

Prices of All Grain Increased

WASHINGTON, May 9 (AP)—At the risk of new bulges in the "hold-the-line" policy, the government today posted higher prices for grain in a fresh move to obtain more supplies to aid the hungry overseas.

The price boosts are designed to make it more profitable for more farmers to sell their grain, rather than use it for feeding livestock and poultry—a practice that has been limiting the meat supply.

Price Boost Seen

The higher grain ceilings may make some increases necessary in the prices of meat and dairy products, agriculture department officials said. They also thought it likely that price increases may be granted on wheat and corn food products, as well as flour, bread, bakery products, corn syrup and corn sugar.

A mammoth hike was looked for in the price of meat, poultry and eggs. However, if the higher grain prices produce the desired effect, there will be considerably less meat and poultry available later on, and the availability of grain feeding is expected to cause heavy marketing of fowl and animals in the months ahead.

Effective May 13

The grain prices, effective May 13, are: corn, 10 cents a bushel, wheat, 10 cents, oats five cents, barley nine cents, and 10 cents a hundred pounds. Increases also were announced for feed grains, including domestic, the decision to increase grain prices may add to the government's problem of relieving the question of rationing.

The increases in feed grains are expected to lead many farmers to stop hogs and beef cattle to market lighter weights and at lower grades rather than to continue to fatten them to top quality.

The net result will be shorter supplies of pork, poultry and eggs and less beef and pork next winter and during most of 1947.

Europe Split Is Rushed by Meet Failure

WASHINGTON, May 9 (AP)—The long-expected split of Europe into two rival blocs, the East and the West, was accomplished fast, diplomatic authorities said here today, because of the failure of the foreign ministers to agree at the conference at Moscow.

Taking a pessimistic view, these authorities look for impending developments to complete the division between the areas of Russian dominance and those under the influence of the western powers, headed by the United States and Britain.

It is believed that the conference, which was the first of its kind, will be the last in the next few days of supplies for Secretary of State Byrnes' proposal for long-range control of Germany—a proposal sharply assailed in the Soviet press.

Foreign Minister Bevin reportedly was told by the Byrnes staff that the British government had revised his opinion and given Byrnes private assurances that the conference principles. These assurances may be followed soon by some public statements from the London government.

Byrnes advocated a 25-year treaty of peace with Germany, but the Russians and France to keep Germany from making war again. Russia, however, has declined the proposal and has continued to do so.

Russian officials have said that the Russian government has agreed to it, in the American and British view, a symbol of the long-expected split, fore-shadowing Europe's division into clashing spheres of influence.

Floyd Luft Will Be Buhl Principal

BURL, May 9.—Floyd Luft, who coached basketball at the Buhl high school for 10 years prior to his death, will be the principal man in the institution as principal next fall, said George Luft, principal of the school.

He will succeed Truman Cheney, who has resigned to accept the position of principal of school at Wallula, Mont.

A graduate of Washington State college, Luft came to Buhl in 1923. He left to enter the navy. Since his discharge last December, he has been employed by the Idaho Power company.

Bomber Stymies Contest Winner

AMARILLO, Tex., May 9 (AP)—B. P. Brenna, flying fortress manager, won a flying fortress by winning a contest for the title of "Do With a Flying Fortress" in which he had won. Now he doesn't know what to do with it.

The army won't fly the plane. Brenna said that the "Do With a Flying Fortress" was a "travesty" because of regulations. Brenna said he had a qualified civilian pilot, and he can't afford to have the plane shipped.

He thought maybe he would write to the army and say "I don't have a flying fortress if you gave me one."

Iran Hopes to Report Soviet Troop Exodus

NEW YORK, May 9 (AP)—Iranian sources indicated today—and a Soviet-British alliance—that they hoped to report soon and conclusively to the United Nations security council on the departure of Russian troops from Iran.

The Iranians appeared satisfied with the council's action yesterday in deferring further discussion of the Soviet-Iranian issue until May 20 to obtain fuller information on which to determine its next move.

As Iranian Ambassador Roussin Ala prepared to return to Washington today, a spokesman for Iran said he expected a "conclusive" report from his government well before the date.

"The council, in the face of Russian defiance, Andrei Gromyko's report of yesterday's meeting, and the continuing refusal of Moscow on the council's request for information, Iran decided not to call on Russia again for the status of its troops," he said.

He said that the Iranian government was forced to close Friday of next week. Some plans will be closed by the end of the week, said, with others shutting progressively from then on.

General Motors last was affected indirectly by the national coal strike, which resulted in the freight embargo. GM previously had announced that its own coal stocks—having up during the recent prolonged CIO United Auto Workers strike—were sufficient to ward off an immediate shutdown.

Meat Dealers Here Face Shutdown or Curtailment

Several Twin Falls retail meat dealers are faced with the problem of what to do with their meat supply, if they are forced to close down or curtailment of their business for three or four days, a Washington survey disclosed Thursday.

A. Henson, secretary of the American Packing company, declared that volume of slaughtering of beef at his concern was down 50 per cent of the 1944 volume.

Max Carter, president of "Twin Falls" meat market, said that his grocery concerns with meat dealers were faced with the "critical meat men" and "out-continued operations at the present time."

Leo P. Fink, president of the Idaho packing company, asserted that "the cattle are here all right, but they are being shipped out because the local packers are unable to buy them. The present high prices on the hoof, process them and they can't be sold."

A representative of the department of agriculture livestock and meat inspection, said that the cattle are being shipped out because the local packers are unable to buy them. The present high prices on the hoof, process them and they can't be sold.

Henson declared that his concern hoped to keep in operation by custom killing and pointed out that meat packing concerns throughout the country were being forced to close down.

Cites Grain Order

Henson said that the government's recent grain order was interfering the meat supply because farmers can't fatten their cattle as fast as they are needed, and are unable to use grain for this purpose.

Meat retailers blamed the OPA for the situation. Henson said that the situation would be relieved considerably if the OPA lifted its grain order.

Meat retailers said that people are aware of the dangers to private enterprise that the OPA and other government agencies are causing by their interference in free production and free trade.

7 Railroads Seek Idaho Rate Boost

BOISE, May 9 (AP)—Seven major railroads today filed with the Idaho public utilities commission an application for a 25 per cent general increase in rates for the use of the application of a suspension on a previous application for a 10 per cent increase in passenger rates.

The application conforms with one filed by the railroads with the commerce commission seeking 25 per cent freight rate increase in later months.

The railroads joining in the filing are the Great Northern, Northern Pacific, Great Falls, and Utah-Idaho Central.

Big Plants to Stop Production of Autos

DETROIT, May 9 (AP)—General Motors corporation and Chrysler corporation followed the shutdown of Ford Motor company plants today by announcing they would close within 10 days because of the nationwide coal strike, the rail freight embargo and part shortages.

The shutdowns will throw some 235,000 production workers of the "big three" auto makers out of employment by the end of next week. Ford laid off 10,000 workers last night for an indefinite period.

General Motors announced that it would close 92 plants throughout the nation by next Friday because of the rail embargo which becomes effective at midnight. The action will cost 21,000.

Shortly afterwards, Chrysler followed with an announcement that it would lay off 10,000 production workers next week, stopping all new passenger car assembly lines.

Contests Will Be Highlight Of Camporee

Each Boy Scout attending the camporee Natatooch this week-end must have written permission from his parent or guardian, Robert Dehler, field executive, said Thursday as final plans were drawn.

Highlight of the annual camporee will be the "Scoutmaster's Choice" Friday evening. Group singing and stunts will be conducted by each patrol.

A change on the program has been made. The traditional camporee Friday evening has been replaced by a two hour swimming contest, with Scoutmaster's Choice Friday evening. Group singing and stunts will be conducted by each patrol.

Sheriff Acts To Cut Auto Fatality Rise

Confronted by a 300 per cent increase in traffic fatalities over the same period last year, Twin Falls County Sheriff Warren W. Lowery announced Wednesday one deputy would be placed on permanent duty as county traffic officer, and the addition of a new deputy to the present staff.

Drawing the assignment as county traffic officer is D. C. (Charlie) Parrott, recently returned from an FBI school at Washington, D. C., where he took special training in traffic control.

The new deputy is Donald E. Scott, 23, Twin Falls, a recently discharged veteran of the army who served with the 10th engineer combat battalion in Burma, Papua and other southern Pacific campaigns.

100 Per Cent Wreck Increase

Lowery said the county's increased percentage in the period Jan. 1 through May 5, 1946 over 1945, were:

Wrecks	100 per cent
Property damage	16 per cent
Personal injuries	77 per cent
Violations	8 per cent
Deaths	300 per cent

The sheriff has some comments for the county's 1934 licensed automobile drivers and chauffeurs who operate 14013 vehicles on our highways.

"The majority of our cars are five years old or more, and after car has become five years old, the mechanical parts are not capable of taking care of the speed the machine was made for.

"Buses are not dependable," he explained, adding that "we are traveling on synthetic tires engineered for a wartime speed of 30 miles per hour."

But, primarily, neglectfulness on the part of drivers is responsible for most of the accidents, he said, and property destroyed.

Asks Serious Consideration

Each motorist should give this problem serious consideration and see that his car is in proper condition, hold his car to a safe speed, give proper signals when stopping or turning, have lights properly adjusted and both headlights and taillights burning.

"Above all, a motorist should keep away from a wheel when he has been drinking any intoxicating liquors," he said.

County Prosecutor Everett M. Swaley stated he endorsed the move which created a county traffic officer, declaring "I wish the court could place three officers out on the highway."

Must Do Something

Explaining that south central Idaho's eight counties are not adequately covered by the state highway patrol, Swaley said this county "has reached the point where it has to do something."

Swaley and Sheriff Lowery have done all possible to get more state aid in this, but no additional officers have not been forthcoming from the state highway patrol.

Traffic violators who are judged guilty here will face suspension of their licenses for periods

Free Clinic for Hard Of Hearing in Rupert

D. D. Parish at Caledonian Hotel, Friday, May 10

D. D. Parish, expert Acoustician from Boise, will be in Rupert Friday, May 10th, to offer free diagnoses to people who are hard of hearing, from 10 a. m. until 5 p. m. at the Caledonian Hotel.

Parish will employ the new Acousticon "speech-hearing test" in diagnosing the various conditions of deafness which confront him. This test, he said, is based upon latest scientific research in the field of sound, and has been perfected during the war years.

"New Hearing Lens" Here!

"One of the most amazing scientific discoveries made during the war," said Parish, "resulted in a development called 'Hearing Lens'." ... actual 'lenses' which may be fitted to the ear just like glasses are fitted to the eye. ... correct the particular type of defective hearing in each individual."

Parish will offer a free demonstration of these new 'lenses' during his clinic. He pointed out that they are now available for practical use, having been developed by America's oldest manufacturer of hearing aids, the Acousticon company. Their most recent use has been perfected in the new Acousticon "Super-Power" Unipac.

It was emphasized that Parish's demonstrations and hearing tests demand absolutely no obligation on the part of people who attend. He also suggested that those who are unable to come to the Caledonian Hotel may phone him at 134, Rupert, and that he would make private appointments at individual homes of as many as possible. (Adv.)

New Deputy

DONALD E. SCOTT
Twin Falls veteran, 23, becomes deputy sheriff under Warren W. Lowery. (Staff photo-entourage)

up to six months commensurate with the offense "or go to jail," he warned.

"And, motorists guilty of injuring others will not escape with a fine of six when they appear in the county courts," said the prosecutor.

Three Vehicles Available

With Parrott using one of the county's four cars for his patrol work, three other vehicles will be available for emergencies under the sheriff and Deputies E. F. Hall, J. N. Benham and Scott.

The new deputy, however, will concentrate on the former duties of Parrott, mainly fingerprinting, care of prisoners, records and desk work.

In explaining Parrott's new post, Lowery said, "It will be my intention to try to prevent these accidents, not to see how many arrests we can make."

"But, if arrests are necessary, we will make them to control these accidents. It all depends on the cooperation we receive from the driving public," he concluded.

Four persons have been killed in Twin Falls auto accidents this year, compared to one at the same time last year. During the past week-end, more than a dozen persons were hospitalized here with traffic injuries, and nearly an additional 12 were treated at other Magic Valley hospitals for crash hurts.

Explaining that south central Idaho's eight counties are not adequately covered by the state highway patrol, Swaley said this county "has reached the point where it has to do something."

Swaley and Sheriff Lowery have done all possible to get more state aid in this, but no additional officers have not been forthcoming from the state highway patrol.

Services Held for William McCaully

HERMONE, May 8—Last rites for William Mulford McCaully were held at 2 p. m. Saturday at the Presbyterian church. The Rev. Harvey Harper officiated. Music was provided by Mrs. William O. Phoenix and Joe Day.

Honorary pallbearers included W. T. Conant, F. N. Trappan, R. Updegraff, C. Gillespie, William Diehl and R. Lavens. Active pallbearers were Frank Rattle, Dale Vining, Wilson Churchman, Halmar Carlson, Lawrence Close, E. M. Falkerson, William Parrott. The deceased attended the service in a body.

Burial was in Sunset Memorial park, Twin Falls, under the direction of the Frazier mortuary.

HAS OPERATION

HADLEY, May 8 — Miss Joyce Deckard returned to the home of her parents, Mr. and Mrs. Ira Deckard, on the 2nd after undergoing an appendectomy at the Idaho Clinical hospital last week.

DON'T BE A SLAVE TO CONSTIPATION

Do As Millions Do—Eat KELLOGG'S ALL-BRAN For Lasting Relief

Constipated? Using harsh laxative drugs? Millions have solved the problem of constipation due to lack of bulk in the diet. They eat a daily dish of KELLOGG'S ALL-BRAN and drink plenty of water for regular elimination! If you have this trouble and will follow this simple precaution, you may never have to take a laxative for the rest of your life!

ALL-BRAN'S not a purgative. Provides gentle bulk to aid normal, natural elimination. It's a great, naturally regulating food.

Less Bitter in Maltition

Then Whole Wheat Because it's made from the vital outer layers of wheat, in which whole-wheat protective food elements are concentrated. One cup of KELLOGG'S ALL-BRAN provides more than 1/2 your daily iron need—to help make good, red blood. Calcium and phosphorus—to help build bones and teeth. Whole-grain vitamins—to help guard against deficiency. Protein—to help build body tissue essential for growth.

Get ALL-BRAN at your grocer's. Made by Kellogg of Battle Creek and Omaha.

FBI Plant in Alcatraz May Probe Revolt

SAN FRANCISCO, May 9 (UP)—A department of justice spokesman said today federal authorities were considering possibility of placing an FBI agent in an Alcatraz cell, should the full story of last week's escape plot.

The spokesman said that if the plan was adopted, the agent would live with the inmates for as long as required to gain their confidence.

He said there was no objection to returning that the suggestion was under consideration since Alcatraz inmates were not permitted to read newspapers or listen to the radio, and all communications they receive are carefully censored.

H. C. Van Pelt of the San Francisco FBI office said he had "no comment" on the spokesman's statement, nor did he comment on the suggestion that prison "grapevine" might carry news of the FBI "plant" to the convicts.

Albion Junior High Gives Original Skit

ALBION, May 9.—An original skit, "The Big Broadcast," presented by the junior high school of the Albion Normal school training unit, was given at the school today.

The skit was written by the students, Meredith McVickers and Mrs. McVickers.

Participating were Bern Sorenson, Nettie Bailey, Harry Brize, Carol Powell, Robert Adams, Marjorie Jenkins, Bernice Chisham, Rita Adams, Bonita Powell, Violet Bruckner, John Cook, Loyal Ferry, Johnny Chisham, Jimmy Bailey, Dale Asher, Billie Batchwell, Bernice Smyer.

Pair Buys Grocery, Leave Glenns Ferry

GLENN'S FERRY, May 9.—James McFadden and George R. Baker purchased a grocery store in Emmett, and took possession. Baker formerly operated stores here, and McFadden has also been a merchant.

The pair operated a music instructor in Glenn's Ferry schools, has resigned and plans to move to Emmett.

Church Elects Lay Leaders At Murtaugh

MURTAUGH, May 8.—The fourth quarterly conference of the Methodist Community church was under direction of the Rev. George Roseberry, Twin Falls district superintendent, who delivered a short sermon before the business meeting.

Officers elected were: Board of trustees, Mrs. P. J. Pahay, Art Menzer, August Heitbeck, William Lindau, Glenn Briggs, John Olmstead, and P. H. Winsler.

Board of stewards: Miss Ruth Brown, Mrs. O. W. Johnson, Mrs. O. W. Daniels, Mrs. Arthur Menzer, Mrs. Blaine Mitchell, Mrs. William Lindau, Mrs. Charles Samples, Mrs. A. S. Byrson, Mrs. Orville Wright, and Harold Menzer.

Custodian of legal papers: John Olmstead; committee on membership, evangelism and visitation, Miss Ruth Brown, Mrs. Art Menzer, Mrs. A. S. Byrson, Mrs. O. W. Daniels, and Mrs. F. H. Winsler; finance committee, August Heitbeck, William Lindau, Glenn Briggs, Mrs. J. R. Boyle, Mrs. P. J. Pahay, A. S. Byrson, P. H. Winsler and Art Menzer.

Pastorship committee: Mrs. P. J. Pahay, Mrs. Oliver Johnson, and John Olmstead; lay member for annual conference: Mrs. P. J. Pahay; alternate: Mrs. Oliver Johnson; charge lay leader, P. H. Winsler; communion stewards: Mrs. P. H. Winsler and Mrs. P. J. Pahay; dis-

trict steward, Mrs. William Lindau; treasurer of local expense, John Olmstead; treasurer of benevolence, Harold Menzer; temperance committee, Mrs. William Lindau and Mrs. L. B. Bid.

Musical committee: Mrs. E. S. True, Miss Betty Wright, Mrs. L. B. Bid, Harold Menzer and Glenn Briggs; pastoral relations committee, Harold Menzer, Mrs. J. R. Boyle, Mrs. Glenn Briggs, Mrs. William Lindau and John Olmstead; nominating committee, P. H. Winsler, Harold Menzer, August Heitbeck and Kenneth Briggs; auditing committee, Mrs. and Mrs. Oliver Johnson; recording steward, Mrs. Oliver Johnson.

PLAN ALASKA TRIP
GLENN'S FERRY, May 9.—Anchorage, Alaska, is the destination of Mrs. H. W. Joslyn, who will visit her son and family. She will go by plane from Seattle.

Pioneer Druggist Honored at Rites

GOODING, May 9.—Funeral services for P. H. Jeffries, pioneer Gooding druggist, were conducted at the Methodist church with the Rev. H. G. McCallister, Twin Falls, officiating, assisted by the Rev. Irvin S. Mola, Gooding.

Two vocal selections were sung by Bert Bowler, accompanied by Mrs. Lloyd Stively, Honorary pallbearers were Dr. J. H. Crowwell, Dr. Wesley Henry, E. B. Hughes, E. L. Gibson, Herbert Heyer, Jess Crow, A. J. Schubert and Alan Pukow. Active pallbearers were Weller Miller, Montgomery Miller, Glenn Scanlan, Ralph Kendrick, Otto John and Mack Shoval.

Mr. Jeffries came to Gooding in September of 1914. He purchased

a drug store here, later moving to the present location where he operated the Jeffries Drug company until he sold to Ralph Kendrick in December of 1934. This drug store was one of the first established in

Gooding and was in longer continuous operation under one owner than any other in the town. Mr. Jeffries was a member of the Methodist church, the Masonic lodge and of the state pharmac-

tical association. He served a number of years on the Methodist church board of directors. Burial was in Elmwood cemetery under the direction of the Thompson funeral chapel.
