said heavy smoke clouds enveloped the center of Belgrade, the hoary Yugoslav capital of 266,849 where street fighting has been in progress most of the week. Smoke also shrouded the northwest suburbs; shells constantly were exploding in the streets; German SS troops fought from dug-in tanks in one section, Ivestica said.

Red Star, Russian army newspaper, said conditions were grave in Budapest. Many officials of various ministries have deserted their jobs and gone into hiding. PEPPER CHARGES DEWEY WITH LIE

SAUL LAKE CITY, Oct. 20 (AP)—Senator Pepper, D. Pa., asserted last night "Gov. Thomas C. Dewey is in his power to obstruct the opportunity of a serviceman to vote in this election because he knew that eight of ten would vote for their commander-in-chief."

Speaking at a Democratic rally, Pepper accused Dewey of "linking to the level of a prosecuting attorney, falsifying the testimony and framing the witnesses."

Many falsehoods

"With the help of a clever campaign manager and one of the largest campaign funds in history," he declared, "the old guard is propagating the largest group of falsehoods ever attempted by any national party."

He asserted Dewey is attempting to make the nation believe the administration will keep men in the army after the war, and added:

"For his source, one of the Republican candidate look at the record of the President? Does he look at the record of the President in congress? No. He took the statement made by General Hargney, an avowed Republican, whose duty it is to get men into the army, not get them out."

Pepper asserted that in 1938 returned a bill calling for stockpiling of critical materials for \$100,000,000 to \$400,000,000.

Raps Mrs. Lane

At a great conference preceding the speech, he called Rep. Clara Booth Luce R. Conn., the "glorious flower of congress," and declared:

G.I.'S BATTLE IN TRENCHES '18

By WES CALAGHER
LAVOYEMOUNT, France, Oct. 20 (AP)—American doughboys are dug in along the sector northwest of Nancy in many of the same trenches used by Americans over a quarter of a century ago.

The doughboy of the first World War was dropped back into the trench army front here would find it just about as he left it, including the mud.

The same shell-shattered towns with masonry piles in front of the wrecked houses, the same dripping skies, and above all the mud, ocean of it and rivers of it where the roads are supposed to be.

Still raining

"I don't believe it's stopped raining since I left this front 27 years ago," declared Laet, Col. Joseph E. Shaw, Philadelphia, engineer who fought as an artilleryman near this sector by the last war with the second and 34th divisions and who is back again as an artilleryman with the main division.

G.I.'s arriving in this area found the ground level with long, irregular grass-covered depressions—where trenches of the last war have been almost obliterated by nature. The soldiers dug modern foxholes in these same depressions.

QUARTET SINGING VICTORS PICKED

By O. A. KLEWER
Shades of those gay 30s days when a gay young blade didn't mean a blade of grass—and the singing—the harmony—was done around the familiar shoving mug.
The setting was just a little different Thursday night up at the Elks hall but the singing was just as good for the "barber shop quartet" competition which was the brain child of Joe McDonald.
And after the warbling was all over, and the applause had died down, and the tears of remembrance of the good old days had been wiped out of some of the older eyes (each, anyway, it could have happened like that), the judges announced that four well-known local lads had taken top honors, and also \$25 each, for their efforts.
The winners, O. P. Duvall, tenor; Lem Chaplin, lead; Charles Parrott, baritone; and Jim Reynolds, bass. The songs that took the honors for their quartet were "The Barber Shop Quartet," "Let Me Call You Sweetheart," and an original one that wasn't bad at all and was sung to the tune of a Negro spiritual.
Running close to the winners was the other competing quartet composed of Andy Carter, lead; Arlin Bastian, tenor; Charles Shier, baritone and Deane Shipley, bass. In fact, only a few pennies separated the two contesting quartets.
Judges for the big event were Crin Puller, Emil Friedman, W. W. Thomas, Jack Thompson, Charles Shier and Charles Hatfield.
The quartet competition backed the ball—but that wasn't all the program by a long way.
Also featured was the Twin Falls Elks band, composed of local students and directed by Mr. Hatfield. Their offerings included "The Star Spangled Banner" and "Indiana."
Two piano solos were played, by Murray Norton, formerly a local high school student who is now awaiting call to the service.
The serenaders also came in for their share of the applause with three Sun Valley sailors giving an exhibition of acrobatics and tumbling. The performers were Jack LaLeune, pharmacist's mate, first class; E. D. Reeves, pharmacist's mate, first class; Sam Saffrin, pharmacist's mate, second class.

MACARTHUR ASKS GUERRILLA HELP

By The Associated Press
"I have returned," Gen. Douglas MacArthur told the Filipino people in a broadcast today calling upon them to "rise and strike" the Japanese.
Here is the text of his broadcast over the "Voice of freedom" radio, as reported by the office of the information:
"This is the voice of freedom. Gen. MacArthur speaks.
"People of the Philippines: I have returned. By the grace of Almighty God our forces stand again on Philippine soil—soil consecrated in the blood of our people. We have come, dedicated and committed, to the task of destroying every vestige of enemy control over your daily lives, and of re-creating upon a foundation of inextinguishable strength, the liberties of your people.
"With President Sergio Osmeña, worthy successor of that great patriot, Manuel Quezon, with members of his cabinet, the staff of your government is now re-established on Philippine soil.
The hour of your redemption is here. Your patriots have demonstrated an unwavering and resolute devotion to the principles of freedom that challenges the best that is written on the pages of human history. I now call upon your supreme effort that the enemy may know from the temple of an unwieldy and outraged people within that he has a force there to contend with no less violent than is the force committed from without.
"Bally to me. Let the indomitable spirit of Bataan and Corregidor lead on. As the lines of battle roll forward to bring you within the zone of operations, the aid of the strike at every favorable opportunity. For your homes and hearths strike! For future generations of your sons and daughters, strike! In the name of your sacred soil, strike!
"At the heart of the fight. Let every arm be steel. The guidance of divine God points the way. Follow in his name to the holy grail of righteous victory!"
MacArthur's call for guerrilla warfare was a summons to thousands of Filipinos who have been operating in roving bands throughout the islands. Sometimes under American leadership, since the fall of Bataan. And it was a plea for others to join their numbers.
The average horse-power of the automobile engine has increased 300 per cent since 1920.

W. H. DETWEILER
Republican Candidate for Governor
ELECT A GOVERNOR
Who Will Get The Job Done!

Seldom in the history of Idaho politics has a candidate for governor taken such a definite stand on so many important issues, as has W. H. Detweiler, who is seeking that office on the Republican ticket.
Usually the issues are too controversial for the average politician to go on record definitely one way or the other, with the result that the voters have to draw their own conclusions.
Consequently, for years, the state has endured conditions against which the people are definitely opposed. Bunking in state prison management, paroles and pardons that make a mockery of law enforcement, our state police and highway departments made dumping grounds for political patronage, a school system that is lopsided and top-heavy, and various other conditions equally as wasteful and inefficient—these are things that have been going on year after year.
Will the people of Idaho, go on complaining about these conditions indefinitely, or will they decide to get the job done, once and for all, now that they have the opportunity?
Detweiler is the man for the job. Give him an administration in sympathy with his program and you'll see a house-cleaning.
