# Russian Delegate Attacks Vote Plan At Peace Meeting

PARIS, Aug. 8 (P)-Soviet Foreign Minister Molotov told the per Australia's Herbert V. Evatt tha

charge by Australia's Herbert V. Evatt that the Russian leader was attempting to uncave to the conference. Molotov threw the plenary session into confusion by respening the once-settled question on voting procedure. Molotov said the United States and Britain and repudiated decisions in the foreign ministers council. He then accused Evatt of "acting to create opinion sessions towich interests." Evatt, Australian minister of external affairs, has been active in promoting the cause of the small nations before the conference. In a fiery reply to Molotov, he said the Soviet leader was trying to enforce before the pence conference the same veto he enjoyed in the foreign ministers council.

reader was trying to enforce before the pence conference in a same veto he enforced in the Soviet Tyrit said Molotov's effort to recept the voting question smacked of fillbustering in "mas the suggestion of the suggestion
