VIEWS OF OTHERS

VILWS. UP UIRERS CORFORME PURSHMENT One of the many excluding epidodes of the past which has disappared along with the passing of the redulin, the builfalo, pass-wee goil, and outside pants an exclusive earment for men, is the practice of imposing corporal pumbingent on children. This matched goot has now been neckled so long that matched goot has now been neckled so long that producting class of 1960 have had any experience with it.

Imposing corporal pumphimeni on children. This nucleal aport, this now been registed as long that indicat aport, this now been registed as long that indicating chas of lefd how had any corporate with it. It used to be that when a teacher applied for a job one of the quillications to be drawed and theraped about was the applicant's ability to administer a "bound itenhing" to pugh aw to fract all theraped about was the applicant's ability to administer about was the applicant's ability to administer about the ability of the ability to administer about the ability of the ability to a star-bed to low load and long before the pounding was added off. A teacher who didn't know how to ham-elled off. A teacher who didn't know how to ham-set for that ability the kind of person anyons with dor that ability the kind of person anyons and coder. With a start, or this may be a dropping carbide in the kind extend whiles and the start anticipated frough the would go to school the start anticipated frough a chap up it is follow anticipated frough about the start, or this attracting a start anticipate in the start of the start attracting a start anticipated in the start of the start attracting a start anticipated in the start of the start attracting a start and based and based attracting a start and based at the start attracting a start and based at the start attracting a start and based at the start attracting at the sould also attractions. It is all the start white a way access if he defiberable his sourback in the base way the more than the start attracting a start and there are a the start attracting a start and there are a there about a start attracting a summary as a start and there about a base thill children.

abor troubles for years, and the government's coddling of labor organizations to an extreme beyond all good judgment has been largely responsible for the "terrible havec" now con-fruit our country. Patrilla, Tobins and John L. Lewiss all along bringing the same old pressures, all trying to outdo each other, and their actions have eemed to carry the blessings of official Washington. . Now, at long last, the President, the admin-istration and congress have been forced to lake action, because they found themselves in the position where they had to act and the fast, not only for their own good, but for the good of their country. After getting a taste of what can happen when government and labor gans up against thought of what government to take over all big business.

ventually once the experiment to take over all big business he government to take over government, have a base of a private enterprise, so collective were heat about such things as collective were heat about such things as collective bedding and walkouts. When governments control employment hoy usually determine such things as hours and wages. The same as they dictate every-hing size, and those who refuse to work are jailed, hereded into concentration camps, or laided, hereded into concentration camps, or pathage size, if that seems necessary to maintain "harmony and understanding." 

Winston Churchill once ordered sim of the language used in official documents, to one lengthy memorandum, Churchill we is an example of basical and stilted Englisi which I will not put."--International Digest.

COOD ION FOR YOS U. S. Army CHOOSE THIS FINE PROFESSION NOW

June 30<sup>th</sup>, Joe? And if you have a family and dependents, you can enlist before July 1, 1946, and make sure the family allowance will be continued for a 1½, 2, or 3 year enlistment period. Those hard-earned stripes mean extra pay. Why throw

Enlist Now at Your Nearest U.S. Army Recruiting Station BURKHOLDER BUILDING 136 Shoshone St. E. Twin Falls, Idaho

Heard about

Here's the story. June 30, 1946, is the last day on which you can enlist...or reenlist...in the last day on which you can enlist...or reenlist...in the Regular Army and still be sure of retaining your old grade and family allowance for the duration of your enlistment.

Those are two very important points. First of all, if you have served with the Army and earned a stripe or two, you can enlist within 90 days after discharge and before July 1, 1946, and be sure of keeping your grade.

them away? And your family will live comfortably if you enlist now and get the advantage of the family allowance benefit.

So think it over and act today. These two points mean opportunities for advancement and added pay as well as that all-important security for your family. Stop in at your nearest Regular Army Recruiting Station today. They'll give you all the information you want on that very important date ... JUNE 30, 1946.

Whether it's mechanical or tire repairs, lubrication, wash-ing and polishing, battery service, filling your gasoline tank, or any of the many other automotive services, you will find we are eager and competent to serve you in every way. Our expert machinists, mechanics and attendants always strive to maintain our policy of complete satisfaction
