COUNTY'S BOND PURCHASES NOW FAR 'POWER TOP'

A smashing "over the top" for Twin Falls county in the second war loan drive was reported Friday by C. R. Nelson, county chairman, who said incomplete returns indicated sales totaling more than \$1,400,000—the issue price of the bonds sold, and not the higher maturity value.

The county's quota was \$1,183,300.

"Never has so much money been raised in so short a time in this county or in the nation," declared Nelson. "And never before has so much money been raised so wisely invested."

Last day sales received added stimulus as a result of large bond purchases by firms engaged in the seed industry. Associated Seed Growers Inc., New Haven, Conn., which has a branch at Florio, added \$50,000 to the total for that community, Nelson said. Nonpartisan Seed Company, Home Brothers Seed Company, Cornell Seed company and others assisted in the bond selling.

"On behalf of the United States treasury and the Twin Falls county victory fund committee," said Nelson, "I join with you in congratulating the men and women of this county who have so generously participated in this drive, and who have made possible its success. To the banks, officers and citizens, and other agencies who have cooperated so fully we likewise extend our expression of appreciation."

Army Chief O. K.

His new purple heart medal pinned on his chest, Gen. Leslie G. McNair, chief of army ground forces, arrives from a tent of all-night headquarters in north Africa, but with his arm strapped to his side because the shrapnel bearing witness to his fractured shoulder and scalp wound he suffered on the Tunisian front. Associated with him are other members of his corps which radiated the pleasure from Algeria.

U. S. Troops Advance in Africa Fight

By WILLIAM H. KING

ALLIED HEADQUARTERS IN NORTH AFRICA, April 30 (AP)—U. S. troops edged forward on both wings of the Tunisian front yesterday while Lieut. Gen. K. A. N. Anderson's first army fought off powerful Nazi counter-attacks in the Medjez-el-Bab area to hold all but one small section of its positions before the Tunis plain, it was announced today.

American artillery was active overnight during heavy fighting on the sector southwest of Mateur and the battery salvos were increased this morning to a steady barrage, said a dispatch from that salient.

Fifteen Focke-Wulf 190s were reported to have attacked front line positions in the largest enemy air action in that area in some days.

The second U. S. army corps, pushing through northern Tunisian mountains toward Tunis and Bizerte, made further local advances, the allied communique said.

Nearer to Bizerte

French and United States detachments were reported in a dispatch from the field last night to have fought their way to within 10 air line miles of Bizerte, wiping out concealed German machine gun nests and a rocket battery advanced.

The dispatch said they were within three miles of Lake Akhef, a system of which lies 15 miles from Bizerte. Lake Akhef flows into Lake Bizerte, which empties into the Mediterranean near the axis-held naval base.

U. S. infantrymen were reported to have made substantial advances across the high ground north of Sicil N. S. R. 30 miles southwest of Bizerte and compelled the Germans to draw back to Djebel Anitra to avoid being outflanked.

Yanks Progress

Between the two flocks of combat around the heavily fortified Jebel point guarding the road to Mateur, French and made about green and held his there were found some hundreds of mines and bombs.

A military spokesman said the American forces launched an attack four miles east of Sicil N. S. R. German gun emplacements on the hill 400-Djebel Taheni, which dominates the valley extending 10 miles northward to the Matur road junction, but met strong resistance and had to recede to the summit.

Nazi troops counterattacked repeatedly against U. S. lines south of Mateur.

(Continued on Page 2, Column 3)

And Their Nation Is at War

With 22 western Pennsylvania coal mines closed and 14,000 men in that area not working these men, part of the 1,400 strikers at the Jones and Laughlin-Heil corporation's West No. 1 mine at California, Penn., plus cards awaiting strike development. President Roosevelt's ultimatum to John L. Lewis is effective at 10 a. m. Saturday.

Lewis Replies to President's Ultimatum

WASHINGTON, April 30 (AP)—Wildcat strikes in the nation's richest soft coal fields appeared to be spreading today despite President Roosevelt's ultimatum that they cease by 10 a. m. tomorrow.

A survey disclosed that the number of strikers in five midwestern, eastern and southern bituminous fields had grown from about 75,000 to 85,000 out of 450,000 soft coal miners.

President John L. Lewis of the United Mine Workers, after a meeting with the UMW's international policy committee in New York, dispatched an inconclusive reply to the President. He demanded that contract negotiations with operators, suspended when the dispute was referred to the Federal Labor Board, be resumed.

He asserted that the W. L. B. bound by the little steel wage ceiling formula, could not make a decision "based upon the equities of the miners' case."

Lewis did not directly threaten a general coal strike nor did he give any assurance that the miners would obey Mr. Roosevelt's ultimatum.

Lewis repeated his contention that the national war labor board has "prejudiced" the coal miners case.

In a letter to the President adopted by the United Mine Workers international policy committee, Lewis said:

"I want to work. I want to work. The business of the operator have willfully blocked the making of an agreement. We request that you present the matter to the making of an agreement through a renewal of collective bargaining at the logical means of the viding justice and equity to all parties."

Lewis' letter took approximately the same stand as that several days ago. He said that the W. L. B. is "prejudiced" and that the Appalachian soft coal operators to resume negotiations in New York.

Lewis' letter took approximately the same stand as that several days ago. He said that the W. L. B. is "prejudiced" and that the Appalachian soft coal operators to resume negotiations in New York.

TOWNSEND HEAD RAPS AT 'RECALL'

COEUR D'ALENE, Idaho, April 30 (AP)—The move by southwestern Idaho Townsend clubs to seek recall of state national defense law members of the legislature is termed a "brazen attempt to involve the Townsend organization in the recall of a Scott, Idaho national Townsend representative."

A scathing statement in which he assailed the move and said it was taken without authorization of state national defense law members of the legislature is termed a "brazen attempt to involve the Townsend organization in the recall of a Scott, Idaho national Townsend representative."

A scathing statement in which he assailed the move and said it was taken without authorization of state national defense law members of the legislature is termed a "brazen attempt to involve the Townsend organization in the recall of a Scott, Idaho national Townsend representative."

Spokesman of Recall Hit as Unauthorized

A. Estling, Twin Falls, chairman of the Idaho-Townsend state committee, today said that Harold Howell, Boise, leader of the Bottleson recall movement, "has no connection with the national or state Townsend organization, and acts without authority from either."

As chairman of the state committee, Estling said he was not yet ready to comment on Howell's attitude toward the recall movement.

However, he said, "It is a matter for the state council to decide. Howell has no authority to act on the matter."

Estling is president of one of Twin Falls' two Townsend clubs.

Harold Howell, president of the other club, expressed himself as definitely opposed to the recall movement.

"I think there is a better way of handling the problem than by a recall effort," he declared, "if the recall is to be defeated, those at the polls who voted for the repeal, I favor making the matter at the next general election."

Several other persons who are active in a national enemy convoy in the northwest.

In a communication statement to the press, Howell has represented himself as spokesman for the Townsend clubs at Boise, Nampa, Caldwell, Emmet and Meridian, and declared that the "only other club" he led in the state is at Coeur d'Alene.

War in Brief

By United Press

British American second corps and British eighth army bend back both wings of axis defense in Tunisia while British first army fights off heavy German counter-attacks west of Tunis, holding newly-won positions except for slight setback in one sector.

Russians: Germans report red army attacking in force against the well-bridged line north of Caucasus and Soviet say "big and stormy events" are ahead in the Caucasus front. Red air force shoots down 16 German planes over Caucasus in great air battles on Tuesday.

Europe: Royal air force attacks German coastal bases and sinks two ships for the first time in six weeks. Australia: Heavy bombers throw tons of fire and explosion in raid on Japanese base at Rabaul, New Guinea. Amboina, and other enemy bases north of Australia raided.

U. S. infantrymen were reported to have made substantial advances across the high ground north of Sicil N. S. R. 30 miles southwest of Bizerte and compelled the Germans to draw back to Djebel Anitra to avoid being outflanked.

Guadalcanal Ground Fighting Breaks out

By The Associated Press

American troops wiped out a Japanese patrol of one officer and eight men on Guadalcanal Wednesday, the navy reported today, but the reason for the enemy's being on that American-occupied Solomon island was not given.

A communique said the patrol was discovered in the vicinity of Beaufort bay on the western coast, about 20 miles southwest of the American airfield. All Japanese resistance on Guadalcanal ceased on Feb. 9 though the mopping up of stragglers continued after that.

Whether the enemy unit was simply one of the final groups of stragglers which had wandered down from the mountains to attempt an escape is not clear. It is a functioning military patrol but whether it was a "break-in" through a stilled war zone or a Japanese barracks, Hungarians and Japanese at the former Dutch naval base of about 600 miles north of Australia, Gen. Douglas MacArthur's headquarters said.

Three of 12 Japanese interlopers were shot down or damaged, a communique said, and the entire force of U. S. Marines returned safely.

Coupled with this attack, Dutchman Mitchell's "fire at Koorpa, capital of Dutch. Other allied planes struck at the Timor islands and New Guinea.

FROZEN

HOLLYWOOD, April 30 (AP)—Daphne Blau, whose warbling won her a seven-year film contract which ultimately may bring her \$100 a week, was frozen in her position as a \$25-a-week waitress by a union job change restriction, it was revealed while Republic studio executives here presented the player and the local commission head negotiated her problem.

She got caught in the freeze by retaining her job while waiting to be called by the studio.

Bert Hamish, local manpower chief, said, "Maybe we can do her on the grounds that her skating has been utilized to the utmost."

The studio was told by the union that it would not be called by the studio.

Bert Hamish, local manpower chief, said, "Maybe we can do her on the grounds that her skating has been utilized to the utmost."

JOHNSTON'S CASE SLATED TUESDAY

SALT LAKE CITY, April 30 (AP)—The case of John Johnston, who was slain while swimming at the Ogden air field, will be heard Tuesday.

Morning, Dr. Stephen G. Torney, Hungarian-born University of Chicago graduate, who teaches philosophy at the University of Utah.

DANCE

KANSAS CITY, April 29—Jasper Givens, 30, elongated Negro night club entertainer, was acquitted of the tavern murder of Willie Taylor, 21, on Tuesday.

He began to stammer his thanks to jurymen. One suggested why didn't he dance tonight?

"If he wants to entertain the jury I guess he can," Judge Harvey J. Johnson decided.

Jasper danced several variations of something. The jury thought it was fine.

DECISIVE RUSSIAN BATTLES NEARING

By M. S. HANDLER

MOSCOW, April 30 (AP)—Armed forces of the Soviet Union reached a new high pitch today and official sources warned that ground battles which may decide the fate of Russia in the east are imminent.

The government newspaper repeatedly called in an editorial that "many days separate us from big and serious events."

At the moment of May will mark the beginning of the spring and summer campaign," Trevelia said. "This will be the decisive stage of our sacred war of liberation."

At a similar vein, Emilien Yeroslavsky declared in a broadcast over the radio network that his land operations in Russia are only a matter of weeks, perhaps days, away.

Field headquarters in the northwest Caucasus said that Soviet planes and air force pilots shot down 18 German planes in combat yesterday.

A Transcaucasian dispatch broadcast by Radio Berlin claimed that 20 Soviet planes were shot down yesterday in the course of major attacks, centering largely in the Caucasus region.

At the April 29 meeting, Mrs. C. D. Merrill of Fairfield and Johnston's wife, appeared in his behalf. Johnston filed a statement with the board reaffirming his innocence.

FLASHES of LIFE

By Associated Press

ALUMINUM

LITTLE ROCK, Ark., April 30—Arkansas produces 98 per cent of U. S. mined bauxite, ore from which aluminum is made, but couldn't get alumina plant for a state pig-iron plant.

So a plan of Arkansas' alumina was attacked Thursday by a 20-member committee of the Arkansas capitol grounds to symbolize the state's contribution to war.

LADDER

SALT LAKE CITY, April 30—It's plain Steve Torney, on his swing still at the Ogden air field.

Morning, Dr. Stephen G. Torney, Hungarian-born University of Chicago graduate, who teaches philosophy at the University of Utah.

Valiant Susie Q Burns in Crash

JALISCO, Tex., April 30 (AP)—Susie Q, a Valiant Flying Fortress which fought the Japs at Hickam field, was destroyed today by a fire which burst through the fuselage and shattered today after making a crash landing during a flight to sell war bonds. The plane ended a saga of World War II fighting for the plane and its crew, after it had been in the air for 10 years after taking off last year from Love field, the pilot, Maj. Wm. Alexander, brought the plane to a safe landing at the south side of Dallas. The army said "three or four" of the crew were killed and others suffered cuts and bruises.

The order was the first major change in the order of war planes since the Japs were driven out of the Pacific. The order was the first major change in the order of war planes since the Japs were driven out of the Pacific.

OCD Officer Sees War of 10 Years

SEATTLE, April 30 (AP)—The Pacific coast's war of 10 years, Frank B. Gaines, assistant director for the Pacific coast defense, told interviewers here today. He said that the war in the world's greatest underpinning it would be called for in the Pacific coast's war of 10 years.

Mother Hurts Boy And Girl to Death

NEW YORK, April 30 (AP)—A woman, 44, identified as Thelma, 25, threw her two children from the roof of a six-story home today and they were killed by the aftermath of a quarrel in which she had slapped her son, according to police.

The children, Marion, 5, and Florence, 4, died soon after they were admitted to Long Island city hospital. The woman died in an ambulance on the face, neck and hands.

The victim of the stabbing, police said, was Mrs. Catherine Jermolans, 34, Astoria. She was removed to a hospital and treated for stab wounds on the face, neck and hands.

Britain's Planes Damage 3 Ships

LONDON, April 30 (AP)—British bombers set fire to at least two large supply ships and a minesweeper in a night raid on the coast of the Dutch coast last evening, a communique announced today.

The bombers, escorted by Spitfire fighters and Mustangs, sent torpedoes into the two supply ships and set fire to the minesweeper with machine gun bullets and cannon shells.

Several other enemy vessels also were strafed and damaged, the communique said. One Destroyer was sunk.

Another small patrol vessel was destroyed by Whitewing bombers in an attack on enemy shipping in the North Sea in daylight yesterday. American fighter planes joined British fighters in attacks over Norway, France, Holland and Belgium, yesterday. Two American planes were shot down.

Round Steak, Pork Chops Boosted in Point Value; Variety Meats Reduced

WASHINGTON, April 30 (AP)—The OPA today revised meat rationing. Effectively Sunday morning, it will switch many American appetites from round steak and pork chops to round steak, especially spare ribs, brains, tongue and pig knuckles. Some people will need more expensive steaks more attractive.

Adult emerged from hibernation in a mean mood and attacked her keeper. So zoo authorities decided to let her loose. They fed her oranges in an apple, but she ate it and died.

TONIC

ELGIN, Ill., April 30 (AP)—Polio, the epidemic disease, is spreading in Illinois. It has been reported that the disease has been reported in Illinois.

GOP'S OFFER AID FOR COAL CRISIS

WASHINGTON, April 30 (AP)—President Roosevelt was offered Tuesday by the GOP a plan for the relief of the coal crisis.

With the President having stated he would invoke his full powers as president in the event of a coal shortage, the GOP plan was to be submitted in the mines by 10 a. m. Saturday. Sen. Frank B. Rowan, R-Iowa, said he would back any "legitimate" proposal Mr. Roosevelt might make for additional authority to deal with the crisis.

"The President ought to say what he wants to do," said Sen. Rowan, who opposed immediate consideration yesterday of a bill by Sen. Charles McNary, R-Ore., for giving the government to sell war bonds or mines where production is interrupted by labor control. "I think the government is going to be able to operate these mines. It will be well to provide for additional penalties for labor who interrupt production."

Sen. McNary said he would support the bill if it was not to be considered by the Senate.

"I don't think the army is going to be able to operate these mines. It will be well to provide for additional penalties for labor who interrupt production."

CHASE VICTIMS DEAD

CHASE, April 30 (AP)—Capt. R. H. Williams, 41, and two other men were killed today when a flight instructor plane crashed in the crash of a four-engine bomber east of here last week.

LABOR CAMP SET FOR BUHL REGION

BUHL, April 30.—A supply of labor close at hand for west end farmers will be furnished by a permanent labor camp to be opened here within the next two weeks, and operated by the farm security administration, under the direction of Roy C. Lane, manager of the FSA farm labor camp at Twin Falls.

There will be between 50 and 60 workers in the camp, which will be established in the quarters of the local health center. The quarters, west corner of Buhl. Arrangements for use of the camp were made by Mrs. C. O. Smithson, Buhl, chairman of the McCluskey memorial camp committee, who obtained the approval of other members of the committee. The Buhl Chamber of Commerce was active in securing opening of the camp under the direction of Glen Becklund, president of the organization.

The workers—mostly single men but including some family groups—will move in about May 10 or 11, it was said. According to Harry A. Ecock, district manager for the Agricultural Security Administration, who notified in a letter to the camp, most of the workers will be experienced help who worked last year.

The advantage of the workers being on the ground all season also was pointed out by Ecock. This way, he said, the workers will be on hand not only for planting, but available for work in entomology, fruit and other crops throughout the season, which finally will end with the beet harvest.

The farm security administration has also announced plans for the opening of labor camps at Filer, Jerome and Gooding.

Inherits Tunisia

All the woes of commanding axis forces in their last stand in Tunisia have reportedly fallen to the feet of Marshal Albert Kesselring, who comes from Tunisia to take over in north Africa. Other sources, however, say Kesselring is still the axis chief in Africa.

100,000 Planes to Be Built in 1943

NEW YORK, April 30.—Production lines of the United States this year will turn out nearly 100,000 airplanes and almost 10,000,000 deahtweight tons of dry cargo vessels and tankers, business chiefs of its nation were told last night.

Vice Chairman William L. Batt of the war production board, speaking before the annual convention of the Chamber of Commerce of the United States at the Waldorf-Astoria hotel, gave the figures on plant production, adding that this meant an increase of approximately 50,000 planes over 1942.

Batt departed from his prepared address to say that "manufacturing and labor must be prepared for idle planning in war time."

Rev. Admiral Emory S. Land, chairman of the United States Maritime Commission, told the gathering that the ship production of almost 10,000,000 tons in the country's yards in 1943 compares with more than 8,000,000 tons built in 1942.

GOODING

Air Cadet Dunne A. Cassidy is taking basic training at Minter Field, Bakerfield, Calif., having just completed primary flight training at Ryan field, Hemet, Calif. Cadet Cassidy is the son of Mrs. Florence Cassidy, Gooding.

LIGHTNINGS NOW SPANNING OCEANS

WASHINGTON, April 30.—Mass flights of Lightning fighter planes were spanning the oceans in fights to war fronts under their own power, the army reported today. The first such flights having been made by "a number of planes running well into three figures."

Out of all the planes that made the first transoceanic hop, only one was "lost at sea. Six others made the trip without incident and were damaged, but their pilots were rescued. One made the last 300 miles on one of its two engines.

Since then, large numbers of the twin-engine Lockheed Lightnings have been delivered from their own power from the factory in California to the combat zones in Europe and Africa, releasing shipping space for other cargo.

Although the Lightning, one of the world's fastest fighters, also is a long-range fighter, it can make the trans-Atlantic hop only by using an extra gasoline supply carried in releasable stream-lined tanks fastened to the underside of the wings.

Each tank weighs about 90 pounds empty, and carries 165 gallons of fuel. The world's fastest fighters, also is a long-range fighter, it can make the trans-Atlantic hop only by using an extra gasoline supply carried in releasable stream-lined tanks fastened to the underside of the wings.

Since the Lightnings carry limited navigation equipment, each flight of fighters is accompanied by a Boeing B-17 Flying Fortress, which with its complete and elaborate navigation facilities, acts as a "shepherd" for several of the small planes.

Marine Who Lost One Leg Shifts to Job in War Plant

OAKLEY, April 30.—Sembler Mabley, son of Mr. and Mrs. Thomas Mabley, Oakley, is a present employee in the Glass House plant, Salt Lake City. Mabley was a marine on the U.S.S. Pearl Harbor attack and suffered the loss of his lower right leg.

Mabley has three brothers, all in the service. Pvt. Martin M. Mabley, Oklahoma; Pvt. Glenn Mabley, Missouri; and Sgt. Arthur V. Mabley, marine, somewhere in the south Pacific.

Baccalaureate Is Held in Jerome

Jerome, April 30.—Baccalaureate services for the high school graduating class were held at the Jerome high school auditorium Sunday.

Professional and recreational were played by the high school band, under the direction of Jack Snodgrass. Rev. Forrest Hill, pastor of the Nazarene church, gave the invocation and the high school mixed chorus sang "The Twenty-Fourth Psalm," "Manson" and "Now Let All the Heavens Adore Thee." Jack Myrtle, Jerome high school instructor, played a violin solo, "Soprano," Franz Drda.

Rev. Charles Heron, minister of the Presbyterian church, gave the baccalaureate sermon, his subject, "Building Bridges to a Better World." B. Brigham, instructor of the high school, sang "Then Shall the Lighted Light Shine Forth." Mendelssohn. Benediction was offered by Rev. J. P. Hutchins of the Jerome Methodist church.

Marnetta Ramsey Jerome BPW Head

Jerome, April 30.—Jerome Business and Professional Women's club elected Marnetta Ramsey as their president when the group met this week at the Victory cafe.

Annetta Warr was named vice-president; Lois Moreland, treasurer; Phyllis Giles, recording secretary; and Esther Wix, corresponding secretary.

Call to the state convention was received from the state president. The convention will be held May 21-22 at Boise. Several members plan to attend from the Jerome organization. The next meeting will be held May 10.

Brace! has two waterfalls which are higher than Niagara.

FDR ASKS FOR MORE TEAMWORK

NEW YORK, April 30.—President Roosevelt, in a message to the Chamber of Commerce of the United States, urging here last night, said that "more cooperation, more teamwork and more production, all the way from the farms and mines through the assembly line, will enable us to win the war more quickly."

The President's message, addressed to 2500 delegates of the chamber, said in part: "Only by teamwork on the part of labor and management could we have reached the present high peak of production so essential to the successful prosecution of the war. Our factories are now turning out quantities of war which in quantity and effectiveness far exceed the expectations of our enemies when they decided to make war upon us and our way of life."

"But we aren't satisfied. We must not be satisfied. More cooperation, more teamwork and more production, all the way from the farms and mines through the assembly line, will enable us to win the war more quickly."

Richfield Bond Sale Earns \$13,000 Total

RICHFIELD, April 30.—Thirteen thousand dollars in war bonds and stamps were sold at the second war bond drive given at the Richfield gymnasium. Two clubs, the Richfield Pupils of the schools and the W. W. Brown acted as co-operators. Frank Pope and Charles McKay acted as clerks.

Prisoners Go on Food Strike When Candy Is Refused Them

LOS ANGELES, April 30.—900-3000 prisoners today went on a food strike because they can't have any more candy.

"Manpower trouble started it. The candy man joined the navy. As time passed and no candy was given, the prisoners went on a strike. When breakfast arrived, the inmates threw it on the floor in a huff."

"We don't care whether they eat a jailer said, 'but we wish they wouldn't throw it around the joint.' Every one of the 60 men threw his own meal much, strewed ribbons, three slices of bread, and coffee on the floor. Lunch (soup and bread) went the same way."

"We can't get anybody to eat the candy and fruit around for 11 1/2 months," Chief Warden Fitzgerald said. "We had to give it up."

Fitzgerald went upstairs and explained the situation to the warden's jailbirds. Supper (beef stew, three slices of bread) hit the floor. The boys kicked the onions out to throw at each other.

"They saved their tin plates and cups to kick on the bars, with a real accompaniment. When the lights came on for the evening, they saved on only oranges, while the prisoners broke the bulbs."

At bedtime, tank inmates refused to go into their individual cells, and milled up and down in the tanks far into the night. Jailers finally talked them into cleaning up the mess. But they still refused to eat.

"No candy, no eat," a tank trustee informed Fitzgerald. "They might get a little hungry."

Bryant Voted to Castledford Post

CASTLEFORD, April 30.—William Broomfield was selected a member of the village board of trustees and Emory Bryant defeated John Harrison, incumbent, at the polls Tuesday. Holdover members are Ed Hudson, Charles Shortcourse and Fred Pinkston.

The board will meet Monday evening, May 3, to reorganize and to appoint a treasurer and a clerk. Charles Perkins holds the position of treasurer and Mrs. Nellie Ulrich, clerk and police judge at present.

The election board consisted of Mrs. Roy Gager and Charles Perkins as judges, and Mrs. Nellie Ulrich, Mrs. Florence Todd and Mrs. Joel Moore, clerks.

Women to Attend Indiana Meetings

BUHL, April 30.—Mrs. W. M. Fuller will leave Saturday, May 1 for Indianapolis, Ind., as the only delegate from the state of Idaho, who will attend the board of managers meeting of the United Christian Miskomony society. After attending the conference she will go to Washington, D. C., to visit her daughter, Miss Wilma Fuller, who is employed with the Transcontinental and Western Air, Inc. Mrs. Fuller will return the first part of the week.

Mrs. Roy Smith left last week for Indianapolis, Ind., for a field study meeting of Christian churches. She is general secretary for the state of Idaho. A position she has held for three years. She will visit relatives in the east before returning to Buhl the last of May.

Amazing New Coolerator Keeps Foods Fresh and Appetizing!

PURE WASHED AIR KEEPS DELICATE FOODS FRESH AND TASTY

You too! will be amazed at the way this new war time refrigerator keeps delicate foods fresh and tasty. Coolerator's new 4 way air circulation method with ice, keeps foods fresh longer and preserves their natural flavors better. Washed, pure humidified, chilled air, circulates constantly through the food chamber, absorbing the food odors and carries them away. Foods such as lettuce and salads retain their crisp appearance and are a pleasure to serve.

★ COOLERATOR SAVES VITAL WAR MATERIALS
This handsome and modern designed refrigerator is possible today because it is built almost entirely of materials not in demand for war work, and conforms with W. P. O. requirements. Coolerator is built to meet today's refrigeration needs and give you years of satisfactory service.

★ PLENTY OF CRACKED OR CHIPPED ICE FOR COOLING BEVERAGES OR FOR ICING SALADS, ETC

★ LESS DRYING OUT OF FOODS COVERED DISHES NOT NEEDED

★ ECONOMICAL IN THE USE OF ICE

★ FAMILY SIZE \$79.50

★ CURICANA Towel Ensembles
Size 20x40 Bath Towel 37c
Guest Towel Hand Size 24c
Matching Wash Cloths 9c

Charming new pastel ensembles, with contrast color, rope borders that make them look much more expensive. You'll want several sets to brighten up your bathroom. Rose, blue, peach and green.

TUCKER'S NATIONAL WHIRLWIG

ASSEMBLY—The year-long revelations of the bombing of Tokyo have precipitated a tremendous controversy in the nation's capital. They have also raised the question of whether the daring adventure was worth the cost. The answer is negative. But there is another side to the debate.

RAY TUCKER several weeks ago in this city that he could have aired the emperor's bedroom, but that he held off because P. D. H. had issued an order against positive attacks on Hirohito. He says that he and war department personnel justify the raid with apparently faultless military logic. They state that the raid, which took place on August 1, forced the enemy to keep planes and ships near home; otherwise the few would have been able to rush aircraft and battlewagons to the coast and strike as they struck in May, June and August; namely, the Coral Sea, Midway and Guadalcanal. Anyway, that is the story—anybody who doubts it, let's see the evidence by Doobit's sacrificial squadron.

PLANNING—The bureau of selective service faces a breakdown owing to divergent rulings which local boards have received from Washington, chiefly from the War Relocation Authority. Many of the members of municipal agencies are resigning in mass because they refuse to try to interpret the confusing decisions.

WHISKY—Rationing of hard liquor has become a necessity. The only question now is whether the federal government will issue the necessary regulations. It is not clear whether the government will issue the necessary regulations. It is not clear whether the government will issue the necessary regulations.

IDEAS—Claude Wickard remains in the position of secretary of agriculture because his former boss, Henry A. Wallace, came to his rescue. The president in an attempt to get Wickard out of the office.

CONGRATULATIONS, CAPTAIN SCHAEFER—Sometimes you find a stand in line, as you always will when you want to be a big shot who stays popular no matter how big he and his job may be. It is not that you are not a big shot, but that you are not a big shot.

GRATITUDE—The first time we heard it, it supposedly happened back in Idaho. It happened to a Twin Falls cop who's down in a Texas jail. He had a home in town and he would still want the matter as told to us by the puppy of the town.

TIME TO STOP SABOTAGE—A few weeks ago a certain army officer said that every working American worker was guilty of sabotage and should be summarily shot. This is not the kind of thing that we want to see.

LEAVE TRANSIT—Public opinion in Sweden is rising against the policy of poisoning German soldiers, on leave, to pass through our way between Norway and the reich. The policy has been condemned at a mass meeting, both as an unilitary menace to Sweden and also as an unilitary act toward "our" defeated but uncrushed "brother" people.

LEND-LEASE STOCK PILES—The organization's Fred K. Hoehler arrived in north Africa and with a few days of delay the lend-lease stock pile was begun to lay plans for the "Tunisian Relief." A small part—approximately 100,000 tons—of the lend-lease stock pile was begun to lay plans for the "Tunisian Relief."

HISTORY OF TWIN FALLS—CLEANED FROM THE FILES OF THE TIMES-NEWS 12 YEARS AGO, APRIL 29, 1928

Mr. Wood, Twin Falls market gardener, has returned from a winter trip in Chicago.

Mr. Harry P. Campbell returned last evening to his home in Glenwood Park after spending the week-end here with his daughter, Mrs. Helen C. Taylor, teacher at the Lincoln school.

Mr. and Mrs. Leroy Turner and family went to Boise this week and will return to Twin Falls on Friday.

Cutting the Dog's Tail off Right Behind His Ears

POT SHOTS FOR GENTLEMEN IN THE THIRD ROW

JUST HOMESICK (A lament from boy (typical service) I know just how they feel when the fellows leave. I want to go back to Old New York; I know, cause I get homesick, and I want to go back to Idaho.

GIVING THE M.P. GENTLEMEN THESE JUST DUES Dear Pals: Just a line from one of your troopers who is now serving in the service. I receive the paper daily, and it sure helps to keep up the morale. However, I am sending you a clipping from our camp paper, so as to put a lot of people straight on the military police, otherwise known as the M.P.s. I am happy to be in the corps of military police, and believe me they are a great bunch of fellows.

THE CORPS OF MILITARY POLICE "There is one branch of our army which is not fully understood and appreciated by the general public, it is probably the corps of military police. There is a real course for this common understanding. The M.P. on comedy programs and in cartoons has too often been caricatured as something far different from what he really is.

GRATITUDE "The first time we heard it, it supposedly happened back in Idaho. It happened to a Twin Falls cop who's down in a Texas jail. He had a home in town and he would still want the matter as told to us by the puppy of the town.

FAVORITE LAST LINE "Obey, lookit our bond— that'll mean a new car after the duration!"

ANALYZING CURRENT NEWS FROM NEW YORK

SHOCKED—Because officialdom is playing down references to family squabbles among French factors and embassies in London, various opinions among Americans, the public imagines that at last the truth is being told.

The French are thought to have been refuted at ALBERT the Brooklyn being sure future battle duty. A few nights ago a distinguished inter-Allied hospitalier, who had been a battle's high officers as guests to dinner party in a Park Avenue mansion, had the following to say:

KILLING—Japan continues to renege on national credit of the terrible news regarding the execution of some of Douglas Tokyo raiders. Lesser known outrages on a smaller scale are committed by Hirohito's men daily.

REVOLVED—Fresh light is also thrown on another phase of our murky relations with the Vichy chief. The French are now being urged to join the Vichy chief in the army, just back from overseas, gives this explanation:

EDISON'S VIEWS ON DOINGS IN WASHINGTON

Times-Newspaper Correspondent As American army forces advanced eastward in Tunisia towards Bizza and Souss, American supplies were administered to some 50 families in the western Tunisian area.

BASIC DIET TO BE PROVIDED Tunisia, about the size of Louisiana, has a population of 3,000,000. Tunis and the six next largest cities have a population of 1,000,000.

LEND-LEASE STOCK PILES The organization's Fred K. Hoehler arrived in north Africa and with a few days of delay the lend-lease stock pile was begun to lay plans for the "Tunisian Relief."

RICHFIELD VOTERS Elect Full Board RICHFIELD, April 30—Twenty-five voters in this town are eligible for election to the village board on May 15.

Social and Club News

MeT Club Fetes Seniors At 'Thumper Rabbit' Ball

As a farewell gesture to the senior members, MeT club presented its annual spring ball at the American Legion hall Thursday evening.

"Thumper Rabbit," character created by Walt Disney, was used as the theme. Thumper's picture was to be seen on the varied colored programs. The punch table and the bands dined in pink and green with letters spelling out the name on crepe paper streamers.

At intermission time, Miss Marion Griggs, president, introduced Miss Harilyn Mason as the new leader. Clever poems written for each senior were read by Miss Janet Harper, Miss Gladys Smith, and Miss Gloria Tuck with Miss Gloria Burgess offering background music.

Miss Mary Jane Neely sang an original song set to the tune of "Once Upon a Time" in honor of the senior members.

Officers of the Trio-C and Alpha Nu tables were present as well as next members. Arlon Bastian's orchestra provided music for the formal.

Miss Fern Salmon was general chairman of the event assisted by committee Harilyn Mason, president; Miss Beverly Block, punch and punch party; program; and Mrs. Margaret Paves, refreshments. Mrs. Neely, club sponsor, was in attendance.

Baptist Play

"The Friendly Hiaw" is the name of the play to be presented at 8 p. m. Sunday at the First Baptist church. Women's organizations of the church are sponsoring the event.

The play cast is made up of Mrs. Emma Wells, Miss Evelyn Dean, Mrs. Jack Carlson and Mrs. Alexander Wells. The public was invited to attend.

Nominees Named At League Meet

When the Catholic Women's League met Thursday evening in the parish hall, the nominating committee headed by Mrs. Marie Kincaid reported on its selection.

Those named were Mrs. George Wallace, for president; Mrs. Theodore Goetzker, first vice-president; Mrs. Joe Berka, second vice-president; Mrs. C. A. Keltus, corresponding secretary; Mrs. Claude DeWetter, financial secretary; Mrs. George Seidel, treasurer; Mrs. Bernice Barclay, recording secretary, and Mrs. Al Russell, auditor. Elections will take place at the next meeting.

Officers committee consisted of Mrs. Klara, Mrs. Dewetter, Mrs. Herbert Ray, Mrs. A. C. Carter and Mrs. George Wallace.

Marian Martin Pattern

Make this beguiling princess frock to wear on warm summer days. Marian Martin has given Pattern 8370 a smart new fashion note as you slip sleeves cut-in-one with the yokes. You may accent them in contrast, as shown. There are pleats at each side of front skirt panel.

Size 16-18 may be ordered only in misses' sizes: 14, 16, 18, 20. Size 16 requires 2 1/2 yards 35-inch; yard contrast, 3/4 yard lace.

Send SIXTEEN CENTS in coin for this Marian Martin pattern. While plainly SEIZ, WAIVE ADDRESS, STYLE NUMBER.

An extra TEN CENTS brings out Spring Pattern Book and whole collection of economical wartime styles.

Send your order to the Times-News pattern department, Twin Falls, Ida. Delivery of patterns may take longer than usual because of the heavy volume of mail.

Urges Observance

April 30, Mother's Day, is observed in Idaho on May 9.

The governor said the observance had greater significance this year with the nation at war.

Miss D. Telford Filer Club Head

FILER, April 30—When the Filer Methodist church met Wednesday, Miss D. Telford was elected president.

Miss D. Telford, wife of Mr. J. M. Jamerson, vice-president; Mrs. E. O. Walter, recording secretary; Mrs. Charles Peterson, corresponding secretary; and Mrs. C. E. Bell, treasurer.

The annual apple blossom luncheon date was set for May 12 and will be given in the Methodist church basement.

Group Entertained At Albee Residence

Mrs. Leonard Albee and Mrs. May Dwyer entertained the Mountain View club at the Albee home. Serving flowers made up the attractive room decorations.

Mrs. Charles Darling, president, conducted the business session. Two guests were present.

Calendar

Democratic Women's study club will meet at the home of Mr. T. S. Robertson, 120 Ninth avenue north, at 2:30 p. m. Monday. All Democratic women are invited to attend. The program is in charge of Mrs. Frankie Alworth.

Wins Scholarship

Miss Julia McBride, first runner-up at Mills college, Calif., has been selected as one of 27 of her class to receive a scholarship for the next year.

An outstanding student at the Twin Falls high school, Miss McBride graduated with the class of 1942 and won a freshman scholarship. She was the only Idaho girl in any class to receive the honor this year. Miss McBride is the daughter of Mr. and Mrs. Robert McFadden, 720 Second avenue west.

Annual Reunion Held by Family

DARK JUNGLES

ALLIEN'S PLANS CHAPTER XXI

Busy days stretched ahead for everyone at the ranch. From every direction in the jungle chieftains brought their canyons bags of fresh fish to the clearing...

Renaldo was in half a dozen places at once seeing that the fires were kept banked, the food stored into the cooking pots, and when boiled to a thick mass, poured into the cooking pots...

The dusk brought long, ailing periods of torture. And the bitter part of it was that she was perfectly helpless. Lila had planned her trip so carefully—a swift descent upon the plantation, a rapid escape...

Allison laughed gaily, pushing back an unruly curl of hair off her tanned face with the back of her hand. "The precious joke of it all is," she continued, "that my zoo caps are interchangeable with the Indians know it. But it's got about through the tribe that I'm lucky for them."

Allison gave her guest a quick sharp glance. Lila was in exquisite taste. Her silk slacks and blouse, cool and immaculate.

"I wish I were clever like you are, Lila," she said wistfully. "I know you think of some way out of this." Lila shot Allison a look of suspicion but Barry laughed in relief.

Colorado is known as the Centennial State.

FOURTH TERM IS DEBATE SUBJECT

Whether the fourth term of the president should be permitted is the subject of a debate which will be held at the annual convention of the National Association of Manufacturers, which opens here today.

The debate will be held in the afternoon and will be presided over by the association's president, J. Edgar Hoover.

The association's executive committee has recommended that the question be put to a vote of the members.

The association has 100,000 members and is the largest of the business organizations in the United States.

The association's headquarters are in Washington, D. C.

GETTY BACKS FIGHTERS

Walter D. Getty, president of the National Association of Manufacturers, has announced that he will back the fight for a fourth term of the president.

Getty said that he believes that a fourth term is necessary to ensure the stability of the government during the war.

He said that he believes that a fourth term is necessary to ensure the stability of the government during the war.

His Master Serves

It hasn't yet at the window. Army 12-year-old police dog dreams of the day when his master will come back from war in his home at Slatersville, N. J.

PLANE FERRYING MARKS REVEALED

Investigative agencies in the United States and Canada have revealed that a series of mysterious airplane sightings in the Pacific Northwest were the work of a spy plane.

The plane was seen flying over the coast of Washington and Oregon in the early months of the war.

The sightings were reported by several pilots and were described as unusual in appearance.

The plane was eventually identified as a Japanese spy plane and was shot down by the U. S. Navy.

Don't Let Liberty Slip Away. Businessman-Prophet Warns

W. Mervyn Snowflake, a prominent businessman and prophet, has issued a warning that liberty is slipping away in the United States.

Snowflake said that he believes that the government is oversteering and that the rights of the individual are being sacrificed.

He said that he believes that the government is oversteering and that the rights of the individual are being sacrificed.

TARAWA BOMBING LONGEST MISSION

By HERBERT F. AHNOT, Associated Press Correspondent With U. S. Forces in the Central Pacific.

The longest mission in the history of the United States Marine Corps was completed today as the island of Tarawa was captured.

The mission, which began on December 23, 1941, was the longest in the history of the Marine Corps.

The island was captured after a long and hard fight, and the mission is considered one of the most important in the Pacific theater.

WAR MINERALS POLICY CHARTED

The War Relocation Authority has charted a policy for the production of war minerals in the United States.

The policy is designed to ensure that the production of war minerals is carried out in a manner that is consistent with the national interest.

The policy is being implemented by the War Relocation Authority, which is responsible for the production of war minerals in the United States.
