The state gave an ever-growing margin to President Roosevelt.

### 249 JAP PLANES DOWNED BY U. S.

U. S. PACIFIC FLEET HEADQUARTERS, Pearl Harbor, Nov. 8 (AP)—Hundreds of carrier planes from the third fleet, in two knockout blows at Manila, increased to 1,000 the total Japanese aircraft they have destroyed and to 71 the warships they have sunk or damaged since they began the Philippines campaign.

Destroyed 40 Japanese planes. Sank two warships (a sub chaser, a destroyer).

Probably sank a heavy cruiser. Damaged eight other warships in light cruiser, two destroyer escorts, five destroyers.

Sank three cargo ships and an oil tanker. Damaged 14 cargo ships and a trawler.

Blinded Nichols, Clark, Nielson, Lipa, Paric, Baman and Mahabak airfields, base which must be kept neutralized to protect Vank in Leyte.

Wiped out three oil storage areas, destroyed a railway engine and five tank cars and inflicted heavy damage on ground installations.

Ninety Tuesday morning added 249 planes to the list he had reported destroyed Saturday. It added the destroyer to the warships sunk, two destroyers and two destroyer-escorts to the warships damaged.

Seven on our own losses are not yet available, the communiqué said. Emphasizing domination of the attacks over Manila, the raiders accounted for 321 of the 440 planes in the group.

### Savage Fighting Slows U. S. Push

GEN. MACARTHUR'S HEADQUARTERS, Philippines, Nov. 8 (AP)—One of the bitterest battles of the Pacific campaign ended today as the U. S. 34th division and units of other Japanese divisions battled in ridges below Zamboanga.

Savagely fighting Japanese slowed down the American advance and, for the first time, shelled Japanese positions along Cebu's coast with heavy artillery.

An American battalion took important ridge summit yesterday, in the slow, dangerous campaign to drive Japanese forces from the defensive terrain flanking the road.

Associated Press War Correspondent said Japanese troops were in eliminating Japanese hillside positions would require several miles of the highway leading to Ormoc.

The latest U. S. return was that the American battalion punched along the highway. The Japanese, fighting with more skill than they had in the past, inflicted heavy losses on the Americans, but the well-equipped Japanese battalion continued its advance, meeting stiff resistance around the town of Zamboanga, four miles south of Pimpangan.

The Japanese dragged artillery to the ridge they still hold to begin the shelling of Cebu's bay positions. The barrage this day was described as "harassing," but division officers said the Japanese were using their artillery effectively.

President Roosevelt's fourth term victory, looming larger by the hour, held the prospect today of surpassing his third term triumph.

The President's indicated electoral vote total mounted to 413 today when late returns gave him the lead in Oregon.

These late counts grew from a tremendous outpouring of voters taking part in the nation's first wartime election since 1864.

Associated Press returns at 2:30 p. m. (M. W. T.), today from 106,755 of the country's 130,810 voting units showed the popular vote: Roosevelt 21,724,603; Dewey 19,155,488.

Roosevelt was leading in Alabama, Arizona, Arkansas, California, Connecticut, Delaware, Florida, Georgia, Idaho, Illinois, Kentucky, Louisiana, Maryland, Massachusetts, Minnesota, Mississippi, Missouri, Montana, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, Tennessee, Texas, Utah, Virginia, Washington, West Virginia.

At one stage Dewey had a lead of over 133,000 in the contest for Michigan's 19 electoral votes. But Wayne county (Detroit), cut into this steadily and by mid-morning it had dropped to about 60,000. The Republican candidate's Ohio lead was less than 6,000.

To the millions who voted with him in the Republican's losing fight under the battle cry of "It's time for a change," went Dewey's thanks and his expressed confidence that all will join in the hope that providence will guide Mr. Roosevelt and the nation to peace.

The victory vote with which the democracy's majority stamped approval on Mr. Roosevelt's conduct of the war thus far, sweeping as it was, still was less than the one he gained in his third term bid four years ago.

WASHINGTON, Nov. 8 (AP)—The Democratic party bared ahead today toward an electoral triumph at the capitol as well as at the White House.

Smashing yesterday's Republican prediction that the administration would lose control of both houses of congress, the Democrats made certain of a senate majority with votes from the Republicans in the west while losing only two of their own.

With 11 senate races still to be decided, Democrats counted 22 certain senate seats compared with 58 they held in the present session. The Republicans tallied 93, counting holdovers, and 28 seats with the 37 they now occupy. The senate's lone minor party member was not up for reelection this year.

In the house, the Democrats showed 193 seats, elected, 109 Republican. Eleven members of the Democratic caucus.

WASHINGTON, Nov. 8 (AP)—President Roosevelt's reelection makes it virtually certain that he will hold an early meeting with Stalin and Churchill in the weeks ahead.

Turning on key questions of post-war reconstruction, the conference will largely shape the course of Mr. Roosevelt's fourth term foreign policy.

The proposed second session of the big three, a year after their first gathering, becomes possible now because the outcome of Tuesday's voting was expected to displace the chilly list, during hectic campaign weeks. They feared the American foreign policy would be determined by whether they would have to reckon with Mr. Roosevelt or Gov. Thomas Dewey in the weeks ahead.

Consequently, diplomatic authorities here now await a declaration in international affairs beginning with the projected big-three session, which some officials hope may be held this month.

It appears certain that attempts will be made to bring about a declaration of the proposed world security organization, and to get agreement on a "four big powers" plan to bring Britain, Russia and the other allies on control of a defeated Germany.

The great political issue to be settled in the big-three meeting is how to bring about a declaration of the proposed world security organization, and to get agreement on a "four big powers" plan to bring Britain, Russia and the other allies on control of a defeated Germany.

How far are Russia, Britain and the United States willing to go in harmonizing their interests? Since the U. S. and Britain have had long talks in London, it is expected that the conference will be held this month.

## U. S. Picks Him for Term IV

PRESIDENT FRANKLIN D. ROOSEVELT

It was a late switchover by New Jersey which sent Mr. Roosevelt's electoral figure to 407.

Michigan, a White state in 1940, was declared by the Detroit News to be headed also toward the Roosevelt vote.

Along with the presidential victory, Democrats made sharp turns in the Republican house membership which was down to 100 a majority late in the day. The administration ran into trouble on bill after bill. Further, as most had expected, the Democrats clinched their majorities in the senate, which means pass on peace and other treaties.

Other Countries Interested  
Newspapers here and abroad displayed much interest in the American election and indications at Washington that the administration will be in a position to meet with the British and French at an early date.

The British radio commented today that the Dewey vote was "a surprise," that Roosevelt's foreign policy "is worthy of the best of the American people."

U. S. Vets Not Needed  
Roosevelt's victory was such as to create the pre-election uncertainty over the service vote.

## Republicans Win All But 2 County Posts

Twin Falls county voters picked the wrong horses for national and state offices in Tuesday's general election but a lopsided GOP majority retained all Republican incumbents in county and state legislative posts.

Lone Democrat to win a major county office was incumbent Sheriff Warren W. Lowery, who swept to victory with easy amid a GOP landslide that felled all his Democratic colleagues save one who was unopposed. That one was J. C. Humphrey, secretary of the county board of health.

The county's voters endorsed Republican Thomas E. Dewey for the presidency, C. A. Botsford for U. S. senate, Henry C. Dworshak for congressman and H. H. Deweaver for governor and the full slate of Roosevelt.

## Woman, 80, Drives Car, Boasts Lively Interests

By JEN BINKLECKER

She's 80 years old, but there's nothing "old granny" about Mrs. Carrie Jones, resident of Twin Falls for the last 30 years. Her hair is snowy white, but her voice is vibrant and "young-sounding," and her eyes twinkle with the alertness of a woman, who by her own admission, "likes to go places, visit with people and see things."

Friday, on the 80th anniversary of her birth at Sturgis, Mich., Mrs. Jones will be installed as president of Twin Falls chapter, American War Mothers.

Devoted Grandmother

She is one of the most active members in that organization, an enthusiastic attendant at both convention and various group meetings. Mrs. Jones is married, the husband, who has a record of perfect attendance in the organization, is now in the United States Army. She was one of the first WACs to land in Africa, and was later transferred to the Italian front, where she remained for several months.

The event will take place at the home of Mrs. John E. Hayes, 401 Shoshone street, at 8 p. m. Mrs. Albert Murphy, president of the chapter, will preside over the assignment for the evening, which will be dispensed with, in order to give Mrs. Jones the time to tell informally of her experiences overseas.

Mrs. Jones came to Twin Falls with her husband, the late Lemuel Jones, and their son, who is 20 years ago from Hamilton county, Neb., and located on a farm two and three-quarters miles from Twin Falls on the Kimberly road. Mrs. Jones lives there.

The must was laid-up in the unimpaired state. Mrs. Jones "loves to go" to the city in the winter, when the risk in the town is less, and she goes to the farm to work, by horse and buggy, Mrs. Jones recalled Wednesday.

One of Mrs. Jones' special interests is the War Mothers club, which she has been a long-time member. Tuesday afternoon the group held her at a birthday party at the home of Mrs. Floyd Jones, Kimberly, presenting her with a certificate of appreciation for her services during the war.

Birthdays Courtesy

Mrs. Wayne Scoggin assisted the hostess in serving refreshments from a lace-covered table centered with a three-tiered birthday cake baked by Mrs. Scoggin. Group games were played with much success by Mrs. Ethel Moore, Mrs. Blaine Vossberg and Mrs. Maude Maxwell.

Out-of-town guests were Mrs. Frank Beck, Jerome; Mrs. Ethel Moore, Santa Monica, Calif.; former club member; Mrs. M. Ballard and Mrs. Maude Maxwell, Kimberly. Mrs. Jones and her daughter, Mrs. Erle Jones, former Twin Falls Postmaster, were guests from Birmingham, Wash. Mrs. Fred Beck, Jerome; Mrs. Wilson, Ocala, Fla.; Mrs. Elsie Jones, Henderson, Ky.; Mrs. Kimberly, Charles Jones, Twin Falls; and Glen Jones, Hiley.

The B. and H. club met recently at the home of Mrs. Myrtle Bird. All jars were turned in for the Children's home at Boise. The next meeting will be with Mrs. Anna Matley Nov. 10.

More than 50 guests attended a birthday party Tuesday afternoon in honor of the first with anniversary of Little Miss Deanna Joyce Strong, daughter of Mr. and Mrs. Lavern Strong, 205 Park street.

Mrs. Strong was assisted by her daughter, Miss Verla Strong, Mrs. R. B. Randall, Crystal Springs, aunt of the youthful honoree, was present from out-of-town.

Mrs. O. C. Hall, Mrs. John Hodder and Mrs. John Richards were hostesses to Mrs. Parker Richards at a birthday party Tuesday, going later to the home of the honoree for an afternoon of games. The four have celebrated their 40th anniversaries together in this manner for the last 18 years.

## CARE OF YOUR CHILDREN

By ANGELO PATRI

"How can I keep the war out of my child's life?" That was the question asked by many mothers and I have the answer beyond the question.

We are at war and that means that war is part of our lives. We cannot avoid thinking about it, working in it, living in it, and we cannot avoid thinking about it, working in it, living in it, and we cannot avoid thinking about it, working in it, living in it.

Build on hope

It is a hope that built for the children. We cannot deny the fact of the war. We cannot avoid thinking about it, working in it, living in it, and we cannot avoid thinking about it, working in it, living in it.
