By VERN HAUGLAND
U. S. 21ST DOMESTIC COMMAND, Japan, Nov. 25 (AP)—The Superfort blow at Tokyo called off the Japanese offensive Thursday (United States time) said in Tokyo a successful first move for an all-out knockout attack in the Japanese homeland.

The raid did not come up to expectations as far as warplanes were concerned but on the whole was profitable, Big Gen. Haywood Hansell, Jr., said. Commander, told news. Clouds prevented some of the B-29s from finding their designated targets but only four of them failed to find worthwhile objects of attack.

Hansell said that one of the "dozens" of Superforts which participated in the attack were brought down by enemy action over the Nippon capital and another failed to return and was presumed downed in the unknown. Tokyo claimed there were 70 Superforts in the attack, but Hansell brought down and nine damaged.

Reconnaissance photographs taken a few hours after the attack showed great fire still burning in the central Tokyo area. The Americans claimed only four enemy fighters shot down for sure and 10 or more others may have been destroyed or damaged. The Japanese admitted having several defending planes.

Hansell said he was convinced that in future attacks the B-29s could "take care of themselves and plan to destroy the Japanese war machine."

(Kenshi Kuma, Japan's assistant air chief, said the American planes "firing incendiary and anti-aircraft batteries" stayed high in the 20,000 to 25,000 feet and carried only light loads of small caliber missiles and incendiary bombs. Speaking over the Tokyo radio, Kuma said the raid would mean increased Japanese production because of the "enormous" damage to the industrial sector.

Returning American airmen disclosed that a new type of two-engine fighter-bomber, the P-51 Mustang, was used in the Tokyo defense. They said this fighter was "a real fighter" and "a real job all around." Ack-ack was light, they said, except in the area of the Imperial palace.

U. S. 21st Domestic Command, Tokyo is about 3,000 miles from Tokyo.

FBI ARRESTS 132 DURING CAR RIOT

LOS ANGELES, Nov. 25 (AP)—One hundred and thirty-two United States citizens were arrested during the rioting in Los Angeles today, said a spokesman for the Federal Bureau of Investigation.

United States Attorney Charles H. Coffey said 112 Negro and 20 white employees of the railroad and other industries were arrested as co-conspirators in the rioting. FBI reported it had arrested 79 in Los Angeles, 21 in Omaha, 11 in Salt Lake City, 11 in San Francisco, eight in Las Vegas, and only one had not been arrested or accounted for.

Richard B. Hood, FBI chief here, estimated the United States Pacific loss at \$300,000 a year through the allegedly illegal operations on the Chicago and North Western railroads in Chicago and Omaha.

Hood asserted the dining car crewmen swindled their employer by using meal checks more than once or by failing to give checks and pocketing the money paid by customers. On occasions, he charged, waiters have failed to give meal checks to entire parties of 68 persons.

The racket on each train involved was directed by the stewards, who are accountable for all funds, said Hood. "The money paid for meals was split equally between the waiters and the stewards or stolen by the stewards."

He declared the crew operated honestly when danger of detection arose, adding:

"The fact that someone might notice an increase in receipts on trains and sometimes discount agent passengers by having a waiter smile in an amiable manner, that fact would be saved."

No Courtmartial Seen for Kimmel
WASHINGTON, Nov. 25 (AP)—The Army and Navy Journal said today "there will be no courtmartial" for Rear Admiral Husband E. Kimmel as a result of findings by the navy board investigating the Pearl Harbor attack. Kimmel, rear adm. in command at the time of the Japanese attack.

Two Killed, One Missing

Three more Magic Valley youths listed as casualties, two overseas and one in the United States. Private Judd, Harley, was killed with seven others when a C-47 army transport crashed near Esparto, Calif., Sunday. Richardson, Decis, a Flying Fortress waist gunner, is missing in action over Germany since Nov. 8. Private First Class Kinsinger, King Hill, was killed in action on Leyte.

Yankee Planes Smash Nip Transport Convoy

By MURLIN SPENCER
GENERAL MACARTHUR'S HEADQUARTERS, PHILIPPINES, SUNDAY, Nov. 26 (AP)—United States fighters yesterday destroyed a four-transport convoy, carrying an estimated 2,000 Japanese troops, in smashing the fourth major attempt to reinforce Gen. Tomoyuki Yamashita's badly pinned troops on Leyte island.

It was the second Japanese effort in two days to run fresh troops to Leyte. Both convoys were destroyed with a loss of 5,500 Nipponese soldiers.

American fighters, said today's communique, have sunk a total of 16 Japanese transports—aggregating 65,000 tons—with 17,000 troops, plus 14 escorting warships.

Bomb-carriers Hawahawks and Thunderbolts caught this latest convoy north of Cebu, shortly after it left port and when it was still some distance from Leyte.

Attacking at dusk, the fighters sank three transports of an undisciplined convoy and left a fourth blazing from stern to stern. All troops and supplies aboard were believed lost.

Situation State
Some 30 miles northwest, elements of the 34th division, including the Panagiotis and Oposcan units, were fighting a series of battles which inflicted heavy losses on the Japanese.

The ground situation in Leyte's Ormoc corridor was static, the communique said. American doughboys fought the Japanese from heights east of Ormoc road, and Yank artillery heavily pounded Japanese artillery positions.

The main Japanese planes were destroyed during assaults on Leyte. American ground troops, who have captured the island, have taken the town of Ormoc, and are now attacking Japanese strongholds in nearby mountains.

The United States 23rd division drove south from Limon against the Japanese in the Ormoc corridor.

London, Nov. 25 (AP)—More than 2,000 American warplanes attacked the German oil center of Metzberg today for the second time in four days, spreading 500 tons of explosives on the sprawling Luftwaffe synthetic refinery as well as on important fuel storage facilities at Biebrich, 50 miles northwest of the Ruhr industrial area.

So light was enemy opposition, both from the air and from the ground, that many of the 1,000 Mustangs, Thunderbolts and Lightning of the eighth and ninth air groups, which escorted the armada of more than 100 heavy bombers, straggled at tree top level.

Preliminary reports said they blew up 10 homes and nine railway cars at Biebrich, communications hub for fuel trucks being sent to defend the Ruhr. The attack was the 14th attack on the huge Luftwaffe plant, which is two miles long and two miles wide, which normally produced 5,000 tons of oil a month.

King Hill Youth Killed on Leyte

Glenn Perry, Nov. 25-26. Walter P. Kinsinger, Jr. was killed in action at Leyte, the boy defender of this week's Magic Valley. Mr. and Mrs. George P. Kinsinger.

The 16-year-old boy was serving in the infantry troops which spearheaded Gen. Douglas MacArthur's return to the Philippines. The war department said he was killed Oct. 19, 1942, at Lehi, Utah.

He is survived, besides his parents, by a sister, Agnes, and a brother, Elmer, at home, and his grandparents, Mr. and Mrs. James J. Grant, and great-grandmother, 84 years of age, all at Lehi, Utah.

Yankies Batling Way out of Bloody Hurtgen Forest

Ass Push Starts on Cologne

By EDWARD KENNEDY
SUPREME HEADQUARTERS, AEF, Paris, Nov. 25 (AP)—The American first army, pushing steadily toward the Cologne plain against furious and undiminished German opposition, had reached the edge of the bloody Hurtgen forest tonight and was under mounting roar-bomb fire from the Nazi defenders of the Rhur.

The first army's troops fought within a few hundred yards of Grafschaft and a thousand yards of Krefeld in the Hurtgen area and brought the town of Hurtgen under artillery fire, but still not enabled their way completely out of the forest, reports supreme allied headquarters said.

On the first army's left flank the north United States ninth army was engaged in heavy fighting to break through the West Wall of the Rhine, the last big natural barrier before the Rhine.

(A broadcast by the German news agency DPA's chief military commentator said allied troops had secured a seven-mile advance east of Aachen. If true, this would place the Americans on the east side of the Roer. There was no allied confirmation, however.)

Purple Heart to Veteran of Palau

Wounded in the Palau engagement, Marine Pfc. Ralph Taylor, son of Mrs. Dave Douglas, Twin Falls, has been awarded the purple heart at a recent Pacific hospital near his mother's home.

He was one of three on Twin Falls high school athletes who had met on the island during the combat.

The others were Marvin Pfc. Bill Jones, son of Mrs. Harriet P. Jones, and Marvin Pfc. Philip R. Knutson, son of Mr. and Mrs. J. A. Knutson.

Private Knutson was the first to inform Mrs. Douglas that her boy was recovering from his wounds in a hospital. Friday, however, she received a V-mail letter dated Nov. 25 directly from her son. He gave no details of his wounds.

Thanksgiving Service KIMBERLY, Nov. 25.—The Methodist and Christian churches will hold a union Thanksgiving service at the Methodist church on Wednesday evening Nov. 26.

The Rev. Kenneth Hendricks, Christian church, will give the sermon.

Turnips Gallop, No Sale

galluping turnips which have grown to such proportions that potential customers either don't believe their eyes or are just at a loss for what to do with them. The photo photographed with the grower weighed 25 pounds, with the one in the center weighing 11 full pounds. (Staff photo—copying).

Help! Turnips Grow So Huge Farmer Can't Get Rid of 'em

One danger of growing super-sized crops is that potential customers will just look at them, exclaiming "impossible," and retreat in a huff as though you'd been giving them a story. Another is that you won't have crates for them when the usual harvest starts and will have to let them go growing.

Consider the case of F. R. Darling, on whose 40-acre farm two miles north of Wendell, Idaho, are an acre of turnips, 2,000 of which have an average weight of six or seven pounds.

Along in September when the crop and attained the usual proportions, the owner showed them to a local wholesaler who agreed to buy them in 25-bushel bins if Darling could supply the baskets. Having just five or six baskets, Darling just had to let the turnips go growing.

"Well the people to come right on out and we'll give 'em all they want," Darling said yesterday. "What

GOODING'S DEATH CASE NOW ENDED

GOODING, Nov. 25.—Possibility of the reopening of the investigation of the shotgun death of Mrs. Della Harbaugh is remote. Sheriff Fred S. Craig said today after announcing the case that he had agreed to remain at the county jail here until everyone was satisfied.

Following the funeral of the woman here yesterday, James and Shaw, Gooding attorneys here, by Ella McLean, brother of Mrs. Harbaugh, to investigate the case said that they had not uncovered any evidence that would warrant the filing of criminal charges against Barrett. Earlier in the day, they had conferred with him at the jail here.

Cited Letter

Myron Harbaugh, from whom the dead woman was divorced almost a month prior to her death, had requested that Barrett remain in Gooding until this morning so that he, the ex-husband, would have a chance to read a letter which the Arco man is said to have written to Mrs. Harbaugh.

Sheriff Craig indicated this morning that the letter had not affected the decision of the attorneys in any way and that the case is closed now as far as he is concerned. County Prosecutor M. F. Ryan announced that the state's previous decision not to file charges remained unaltered.

Even the possibility of an expected FBI examination of the death instrument, a diminutive 26-page shotgun beyond having any effect on the case as the gun was handled too much for an investigation to be conducted. Sheriff Craig remarked, adding that it had not been sent to the federal authorities.

Verdict Final

With the closing of the case, at least for the time being, the coroner's jury verdict that Mrs. Harbaugh died "at the hand or hands of persons unknown" stands as the final official action.

Barrett's stay in the county jail following the verdict which was handed down Tuesday, was ended yesterday. Sheriff Craig said, Mrs. Harbaugh had announced that he believed the electric chair to have been accidental and hired the attorneys in an attempt to prove his contention.

During the request Barrett admitted he had been in the same room with Mrs. Harbaugh at 10-day leave with her aunt, Mrs. W. S. Harbison.

Miss Harbison's duties consist of giving final instruction to servicemen prior to their overseas assignments. She was graduated from Twin Falls high school in 1941, and attended Albion State Normal school. Miss Harbison enlisted in March 1942.

P-47 in Europe

WRIGHT FIELD, O., Nov. 25 (AP)—The army air force, lifting partially for the first time a blanket of secrecy that has surrounded the famed Norden bombight, described it tonight as a "mass of gears, pistons, cams, levers and mirrors" that solve bombing equations instantly.

Several of the aights have fallen into enemy hands, the air technical service command reported, but added it would take the enemy two to three months to unravel the manufacturing and assembling techniques and the sight into production. By then, ATAC said, the air force would have perfected so many improvements as to make the captured unit obsolete.

Lieut. Louis B. Runyan, son of Mr. and Mrs. O. Runyan, is now piloting a P-47 Thunderbolt with the veteran 35th fighter group, commanded by Lieut. Col. Philip E. Tukey, Jr., Cape Elizabeth, Me.

Flying his big Thunderbolt as a fighter-bomber, the 22-year-old pilot has been pounding the huge formations of U. S. heavy bombers on their daylight, precision-bombing attacks on strategic targets deep in enemy territory.

Before enlisting in the U. S. army air force Aug. 15, 1942, Lieutenant Runyan was a student at the University of Idaho. He was commissioned Feb. 8, 1944 at Williams field, in Arizona, and came overseas in October of last year.

They can't come back till it's over, over there !

FOR THESE American fighting men, the war is far from ended!

For, although the Germans are on the run, these Jap-fighters must go on... sweating, fighting, bleeding... till the last Jap has had his belly full of war—and says so.

No... they can't come home till it's over Over There.

The one sure way of getting these American boys home sooner is to give them the same overwhelming amount of equipment which is crushing the Ger-

mans. The tanks... the planes... the shells... the ships... the stuff with which a war is won.

That's where you come in. The Sixth War Loan Drive is on this very moment. The War Bonds you buy during this Drive help pay for the equipment our men need—help get it to them.

Make sure you buy at least one extra \$100 War Bond. Don't say you can't afford it.

For one thing is as certain as that day will follow night. These men won't ease up till it is all over.

Will you?

6 more reasons for buying at least an extra \$100 War Bond in the 6th!

1. War Bonds are the best, the safest investment in the world!
2. War Bonds return you \$4 for every \$3 at maturity.
3. War Bonds are as convenient as cash—and increase in value to boot!
4. War Bonds mean education for your children, security for you, a nest egg to fall back on, come what may.
5. War Bonds help keep down the cost of living.
6. War Bonds will help win the Peace by increasing purchasing power after the war.

PRODUCTION OF SHELLS DOUBLED

By MARVIN L. ARROWSMITH
WASHINGTON, Nov. 24 (AP)—Small arms ammunition plants—cut deeply in production a year ago—bucked down today to a whopping new assignment from Gen. Dwight D. Eisenhower.

The appeal is for a 100 per cent boost in output, as quickly as possible, to maintain the furious pace of the allies' offensive against Germany.

Prompting the need will be met, war production head Chairman J. A. Krug announced yesterday that orders to "roughly double" present schedules had been dispatched to 15 plants. They will need approximately 77,000 workers, over and above the 200,000 that are now working on about eight other critical munitions programs.

No Easy Task
Krug acknowledged that getting workers back into these plants will be no easy task. Eight of the plants are in acute labor shortage areas where they will compete with other "must" programs.

The sudden demand for a huge production increase—matters in 20-caliber bullets and machine gun cartridges—results from battle experience on the western front the last few weeks, Krug told a news conference.

Like heavy artillery and shell production, small arms ammunition output was cut back sharply months ago when the need for a tremendous stockpile was thought to have been met.

The cut in small ammunition was made to get more of the new plants put on a standby basis.

35,000,000 Rounds Monthly
Giving some indication of the production boost required, Krug said present output of 20-caliber bullets is about 35,000,000 rounds a month. Doubling this production and that of other small ammunition may take four or five months, he added.

To meet the goal, critical production under the "spot authorization" program will have to be tightened where ammunition plants are located in critical labor areas, Krug said.

Ten of the plants included in the ammunition program turn out the finished product, while the other three make cores for bullets. Those 13 plants, now employing 55,000 workers, will need 77,000. An additional 15,000 will be required in brass mills.

The 13 key plants include an ordnance plant near Salt Lake City which has been on a standby basis and will be reopened.

Three Reelected At Jerome Grange

Jerome, Nov. 25.—Leon Stockton was reelected master of the Jerome Grange at a meeting at the American Legion hall Friday evening. Also reelected were John Parkinson, overseer, and Mrs. C. P. Smith, secretary.

New officers elected were Mrs. Ira Fuller, lecturer; Mrs. Anne Robertson, chaplain; Jerry Heller, treasurer; Le Bartholomew, steward; Thomas Clark, assistant steward; C. P. Smith, gatekeeper; Mrs. Mable Young, lady assistant; Mrs. Jerry Heller, Ceres; Mrs. Stanley Japowich, Pomona; Mrs. John Parkinson, Flora; and Frank Meyer, executive committee.

A pie walk was held later when funds were raised so that the Grange could buy a \$200 war bond. Chairman Mrs. A. P. Hoeller, home economics committee, said nearly \$200 was raised from serving food at the farm sale.

A vote of thanks was extended the home economics committee for its work.

Mr. and Mrs. Perry Houghaling were taken into the Grange.

Refreshments were served by Mrs. H. O. Eggen, Mr. and Mrs. Lee Bartholomew, Mr. and Mrs. Thomas Clark and Mr. and Mrs. Paul Jerke.

As S.S.I.B. Perrine Was Launched to Honor Irrigationist

This was the scene as the 10,000-ton Liberty ship named for I. B. Perrine, founder of the Twin Falls and north side tracts, slid down the ways at the Todd Houston shipyard in Houston, Tex. The S.S. I. B. Perrine, which will be rushed into service to carry war cargoes, was named at suggestion of Idaho 4-H clubs which desired to honor the pioneer south Idaho reclamationist. (Associated Press photo-artist engraving.)

And here's the christening of the S.S. I. B. Perrine by Mrs. J. M. Pierce, Twin Falls, Idaho. Mrs. Pierce used a bottle of water from the tract founder's own blue lakes ranch—and the camera caught the splashing of the water just after the bottle broke over the bow of the ship. Six Reelected at Sugarloaf Grange

Jerome, Nov. 25.—David Lopez was reelected as master of the Sugarloaf Grange. Others to remain in office are Otto McClellan, overseer; Mrs. Myrtle Lopez, lecturer; Mrs. Ruby McClellan, chaplain; gatekeeper, Herbert Bird, and treasurer, Dave Bull.

Newly elected officers are Matt Smith, steward; George Fuller, assistant steward; Mrs. James Meeks, secretary; Mrs. Bonnie Smith, Ceres; Mrs. George Fuller, Pomona; Mrs. Browne Bird, Flora; Charlotte Lopez, lady assistant; Carl Peterson, executive committee, to serve a three year term; George Harnshaw, two years and James Meeks, one year.

—BUY AN EXTRA \$100 BOND DURING THE SIXTH WAR LOAN!

You can count on the fighting men—now they are counting on you!
The Sixth War Loan Drive is now on—this is your opportunity to help pay for the weapons of victory, and to put your money into the cause of all Americans—the United States of America.

Remember, you are not asked to give, only to lend your money—but every dollar you can invest is vitally needed. For instance, just one \$100 Sixpenny Bond costs \$600,000—and it's going to take plenty of these plans to build Tokyo to its knees. So buy all the extra Bonds you can, because your country counts on you for at least one more \$100 bond.

CHURCH OFFICIALS TO ADDRESS LDS

Stake Relief Society, director of church welfare for the entire Latter Day Saints church, and Apostle Mark E. Peterson, both of Salt Lake City, will be featured speakers during the two-day session of the Twin Falls stake conference which will be held here Dec. 2 and 3. The meeting will be directed by stake presidency officials including Claude Brown, Lyman Schenk and P. L. Lawrence.

The conference is to begin at 9 p. m. Saturday with a meeting of the high council and stake presidency to be followed by a welfare meeting of stake and ward presidency ward chapters and the three members of the stake presidency.

All members of the stake presidency will meet Sunday at 8 a. m. in the first ward chapel. At the same time, a session of the T. A. will be held in the Relief society rooms of the second ward chapel to play work for the Relief society.

General conference sessions, to be attended by the public as well as church officials, will be held at 10:30 a. m. and at 2 p. m. Sunday in the main assembly room of the first ward chapel.

Scheduled for the Sunday evening quarterly conference is a pageant to be presented by stake Relief society members. Based on theology work done by the church, the pageant will depict the 10 most outstanding mothers of the Bible. The tableaux will be presented by the various wards in the stake under the direction of Mrs. C. L. Luke. The presentations were written by Mrs. Daphne Smith, sister of Mr. Luke.

Musical for the entire conference will be under the supervision of Charles Shirley, stake music director. The first ward choir, directed by Zena Frank, will furnish music for the pageant.

Civil Case Will Be Tried Monday

Porter presiding, is the suit of E. J. Malone, rancher living north of Curry, who filed a complaint against the Saunders Mills Inc.

Asking judgment for \$770, plus interest at six per cent from March 1, 1935, Malone charges the sum to the company for hay delivered to him during 1934. His complaint states he had an agreement with the company to accept and pay for 55 tons of hay at \$14 a ton, but was paid \$610.47 of the contracted price.

Following this case, the trial of Ward Fairchild on a charge of resisting an officer was scheduled to be held but the defendant has been informed that the case will be postponed.

PENSION BACKERS CLAIM SUPPORT

WASHINGTON, Nov. 25 (AP)—Congressional sponsors of an old-age pension plan claimed today enough support to force a house vote on the issue.

Rep. Angus, R., Ore., chairman of a steering committee for the legislation, reported 213 members have signed a petition to have it considered immediately.

At 200 signatures are obtained, house rules require that the legislation be taken from the house calendar and placed on the calendar for debate and amendment, where it has been before for many months, and referred directly to the floor.

"With only five more signatures needed and all of those pledged, we believe we can force a decision on this vital matter soon," Angell told a committee of the house.

The legislation, introduced by Rep. Connors, D., Fla., is similar to the old-age pension plan backed for years by the House Committee on Education and Labor, introduced by Rep. Francis E. Townsend.

It would provide for a monthly payment of \$100 to persons over 65 years of age and certain groups of unemployed persons and unemployed mothers.

Praise of Bishop Voiced to Parish

The recent application of the Assessor Episcopal church for admission as a parish, was one of the highlights of the church's year, according to a letter received by the vestry from the Rt. Rev. Frank A. Kira, Bishop of Idaho.

"Since you are the first to arrive at parish status in this episcopate, it will be clear to you that I have a special interest in your progress. I will mean much to the church and to have proof of your growth, and I will mean much to you to have evidence of achievement."

Men of Assessor Episcopal church were reminded Saturday by the Rev. E. Leslie Roder, dec. of the annual national corporate communion for men.

GEESSE FLOCKING INTO MAGIC VALLEY

Best Hunting in Number Of Years Here Predicted

The promise of better goose hunting than the Magic Valley sportsmen have enjoyed in a number of years was held out yesterday by Walt R. Prieb, Idaho's No. 1 authority on the downy fowl, who reported that unusually large flocks have been seen in the area already this season.

Prieb said that the principal feeding spots for geese was at Big Bend should be soon reaching its peak by a week from today, the wild game number have already been killed, and along the river in the direction of Hammett.

He said the flocks seen also were exceptionally large, numbering as many as 150 birds in some instances. Duck hunting has improved and here this week, Prieb concluded.

Rose Bowl May Be Bucks' Reward for Michigan Win

NEW YORK, Nov. 25 (AP)—New Year's day bowl fixtures began to form today in Ohio State, Tennessee, Southern California, Texas Christian and Oklahoma A&M rolled up important victories on the last full Saturday of the 1944 football campaign.

Ohio State felled on the brink of its first defeat before getting up off the floor to whip Michigan, 14-14, to the delight of 71,958 fans at Columbus, capping the Big 10 title and finishing its first perfect season since 1920.

Mr. A. L. Johnson, that all-around lover of athletics from over Ripper way, drops the Old Sport Service on the front page of the Columbus Dispatch, like your column very much in spite of your poor presentation. The paper one doesn't like his "sporting" either as evidenced by the fact that he ever beats on it.

But that's not really the prime motive for Mr. Johnson penning off his little note to this sportward puffer. It was more to say that he didn't like Mr. F. W. Moore, Glenn Perry, had to say about the Ripper-Twin Falls game, in which the Plains ran up the skull and crossbones on the Bruins and made them their prey.

Mr. Morrell in attempting to minimize Perry's defeat, Mr. Johnson makes the assertion that Twin Falls could beat Ripper. He states it was Twin Falls first game, writes Mr. Johnson, "I'm bothered to think back he would have found it was also Ripper's first game."

Coach Hays started the season with only one boy who had ever been in a football game. From this rather modest array of talent he built a team formidable enough to beat Twin Falls (something no other team in his district has been able to do for eight years). With a 14-0 record and a 14-0 record in the playoffs, every game at a 30 to 40-point disadvantage—yet they won five out of eight games. Not bad, Mr. Morrell.

"I understand Coach Hays has a great deal of team returning next season. I am sure, Mr. Morrell, a place could be found on the Ripper schedule if Ripper would like to try it out."

Now that Mr. Johnson has that off his chest, YOSS believes he could stand a load on his shoulders, and he is to start a movement to keep Coach Hays at Ripper. This type of letter is not uncommon, as attractive in fact that you, and you, too, would need a lot of persuasion in more ways than one to turn any one of them down.

The Magic Valley has been quite lucky in obtaining a number of fine coaches during this past year. Now, there's Elmer Parks over at Gooding, about whom YOSS has another letter, from Mr. Milton Dodge, which says:

"By the way, has anyone seen a new coach pull a team out of a slump as has our new coach—Elmer Parks. Although three or four games already had been played when Mr. Parks arrived he took the boys under his wing, and their confidence and showed them the real meaning of football and how to play the game. The team that played at Shoshone and Boise was not to be compared with the team that recently beat Oakley and then lost a heartbreaker to Glenn Perry in this final seconds of play."

Mr. Parks has made a wonderful job out of the Gooding lads, and if he had had the boys at the start of the season, things would have been pepped up in the Big Seven. The Gooding club didn't include any outstanding stars. Possibly the most outstanding member of the squad was Oshberry, a junior who played in the wing position. He was hard-hitting and fairly fast. Other members of the squad who played good ball after Parks took over were Shiner, fullback; Rex Felt, center; and Oakley, alternate back and end. These boys are at fine players, some of whose opponents found out. Ask Cooper of Oakley how hard Shiner charges."

Inasmuch as there'll be no all-Big Seven or all-Magic Valley football YOSS doesn't believe Mr. Dodge would like for him to publish the results of his letter. He says it could do no harm, only hurt the feelings of a line, although Mr. Dodge's evaluation of his players is precisely the same as that of the press. That's the sporting thing to do.

And that's that for now, except that the Magic Valley sportsmen, Prieb, Idaho's greatest authority on fowl, has prophesied a great flight of the downy ones in from Canada.

Cullop Quits Columbus Club

COLUMBUS, O., Nov. 25 (AP)—Dick Cullop, manager of the Columbus club, has resigned from the American Association. He was the last of the team's managers to resign. Cullop was replaced by George S. Smith, who was named to accept a managerial position with the Columbus team. Cullop was the manager of the Columbus club for the last two seasons. He was the manager of the Columbus club for the last two seasons. He was the manager of the Columbus club for the last two seasons.

Orange bowl berth, fell before the rejuvenated Notre Dame Irishman, 21-0, while Tulsa, its Miami opponent, was idle.

The No. 1 upset was Mississippi's 12-8 margin over favored Mississippi State which played without the full time service of its star, Tom (Shirley) McWhinnery.

Belmont State Banking Belmont State's ranking among service teams by stopping highly regarded Camp Perry, 21-13 for its second perfect season. The Iowa-Schawls snatched Iowa, 20-6.

Duke, although defeated, four games, earned a Sugar bowl bid by running up a 33-0 count on North Carolina. Duke's Sugar bowl opponent will be Alabama.

Yale completed its season without bid, but had to settle for a 6-0 tie with Virginia in its last game. Young Ties Georgia Record Scores of other leading games by sections:

East-Penn took its traditional game from Cornell, 20-0. Brown finally beat Cornell for the first time in 16 years, 22-20, and Pittsburgh trimmed its ancient rival, Penn State, 14-7.

Michigan-Tillamouth manhandled Northwestern, 25-6. With Buddy Young scoring two touchdowns and Eddie Red Grant's record of 12 touchdowns in a season, Indiana captured the old oaken bucket by outlasting Purdue, 14-6. Minnesota outscored Wisconsin, 26-23. Nebraska defeated Kansas, 25-8, and Great Lakes took Fort Warren, 28-7.

Southwest—Southern Methodist edged Texas Tech, 7-4. Pacific N. State's pre-flight swayed California, 24-6.

Pocatello Bowlers Lead All Events of Pin Tourney

Five bowlers from Pocatello, traveling under the name of the Pocatello Orange, whose keeling is as sturdy as the bright green shirts they wear, were out in front in all three divisions—team, doubles and singles, of a Bowldrome tournament that promises to establish an all-time Twin Falls entry record before the curtain is rung.

Snead, Turnesa Tied With 217

PORTLAND, Ore., Nov. 25 (AP)—Glenn "Sam" Snead came slouching through the rain and came today to grab himself a tie for first place at the 34th hole of the 72-hole Portland open tournament. He chalked up a three-round total of 217 to tie the lead with Mike Turnesa, White Plains, N. Y., who started off the day two strokes ahead of the field.

When they tied off today, Turnesa and Snead were tied at 144. The Virginia teed up at 135-173. One or the other should pocket a handshake of \$1,000 in bond Sunday.

Five shots behind the co-leaders were Byron Nelson, Toledo, O., and Fred Longworth, Portland, sharing the 22 bracket.

Tied at 75 were former P. O. A. and British open champion Denney Child, Akron, O.; Zell Eaton, Los Angeles; and Fred Wood, Vancouver, B. C.

Schmidt Grid Films Given to Idaho U.

MOSCOW, Nov. 25 (AP)—The football motion picture collection of the late Francis A. Schmidt has been presented by Mr. Schmidt to the University of Idaho where the new and better coached, his last football season, graduate manager Ted Sherman said.

Made for strategy planning and coaching use, the films include scenes from some of Idaho's outstanding football games of the past, Sherman said. A motion picture projector was included in the gift. Sherman said the pictures would be used primarily by athletic groups on the campus.

BARLEY MARKET STRONG
CHICAGO, Nov. 25 (AP)—The barley futures market was strong to-day and closing prices on the Chicago board of trade showed all contracts three cents higher for the day.

There was nothing in the news to account for the advance and market sources attributed it to a few buying orders and no offerings. The trade was extremely light.
