American scout corps is in a hot battle for Hill Hill on the left flank. It is miles wide and the terrain is very rough. An important hill commanding a valley that runs southward to Helig-

WAR BOND TOTAL

Now \$1,122,726

War bond sales totaling \$1,122,726 were reported at noon by C. R. Nelson, Twin Falls county chairman of the victory fund drive, when he announced that only \$30,572.25 is needed, in the final hours of the drive to reach the county quota of \$1,153,300.

Encouraging reports from all districts indicate a solid response on the part of the men and women of Twin Falls county. Nelson declared, "The Bullitt district chairman, Gan L. Thompson, has reported sales of \$248,672.88. Victory fund committee workers in the Kimberly-Murrah districts have reported sales in excess of \$15,000. And a group of women under the direction of Mrs. J. E. Polman reported sales of more than \$3,000 from the Edinboro tract in the last two days."

The women's committee headed by Mrs. O. G. McCall was reported to be effectively carrying on the campaign among women's clubs of the county. Nelson said he was expecting an avalanche of bond-buying in the last couple of days to carry the county well over its quota.

IN THE HEART OF THE SHOPPING CENTER OF TWIN FALLS

REFUGEE MEET CALLED MOCKERY

ALBANY, N. Y., April 28 (AP)—The British-American conference in Bermuda seeking a solution to the European refugee problem was criticized last night by the president of the Synagogue Council of America as "not only a failure but a mockery."

Rabbi Israel Goldstein, New York City, in an address before a stoppage rally sponsored by the American Jewish Congress, declared "victims are not being rescued because the conference do not want them."

"The job of the Bermuda conference apparently was not to rescue victims of man's error, but to rescue the conference department and the British foreign office from possible embarrassment."

"It is a sad commentary upon the disparity between our professed war aims, which speak in terms of humanitarianism, and our actions, which are motivated by timidity and by caring to the forces of reaction in our midst."

"While we are gathered here," Rabbi Goldstein continued, "a large group of men is gathered in the peaceful land of Bermuda, among the Eastern Isles, sheltered from the impact of public opinion, ready to adjourn their conference which has been not only a failure but a mockery."

	"Blockbusters"	\$13,000,000,000

Here's an idea of what Uncle Sam can buy with that \$13 billion America is investing in war bonds in the second war loan.

Old-Timers' Aid Asked to Locate Andrew Lavoie

The help of Music Valley old-timers is sought by a Cascade Summit, Ore., woman in locating members of her husband's family, who she thinks may live in this section of the country.

In a letter to the Twin Falls Chamber of Commerce, Mrs. Eugene Lavoie said she had heard of a Mrs. A. Lavoie, Twin Falls, and expressed the opinion that she possibly might be the wife of her husband's eldest brother, Andrew Lavoie.

The father of Eugene Lavoie and Andrew Lavoie is Joseph Lavoie, and the mother Hermine Pinaud Lavoie.

"We are very anxious to locate some of them," says Mrs. Lavoie's letter, "as they do not know whether their youngest brother is alive or not."

Miss Jenn Haug, C. of C. secretary, asks that her office be notified if anyone in this territory knows the whereabouts of the Lavoies in question.

Final Rites for Peter J. Chugg

RUFFLET, April 29—Funeral rites for Peter J. Chugg were held Friday afternoon at the third war L. D. S. church with Bishop Wayne Tanner officiating. Burial was directed by the Goodmann mortuary at the Rufflet cemetery.

Service included solo, John Nisbet, accompanied by Mrs. Irene Madson; prayer, George Darby; duet, Mrs. L. W. Dapain and Mrs. Gordon Goff, accompanied by Mrs. George Hawk, Jr. Speakers were Paul Wilcox and Albert Harrison with closing prayer by Bishop Tanner. The grave was dedicated by Fred Tolman.

Palbearers were Frank Ballard, Roy Sunmuthman, Tom Mortland, Roy McClane, Lehard Hoops and J. Geyer.

CAREY

Dallas Jutstein, son of Mr. and Mrs. Lavar Jutstein, has returned from the Hauler hospital where he was taken after swallowing a quantity of gasoline.

Miss Cyril Looell and daughter Sharon, Nampa, and Mr. William Rawson, and son Francis, St. Anthony, are visiting at the home of Mr. Martha Harris. Mrs. Rawson was formerly Marjorie Looell.

Miss Phillip Schwilke and son Boyd returned to their home in Iowa after visiting for a week with her parents, Mr. and Mrs. T. S. Patterson.

Funeral services for Mrs. Perry Harris were held Thursday at Simpson. Relatives of Mrs. Harris living in Carey were present at the funeral.

Mrs. Roy Wood, Pocatello, is visiting for a short time with her parents, Mr. and Mrs. Harold Hoops, Sergeant. Wood, her husband who has been transferred at Tacoma has been transferred to Judo street, Calif.

Bishop and Mrs. R. E. Adamson and son John, accompanied by Lyndon S. Adamson were called to Logan to the bedside of their mother, Mrs. Pearl Adamson who is seriously ill at her home. Mrs. R. E. Adamson and John will stay in Logan for a week. Bishop Adamson and his brother Lyndon will return earlier.

BACCALAUREATE SET FOR MAY 9

A. W. Morgan, superintendent, will preside at the Twin Falls high school baccalaureate services which will be held Sunday, May 9, at the high school gymnasium.

The invocation will be given by Rev. H. G. McCallister and Bishop James E. Aireid will read the scripture. The sermon will be given by Rev. E. L. Henberry, and Rev. Mark C. Cronenberg will officiate at benediction.

Music will be furnished by the high school orchestra and choir. The orchestra will play the prelude, pre-nuptial and recessional. The choir will sing "Go Not Far From Me, O Lord."

Radio Wiscracker Discipline Asked

CHICAGO, April 29 (AP)—Director Byron Price of the office of censorship today called on the radio industry to discipline "wiscracker announcers" who try with the voluntary censorship code.

He said in a message prepared for the annual convention of the National Association of Broadcasters, that radio and the press could make no greater mistake than to suppose that the "wiscracker" has become a definite and final success, and that the "wiscracker" is over.

The radio industry, he said, must police itself.

IDAHO OGD ROLE IN BOMBING TOLD

BOISE, April 29 (AP)—Idaho's role in civilian defense may include the care of civilians or military personnel wounded in bombing attacks upon the Pacific coast, Dr. E. L. Ferry, chief of the emergency medical defense, said tonight.

In an address prepared for delivery at another in a series of radio talks by defense officials, he said a blase which appears to be more likely than enemy attacks is that we may be called upon to care for evacuees from the coast or that we may need to care for wounded military personnel.

In addition to this need, he cau-

tioned "let us in Idaho remember that we do have several vulnerable spots and keep before us the fact that we are not immune to enemy attack."

The fact that Idaho has not been bombed to date, he said, "has sometimes led to a letting down in some defense activities," and urged continued volunteer service in civilian defense activities.

GLENN'S FERRY

D. E. Steinger is acting night marshal for J. B. Simpson, who has been off this week moving his household goods to Boise. Mr. Simpson will return to his job here with a permanent night officer can be found.

Miss Mary Louise Wheeler, student at Maryhurst college, Portland, Ore., is home for Easter vacation. Bill Wheeler, senior at the

University of Idaho, has been accepted by General Electric to do research work, and will leave for Schenectady, N. Y., immediately following his graduation.

Friends have learned that Nyall Jack Amundson, patient at Mercy hospital, Nampa, has undergone another operation. He is suffering from complications following an attack of pneumonia several weeks ago.

Harvey Durillon has left for Boise to report for duty in the navy. He expects to be sent to Pearlport for training.

PROTECT YOUR CAR AGAINST RUST AND CORROSION

Summer driving, with plain water in your radiator, will tend to build up rust and corrosion in the cooling system of your car.

THESE ARE DANGER POINTS!

- THE RADIATOR**
Rust tends to deposit itself here, and filter down between the water tubes. Result: your radiator loses efficiency in throwing off engine heat. And an overheated engine is liable to serious damage.
- THE COOLING JACKET**
Most rust is formed on the iron walls of the engine water jacket. Rust holds in heat. So, as the water jacket becomes more rust coated, your cooling system operates with decreasing effectiveness. Again the threat of overheating, which may result in serious engine wear, loss of power, waste of precious gasoline.

How to get Protection

When you drain your radiator this spring, look for rust. If it is rust free, and the radiator is clean, then simply flush with water. If the liquid is discolored, use a solvent cleaner with a dissolving action.

"Erectly" Cooling System Cleaner is an example of our dealer should have in directions are on the package.

Then prepare your car for warm weather driving (when rust forms fastest) by installing a standard rust preventive with a fresh filling of water.

"Erectly" Rustose Corrosion Preventive stops rust and corrosion by chemically treating the water and depositing a thin protective coat on all metals. Your dealer properly has it.

The preventive service outlined above follows the policy recommended by the Office of Defense Transportation.

PRESTONE ANTI-FREEZE

"Erectly" Cooling System Cleaner and "Erectly" Rustose Corrosion Preventive are made by the makers of PRESTONE ANTI-FREEZE

MORE AMERICANS STUDY BY MAIL

SALT LAKE CITY, April 29 (AP)—Americans, over-work and war-worries notwithstanding, still want to study the three R's—and advanced subjects, too.

The extension division of the University of Utah, reporting a trend it said was nationwide, listed a 40 per cent increase in registration for correspondence courses as compared with last year and a 90 per cent gain in the last five years.

Students are members of the army, ranging in rank from private to captain; sailors, including a lieutenant-commander; war workers and housewives. They are scattered throughout the nation and in a half-dozen foreign countries.

Mrs. Norrine Trampus, secretary of the extension division, home study department, attributed the increase in interest to the desire of students whose university attendance was prevented by the war to complete their college.

But problems resulting from the war, proving the need for increased technical training, also are factors, and one correspondence student living in a small town in Mississippi and listing her occupation as "army wife" said she wanted to study to avert "mental stagnation."

Pigeons demand, Mrs. Trampus said, for courses in mathematics, English, accounting, economics and for courses normally given in high school.

JEROME

Mr. and Mrs. E. L. Stroder, Salt Lake City, have been guests here of Mr. and Mrs. M. V. Wells and Mrs. and Mrs. Paul E. Rudy.

Mrs. N. A. Spofford has returned home after having been in Lewiston where she visited her sister, Mrs. Ivan Dunn, who has been ill.

Mr. and Mrs. D. L. Baraga, former residents, have returned from Vancouver, B. C., and plan to remain for an indefinite period.

Mrs. John Norby has been spending the past week in Rupert visiting Mr. and Mrs. John Norby, Jr., parents of Mr. Norby, high school coach of Jerome high school.

Aviation Cadet Jack Welroth has received his call and will report to Santa Ana, Calif. Air base. He is the son of Mr. and Mrs. Charles H. Welroth, Jerome.

Dr. and Mrs. Carlisle Small are the parents of a son, which has been named Terry Eugene, at St. Valentine's hospital.

Mr. and Mrs. Frank Avery are visiting in Boise at the home of Mr. and Mrs. Ralph Avery, former residents.

Mr. and Mrs. S. W. Parker, Salt Lake, and Mrs. Frances Williamson, Boise, have been guests of Mr. and Mrs. R. W. Williamson, Jerome.

They Top Hailey High School Graduates

These three girls lead Hailey high school's 1943 graduating class. Miss Elvya is valedictorian, with a record of "straight A's" for her entire four years. She is daughter of Mr. and Mrs. L. A. Elvya. Marjorie Jensen, Miss Jensen and Miss Price, were both named valedictorians, first time in the history of the school that a tie developed for this honor. Each girl has a 90 average. Miss Jensen is the daughter of Mr. and Mrs. A. M. Jensen, Triumph; Miss Price is daughter of H. G. Price, Garnett. (Staff Engraving)

Tougher to Marry, Easier to Get Divorce Beginning Friday

BOISE, April 29 (AP)—Beginning Friday, it will be much, much simpler to get a divorce in Idaho and, if not more difficult, at least more inconvenient to get married.

This bit of doing by the 1943 Idaho legislature places many former laws to end and causes justice of the peace to quash their teeth.

The divorce simplification and harder-to-get-married laws are among 84 passed by the legislature which become effective Friday. They were the bills which carried no emergency clause. Consequently, they were not to be effective until 60 days after adjournment of the 1943 session.

Two new laws liberalize divorce and abolish bond business in Idaho which has the same resident requirements as Nevada—six weeks. One divorces at discretion of the presiding judge, retroaction of the plaintiff's testimony by two witnesses.

Six Months' Delay Removed

The other eliminates the old provision that divorces cannot marry another spouse within six months after the decree is granted. As in Nevada, a person, if he desires, may now be divorced and married on the same day.

On the opposite side of the ledger, couples must, after Friday, submit to blood tests for venereal disease before a marriage license can be obtained. Result is that three to five

take their places in the jury room. After years of trying to secure that office, the 1943 legislature gave it to them.

Mutton in Sausage

Also beginning Friday, Idahoans may find mutton in their sausage, though they probably can't discern a difference. Maintenance of tobacco vending machines accessible to minors will not be changed, which probably means they will be removed. Livestock men may kill any bear mauling their stock without fear of being arrested by a state conservation officer. Hungry still will be allowed to kill only one a year.

Remainder of the 84 laws are technical. One measure, however, allows county commissioners to regulate uses of real property within five miles of a naval or military reservation. Retail and wholesale of beer will be more strictly regulated.

Former Premier Writing Memoirs

LONDON, April 29 (AP)—Paul Hren, former French premier, is hunched in a small, dark cell in a French prison and is spending the time writing his memoirs which will raise a "sensation after the war," said Pierre Vernet.

Vernet, French undersecretary of state in 1936, who recently arrived in England, added: "I visited Hren, who is confined in a small cell without sunlight and with water continuously running down the walls."

WENDELL SCHOOL TO GRADUATE 39

WENDELL, April 29—Although there will be 39 members in the class of 1943 from Wendell high school who will be awarded diplomas, the commencement exercises at 8:15 a.m. Friday, May 7, probably no more than 29 or 30 will be on the platform at the school gymnasium, as many already are away serving in the armed forces and in war jobs, said Supr. William Doering.

Six seniors who recently enrolled in the navy are Frank Beveridge, Zail Chapman, Hollis Fleischman, Steve Bartlett, Bob Amos and Lee Jacobson. Only Jacobson of this group likely will be present for the ceremonies as he was reported discharged for a physical ailment.

Two men in the class already are away at school under the new educational program now offered in the universities. Lloyd Schoweller is at Leland Stanford university in Palo Alto, Calif., and Harold Smith is at U. I. B. in Portorico, in the navy V-5 program.

Miss Maxine Clark is an electric welder in the Richmond, Calif., defense area, and Miss Arta Nelson is employed as a stenographer by the Wilson-Davis appliance company in Twin Falls.

Other graduates will be Phyllis Caldwell, Peggy Castelhain, Douglas Eaton, Tom Green, June Greif, Lucille Gunnick, Penton S. Hays, Donna Hobdy, Ruth Knutsen, Louise King, Florence Kaufman, Betty Lovar, Jewel May, McHarris, Ida May Peterson, Dora Maxine Peterson, Bertha Reed, Pauline Reed, Doris Richardson, Sylvia Rehn, Hanna Roholt, Clara Schuman, Gale Sirock, Robert Smith, Ronald Smith, Vinton Stevens, Bert Strout, Dale Swamer, Delmar Tarrison, Jr., and Robert Tredman.

Longer Wearing Sole Developed

NEW YORK, April 29 (AP)—The Tinslow-Sanford Carpet Company, Inc., announced today it had developed a synthetic outer sole for shoes which it said would give 50 per cent more "mileage" than leather.

The company said it believed the product, made of light-weight cotton treated under pressure with a synthetic resin to increase resistance to abrasion, heat and moisture, would become a permanent factor in the shoe industry.

Delaware's state flower is the peach blossom.

Tired, Aching, Feet and Legs?

Your feet may be so aching and tired that you think you can't go another step. Your shoes may feel as if they are cutting right into your flesh. You feel sore all over your feet and legs. You are tired all the time. You are tired all the time. You are tired all the time.

Try a pair of shoes made of Moons' Emerald Oil. It's a good hot foot balm and it will soothe the pain and give you relief.

SAV-VOIE DRUG STORE

Strike Called 'Stab in Back' by Legion Head

MEMPHIS, April 29 (AP)—Col. Roemie Warming, national commander of the American Legion, declared today that the threatened shutdown by workers of coal mines pending a wage settlement "is a stab in the back of the America fighting a war."

A strike that threatens to shut down our plants, our mills and our ship yards is more deplorable than Italy's attack on France when she was down.

Warming said in an address at a Legion rally.

"Now is the time for those in power to demonstrate that leadership. Now is the time to determine whether the government set up by the votes of our people is running this country and this war or whether John L. Lewis is running it."

BONDS CARNIVAL RAISES \$13,225

GLENN'S FERRY, April 29—When the smoke had cleared away from the scene of one of the most spirited auctions in the history of the village, officials of the second war loan drive in this part of the county reported that \$13,225 had been added to this area's quota of \$22,000.

Glenn's Ferry, Hammett and King Hill have been delegated to raise that part of Elmore county's \$122,000 quota, according to Mrs. Leroy Hill, drive chairman, who the Mountain Home area to raise the remainder.

Twin lambs that obligingly "ate their supper" while their mother was on the auction block, a squealing baby pig, squeaking chickens, a sleek black cat, and numerous household articles were the objects of a crowd of several hundred persons sought to "buy" with war bonds.

Much credit for the success of the second victory carnival was given to the efforts of Roy Hopkins, Buhl, who cried the sale.

The \$25 bonds, which were purchased with money taken as admittance fees, were in addition to the \$13,225 received during the auction, according to Mrs. Hill.

Early in the evening, George Pugmire, Boise, state bond official, spoke briefly to the crowd.

Music and special entertainment was furnished by a Gowen field orchestra.

Although final figures will not be available until Friday night, bond drive and Chamber of Commerce officials expressed the opinion that this area will go well over its quota.

WITHHOLDING TAX PLAN EXPLAINED

WASHINGTON, April 29 (AP)—Chairman Doughton, D. N. C., of the house ways and means committee declared last night that the 20 per cent withholding provision of pending pay-as-you-go tax law will not result in a single extra tax dollar being taken from the taxpayers' pocketbook.

He leased his statement, he said, to clear up "considerable misunderstanding throughout the country over the withholding provision, one which is common to both the proposed bill of the committee's Democratic majority and various compromises and substitutes.

"The proposed 20 per cent withholding is only a method of collecting currently all or a part of the taxes imposed by the existing tax law," Doughton explained.

"The 20 per cent withholding figure is not applied to the taxpayer's gross wages or salary. Taxes per cent of this 20 per cent would be withheld from each payment of wages or salary which exceeds the victory tax exemption of \$12 per week, or \$624 a year, and would be applied on the victory tax owed by the taxpayer.

"The remaining 10 per cent is withheld on the amount of the taxpayer's wages or salary which exceeds his regular income tax personal exemption and credit for dependents, other tax-paid, etc. This 10 per cent would be applied on the individual income taxes owed by the taxpayer."

Doughton said that from now will be withheld more than is needed to pay their taxes and from others less. Therefore, all sales and wage earners will be called upon to file a regular income tax return on March 15 of each year, just as they do now," he continued.

FUEL OIL RATION LIMIT REACHED

WASHINGTON, April 29 (AP)—Price Administrator Franklin Brown has announced that the nation's fuel oil ration for 1943 is now exhausted. He said that the rationing of fuel oil in 33 states where oil use is restricted will not be cut and that some rationing "notably for smaller homes" will be increased.

Registration for next season's coupons will be handled almost exclusively by mail, he said. Local boards will send out renewal application blanks late in May or early June, so that the coupons can be mailed back in time to permit the public to start filling tanks on or soon after July 1.

Early replenishment of tanks has been widely recommended by the oil industry so that commercial storage space in the shortest areas can be used more effectively to pile up reserves of oil and less in dependence during cold weather on current transportation of fuel from the refineries.

Brown said rationing will apply to the same 33 east and middle and western states, and to Washington, Oregon and western Idaho, where fuel oil was rationed during the past winter.

"There is no intention," he added, "to extend oil rationing to additional areas."

Gale Drives Houseboats Ashore at Seattle

Gale-force winds drove these houseboats on Lake Union, Seattle, Wash., ashore during a storm which lashed the area. Small boats were tipped loose from moorings and several housing projects were leveled.

Many U.S. Weapons Superior To Enemy's, Army Tests Find

By REUEL S. MOORE
United Press Staff Correspondent
ALBANY, N.Y., April 29 (AP)—The United States has for every tactical use a weapon at least equal to the corresponding weapons of the enemy, and in many categories American weapons are vastly superior or even unmatched.

Gen. G. B. J. Dyer, chief of the army's new tactics materiel branch, told reporters: "If most this in a large way, including bearing surfaces, tires, and other details, as well as firing controls." The foreign materiel branch was formed late in 1942 as a laboratory for testing enemy materiel. Previously the army had to rely on technical reports. From the actual weapons, there has been made some parts more simply or easily, and get useful tips on the use of substitute materials. The quality of modernity and materiel people, close to the state of the enemy's economy.

No Secrets Disclosed
Jarratt said no major secret had been disclosed in this way, only detail. He said the amount of parallel development here and abroad of various weapons for the same tactical use, now being directed was being.

He said Japanese and Italian weapons were generally inferior, some were about equal, some obsolete, though they still could kill. The Germans were the only enemy who had to be watched by the matter of design.

Japanese tank Japanese, Italian and German machineguns. The Japanese gun foundard especially in quarters of a few weeks. The German 88 mm. dual-purpose anti-aircraft gun, which broke up British armor and sent the British back

Machine Guns Superior

The Germans had to make a machine-gun to accomplish what this rifle will do, Jarratt said. This is the 26 caliber Schweizer. But the American 45 caliber Thompson sub-machinegun is greatly superior. It will stop a man from shock if he is not killed. Sometimes soldiers keep on fighting after being hit with two or three 26 caliber German bullets.

The American Browning .50 caliber machine-gun has terrific firepower, firing 600 rounds a minute. Dyer and Stock at the target in half an hour as the German 20 mm. firing 120 rounds a minute—the heaviest the Germans have as effective.

The heaviest weapon functionally to the American 20 caliber machine gun is the Schmidt-Rubin sub-machinegun, but its third effective range is hardly a third of that of the earlier.

First super-canned pills were manufactured at Philadelphia, Pa., in 1937.

We are authorized agents for ALLIED VANS, world's largest long distance movers. We'll quote rates any destination.

BLITZ WAR GONE, GENERAL STATES

SOMEWHERE IN ENGLAND, April 29 (AP)—Lightning war, conducted with success by the Germans in Poland, the low countries and France, is unlikely to appear again in this war, Maj.-Gen. G. C. Simmonds of Canada said on returning from the Danubian theater.

After witnessing the British 8th army's advance from Gabes to Sfax during his 13-day visit with the forces of Gen. Sir Bernard Montgomery, the Canadian commander said in an interview that the period of "blitz warfare will not exist for unless the morale of the enemy cracks up completely."

The rate of advance in future campaigns, he said, probably will be slowed down by hose mine fields and the placing of anti-tank guns well forward, before the measures used by Major Erwin Rommel at many places of the German retreat across Libya and in Tunisia.

Early German victories in Europe were won speedily by the Germans because the opposing armies were unprepared and ill-equipped, General Simmonds said.

He said the use of extensive minefields by both sides in Africa had gone a long way toward altering campaign conditions, creating a major tactical problem.

Easter House Guests

GOODING, April 29 (AP)—Home guests at the Burton V. House home over the Easter holidays included their daughter, Miss Frances Gooding, U.S.S. student; Lieut. Harry Fry, Cherryville, N. C., who is enroute to Harkness, Penn., for training in the intelligence division; Dr. Howard E. Driggs, Boise; Lieut. Robert E. Driggs, Boise; and Dean Beatrice Olsen, University of Idaho at Moscow, and Miss Margaret Bonnet, Moscow.

AGED IN IDAHO RAISING GARDENS

BOISE, April 29 (AP)—Idaho's oldest people are planting victory gardens this year whether anyone else does or not.

State Commissioner of Public Assistance H. C. Holmberg announced that he has received numerous letters from recipients of old-age assistance reporting they are complying with his suggestion that they supplement their income with victory gardens for food.

"Not a single letter objecting to the suggestion has been received," he said.

"We are busy planting a victory garden... So thankful we can do a little to help, one letter read. Another said, 'We appreciate it very much that you asked us to make a victory garden. I have owned all planted,' a woman at Gooding wrote for food."

Still another pensioner said, "I would gladly raise a victory garden. However, I am in no way able to plant and take care of 1 1/2 to 1 3/4 years of age and have been along all winter. I am sorry, I could do this if possible."

"That's the sort of spirit that will bring America victory," the commissioner commented.

Elephants have a 12-pound brain.

HANSEN

Mrs. Harvey Fornwall and her daughter, Mrs. Dorothy Fornwall, prepared and served the Easter breakfast at their home in Hansen for 12 members of the Senior Christian Endeavor of the Kimberly Christian church. The entire party later joined in attending the church services at Kimberly.

A mother's day party and program will be given by the Friendship Sewing club during their meeting May 6, according to plans made at the last meeting. The chairman of the committee on arrangements is Mrs. Stuart Scott.

Dorothy Mason, a sixth grade girl in the Excelsior school, was honored at a birthday party at the afternoon recess hour. Her mother, Mrs. Earl Mason arranged refreshments which were served by the girl and her two cousins, Patsy Mason and Betty Anderson. Barbara Thammann had charge of the games.

Mrs. Theresa Gline accompanied her son-in-law and daughter, Mr. and Mrs. Art Marrett, back to Pocatello after they had visited at the Gline home.

Mr. and Mrs. Ted Vaux in company with George Carlson left recently for Busby and Herndon, Idaho, where they will visit the families of the Vauxs. Mr. Carlson will spend the time at other points in the state.

Excelsior Will Graduate Seven

HANSEN, April 29 (AP)—The graduation exercises of the Excelsior Rural school will be held on the evening of May 14, according to the principals—Mrs. Charles Prior, the seven students of the eighth grade who will graduate are: Gene Suddeth, Beverly Stiles, Julia Sherrard, Margaret Sueder, Leila Hays, Shirley Downing and Ruby Anstey.

Another feature on the calendar for the Excelsior school will be the state examinations to be conducted by Mrs. Doris Stradley, county superintendent, next week.

The students will also honor the mothers by serving of the refreshments at the P. E. A. meeting on Friday afternoon, May 7, which will be highlighted by the election of new officers for the next year.

249 SHOE SIZES NEEDED IN ARMY

BOSTON, April 29 (AP)—The army today had the largest shoe box in the world and disclosed the purchase of 400,000 pairs of shoes for the army. The shoes are of sizes ranging from 3 1/2 to 15 1/2 and 37 different types designed for fighting in every quarter of the globe.

In a conducted four through the Boston quarter-master, which is charged with the procurement of virtually all footwear for the army, the shoes are made in the WAACS, newsmen were shown the results of an expenditure of \$15,000,000 a month for shoes.

One visible result was a stock of 750,000 pairs of shoes ready for shipment to Guadalcanal, New Guinea, Alaska, Iceland, Tunisia and other points. The shoes are in this supply all but filled a huge warehouse, piled in cartons stacked 15 feet high.

"No other army in the world provides its soldiers with so many sizes in shoes," said Lt. Col. Edward G. Curtis, director of procurement.

"You wouldn't think," added Lt. Col. Curtis, "that we had men in the army who couldn't fit out of our shoes. It's a fact. We have. We get between 50 and 60 special measurement orders a day."

When these special orders are placed will be wearing the proper kind of shoe for the first time in their lives. In civilian life these shoes would cost them between \$35 and \$125 a pair.

In order to insure uniformity the army has purchased its own styles in wooden forms of which shoes are made—and now has more than 1,000,000 pairs. More than 20,000 of them are now awaiting shipment to manufacturers.

Savant Tells L. D. S. About Arab Customs

CAREY, April 29—Sydney B. Sperry, D. D., professor at the Brigham Young University, spent Sunday in Carey as a guest of the Missionary class of the L. D. S. Sunday school.

During the day Dr. Sperry gave three lectures relative to his work of the past few years. He first addressed the Hebrew language and translated the Book of Mormon back into Hebrew. While there he attended the University of Palestine for two years.

Discussing certain customs of the higher class native Arabians, he said the well-bred person "never sits eating first, but when he is possibly eat any more he retires from the table, lies down and breathes a sigh of relief as an appreciation for the meal."

Dr. Sperry told of marriage customs among the Arabs. "When marriage is contemplated by the fifteen-year-old young man," he said, "he tells his mother and describes to her the young lady he would like for his wife. A girl is selected by friends and relatives and much feasting is held before the ceremony. After the wedding the bridegroom is allowed to lift his bride's veil and see her face for the first time.

"If she is pretty he gives a loud shout of joy which is answered by the fiancée. Dr. Sperry said, can end suddenly."

"Fast divorces "If the Arab becomes dissatisfied with married life and wish to get a divorce, they simply say to their wives, 'I divorce you' and that is all that is necessary. They can be divorced three times and are allowed to marry four times. However, some do not follow this law and marry as many times as they desire."

"The Arabian men have no respect for word of honor," commented Dr. Sperry, "and if you want to be sure of them keep their promise. You must force them to swear upon a sum of money as bond so you can keep them if they break their word. It is customary for the Arabian lady to pay her prospective customer a sum of from \$5 to \$15 to insure his being present to drive him to his destination."

TRANSPORTATION CHIEF BOISE, April 29 (AP)—L. P. Purvis, formerly of Washington, D. C., took over his new duties yesterday as director of transportation for the Idaho public utilities commission. He succeeds J. O. Bruce who resigned last fall.

GOODING

Miss Jeanne Varin, senior student at the Idaho Normal, spent Easter vacation in Gooding visiting relatives and friends.

Erma Nelson, Keith Tester, Don Hawka and John Meyer, all U. S. D. students, spent Easter vacation at their homes in Gooding.

Miss Erma Olmeyer, who is engaged to be married in Seattle, Wash., visited over Easter with her parents, who live in the city.

Jerry Stone, son of Mr. and Mrs. W. Stone, was home from the College of Idaho during the Easter holidays.

Mrs. G. S. Britton and small son, Jerry, Pittsburgh, Pa., are visiting with their home in Gooding.

Mrs. Harold D. Crowlwhite, Dolie, visited her home in Gooding, and Mrs. M. E. Crowlwhite, Corporal Crowlwhite, is stationed at Ft. Clark, with the army air corps.

Miss Virginia Hunt and Miss Catherine Brethorn, Boise, spent the Easter holidays with relatives in Gooding.

Mr. Edward Crocker, U. S. M. C., Oceanville, Ore., is spending his day through vacation in Gooding with his wife and two children.

The baby was born April 17 at Gooding. Private Crocker is working as a transfer to a Japanese language school.

LaMone Wells, son of Mr. and Mrs. LaMone Wells, was home over Easter from Caldwell where he is taking pre-flight training before entering the army air corps.

Second Petrillo Case Dismissed

CHICAGO, April 29 (AP)—Federal Judge James M. Keenan granted a motion filed by the department of justice anti-trust division, has dismissed without prejudice the government's second suit against James C. Petrillo, president of the AFL.

The suit had asked for an injunction restraining Petrillo from interfering in the manufacture of the recording.

Assistant U. S. Attorney Daniel O. Britt, head of the anti-trust division here, had no reason for the requested dismissal when he presented the motion, but commented later.

"The government is still considering the matter and will continue giving careful consideration to recent activities of Mr. Petrillo are within the law."

HELP the War Effort

IDAHO HIDE & TALLOW CO.

Costume Ball for Buhl Dance Club

BUHL, April 29—Junior Dancing club closed a series of dances with a gay nineties costume party. The orchestra played tunes in keeping with the period.

Those receiving the eight prizes were: Mrs. L. E. Byrne, the shirt waist girl; Mrs. Ed Foster, carrying a parasol, which was an authentic antique; Burnard Abernethy, the English gentleman of the era, his high silk hat carried a London trademark; Don Huston, in a dress suit was complete with derby; Mrs. Joe Edgett, the leading beauty of '98; Mrs. Sheridon Palfrey, sunbonnet and bustle version of the era, and John Rhodes, the big man.

William Aldrich was selected chairman of the club for the coming season. Mrs. Ray Wilkinson, recruitment chairman, and L. E. Byrne general chairman for the past season, were thanked by the club for their services.

Miller Says County Cannot Buy Bonds

BOISE, April 29 (AP)—County commissioners in Idaho are not authorized to invest county funds in war bonds, Attorney General Bert H. Miller has held.

The opinion was directed to John W. Clark, Oneida county prosecuting attorney.

RANCHIER'S BODY FOUND

LEWISTON, Ida., April 29 (AP)—The body of Kurt Bowman, 37, missing since Saturday, was found in a shallow pond on his ranch, 25 miles southeast of Lewiston yesterday, by a searching party. Sheriff W. W. Jays suggested Danman might have been thrown from his horse, which was found nearby near the pond.

GOODING ROTARY ELECTS BREHMAN

GOODING, April 29 — Francis Brehman was named president of the Gooding Rotary club at the regular meeting. Others chosen to serve were: E. H. Whipple, vice-president; Doran Sulphur, treasurer; Leon Weeks, secretary, and Luciano Uria and Walter Ray, directors.

During the business session conducted by J. E. Farmer, retiring president, Frank James and Eberhard Baenen were named a committee to attend the Fifteenth child delinquency to be held May 18 in Twin Falls. The club voted \$10 to the crippled children fund.

Rev. C. H. Northrup, who had charge of the annual Easter program in Gooding, and the program chairman, Walter Ray, Rev. Normal E. Stockwell gave a brief talk on "How Does Easter Fall When It Does?" He told how the calculations were made to determine the date. Rev. Northrup told of the various ways throughout the world that Easter is observed. Rev. A. C. Hartley also talked on the significance of Easter. Dr. H. F. Hubbard sang, accompanied by Mrs. Lloyd Solway.

Visitors included Jack Frost, Buhl; Emerson Pummie, Hagerman; Jerry Renfro, Wendell; Stanley Baer, Shoshone; Howell Layson, Gooding; Iden, Harry Freitoy, U. S. army air force.

RUPERT

Lt. Col. Harold Madson, territorial evangelist of the Salvation Army, held services Saturday afternoon in the Rupert city park. He was assisted by members of the Twin Falls Salvation Army headed by Adl. W. Roswell.

Mrs. Frank Harris is reported as still very ill at Rupert general hospital. She has been a patient there for the past two weeks.

Junior Harris, employed by the Douglas Aircraft company, who has spent 2 months in Africa, is visiting his parents, Mr. and Mrs. Frank Harris.

Mrs. and Mrs. Clarence Hedrick spent Easter with his mother, Mrs. Winnie Hedrick.

Mr. and Mrs. Stanley Trenthall and children spent Easter here with his mother, Mrs. Emma Trenthall. Mr. Trenthall is Smith-Hughes instructor at Jerome high school and also has charge of the agricultural program at Hout.

The Public Forum

JOB OF PARENT TO MOULD YOUTH CORRECTLY
Editor, Times-News:
May I have a word through our Times-News to the parents of girls and boys?

Question: Do you teach your boy and girl how to use their time properly when school has adjourned for the summer?
Do you know that our clinics, hospitals, courts, penal institutions and reformatories are crowded because our children are not taught at home how to use their time, wisely is their?

Have you cautioned Mary and John that they will be known by the company they seek and keep?
Have you taught them to avoid any movies and news stands filled with bad matter?

A father in Twin Falls county purchased a toy pistol and a belt for his grandson. The belt was filled with toy cartridges. He was told to show it to his grandmother, which he did by drawing it and pointing it at her head, his baby feet firmly set already for the kill if she didn't "sit up" "Cute, wasn't it? Who was to blame?"

Murder begins with mischief. First, loquacy, truancy, pilfering, robbery, bandits and murder. Our present day bandits never knew a thing about killing until they were taught. Yes, our toy makers of today are laying the foundation for future bandits and murderers of tomorrow.

In our own probate court here in Twin Falls we have to bring boys and girls of tender age before us for crimes and misdemeanors. My heart aches for them because of their home environment and neglect by their parents, by the community and by the church and so-called society. The job is one of responsibility.

Right here I wish to say that we have one of the best police departments and sheriff's forces in the state. Never have we called upon the chief's force or the sheriff's force but what they cooperated with all their ability. Many times have I been called by these departments the dead hours of night and asked, "What shall we do with so and so," picked up in the streets or alleged to be trouble. With our "cooperation" our work would be more than we might handle.

Many children dread to face the prosecuting attorney, E. M. Sweeney, but when he meets them with that

HOLD EVERYTHING

"What I want to know is what are you doing tonight?"

"WHAT'S COOKIN'... IN AKRON?"

JUST talked by phone with Bill O'Neil, President of General Tire in Akron... wanted to find out what's going on... the latest developments.

And, there's plenty cookin'. Yes sir, plenty. With we could tell you all about it now... but there's no blackout in the laboratories of The General Tire & Rubber Company. The lights burn late.

Chemists, engineers, designers, testers are hard at work against the time when they can give us a brand new kind of Top-Quality General Tire to give you.

You've heard of Guayule, that shrub which gives real rubber, the large scale domestic growth of which was sponsored by General's President O'Neil.

You've heard of the new synthetic rubber factory, soon to start operation in Texas under General Tire.

You've heard of what wide use of rayon and nylon may do to tire construction.

Well, put these all together and then dream and scheme along with General's technicians. When that General Tire of the Future is here, we're going to be as happy to sell it as you will be to ride on it. We can tell you that much.

Seeing them so hard at work in Akron is going to make us work just that much harder to keep you going with recapping done by our skilled mechanics (right in our own shop) or with new tires on your certificates. Doing it will help to bring 'tomorrow's General' just that much closer.

Advertisement for Union Motor Co. featuring a large image of a General Tire and text: "NOW YOU MAY BE ELIGIBLE TO BUY A PRE-WAR TOP-QUALITY GENERAL TIRE. Rationing rules were further relaxed April 1. Don't guess about eligibility. See us. Get the finest quality you can." Includes the Union Motor Co. logo and "FORD - LINCOLN - MERCURY".

Advertisement for Magneto & Carburetor Repair and Welding. Text: "Magneto & Carburetor REPAIR and WELDING. It's time to start overhauling Combos and Combos Motors. We are equipped to do the job. McVEYS IMPLEMENT."

Advertisement for Sunny Brook Kentucky Straight Bourbon Whiskey. Text: "Keep that CHEERFUL spirit! OLD SUNNY BROOK BRAND KENTUCKY STRAIGHT BOURBON WHISKEY. Don't blame your store if they happen to be out of Old Sunny Brook. Reserve stocks are being carefully apporportioned. However, keep asking for Old Sunny Brook. Your store will undoubtedly get in a supply before long." Includes the Sunny Brook logo and "CHEERFUL AS ITS NAME".

Community Need Topic of Forum At Rupert

RUPERT, April 29.—"What the Community Needs" was the topic for a forum discussion directed by Twin Falls members of the state P.-T. A. board at a school of instruction held yesterday at Rupert.

Called by the Minidoka county P.-T. A. council the group included members of the Burley, Heyburn, Paul Pioneer school and Rupert P.-T. A. organizations.

Three major aims drawn up were to establish a community recreation program for the summer; conduct a pre-school round-up to obtain services of a county or school nurse and to plan a community dining center to process foodstuffs for the hot lunch program of the year.

State board members from Twin Falls attending were Mrs. Roy J. Evans, who acted as chairman for the day, Mrs. George Erbland and Mrs. H. H. Burkhardt. Mrs. Alfred Paulson planned the forum but was unable to attend.

Mrs. Evans stressed the importance of adorning a theme for the year. The members agreed that it was of prime importance to induce strong and active membership and that this would be realized by fulfilling the community needs.

Proceeding the meeting a luncheon was held in honor of board members at the home of Mrs. Kenneth Whitehead, president of the fourth district P.-T. A. council.

Life of Pioneer Related to Unit

"Courtship of Marie Carlon Jensen," the true story of a Utah pioneer woman, was read to Camp Mary Lou, D. U. P. by its author, Mrs. Mary Richards, when the women met at her home.

Mrs. Richards, who is an acquaintance of Mrs. Jensen, told how the pioneer girl had craved for love after her marriage at the age of 18 to James Larce Jensen.

The speaker was present at the 50th wedding anniversary celebration of the couple. The 10 children of the pioneer, stated Mrs. Richards, are all living.

Early printing presses were discussed by the women of the group. Guests were Mrs. Olive Henry, county D. U. P. president, Kimberly, and municipal chairman Mrs. Lenore Carrell, Twin Falls.

Demonstration Given

A dramatic display presented a demonstration on bound packets when the dolls, working, 4-H being given out at the home of their leader, Mrs. J. W. Wallis. Next meeting will be Friday, May 7, at the home of the leader.

Send SIXTEEN CENTS in coin for this Marian Martin pattern. Write plainly SIZE, NAME, ADDRESS, CITY, STATE.

An extra TEN CENTS brings our Spring Pattern Book—a whole collection of economical wardrobe styles.

Send your order to the Times-News pattern department, Twin Falls, Ida. Delivery of patterns may take longer than usual because of the heavy volume of mail.

Social and Club News

Answer to Wool Scarcity May Be Wood Warfare

By DOROTHY ROE

If you are tired of the beggar of shortages, you may take comfort in the thought that every modern cloth has a wooden lining.

Not only houses and fuel, but also clothes, plastics and even food are now being made from the newly discovered magic of wood.

Whether you know it or not, you probably are wearing some product of a tree right now. If your clothing includes a rayon dress, lingerie or stockings you may be fairly sure that in its original form it was a part of a forest. Some 90 per cent of the rayon fabric produced in America has a wood base fiber.

In addition, you may be wearing a coat of redwood wool or a jacket made from wood wool felt. The wool-like article is a quilt filled with refined fiber, and garments of redwood wool have been produced in a variety of styles. The new wood wool is a mixture of real wool and fiber from tree-bark. It is said to be as warm as wool and costs much less. The bark content of the wool ranges from 10 to 50 per cent. The wool does not have the soft texture of pure wool. It is warm, sturdy fabric, particularly suitable for winter sports outfits such as ski suits or shorts. The wool is said to be a large portion of civilian clothing.

You already have seen wood substitutes for hundreds of ordinary household articles formerly made of metal—wood springs for beds and chairs, wood bumpers for cars, wood kitchen cabinets—but did you know wood is now producing such synthetic products as plastics, cellophane, rubber, alcohol and even sugar from wood?

Tonadays you may buy wooden jewelry, wood-rimmed ski glasses, wood soled shoes, compact of pressed paper, which look like antique leather, clothing, blankets and mattresses made of wood. After the war you may find a wooden airplane made entirely of wood. It's no longer superstition when you knock on wood for good luck.

Betrothals Told

At Recent Party

GOODING, April 28.—Mr. and Mrs. Clinton M. Abernethy, announced the engagement of their daughter, Miss Glorice Abernethy, to Aviation Cadet James L. Dunn, son of Mr. and Mrs. J. Dunn, Shmooch, Okla., at the home of Mrs. Abernethy, 1011 E. Main, Twin Falls.

The same evening announcement of engagements were given by Madison, Boise, daughter of Mr. and Mrs. L. M. Renfro, Boise, to Pvt. Cadet Dunn is stationed at Camp P. C. Cupp, Palm Springs, Calif., was made.

Guests were seated at small tables and the news of the approaching marriage was concealed on the body of the airplane that marked each place.

Miss Abernethy is a graduate of Gooding high school and is now employed by Riggs Optical company, Boise, and her fiancé is stationed at Camp P. C. Cupp.

Dates for the wedding were not announced.

Guests were Betty Barrett, Betty Head, Nadine Tracy, Verma Jean Roberts, Frances Hurry, Bernice Brown, Carl Cook, Otto Sackman, Don Carro, all of Gooding, and Keith Trotter, J. B. Pockalis.

Lions Slate Box Social for Ladies

An old-fashioned box social was planned for ladies' night, when the Lions club met at the Rogerston hotel. The party is scheduled for 7:30 p. m. Wednesday at the Park hotel.

Harold Madsen, Salvation Army evangelist, principal speaker at the meeting, was introduced by Adl. Winford Rosewell, of the local Salvation Army post.

Jay Merrill introduced his guest, Henry A. Buller, Salt Lake City, and Jon P. L. Reid, Boise, was presented to the group by Dr. O. T. Lake.

League Reviews Events Of Year at Final Meet

The Girls' league review of 1942 was presented before the entire membership of the league by the junior unit in the Twin Falls high school auditorium.

The stunt was a review of the league activities during the past year and take-outs on senior members of the league.

Girls who participated in the stunt were Miss Dorothy Krenzel, general chairman, Miss Betty Hill, Miss Faith Kinney, Miss Glorice Tackett, Miss Shirley Hayes, Miss Gladys Hyde, Miss Betty Andrews, Miss Dorothy Halpin, Miss Elvone Hingman.

Miss Katherine Thometz, Miss Marilyn Brooks, Miss Marjorie Mason, Miss Betty Kimes, Miss Patricia Kimble, Miss Joan Wilson, Miss Corinne McBeth, Miss Ann Parry, Miss Ruthie Calico, Miss Charlotte Thompson, Miss Verla Bell, Miss Kathleen King, Miss Mary Jane Neely and Miss Vanelicia Paddock.

Guest speakers were Mrs. Mary Virginia Benson, Miss Marjorie Price, and Miss Barbara Heymer.

During the latter half of the program Miss Beatrice Olson, dean of women at University of Idaho, Moscow, spoke to the girls about the need for trained citizens in the future America.

At the beginning of the meeting, Miss Celestine Salmon, league president, presented a farewell gift to Miss Georgia Dean, sophomore unit sponsor, who is leaving for Pendleton, Ore. An announcement about receiving a president for the coming year was made by Mrs. Rose North.

LISTEN to him sing your praises when he tastes delicious A-1 pancakes! They have a marvelous corn-sage flavor—an added buttermilk richness. And remember—this finest of breakfasts supplies energy enough to keep even the hardest worker on his toes right up to lunch time. Why not treat your family to Globie "A1" pancakes often? They're mighty light work for you—just add water or milk to the ready-prepared Globie "A1" Pancake Flour.

1. Follow the directions on the package for A-1 pancakes every time.
2. Pour buttermilk batter on the griddle.
3. Flippey-flap 'em when they're ready to enjoy!

GLOBE "A1" PANCAKE AND WAFFLE FLOUR
Buttermilk Already Added

BUCKWHEATS JUST LIKE GRANDMA'S!

Extra-special! All the old-time, ray rare—plus new-time tenderness and lightness. For pleasant variety, try Globie "A1" Buckwheat Pancake Flour this week, too.

Red Knights Entertain At 'Funny Paper' Dance

A large crowd of young people danced Wednesday evening at the Radio Rendezvous, when the Red Knights club was host to Zu Zu and Sierra Delta P. Clubs at their "funny paper" dance.

Characters of familiar comic cartoon characters lettered in black and white lined the walls. Modernists played dance music. This event was the annual affair of the club.

Roomy tables, outgoing treatment of the R. K. led the grand march. During the intermission, the Red Knights introduced Jack Hester, president of the club for the next year, who introduced his staff of officers, Bill Meyer, Murray North and Art Bremer. All of the boys spoke a few words to the group and Murray North presented a piano solo.

Couple Honored At Entertainment

RUSSELL LAZE, April 29.—Mr. and Mrs. A. L. Cozic entertained recently for their son and his bride, Mr. and Mrs. Claude Cozic, who were married at the home of Mrs. Louise Dixon, only daughter of Mr. and Mrs. E. B. Doss, Boise. A trained nurse works at the Twin Falls county hospital on special duty.

The bridegroom is farming with his father near Russell Lane. Attending the couple for the marriage were Mr. and Mrs. Clyde Richards, Twin Falls.

Tea Arranged by UP Booster Club

Mother-daughter tea to be held in May with Watahka Camp Fire girls, their mothers and guardian, Mrs. Alfred Puglione, as special guests was planned at the last meeting of the Union Pacific Boosters club, held at the home of Mrs. L. H. Lutz.

This tea will be given at the home of Mrs. Deulah Fuller. The Watahka group is sponsored by the Boosters Auxiliary. Mrs. Dea Richardson read the yearly report of the activities of the group.

The club constitution was amended to admit as members unmarried daughters, who are 16 years of age or older, of club members.

Arrangements were made for the selling of a quilt. A seed and bulb exchange was conducted among members. Silver offering was taken to give to the local cancer control unit.

The program in charge of Mrs. Helen Munier and Mrs. Augusta Henshaw was in the form of a flower white elephant furnished by Mrs. Bernice Patton was won by Mrs. Lutz.

Miss Adelle Lusk, Mrs. Hilda A. and Mrs. Lucille Ouellette assisted the hostess in serving.

CALENDAR

Shmooch P.-T. A. will meet at 7 p. m. Friday for a potluck supper. Members were asked to bring their own table arrive.

Blue Lakes Club Presents Annual Guest Day Tea

Annual guest tea of the Blue Lakes Boulevard club was held Wednesday at the home of Mrs. Annette Boose with Mrs. R. E. Common as assistant hostess.

Guests included president and one member from the Mentor, Emmett, Unity, Wapinitia, Country Woods, M. S. and S. and Letitia Hand clubs.

The lace covered tea table was centered with tulips and appointed with silver service. Mrs. M. E. Gaudin, Mrs. Common, Mrs. J. D. Eberhart and Mrs. L. Thomsen presided during the two periods.

The program arranged by Mrs. Ormus Davis featured four songs by Wilton Peck and several piano selections by Willetta Wenberg, who also played background music for the tea hour.

Social committee assisting the hostesses were Mrs. R. J. McDonald, Mrs. H. R. Sweet and Mrs. E. E. Kell.

Farewell Party Honors Mrs. Tarr

Gen State Social club entertained Wednesday evening at the home of Mrs. J. L. Berry in honor of Mrs. Fern Tarr, who is leaving soon for Los Angeles to make her home.

After the desert luncheon three tables of drinks were in play with prices given to Mrs. F. L. Lydum, and Mrs. Carl Hughes.

A gift was presented as a remembrance token to Mrs. Tarr. Guests were Mrs. Lydum, Mrs. Hughes and Mrs. John Reagin.

THESE ANNIVERSARY DESSERTS

Help Conserve Sugar Supply

Sugar shortage or not, we can still have our cakes. There's no shortage of honey and maple. We've got the sweetest are very good. Although white sugar is called for, a smaller amount will do. Joney cake is kept moist and fresh longer than usual. Joney is actually good in spice and fruit cakes, and steamed, cake-like desserts. Other ways of saving on the sugar supply is by serving fresh fruits for desserts, as they carry their own sugar. Canned fruits also are a source for natural sugar. Puddings made with raisins or dates need less sugar for sweetening. Also cookies and cakes made with molasses, sorghum or other simple syrups are nutritious and help have on sugar.

HONEY CAKE (Two 8 inch layers)
1 1/2 cups margarine, 1 cup honey, 1 cup sugar, 2 eggs well beaten, 1 1/2 cup milk, 1 1/2 cups sifted flour, 1 teaspoon salt, 2 teaspoons baking powder, 1/2 teaspoon ginger, 1 teaspoon cinnamon, 1 teaspoon cloves.

Cream margarine with honey and sugar until very light. Add and beat thoroughly. Sift flour with other dry ingredients and add in alternate portions with milk, beating well after each addition. Pour batter into two well greased pans and bake at 350 degrees for half an hour.

ORANGE CAKE (Two 8 inch layers)
2 cups sifted cake flour, 2 1/2 teaspoons baking powder, 3/4 cup honey, 1 egg plus 1 cup orange juice, 2 eggs whites, stiffly beaten.

Beat honey, measure and result with baking powder and salt. Cream margarine thoroughly and beat in orange juice. Add sifted flour very light. Add egg yolks, one at a time, beating vigorously after each. Add sifted flour mixture alternately with orange juice, a small amount at a time, beating thoroughly after each addition. Pour in stiffly beaten egg whites. Pour into greased butter pans and bake half an hour at 350 degrees.

HOLY WEEK SERVICES HELD IN DUPERT

DUPERT, April 22—Holy week services were observed in Dupert by Protestant and Catholic churches by appropriate services Monday through Friday.

Lone Survivor

Robert Rolson (above), 9, was the only member of the family to survive an early morning fire at Wendland, Ill., which swept the 23-room mansion of Robert M. Rolson, airline executive, the boy's mother, father, a sister and a sister died in the blaze.

FERRY ARRANGES GRADS' PROGRAM

GLENNIS FERRY, April 22—With announcement this week by J. J. Busholz, superintendent of Glennis Ferry school, that plans are now complete for a baccalaureate and commencement program, members of this year's graduating class of 20 were also listed for the first time.

Baccalaureate program May 2 includes: preside and recede by the high school orchestra; scripture reading, Rev. Mark Lloyd, Methodist pastor; sermon, Pastor P. Dooley, Mountain Home; trombone solo by John Folley.

Rev. Moore speaks "Old Glory Calls" will be the subject of the commencement address May 6 by Rev. Brooks Moore, Burley Methodist pastor.

Class members include: Martha Mary Hill, David F. Shuman, Kathleen Elaine Petersen, Helen May Deane, Frances Elaine Wile, Alice Lee Bacon, Evelyn Dolores Bullock, Marjorie Jane Rohkar.

Among the three is Capt. Ralph W. D. Brown, former graduate minister, a native of Day Center, Wash. Captain Brown had been awarded the distinguished service cross for bravery in action last year. His wife and their three children are living in Seattle.

The other chaplains held prisoners are Lieut. Colonel Alfred C. Oliver, Jr., whose wife is living in Washington, and Chaplain Samuel T. Donald, son of Mrs. Ida Donald, Clifton Forge, Va.

COMMUNICATIONS GRADUATE FERRY KNOX, Ky., April 22—The Grover D. Hess, Piler, Ind., has been graduated from the communication department of the armed force school here. He is a radio operator. Private Hess is a son of Mr. and Mrs. Clifford Hess, Piler.

Former Godding Pastor Captive

GOODING, April 22—Official announcement has been made in the April 22 issue of the Christian Advocate, Methodist church publication, that three Methodist army chaplains are prisoners of the Japanese after being taken captive in the Philippines.

Among the three is Capt. Ralph W. D. Brown, former graduate minister, a native of Day Center, Wash. Captain Brown had been awarded the distinguished service cross for bravery in action last year. His wife and their three children are living in Seattle.

The other chaplains held prisoners are Lieut. Colonel Alfred C. Oliver, Jr., whose wife is living in Washington, and Chaplain Samuel T. Donald, son of Mrs. Ida Donald, Clifton Forge, Va.

Grange Cleanings By J. R. Crawford

WEST POINT The West Point Grange held an open meeting with Miss Hovena Phillips, home demonstrator of the Idaho Power company, giving a food demonstration on correct methods of preparing and cooking vegetables to preserve the vitamin content. W. H. Baker, representative of Grange Insurance, showed pictures on the importance and history of insurance. He also showed a war bond and everyone who can afford to buy one should do so.

On the second meeting of the month it was decided to hold ice cream social during the summer whenever the ice cream is available. This has been done in the past.

WENDELL Thirty members were present at the meeting of Wendell Grange. Opening songs were "Two-ling in the Morning" and "The Grange." It was decided to hold the next Grange meeting May 11 so that it will not conflict with the graduation exercises.

Mr. Hughes gave a talk on the war problem, his subject being "Win England and Germany Can Do to Satisfy One Another." Mr. Mook gave a reading of "Love Idaho." Hughes played a violin solo with Mrs. Hughes accompanying on the piano.

FAIRVIEW Fairview Grange held its annual bull and plant sale at the last meeting. A total of \$153.5 was realized by the home economic committee. It was decided to have a plate short on the Grange kitchen with each member to bring enough plates to serve the family. An invitation was given.

Class members include: Martha Mary Hill, David F. Shuman, Kathleen Elaine Petersen, Helen May Deane, Frances Elaine Wile, Alice Lee Bacon, Evelyn Dolores Bullock, Marjorie Jane Rohkar.

Among the three is Capt. Ralph W. D. Brown, former graduate minister, a native of Day Center, Wash. Captain Brown had been awarded the distinguished service cross for bravery in action last year. His wife and their three children are living in Seattle.

His Baseball Final

* yours a month ago!

This American soldier is reading his newspaper during a lull in the fighting. The sketch was inspired by an official U.S. Signal Corps photo taken recently in Africa. From all the world's fighting fronts soldiers send the same request—for MORE news, for the season's ball schedules, clippings of their favorite sports columnist, gags, cartoons—anything for a laugh and a boost in spirit. And when they get it they pass the precious news around from hand to hand till it's worn out. It's never enough—and it can't be. After all, a soldier doesn't expect to have today's newspaper delivered to his foxhole. You, on the home front, are luckier, and next time you pick up your newspaper you might give that a thought—in deference to the boy pictured above.

SERIAL STORY

DARK JUNGLES

BY JOHN C. FLEMING & LOIS EBY

CHARACTER XX

"Lila!" Even as he shouted it, Barry had the feeling it would wake him out of a dream. But the vision remained there in the open door of his bedroom.

Allison's voice sounded at his shoulder. "How did you get here? It was so surprised and confused at his own."

By plane to Patana City, but to Puerto Barrios, and mile train from there, murmured Lila.

The words rebounded Barry from his chair. He sprang to his feet. "You must be dead!"

She didn't look as strong as an ox. She looked slim and cool and radiant. "Dead?" murmured Lila, with laughing surprise. "It didn't seem such a awful trip. I suppose I'm strong as an ox."

"That's the jungle fabulous?" she laughed. "Out of this world. It's really been an adventure for me."

Barry gave a chuckle of puzzled admiration. "It was a foot stunt," he said. "But I still don't understand how you survived like you did."

Allison suddenly pushed back her bench and got up. "I want to see friends," she said harshly. "We'll do the clearing later. Barry was not among the Indians working at the logging kettles. They smiled at her, she was good luck for them. Like her father had been."

She stumped down the veranda steps like an angry child, and crossing the clearing, Renato was not among the Indians working at the logging kettles. They smiled at her, she was good luck for them. Like her father had been.

She told them she was glad that that and asked where to find Renato. A native child took her to a distant Indian shack, around which curious natives clustered. In his weather-stained white shirt, she looked perfect and innocent and immaculate.

"Why'll you get you to bed like a flash. What'll you have, a hot toddy? Coffee?"

Barry stared at her in amazement. "I don't see how in heaven's name you made that trip and look the way you do!"

Allison was on her way to bring the tea. "Peñap," there was a note of troubled curiosity in her tone. "It didn't rain when you came through."

"It rained every day," Lila assured her. Barry's concern and admiration for his fiancée deepened as he and Allison rushed about, rushing restlessly, having the small, neat train that stood around by the front veranda unpeaked and taken to the machine. Kettles, her bedroom ready.

"You're thinking," Allison ordered him tartly, when they had finally gotten the cheerful, uncomplaining Lila in her bed. "What's the front through a whole lot better than I did."

"You're not as strong," Barry said. Allison accepted this insult with a resigned sigh. "If I hadn't seen it, I'd think you were bragging. 'I wouldn't have believed it!'"

The next morning, as Allison and Barry ate their breakfast on the veranda, the door opened and Lila strolled out. Barry leaped to his feet. "Lila! You shouldn't have gotten up!"

Lila kissed him sweetly and nodded to Allison. "Why not?" she asked innocently. She was in fresh white flannel, her dark eyes glowing with bright purpose. "Because," said Allison bluntly as Barry seated Lila opposite her, "I

wasn't able to. I wasn't able to move out of bed for a couple of days."

"Dead?" murmured Lila, with laughing surprise. "It didn't seem such a awful trip. I suppose I'm strong as an ox."

CONCERTS SLATED BY HIGH SCHOOL

Music Week, May 2 to May 9, will be observed by the Twin Falls high school music department, which will present several concerts.

The high school choir, directed by Miss Marjorie Albertson, will start this week at a new service Sunday afternoon, May 2.

The high school band, under the direction of Charles Pacific, will present a twilight concert Wednesday, May 3, and the high school orchestra, directed by Richard Smith, will present another evening concert Thursday, May 6.

Several miniature concerts will be presented to the different grade schools during the week. Broadsideing will also take place some time in the week.

The concerts will be presented in the handball in the city park if weather permits; otherwise they will be presented in the high school.

roundhouse clerk here for the Union Pacific for many years, and his family, members of the U. P. Old-timers' club and friends arranged a surprise dinner party and dance Monday night at the city hall.

Ace Barrow, club president, and Mrs. Laura Hubbard, auxiliary president, were in charge of arrangements.

Mr. Hansen has been called to the Salt Lake City U. P. yards as crew dispatcher.
