Unwed British Woman in U.S. With Children

NEW YORK, July 5 (AP) — Mrs. Carpenter, unwed British barmaid, brought her three surviving quadruplets to America today to marry their father.

The father, publicity shy William (Fred) Thompson, a Philadelphia, Pa., commercial printer who met and fell in love with Mrs. Carpenter while stationed with the army in England, was not at the airport to meet them.

Father Waiting
Friends said Thompson was waiting nearby and would be reunited with the children and their excited, happy mother.

They also said that Mrs. Carpenter and Thompson would marry within a week, fulfilling their determination that they had been frustrated for two and a half years by the refusal of Thompson's wife to give him a divorce.

An hour and 30 minutes after their trans-Atlantic plane landed, Mrs. Carpenter and the children, Madeline, Margaret and Michael, were taken from the airport by a taxicab to meet Thompson at an undisclosed residence.

Temper Thrown
Mrs. Carpenter was nervous and her temper about the children was to talk briefly with reporters in the airport dining room, but became upset when photographers flashed numerous pictures as she and the children walked from the customs office.

When Mrs. Carpenter reached the dining room she had just said "I can't stand any more of this," she screamed, and turned to Thompson, who had been at the airport to meet her.

State Ram Sale In Filer Aug. 7

FILER, July 5.—The state ram sale will be held Wednesday, Aug. 7, at Filer, according to Robert Blain, stock chairman of the committee in charge. The sale is sponsored by the Idaho Wool Growers association and is supervised by a committee of sheepmen.

Other committee members include H. Finch, Soda Springs; Dr. S. W. McKee, Blaine; and E. J. Rinehart, animal husbandman of the University of Idaho.

This is the 25th annual sale to be held and special recognition for the silver anniversary is being planned, Blainstock said.

About one-fourth of all the best in the Netherlands is below level.

For Congress

Congress may be grand with new beauty after next November's elections if Lady Luck smiles on Mrs. Martha Sharp, above, Wellesley housewife who won the Democratic nomination for congress in Massachusetts' 14th district. She'll fight it out with the Republican incumbent, House Minority leader Joseph Martin, Jr., of Attleboro, Mass.

Radio Controlled Model Plane May Operate in Area

Possibility that a radio-controlled model plane may be operated here Wednesday, July 10, at the Master flight, nine miles south of town on the airport road.

Twelve, who said equipment could not be secured probably before late summer, said he had a smaller motor model with a 10-foot wingspan which might be operated by radio. It is necessary to have present at time of flight a person who has an amateur radio operator's license.

Newest entry in the contest, which opened at 2 p.m., is Dick Holmes, Twin Falls.

7 Boys Triumph In Calf Scramble

The "calf scramble" at last night's rodeo was easily the most popular event although only ten boys—FFA and 4-H club members—showed up to participate.

Seven calves were turned loose in the arena and the ensuing scramble was well worth the price of admission. There was only one rule—when a boy had hold of a calf, no other contestants could touch that calf, but if the calf got loose, he was fair meat.

Chas. Adams gave an entertaining and masterful performance by riding his selected calf around the arena before finally pulling a boned hatter on the animal.

There are an additional 25 calves to be given away in the event, and officials appealed last night for at least 50 participants. Winners will be given a calf to keep until next year's rodeo when they will be sold with all proceeds, minus original cost of the calf, going to the boys.

Calves are insured. Each boy is allowed to choose his calf from the pen, with the first participant to catch one of the tamest herd contest calves getting his first choice.

Winners last night, in the order they caught their calves, were as follows:

George Larson, Twin Falls; Frank Morrison, Murtaugh; Larry Blinn, Twin Falls; Larry Sackett, Filer; Dick Adams, Twin Falls; Armond Woolley, Twin Falls; Bob Nelson, Twin Falls.

APPLY FOR LICENSE

TERMOE, July 5.—Two couples applied for marriage licenses here at the office of the county recorder.

Tracy Lewis and Hilda Strain, both of Eden, and Bernell Bartlett and Marjorie Jones, both of Jerome, applied.

Forum Talker Sees No Need For Hysteria

"The removal of the OPA doesn't cause hysteria," A. Larson, Colton, Twin Falls, conductor of the weekly public forum series, said Wednesday night during the group's discussion of price increases.

Referring to a local example of a price increase in rent after the OPA went out of existence, Larson said he believed most retailers and manufacturers would seek normal prices.

The forum, which was broadcast by KVMY, was held in the Idaho Power company auditorium. Although open to the public and free of charge, it was not advertised except representatives of the press and radio.

Paul S. Benson, Twin Falls, a graduate of the University of Southern California, who had majored in economics, said the hysteria he had met did not want to raise prices.

Topic
Topic for the evening was "Can a Five-Cent Rise in the Cost of Material of Labor Mean a 25¢ Rise in the Cost to the Ultimate Consumer?"

Much of the discussion was too technical for easy comprehension by the radio audience and anyone but a student of economics would have had rough going.

Others participating were also local men: John D. First, high school principal and Vernon Riddle, Colton, accountant.

Benson pointed out that if the cost of production per unit were 50¢, the producer would sell the product for \$1 to the retailer who would pass it on to the consumer for \$1.20.

He asserted that if the cost of production rose to 60¢ per unit, then the ultimate consumer would have to pay \$1.40 for the product.

"If wages are raised without a corresponding increase in production, prices will go up," Larson said. Riddle believed that an increase in wages and that most business men would be followed by increased production.

Big Production Needed
"If America produces many goods there is no danger of inflation," said First, discussing the present predicament of unregulated prices.

He said that the public, labor and manufacturers had gone on strike. Elaborating after the forum, First said manufacturers had started up their goods after production because OPA had cut their margins too much. Labor wanted higher wages and the public refused to buy shoddy goods which have been offered in place of well-made products.

Benson said during the forum that 40 per cent of the population held 92 per cent of the savings. He explained afterwards that this group would not go on a buying spree and cause inflation after peace came in this case, had satisfied with this case, had satisfied

many of their wants during the war because they had money to do so.

"Shall the people of Idaho lead the nation in so-called or nationalistic agriculture?" will be next Wednesday's topic. George Donahy, Wellesley Democratic candidate for the U. S. senate, has been invited to speak. Each week \$10 will be awarded to the person sending the best letter of comment on that week's broadcast. Address is Open Forum, KVMY, Twin Falls. The public is invited to all future forums in the auditorium. Doors open at 7:15 p. m.

Wire-Tapping
Denounced by
Angry Solons

WASHINGTON, July 5 (AP)—Angry congressional criticism of "wire tapping" spurred prospects today of a full-scale inquiry into the practice of some government departments of recording telephone conversations with lawmakers and others.

Denunciations came from Democratic as well as Republican house leaders following the disclosure made at a senate war profits investigation earlier this week.

Lash Transcriptions
Speaker Sam Rayburn, D. Tex., told newsmen of his great displeasure at such secret transcriptions, and Republican Leader Joe Martin, Mass., termed them "a mean practice."

Probe Considered
Meanwhile, an influential member of the special house committee set up to investigate "executive agencies which exceed their authority" said that group is considering a thorough investigation.

"This practice is not limited to the war department," the committee member reported privately. "Many other agencies have been doing it right along and I imagine their files are filled with transcriptions of telephone conversations to congressmen. We might want to find out under what authority they have been doing this."

LEASE OIL STATION
BUILT, July 5 — The oil station at the Butler corner east of town has been leased from the Mobil Oil company by M. E. Parker and D. W. Parker, Rich brothers. They are renovating the station which will be open soon. Both men are World War veterans.

Farm Acreage Sale Average Up to \$256.94

The average price per acre of Twin Falls county irrigated farms being sold in 1946 was \$256.94, compared to \$224.22 an acre in 1945 and \$175.84 an acre in 1944, a survey of farm real estate market activity shows. The survey of recent western states used Twin Falls and Latah counties in Idaho for sampling.

During 1946 there were 27 farm transfers, six involving non-irrigated land and 51 irrigated land, according to the survey released by County Assessor Jack P. Smith. A total of 2,665 acres of irrigated land and 1,272 acres of non-irrigated land was sold.

"In transactions involving farms that were held by the owner less than two years, the owner averaged a handsome profit on the resale of the land. Of the 19 farms the original investment was \$81,700 and the subsequent sale totalled \$103,325, a 27 per cent increase.

The sale transactions totalled \$123,175 for irrigated land and \$14,500 for non-irrigated land, making a sum of \$137,675. Fifty one per cent of the irrigated land sales were cash payments and 83 per cent of the non-irrigated land sales were cash.

The survey also showed that throughout the west the irrigated acreage on the farm was increasing after the transfer and Twin Falls county reflected this trend, Smith said.

Of the farm transactions 74 per cent were sold to active farmers and 26 per cent of the sales went to non-farmers, most of whom were Twin Falls residents. No farm sales were made to corporations in Twin Falls county.

Seventy-two per cent of the purchasers intended to operate the farm themselves and 28 per cent purchased the farm for leasing, the survey disclosed.

Thirty needy youngsters will attend the Saturday night performance at the rodeo here because their tickets were paid for from fines collected in kangaroo courts conducted previously, Mitchell W. Hunsaker, member of the Frontier Rodeo Club, Inc., announced Friday.

Hunsaker said the youth tribunals which penalized members of his group, the Jaycees and the sheriff's mounted posse who did not wear at least two articles of western clothing. He said he would get in touch with churches for names of underprivileged children. The youngsters will sit in a roped-off section.

30-Day Eviction Notice Required

Thirty days notice must be given a tenant before eviction proceedings can be brought to court, Henry M. Pellum, area civil director, reminded landlords Friday.

OPA rent personnel is on duty and has been instructed to consult with local courts on handling of eviction cases during the interim period in which the fate of OPA is being decided. The rent office will give out available information to both tenants and landlords about rights and obligations under local laws, Pellum said.

Army Reports Prison Blaze; Denies Break

MISSOULA, Mont., July 5 (AP)—Col. J. J. France, commanding officer of Ft. Missoula army prison three miles south of here, said today two barracks had been set afire by a "small group" of the 1,260 prisoners confined there. He denied reports of an attempted mass break for freedom.

"There was no attempted break whatsoever and nothing to get alarmed about," France said.

No rioting
He denied there was any rioting and said the fire started extinguished within 15 minutes after they were discovered yesterday afternoon by a tower guard. Damage to the barracks was estimated at \$500.

France refused to name the prisoners responsible for the fires or the exact number involved in the incident which he said was "one way for them to let off steam and live things up."

"There was only a very small group involved and they were completely rational. They stood quietly by and made no effort to prevent firemen from putting out the blaze," France said.

The damaged barracks were of wooden construction with tar paper roofs and accommodated 60 prisoners each. They were located in a small, unguarded compound surrounded by barbed wire deep within the fort.

Labor Demand Shows Decline

Total labor demand in Magic Valley has declined 10 per cent since U. S. employment service survey showed, it was announced Friday.

Most of the decline was in agriculture and reflected the completion of sugar-beet thinning. The first hoeing of beets was also practically completed.

The largest non-agricultural demand for labor was at Halley where 30 workers are still needed for the Triumph mine. Construction at Gooding and Twin Falls and wholesale and retail trade in Twin Falls also needed substantial numbers of workers.

The available labor supply in Magic Valley was estimated about 600. The Twin Falls office reported that there are 28 job openings available here and that there are 231 active applicants.

Lutherans at Buhl Install New Teacher

BUHL, July 5.—St. John's Lutheran church will conduct special services Sunday afternoon to install Teacher Eugene Kruse, Juntura, Neb. He will be the principal instructor in the Christian elementary school which the church will establish this fall. The school will provide the elementary school subjects and daily religious instruction.

The installation service will be held in the Buhl American Legion hall at 3 p.m. Sunday. The Rev. Louis Witte, pastor of the local congregation, will bring the message for the special occasion. He will be assisted in the installation ceremony by Lutheran pastors and teachers of the Magic Valley Lutheran congregations who have been invited to the service. Immanuel Lutheran church of Twin Falls will present a choral selection under the direction of Ervin Koch, who will also be at the piano to provide music for the service.

Kruse has had three years of successful teaching at Juntura. He was born at Clarinda, Tex., the son of a Lutheran pastor. His elementary education was received in the public schools. In 1930 he entered the high school division of Concordia Lutheran Teachers college at Seward, Neb., and received his teaching diploma from the college in 1933. He has a four year teaching certificate with the state of Nebraska and has special abilities as church choir director and as church organist. His father is pastor of St. John's Lutheran church, Wakefield, Neb.

According to Pastor Witte, the dedication date for the new school building at Juntura and the school are not yet designated, but work is progressing. He added that the congregation's board for Christian education will meet during the coming week to study the initial policies and program for the new school.

Fair Board Plans Sept. 9-11 Event

GOODING, July 5.—Nerly appointed members of the Gooding county fair board made an inspection tour of the fair grounds buildings and formed plans for the 1946 county fair which will be held Sept. 9-11.

George Cleveland is new fair board chairman and Robert E. Higgins, county agent, secretary-treasurer. Other members appointed by the chairman are: Chris E. Wendell, Ed Buttrill, West Point, V. W. Carson, Hagerman, and Ernest Fredrick Gooding.

Funds have been appropriated by the county commissioners for the construction of a new livestock building. Awards for community beautification will be offered as follows: first, \$25; second, \$10; third, \$10. All Granges and other organizations are urged to start making plans for the fair now.

The 4-H fair to be held in connection with the county fair will have exhibits and contests to be judged on Sept. 9 and 10.

373 Head Sold at Gooding Auction

GOODING, July 5.—A total of 373 head of livestock, bringing gross sales to more than \$20,000, was sold at the first Gooding Livestock Commission company auction without OPA ceilings this week, according to J. L. Berry, manager and co-owner. Top hogs brought \$15.00 per hundredweight. The former ceiling price was \$14.75. Hogs sold brought \$15.00, cows, \$12.50; heifers, \$12.50; veal, \$12.40 and bulls, \$12.50. Heavier buyers were the Davis Packing company, Boise; George Jensen, Piler, and the Central Market, Gooding. During the first three months of operation of the commission company from April 1 to July 1, \$257,321.50 worth of livestock has been sold, Berry said.

Charles U. Streitz Funeral Rites Held

RICHFIELD, July 5.—Funeral rites for Charles U. Streitz were held here with the Rev. Lee A. Weber, pastor of the Buhl Methodist church, officiating. The Richfield church choir offered selections. Mrs. F. L. Maxwell gave a vocal solo. Pallbearers included Birk Albert, Frank Pope, R. E. Lemmon, D. W. Wilcox, W. S. Kohl and J. J. Metcalfe. Members of the Eastern Star and Maconic lodge attended in a body. The body was sent to Omaha, Neb., for interment.

3 RELEASED ON BONDS
JEROME, July 5.—Three men, all charged with drunken fighting, were released on \$20 bonds by police here. The men include Ernie Coats, William Hagius and Orville Anderson.

The first automobile trip across the United States, in 1903, took 61 days.

Ground and Sky Entertainment Here July 4

Above, part of the 1,600 at the airport and on roads around it watches a booming plane perform at the CAP airshow which formed one highlight of Independence day in Twin Falls. Below, a picture you won't often see because it was snapped at the almost incredible speed of 1/1,000th of a second—a spinning lariat "stopped" by the camera. Pat Torrence, 35, spins the lasso around her mount and that of her sister, Baby, 8. They're two stars of the Twin Falls rodeo which continues through Saturday night. 98 Jobs Open At USES Here

Ninety-eight job openings are on file at the U. S. employment service office here, the monthly report released Wednesday showed. A total of 331 active applicants for work are registered at the office.

Although the number of applicants exceeds the jobs available, none of the unemployed job seekers are qualified to fill the job vacancies, according to Bruce Dunning, interviewer at the USES.

During June 228 new applications for work were filed, including 123 veterans. A total of 788 job referrals were made including 255 veterans. Of the referrals, 436 resulted in job placement, 120 of which were veterans.

During the month, 3,029 workers sought the USES office, including 910 veterans. A total of 236 un-

employment compensation claims and 527 servicemen's readjustment allowance claims were processed. Included in the job placements were 11 disabled veterans. A. J. Meeks, office manager, pointed out.

Four Scout Units Dropped in Area

Four units have been dropped from the Snake river area council list of troops, packs and scout units, announced. Suspended were the American Legion sponsored troop 68, Twin Falls; the Elmwood Social club's troop 61, Piler, and the troop and Cub pack sponsored by the Reorganized Church of Jesus Christ, LBS.

The Legion troop is being reorganized and will be registered as a

new troop when it applies for a charter. The Twin Falls Kiwanis club troop 64 will be dropped this month unless the club takes a more active interest, DeBuhl said.

"When sponsoring institutions fail to live up to the agreement they sign when applying for a Scout unit and do not meet those obligations we must drop their unit or find a more interested sponsor," DeBuhl remarked.

PLAYS ELECTRIC GUITAR
RICHFIELD, July 5.—John Stevens, son of Mr. and Mrs. Albert Stevens, Richfield, is featured at 10:15 a. m. each Monday, Wednesday and Friday on radio station KVMY. He plays the electric guitar. Mrs. Kenneth Johnson, also of Richfield, accompanied him at the first performance.

Policeman's Rent Boosted \$75 Per Month; Chief Raps Action

One of the most extreme cases of rent raising yet reported since removal of the OPA ceiling brought a strong statement from Police Chief Howard Olliste.

Interested in the case both as a law enforcement officer and because it concerned a member of the police department, Chief Olliste condemned it as "a very unimportant case."

Officer Orville Reinhold and Mrs. Reinhold, who have a small daughter, received notification from Beale P. Badger that the rent on their three-room apartment would be raised from \$15 per month to \$100 a month, effective July 17. The apartment is located at 312 Fourth avenue east.

Commenting upon the situation, Chief Olliste declared: "This method conforms with the letter of the law, but certainly not with the spirit of the law and relies upon the ability of our people to conduct their own affairs in an intelligent manner without government control."

Pointing out that the salaries of members of the police force are not geared to such prices, the chief added that it looked as though they might have to start looking for an army barracks that could be moved in to house members of the department.

All Rupert POWs To Leave July 9

RUPERT, July 5.—The prisoner of war camp here will be emptied by July 9. Col. H. O. Rinn, commanding officer, announced, with branch camps to be cleared by July 10.

"Prisoners are now moving out of branch camps to the Rupert camp and from there to ports en route to Germany. About 1,600 POWs are in the area and approximately 100 prisoners were working in farm fields here."

Methodist Men Give All Church Picnic

The Methodist Men's club will sponsor a church picnic in the city park following church Sunday. Hugh Nelson, president, announced Wednesday.

Families are urged to bring card tables and a covered dish lunch, he said. The picnic is being held to get the new pastor, the Rev. Albert Parrett, acquainted with the congregation, Nelson declared. The men will hold a short business session following the picnic.

7,000 Attend Aerial Show, Given Thrills

By HAROLD KNOLL
An estimated 7,000 persons watched the Independence day air show yesterday afternoon at municipal airport, which event was sponsored by the local CAP squadron. Features were acrobatic spot bombing and crop dusting.

CAP planes in the morning flew over the July 4 parade as the procession made its way through town. When the air show began in the afternoon the ships roared over the city and came in for spot landings. Major Filmer took first place in the landing contest while Harold Klenkoff won second place.

Except for the spot bombing event was a barrel. Dummy powder bombs were used. Taking part were Klenkoff, Clifford Haysard, John Stone, Commander George N. Taylor, Richard Love, Filmer and Wendell Maxwell of the Burley CAP.

Crowd Thrilled
Nora Jensen and Edward Vogel thrilled the crowd with acrobatics. For a time the sky was overcast but the sun broke through. Speaker over the public address system said John W. Clark, Thomas, former Marine corps pilot, who drew from his experience for an informative discussion of the proceedings.

One of the most dangerous events was the slow race in which Charles Jackson, Charles T. Herder and Fred Stump held their planes down to minimum speed at a low altitude. Only one rudder could be used to guide the ships and had any of the planes gone out of control the crash would no doubt have been fatal. Winner of the contest was Stump who came in last and slowest.

Vogel, Earl Allen and Dee Jenkins put on a crop dusting demonstration. A comedy event, that of a student pilot in his first solo, was enacted by two experienced aviators. One was instructor and Gene Blatter as student. Blatter demonstrated how not to fly a plane.

Free Plane Drops
Free plane drops were awarded to members of the audience. First three winners were Mrs. Vera Stinson, Miller, Mrs. Betty Otto, Jerome, and Leroy Hallom, Fairfield.

On display at the field was the army service forms caravan which has been visiting Twin Falls. Lloyd Shekman and Jack Schmidt flew their planes in formation. Participating in a banner clothing race were pilots, Norris Stettler, Wendell Maxwell, John Jenkins and their respective passengers, Mickey E. Brown, M. E. Stottel and Stump. As the planes landed the passengers leaped out and threw their shirts into a barrel.

They returned to the ships and were taken up again. But as part of the act someone substituted women's clothing for the shirts. When the planes landed and passengers leaped to the barrel for the clothes, they had to dress in women's garments. Stottel team was first. Brown team second and Stump team last.

Canceled was a parachute jump by a professional, Tommy Thompson, Postville. He was supposed to drop down here from American Falls but a bad storm in that area prevented his coming here.

Tickets of admission were sold by the CAP and the local Air Scout squadron. Persons watching the show crowded onto the field or sat in parked cars near the airport. Traffic was heavy on the airport road.

Rolls of toilet paper were used to a paper cutting demonstration. Participating were Charles Jenkins, Stinson, Vogel, and Stump. They dropped the rolls in flight and with their wings cut through the falling streamers. Jaycees operated a refreshment concession at the field.

Hardest-Working Paraders

Probably the hardest-working paraders in the July 4 line of march yesterday were Mr. and Mrs. Arrell Kelly, Jaycee and Jay-Lite, who walked the whole distance as part of their act. The Indian gaur dignities them but take our word for it, that's Arrell in front and Mrs. Kelly behind him. (Photo by John Brown, staff photographer)

Rollo Gibbons, Bud Davis Only Magic Valley Golfers in State Tourney Championship Flight

NAMPA, July 5 (UP)—Arnold Peterson and Ben Peterson, both of Pocatello but unrelated, led the amateur golfers in the state golf tournament on the Nampa-Ezra course club house. The first nine holes today will be awarded medal honors.

There was a record number of 115 entries who played the course today to determine the flight in which they will play.

Beverly Eklund, state golf association secretary, said play will start in the championship flight today. The golfers led off today at five-minute intervals with the first, second, third, fourth, fifth, and sixth flights starting at one-half hour intervals beginning at 8:30 a. m.

Mountain Home Beats Hailey in Two Ball Games

In the two ball games in different divisions of the South Central Idaho League, Mountain Home, Idaho, defeated Hailey, Idaho, 10-2 and yesterday, 16-2. Mountain Home is leading the western division of the circuit with Hailey in second place in the eastern division.

Other teams today: Rupert at Idaho Falls; Pocatello at Twin Falls; and Arden at Boise.

PARKER, TALBERT WIN CHICAGO, July 5 (UP)—

The two top-seeded stars, Frankie Parker and defending champion Bill Talbert, easily subdued quarterfinal opponents yesterday in the national clay courts tennis tournament at River Forest.

San Antonio, Tex., and Dean Anderson, Timbers, were Owen Jordan and Mildred Morris, both Chandler, Ariz.

Not all contestants appeared in last night's show, so the overall will appear on tonight's bill. It was pointed out that there were no many entries that regular night money couldn't be awarded. No points will be announced until all entries have appeared.

COWBOYS BEAT BOISE 6-4 IN 10TH, TIE FOR TITLE

Arnold Whiffs 13 Pilots; Radtke Stars in Game

BOISE, July 5—Fair play went to Earl Boyday's Cowboys today as the Pioneer league's first-half championship for which they tied last night when they scored a 6-4 triumph over the Bees, who went in the game with a full count on the Wranglers.

That the Cowboys beat the Bees, 6-4, was a little difference as the first nine holes were tied 3-3. The difference was made in the 10th hole when the Cowboys scored a 6-4 triumph over the Bees, who went in the game with a full count on the Wranglers.

The Cowboys scored a 6-4 triumph over the Bees, who went in the game with a full count on the Wranglers.

Tough Luck Dogs Contestants in Rodeo As Record Crowd Looks On

Tough luck dogged the path of contestants in the first night of the second annual Sherriff's Mounted Police rodeo last night as cowboys had trouble with their ropes and riders had difficulty attacking with their teaming mounts until the middle of the night. A record crowd of 5,500 was on hand to watch. In one event, the amateur saddle bronc riding, only one contestant, Bud Anderson of Jerome, qualified as he rode Utah Trail to the whistle. Other contestants were thrown before the whistle or were disqualified although Don Hensberry of Hitefield was given another chance tonight because he had trouble with his mount and never appeared.

ON THE SPORT FRONT

Take it from Yr Oldie Sport Scribe, there may be no payoff for the first half championship of the Pioneer league between the Cowboys and the Salt Lake City Bees. The pugny one gets that right from the dead feed box, which means Maury Doerr of the Wrangler Club. There's that proof of the game that Bees won from the Cowboys on the latter's last trip into the Utah state title and Joy, Gieseler, of the National Association of Professional Baseball Leagues over the head of league President Jack Hall.

Chesnes Sent To Rescue But Bees Defeated

SAIT LAKE CITY, July 5 (UP)—The Ogden Bees won both ends of a holiday two ball game from the Salt Lake City Bees yesterday, the afternoon game of Ogden knocking the Bees out of undisputed possession of first place in Pioneer league standings.

The Bees scored on the Bees, 2 to 1, in that contest, and came back in the midday here to overpower the hive, 12 to 2.

Great Cowboy Field Shows in Rupert's Rodeo

RUPERT, July 5—The finest field in the history of the Rupert rodeo performed here July 3 and yesterday before a record-breaking crowd which packed the stands to overflowing.

A Shoshone Indian tribe gave a special performance of tribal dances. Guy Arnold Williams was presented with a western hat by Mayor Henry Rebeck.

San Antonio, Tex., and Dean Anderson, Timbers, were Owen Jordan and Mildred Morris, both Chandler, Ariz.

Not all contestants appeared in last night's show, so the overall will appear on tonight's bill. It was pointed out that there were no many entries that regular night money couldn't be awarded. No points will be announced until all entries have appeared.

Silver Lining

Four Hits for Radtke

However, was little for Radtke, the Cowboy second baseman who formerly played with Boise who was the star of the game. He got four hits and scored two runs.

The Wranglers started off like they were going to put the game on the right at the start. They scored three runs in the first inning. George Leyser had fanned, Radtke singled and scored. Pete Patterson and Buddy Hite walked to fill the bases. Then shortstop Hal Lowe struck out. George Leyser, Patterson scored and Ben Bonomi scored. Radtke scored.
