

Two Radio Stations Here, One At Burley Given FCC Approval

Two Radio Stations Here, One At Burley Given FCC Approval

WASHINGTON, Jan. 18 (AP)—The Federal Communications Commission granted construction permits today for two southern Idaho radio stations.

The permits were for:

The Radio Sales Corporation, for a station at Twin Falls to operate on 1440 kilocycles, 250 watts, unlimited time.

Jessica Longshore, Burley, 1400 kilocycles, 250 watts, unlimited time.

Southern Idaho Broadcasting and Television Company, Twin Falls, 1440 kilocycles, 250 watts, unlimited time.

STARTS HERE BY FEB. 15

A new radio station for Twin Falls will probably be in operation by Feb. 15, Kenneth Self, president of the Radio Sales Corporation, said today after having learned from the FCC that the firm has received federal communications commission approval.

Self has requested call letters now waiting approval. The station will use amplitude modulation and its studios are to be located somewhere in the city.

In the Twin Falls downtown area, the transmitter and tower will be constructed on Blue Lake boulevard about one-quarter mile from the city limits. All equipment is now on hand.

BURLEY ALSO SET

The FCC license approval granting Burley its own radio station, announced today by the FCC, was made by J. L. Thompson, WAC officer who is in charge of the FCC's Idaho office.

The Burley station will be operated by the Burley Broadcasting Company, which is owned by J. L. Thompson.

New Zealand War Brides

Brides of American servicemen, who traveled 45 days aboard a converted freighter from New Zealand, were seen as they prepared to leave their cramped quarters on the SS Normandie when the ship arrived in New York.

Wage Dispute Plan Wins O.K. of Union, Firm Rejects Offer

The CIO today accepted President Truman's proposal for settling the threatened steel strike but United States Steel corporation rejected it.

A nationwide steel strike of 800,000 workers is scheduled for 12:01 a. m. Monday.

White House press secretary, Charles G. Ross, said the President's proposal called for a wage increase of 18 1/2 cents hourly—within one above the union's revised offer but three and one half cents above the industry's offer.

The President, Ross said, had no plans for seizing the industry and no further steps were under consideration for averting the walkout.

The President's proposal would have made the suggested wage boost retroactive to Jan. 1.

His proposal:

In a letter to Mr. Truman, Benjamin J. Fairless, president of U. S. Steel, said the "proposed offer is equivalent to granting in full the union's revised demand of a wage increase of 19 1/2 cents."

"In our opinion," he added, "there is no just basis for any point of view that a wage increase to steel workers of the large size you have proposed."

He said the company's increased offer of 18 cents, boosted from 12 1/2 cents, was a wage increase in the extent to which union demands could be met by the corporation.

President Truman's proposal would have made the suggested wage boost retroactive to Jan. 1.

Russia Hits UNO Veto; Iran Asking Soviet Dispute Action

LONDON, Jan. 18 (AP)—Soviet Ambassador Andrei A. Gromyko declared proposals to veto the big power veto in the United Nations security council today to be "unacceptable."

Gromyko told the council that any revision of the UNO charter would be dangerous and might lead to the disintegration of the United Nations.

Gromyko said the UNO charter was a "sacred document" and any revision of it would be a "disgrace to the United Nations."

Gromyko said the UNO charter was a "sacred document" and any revision of it would be a "disgrace to the United Nations."

Two Mental Patients In Hunt Crew Escape

HUNT, Jan. 18.—Two members of a nine-man crew of Blackfoot mental hospital patients, brought here to help dismantle two buildings purchased from this former Japanese American relocation center, escaped sometime last night, the Jerome county sheriff's office reported yesterday.

The men were identified as Roy Powell, 35, Nampa and Harold Peabler, 30, Spokane.

Clifton Dean, hospital administrator here with the crew, reported that the two men had been locked rooms in a barracks building sometime last night. They were missing at work call this morning.

Dean said that Powell had a record of 30 or 40 escapes and that Peabler was a patient at Medical Lake, Wash., held a group of authorities at boy with a rifle last summer.

He said that the current shortage of labor was the reason that the two men had been locked in the detail sent to Hunt to dismantle the houses in movement to Blackfoot.

Dean said that Powell had a record of 30 or 40 escapes and that Peabler was a patient at Medical Lake, Wash., held a group of authorities at boy with a rifle last summer.

15 Killed As Plane, Afire, Falls to Earth

CHESTER, Conn., Jan. 18 (AP)—A big transport plane reported to be carrying 13 passengers and three crew members crashed in flames here today, having fallen about 100 feet from the sky.

The plane, a Douglas DC-3, was on a flight from New Haven to New York City when it crashed near the town of Chester.

The plane was on a flight from New Haven to New York City when it crashed near the town of Chester.

Packer Finds Solution for Meat Strikes

AUSTIN, Minn., Jan. 18 (AP)—Nearly 4500 employees of the George A. Hormel Packing Co. went on strike today, but the company president, J. C. Hormel, said he had a solution for the strike.

Hormel said he had a solution for the strike, but the company president, J. C. Hormel, said he had a solution for the strike.

Stock Market Goes on Cash Basis Monday

NEW YORK, Jan. 18 (AP)—Wall Street is expected to go on a cash basis today as the government acted to curb speculation in the current bull market by requiring security transactions for the first time in history.

A federal reserve board ruling last night required margin requirements for a loan to be 100 per cent, effective next Monday.

Some speculators were expected to leave the market today, but the government's action was expected to curb speculation in the current bull market by requiring security transactions for the first time in history.

Jet-Propelled Airplane Sets Speed Record

LOS ANGELES, Jan. 18 (AP)—A jet-propelled airplane set a new speed record today, flying from Los Angeles to San Francisco in 42 minutes and 23 seconds.

The plane, a Lockheed P-80, was flown by pilot test pilot, Claude L. Wolfe.

The plane, a Lockheed P-80, was flown by pilot test pilot, Claude L. Wolfe.

Solon Terms British Loan 'Peace Bribe'

OSLO, Jan. 18 (AP)—Norwegian Prime Minister Johan Nydahl today characterized the United States and Great Britain for a four billion dollar loan as "bribe" for world peace and implied the United Nations organization already had "broken down."

Nydahl said the loan was a "bribe" for world peace and implied the United Nations organization already had "broken down."

Farmers, After Tiff With Mayor, Will Stand Trial

ELIAS Fuller and Eldred Taylor, Salton tractor farmers, pleaded not guilty today to charges of disturbing the peace in connection with a car driven by Fuller, charged with driving and both men are accused of disturbing the peace.

The new case Judge C. A. Bailey said the time would be in the case before entering their plea, but the judge informed the defendants that no bargain was struck before plea were made.

Mayor Sever, who with his wife was driving to his ranch south of the city Wednesday night, reported that a car driven by Fuller, charged with driving and both men are accused of disturbing the peace.

FLASHES OF LIFE

SHOSHONE, Jan. 18 (AP)—Earl Clayton, 1945 deputy sheriff of Lincoln county, died today of a heart attack after a long illness.

Clayton was deputy sheriff here in 1941 and 1942, but left here in 1944 to work with the department of justice. He died at his home in Shoshone.

Clayton was deputy sheriff here in 1941 and 1942, but left here in 1944 to work with the department of justice. He died at his home in Shoshone.

Prisoner of War Camps Still Full, Colonel Declares

BURLEY, Jan. 18 (AP)—There is a reputation program in progress for German prisoners of war in the United States, but the camps are still full, a colonel declared today.

Colonel J. E. Smith, commanding officer of the Rupert camp, said the camps are still full, a colonel declared today.

Volunteers Take Draft Lag Battle

WASHINGTON, Jan. 18 (AP)—Secretary of War Henry Stimson today said that the draft lag battle was still on, but that the government was confident of victory.

Stimson said that the draft lag battle was still on, but that the government was confident of victory.

Burley Man, Wife Burned Seriously

BURLEY, Jan. 18 (AP)—A man and his wife were seriously burned today when their house caught fire.

The fire started in the kitchen and spread to the rest of the house.

Cattle Sales Here Nearly \$4,000,000 in Commission Company Arena During '45

Sales totaling nearly four million dollars were made by the Twin Falls Livestock Commission company during 1945, Tom Callen, co-owner, announced Thursday.

During the first year of the Callen brothers' commission company, receipts totaled \$3,702,539.47.

Total number of cattle sold at the company's stockyards was 45,080, making an average price of \$82.15 per head.

Payroll for the commission company during 1945 was \$18,720.79.

Callen said at the yards came from Nevada, Utah, Oregon, Montana and Idaho.

The number of livestock shipped out of Twin Falls was 2,778 carloads.

To feed that many cattle 900 tons of hay were consumed during the year.

Callen said that 2,778 carloads of hay were consumed during the year.

Starlet Urges 'Glamour Gal' Invasion of Europe for GIs

By ROBERT RICHARDS
NEW YORK, Jan. 18 (AP)—Marilyn Monroe today urged a "glamour gal" invasion of Europe to lift the spirits of American soldiers.

Monroe said that she would lead it if it were possible.

Monroe said that she would lead it if it were possible.

Squad of Air Scouts Sought

West will attend a Buhl city hall meeting today at 8 p. m. with officers of the Buhl Scout district.

Buhl, district commissioner, and Robert DeBuhr, Twin Falls, Scout executive for that area. Others at the meeting will be Scout committeemen and troop leaders.

TRAILER-AUTO CRASH
The sheriff's office was informed by Orville Slatter, route two, Filer, late last night that "a trailer without lights hit my coupe, about five or six miles out on high-

way 93." Sheriff W. W. Lowery is investigating.

Objectives of Scouts in '46 Charted Here

Objectives for the 1946 program of the Boy Scout Snake River council were set up at a meeting of the executive board of the council Thursday night at the Park hotel. Frank L. Cook, council president, presided.

Committee chairmen appointed by Cook include R. H. M. Matson, advancement; Dr. R. C. Matson, finance; J. H. Matson, health and safety; Louis Hale, Oakes, leadership training; and John Keith, Shoshone, training activities.

Two New Executives
Robert W. DeBurly, new field executive for the council, was introduced. He is a former army scoutmaster and will serve the council in the position of executive staff, the first staff of this size in the history of the council. Their headquarters will be at the Twin Falls Scout office.

Hamstreet, who will reside in Burley, will be in charge of senior scouting throughout Snake Valley. This program includes Air Scouting and explorers. DeBurly will work with the Cub Scout program throughout the council.

Army Officer Guest
Guests at the board meeting were William B. Burley, district corps liaison officer to region 11, Boy Scouts of America, and Donald Brennan, national staff officer, with headquarters in Portland, Ore. Both men are here for the Southern district staff conference at the Sheraton hotel here this week-end.

DeBurly reported on plans for the training course which will be conducted in Burley the following week-end. He said that 200 men are available for delegates this week-end and are requested to call the Scout office at 821.

Seaman pointed out that the Snake River council is one of the largest in the northwest and the largest of the advancement program. The number of boys who are in our first class course is also high for this council, Seaman said.

Objective established for the year include: At least 20 per cent of Scout members to attain first class rank by the end of the year; 75 per cent of Scout to be or more days camping; 75 per cent of both Cub Scouts and senior Scouts to operate on a budget plan; meeting places of all units to be inspected; leaders to be trained to have at least one trained leader, and one commissionaire will be obtained from every four units of the council.

Polio Fund Drive At Burley Begins

BURLEY, Jan. 18—Plans have been completed and the infantile paralysis fund drive in Burley is under way, according to Jim Keith, chairman for Cuyah county. He will be assisted by Ed Matthews, treasurer and the following community chairmen: Vera Mitchell, Burley; Grace Saunders, Malba; Eugene Peretti, Oakley; Winfield Hunt, Debo, and John Ferris, Albion.

Vern Mitchell, Burley community chairman, announced that a dance will be held at the Y-Yell on Jan. 20. The Junior high school students will sell the hotel buttons under direction of Earl Carlson, and 70 volunteers have been placed at various locations in the business district.

Other committee members are Mrs. Jessie Gordon, secretary; Fred Nelson, publicity; John Hickey, finance; Lyle Kaufman, method; and publicity; L. Fred Ayers, women's division; and Earl Carlson, the Jewel button drive.

Asiatic, Chinese and Egyptian are the oldest lanes on record.

Resources to Be Catalogued By C. of C.

BOISE, Jan. 18 (AP)—Idaho's State Chamber of Commerce will catalogue the state's resources and agricultural and industrial opportunities. President Robert S. Ebb, Lewiston, announced yesterday at a meeting of directors and members here.

Ebb said this was the first time that such an extensive survey of Idaho's potential resources had been undertaken. The assembled data will be compiled in loose leaf binders and made available to the public.

The survey will cover agricultural, mineral, forest, hydroelectric, and other natural resources in addition to production records, data on industrial sites, transportation, and electric power.

Copies of the study, Ebb said, would be made available to applicants for local chambers of commerce in Idaho that are members of the state organization.

Ebb said the "first requisite for progress in the development of Idaho's resources is the accurate data on which to make decisions."

He said the work would be conducted by Earl W. Murphy, secretary, and Fred West, assistant secretary, of the state chamber of commerce in Boise.

Ebb and other officers of the state chamber were involved at the annual meeting today. They are W. J. Lloyd, Nampa, vice-president; G. L. Davis, Boise, treasurer; and Murphy, secretary.

Initiated to 18 Men
HAGERMAN, Jan. 18—The American Legion and auxiliary met Thursday night, each group holding a separate business meeting, after which they held a joint meeting.

Guests for the evening were: Earl W. Murphy, secretary, and Fred West, assistant secretary, of the state chamber of commerce in Boise.

Fathers Conduct PTA's Program

Fathers were in charge of the program, annual fathers' night meeting of the Blackfoot PTA Wednesday night. C. F. Young, acting as president, presided, and Dell Dena, acting secretary, read the minutes.

The meeting was held at the home of the treasurer, reported by O. H. Dahlquist. Reports on membership, magazines and study group were given by Ray Moon, Vernon, and Morris Moore, Pocatello.

Christian Klank principal, requested that outgrown overalls be brought to the school for pupils unable to obtain them in the stores in Milla school on the activities of pack four of the local club group.

"Why the Behavior Problem?" was the title of an address by Mrs. J. H. Hays, who pointed out that physical condition, stability of his home and relationship with his teacher are all instrumental in determining a child's behavior.

Information regarding the proposed teacher retirement plan was read by Ray Moon, Mrs. Dahlquist and Mrs. Young.

The program was in charge of Leslie Hendrick and included a piano solo by Russ Arrington, a flute solo by Russ Miller, accompanied by Mrs. Miller. The next meeting will be at 2:30 p. m. Wednesday, Jan. 23 at the school.

Before going overseas he was in charge of a turret shop and training of turret machine gunners on electrical and hydraulic bomber turrets at Purcell, Okla. He served in Trinidad, British West Indies, for a year.

Formerly formerly resided at Tulsa, Okla. where he operated an automotive electric shop.

Police Here Get New Squad Car

The local police department, in step with the times, took a wide stride toward better law enforcement work at 4 p. m. yesterday, when officers drove a new squad car for the first time in more than four years.

The car, a 1946 eight cylinder four-door Mercury, is fully equipped with two-way FM radio, capable of high speeds, the car is expected to step-up police work over the 24 hour period it will be used.

The new Mercury had been ordered more than a year before it was delivered by Union Motors, local Mercury dealers, yesterday.

Swift's Leader Fears Loss if Pay Rise Given

CHICAGO, Jan. 18 (AP)—John Holmes, president of Swift and company, today told stockholders CIO wage demands, if granted, would cost the company \$28,500,000 annually, compared with average net earnings of \$12,000,000 over the last ten years.

In an address prepared for the annual stockholders meeting, Holmes said "a total increase of 20 1/2 cents an hour would add to the payroll cost in all of the company's meat packing plants in the U. S. approximately \$26,500,000 annually."

80 Youths of Magic Valley Enter Golden Glove Tourney

One Ostrander, addressing the weekly luncheon-meeting of the Twin Falls Kiwanis club Thursday, related the history of the Golden Glove tournament and said that more than 80 applications had been received from Magic Valley youths to participate in the Times-News and American Legion-sponsored tournament that will be held here during the week of Feb. 10, 1946. The night of the applicants are expected to be held here.

The Golden Glove tourney was the idea of the Chicago Tribune in 1928 and in that same year tournaments were conducted there and in New York that attracted 70 fighters. Last year 30,000 fighters participated in the fights.

No Age Limit
The Legion athletic officer said that no age limit was set, but that the boxers averaged about 20 years or under.

Centers for holding the Golden Glove tournament in the west are Twin Falls, Denver, Seattle, San Francisco and Los Angeles.

The eight winners of the various weight matches here will go directly to the national tournament at Chicago.

Auto Abandoned; Officers Hunting For Man, Woman

An abandoned 1937 Pontiac sedan, containing clothing, bedding and personal articles of a couple was found along Thruway road, Sheriff Warren W. Lowery said that efforts are being made to learn the present whereabouts of a man and woman who were seen walking away from the car about three weeks ago. The car was found on the highway and the couple took possession of the car and abandoned it. The car was a Washington license.

The car was found off Kimbly road near a lumber yard. Deputy Sheriff Jim Hall and Jim Benjamin reported.

Papers found in the automobile were for Mr. and Mrs. Jimmy Ryan, who had been recent residents of Everett, Wash.

The quantity of clothing left in the car would indicate that the couple intended to return to the machine, officers said. Among other things was a woman's purse. The car was a two-door sedan.

Play Purses Interest
Oran O. Padden reported Kiwanis club members have paid \$175 worth of tickets for the Lions club play presented at the Golden Glove tournament in the west.

11 Trailer Houses To Be Ready Soon

Eleven trailer houses in the vicinity of the new school building are being ready for occupancy early next week, U. S. Army Corps of Engineers, Gooding, said Thursday.

Bevu units have already arrived at the location and are being set up. Four more will come probably Jan. 25. The units are being brought in from the Gooding area.

The units are being set up at the site and utility lines are being installed. It is expected the units will be ready for occupancy by the end of the month.

26 Criminal Charges Set on Court Calendar

Twenty-six criminal cases and an indefinite number of civil suits are scheduled for court trial during the January term of the district court beginning at 10 a. m. Court Clerk A. B. Sullivan said Thursday.

The court calendar is now being prepared.

Loan Group to Help Vets Buy Their Homes

Special efforts to make it possible for returning veterans to own their homes on long-term easy payment plans are being made by the First Federal Savings and Loan association, Manager H. R. Grant reported at the annual meeting of stockholders.

Stuart H. Taylor and Harry W. Barry were selected to the board of directors at the meeting, and Leo Anderson, assistant secretary of the concern, was elected to the board post formerly held by K. A. Mous. The terms are for three years. Grant was elected to the board for one-year term to fill the vacancy left by the death of E. A. Landrum.

Reorganization meeting of the directors, at which officers will be chosen, will probably be held next month.

Made 294 Loans
The association made 294 loans totaling \$300,000 in 1945 and in the first nine months of 1946. Grant told the stockholders "we feel we have made progress." The \$300,000 total was for building and for remodeling of homes.

The manager's annual report showed that the association assets increased \$299,979.13 during the past year, and percentage of assets was 15 per cent. The number of shareholders is now 1,954, "a considerable increase over last year."

Grant reported significantly, in view of current boom inflation of real estate prices, that the association's lending policy "has been based on thorough consideration of the temporary character of the high prices of real estate today."

Total amount added to reserves, he said, was \$12,663.88. Stockholders were advised that the special efforts on behalf of veterans include making of loans to ex-servicemen at four per cent interest.

\$48,335.10 in Savings
Earnings paid to members in 1945, Grant pointed out, totaled \$48,335.10. A dividend of one per cent was paid June 30 and for the six months ending Dec. 31 a dividend of one and one-half per cent was distributed.

"This is an amount comparable with the return on any investment of like safety and availability," said Grant, "and we expect to continue the distribution of earnings at rates which will encourage the saving and investment of money."

Emphasizing that "safety is the primary consideration," he advised the stockholders that the association anticipates continuing to pay the highest rate commensurate with the stability of the institution and with its ability to meet the competition for loans in order that we may continue to serve our purpose in the community.

"We explained, however, that the granting of special rates to war veterans, and the necessity in uncertain times of increasing the reserve, will mean 'some decrease' in the earning power" of the association as compared with several years ago.

A limit of \$250 per month has been set on the amount accepted from any shareholder.

To Move into New Offices
Grant advised the stockholders that the association hopes to move into the new offices in the former telephone building within 60 to 90 days.

Looking ahead, the manager's report said: "We feel assured of a substantial growth in 1946, and are getting many inquiries and applications for loans. If labor and materials are available, we feel sure there will be a large number of new homes built in this territory—which are badly needed."

Grant has been manager more than 19 years, guiding the institution as its executive officer since Sept. 1, 1926. He was elected to the board of directors Jan. 12, 1926, four years after the organization was established. He served as a director

Tree, Landmark at Burley, Felled As Community Grows

BURLEY, Jan. 18.—What is believed to be the largest popular tree in Burley fell to progress last week. The tree, which was cut down to make way for a new warehouse, grew in the middle of a vacant lot in the business district on Oakley avenue.

The tree was planted as a tiny sapling by Mrs. Belle Chambers, for many years a resident of Burley, according to Mrs. E. G. Sever, daughter of the first restaurant keeper in Burley, Greer Cook. At the time the tree was planted, Burley was a sage-brush plain.

Spud Growers Get Valuable Pointers

GOODING, Jan. 18.—Gooding county potato growers received valuable pointers from the speakers at a meeting in the Gooding district courtroom. One of a series of sessions being conducted in southern Idaho, one of the principal features was the Bob Burns made in natural color, which showed advanced methods of planting and harvesting, certified seed, weeding, soil cutting and other phases of potato growing and handling.

Speakers were John Thayer, superintendent of the Aberdeen experiment station; John Hubertson, Idaho extension potato specialist, and W. D. Souder, agricultural agent for the Union Pacific railroad, Salt Lake City.

Ex-Ranger Talks To Gooding Club

GOODING, Jan. 18.—Lee Kendall, who recently served with Carlson's Rangers, with the native crop, was a guest speaker at the meeting of Gooding Rotary club, Kendall, who was employed by a radio network in California, gave a descriptive account of the formation of various network programs, told of the advertising agencies that handle the programs for sponsors and of the per of several radio celebrities in the entertainment world. Kendall was introduced by E. S. Robinson, program chairman.

Other guests present included Jim Van Vleet, William Kilduff and George Cleveland, (moderator).

For well over 16 years he has president from Dec. 12, 1924 to Jan. 20, 1933 when he resumed in order to concentrate on his executive managerial duties.

HIGHER "TAKE HOME" PAY THAN WARTIME AVERAGE

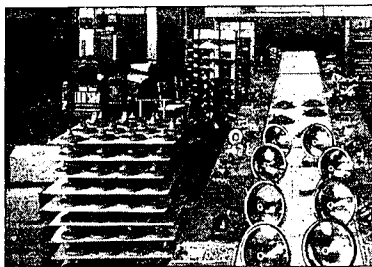

... but the world's largest electrical plant has no workers

HALF-FINISHED washing machines*

HALF-FINISHED toasters*

HALF-FINISHED heaters*

HALF-FINISHED roasters*

The UERMWA (CIO) has taken General Electric workers out on strike.

Washing machines, refrigerators, heaters, a hundred things were on their way to you. But the strike stopped that.

It was expected to hire twice as many workers as before the war. But the strike stopped that.

Six new government plants were bought. Seven other new plants were being built. And land bought for three more. Increased production was planned in every existing works city.

We are sorry they decided a strike was the answer. The strike will pinch the public with shortages. And take a million dollars a day out of the pockets of General Electric workers.

G.E.'s PAY OFFER

Many of our workers, from what they tell us and write us, do not know that we offered the union an increase of

10¢ an hour for all those making less than \$1.00 an hour, and 10% increase for those who make more.**

With the offered increase and the overtime that will be necessary to meet consumer demand this year, the average employee would have had more "take home" pay than during the war.

THE STRIKE IS PUZZLING

Since 1935, average hourly earnings for men climbed over 51%. Over half of this was in the last five years.

There has been no real labor trouble at G. E. in 24 years. We believe in collective bargaining. G. E. was one of the first large industrial companies to enter voluntarily into a company-wide contract with a national union.

A million-dollars-a-day pay loss will strike every G-E community. And the real tragedy is that employees can gain nothing that they could not have gained while still at work.

*Pictures taken between shifts before the strike represent the condition of our factories today.

**Those making \$2,000 to \$3,000 in salary would receive 10% increases, and those receiving between \$3,000 and \$5,000 annually would receive increases of \$300.
