Bonds in Reserve

BOISE, March 11 (27)—The \$500,-500 in tax anticipation bonds su-thorized by the special session of the legislature will not be issued unless we need the money badly." C. Matt Hally, director of highways, ald today.

a. Mail Hally, director of highways, said today.

Hally had requested \$800,000 which he said was necessary for highway work this year. Of the bonds, he added:

"I hope we don't have to use them. I don't like that method of financing."

Spring Runoff Is

# There **HAD** to be a Better motor oil

To bring Germany and Japan to their knees fast—with a minimum loss of blood and treasure—there just had to be a better engine oil.

-for submarines, army trucks, jeeps, tanks -for all materized land equipment. Other-wise we could not win a long range war on two fronts quickly.

The answer of American chemists and engi-neers was COMPOUNDED OIL!

Born of war? Yes! But the point is-

#### You Can New Have COMPOUNDED Motor Oil For Your Car

Yes, in our new AllSTATE Motor Oil you get the lubricant that is refined and compounded by the same advance methods used for oil developed for the Army and Navy.

#### What Is Compound Motor Oil?

Compounded Mater Oil is to ordinary mater all what fine alleyed stell it to pip ion. So-called "fodditive" have been used to income prove its penturies quality between distributionic menting metal post—and to inure its adherence to foliate appointment of the foliate is adherence to foliate appointment, and therefore its disprached beforefore in graphics.

#### Why Was It Nacessary to Improve Motor Oil?

Brewis of graify increased horsepower, heat, mater speed, and graelly decreated leterances, between pittons and cylinder wells. Under changed bidycellan regularments, brought beaby by engla-nering stitument, and developments, yesterday's mater alls simply tould an upperly Jubircate today's more powerful, helter, more cleatly litted, faster anning englass.

## What Other Improvements Are Present in Compound Motor Oil?

Compounded Nator Oil, in addition to meeting the new Subricant requirements, centains a "detergent" which dissolves gum and studge, and keps it in relution so it can be drained away.
