BOISE, Sept. 18 (AP)—The right of Gov. Arnold Williams to seek reelection and the right of State Auditor Ernest Hansen to hold his post were challenged in a suit filed today in Ada county district court. The suit was brought by Franklin Girard, former state forester and secretary of state, against Otto P. Peterson, Ada county auditor, Williams and Hansen, to test validity of a 1944 constitutional amendment which increased the term of elective state officials from two to four years. Girard brought the suit "personally and in behalf of others similarly situated."

Hotel Owners To Lock Out in Meat Fight

SALT LAKE CITY, Sept. 18 (AP)—Doors of hotel cafes operated by members of the Rocky Mountain Hotel association will be locked on Sept. 30 unless the OPA revokes a new meat price ceiling order. It was announced today. Members of the association, in convention in Salt Lake City, voted for the closing after the new OPA order, reneigading the June 30 ceiling price.

Hotel Bands Get Raise; Tieup Ends

NEW YORK, Sept. 18 (AP)—Striking members of the American Federation of Musicians will return to work in 41 New York hotels with a 30 per cent wage increase, ending a walkout that started 15 days ago. The strike was yesterday, granting hotel bandmen the same increase as that granted to musicians in the city's nightclubs. Provisions of the settlement provide time and a half for overtime, 15 minutes intermission every hour or extra pay if no intermissions are called, and extra pay for work on New Year's eve. The raise is effective when the musicians begin work and is not retroactive to the date the strike began.

Cowboys Sign up Star Boy Pitcher

SALT LAKE CITY, Sept. 18 (AP)—Manager Earl Boland of the Twin Falls Cowboys said today that James Propp, young right-handed pitcher from Kansas City, has been signed by the Cowboys and will report next spring. Propp pitched in the League all-star boys game at Chicago last month.

Squatters Start Evacuation of Swank London Homes, Hotels

LONDON, Sept. 18 (AP)—A van-guard of squatters today started to evacuate the apartments which they seized in swank London neighborhoods, demanding that quarters be evacuated which will be carried out Friday with brass bands and celebrations. The London trades union council, deputizing to the government today, demanding that quarters be found for the homeless. A statement issued by the "Duchess" said that the government makes it impossible for our elected leaders to stay here. "We came in together and have decided to go out together," said the statement. "Those who were ignorant of our plight now know... when we march out on Friday, we expect public authorities to show us that human consideration which should be shown to all the homeless and ill-housed. We ask that a rest center be put at the disposal of the great majority who have nowhere to go."

that security watches be returned to struck vessels. The NMMU had withdrawn the watches earlier in the day.

On the west coast, there also were no signs of conferences between the operators and the stevedores. The CGO stevedores and the union, and the independent marine firemen, oilers, wipers and water-tenders, which struck with the NMMU Friday at the end of the AFL stoppage to enforce demands for wage parity with AFL seamen.

The operators have insisted that men return to work before resuming negotiations.

But AFL maritime workers struggled back to work on ships in New York and other Atlantic and gulf ports yesterday after Curran ordered that picketing be restricted to CIO-contracted vessels.

He said in a statement in New York today, "The war, the CIO's assessment of the war, the CIO's effective" with "approximately 800 vessels demobilized in various ports throughout the nation."

Withdrawal of picketing from ships manned by the AFL Seafarers International Union, he added, "affects less than 300 ships" to the

UN Probe of Greek Border Will Be Asked

LAKE SUCCESS, N. Y., Sept. 18.—The United States has drafted a bill to ask the United Nations security council to name a fact-finding mission to the Greek border area, according to the terms of the United Nations security council. The bill was introduced today by the United States representative to the United Nations, Mr. Acheson. It is a non-binding resolution and not a formal motion, was due to go before the council when the delegates resume the debate on the Soviet Union's complaint against Greece and Great Britain.

It was understood that Delegate Henschel V. Johnson's plan would call for a small committee of the council to undertake the study here and report as soon as possible.

The committee also would be asked to study Ukraine charges that the Greek government was persecuting minorities, and to take such a situation might provoke border clashes.

The more would bring into the open direct opposition of the United States to Russia's formal motion that the United Nations should investigate the activities of the aggressive minorities in the Albanian frontier and the persecution of minorities.

SEEKS NO INVASION

ATHENS, Sept. 18 (AP)—A spokesman for the ministry of defense said today that reports and rumors that Greece was threatened by invasion were part of a "war of nerves."

Information compiled by the intelligence service of the high command, the spokesman said, has revealed nothing to indicate that Greece is facing imminent attack.

A qualified allied source had said last night that he had received information that an invasion "may be expected within two days."

The source of this information was not divulged.

American correspondents at Athens reported the Greek army along the border of the country was alert and fearful of an invasion. The correspondents said Greek commanders reported they were outnumbered and lacked equipment.

Judge Dismisses Auto Suit Case

HAILEY, Sept. 18.—The cases of Vada Pukerson and Betty Jean Jackson against Eddie E. Foster, Mr. and Mrs. Lloyd Smith and Lloyd Smith, Jr., a minor and School District No. 1, were struck from the court calendar Sept. 11 when Clerk of Court B. P. Thamm received order of the district court, Doran H. Surphen dismissing them.

The two suits grew out of an automobile accident which occurred April 6, 1945, when the Foster car driven by Lloyd Smith, Jr., overturned, injuring the two children.

They were on their way to Flair to attend a declamation contest.

The cases were dismissed on motion of the plaintiffs, with each to pay their own costs, after the insurance company had made a settlement.

Plaintiffs were represented by Marshall Chapman and Lawrence B. Quinn, Twin Falls, and the defendants by H. A. Baker, Rupert, J. J. McFadden, Hailey and J. P. Martin, Boise.

Vets Pass Claim Chance for Pay

Hundreds of Idaho veterans who are eligible for unemployment compensation or self-employed GI claims aren't drawing claims because they aren't acquainted with the programs offered, Larry Evans, Boise, informational representative for the unemployment compensation division, said here Wednesday.

"Idaho is administering this fund under the GI bill of rights better than any other western state, because the state is placing them in jobs rather than giving them the \$20 a week compensation," Evans said.

He pointed out that many returned servicemen who are self-employed are not drawing their self-employed claim when they are eligible. Self-employed vets who are earning less than \$100 a month are eligible to receive up to \$100 a month, he pointed out.

Evans said that about 1,700 men are drawing servicemen's readjustment allowances in Idaho.

Baptists Launch Mission Crusade At Sunday Rites

The Twin Falls Mission of the Baptist church will be officially launched at the local church at the Sunday morning service, according to the Rev. H. C. Rice, pastor. Featured in the observance will be the service of recognition and dedication for members who are serving as crusade leaders.

The Twin Falls church will join with the Northern Baptist convention in raising a postwar fund of \$100,000 to rebuild devastated mission hospitals, schools and churches in Asia and Europe.

A victory meeting will be held Sunday, Sept. 23, at which time it is expected that the local post will be subscribed, the Rev. Mr. Rice said.

A meeting has been called for 8 p.m. Friday at the bungalow for all persons participating in the drive. The Rev. Richard Furman, Portland, will be the speaker.

Cruade workers and leaders will take part in the recognition service include Mrs. H. L. Dodson, general chairman, Vernon Moore and Bernard Martyn, division leaders; Ray McKinnin, M. O. Kuykendall, A. H. Burkhardt, Roy Holloway, H. H. Balleger and Dillard Hogue, team captains.

Traffic Fines

A total of 21 more fine lines for overtime parking have been paid by motorists in Twin Falls city traffic court.

Those paying the fines for remaining too long in metered spaces included:

Claude H. Detweiler, Henry Cane, Ray W. Banbury, Bob Minjole, Helen McCain, H. H. Crow, Douglas Nicholson, Morris Roberts, Ralph Wilson, E. N. Grover, John Kelly, A. H. Burkhardt, Roy Holloway, H. H. Balleger, William Hill, C. Rousseau, Mrs. R. H. Modern, Leonard Schutte, J. H. Warren, Mrs. Frank Bower and J. R. Fenwick.

Sheep Men Plan For Tick Control

County Agent J. P. Smith said several Magic Valley sheep men are expected to attend a sheep tick control conference at the Meri Clark ranch about half way between Challis and Mackay.

The demonstration conducted by the University of Idaho entomology department under the direction of Dr. H. C. Mann, Magic Valley sheep men are invited to the demonstration, at which more than 8,000 sheep will be treated with two different solutions of DDT.

Ray O. Garner, Custer county agent, is in charge of arrangements for the demonstration.

Dietrich Gets Aid on New Water System

WASHINGTON, Sept. 18 (AP)—Maj. General Philip H. Dietrich, federal works administrator today announced Dietrich, Idaho, was advanced \$50 to finance the preparation of plans and specifications for a new water system, including well, storage and distribution facilities and fire protection, estimated to cost \$25,000.

Higher Prices Reported for Nation's Milk

WASHINGTON, Sept. 18 (AP)—The agriculture department last night reported milk prices a fairer price of a cent higher than when the decontrol board last ruled them "unreasonable."

The agriculture report, issued on the eve of a decontrol board session today to reconsider dairy products, found retail milk prices in 25 representative cities early this month just 24 cents a quart higher, on the average, than those of "unreasonable."

The decontrol board refused to renege price ceilings Aug. 20, on a finding that this rise was "not unreasonable." Chairman Ray L. Thompson remarked that "of that three cents, nearly two cents was necessary to take up the slack when subsidies were discontinued."

Unless the board, at meeting starting today, finds that the subsequent fraction of a cent increase makes the price "unreasonable," milk will continue free of controls at least temporarily.

The new OPA prohibits dairy controls unless prices are "unreasonable," no regardless of any other factors.

Milk production normally declines in the fall and winter, however, so cows yield less and pastures dry up. If this situation subsequently makes the price "unreasonable," the decontrol board may renege ceilings.

Navy to Recruit Men for Reserve

Lieut. Max M. McCoy, officer in charge of new recruiting in Idaho, will be here next Wednesday to accept enlistments for the inactive reserve, according to GM 110. W. Whitaker, Twin Falls recruiter.

Whitaker said that Magic Valley ex-naval personnel interested in joining the inactive reserve should be at the recruiting office before 1 p.m. next Wednesday. He said that the inactive reserve program covers both former officers and enlisted personnel.

Thief Takes Bills, But Scatters Coins

Twin Falls city police are investigating theft of \$97 in currency from the Shell Oil company, Inc., wholesale distributing firm, on Blue Lakes boulevard south, which occurred between 6 p.m. Tuesday and 8 a.m. Thursday.

Entry was gained by breaking a window, and the money was taken from a cash box, which ordinarily was locked up, but had inadvertently been left in the office. Dismissing some coins that were in the bag, the thief or thieves threw them on the floor. About \$35 in a cash box was untouched.

Gas on Stomach

Relieved as it is to escape your stomach, gas does not mean it is not doing its job. Gas is a normal by-product of the digestive process. It is the gas that keeps the food moving through the system. If you have gas, it means your system is working. If you don't have gas, it means your system is not working. So, if you have gas, don't worry. It's a good sign.

OPA Hikes Price On Furniture to Speed Production

WASHINGTON, Sept. 18 (AP)—Price increases up to four per cent at retail were authorized for lower-cost household furniture today as OPA raised manufacturers' ceilings in a bid to speed production.

Covered by the higher ceilings are such items as bedroom furniture, dining room, suiters, tables, chairs and beds for children, kitchen and occasional furniture.

The manufacturers' increase, effective Sept. 23, is five per cent. This brings to a total of 30 per cent the increase in manufacturers' ceilings "over prices" of March, 1946. Eighteen per cent of this has been passed on at retail.

Consumers will begin paying the higher prices as soon after Sept. 23 as new shipments of furniture arrive in retail stores.

OPA said the effect of today's action on the general level of furniture prices will be "negligible, because the (agency's) category of essential lower-cost furniture covers only a small fraction of the industry's output."

OPA also announced that retail prices of brooms and mops are going up about one per cent.

This will result, the agency explained, from a boost of about 35 per cent in producers' ceilings for brooms and mops, effective immediately.

Objectives Told To Lions at Meet

Objectives and activities for the fall and winter months were outlined by Richard Serpe, district deputy governor of the Lions club, at the luncheon meeting of the Twin Falls club Wednesday noon at the Park hotel.

Jerry Mullen was inducted to the club, Lion Merlin Vance, Salt Lake City, was a guest of Dr. O. W. Road.

A mock political talk, campaigning for justice of the peace, was presented by Deane S. Shipley, Graydon Smith, president, officiated at the business session.

Auto Exports Aren't Huge, Says Donart

HAILEY, Sept. 18 (AP)—An explanation of American exports of passenger cars and automotive equipment and the "Republican misrepresentation" of the situation was given here last night by George Donart, Democratic candidate for U. S. senate, at a Blaine county rally.

Donart said exports of passenger cars totaled only 4.6 per cent of the output and trucks 10 per cent contrary to Republican misrepresentations.

"He said the exports were being made by the manufacturers themselves without government control."

Hearing Waived in Murder of Boy, 3

NAMPA, Sept. 18 (AP)—Mrs. Philip Peterson, 32, waived preliminary hearing on arraignment today before Justice of the Peace H. E. Bradley on a charge of first degree murder of her three-year-old step-son whom she admitted "banging" on a bridge while ducking him in an irrigation ditch punishment for "wetting his pants."

Her 24-year-old husband was arraigned on a similar charge but his case was continued until Sept. 30, Prosecutor V. K. Jeppesen said he will file an information at a later date in district court at Caldwell charging Mrs. Peterson with the murder of the child—Philip Wayne Peterson. He died in a Nampa hospital last Friday.

Flow Over Falls Increases a Bit

For the first time since the spring run-off, Shoshone falls will have more than a trickle of water going over the large rock precipice.

Eight hundred second feet of water was released from Miller dam Wednesday morning and the water from the flow is expected to reach the falls sometime this evening, according to Idaho Power officials at the falls.

The flow is still not very much water for the falls, it was explained.

Interpreter Talks And Mexicans Pay

Three Mexicans, charged with being drunk and disorderly, pleaded guilty to the charge via an interpreter Wednesday morning before Municipal Judge J. O. Pumphrey.

The trio, listed as Ramon Galvan, Santos Alarado and Arcadio Ramirez, were picked up early Tuesday afternoon by city police in the 100 block of Shoshone north, following a disturbance.

Also appearing before Judge Pumphrey Wednesday was Wayne B. Walker, 20, who pleaded guilty to intoxication and who was fined \$10.

Burley Plant's Product Stays On Ration List

WASHINGTON, Sept. 18 (AP)—Agriculture department officials said the syrup produced by the Amalgamated Sugar company's experimental plant at Burley, Idaho, had been classified as "liquid sugar."

These officials asserted that as such, the product is subject to rationing. They added, however, that the department is studying the company's contention that the product is not properly classified as liquid sugar. There was no information on when a ruling would be made.

Archbishop Arrested

BELOGRADE, Sept. 18 (AP)—Premier Marshal Tito's government announced today the arrest of Archbishop Alojzije Stepinac on a charge of "crimes against the people" and made provision for trying him with 18 prisoners already before a court.

Stepinac heads the Roman Catholic church in Yugoslavia. The government said he was arrested in Zagreb.

Good Record

All of the 18 kidnappings which occurred in the United States during the fiscal year of 1945 were solved and resulted in 34 convictions.

Costly Roaches

NEW YORK, Sept. 18 (AP)—A city judge set a price ceiling of \$2 each on roaches found in restaurants today.

A health inspector testified he found 100 roaches in a restaurant and a magistrate said the owner should be punished at the rate of \$2 per roach, a total of \$200.

Supply Tieup Shuts 4 Large Auto Plants

DETROIT, Sept. 18 (AP)—Strike at a key supply plant sent the total of idle workers toward the 50,000 mark today and halted the output of two major automobile producers, Chrysler corporation suspended final operations on its Dodge, DeSoto and Plymouth assembly lines and sent 31,200 of its 70,000 employees home.

Packard Motor Car company also closed its final assembly line, leaving 17,100 workers.

An additional 16,200 parts employees in plants of the Briggs Manufacturing company were sent home or left their jobs.

Chief score spot was Briggs' drive plant where 1,200 employees struck Sept. 13 in a dispute over the discharge of a CIO United Auto Workers steward.

Claim Volume in Burley Dropped

The unemployment claim load at Burley has decreased by about 50 percent, A. E. Glah, district claims taker for the state unemployment compensation office, said Wednesday after taking claims at Burley.

There are 200 continued claims in the east end of Magic Valley now, a drop over the previous mark of 309, Glah said. He explained that some of the women who were unemployed when the potato dehydrating plants at Burley closed have now been rehired at two potato concerns.

Two new self-employed GI claimants and three new unemployment compensation claims were filed in Burley Tuesday.

Glenn and Mrs. Jessie R. Clark will go to three northside cities next Tuesday for claims. They will be in Jerome at 9 a.m., Wendell at 11 a.m. and Gooding at 1 p.m. to process claims. They will be at the United offices in Jerome and Gooding and at the library in Wendell.

Weddings, Engagements

HAZELTON, Sept. 18 — Beulah Budd, daughter of Mr. and Mrs. Floyd Budd, Hazelton, and Trina Kavan, Hazelton, were married at an afternoon ceremony Sunday at the home of the bride's parents. The Rev. Mark O. Cronenberg, pastor of the First Christian church, officiated. The altar was of summer flowers.

Following the ceremony a duet was sung by Helen and Mary Jane Kelly, accompanied by Mrs. Elva Olsen.

The bride was dressed in a powder blue afternoon dress and wore a corsage of pink roses. A graduate of Hazelton high school, the bride has been employed in Twin Falls. Kavan is a graduate of Hazelton high school, and the couple will live on his farm at Hazelton.

Those attending the wedding were Mr. and Mrs. J. O. Bernard, grandparents of the bride; Helen and Mary Jane Kelly and Mrs. Elva Olsen, Twin Falls; the Rev. and Mrs. Hendricks, Kimberly; Mr. and Mrs. R. C. Carter, Hazelton; Mr. and Mrs. Harry C. Bryan, Carey, Ore.; and Gary Bryan, Gooding; Mr. and Mrs. Byron W. Jones, Hazelton; Mr. A. Bradley and Betty Bradley, Boise; Mr. and Mrs. Frank Beer, John and George Beer, Coeur d'Alene; Mr. and Mrs. Claude Bernard, Woody and Bobb Bernard, Mr. and Mrs. E. W. Andrews, Mr. and Mrs. G. B. Pever, Mr. and Mrs. Dale E. Budd, Ronnie Budd, Mr. and Mrs. J. F. Budd, Jim and Beryl Budd, Hazelton.

At the home of Mr. and Mrs. E. O. Brown, Coeur d'Alene, the bride, Beulah Budd, formerly of Twin Falls, became the bride of Horace A. Smith, chief letter officer, Saturday evening, Aug. 31.

The bride is the daughter of Mr. and Mrs. J. O. Brown, Twin Falls. The Rev. R. J. Hunter, Coeur d'Alene, officiated at the service.

The couple chose for their wedding a light blue gray dress suit with navy blue accessories. Her bridal bouquet was of pink roses.

Mrs. E. O. Brown was bridesmaid and E. O. Brown was best man. The couple witnessed the ceremony at the home of the bride's parents. Smith had served the past 18 months in the navy. He has been stationed at Pearl Harbor for the past year and was recently transferred to Seattle. The couple plans to make their home here.

Buhl, Sept. 18 — Mr. and Mrs. Clayton Hook, Buhl, announce the marriage of their daughter, Mildred, to Laurence Stenburen, Boise, on Sept. 18.

The double ring ceremony was performed by the district judge J. A. Foster with the parents, the bride and Belva Blackman as witnesses.

The former Miss Hook graduated from the Buhl high school in 1940 and the Alton State Normal school in 1942. She is now teaching at the Shamrock school southeast of Twin Falls where she has been employed the past year.

Stenburen graduated from the Boise high school in 1938 and has served two years in the army. He is now in the United States army where they plan to make their home. The couple took a wedding trip to Pocatello.

BEES GAIN PLAYOFF EDGE WITH 5 TO 1 WIN OVER COWBOYS

Powell Limits Twin Falls to Two Hits; Kasparovich to Pitch

SALT LAKE CITY, Sept. 18 (AP)—Joe Orongo will send Len Kasparovich to the mound tonight in an effort to win another game in the playoff series in which left-handed Larry Powell made it two for the Bees and one for the Cowboys with his two-hit 5 to 1 defeat of the Twin Falls team last night.

Manager Earl Bohard said the Bees, who had a record of 10-10, will start the hurling chore for the Cowboys, but he probably will open with either Bob Wittig or Willie Greer on the mound.

Powell turned back the Cowboys last night without a single safety after the first inning. The former Boston Red Sox hurler walked seven but moved down 13 in the strike-out route.

Vance Carlson, Twin Falls right-hander, nursed a 1-0 lead along for five innings until the Bees, who had a record of 10-10, scored two runs in the sixth to tie the score in the sixth.

Powell turned back the Cowboys last night without a single safety after the first inning. The former Boston Red Sox hurler walked seven but moved down 13 in the strike-out route.

Powell, no threat usually at the plate, opened the seventh with a single, but he was out at first. He was then hit by a pitch from Kasparovich, who was then hit by a pitch from Kasparovich.

THE NED DAY WAY No. 5: Smooth Follow-Through Necessary

Ned Day's follow-through.

Written for NEA Service
By NED DAY
The body now begins to straighten up. A smooth release, full follow-through and perfect balance complete the ideal delivery and the ball is on its way to a strike.

Care should be exercised when the ball is laid down not to release it from the top. The hand is not to directly over the ball, but behind it a trifle to the right to cause it to turn over and roll forward.

After releasing the ball the right arm and hand continue smoothly upward and swing completely around in front of the body, ending up with the right hand almost at the left shoulder.

Refrain at all times from exerting your full strength in trying to force the ball to travel at great speed. It is not the strength, which the ball is thrown, but the smooth, skilful timing that makes for the best results.

NEXT: The hook ball.

Short Fight Predicted As Louis Picked to Win 23rd Title Defense

NEW YORK, Sept. 18 (AP)—Joe Louis puts his world heavyweight championship on the line for the 23rd time tonight in Yankee stadium against the challenger of tough Tami Mauriello, a somewhat round saloon-keeper from the Bronx, and Joe, himself, figures this will be a short night's work.

Promoter Mike Jacobs talked the bomber into taking this one, after Joe had about decided to play golf the rest of the year following his clamor to retire.

NEW YORK, Sept. 18 (AP)—We have an idea that Tami Mauriello will make his second, and final, mistake when he tries to carry the fight to a man not away from him once he has knocked him down.

If, by any chance, he should knock him down, he should knock him down.

Phillies Set Attempt to Beat Dodgers

PHILADELPHIA, Sept. 18 (AP)—Manager Ben Chapman said the Phillies "shoot the works" when his Phillies tangle with the Brooklyn Dodgers next week and—admittedly—he will be ironic if the Bluejays stop the Bums short of their pennant dream.

"You see, it was really the Dodgers who gave me the opportunity to be manager of the Phillies," Chapman cried. "They brought me up from the minor leagues as a pitcher, a move for which I'll always be grateful to Branch Rickey."

Chapman is particularly happy over the performance of Kenney Rafterberger, who blanked the Pittsburgh Pirates, 2-0, Monday.

Chapman said he'll use his three top pitchers against Brooklyn in the three-game series that starts next Monday at Ebbets field.

"I used Oscar Judd and our other top-notch pitchers against the Cardinals all year so I think it's only fair that I do the same against Brooklyn," he says.

World Groups Plan to Seek Steady Peace

By JOHN SCALF
WASHINGTON, Sept. 18 (AP)—Two multi-billion dollar international organizations aimed at providing a solid economic foundation for lasting peace may begin full-scale operation before the year is out.

After nearly four years of painstaking discussion and planning, the international bank for reconstruction and development and the international monetary fund are nearly ready to help the needy nations of the world.

Armed with more than \$15,000,000,000 in resources, these twin institutions hope to inaugurate a new era in relations among countries by extending the principle of joint international cooperation into the economic field.

Meet Sept. 27
The 39 member governments who are backing their faith in these two experiments with cash contributions will send representatives to Washington Sept. 27 to write the last rules and regulations. About 90 days afterward, both organizations hope to open for business.

The international bank and fund represent a collective effort to profit from the mistakes that led to two world wars. They are based on the belief that wars almost always spring from economic causes.

Their architects reasoned that to avoid the periodic cloth of armies on the battlefield, the nations of the world first must act together to eliminate the reasons for economic warfare.

Kennedy Proposed
Stripper of technical language, the remedy they propose is to increase orderly trade among all nations under the watchful eyes of international organizations entrusted with making sure that all abide by agreed rules.

How do the international bank and fund fit into the picture?

Specifically, by the use of their resources, they will seek to:

1. Maintain the currencies of each country on stabilized levels, thus creating increased trade possibilities by giving the people of each country confidence in their own money and in that of other countries.

2. Lend money of any kind on a short-term basis to member nations lacking funds to pay for purchases from other countries, because of unexpected economic setbacks. This will make it possible for such countries to continue buying imports many of which are needed before they can manufacture articles for export.

3. Foster reconstruction and development in countries, especially those devastated by war, by granting long-term loans at low interest rates. This aid will make it possible to rebuild industries and even to construct new ones which can provide goods for the inhabitants and some for export.

The degree of success achieved will not be apparent for many years because the problem is a long-range one. Another international organization, still in the planning stage, first must come into being.

This newcomer is the International trade organization, sponsored by the United States, which its advocates hope will be established late in 1947.

Legion, VFW Plan Rifle Clubs Here

Two veterans' organizations in Twin Falls—the American Legion and the Veterans of Foreign Wars—are planning gun clubs. Joe L. Roberts, of the Twin Falls Rifle and Pistol club, declared Tuesday. The first-mentioned group intends to organize a rifle and pistol club which will compete in local and national team matches and be affiliated with the National Rifle association.

Paul Dauten is now organizing a 10-man rifle club for the VFW, which will also be associated with the NRA.

Doctors, VA Set up Plans For Disabled

A program to furnish Idaho veterans having service-connected disabilities with complete medical care from physicians of their own choice throughout the state, was announced today by Dr. George C. Halley of Twin Falls, president of the Idaho State Medical association.

The contract for such a statewide program was recently approved by officials of the state medical association and representatives of the veterans administration to Boise.

A resolution calling for such cooperation between the veterans administration and the medical association was unanimously approved at the annual meeting of the association," Dr. Halley declared, "and all members of our organization are anxious to do their share in providing the veteran with a service-connected disability adequate medical care."

The Veterans Choice
The association has supplied the veterans administration with a list of physicians practicing in the state and outlining the specialty in which the physician practices, or if he is a general practitioner.

The state of the physicians will be available at offices of the veterans administration throughout the state," Dr. Halley said.

"When authorizing examination or treatment, the veterans administration will furnish the veteran proof of such authorization and a list of fee-designated physicians in the county or district in which the veteran is located in order that he may select his own physician for the services authorized."

"We Check Adequacy
The veterans administration will review reports of examinations and services to determine their adequacy."

quacy. No fees will be paid by the VA for reports which are not acceptable nor for services rendered in unauthorized cases," Dr. Halley declared.

"The state medical association will establish one or more boards of review composed of physicians, whose duty will be to review reports which are deemed to be inadequate or which do not meet requirements of the veterans administration, and to recommend, at its discretion, the disqualification of any physician from further work with the VA if his services are found to be incomplete or unsatisfactory."

A schedule of medical and surgical fees to be paid to physicians covering 303 procedures ranging from minor examinations and treatment to major surgical operations.
