By LEONARD MILLMAN  
Associated Press War Editor

Rabaul in New Britain, a British radio broadcast Saturday as General Douglas MacArthur reported more than 400 enemy planes have been destroyed at that New Britain fortress this month.

"We cannot hold even the slightest optimism" for Rabaul, Tokyo said in a broadcast for home consumption.

Between 23 and 29 out of 40 enemy planes were shot down by American bombers and fighters raiding Rabaul airdrome Thursday. This brought the month's total to approximately 400 knocked out of Tokyo described as an effort to wear out the fighting power of our superior air force strength."

Six American planes were lost to that attack but heavy bombers making a later even on a nearby supply dump encountered no interference. Two direct hits sank an enemy cargo vessel at nearby Kavieng, New Ireland.

Tokyo radio hinted about the increasing American bombardment of the mid-Pacific Marshall Islands, on the eastern wing of Rabaul, as a diversionary action.

Robbing Tokyo's broadcast may have had for American ears the effect of a broad military submarine report declaring "long and even longer casualty lists will be a heavy toll to the realization that victory is yet to be bought and at a heavy cost."

"The Japanese are tough, their defenses are deep and strong," Admiral C. M. Alexander, U. S. Pacific commander of the mid-Pacific, said in a heavy radio broadcast to the American people are going to have to fight hard and unflinchingly to beat them."

# City Attorney Makes Hunting Knives As Hobby—U. S. Fighting Men Use 'em

By MELVIN G. RICHMOND

ALMOST ANYBODY, it seems can make a hobby out of anything. Joe H. Blandford, Twin Falls city attorney, has chosen to make his hobby out of hunting knives. He has a collection of about 100 knives, and he is constantly adding to it. He has a special room in his home for his knives, and he has a special way of displaying them. He has a special way of using them, and he has a special way of talking about them.

# 800 U. S. Planes Rip Frankfurt in Daylight Attack on Night

LONDON, Sunday, Jan. 30 (AP)—More than 1,800 tons of bombs were hurled on Frankfurt, Germany, in daylight yesterday by more than 800 U. S. Flying Fortresses and Liberators—the greatest armada of heavy American bombers ever sent into action.

They and their fighter escort, totalling more than 1,500 planes, shot down 100 German fighters, it was announced in a joint communique today from U. S. headquarters and the British air ministry.

Thirty-one U. S. bombers and 13 fighters failed to return. The bombers aimed themselves close down to the city and the escort flew at 40,000 feet.

The big German manufacturing and transport center was hit with high-explosives, incendiaries and propaganda leaflets.

The Americans flew an 800-mile round-trip by daylight to deliver their bombs less than 12 hours after the RAF's night fight, attacking in the darkness of the night. Berlin last Thursday night bombing, the second in two nights and continuing the series of attacks of the most damaging of the war.

The leaflets the Americans dropped on Frankfurt were copies of the Atlantic Charter printed in the German language. The leaflets were scattered through Frankfurt for hours afterward because the bombs had not exploded.

The two attacks on Berlin and the one on Frankfurt, the allies in a little more than 24 hours struck the German capital and the second largest city in three crippling main blows and in addition engaged in a number of secondary minor attacks and bombing operations which were exceptionally widespread and effective. The attacks probably well over 2,000 planes.

British dispatches reported great fire raging in the German capital after the two nights of assault, and they reported that the city's telephone system had been cut off. The city's water supply was also cut off.

While the record of the "last" attack was being reported, the city was being bombed again by the Americans. The city's water supply was also cut off.

### Bruins Defeat Tigers, 34-27

JEROME, Jan. 29 — Coach J. Stuart "Monty" Halliday dug deep into his basketball notebook and came up with a bit of strategy — strategy which he has sworn his confidence not to divulge — and the consequence thereof the Twin Falls Bruins managed to eke out a 34-27 victory over the Tigers here last night.

The win gave the Bruins an even split in their two-game 1944 series with the Tigers. The Bruins led from the start, entering the third quarter with a 10-4 advantage, the half 17-14 and the third quarter 27-20 in front.

Twin Falls had trouble shooting Messenger, fairly Jersey guard, who made four field goals and a free throw for nine points. Jimmy Janssen and Clintworth made two field goals — half way marks for the season for the Bruins — while the latter added a free throw to lead the field.

Coach Stanley Mettler's Twin Falls Bruins defeated the Tigers 34-27 in a game that went into overtime in the fourth quarter.

The Bruins completed regular play with the score tied, 26-26.

### Rupert Loses To Damsiters

RUPERT, Jan. 29 — Failure to score in the third period cost the Rupert Pirates a victory in their annual American Falls basketball game last night. The Damsiters triumphed, 25-21.

American Falls led, 8-7, at the end of the first quarter, but Rupert gained a 13-11 advantage by the half. However, the Damsiters rapped up seven points to none for Rupert in the third period. The Pirates made eight points in the fourth quarter, but the Damsiters made 10 points to win the game.

### Redskins Win 14th Victory

GOODING, Jan. 29 — The Gooding Senators pentenized Coach E. E. Edmonds' "jazz" defense for only four field goals tonight and the Bluebonnets triumphed, 25-14, in their 14th victory, this time by a 26-14 score.

## ELQUIST ROLLS UP 24 POINTS AS HORNETS BEAT BUHL

### Bobcats Also Win but Oakley Retains Lead

The setting of two Big Six records for the 1943-44 season featured Friday night's two games in the circuit, which also saw the Oakley Hornets keep their record unblemished and the Burley Bobcats cling to the formers' heels for the leadership.

Bullquists, the Hornets' 11 field goals and two charity shots for 24 points as Oakley defeated the Buhl Indians, 47-30, in a game at Oakley. This eclipsed by free throw as the Bobcats won 40-32 in a game at Piler. Graybeal twice missed eight free throws in games.

The other record — which also rubbed out the record of Cabin Creek, Coeur d'Alene as a Magic Valley mark — was made by Merlyn Garey, Piler, who he missed the free throw as the Bobcats won 40-32 in a game at Piler. Graybeal twice missed eight free throws in games.

### Bulldogs Down Eden Quint in Overtime Game

KIMBERLY, Jan. 29 — The Kimberly Bulldogs' girl coach, Max Eden, suffered her greatest basketball victory tonight before a crowd that accumulated in the square was Kimbrey's grammar for the game and the President's ball that followed. The receipt of both game and ball went to the polo field.

The Bulldogs downed Eden high which had beaten them in two earlier games. The score was 40-30 with the victory coming in a three-minute overtime period during which the Bulldogs scored 14 points to the Quint's three.

Kimberly set the pace, 18-8, in the first quarter but Buhl, in the first quarter, led 18-8. In the second quarter, 20-12, at the half and still trailed when the fourth quarter was reached, 31-24.

The game was exceedingly rough. Referee Morris Roth held back to banish three players on each team for four personal fouls. Kimberly led 21-12 at the end of the first quarter, but Buhl gained a 27-21 advantage by the half. However, the Bulldogs rapped up seven points to none for Buhl in the third period. The Pirates made eight points in the fourth quarter, but the Damsiters made 10 points to win the game.

## Idaho Falls Boxers Win in Eight Of 13 Bouts With Tiger Ringmen

IDAHO FALLS, Jan. 29 (AP) — Coach Earl Williams' Jerome high school boxing team, which had been regarded as one of the best in Idaho, suffered a severe setback here last night when the Idaho Falls squad defeated the invaders, eight bouts, and the other three contests ended in draws.

Ronald Van Patten, Jerome's star 85-pounder, maintained his three-year unbeaten string of victories by outpointing Bobby Howell, 90, Idaho Falls.

### Hazelton Still Minus Defeat

MURTAUGH, Jan. 29 — With Pat Ross and Hale, rival centers, each making good on seven free throws in eight attempts, Hazelton defeated Murtaugh, 26-25, in a hard-fought game here last night.

The two centers also made four field goals each to score 18 points. Murtaugh led, 19-12, at the end of the first quarter, and the teams were all even at 25-25 at the half, but Hazelton added to the front in the third frame, 15-12. The visitors held the three-point advantage to the end.

The victory was the eighth of the season without a defeat for Coach Ed Prince's Hazelton quintet.

Murtaugh won the junior varsity game, 14-8, while the Hazelton team defeated the Murtaugh town team, 45-16, in the third game on the program.

## All 12 Boys in King Hill High School Share in Cage Victory

KING HILL, Jan. 29 — All 12 boys in the high school shared the victory as King Hill defeated Bliss here last night, 48-25.

Six of them broke into the scoring column but Rodney Ruberry, who set a Magic Valley record last week by scoring 32 points against Gooding State school, again garnered the most points — this time 21 on 10 field goals and a free throw.

King Hill also won the junior varsity game, 15-13.

## Three Years Ago American Motorists Started An 80,000,000-MILE ROAD TEST OF 'SYNTHETIC RUBBER'

The first passenger car tires made with synthetic rubber were to be sold to the public were announced 3 years ago by B. F. Goodrich—the American tiremaker. In these tires over half the natural rubber was replaced by the B. F. Goodrich synthetic, Amerisyn. The result was the greatest road test of passenger car tires in history... a test that totaled 80,000,000 miles.

The experience gained from this test has given B. F. Goodrich vital help in making today's tires... a tire in which 95% of the natural rubber has been replaced with the government's "G.I. synthetic."

But remember—there is still a rubber shortage. And every patriotic American must continue to drive carefully, and to get every possible mile from his present tires. Wasting rubber wastes America's strength.

**WOOL**  
BOSTON, Jan. 29 (UP)—Activity in the Boston wool market broadened out considerably as a result of demand for woolen socks from the army and marine corps. The war food administration reported today in its weekly wool review that the army asked for 3,900,000 pairs of socks and the marine corps for 1,000,000 pairs. Grade requirements of these orders were 66s to 80s. Contracts were placed through private negotiations. Sales of semi-bright, 70s fine wool

were reported at 50c. grease basis. Fine and half-blood, good French staple, domestic free wools were sold for use in army serge. Mills were very slow in placing orders for civilian goods, pending more information on the disposal of the government stockpile. As prices and rate at which these wools will be sold.

# You'll be glad this neighbor asked you to Buy Bonds

ONE day soon, a neighbor may stop by to talk about the Fourth War Loan and the share your locality is expected to play in it. Or he may talk at a War Bond rally at the high school. Chances are he'll ask if you'll buy more Bonds. Will you look on it as a request for a donation? Or will you look on it as an opportunity to build up the financial reserve every business-like farmer or rancher has to have to run his place profitably?

No need to tell you it takes money to run a war. No need to tell you it's *your* war, *your* liberty at stake. But we're all human and just a little bit given to "letting George do it." Only this time we're *all* George. *We've* got to do it! And in buying those Bonds, we're doing ourselves as big a service as we are our fighting men and our country. We're building strength—personal financial strength—with which to meet tomorrow's problems.

### Something Worth Buying

Maybe you have a son off at war. What a homecoming when he gets into his jeans and you've both got those Bonds to fall back on for the machinery and equipment and buildings you'll be needing in the future. And how about the education you've promised yourself you'd give your

children? And that long vacation in the sunshine you and your wife have so long deserved? The only way to have these things is to save the money *now*. U. S. War Bonds are the safest and most liquid investment you can make for these future needs—needs worth *providing* for!
