West Guaranted

ROTO ROOTER
Sewer Service Co.

A New inexpensive method of Cleming Clogged Sewers of Boots, controls and Septic Enrice Clement

Just as you can count on the world famous geyser to spout hot water at regular intervals . . . so can you depend on an electric hot water heater to provide plenty of hot water when you need it in the home.

When hot water is electrically heated and thermostatically controlled, there is never any waiting. A turn of the tap brings an unlimited supply for all the household tasks and personal uses 24 hours a day.

If you are now using an electric water heater, you already know how much an ever-present supply of hot water means to all the family. Look forward to comfort and security when an electric water heater is again available.

IN THE DRIVER'S SEAT BALLOONS THE ROADSTAND HOPPER ... makes more

stops than a milkman, can't resist hot dog stands and peanut roasters. Makes stopping for RPM Compounded Motor Oil a habit, too, because its "de-foamer" prevents air bubbles that may hinder circulation...other compounds keep engines clean-er, stick to hot spots, stop sludge and corrosion. A STANDARD OF CALIFORNIA PRODUCT
