

# U. P. Head to Hear Plea on Rail Service

(From Page One)  
Dr. Kahney said, was the extension of the branch line from Buhl to link up with the main line again at Glenna Perry or some other point.  
It was pointed out that passenger service, especially short coast points, is hampered by the "dead end" of the branch line at Buhl. Another connection with the main line on the west end of the branch line would greatly facilitate train connections. Dr. Kahney said, "Abnormal."

"Passenger service is so abnormal and train connections are so bad on the present branch line that we are seeking some method to improve conditions," the Buhl dentist said.  
A meeting of representatives from Twin Falls, Buhl, Kimberly, Piler and other communities on the line will be held soon to discuss the situation. Dr. Kahney said.  
The possibility of extending the branch line from Buhl to Glenna Perry was not given much hope. The dentist said. Because railroads are not doing much construction of new roads and the present line is in need of at least new bridge across Snake river.  
About Twin Falls and Buhl residents now traveling by rail catch the main line Union Pacific train at Shoshone or Blaine, rather than take the branch line to Minidoka and trail for connections. It was stated.

# Bean Dealers Get Festival Outline

Plans for the proposed bean festival were outlined by C. D. Hiett, Charles (Chick) Crabtree and Ray J. Gibson at the Western Bean Dealers Association fish fry Friday evening at the Clear Lake grounds.  
Odel Robinson, association president, announced that a committee will be appointed to work with the festival organizers in planning the event.  
More than 80 members of the Magic Valley group and their guests were present for the fish fry. William F. Bryan, seed inspector for the area, was also present. He is gathering other guests were Bill Moore, state inspector, and L. A. Smith, who is chairman of the University of Idaho experimental plots throughout Idaho.  
Robinson was in charge of the event with James H. Shields, Buhl, directing the fish fry and dinner arrangements.  
The regular meeting of the association to elect officers was postponed. It was announced.

# Rev. Pratt Giving Farewell Sermon

The Rev. Claude Pratt, founder of the Twin Falls Church of God and its first pastor, will deliver his farewell sermon today at the church he established.  
The Rev. Mr. Pratt plans to leave next week for Caldwell with his wife in a large trailer that he constructed recently. At Caldwell he will attend the two-week Church of God camp meeting and fill the pulpit of the Caldwell Church of God church for the next year.  
Planning a vacation after that, the Rev. Mr. and Mrs. Pratt plan to visit a son, Ray Pratt, in Montana, and another son, Clifford Pratt, Salt Lake City. They will return to Twin Falls late in the fall to move their belongings to their permanent home at Chesham, Wash.

# The Weather

Twin Falls and vicinity — Clear today with few clouds. Temperature, 84 to 94. Little change in temperature. High temperature yesterday 84. Low 64. Temperature at 8 p.m. yesterday 65. Barometer 23.72.

# STAGE OF SNAKE RIVER

The level of Snake river was low Saturday as shown by the flow over Shoshone Falls the water going over the falls).

# Car Goes Off Highway, One Rider Injured

One passenger was injured at 8 p.m. yesterday when the 1941 sedan in which they were riding went off of county 120 miles south of here on the airport road, hurled a four-foot irrigation lateral and came to rest in an alfalfa field approximately 100 yards from the highway.  
The car was driven by Otto Turley, 31, route 2, Twin Falls.  
Turley, treated at Twin Falls county hospital for cuts about the neck and eye, was a passenger in the car driven by Otto Turley, 31, route 2, Twin Falls.  
Turley told him the steering gear of the sedan refused to function and the car left the highway as he was driving to Twin Falls. The front end of the sedan was damaged. Scott said the wrecked vehicle was "10 steps from the road."  
The passengers were the driver's wife, Mrs. Lorraine Turley, and two children, 10 and 12. The car was damaged. The car was damaged. The car was damaged.

# Seen...

Hundreds of fans and programs waiting outside the arena for the Blue-eyed band to start their circus tent as crowd watches performance. Three friends talking at a curb with their hands all one level although one of them is standing in water. Two men in brass hats in crowded group. Ad Ad Vash in Krumpholtz. Blue-eyed band in parade. A crowd of people at the fair. A crowd of people at the fair. A crowd of people at the fair.

Vest, Jr., and daughter, Hollister; and Mrs. Dean Leggett and son, Harbison.

# Women Vote Turnout Bad, Leader Finds

JEROME, Aug. 10 — A poll of the feminine electorate in Twin Falls county shows that there were 2,000 authorized women voters who failed to cast ballots in the last election, declared Mrs. Rose Mayne, Kellogg, state chairman of the Republican Women of Idaho, in a speech here this afternoon.  
Mrs. Mayne was the main speaker at a 2 p.m. meeting of 50 Jerome county Republican Women members at the home of Mrs. Frank Thomas here.  
Mothers are willing to work on school issues but are apt to sit back in politics, she asserted, and urged that all women vote in the fall elections.  
No longer does an election mean a political election, she said. Political elections are now splitting into Republicans and conservative Democrats or one side new debates on the other.  
A woman's vote in the U. S. today is as important as that of a man in Russia at the time of the revolution, she asserted.  
Another speaker, Mrs. John Sanborn, wife of the Republican congressman, stated that a woman's vote is the most thing that new deal has done to put class distinctions out of politics, as has never been done before.  
In a subsequent round-table discussion, Mrs. McCoy, national Republican committee woman, explained the nature of class politics and stressed the hope that such meetings will educate women to think more intelligently.  
Next meeting of the Jerome Republican Women will be held at 8 p.m. Aug. 20 at the home of Mrs. Gilbert White here.

# Tour, Picnic Set By Bicycle Club

A bicycle tour of the city and a "surprise feed" at Harbison park will feature the final outing of the bicycle club on Monday. Mrs. Morris Roth, assistant city recreation director.  
Any boy or girl in the city who owns a bike is invited to participate in the tour. Roth and Child, Police Harold Gillette will escort the group.  
Youngsters are asked to bring their own picnic lunch to eat in the park, but a "surprise" treat also is planned.

# TOO LATE TO CLASSIFY

# Pulling Contest, Horse Show Set At Gooding Fair

GOODYEAR, Aug. 10 — A horse show and horse pulling contest have been added to entertainment scheduled for the first day of the Gooding county fair, Sept. 9, and a rodeo for the afternoon of Sept. 10, according to plans made at the last meeting of the fair board. These events will be free of charge to the public.  
The horse pulling contest will be divided into three divisions: steers at 2,500 pounds, 2,500 to 3,500 pounds, and 3,500 to 5,000 pounds. Prizes in each class will be \$50, first prize, \$20, second, and \$20, third. Premium lists and rules will be announced soon. A flat charge of \$12 will be made for space for all corporation booths.  
Present at the board meeting were George Cleveland, Chris Bravica, Ed Bitterli, Ernest Fields, Ted Edholm, Kenneth Daniels and "Dutch" Linger.

# 4 Motorists Fined For Speeding Here

## Tension Grips Jerusalem in Rule of Army

JERUSALEM, Aug. 10 (AP)—Jerusalem has become a tense and nervous fortress city with the imposition of new security measures daily.

British troops and Palestine police made a house-to-house search of a small Jewish community in the southwestern suburbs today, during which five Jews were reported arrested.

A requisitioned hotel housing the government's public works land office and other departments was evacuated when a telephone call warned of an impending explosion. Nothing happened and government workers returned, jittery, to work.

A similar incident occurred at the British Overseas Airways office, located a few yards from King David hotel which was blasted July 22.

New barbed wire barricades were erected across fields and olive groves in the vicinity of government buildings and hundreds of yards of barbed wire are now being installed along sidewalks leading to government offices. The army banned all photographing of the offices.

Munich government officials speculate that offices may be reshuffled to put some departments now outside the center of town into the "fortress" being formed in the heart of Jerusalem in buildings being evacuated by nearly three dozen private businesses, shops and offices.

## Wendell Lockers Near Completion

WENDELL, Aug. 10—The Parr Lockers and Cold Storage plant is nearing completion after being approved by the FHA recently, Bill Parr stated. The new plant, which cost \$13,000, is an addition to the one operated by Parr for several years.

The new building will have fewer better boxes than the old storage plant, but will be a larger structure with accommodations for a work room, pickle room for curing meats, a chill room and for storage rooms.

The new locker room will accommodate 250 boxes and will connect with the older locker room. The plant will have a total of 500 lockers when it is complete.

The building is constructed of cinder blocks and the locker rooms cooled with asphalt and insulated with rock wool.

## Not Recommended for Amateurs

Attractive and blond Hortense Cristiana hurrying through space merrily to the shoulders of one of her brothers was one of the acts that thrilled crowds attending the circus Saturday afternoon and evening in Twin Falls. The fast-action camera shows here how it's done, but it's not recommended for amateurs. At left, the Cristianas are performing the three-high pyramid completed when the feminine member of the family landed standing up on her brother's shoulders after catapulting from a springboard. At right, she is completing a four-high pyramid after a doubt-somersault. Numerous other acrobatic and colorful acts were offered by the Cole Bros. circus during the one-night stand here. (Photos by John Broshman—staff engravings)

## Burley Opens Campaign for Scout Funds

BURLEY, Aug. 10—The annual Boy Scout finance campaign was launched at a dinner meeting attended by 81 campaign workers and Scout officials at the National hotel here, according to Herb West, Scout executive.

Raymond H. Snyder, president of the National Scout council, said there are now more than 2,000 Scouts in this territory and 20 are active in the Burley area. Snyder said the senior Scout program is being enlarged and there may eventually be as many Senior Scouts as there are now Air Scouts, Cub Scouts and Boy Scouts combined.

There were more than 100 people working on the finance campaign terms, West reported. They will be under the direction of George A. McConigal, campaign chairman.

The workers will call on people in the next few days to get subscriptions for the Scout movement. They will meet at 8 p.m. Tuesday at the National hotel to turn in collections.

The campaign executive committee.

## Othman Frets Over Feud on Butter Supply

WASHINGTON, Aug. 10 (AP)—An having trouble with my milkman, President Truman is worrying about predatory lampreys. The OPA has decided the hell with dried octopus meat.

The army is facing up with yellow stripes down his pants legs.

These are the reasons I'm all right, and I fear I may have to butter that milkman's kiss with a cool blow.

He's the baby who leaped for five years my pleas for one little quarter of a pound for my panache. He weaned me of my foster for butter I don't like it.

So now he leaves a pond of the stuff every other morning on my stoop. My ice box is jammed with butter. I'm using it on cake, squashes, blinis, mushrooms, and the vacuum cleaner motor. I'm slicing down my hair with butter at 12 cents a pound. If that milkman doesn't quit, I'm going to toss him to President Truman's lampreys.

A lamprey is an eel with an appetite as big as his mouth. He attaches himself to any poor fellow by means of suction cups, which are his standard equipment, and goes to work with his big, horny teeth. Somewhere the great lakes got full of lampreys, which now threaten to eat all the fish.

**O Kays Extermination**

The President, however, signed a bill which will put the federal government indirectly in the lamprey extermination business, although how you go about exterminating reb without also exterminating fish I do not know.

I once tried to eat a piece of boiled octopus, but it was pink in color, and rubbers like a typewriter eraser, and somehow I never got around to tasting it. I mean there is not much of a market for octopus meat. The OPA has discovered this fact and has taken it off price controls. Frozen fish tins, a comestible with which I am not familiar, also revealed the oil heave-ho from the federal price experts.

Having announced that the cost of living around the country went up 13 per cent, the department of labor said a couple of days later that the cost of food in Washington had gone down a fraction from the new high. This I have not yet noticed.

**Rocket Trouble**

The army, which is always up to something, is working on a rocket to the moon. The trouble with the rocket is that a fellow taking a week-end into lunar space is likely to collide with a meteor. I guess I will stick with the Pere Marquette railroad, which has abolished tipping on its trains.

The other problem of the army is whether to dress its soldiers like Nelson Eddy in technicolor epaulettes, or clothe them neatly, but not gaudily like Charles O. Grant. This involves pants of navy blue, dark blue, or baby blue, and a stripe of yellow or cerise. The army can't make up its mind on these problems and is asking for help from its bystanders.

**BUILT TITLE QUIETED**

A decree to quiet title to four lots in Buhi was issued Saturday by District Judge James W. Porter in the suit of Mr. and Mrs. Jess O. Eastman against Wallace F. Farnsworth, et al.

## He's Candidate for Freckle Championship

This freckled beauty is Eugene Ritchie, one of the first entrants in the Times-News first annual freckle contest. Any boy (or girl, either) in Twin Falls or Magic Valley is eligible to try for the championship and the prizes that are being offered. (Staff photo—engraving)

## Rites Held Here For H. H. Stein

Last rites for H. H. Stein, 76, who died at 1:30 p. m. Friday at the home of his sister, Mrs. Harry W. Barry, Twin Falls, were held Saturday morning in White mortuary chapel. The Rev. G. L. Clark, Presbyterian minister, read the services but the body was sent to Garretts, Kan., for burial.

Mr. Stein lived in Twin Falls since 1941 when he came here from Garretts. He was born Sept. 6, 1869, at Greenville, O.

He was a cabinet maker by trade and a 32nd degree Mason at Garretts, at Knights Templar in Idaho.

## Filer Driver Fined For Speeding Here

Wesley B. Van Zante, 27, county 1, pleaded guilty to a charge of speeding when he appeared before Justice J. O. Humphrey Saturday afternoon and was fined \$10 and costs.

The charge, preferred by State Police Officer John E. Leiser, showed that the offense occurred Friday on Washington street north to the intersection of Main street.

## Building Permit Mark of \$91,092 Shown in Week

Indicated by the St. Edward's parish school project, which amounts to \$91,092, Twin Falls building permit applications for the week just closed totaled to \$91,092.50 exceeding by \$100 the entire construction program for July, according to records at the office of City Clerk George A. Dutton.

This Times-News tabulation of \$91,092.50 outstrips all previous recent weekly totals and promises to place the August total at a high figure when all returns are recorded.

The July grand total was \$81,000, which fell below the June list of applications totaling \$125,700 and included the \$40,000 immediate Lutheran church school building program.

Total for the first week in August, which overlapped into late July, was \$23,310.30. The recent week's building had occurred from June 24 through 29 when permits reached \$22,522.50, but this was overshadowed by last week's theme.

A porch and which are the only alterations to be made planned by building permit applicants who filed Friday.

## Whoops, Kids! Who's Got the Most-Freckled Face of 1946?

Hey, fellows! Have you heard about the Times-News first annual freckle contest? It's like this:

If you have more than an average crop of freckles, are less than 15 years old, and live anywhere in Magic Valley, you're in. All you do is come to the Times-News editorial office and ask for the freckle editor.

The freckle editor will take your name and also your picture (right at the newspaper office) and enter you in the contest. Soon afterwards, your picture will be in the Times-News and, after it appears, you can come to the office and get a big 8 by 10-inch enlarged photograph of yourself free.

And that isn't all.

When all of the entries are in, the judges will pick out the winners who will get these prizes awarded by the Times-News:

First prize—a brand new baseball autographed by all the members of the Twin Falls Cowboy team. (You'll be the envy of every boy in town if you win this one.)

Second prize—a pair of swimming trunks.

Third prize—a box of six stick matches to the Orphan and Idaho theaters.

Plus three Times-News sweaters for the three boys who make a good showing but don't win first, second or third place.

There's nothing to lose and lots to win, so, starting Monday morning, come in and ask for the freckle editor. He'll be glad to see you.

## Building Permit Mark of \$91,092 Shown in Week

## Women of Moose Plan Dance Here

A polka supper and dance will be held tomorrow evening by Women of the Moose at the Moose hall here. The committee in charge includes Evelyn Nelson, Martha Parrott, Ruth Wilsart and Martha Clark.

F. W. Nelson, governor of the Twin Falls lodge, announced the group would have a stand to sell short orders and soft drinks Sept. 11-14 at the Filer fairgrounds. The section was approved at Friday night's meeting.

Sam Hasler, secretary of the Filer lodge, sent a letter of thanks for courtesy extended to Boussens during the recent Moose state convention here.

Men of the lodge, directed by Ed-

ward Clark and Robert Clark, served refreshments. A Jerome delegation attended.

**B.F. Goodrich FIRST IN RUBBER**

**OUTWEARS PREWAR TIRES**

Ask for the new B. F. Goodrich Silvertown tube

Ever notice how a toy balloon will shrink to half its size overnight, even though the sun is brightly shining? Scientists explain how the air works its way through the rubber, but the point is, the same thing happens in a smaller degree with most all inner tubes.

B. F. Goodrich is now making a new tube that resists the escape of air. It holds air money longer than prewar tubes.

Constant air pressure gives you better mileage and lessens the chances of damage from cuts and bruises. The new B. F. Goodrich tube is tougher... resists tearing better. If punctured, it less likely to stop being seriously injured.

For quicker delivery of both the tire and the **OUTWEARS PREWAR TIRES** and the tube made to go with it, see us today!

Consistent Terms on Our Thrifty Budget Plan

# Baby Left by Mother After Detroit Birth

DETROIT, Aug. 10 (AP)—Police searched today for a 22-year-old divorced mother who slipped into obscurity after giving birth to a baby in a physician's office and leaving the infant there "to give it a better chance at life."

The doctor's records identified her as Mrs. Madeline Ford, mother of three other children, who sheriff's records said was missing from her trail after leaving the child in the care of the physician's department and no charges are pending against the woman, who told Dr. R. L. Ellenfeldt, the attending physician, that she intended to return.

Dr. Ellenfeldt, a physician in suburban Dearborn, said Mrs. Ford, who entered his interview Thursday night and told the doctor she "wanted to see the doctor."

Mrs. Ford calmly waited her turn while about 20 patients preceded her into the office. Dr. Ellenfeldt said she announced that she was about to have a baby.

The minutes later he left and the child, a five-pound son, came forth.

Mrs. Ford slipped in 15 minutes later, Dr. Ellenfeldt said.

# Valley Man Joins New York Chorus

GOODING, Aug. 10.—It has been learned here that Holden Bowler has accepted an invitation to sing with the chorus of Robert Shaw, director of the Collegiate Chorus society in New York City. Shaw is hailed as the peer of any chorus director in the United States.

Bowler, accompanied by his English born wife and small son, Tim, left Gooding this week by automobile for New York. They plan to visit a University of Idaho friend, Bob Arns, at Deep River, Ontario, Canada.

Arns received a Rhodes scholarship to England while at Moscow.

# Grimes Asks Proper Usage Of 2-4-D Here

J. N. Grimes, director of the bureau of noxious weeds, issued a warning to farmers Saturday "to be certain that whoever is spraying your property uses a correct concentration of 2-4-D in the solution."

Grimes said that the proportion called for in treating the different types of weed referred to "pure 2-4-D, and not to the weight of the chemical plus its carrying medium."

For morning glory, three pounds of "pure 2-4-D in 100 gallons of water per acre should be used; for Canadian thistle, four pounds; for white top, five or six pounds of pure 2-4-D in 100 gallons of water per acre, Grimes said.

To get one pound of pure 2-4-D using a 10 per cent powder, it is necessary to use 10 pounds of the powder. For a 50 per cent powder, it is necessary to use one and three quarters of a pound of the mixed powder for one pound of the pure chemical.

For Canadian thistle, 40 pounds of the 10 per cent powder are needed with 100 gallons of water per acre; at one-half pound of the 50 per cent powder; five pounds and eight ounces of the 75 per cent powder.

For TONSLECTOMY

OAKLEY, Aug. 10.—Tonsil operations were performed on Frank Gerrard, son of Mr. and Mrs. Leonard Gerrard, and Boyd Hunter.

# 150 Attend Outing Of Utility Workers

The second of two picnic dinners arranged by the Idaho Power company, a picnic and program was held Friday evening at the Twin Falls power plant park for more than 150 employees and their families.

The program arranged by Fred Ingraham featured games for the children and adults, community singing led by Horace Holmes and bingo games.

R. W. Carpenter was general chairman of the event. Harold Lackey had charge of special lighting and public address system. M. C. Gilman was head of the refreshment committee. W. O. Watts, transportation, and Ingraham, program and publicity.

# Pool Work Delayed

GOODING, Aug. 10.—Because a special pipe is not available at this time the Gooding municipal swimming pool will probably not be entirely completed before the swimming season of 1947. City Clerk E. L. Bilton has been authorized to purchase a \$4,018 sand filter and chlorinator for the \$25,000 pool but the pipes are needed to finish the job.

The pool machine collections to benefit the pool construction have amounted to \$12,490 to date. It was revealed.

# Peterson Estate

Valued at \$20,000

Petition for appointment of James A. Griffith as administrator of the Peterson estate was filed Saturday in probate court by the three heirs, Philip Peterson, Olympia, Wash.; Josephine Griffith, Twin Falls, and Alice Frances, Gooding, son and daughters.

Mrs. Peterson died Aug. 3 at Olympia, leaving a Twin Falls county estate having a value not exceeding \$20,000. This includes a 60-acre farm worth \$12,000 and balance due on a contract for sale of real property valued at \$7,500.

Judge C. A. Bailey set the hearing for 10 a. m. Aug. 23. Attorneys for the petitioners are Earl E. Walker.

# Lamb Pool Ships Stock Into Ogden

One carload of lambs from Twin Falls and one and one-half carloads from Buhl were shipped to Ogden Friday by the Twin Falls County Livestock Marketing association.

If the market is too low at Ogden, chances are that the seven Twin Falls and five Buhl shippers will authorize recommitment of the stock, according to W. G. Priest, county club agent.

The last lamb pool was reloaded to Bloux City, Iowa.

**WILLER TITLE QUIETED**

Title to three lots in Filer was quieted Friday by District Judge James W. Porter in favor of the plaintiffs, Mr. and Mrs. Adolph Wagman, who instituted their action against John R. Long, et al.

# Tourist Tells Tale Of Hit-Run Mishap

A report of a sideswiping three miles south of the Utah state line near Burrell on U. S. highway 30 south was made to Twin Falls county sheriff's office.

Archer Rogers, Glenwood, Okla., said his car was damaged in the accident and that the other auto did not stop. The mishap occurred at 8 a. m. as Rogers' passengers were Mrs. Rogers and Mr. and Mrs. Earl Clapp. All escaped injury.

TWIN FALLS BUHL

## Vets to Name Candidate to Service Post

Commanders of Twin Falls county veteran organizations will meet soon—probably Wednesday evening—to decide upon a candidate for the county service officer post. The county commission will meet with post leaders Friday afternoon to agree to establish the position effective Sept. 1.

Jackie for the position already has begun and it is believed that W. A. Watern had the inside track for the position, although W. A. Watern, American Legion service officer, has been recommended by two service organizations.

All for Watern

Art M. Peters, adjutant of the Veterans of Foreign Wars, said Saturday that Watern has over 100 per cent backing and Watern has a chance and he'll never get our backing.

Laughtree, American Legion commander, and the other commissioners had agreed to name the man picked by the veteran organizations for county service officer. Watern let Saturday morning for Roseburg, Ore., and will be back for comment on Peters' statement.

It was understood here that Watern planned to resign Sept. 1 from the position he has held for several years. His resignation has been accepted by the county commission. His written resignation has not been turned in to Laughtree, but he has told the Legion commander and other Legion officers he plans to resign.

Four Town

Laughtree said that representatives of Legion posts in Buhl, Twin Falls, Kimberly and Piler, VFW posts in Buhl and Twin Falls and the DAV organization in Twin Falls would attend the meeting to elect a candidate for the county service officer position.

Watern was recommended by the Twin Falls VFW post and W. A. Watern, American Legion post in the Kimberly Legion post. The Twin Falls Legion has not gone on record favoring any man for the job and Laughtree emphasized that "perhaps the Buhl organization will have a satisfactory candidate for the job."

Problems include financing the position. Veterans who conferred with the commissioners indicated an arrangement would be made whereby both the county and the veterans' organizations will raise a total of \$350 a month to compensate the appointee.

Cost divided

Part would be paid by the county and part by the posts through the county in proportion to their membership. The county also would pay mileage of six cents per mile on official business.

Out of this, the full-time service officer would pay his secretary's expenses and purchase office equipment. It would be up to the veterans' organizations to find office space, outside the courthouse, according to Ernest V. Mohr, chairman of the commission.

## Rupert Arranges Mary Ryan Rites

RUPERT, Aug. 10.—Rory will be buried in the Goodwin cemetery chapel at 8 p. m. Monday for Mary Ellen Ryan, 62, who died at 1 p. m. today at the Rupert general hospital after an extended illness.

Mrs. Ryan, who was born Sept. 2, 1882 at Keene, N. Y., married Dan Ryan in 1918 in New York. The couple came to Minidoka county in that year where they made their home.

Services for Mrs. Ryan will be held at 9:30 a. m. Tuesday at St. Nicholas Catholic church, Rupert.

Surviving are two sons, Joseph P. Ryan and Sell D. Ryan. Interment will be in Rupert cemetery.

## Band, Dancers To Play Here With Ink Spots

The Ink Spots, nationally known recording quartet, will be accompanied by a 15-piece dance band and other entertainers when they appear at the Twin Falls hotel Tuesday night at 8 p. m. Monday, Aug. 10, at the Idaho Power auditorium, sponsored by Frank Tidwell, announced last night.

The club was inactive during the summer months. The club will be elected at the Aug. 10 reorganization meeting and Tidwell will display gas-motored models at the session including one he termed "a honey," made for him by a Twin Falls man.

Tidwell said any model plane enthusiast in Magic Valley regardless of age, are welcome to join the Gas Bugs.

James announced preliminary plans for a probable model plane U-convention demonstration at the Twin county fair in Piler Sept. 11-14. The demonstration would be in conjunction with a model plane booth Tidwell will have at the fair.

## Northview School Merges With Buhl

BUHL, Aug. 10.—By a unanimous vote of the board of trustees, the Northview school was merged with the Buhl independent No. 3 and Northview schools.

The consolidation of the two schools at schoolhouse polls in both districts, Friday, Aug. 10, was held.

Northview voters were 62 electors with a single thought—only voted.

Buhl supported the measure, though enthusiastically, as seen by Buhl vote-counters' tallies: 114, 53 votes for, 40 against the referendum.

Union of the merger is that Northview school will be shuttered and all students in that area enrolled in Buhl grades and high school during the coming term.

## Fast Solution

A police chief gets more than his share of headaches, but once in a while things do operate smoothly.

Saturday noon, Chief Howard Gillette was temporarily holding down the desk sergeant's job when a report came in that an employee of the Bob Rogers Motor company had found a \$200 check made out to Richard Sawyer by the Dean Rogers company of Gooding.

The chief was still figuring out the best way to handle this problem when two minutes later Sawyer came to the station to report the loss of the check.

"Well," observed the chief, "that case really cleared itself up in a hurry."

## 2 Street Brawlers Forfeit \$10 Bonds

Patric Holm and Blodine and Robert Paul Wrenn were having what they described as "a friendly fist fight" late Friday night in front of the postoffice in Twin Falls.

City police didn't think it looked so friendly, so they placed the youths under arrest and then released them on \$10 bonds. These bonds were forfeited Saturday afternoon when the pair failed to appear on a charge of disturbing the peace.

## CAP Work Party To Improve Field

All members of the Twin Falls civil air patrol squadron were urged Saturday night by Commander George Taylor to report this morning as early as possible for a work party at the airport.

Purpose of the committee will be removal of asparagus and weeds to improve the parking area and improve efficiency and appearance of the airport in general, preparatory to the army air show, Sept. 16.

Taylor reported that Robert Ray had volunteered use of his five-ton tandem disc tractor for use in the clearing activities at the airport.

## Model Plane Club Will Be Revived Here

Revival of the Magic Valley Gas Bugs, pre-war club of model airplane enthusiasts, will be carried out at 8 p. m. Monday, Aug. 10, at the Idaho Power auditorium, sponsored by Frank Tidwell, announced last night.

The club was inactive during the summer months. The club will be elected at the Aug. 10 reorganization meeting and Tidwell will display gas-motored models at the session including one he termed "a honey," made for him by a Twin Falls man.

Tidwell said any model plane enthusiast in Magic Valley regardless of age, are welcome to join the Gas Bugs.

James announced preliminary plans for a probable model plane U-convention demonstration at the Twin county fair in Piler Sept. 11-14. The demonstration would be in conjunction with a model plane booth Tidwell will have at the fair.

## Bad Check Ends In 25-Day Term

The Twin Falls city police department is too efficient to suit Howard P. Cheney, 39, formerly of Cherryville, Kan., and now employed by a farm laborer around Twin Falls.

Saturday afternoon he cashed a \$10 worthless check in Twin Falls, but he told Justice J. O. Humphrey, county clerk, he was charged with the main trouble, he complained, was that the cops nabbed him before he had a chance to do any straightening.

About five weeks ago, as chairman of the Twin Falls county Republican central committee, I appointed a committee to meet with the Democratic chairman, Mr. Prank Laney, as to the proper procedure in getting the appointment made. He received the situation generally written opinion that the two county commissioners could appoint a third member to fill the temporary vacancy created by the illness of Mr. Potter.

"On Monday a Twin Falls paper carried a statement that that day the office would probably be declared vacant and that the governor would probably appoint Mr. Hans Andersen, the Democratic candidate, for the office.

"We do not feel that the Republican commissioners were politically unfair in the appointment of Mr. Young, the Republican candidate; nor do we feel that if the attorney general had ruled that the governor should fill the vacancy, it would have been unfair for a Democratic governor to appoint the Democratic candidate."

## Services Set for Hailey Woman, 99

HAILEY, Aug. 10.—Funeral services for Mrs. Cecilia Jane Thompson, 99, who died at her home here Friday, will be conducted at 2 p. m. Monday in Harris chapel by Bishop Harold Abglen of the LDS church here. Burial will be in Hailey cemetery.

Mrs. Thomas came to America from Brackenhall, South Wales, where she was born in 1847, and had lived in Hailey for 66 years. She left her parents home in New York state in 1871, struck out on her own and came to Hailey, where she was employed as a dressmaker's shop in Sacramento.

Ten years later she married H. O. Richardson in Sacramento and accompanied her mother husband to the Keystone land and silver mine in 1883.

Their only daughter, Mrs. Alice Moser, South Pasadena, Calif., survives her mother. Mrs. Thomas moved to Hailey in 1920, where she resided in Sacramento in 1922. She died at 11:40 p. m.

## Northview School Merges With Buhl

BUHL, Aug. 10.—By a unanimous vote of the board of trustees, the Northview school was merged with the Buhl independent No. 3 and Northview schools.

The consolidation of the two schools at schoolhouse polls in both districts, Friday, Aug. 10, was held.

Northview voters were 62 electors with a single thought—only voted.

## Fast Solution

Taylor reported that Robert Ray had volunteered use of his five-ton tandem disc tractor for use in the clearing activities at the airport.

## No Unfairness in Appointing D.R. Young, Says GOP Head

Selection of the Republican candidate as a member of the board of county commissioners was not unfair—nor would the governor's appointment of the Democratic candidate have been unfair if the vacancy had been filled in that manner—J. C. Musgrave, county GOP chairman, said last night.

"The only question of unfairness," said Musgrave, "arises from the fact that the Republican would not cooperate with the Republicans in the appointment of a candidate who was not on either ticket."

The chairman's statement came as a reply to assertions of unfairness made by Lee Leichter, Democratic county chairman.

Devoted R. Young, Republican candidate in the November election, was named acting commissioner by two GOP members of the board to fill out the term of Ben E. Potter, Republican, who died last week after County Attorney Everett M. Sweeney found a statutory provision authorizing the board to declare the vacancy and select the successor.

Previously it had been believed that the only method was to take recourse to a circuit court action with the governor appointing an interim commissioner if the court found a vacancy existed. If that method had been pursued the Democratic candidate, Arnold Williams, would probably have appointed Hans Andersen, Sturtevant, fill the vacancy.

## Proposal Refused

Musgrave revealed that a Republican committee conferred with Leichter and suggested recommendation to the governor that he select a man who was not a candidate for the office. He said the proposal was refused.

Said Musgrave: "In a statement recently given to the press, Mr. Leichter charged the Republicans of Twin Falls county with unfairness in their handling of the appointment of D. R. Young as Twin Falls county commissioner."

About five weeks ago, as chairman of the Twin Falls county Republican central committee, I appointed a committee to meet with the Democratic chairman, Mr. Prank Laney, as to the proper procedure in getting the appointment made. He received the situation generally written opinion that the two county commissioners could appoint a third member to fill the temporary vacancy created by the illness of Mr. Potter.

"On Monday a Twin Falls paper carried a statement that that day the office would probably be declared vacant and that the governor would probably appoint Mr. Hans Andersen, the Democratic candidate, for the office.

"We do not feel that the Republican commissioners were politically unfair in the appointment of Mr. Young, the Republican candidate; nor do we feel that if the attorney general had ruled that the governor should fill the vacancy, it would have been unfair for a Democratic governor to appoint the Democratic candidate."

## 12 Scouts Go In Wilderness

Twelve Magic Valley Boy Scouts left Saturday morning for the primitive area of the Sawtooth mountains beyond Ketchum on the annual wilderness pack trip. The boys will tour the wilderness area, climb Snowdome mountain and fish in Pettis lake and Toots lake.

Kendall Dayley, Boy Scoutmaster, leading the trip, accompanied by Robert W. DeBuhl, field executive.

Making the trip were Eugene Pickett, troop 67, Twin Falls; Page Randall, Elven Gene Mabson and Delbert Buckley, explorers, troop 2; Roper, Len Peterson, troop 19; Butler, Charles Hughes, troop 6; Gooding, Charles H. Penstemon, troop 49; Heyburn, Vernon Rayburn and Oren E. Arthur, Jr., troop 48; Paul, William Roy Ambrose, troop 5; Buhl, Robert Tipton, explorer, troop 101, Murtaugh.

## 2 Held in Jail Here After Drunk Counts

Two men arrested by Twin Falls city police Friday afternoon and evening for intoxication, were committed to the Twin Falls city jail Saturday following failure to pay fines invoked by Municipal Judge J. O. Humphrey.

They are George Turner, ordered to pay \$15 or serve 10 days, and W. C. Hutton, who received a 10 fine or six or two-thirds days in jail.

## 400-POUND CALF FOUND

A stray spotted calf, weight about 400 pounds, was reported yesterday evening on the property of Claude H. Delweller, Blue Lake boulevard north, he reported to Twin Falls city police. The animal will be held until claimed.

## Mary Y. Neumann Passes Here at 80

An 80-year-old native of Norway, Mrs. Mary Y. Neumann, 80, passed away last Saturday morning at her home in Twin Falls.

She came to Twin Falls in March, 1910, from Stanton, Neb., and was a member of the OES, the 70th Century club and the American War Mothers here.

Surviving are one daughter, Mrs. Albert E. Heller, Castleford; three sons, George Younger, Milwaukee; Charles J. Younger, New York City; and Gilbert O. Younger, Milwaukee; three sons, Ewald Neumann, Stanton; Paul Neumann, Buhl, and Oscar Neumann, Kellogg; one granddaughter, Mrs. August Ann, Harrison, Neb.; one brother, Ole Anderson, Twin Falls; and two sisters, Mrs. Olaf Halvorsen, Twin Falls, and Lena Hetsel, St. Joseph, Mo. Besides several nieces and nephews in Norway.

Funeral arrangements are to be announced by the White mortuary where the body rests. Burial will be in Twin Falls cemetery.

We want to thank our customers and prospective customers for your friendly patience while awaiting your new Chevrolet.

We know it is a hardship to wait for needed transportation, but we believe you will understand that we, and Chevrolet, are as eager to deliver cars as you are to obtain them. Unfortunately, production so far this year is far in excess of expectations. Chevrolet Motor Division sums up the situation thus:

"Even though our rate of production normally exceeds that of any other manufacturer, we have been able to build up to July 1, only 12.4 per cent as many cars as we have built up to that date in 1941. Production is still far below normal, because of frequent shortages of essential materials and parts. Severe strikes at the plants of our suppliers has seriously impeded our progress toward full production, and the cumulative effect severely hampers our manufacturing and assembly plant. In June we were able to build only 29.2 per cent as many cars as we produced in the same month in 1941."

While production is restricted, so—in proportion—are shipments of cars to us. As production increases, we are assured of getting our proportionate share of the cars—and as quickly as we are needed, we will speed deliveries to our customers.

ON OUR BUDGET PLAN

Now that the circus comes again, about the musical instrument used by circuses is pronounced call-Li-ope or call-OP?E?

Charles P. Larson, Twin Falls, who the 11 award for submitting the question chosen this week. Questions may be mailed, phoned or brought personally to the "Thumbnail Forum" before noon Saturday.

### THE PLACE

Among spectators and troupeurs at the circus grounds in Twin Falls.

### THE ANSWERS

"Capt. John Smith, horse trainer for the circus. 'Why, I'd call it call-Li-ope now, wouldn't you?'"

The captain comes from Louisville, Ky.

SMITH

Howard Bryant, circus clown from Wichita Falls, Tex. "I've always called for a call-Li-ope."

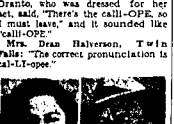

Maudie Moore, equestrian from St. Louis, Mo. "I think it should be called call-Li-ope."

MISS MOORE

Mrs. Billa Oranto, high perch performer, who came to America six years ago from Germany. "I do not speak American yet so well, and I just call it an opan, so I really do not know. There are sounds of music issued from the big top, Mrs. Oranto, who was dressed for her act, said, 'There's the call-Li-ope, so I must leave,' and it sounded like 'call-Li-ope'."

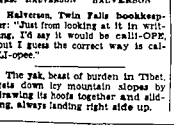

Mrs. Dean Halverson, Twin Falls. "The correct pronunciation is call-Li-ope."

MRS. HALVERSON

Halverson, Twin Falls bookkeeper, "I've been looking at it in writing, I'd say it would be call-Li-ope, but I guess the correct way is call-Li-ope."

The yak, head of burden in "The Yak Drive" for mountain climbing, drawing its loads through and sliding, always landing right side up.

## He Offers Drastic Suggestion On How to Get Sugar Supplies

Editor, Times-News:

Referring to my article in the Forum, I wish to say that I have information now that such a move will get us no sugar in time to do us any good in this present emergency. In the issue of June 27 of the Gooding Leader my appeal in behalf of the "Common People" to the President, Mr. Anderson, secretary of agriculture, Henry Wallace, secretary of commerce, and several of the leaders in the senate was published. I sent each of them a copy of that appeal and a personal letter to do something for us in the way of sugar for canning and domestic use.

Four of the senators have responded to that appeal and will do what they can. If and when the time comes, in one issue of the Times-News we had a statement from the sugar authorities in Washington that shows exactly what we are going to get. Relations will improve but no increase in amount. Our western beet sugar is going to get as good as possible to ease the sugar situation there, not here.

There is not a can of fruit on our store shelves, not a can of decent syrup of any kind and we are out of sugar. The canning season is on, our domestic allowance will continue about half pound per person per week. Our country has many very aged people who planned the diet on sugar and many bed-ridden. They are deprived of sugar to sweeten a glass of fruit juice or a cup of coffee or a bit for their morning cereal.

Now, to the point I am getting at. Since it is certain that we are to be left out by the government, some action must be taken for self-protection.

Mr. Truman was elected by the common people to serve us in every possible way for our comfort, welfare and happiness. Instead of being our SERVANT he has become our master to take from us that which is nearest and dearest to all of the American people. The people are the government and when the officers we have elected fail us, it is time to take the matter into our own hands.

Now I am suggesting that the people throughout the entire area of this western country start a sugar CITIZENS' ORGANIZATION and go to the nearest sugar warehouse. Presently take along your check book and an officer of the law to prevent any disorderly conduct. Don't go as a mob but as free men dealing a free man's rights. Have your spokesman state to the manager of the warehouse what you want and request him to open the doors, stating to him that you are going to pay the price of sugar and make the check payable to the sugar company.

Should he say no, then tell him plainly that where there is a will there is a way and that you possess both.

Take all the sugar you want for canning and domestic use, and a few for the fellow who has no car. Unless such action is taken we are going to be without our canned fruit, which is the most important and necessary of our food.

EVANS WOOD

(Wendell)

## Thief Here Steals 15 Bales of Hay

Thieves in this vicinity operate in a strictly unbroken manner. Twin Falls city police decided after

receiving a report of a theft Saturday.

The general procedure elsewhere is to take something that's small, but valuable and easy to conceal.

That's why they couldn't figure out why someone stole 15 bales of hay while it was in a railroad car on a siding in the local freight yards. The theft was reported by N. W. Arrington, who resides on Addison avenue east, and police are still looking for the hay.

## How Do They Get Extra Sugar for The Beetgrower?

Editor, Times-News:

I think Mrs. Howard W. Mills, Wendell, has come as near telling the truth about this sugar problem as anything that has been mentioned. She sure hit the nail on the head, to her question, "Where is our sugar?"

Adding to her opinion, if there is absolutely no sugar and such a shortage, how can they find the sugar or where does it come from to give to the beet grower? Just think of 25 pounds to each person in a family when anyone must do with five pounds to each person in a family.

What has always puzzled me is where do they get the sugar? For the argument has been all this time there is no extra sugar. Something is terribly wrong, but it will come to light when price of sugar rises as everything else has done.

Yours for more sugar.

## Move the Balanced Rock to Twin Falls, Says He Tartly

Editor, Times-News:

After reading I. T. C.'s idea that the county fair be taken from Piler to Twin Falls and citing his reasons therefor, I too think it should be moved to Twin Falls along with the Balanced rock, the Salmon river canyon and all other attractive fishing places not being overlooked. The new county commissioners had charge of the county hospital.

Such a move would force a lot more people to go to Twin Falls in order to attend the fair than would the strategic location of the same purpose.

Nor do I think these new attractions would be condemned as was the airport.

A count of noses in any Buhl day at the fair would set I. T. C. right on where the most people came from who attend. If the center of gravity of Twin Falls county was weighed in the balance, it would be found wanting. While I am in the mood I would suggest that the United Nations at the present war and its damage that was done so it would not be necessary to hold horse races and horse races on the latter day. Thus some of our church groups would not have to absent themselves from Sunday services to attend these Sunday rallies and races.

What a grand and glorious feeling to get that stuff off my chest. RAY BISHOP (Buhl)

## Life in MAGIC VALLEY

By INEZ PUCKETT McEWEN

In August, and along the lanes and highways of Idaho the sunflowers and goldenrod are once more in bloom. Their bright radiance lifts the heart.

So we walk up the lane clicking our scissors, and Franny chipmunk alongside, her small tongue going tickety-toe.

split. Franny is full of amazing philosophy and narration. This time she is telling us about "a man and a wife" in love.

"So the man says to the lady, 'My lady, will you marry me?' and 'My lady says, 'I sure will I ain't had no husband for a long time'."

Out on the road we cut an armful of blooms. The sunflowers are crowding like merry, bright-faced people waiting for a parade. The goldenrod stand modestly in the background. Franny scurries down to the cookie and snatches a few daisy petals to add to our bouquet.

In the old ranch kitchen we arrange all this brown-and-gold glory in a large pretty pitcher. We remember the refrigerator for a lush wedge of watermelon, and so she sits on the edge of the pump pit.

Franny's sedate sister, Beverly, comes down to join the feast. Her sleek little braids are anchored with red bows. We eat our melon on the blue plate and use a yellow handled fork, but Franny and "Bev" just hold the ruy slices to their sweet little faces and fall to.

We have deep respect for ranch children like Franny and "Bev." Sometimes, seeing how resourceful they are, we wonder how town kids can ever cope with such shrewd little customers. Ranch children are wise in the ways of earth and animals. The problems of the adults about them are their problems.

Children like Franny and "Bev" have been taught to do their share of the work of the family. They wash dishes and carry clothes to the line. They help drive in the cows. If they get a queer well from a monogamous blues they scratch nonchalantly. If they cut a finger they wash it no time in plenty and tears.

Those two little girls eating watermelon on the edge of the pump pit are so mischievous, the other six pumpkins in the basket, the other six pumpkins in the basket, the other six pumpkins in the basket.

And our ranch kids don't outgrow all this as they get older. Children, and our ranch kids don't outgrow all this as they get older.

Children, and our ranch kids don't outgrow all this as they get older. Children, and our ranch kids don't outgrow all this as they get older.

## There's Nothing to It (Practically)

Patron Roy Lindell doing his specialty (Photo by John Brownman-staff engraving)

## It's Easy, Says He, but You Get Dizzy Seeing Him Do It

"There's nothing to it," said Roy Lindell, as he wrote backwards with his left hand.

"Yeah, I know," said the Times-News staffer.

"It's just as easy as writing forward with your right hand," continued Roy, switching over the chalk to his right mitt and wheeling off a line or two.

"Yeah, I know," said the staffer, still skeptical.

"Just the name, there might be a few people who couldn't do it, so let's take a picture of you in action to show them," said the photographer.

"O.K.," observed Roy, who is a member of the city police department and who can write faster backwards with his left hand than he can with his right in the traditional manner.

After the picture was taken, Roy explained that he learned how to do it while in grade school, but never put it to much practical use till one time he became tired and wrote an examination paper completely backwards and on both sides of the paper, so the teacher couldn't even read it by holding it up to the light.

We presume that she graded it by looking at the writing in a mirror and that she too was probably tired.

The husky cop also took his left into action when writing postcards to friends. "This makes the cards very hard for the postman to read," P.S. Apologies to postmen. They're nice guys.

## Romania Reds Hold Workers Hired by U. S.

WASHINGTON, Aug. 10 (AP)—The United States has protested strongly to the communist dominated government of Romania against detention of Romanian citizens employed by the United States military and diplomatic missions at Bucharest.

Diplomatic officials who disclosed this today consider the arrests to be part of a Romanian government attempt to smash political opposition of a kind which British, and the United States accept as "democratic."

Started in May

The incident goes back to last May 23 and involves three persons. On that night Romanian government agents arrested Elvira Olescu, a clerk in the American political mission headed by Minister Burton Y. Berry.

Despite persistent efforts by Berry to obtain her release, Miss Olescu is still held incommunicado reportedly on a charge that she gave some sort of information to the United States.

Also held incommunicado is Teodor Manolache, an employee of the military mission headed by Brig-

adier Gen. C. V. R. Schuyler, American representative on the allied control commission.

Like Miss Olescu, Manolache is accused of membership in three secret terrorist organizations and espionage for a foreign power.

Fate Unknown

Another incident that might was the disappearance of Alexandru Stancu, another employee of the military mission. His fate is a mystery.

The Romanian government has announced that Miss Olescu and Manolache are accused of giving information to an officially unidentified foreign power, along with about 75 others.

Behind the scenes is known to be a drive by the Romanian government to break the power of such leaders as Constantine Brailanu and John Manole, regarded by Britain and the United States as Romanian patriots even though they oppose the Russian-backed present regime.

didn't fall on his face with laughter until he got outside.

(Just in case YOU don't know other Herfordshire ABE whitefaces)

And then there were those four tan cows we bought. We had the impression they were Jersey cows. Later we found they were Guernsey!

A gal just from the hard way in this business.

The said a certain Magic Valley citizen got mighty perved when a local paper made a mistake and ran his name under the whitefaces. He went raging to the editor.

"O.K.," said the editor blandly, "but to show how sorry we are, we will run your under birth next week and give you a new start."

BOUQUET OF THE WEEK:

To the Twin Falls Twentieth Century club, who recently asked us for a lecture dose. Of all the clubs we have addressed in our time, we feel this one would give us most pleasure. This is a matter of sentiment. The Twentieth Century was the first club we ever heard of in our Magic Valley childhood. The name always sounded dramatic and grand—until dose.

Probably the present members are the daughters of the members of that day, but they seem to be still carrying the beacon of culture and advancement in Magic Valley.

Long may you flourish, ladies, and we hope a satisfactory date for being with you will eventually come.

## Grasscutters Go Out of Business, Prefer to Swim

The Van Buren Grasscutters gang organized recently to aid Twin Falls men with sodding habits and/or lame backs, went out of business yesterday.

Faced with a dearth of lambs and plenty of swimming, the firm just couldn't keep its head above water. Donald Usher, president, explained. Also a contributing factor to the gang's demise was that the president and two other members—Max Usher and Bobby Hochhalter—got jobs as pin boys at the hotel.

Gen. C. V. R. Schuyler, American representative on the allied control commission.

Like Miss Olescu, Manolache is accused of membership in three secret terrorist organizations and espionage for a foreign power.

Fate Unknown

Another incident that might was the disappearance of Alexandru Stancu, another employee of the military mission. His fate is a mystery.

The Romanian government has announced that Miss Olescu and Manolache are accused of giving information to an officially unidentified foreign power, along with about 75 others.

Behind the scenes is known to be a drive by the Romanian government to break the power of such leaders as Constantine Brailanu and John Manole, regarded by Britain and the United States as Romanian patriots even though they oppose the Russian-backed present regime.

didn't fall on his face with laughter until he got outside.

(Just in case YOU don't know other Herfordshire ABE whitefaces)

## Leave for Conference

Representing the eastern district of the state, 46 members of the W.B.O.B. of the Methodist church will leave Monday to attend the Fellowship camp of that society at Camp Sawtooth, north of Ketchikan, Aug. 12-15.

Delegates will be present from Aberdeen, Filer, Kimberly, Twin Falls, Wendell, Burley, Buhl, Gooding, Rupert, Jerome, Idaho Falls and Pocatello, according to Mrs. Catherine Potter, Twin Falls, camp registrar.

Representing Twin Falls, Mrs. Potter, Mrs. Albert B. Parrett, Mrs. Harry Wilson and Mrs. George Roseberry plan to leave at 7 a.m. tomorrow by auto for the camp. Initial session of the four day meet will be at 1:30 p.m. Monday with Oline Curry from the Boise district in charge. A morning service will be held each morning at 7 a.m. and worship service at 7:30 p.m. From 9 to 10:30 a.m. a missionary education class will be conducted by Mrs. Edgar Ohta, Caldwell.

Mrs. Logan Pruitt, Boise, has charge of program planning for the district. Mrs. Roseberry, eastern district superintendent, stewardship; Mrs. E. Tyle LaGrange, camp conference president, organization; and Mrs. Potter, department of Christian relations and local church activities.

Evenings during the conference will feature at 7:30 p.m. devotional service and a campfire and inspirational program at 9 p.m.

Mrs. Brooks Moore, Idaho Falls, will serve as organist and Miss Curry, music director. Mrs. Parrett will act as camp nurse with Mrs. Roseberry in charge of tenting arrangements.

## On Northern Outing

A day's trip to Sun Valley and Eagle hot springs was enjoyed Friday by Mr. and Mrs. H. W. Carter, son of Mr. and Mrs. Gilbert Walker, Oline Ferry.

Mrs. Hargrove is a graduate of Oline Ferry high school with the class of this year. Her fiancé is a graduate of the local high school and is employed as cashier in Carter's store and hotel here. Her fiancé is a graduate of the local high school and is employed as cashier in Carter's store and hotel here.

The wedding is planned for Aug. 18.

## PAULINE HARGROVE

(Staff engraving)

\*\*\*\*\*

OLIVIA FERRY, Aug. 10-Mr. and Mrs. O. T. Hargrove announce the engagement of their daughter, Pauline, to Worth E. Walker, son of Mr. and Mrs. Gilbert Walker, Oline Ferry.

## Weddings, Engagements

Florence Morris, daughter of Mr. and Mrs. F. Morris, Jerome, and Earl C. Miller, Kimberly, were married at 4 p.m. Saturday, July 27, at the First Christian church in Twin Falls. The Rev. Mark C. Cronenberger officiated at the service.

The bride wore a gray and white striped suit with white accessories and a coronet of white buds.

Mrs. Hayes Brown, sister of the bridegroom, was matron of honor. Hayes Brown was best man.

Mrs. Hargrove, wife of Twin Falls and Peggy Chubb, Kimberly, attended the ceremony.

The bride attended Gooding and Wendell schools. The bridegroom attended Kimberly school. He served in the army four years and was stationed in France. He was discharged in January, 1946.

The couple plans to make their home in Twin Falls where the bridegroom is employed at the Schwartz garage.

BURLEY, Aug. 10-Mr. and Mrs. Loren W. Michals, Burley, announce the engagement of their daughter, Carolyn, to Allen W. Carter, son of Mr. and Mrs. W. Carter and the late A. W. Carter.

The marriage has been celebrated for fall.

SHOSHONE, Aug. 10-Wedding was exchanged by Ethel Mae McKelvie, daughter of Mr. and Mrs. Claude D. McKelvie, Shoshone, and O. H. Hahn, son of O. H. Hahn, North Shoshone, July 4, at Elko, Nev.

The couple was married at the Baptist parsonage with the Rev. Conrad Olson officiating.

The bride was in a pink shimmering dress. The couple was attended by Maxine and Earl Haight.

Mr. and Mrs. Hahn are living in North Shoshone. A shower was held recently at the home of the bridegroom in honor of the bride.

Calendar

The Unity club will meet at the home of Mrs. John Sommerer at 2:30 p.m. Wednesday, Aug. 14.

The first ward Relief society will meet at 2:30 p.m. Wednesday, Aug. 14. The meeting will be at the home of Mrs. John Sommerer.

The Twin Falls Garden club will have a picnic supper at the Frank Brown home on Kimberly road at 7 p.m. Tuesday, Aug. 13. Each family is requested to bring a picnic supper and table service. Coffee will be furnished.

Relief Society

A special all day quilting bee and picnic dinner will be featured at the third ward Relief society meeting at 10:30 a.m. Tuesday, Aug. 13. Members will meet at the home of Bishop N. W. Arrington. Arrangements for transportation can be made with president Orlinda Tolman by telephoning 871-W. All members are urged to attend.

## Varied Social

## Lucky Twelve Club

Mrs. W. W. Reed conducted the business meeting of the Lucky Twelve club which met at her home recently.

Members voted not to have a picnic this year. The white elephant was won by Mrs. J. O. Winkler. Mrs. Mary Hughes, McPherson, Kan., was a guest of the club.

Chinese checkers were played with prizes going to Mrs. Hughes and Mrs. Clyde Huffman. Mrs. Sam Cramore will be hostess at the next meeting on Sept. 19.

## Bridge Party

Mrs. Guilford Lovelace was hostess at a bridge party Friday evening at her home.

Guests were Mrs. Leonard Maus, Mrs. Keith Evans, Mrs. Robert Carman, Mrs. Jewell Ahlin, Mrs. Anderson, Mrs. Kenneth Rayborn and Mrs. Max Lloyd.

Mrs. Maus and Mrs. Evans won prizes.

JEROME, Aug. 10-Ninety friends and neighbors gathered at the home of Mr. and Mrs. T. J. Wilkes, recently for a basket dinner and social. Out-of-town guests included Mrs. Lila and Edward Carroll, Twin Falls; Orin Hill, Nampa, and the Rev. and Mrs. W. H. Burn, who just returned from Kansas.

JEROME, Aug. 10-The Lane Pine 4-H Forestry club members attended a meeting at the city park recently with Bill Peters to study rocks. Attending were Lorraine Adest, Mary Schenel, Bette Nelson, Mrs. Pringle, Alice Pringle and Frances Schenel. Carol Ostler was a guest. Following the meeting the group had a picnic.

# Air Scouters Active Group In Twin Falls

By BOB LEIGHT  
Twin Falls is becoming air-minded.  
City voters in June voted \$250,000 bond issue for a new airport. United Airlines and Empire Airlines both were given civil aeronautics board authority for stops here. And although the present old airport just its Empire Airlines use yesterday because of inadequate facilities, the airport commission hopes to amend that situation.

Meanwhile Twin Falls youth aren't taking a back seat with the development of aviation.

**Lively Squadron**  
The Twin Falls Jaycee-sponsored Air Scout squadron in line of the liveliest in the state although only six months old.

It boasts one of the youngest licensed pilots in Idaho and on Aug. 17, about 15 of its members will head for the summer Air Scout encampment at Fort Army Air Field, Great Falls, Mont., where army air corps pilots will conduct an instructional course for Pacific Northwest Scouts.

Kenneth Osing, 17, already has 20 hours in the air and received his private license last May 13. Three other members of the squadron, Mackey E. Brown, Frank Tidwell and John Craft, are taking flying lessons and are working on their private licenses. Brown, the squadron leader, needs only five more hours to qualify for his license.

Most 15 to 17  
Although Air Scouts can be of any age over 15-year-olds can join—most of the 25 Air Scout squadron members are 15 to 17 years old. The Jaycee-sponsored unit is the oldest active squadron in Emmet river area council, according to Herbert R. West, Scout executive. A squadron was organized earlier in Jerome but it was disbanded. Since then another squadron has been organized in the northside city.

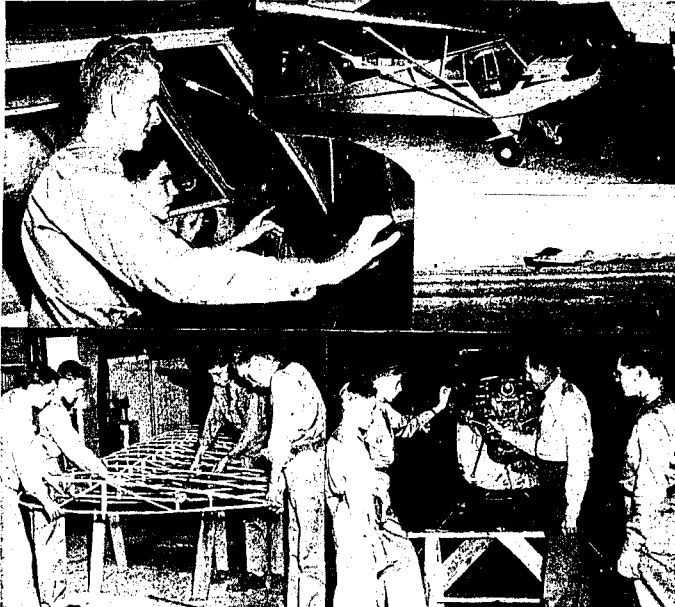

Since the squadron was organized last February, members have made between 12 and 15 model airplanes, with wingspans varying from two to 10 feet. The models have either motor or gasoline engines and the group has completed one jet-propelled plane.

**Real Classes**  
Classes have been conducted regularly in aerodynamics, meteorology, theory of flight, and other aviation courses. In addition the boys have gained quite a bit of practical experience at the airport.

At the Great Falls Air Scout encampment, the boys will get orientation flights in army bombers and other aircraft and will get an army training course in airplane mechanics, aerodynamics and other fields.

Air Scout training is being closely correlated with the army air corps and the army now maintains 20 officers at the regional Air Scout office in Portland, Ore., to handle all liaison work between the two organizations.

# Air Scouts Study Diversified Aviation Program

Organized only last February, the Jaycee-sponsored Air Scout squadron, headed by Mackey E. Brown, already has a world of aeronautical experience behind it and is planning another project next week-end—the summer Air Scout encampment at Great Falls, Mont., which begins Aug. 17. In the upper left picture, Kenneth Osing, 17, one of Idaho's youngest licensed pilots, points out control controls to Ed Boyd. In the upper right picture, Bob McMillan, assistant squadron pilot, is shown spinning the prop to start the engine on the little Piper cub plane. Osing, left, and Donald Smith, are at the controls of the little craft. In the right-center photo, Osing is shown just taking off with one of the other squadron members as a passenger. Osing flew all the other Scouts in a trip around Twin Falls as a reward for helping park cars at the show, July 4. In the lower left photo, McMillan, right, is pointing out one of the ribs of this turn down wing. Left to right are Ed Boyd, Robert Dreier and Ted Cheney. Squadron Leader Brown shows the Scouts something about the engine of this dismantled Piper cub. Looking on, left to right, are Melvin Miller, Ted Cheney, Robert Dreier. ## Gooding C. of C. To Boost Auction

GOODING, Aug. 10.—Gooding Chamber of Commerce directors this week outlined plans for promotion of sale at the Gooding Livestock Commission company sales ring. Dr. J. Wesley Miller presided and explained the advantages the local ring offers and the asset to the business of the community.

J. L. Berry, co-owner of the company, told of the success of the organization in date. Directors voted to invite several stockmen to the regular C. of C. meeting Aug. 20, and to sponsor a series of advertisements promoting the ring. At the same meeting George

## Lions President Is Honored at Wendell

WENDELL, Aug. 10.—Maurice Jamison, past president, was presented a gift at the weekly meeting of the Lions club. Committee chairman for the coming year were also appointed.

**SUNS BORN**  
OAKLEY, Aug. 10.—Sons were born to Mr. and Mrs. Winslow Whiteley and to Mr. and Mrs. Edna Mathews, both of Oakley.

# Nursing Home Raid Reveals Horror House

INDIANAPOLIS, Aug. 10 (AP)—Officers said today they found 61 derelict patients chained to their beds behind locked doors in a nursing home on Indianapolis' near north side.

Prosecutor Sherwood Blue, who led the raid, filed charges of assault and battery, malicious mayhem and keeping a nursing home without a license against Mrs. Margaret Givins, 50.

Blue said the officers found "a house of horrors."

He said some of the 29 patients were chained to their beds. Many of them were mental cases, he said, and some were recipients of old age assistance from the department of public welfare.

The prosecutor said he found a 24-year-old girl chained to what he called a "torture board" in her hands and legs were chained to a table and the chains were locked around her ankles and wrists.

"There were four other patients in the same room," Blue said, "and the door was locked from the outside."

The basement of the nursing home was filled with old papers and boxes, constituting a fire hazard, the prosecutor said.

## Quarter Million Jump

BURLEY, Aug. 10.—Lance B. H. Price, Cassia county assessor, announced today that the assessed valuation of Cassia county has increased nearly a quarter of a million dollars in the past year.

The total assessed value of the county in 1946 was \$5,950,510, or an increase of \$1,425,421 over the 1945 figure. No protests on assignments were filed at the annual meeting of the county board of equalization last month.

## ATTENDS FUNERAL

MURTAUGH, Aug. 10.—Mrs. George Fectur has returned by plane from New York City where she attended funeral services for her nephew, Albert Graft White in New York. Mrs. Graft visited her daughter, Lois, who will also return to Murtaugh soon.
