

FDR CHURCHILL, STALIN PARLEY BELIEVED NEAR

LONDON, Nov. 18 (AP)—A Telegraph dispatch from Washington said today that President Roosevelt, Prime Minister Churchill and Joseph Stalin were expected to meet even sooner than was thought likely at the time of the Moscow conference.

The tripartite conference at Moscow Oct. 19-Nov. 1 was presumed to have laid the groundwork for a meeting among the "big three" some time before the new year.

Reporting in a similar vein, the Washington correspondent of the London News-Chronicle reported today that there was talk in the American capital again of "big events in the offing."

The need for an early conference of the three heads of state, Mr. T. G. Smith was quoted by the likelihood that the German grip on eastern Russia will be broken in the next few weeks to the hindrance of the Hitler-Dieter pact.

London circles believed that the war would end by the end of the year, and that the German grip on eastern Russia will be broken in the next few weeks to the hindrance of the Hitler-Dieter pact.

Inflation Row Enters Debates on Subsidies

WASHINGTON, Nov. 18 (AP)—The new over food subsidies will be the whole question of inflation wide open on Capitol Hill today.

The situation in this: 1—The house and senate apparently are geared—at least they talk that way—to banning subsidies, government payments to producers intended to hold down retail food costs.

2—Each branch expects President Roosevelt to veto the measure that contains the subsidy prohibition, and high spokesmen agree they do not have enough votes to override that veto.

3—Meanwhile, the subsidy question is being seized upon by both sides as a prime argument for inflation.

There appeared but little doubt that the house would pass next week a measure to give the commodity credit corporation a new lease on life but to prohibit use of government program for food.

As two days of general debate on the measure ended, evidence piled up that both subsidy law and supporters would deal with the subject with great care, the national economy, and discuss ways as well as price, crop production, stabilization, and pending demands for more pay.

Meanwhile the senate agriculture committee wound up three days of testimony on and subsidy legislation with several members predicting eventual passage of the subsidy ban.

OPA CUTS PORK DOWN 2 POINTS

WASHINGTON, Nov. 18 (AP)—Ration values of all cuts of pork will be temporarily reduced by two points after midnight as part of government program to prevent jamming of storage space and to stabilize prices of live hogs in the face of heavy seasonal marketing.

Price Administrator Chester Bowles announced that the cut in pork ration values would continue for a limited time only, and emphasized that it should not be interpreted to mean a "sudden improvement in the overall rationed picture."

The cut not only will enable housewives to get more pork points for their ration but will give them some pork cuts ration-free, including what he has back and other knuckles, pieces of skin of bacon ends, and other cuts.

Price Administrator Chester Bowles announced that the cut in pork ration values would continue for a limited time only, and emphasized that it should not be interpreted to mean a "sudden improvement in the overall rationed picture."

Allies Blast Japs in Raids 800-Mile Pacific Front

ALLIED HEADQUARTERS, Southwest Pacific, Nov. 18 (AP)—Allied planes raiding on an 800-mile front from New Guinea to Bougainville shot down eight to 13 enemy planes and scored bomb hits on three cargo vessels Monday and Tuesday, Gen. Douglas MacArthur's communique reported today.

CHANGE SUGAR ACT UNDER STUDY

WASHINGTON, Nov. 18 (AP)—With expiration of the sugar act two years away congressmen from producing already are predicting the desirability of changing its formula.

The act, first written in 1897 to stabilize the sugar market, expired Dec. 31, 1941. One bill already proposed to revise and extend it.

RUSSIANS PUSHED BACK IN UKRAINE

MOSCOW, Nov. 18 (AP)—Counted with stiff counterattacks, the Russian army in the Ukraine, the red army has given up ground in the Ukraine for the first time since it began its successful offensive four months ago.

The withdrawal was executed yesterday in the Zhitomir-Korosten area at the tip of the red army's salient west of Kiev, and was the result of the launching of the great Soviet counter-offensive at Stalingrad Nov. 18, 1942.

GAS CLAIM HERE

Declaring that he did not believe a "single isolated violation" deserved the penalties possible under OPA laws, a hearing committee, dismissed the case against a Twin Falls, Idaho, man, who was charged with having "hoarded" gasoline ration coupons.

The case was dismissed after a hearing in which the man, who was charged with having "hoarded" gasoline ration coupons, was found not guilty.

Liberators Rip Nazi Industries in Norway

LONDON, Nov. 18 (AP)—American Liberator bombers raged far over Norway again today, blasting at Hitler's far northern war industry only a few hours after a heavy RAF assault on the German chemical center of Ludwigshafen.

It was the second time in three days American bombers had blasted the section of German war industry hitherto relatively free of aerial poundings.

DEFERMENTS TO CUT State Farm Labor

BOISE, Nov. 18 (AP)—If congress approves pending legislation to defer military service to all family men it will mean in Idaho that selective service will be forced to select three or four thousand of the 7,000 single men working on farms.

Chilean Sees Nazi Battle to Finish

LONDON, Nov. 18 (AP)—A Chilean diplomat who just has arrived from Germany said today that the German people were taking new military reverses stoically and were prepared to fight to the finish.

The diplomat, who declared that the name of his country, came here by train, said that he had seen the German people in the third attack on that objective in as many days. At the same time, he said, the German people were taking new military reverses stoically and were prepared to fight to the finish.

FARM BUREAU TO CONVENE MONDAY

BURLEY, Nov. 18.—Idaho State Farm Bureau federation will hold its annual convention in Burley on Monday and Tuesday with at least 100 delegates expected, according to J. N. Dayley, Burley, state president of the federation.

Meetings will be held at 10 a.m. and at 2 p.m. on both days, at the I. O. O. F. hall.

Arrangements for a banquet at the National hotel dining room Monday evening are being made by the local women's auxiliary.

Registration headquarters will be at the National hotel. Advance reservation of hotel rooms indicates a large attendance. Dayley states, delegates known to be planning attendance will come from Minidoka, Pocatello, Teton, Blain, and Twin Falls counties.

Dayley has instructed county farm bureau presidents to select one delegate from each county to sit on the resolutions committee. It will be headed by E. J. Ziegler of Grace, planning for action of the state federation during 1944 will come from this committee, Dayley explains.

Principal speaker will be R. D. Corbett, Chicago, National Farm Bureau secretary, who will discuss farm subsidies and their relation to inflation and the AAA in general.

Mrs. Elsie Miller, Chicago, National Association of Farm Women's president, will be another prominent speaker, and during the annual convention here also will make a state federation of farm women.

To date, only scattered county groups have been organized. Other scheduled speakers are Dean E. J. Judding, Boise, head of the University of Idaho's extension service and Harvey Schwendman, Idaho state commissioner of agriculture.

Wendell Store Changes Owners After 34 Years

WENDELL, Nov. 18.—Purchase of the Wendell hardware store by Ross Jordan, for 30 years in the hardware and implement business in Shoshone, from George P. Smith, proprietor here since shortly after the firm was founded in 1908, has been announced.

Smith has been postmaster in Wendell since 1923.

Jordan sold his hardware and implement business in Shoshone last spring after operating it for 10 years.

Only business now operating that started when the town of Wendell was founded and has run continuously, the Wendell hardware store was opened in August, 1908, by T. Smith and Dr. Robert P. Smith, brothers of George Smith and now both residents of Idaho.

In the spring of 1909, George Smith and C. A. Miller entered the business. Later, Smith purchased the interest of the founders and the other stockholders carried on operation of the store until this week. He came here from Edson, Neb., where he had been cashier of the Bank of Edson for seven years.

Recalling early times in the store, Smith said obtaining enough merchandise to satisfy the needs of the settlers in the rapidly growing community was often a problem, and many a store was loaded directly onto a farmer's wagon while still crated.

Smith has been in boxes of 12 and handles in crates of 24. The firm bought wagons, by the car load.

As the store was opened before arrival of the railroad, goods at first were loaded here from Gooding, Smith said.

WAR MOTHER SUBSTANTIATES SAID'S VIEW

Editor, Times-News:

I just can't help believing the opinion of William H. Polson, p. 10, 2, U. S. Navy. I know just how he feels over bawling and if the boys rather their forces as he says out so called big shots, don't forget for a minute, the mothers will be directly behind them in a body.

I have a son, who for 22 months has existed and fought in the jungles. Came his chance for furlough and home. Telegram sent 10 a. m. delivered 4:30 p. m. The manager tells us, Don't you know there is a war on? He help. The telegram certainly had to be delivered on his way home he accompanied to deliver his letter that just as well been done in the morning? The result—no furlough. Money didn't arrive in time.

There's a war on, folks, believe it or not. I wouldn't know, there are only seven from his family serving. Hope this war is over soon so they really can march on the bungalow. Maybe then they may realize there was a war on, but he's broke too, too.

Bus Rotary Head Makes New Trip

BURLEY, Nov. 18.—C. D. Dorring, district 10 governor of Rotary International, returned Friday night from a swing around part of his Utah circuit. He left again Sunday afternoon for an Idaho trip which will include Blackfoot, Montpelier, Pocatello and Gooding, and he will return home again for this week-end.

Mr. Dorring's schedule will keep him away from home except for lunch breaks from noon through Dec. 15. From then he will not make any more official Rotary visits until after the first of the year.

Collision at Filer

FILER, Nov. 18.—Approximately 40 damage was done to a 1930 model car driven by Andrew Apollo, no here when it collided with a 1935 model machine driven by Frank Dickstein.

Deputy Sheriff Ed Hall said Apollo was backing from his car on Main street when his car was struck by the Dickstein vehicle. The Dickstein car was undamaged.

HOW THINGS APPEAR FROM PEGLER'S ANGLE

NEW YORK—A few nights ago a radio oracle intimated that Carol, the twice abdicated king of Rumania, now sojourning in Mexico City, was of a mind to come to the United States; that he had engaged a specialist in such matters to make the king get away with less than a million, lives in a modest rented dwelling with three bedrooms, and two baths but no closets, thus having to store his baggage on the porch, has not lost much servant; has not lived enormously at poker nor ever played any poker whatever and did not buy an interest in a night club in Mexico City.

Carol, however, met nothing but delays in his requests for permission to come aboard and so with the knowledge of our government he hires an American press-agent

CLAPPER'S OBSERVATIONS NATIONS AT WAR

WASHINGTON—Here in the political capital of the country, the announcement that Governor Bricker of Ohio would be a candidate for the Republican

But is history repeating? I doubt it. What do three terms of Roosevelt mean in that regard? You may say that.

The intra-term election was bought with new deal money, that the government payroll did it. Such arguments don't explain it, as every politician knows. Roosevelt has shown very great qualities through this period and the people of the old-fashioned way. Some big money has been friendly to Bricker. That will get delegates, but it won't put him in the White House. He'll have to make that run with his own muscle.

TIGERS AND BOBCATS CLASH FRIDAY FOR BIG SEVEN CROWN

Undefeated Elevens Will Meet at Burley

BURLEY, Nov. 18.—When Coach John Norby brings his Jerome Tiger juggernaut here tomorrow afternoon he will be shooting for more than the Big Seven championship, which he has won twice in the formation of the league in 1939. He will be aiming for Tiger recognition as the outstanding eleven in Magic Valley.

And a victory will give Jerome just that for the Tigers' opponents, the Burley Bobcats, have a 20-20 tie with Twin Falls, the only other Magic Valley eleven still unbeaten with the exception of Declo which ran out of opponents early in the season.

Many followers of the gridiron game believe the 1943 eleven is Norby's masterpiece. Outside of Declo, it is the only team that has an unblemished record and an aggregation that had been held to less than four touchdowns in five contests.

The Tigers will be favored over Burley for a number of reasons although the Bobcats have a successful and stubborn outfit that has only a tie with Twin Falls to answer the season's record. These reasons are:

Weight averages: Line—Jerome, 161; Burley, 161. Backfield—Jerome, 160; Burley, 160. Team—Jerome, 160; Burley, 157.

The line: 11 pounds in the backfield and 11 pounds in the line.

Condition. Calvin Tree, Burley's star blocking back, will not start because of an injury suffered in practice.

Comparative scores. Jerome ran up much larger scores on its opponents, notably Dali, Oakley and Rupert.

Two Outstanding Backs. The game will bring together two outstanding backfield men in Coach Bell, the Bobcats' explosive left halfback, and Gerald (Jerry) Dichi, all-around Jerome quarterback.

Burley will be out for revenge.

Dietrich Will Meet Fairfield Friday After Month Vacation

DIETRICH, Nov. 18.—Dietrich high school's football team will take its suits out of the mothballs where they have been for four weeks—since the beginning of the harvest vacation—and journey to Fairfield Friday afternoon to resume the gridiron season.

The Dietrich players would give Supt. Coach L. W. Haight no rest until he scheduled at least one more game for them.

And because the weather is holding up well and "it's still the football season," he complied with their wishes.

Haight said that his boys didn't "have the fire in their eyes when the spring in their step" when he brought them out to resume the gridiron drills, but he expects to see the Dietrich team in full stride when they will be in full shape after a week of workouts.

The game will give Fairfield a chance to avenge the 28-0 defeat that Dietrich handed the home county team on Oct. 10, a game which will outweigh Dietrich about 15 pounds to the man who has been improving steadily since that game.

Dietrich would also like to schedule another game with Carey.

Deer Kill Set At 2,636 Total

BOISE, Nov. 18 (AP)—Hunters in southwestern Idaho killed 2,068 deer during the big game season which ended Nov. 10, checking station reports disclosed today.

The kill was higher than a year ago when nearly 3,000 deer were taken in a single area—the south fork of the Payette river—during a late hunt.

Seventy-five arrests were made during October.

Said failure of hunters to take property was the most frequent violation, with 14 cases. Nine were charged with fishing in closed waters, eight with killing birds out of season, seven for using improper weapons, six for using traps, and five for using traps and hunting on a game preserve, five for using traps and hunting on a game preserve, five for using traps and hunting on a game preserve.

Star Backfields in Title Contest

Here is the backfield that has carried the Burley Bobcats into a tie for Big Seven conference championship. With the exception of Calvin Tree, star blocking quarterback, who is injured, all will start in the league title game Friday. They are left to right: Max Hagg, right half; Pace; Paige Lake, fullback; and Westley Bell, left half. (Times-News photo-illustration)

The followers of the Jerome Tigers believe their backfield, shown above, is one of the best in the history of the Big Seven conference. The members are, left to right: Jack Halper, fullback; Ted Dichi, left half; Lawrence Stone, right half; and Gerald (Jerry) Dichi, quarterback. (Staff Photo-Engravings)

Buhl Indians End Grid Play

BURL, Nov. 18.—Only one football game will be played in the Big Seven conference Friday—that between Jerome and Burley for the Big Seven championship on the late gridiron.

Coach Ralph Villers' Buhl Indians were down to play a postponed game with Oakley on the gridiron field but he said last Wednesday that he would be forced to cancel it because of transportation difficulties.

"I'll ask the players to turn in their suits this week," Villers said. "It's almost useless to try to go on with the basketball season approaching."

Bill retired for the season, grid play also will probably end for Oakley and Rupert. These two teams had postponed games to be played with Buhl.

Kuna to Oppose Glens Ferry Eleven on Thanksgiving Day

GLENN'S FERRY, Nov. 18.—After being idle for more than two weeks during which they searched high and low for football games, Coach Glenn Cooper's Glens Ferry Pilots got one from an unexpected source.

The game came through a challenge from Kuna, which was in a three-way tie with

teams in Magic Valley last year and

might have been able to fashion a

privilege, but finally this coming

season.

Castleford Claims Magic Valley Six-Man Title After Fourth Win

CASTLEFORD, Nov. 18.—Who is to dispute Castleford high school's claim to the six-man football championship of the Magic Valley? The team that does is the team that Coach George Black's aggregation wants to top off its unbeaten season with.

The Wolves gained their fourth triumph of the 1943 gridiron play when they defeated the

Eden, 39-12, at the Castleford field yesterday afternoon.

Castleford scored the first time it got its hands on the ball in the opening period. After blocking a punt and recovering the ball on the

Eden 30-yard line, Bill Shorthouse, Wolf halfback, took the game on a reverse and circled the end for a touchdown. Dean Rust, end, then

dropped the extra, piling up the

Grayback Passes for Score

Before the period ended, Calvin Grayback, quarterback, passed to Bill Murphy, substitute end, who ran the

ball 20 yards across the Eden goal line.

Castleford scored by the same method in the second quarter. This time Murphy took Grayback's 40-

yard punt and a touchdown. The

Eden goal line, Mel Nihart, halfback, then passed to Gene Todd, substitute

center, for the extra point to make the score read at halftime:

Castleford 20, Eden 6.

After Castleford had scored two more touchdowns, one by Grayback, the first touchdown in the

fourth period, then Eden counted on an aerial, Stephens to a victory.

One Loss in Two Years

The Castleford team has lost but one game in two seasons. The Wolves were beaten by King Hill last season when several of their regular players were out of the game as a result of an automobile accident.

They would like to play a game or two before the season closes.

Coach Black will lose Dwight

Brown, end; Grayback, quarterback, from his first team by graduation. However, Rust is a junior, Nihart a sophomore and Shorthouse a freshman.

Other players on the squad are John Hill, halfback; Murphy, end; Todd, center; Bill Webb, halfback; Dean Rust, end; and James Brown, quarterback.
