Two Confessions Made in Arrest of Gasoline Bandits

Magic Valley's five "unsolved" filling station burglaries were solved late yesterday with the apprehension, in American Falls, of two Oregon men who have confessed to their part in the break-ins, Sheriff Warren Lowery reported late yesterday.

The arrested men were Donald Nelson Leest, 20, and Grover Patterson, 18, both residents of Oregon. Sheriff William Hoochman, who made the arrest, said both men had confessed their part in the burglaries.

The men were arrested after their car broke down and was being towed into American Falls. Sheriff Hoochman, who had read news stories of the break-ins in "The Daily" and Hagerman early Friday, as reported in the Times-News, became suspicious when he saw the equipment contained in the car. The men were taken to the Sheriff's office and held until word was received from Sheriff Lowery.

Paul Hunsicker, owner of one of the stations entered, the Rosier Service station, Pler, taken to American Falls by Sheriff Hoochman. Ed Hall and James Benson, identified three tires, a radio and other items taken from the station.

Deputy Sheriff Ed Hall stated late yesterday that the men had confessed to burglaries of 12 places in Idaho and Oregon during the past week. They were being returned here by Deputy Hall and Sheriff Hoochman.

Deputy Benson said that "we're bringing all of the stuff back to Twin Falls. It was made in all of the car." He said "there is a good chance that we've got the burglars." He said "we've got the burglars." He said "we've got the burglars."

They Head New Hospital Association

Everyone in Magic Valley who is interested in improved hospital facilities for this section of Idaho will have an opportunity to attend a public meeting called to consider three proposals which have been suggested as a means of correcting the problem existing in the operation of the present Twin Falls county hospital.

The meeting, to which all interested Magic Valley residents are invited, will be held in the Twin Falls high school auditorium at 8 p. m. next Wednesday.

The decision to hold a public meeting was reached Friday evening at the second meeting of the newly-organized hospital association, held in the district court.

The association, made up of approximately 30 prominent individuals representing a cross-section of this community, chose to call such a meeting before reaching any decision on which one of three alternate proposals should be accepted in an effort to develop a better hospital.

Two-fold Purpose

The public meeting is being explained, would serve two purposes: 1) To familiarize the people with the three proposals and give them an opportunity to express their views, and 2) to provide the association with a further guide to be used in reaching a final decision.

At the association's second meeting, T. Clyde Bacon was elected permanent chairman. Mrs. J. W. Clouche, vice-chairman, and James A. Briggs, secretary.

The association is finally ready in the procedure to be followed in carrying out its plan for the construction of a new hospital. It was pointed out, it will be necessary for the association to make arrangements for purchase of the hospital from the county. All conditions are being considered and the understanding that the new management would have on the present hospital facilities is being reviewed under consideration.

Three proposals under consideration are: 1) The purchase of the present hospital, the Catholic church, and as a community-wide institution.

The LDS church would take over the building and the present facilities on a dollar-for-dollar basis up to a total of \$700,000 which would be repaid by the construction of a modern, 100-bed hospital. Plans, provided half by the church and half by the county, could be put in effect.

400,000 Workers Join Fighters as Jap Jitters Grow

WASHINGTON, July 22 (Sunday) (AP)—Tokyo nervously counting the third consecutive day today without word or action from the prowling British-American fleet, pressed communications workers into actual fighting units for the expected homeland battle and boasted of a new, secret anti-invasion weapon.

With radio silence blanketing out the powerful fleet, Adm. Chester W. Nimitz omitted his customary daily communique. Except in China, a still new ground action was reported from the vast Pacific-Asiatic war theater. The Chinese were fighting furiously on the approaches to one of the biggest prizes in the southern part of that country—Kweilin and its three big air fields.

In Washington the navy department announced the sinking of 11 additional Japanese ships by American submarines.

The MacArthur headquarters communique today reported only mopping up operations around Borneo's eastern Sambodia oil fields. It disclosed that the ratio of Japanese dead to allied dead in the fight for Borneo amounts to more than 11 to 1.

Counted Japanese dead total 436, prisoners taken 41. Allied casualties, mostly Australian, were 388 dead, 1,351 wounded and 12 missing.

American and Aussie fliers hammered Japanese defenses of areas around Borneo while American torpedoes blasted the harbor of Anson, the Japanese base on the coast of the big island.

Despite a heavy Japanese plane machine sweep against allied ships, the U.S. and British navy continued to pound the East Indies.

Only Way

Meanwhile the Japanese were laid off by an American spokesman today. He said "the only way to make possible the salvation of Japan is by the Japanese themselves." The spokesman's broadcast to Japan, pictured two alternatives—surrender or destruction of the country followed by dictated peace—or unconditional surrender with its attendant atrocities as laid down by the Atlantic charter.

Boy Dragged Quarter Mile In Runaway

WENDELL, July 21—A youth writhed in pain on a St. Valentine's day as he rode his bicycle down the hill with his father, had tried to control the runaway. The boy, who was taken to St. Valentine's hospital, was taken to St. Valentine's hospital, was taken to St. Valentine's hospital.

The boy was taken to St. Valentine's hospital, was taken to St. Valentine's hospital, was taken to St. Valentine's hospital.

Public Hearing on Hospital Problem, Set for Wednesday

Everyone in Magic Valley who is interested in improved hospital facilities for this section of Idaho will have an opportunity to attend a public meeting called to consider three proposals which have been suggested as a means of correcting the problem existing in the operation of the present Twin Falls county hospital.

The meeting, to which all interested Magic Valley residents are invited, will be held in the Twin Falls high school auditorium at 8 p. m. next Wednesday.

The decision to hold a public meeting was reached Friday evening at the second meeting of the newly-organized hospital association, held in the district court.

The association, made up of approximately 30 prominent individuals representing a cross-section of this community, chose to call such a meeting before reaching any decision on which one of three alternate proposals should be accepted in an effort to develop a better hospital.

Two-fold Purpose

The public meeting is being explained, would serve two purposes: 1) To familiarize the people with the three proposals and give them an opportunity to express their views, and 2) to provide the association with a further guide to be used in reaching a final decision.

3 Reported Resigning at Blackfoot

BLACKFOOT, July 21 (AP)—J. Peterson, administrative director of the Blackfoot hospital, today reported that three employees of the mental hospital have resigned, but added he did not know whether the action was administration by the investigating commission.

Dr. L. J. Full of the public health staff took over administration of the hospital this morning from Dr. G. Ritter Smith, resigned by Governor Cozzetti.

Dies in Action

PFC RICHARD A. HICKS

... resident of Pler in the past 13 years, who has been reported killed in action on Luzon (Philippines).

He was visiting his grandmother, Mrs. J. W. Clouche, at Mountain Home, Idaho, when he was killed in action on Luzon (Philippines).

He and his wife and daughter, Lucille, were Pler residents for the past 13 years except for two years spent in California.

Fire Raging After Storm Near Kinama

SHOSHONE, July 21—Jack Keith, Shoshone district granger, reported late today that a "range fire, four to five miles long, burning more than 24,000 acres, was spreading north and east in the direction of Laidlaw and Brocreek."

The fire, believed to have been started by an electrical storm, is spreading rapidly and is being fought by a posse of about 100 men.

Keith said the fire is out of control and spreading fast.

Firemen are working to contain the fire near Kinama.

Big Three Harmonious At Week-end

FOOTSDAM, July 21 (AP)—The big three victory conference reached the end of its first week tonight and American officials expressed satisfaction with progress in problems arising from the interrelated negotiations of Europe to the destruction of Japanese resistance.

Tuman, Churchill and Stalin held their fifth three-hour meeting today and an announcement said: "The work of the conference is going ahead and much serious business has been done."

The American delegation reported that the three leaders of the United States, Britain and Russia spent approximately 15 hours this week in direct discussions at the round table.

Besides their full day meetings, the big three entertained among themselves with a series of luncheon and dinner where the international business of peace was discussed.

Churchill, Stalin and former deputy prime minister Clement Attlee were the highest military commanders of Britain slightly delayed their previous schedules today in order to attend the conference.

More than 200 German gathered outside British military lines around Kiel, formerly known as the "Kaiser's Army," and when Churchill drove up there were cries of "greatest," he acknowledged the cheers by raising his fingers in the V sign.

Solons Want U.S. To Keep West Islands

WASHINGTON, July 21 (AP)—Men from the Japanese of this section of Idaho will have an opportunity to attend a public meeting called to consider three proposals which have been suggested as a means of correcting the problem existing in the operation of the present Twin Falls county hospital.

The meeting, to which all interested Magic Valley residents are invited, will be held in the Twin Falls high school auditorium at 8 p. m. next Wednesday.

The decision to hold a public meeting was reached Friday evening at the second meeting of the newly-organized hospital association, held in the district court.

The association, made up of approximately 30 prominent individuals representing a cross-section of this community, chose to call such a meeting before reaching any decision on which one of three alternate proposals should be accepted in an effort to develop a better hospital.

Two-fold Purpose

The public meeting is being explained, would serve two purposes: 1) To familiarize the people with the three proposals and give them an opportunity to express their views, and 2) to provide the association with a further guide to be used in reaching a final decision.

At the association's second meeting, T. Clyde Bacon was elected permanent chairman. Mrs. J. W. Clouche, vice-chairman, and James A. Briggs, secretary.

Child Drowns In Sand Pit At Mtn. Home

MOUNTAIN HOME, July 21 (AP)—A small boy plunged into Mountain Home sand pit today and was killed Saturday noon. He was John Beaman, about 5 years old, son of Mrs. J. W. Clouche, of Portland, Oregon. His mother is the wife of Fern Elmer, Oregon, of Shoshone.

He was visiting his grandmother, Mrs. J. W. Clouche, at Mountain Home, Idaho, when he was killed in action on Luzon (Philippines).

He and his wife and daughter, Lucille, were Pler residents for the past 13 years except for two years spent in California.

Ida. Railway Men Fail in Wage Plea

WASHINGTON, July 21 (AP)—The railway emergency board has denied the wage plea of the Idaho Railway Men's Association, Portland, Ore., for an increase of 10 cents an hour.

The board said that the company's offer of a 5 percent increase and a bonus 40-hour work week was the best it could offer.

The workers asked the railroad, a subsidiary of Pullman's Standard Inc., for a minimum rate of 62 cents an hour.

Denial is based on a finding of the board that, contrary to the employees' claim, the railroad operations of the company and the prevailing rates of pay had not been paid.

FLASHES OF LIFE

HARRISBURG, Pa., July 21—A man in an elevator in a state office building today was rescued after he fell 400 feet.

The man, who was rescued after he fell 400 feet, was rescued after he fell 400 feet.

The man, who was rescued after he fell 400 feet, was rescued after he fell 400 feet.

ODT Ban on Group Trips

WASHINGTON, July 21 (AP)—The office of defense transportation today banned organized group travel, effective immediately, on rail travel, effective immediately.

It also prohibited sale of railway tickets or space on trains to any person or group who is not permitted to reserve, purchase or acquire any rail tickets or space.

ODT defined organized group as a passenger train travel by any two or more persons traveling together in a group "when such travel is arranged by a travel agent or by any other person, who for compensation, has made arrangements for the transportation of such travel."

The order is designed to curtail civilian passenger train travel which would be made available for troop movements and "the least possible interference."

Mercury Rises To 98 as Sol Turns on Heat

With the draft wind, 60° below zero, the thermometer yesterday "showing on more than 98 degrees to mark the hottest day of the year locally."

The thermometer yesterday "showing on more than 98 degrees to mark the hottest day of the year locally."

Auto Mania

SPOKANE, July 21 (AP)—Army Sergeant Martin was shocked when he climbed in his car this morning. In the front seat, clad only in a nightgown, was a little boy. Fearful a child had been abandoned in the car, he called the police.

Mrs. Kuehneber told the 2-year-old boy had a maul for a father. She said she had abandoned the child in the car.

Mrs. Kuehneber told the 2-year-old boy had a maul for a father. She said she had abandoned the child in the car.

Utah Capital Crippled by Freak Squall

SALT LAKE CITY, July 21 (AP)—Electric power was disrupted in the Utah capital today by a freak squall which carried the bulk of the city's current.

Damage had not been completed by the time the squall struck. The Utah Power and Light Co. company hoped to forestall a partial shutdown by restoring the current.

From hotels and department stores, the Utah Power and Light Co. company hoped to forestall a partial shutdown by restoring the current.

Lana Turner All in White And Exciting

HOLLYWOOD, July 21 (AP)—White can be just as dramatic and exciting as black and red. Lana Turner proves it in an all-white wardrobe she has designed for Lana Turner, who was born at Wallace, Idaho, to wear in "The Postman Always Rings Twice."

While the Hays office was making sure that there would be no spots on the actress's original designer for Metro-Goldwyn-Mayer, Lana Turner is achieving a peerless wardrobe. The story, a scandal in a cheap background, is pointed up by making the heroine immaculate, with a fetish for spotlessness.

Most exciting are several costumes designed for sports. Irene has managed variety and effectiveness in black. In the green suit, she has achieved the least possible amount of fabric possible. She wears "there are things for the cute young things; on mature girls they will be tedious."

The swim suit trunks avoid that unflattering straight line across the thigh. Lana's are pointed, slenderize that part of the leg. The bra, a simple, but beautifully cut four inch halter, is made of simulated latex.

All of the play clothes are midriff affairs with shorts. One has a covered top of heavy white crepe, with a one-button double-breasted closing, tailored collar and extended shoulders instead of sleeves. A narrow twisted band gives a novelty touch to the neckline.

Another play outfit of heavy white broadcloth has a low wide square neckline with soft dropped shoulders and pointed cuffs held down with large self-covered buttons. The shorts have two pleats in front, a raised waistline and a narrow twisted belt.

With all of these, Lana wears a white jersey turban, wrapped according to plan, covering the hair completely.

With the bathing suit or play clothes, Lana wears a boy while tuxedo jacket, its large collar, lapels and breast pockets outlined in heavy gray saddle stitching.

Still Killing Japanese on Corregidor

By JAMES HUTCHESON
CORREGIDOR, July 21 (AP)—News and then Japanese airplanes still appear to be killed on this famed fortress in Manila bay but summer and spring have heated much of war's devastation.

Occasional stragglers are flushed in periodic patrols of the many caves by company P of the 35th Central Postal Directory. The remaining will be the support of some 200 Japanese soldiers, now trapped on the island.

It was five months since I had watched a battalion of the 34th division's 34th regiment storm the beachhead. Some garrison troops are also quartered in the wrecked barracks on "topside" where the 50th paratroopers made their historic jump.

But the change that impressed me most was the green growth over the ridges leading up to the "top side."

The scene of devastation during the February fighting was the most complete I ever had seen. Hillsides were pitted and burned bare by demolition and fire bombs. Burned by blasted tree stumps stuck up like twisted ponies on a desolate landscape. The rocky terrain around the beachhead looked as though no blades of grass ever could push through it.

But those once moribund stumps and tattered bushes have arrested fresh shoots. A heavy growth of grass has grown over the ridges. There still is the stench of death about the entrance to the main "Wainwright" tunnel. A rockslide blocks half of the battered entrance. Inside it is cold, forbidding and dark as night. The only light there is from the opposite tunnel entrance. It seems a fitting home for nothing but bats and the enemy dead.

New Premier

Joseph Benedict Chilly, automatically succeeded the late John Curtin as prime minister of Austria when elected leader of the federal labor party.

Sedative for Goering Cut, So He's Mad

MONDORF, Luxembourg, July 21 (AP)—Reichsmarschal Hermann Goering's diet of sedatives is being gradually reduced in the infirmary of the Palace hotel, where he is being held—and the former leader of the Luftwaffe is miffed.

Col. B. C. Andrews, commander of the enclosure, said Goering was taking 20 times the normal dosage of paralytic when he arrived here to join Joachim von Ribbentrop, Grand Adm. Karl Doenitz and 49 other high-ranking Nazis.

Sgt. Robert Flock of Milwaukee described Goering's reaction to the cut in drug ration:

"Yesterday he coasted. He held the pills in his hand, counted them. He threw them into his mouth, washed them down with a glass of water and, still scowling, said: 'Every day they get less and less.'"

Attendants said Goering also was being treated for bronchitis and is being kept in the infirmary because his obesity affects his heart.

Goering hadn't had a heart attack yet but the great weight placed a strain on it and sometimes knocked him out of rhythm," one said.

All the needs are being held for further action by the allies. Many of them will face war criminal trials.

Canning Program Opens in Burley

BURLEY, July 21—The Burley canning kitchen began operation this week, with Mrs. Julia Johnson supervising. The kitchen is located back of the high school.

Any person having surplus food for canning is asked to bring it to the kitchen, where it will be canned for use in the school hot lunch program next year.

Cost of the canning is 7c for a 2 1/2 size can; 8c for 2c, and 10c for a can of most.

Saws Cut Better

Real Favor Done Nips by Superforts

By The Associated Press
It's the queerest thing, the way those Superforts are giving a boost to the Japanese war effort.

The last anyone heard, the Japanese needed more room in their periscope cities, the in their periscope cities, the in their periscope cities.

Now, by current Japanese accounts recorded by the federal communications commission, the Hon. E. A. Tamm was on the verge of running out of scrap iron.

And at this crucial moment, says the Tokyo newspaper Asahi, which along came the Superforts and did

the Japanese the following favor: "At the beginning of this war, scrap iron was not important, so it was gathered from among the common people."

"Recently, however, due to the fact that the amount of scrap iron has increased considerably in the war-damaged areas, we have been able to get all the scrap from us."

Now if any Japanese junk dealer turns up with a load of scrap—iron, steel, brass, and copper—fresh from the front war plant a yen can buy—will be delivered smack on his doorstep.

FINED FOR DRUNKENNESS
L. G. Carter, filer, Vernal Oranger, Burley and G. B. Furness, Twin Falls, were fined \$10 each Friday afternoon when they pleaded guilty to municipal court here to charges of being drunk.

Positions Open In U. S. Bureau

Applications for the position of special intelligence unit, but means of internal revenue, for duty in Idaho, Montana, Oregon and Washington, with headquarters at Seattle, are being sought by the United States civil service commission. If F. Rerort, post clerk, announced Saturday.

The salaries for these positions are \$4,483 and \$2,314 a year, including overtime compensation. There is no written test and no age limit. Applications are not desired from persons engaged in war work unless the position applied for requires the use of higher skills than the worker is using in his present employment. A certificate of availability from the former employer or from the USES is required before appointment.

Accident Fatal To Rupert Woman

RUPERT, July 21—Mrs. Jettie May Sessions, 53, Rupert, died Thursday at a Tremonton, Utah, hospital from back and internal injuries received when her car hit a soft spot in the road and turned over four miles west of Snowville, Utah, Wednesday.

Survivors include her husband, four daughters, Mrs. Alice Brunst.

Nip Sea-Air Forces Due To Get Busy

By DEWITT MACKENZIE
AP Foreign Affairs Analyst

As the Japanese navy and air force advance in their drive to take the Philippines, the United States Navy and Air Force are expected to be in action soon and that the "day of victory" is rapidly approaching.

It perhaps has no special significance that the survivors of the Manila docks have been reported to have made a hit on the Japanese navy and air force.

Great things depend upon what Stalin has to say about the Japanese war.

Waiting, Wondering, Idleness By on Yank War Prisoners

By JEAN DINKELACKER
Days... days... days of nothing to do, wait and wonder. Night after night, waiting for nothing to do but worry and wait and mope.

It's the dull monotony of idleness... the never knowing what's the score in the outside world... more than the lack of food that's the greatest hardship.

What about the prisoners who are held in German camps... the lack of food... the lack of news... the lack of hope.

On occasions when the German captives... they'd give them the Red Cross food, all right... but it would be all mixed up.

ALLETTER from HOME
Sunday, July 22, 1945

Here in Twin Falls, according to the announcement made by Mr. George O. McNew, his rank will be an open air. You will see a sign which says "I am a member of the United States Army."

Jack H. Royle of Three Creek has been promoted to sergeant first class, while his brother, William J. Royle has just been commissioned in the air corps.

Mt. Edward V. Bess of Twin Falls has been awarded the bronze medal.

Two boys from the same ship are at home for 30 days while the ship is in the Pacific. They are P. J. Hillman and Sgt. James B. Tucker.

Sgt. James B. Tucker, a veteran of two years in the Pacific, has been visiting in Jerome and is now at home.

The old high bridge across the Snake between Twin Falls and Jerome is to be replaced by a new "fire-proof" floor made of a new, imported lightweight cement.

The county hospital here is now very congested. Patients who know we have been trying for some time now to get better hospital facilities, might be interested in three different groups that have set up a committee to discuss the problem.

A special memorial service was held at the Rupert Christian church for the late Mrs. J. H. Steele who lost his life in Pacific waters last October.

Cpl. Vic Oberon who was at home here in Twin Falls for a short time has returned to his base at Las Vegas.

WAC Pvt. Betty Crawford has been visiting her mother here in Twin Falls while en route to her new station in Las Vegas.

Capt. Merrill B. Alexander of Gooding has been awarded the silver star for gallantry.

Kenneth J. Neisger, Twin Falls flight officer, has been released from a German POW camp and will soon arrive home with his wife.

Mc Rex Pullmer has arrived from the Pacific for a visit.

Walter Bertach, head of the bowling alley, has been promoted to the rank of captain. He has been in the service for nearly a year now.

In about 30 days roller skating will again be a popular sport.

Shanghai to Be Next Big Yank Target

WASHINGTON, July 21 (AP)—Douglas MacArthur's announcement that the Yanks are beginning a "blitz" attack on Shanghai, reveal that the Yanks are out to capture Japan's major invasion point of east Asia.

Shanghai is the outstanding port of which Tokyo has poured five war machines into China and adjacent areas, and the place where Japan's outstanding property interests on continental Asia are located. It is the key to the Japanese bombers and fighters are directed to the very streets of Japan's position in Asia, for Shanghai, to both Chinese and foreigners who have lived there, is the heart of China.

China, Shanghai was the commercial and governmental center of that nation, although Nanking was the capital. Most government offices were in Shanghai, and its economy it was supreme throughout Asia.

The musk ox has no musk, and is not an ox.

Deserters Held For Federal Jury

Robert Edward Henderson and Robert Gray Galt, 18-year-old deserters from the army, were held for federal grand jury action on a charge of desertion from the army. Henderson, 21, was held at the Federal Reformatory for Men at McAlester, Okla., and Galt, 17, was held at the Federal Reformatory for Men at McAlester, Okla.

They waived their right to a preliminary hearing and were held for the September term of federal court at Boise. Judge Humphrey set bail for each at \$2,000.

The two soldiers were arrested here Thursday night by city police officers who were conducting a survey after their actions reported Sunday. They admitted, Police Chief Howard J. Hester said, that they were deserters from the army.

They said they stole the automobile in which they were traveling in California and drove to Twin Falls via Nevada.

2,500 Sign up, But 600 Don't For OPA Rent

O. W. Whigham, district attorney for the OPA rent control district composed of Twin Falls, Cassia and Blaine counties, reported Sunday afternoon that some 2,500 property owners had signed up properly in Twin Falls, but only 600 had done so.

He said that the regional OPA office would issue a directive to some 1,000 district attorneys to determine which property owners in the district had failed to sign up for the government controlled measure.

Purely on the basis of an estimate, which he admitted might not be close, Whigham said he thought some 600 to 600 persons who are required under federal law to register their property with the OPA had failed to do so.

Now that signs have been closed the district office, which has been established here will devote some of its efforts.

It is evidence is obtained to allow time to the investigation of complaints and alleged violations of rent that a property owner has willfully violated rent control regulations. Then legal action will be taken, Whigham said.

Living Berlin, who has written "The Book of Genesis," has never had a music lesson or learned to read music.

Russell Circus Here Aug. 1

Two performances of Russell Brothers circus, replete with elephants, trained animals and many new acts, will be given in Twin Falls Aug. 1.

An impressive array of tightrope acts, including the 1945 program of the Russell Brothers circus, will be given in Twin Falls Aug. 1.

The circus, which is directed by the manager and horse jockey, the doors will open at 2 and 7.

Jap Attack Beaten Down At Kweilin

CHUNGKING, July 21 (AP)—Chinese forces closing in on Kweilin from three sides have beaten down Japanese counter attacks on the outer perimeter of enemy defenses before the former U. S. 14th air force base city, the Chinese high command announced today.

All the Japanese counterattacks were "totally frustrated," the Chinese high command said.

Chinese columns in Kwangtung province continued to move in on Kweilin from the southwest, north, west and south. Kweilin is 90 miles northwest of recently recaptured Luchow.

Considerable forces were bottled up in Japanese lines in Fuzhou province, six miles south of the south China coastal highway town of Yundao, 65 miles northeast of Swatow. Chinese troops attacked Chinese garrisons which since June 13 enemy forces have been trying to fight their way from Annoy to Swatow, 115 miles to the southeast.

The high command said the Japanese counter attacks around Kweilin yesterday, July 20, were repulsed at points such as Fashien, 25 miles to the west; Hing, 11 miles to the northwest; and Chulouan, 30 miles to the northeast.

The capture of Chulouan by the Japanese indicated that they had broken the roadblock at that point and which for a time cut the escape route of Japanese troops from Kwangtung to the north.

However, while the roadblock appeared to be reopened, the proximity of Chinese forces indicated that it would be at best a precarious line of withdrawal.

No activity from any other front was reported by the high command.

\$21,766 Fund Contributed to County Schools

Idaho and the county contributed \$21,766 to the latter's school district, Mrs. Doris Stradley, county superintendent of schools, said Saturday. It was the last appropriation made for the fiscal year.

The state's share was \$3,840.26, the county's \$17,925.74. The county's share was \$17,925.74, the state's \$3,840.26.

In addition, the department of education appropriation was \$2,350.

Detailed appropriation was as follows:

Common school district No. 10, state and county appropriation, delinquent county department, \$1,000.00.

Common school district No. 10, state and county appropriation, delinquent county department, \$1,000.00.

Common school district No. 10, state and county appropriation, delinquent county department, \$1,000.00.

White Cinder Blocks

Andrew J. Flynn, 114 Harrison street, supervisor of the city dump, said that the city will be able to supply white cinder blocks for the city's needs.

The blocks are made of waste material from the city's incinerator and are of a high quality.

They are available in various sizes and are used for a wide variety of construction purposes.

Interested parties should contact the city's public works department for more information.

Dump Man Takes On Wrong 'Load'

Andrew J. Flynn, 114 Harrison street, supervisor of the city dump, said that a dump man has taken on a wrong load of material.

The load was found to be hazardous and the dump man was instructed to dispose of it properly.

The incident highlights the importance of proper labeling and handling of hazardous materials.

Kiss and Tell

By F. HUGH HERBERT
An Actual Movie Shooting Script

THE STORY: Corliez Archer and the stunts. Mildred is left, disconsolate in the hall. Instinctively, she places a hand on the telephone receiver. Mr. Archer, on her way up the stairs, looks back. Mrs. Pringle, (sneeringly) "You're not to telephone her either! Mildred grins her teeth with anticipation with a brooding frown watches her parents disappear up the stairs."

INT. ARCHER HOME—BACK PORCH
CORLIEZ: (in polite tones) Mum, do you know what that poor man said? He doesn't know what girl to love, who he can take to the movies. Isn't that sad? (sighs) Now you can stifle me, clapping her knees thoughtfully.

CORLIEZ: (in polite tones) Mum, do you know what that poor man said? He doesn't know what girl to love, who he can take to the movies. Isn't that sad? (sighs) Now you can stifle me, clapping her knees thoughtfully.

MRS. ARCHER: (dryly) Yes, dear. I know how your heart must bleed for him, (sighs) Now you can stifle me, clapping her hands for dinner, dear.

CORLIEZ: (in polite tones) Mum, do you know what that poor man said? He doesn't know what girl to love, who he can take to the movies. Isn't that sad? (sighs) Now you can stifle me, clapping her hands for dinner, dear.

MRS. ARCHER: (sighs) Yes, dear. I know how your heart must bleed for him, (sighs) Now you can stifle me, clapping her hands for dinner, dear.

Detroit Men Deny Wearing Pink Panties

DETROIT, July 21 (AP)—Whether the recently partly admitted spies in the Detroit men was still in question today. But while the men emphatically denied buying up ladies' panties for their own use, local store clerks reported sales of ten-acre "unmentionables" to women who admitted the garments were for their husbands.

Gen. Homer Ferguson first reported in Washington that a shortage of men's shorts was driving males to desperate measures. He said he had received a letter from a Detroit wharfman stating that the textile shortage had reduced men to "buying ladies' panties for their own use."

Gen. Ferguson immediately arose from his official. Commanding the 10th Army, he even offered to prove to doubters that "his panties aren't pink."

But one saleswoman said she sold four pairs of women's cotton "briefs" and an extra 44-cent pair in this store during the week.

The promise of relief came from one man's worn firm which said it would send 100,000 pairs of men's shorts on sale Monday.

Jerome Sergeant Given Air Medal

JEROME, July 20—Word has been received by Sgt. John Kilin, route 1, that their son, Sgt. Russell R. Kilin, has been decorated with the medal in recognition of courageous service to his country during the war.

In a letter from Gen. George C. Kennerly, he stated that Sergeant Kilin took part in sustained operations in the Pacific theater from May 31, 1945.

Formerly a captain, Major M. K. Kilin, Kilin's current summer, also serves as a photographer aboard a heavy bomber. He is a graduate of Jerome high school and the University of Idaho. He has been in the service since 1941 and was sent overseas last January.

KULM MILLARD PROMOTED TO MAJOR JEROME, July 20—Twenty-eight-year-old Alvan Millard, husband of Mrs. E. M. Millard, was promoted to the rank of major in the United States Army.

Formerly a captain, Major M. K. Kilin, Kilin's current summer, also serves as a photographer aboard a heavy bomber. He is a graduate of Jerome high school and the University of Idaho. He has been in the service since 1941 and was sent overseas last January.

State Press Asks Change At Blackfoot

By Associated Press The picture of small communities and abuse of patients at the Idaho hospital for mental patients at Blackfoot has been raised by a bi-national investigating commission.

The report of the special commission reveals a similar use at the state hospital for mental patients at Blackfoot.

"It is hard to believe that these conditions have been going on for years without any investigation, Republican or Democrat," said the commission.

The commission has recommended that the state of Idaho make up its mind to treat its mental patients in a humane way, and not as social lepers to be shut off from society and left untreated.

The commission has recommended that the state of Idaho make up its mind to treat its mental patients in a humane way, and not as social lepers to be shut off from society and left untreated.

Baptism Before Invasion

Within striking distance of Japan, prior to Iliya Jima invasion, a coast guard manned IET gear ramp in east China sea waters for baptism service for coast guardman Simon Benglian, Philadelphia.

While graduates find the criminological techniques learned at the national academy of great value, the primary objective of the academy is the training of police officers.

In order to attend the academy a police officer must be of good character and not over 50 years of age. Each candidate is subjected to a thorough physical examination shortly after his arrival in Washington.

Yanks Kept Busy Denying Nazis' Lies

FRANKFURT, July 21 (AP)—Communications in Germany are in a chaotic condition but are devoted to spreading a great many rumors which militate against American efforts to believe are inspired by Nazis and Nazi sympathizers.

The widely reported rumor the faster it spreads, said Lieut.-Col. R. K. Philip, Galtway, Mich., commander of the Frankfurt military government detachment.

Marriage will be forbidden among Germans for a period of five years. No such regulation is being considered.
