Vote Test Results in Red Loss

BERLIN, Oct. 21 (AP)—Virtually complete test today showed that the citizens of Berlin sharply rebuffed the Russian-backed communist party in elections for city and borough councils.

The social democratic party won 45.7 per cent of the tabulated votes, and the communist party, which had been campaigning with approximately 22 per cent.

Red Run Third

The social democratic party, which was formed in the Russian zone by merging the communist and social democratic parties, ran third with 22.5 per cent.

The balance was in all four of Berlin's occupation zones for parties and not for individuals. Candidates for city and borough councils will be selected on a proportional basis. The new council will replace the city government established last year for the Russians when the red zone was the only military force present.

Fourth in the voting was the liberal-conservative party with 8.9 per cent of the vote.

Winners Surprised

Social democratic leaders said they were surprised at the extent of their victory and that they had expected to win only 40 per cent.

The red zone, which stands for socialization of industries, the social democratic party, which is a merger of the communist and social democratic parties, won 45.7 per cent of the vote.

Even in Berlin's Russian zone, the social democratic party, which is a merger of the communist and social democratic parties, won 45.7 per cent of the vote.

Army Reveals Reds' Plan to Control Korea

SEOUL, Korea, Oct. 21 (AP)—Reds' American army officials today said they had captured a document which revealed the communist plan to infiltrate the South Korean zone.

The document, which was captured by the 38th Army, revealed that the Reds planned to infiltrate the South Korean zone by using the sea route.

The document, which was captured by the 38th Army, revealed that the Reds planned to infiltrate the South Korean zone by using the sea route.

Course Planned

According to the plan, Korean communists planned to take three routes to infiltrate the South Korean zone.

The first route was to infiltrate the South Korean zone by using the sea route.

The second route was to infiltrate the South Korean zone by using the land route.

The third route was to infiltrate the South Korean zone by using the air route.

Lewis After New Miners' Contract

WASHINGTON, Oct. 21 (AP)—John L. Lewis today requested a conference with Secretary of Interior J. A. Brown today, to request the federal government to help him in negotiating a new contract with the government.

The new contract, which was requested by Lewis, would provide for a 10 per cent increase in wages and a 10 per cent increase in benefits.

There was no immediate hint of the trend of the conference, which began almost immediately after the communist leader, Chou En-lai, arrived by plane from Shanghai. U. S. Ambassador G. Leighton Stuart attended.

Other conferees were the original delegates to last January's political consultation conference, which set up a paper peace—since shot full of holes by both sides. Each blames the other.

Power Strike At Pittsburgh Comes to End

PITTSBURGH, Oct. 21 (AP)—Industrial life in the Pittsburgh metropolitan area swung back toward normal today upon the end of a 27-day power strike.

The current was voluntarily rationed during the strike.

Hundreds of industrial plants resumed work today, and the city's power supply was restored.

Power Ration Ends

For the first time in nearly four weeks, the Duquesne Light company announced that it had ended the all the electricity they wanted.

The current was voluntarily rationed during the strike.

Hundreds of industrial plants resumed work today, and the city's power supply was restored.

Strike Closes

The Sun-Telegraph estimated the cost of the strike at least \$100,000,000 in business and wages.

The power strike ended when the union agreed to a 20 per cent wage increase and other issues to arbitration.

Last Try Slated to End War

NANKING, Oct. 21 (AP)—Chinese communist and government negotiators met today for what some observers called a last-chance peace conference.

Generalissimo Chiang Kai-shek himself called the meeting to order, while fresh fighting raged in the north and one red spokesman said cessation of communist attacks from China "hangs by a hair."

Within an hour, however, Chiang departed, accompanied by Madame Chiang on a four-day inspection tour of Formosa, the official Central Daily News reported.

No hint of a truce.

Slaves Labor Charge Rapped by Yugoslav

BEIGRADE, Oct. 21 (AP)—U. S. Ambassador Richard C. Patterson and a Yugoslav foreign office spokesman were in complete disagreement today as to the existence of slave labor in Yugoslavia.

The Yugoslav spokesman condemned as "untrue, invented and malicious falsehood" the state department charges that American citizens are being used as slave labor in Yugoslavia.

Murtaugh Boy Hurt in Auto Upset Sunday

Marvin Wells, 18, was most seriously injured of four injured young people taken to the Twin Falls county general hospital following one of two automobile accidents reported to the sheriff's office over the weekend.

The youth sustained a fractured jaw and fractured shoulder when the car in which he was riding left the highway at 1 p. m. Sunday while approaching a steel bridge three-fourths of a mile east of Murtaugh and struck a large tree after traveling 40 yards along a fill at the side of the road. Also in the vehicle, a 1941 sedan, were his sister, Lucille Wells, 13, Norman Halbert, 16 and Lynda Lou Halbert, 9. All were taken to the hospital by Clyde Perkins, rancher residing nearby.

All were dismissed from the hospital following treatment for minor injuries, except Marvin Wells, whose condition is reported as "very good" by the attending physician. He said Lucille Wells are children of George Wells; while the other two are children of Mrs. Cora Halbert, Murtaugh.

Front of the machine was badly damaged when it struck the tree. Cause of the accident could not be immediately determined by sheriff's deputies.

Report of another accident was received at 7:25 p. m. Saturday involving cars driven by Grant C. Zittum, 21, Main avenue east, and L. C. Cain, Jerome. This accident, which damaged both cars occurred just north of the Jensen bridge, and the drivers told officers that it happened while they were attempting to pull around a truck that had been parked near the side of the highway without lights. No one was injured in the accident, they reported.

No injuries.

At 9:30 a. m. Monday, Twin Falls city police investigated an accident in the 100 block of Second avenue north which caused property damage, but no injuries. This occurred when a 1939 coach driven by Vera E. Middleton, one, Twin Falls, started to back from the curb and was struck by a 1937 coupe operated by David E. Eddy, 144 Monroe street, Twin Falls.

Penders on the right side of the Eddy car were damaged, while the left rear fender of the Middleton machine.

Big Families Hit Decline, Census Says

WASHINGTON, Oct. 21 (AP)—The average American family shrank to its smallest size in history during the war, and, though returning servicemen are adding to its stature, it probably will never be the same, the census bureau reports.

Between 1940 and 1945, the size dropped from an average of 3.73 to 3.4 members. The bureau expects it to level off to about 2.8 by July, 1947, and graduate downward to 2.1 by 1960.

The abrupt decline, in spite of high wartime birth rates, occurred largely because the number of men taken into the armed forces was greater than the natural increase, the bureau said.

In survey on what happened to the American family between 1940 and 1945, the bureau also found that the number of farm families was almost 10 percent less. It was the greatest drop recorded. The bureau attributed it to the call of the draft and higher pay in war industries.

Although many families were broken up during the war, and others doubled up, war marriages raised the total almost 2,500,000 in 1945. The percentage of families and the off-the-farm movement crowded cities with more than 2,000 additional families.

At the same time, close to 2,000,000 more women took over as heads of families. The percentage of families in which the men went off to war. That brought the total to 10,000,000, over 20 percent of the total.

But, the bureau reassured, by the number of families (and families) has undoubtedly declined and the number of male heads of families has increased.

The two-person family remained the most popular form, spreading from around 25 to 29 percent of all families. The percentage of small families—one to four members—increased about 15 percent of families headed by women, decreased about 17 percent.

The bureau found that nearly 1,000,000 more families were headed by persons 65 years of age and over, bringing a 1945 total of 5,760,000. These increases, the bureau said, "reflect in part the improved employment opportunities of older persons, and in part the average length of life as a result of improved health facilities."

Many Report At Hunt Areas

HAILEY, Oct. 21—Between 35 and 40 deer were killed Sunday the opening day of the Warm Springs special hunt. T. J. Mixer, conservation officer, estimated that by 6 p. m. yesterday 25 hunters had checked out, and more were on the creek overnight. Mixer said that about their deer were camped on the creek overnight. Mixer said that about their deer were camped on the creek overnight.

Of the 150 permits issued, 100 hunters had checked in Sunday. At Fairfield, the conservation officer said that cars three and four were lined up from Fairfield to Soldier creek, a distance of about a mile and a half. He estimated at 1,000 people the number of hunters waiting for entrance.

Excellent hunting was reported in the Soldier mountain hunt. Mixer stated since snow fell Sunday, covering the ground down to the Big Swampy station where Albert Dickson is game warden.

When Mixer left Fairfield Sunday night cars were still waiting to be checked into the open hunt.

Sermons Via Phone Given By Preacher

ST. PAUL, Minn., Oct. 21 (AP)—Preaching the gospel from an easy chair occupies the Rev. Halley M. Racer these days.

It may have started as a joke. But Racer, who used to be a missionary in the Tennessee mountains and pastor of University Congregational church in this city, believes it was "God's will" that started him giving short sermons over the telephone.

Every day he gets about 100 calls from persons who've been told to telephone Dale 3031. If they don't hang up after the retired minister says he left no call, he gives them a message from the Bible.

Should the caller hang on longer, Racer reads other biblical passages and then urges his listener to read the Bible.

"Most persons will listen—even an atheist," Racer says. "Only a

Idle Ordinance Plant Draws Toxic Gasses

SANDUSKY, O., Oct. 21 (AP)—The \$300,000 Idle Ordinance plant, which works here, for which practically no peace-time use exists, will have to be "decontaminated" before it can be used, even as a tank.

The war area administration after inspection says that tanks, which have been used to make gas, and other areas and materials may have become dangerously contaminated with highly toxic chemicals which could cause dermatitis or burns.

Russian Declares U. S. Must Fight Against Reaction

LOSDOE, Oct. 21 (AP)—The Moscow radio said today that the U. S. election campaign was a struggle between "reaction" and the "progressive forces of the country," the vanguard of which it placed the CIO political action committee.

"It is not accidental that the CIO political action committee supports progressive candidates in the elections, whatever their party affiliation, and opposes reactionary candidates, Republican or Democratic," the commentator A. Ostropov said.

He added that there was a grain of "bitter truth" in the belief of those who thought that the "reactionary politics" since Roosevelt's death.

Ostropov said Republican domination of congress would be a "national disaster," but he could not but agree with the contention that a two party system was now "largely fiction."

Origin of 1837 Coin's Motto Raises Big Controversy Here

A feature story printed in the Times-News about a copper token carried by Jap Greene, Twin Falls pharmacist, has started a regular controversy about the origin of the motto.

The object of all the action is a copper token, about the size of a half-a-dollar, on which the date 1837 appears beneath a woman's head. On the reverse, the motto is the legend, "Millions for defense but not one cent for tribute." The origin of which has been the subject of much controversy.

One reader wrote in to tell us that the legend or saying was thought up by Stephen Decatur, so we had sent him to the library and read up on the subject.

It says, the reference, that is, that Decatur coined at least one famous expression, "Our country, in her intercourse with foreign countries, may she always be in the right; but our country, right or wrong."

Decatur said it.

According to the Dictionary of American Biography (we're quoting references, in case anyone wants to read 'em) Decatur said that at a victory banquet held in Norfolk, Va., following the close of the war with Algeria in 1815, HUTT nowhere is there any mention of the saying under discussion.

It is possible that he did say it, at another time. History, though nebulous as to who coined the saying, does say that it was used in later years as a rallying cry.

Huber Rees, Twin Falls, called us to say that he thought Puckney said it. Charles Coworth, that is at the time of the XYZ affair. This agrees with the majority of references which refer to the XYZ affair as the incident which led to the creation of the saying.

A History Lesson

What's that? You don't remember the XYZ Affair? Well, Puckney had attempted to get an audience with the French directory and had been informed by Talleyrand or Hotellier, according to the American Dictionary of Biography, that a gift of 50,000 pounds would gain an audience. That was the XYZ affair.

Diamond Seekers to Move African River

JOHANNESBURG, Oct. 21 (AP)—While south African villages near Kimberley dig holes in their gardens searching for diamonds, a syndicate is planning to move a river in the same quest for precious stones.

The syndicate, one of many recently formed, has obtained rights to defect a 2,500-foot stretch of the Vaal river tributary, the Cango. Engineers believe the river bed may contain rich diamond deposits.

Turks Deny Red Bid for Straits

INSTANTUL, Oct. 21 (AP)—Turkey has served notice again that she will not grant Russia a loan in defense of the Dardanelles and in effect has refused even to talk with the Soviet Union on the subject.

The Ankara government's last night published its second note within two months rejecting Soviet demands that Black Sea nations alone control the strategic strait, that Russia and Turkey join in the Dardanelles defense.

The note voiced Turkey's willingness to take part in a many-nation conference for revision of the 1920 Montreux convention governing the strait—a move the United States, Britain and Russia agreed upon at Potsdam.

Regulations Announced for Abbreviated Duck Hunting Season; to Open Saturday

BOISE, Oct. 21 (AP)—Regulations governing the 1946 waterfowl season starting Saturday in Idaho were outlined today by Robert S. Bach, U. S. game management agent with the fish and wildlife service.

The abbreviated federal season, island to another, and it is also lawful to hunt from a boat with a detached outboard motor. Waterfowl may not be shot at or killed from a motorboat or from an outboard motorboat.

"Duck stamps are required of hunters 16 years of age or over. Persons 12 to 15 may take migratory waterfowl without a duck stamp but they must have an Idaho hunting license. There is no open season on snipes, swans, snow or shorebirds in Idaho.

Demos, GOP Chiefs Talk Here Oct. 31

(From Page One)

afternoon of Oct. 31 in Murghugh, Hansen and Kimbrey announced that John Sanborn, Hagerman, Republican candidate for congress, would be in Twin Falls Oct. 31.

Leichter said that State Democratic Chairman Dan J. Cavanaugh, Twin Falls, Idaho, would be in Democratic victory at the polls Nov. 5.

"The people have had enough of former Gov. C. B. Hoffman and they don't want a repeat administration by his henchman Dr. C. A. Robins, the man who led the fight in the state senate for repeal of the senior citizens grants act and fought all progressive state legislation," Cavanaugh declared. "Neither do they like a ticket where the main campaign for lieutenant governor under Dr. Robins—Don Whitehead—has been an out and out salesman for a Portland, Oregon firm."

2 Divorce Suits, One Decree Filed

One divorce decree and two suits for divorce were filed in district court Monday.

Betty Jane Tipton was granted a divorce from W. W. Tipton Oct. 21 according to a decree signed at Burley by District Judge T. Bailey Lee.

The charge was desertion. Judge Lee restored the plaintiff's former name of Betty Jane Tipton.

She received her award of the couple's 1938 Lincoln Zephyr and coat of the action.

LaVon Woods filed suit for divorce from Mark F. Woods, charging desertion. The couple was married Oct. 2, 1924, in Twin Falls, and the petition stated that they have two grown children. O. D. Duff is attorney for the petitioner.

In the second suit filed Monday, May Guffey asked for a divorce from Clyde Guffey. They were married June 10, 1941, in Twin Falls. "Bodily and mental cruelty" is stated as the cause of action.

Mrs. Guffey asks restoration of her former name, May Jank, and confirmation and approval by the court of a property agreement made between the couple, July 31, 1935.

The petition states that the defendant executed a quitclaim deed to the plaintiff on one lot on Second avenue, two lots on Main avenue, part of a lot in each of the Moorman's first and the Vestman addition. Acreage immediately west of Twin Falls also included.

Decree of Final Account Signed

Decree of final accounting by the executor, Carl W. Samuel, and distributing the estate of W. S. Samuel among children and step-children of W. S. Samuel has been signed by Probate Judge S. T. Hamilton.

Receiving \$1,250.65 each are three children: Carl W. and Glen B. Samuel and Charlotte J. Hobbell; while \$753.65 goes to each of the following step-children: Harold E. Pinnau, Glen A. and Dale A. Gilmore, Ethel M. Samuels and Geneva M. Blue. Attorney is J. W. Taylor, Burley.

Traffic Fines

One motorist has posted bond to appear on charges of speeding and failure to have a driver's license, another has paid a \$2 fine for improper parking, and 11 others have paid \$1 overtime parking fines.

Donald A. Owens posted the \$22 bond after he was cited to appear on the speeding and driver's license charge, while Frank Greene paid the \$2 fine.

Those paying \$1 fines were: Frank L. Stephens, H. T. Mortimer, Elizabeth Meyer, Fern Rose, F. N. Noble, A. Kall, Mrs. C. P. Wagner, Mrs. Dean Myers, Sherman Williams, Wendell Pleiback and Leah Roy.

Naval Reserve in Valley Is Planned

Naval reserve officers in Magic Valley will meet at 7:30 p. m. Oct. 30 to discuss the formation of a naval reserve unit in Twin Falls. The committee announced Monday.

Cattle pointed out that it is too far for Magic Valley naval reserve officers to go to Boise to attend drills and meetings and that establishment of a unit here would mean that more former navy officers would be able to be active in the program.

He also mentioned the possibility of using the establishment of a naval reserve aviation base in this area to permit former naval aviators to continue with their flight training.

County 1945 Farm Income 23 Million

More than doubling their annual gross income in comparison with 1940, as reported by the U. S. bureau of census, Twin Falls county farm families last year produced crops and livestock with the record value of more than \$23,500,000.

This huge increase in farm revenue has already created heavy demands for general farm improvements and for home remodeling.

Since 1940 the number of farm homes reporting electric lights has increased from 2,305 to 2,601 in this county.

Farmers in the county today have 800 more tractors than in 1940, according to the bureau of census, and the number of trucks on farms has likewise increased substantially.

102 Discharged From Area Soon

Recent army orders directing the release of all 1945 army draftees by Jan. 1 will bring the discharge of 102 soldiers inducted through Twin Falls selective service board No. 1.

Joe L. Roberts, clerk, said that 102 of the men inducted in 1945 still remained in the service.

Roberts pointed out that the figure might be somewhat smaller because of discharges of which he had not yet received notification.

The army previously had announced that no further inductions would be made this year. Eight men slated for pre-induction physicals Oct. 21 and another eight who were to be inducted Oct. 22 had their examinations postponed.

OPA's Effort On Car Price Termined Good

WASHINGTON, Oct. 21 (AP)—OPA's efforts to hold the line on motor prices appear fairly good, a top official said today, as the government's decontrol speedup seemed likely to sweep ceilings off bread and butter.

Breakfast cereals as well as all bakery products would be affected by the bread and flour decision, which an agriculture department spokesman described as imminent.

Prices up 22 Per Cent
On the automobile front, where four industry-wide increases in the last year have boosted ceilings roughly 22 per cent above 1942 prices, the OPA official told a reporter.

"Most of the major manufacturers agree with us that automobile prices have gone about as high as their willingness as they should."

The official declined to comment specifically, however, on a pending General Motors request for an additional price boost similar to that granted the Ford Motor company some weeks ago under terms of a hardship provision of the new OPA act.

The Ford increase amounted to

Minor Accident

Twin Falls city police investigated a minor traffic accident at 10:40 Sunday on Kimberly road, involving cars driven by Clyde H. McDougough, 550 Main avenue west, and Howard E. Nafziger, Nampa. Left fender of the McDougough car was damaged, and the tire was blown out. Left rear fender of the other machine was damaged.

Silver Cloud Cake

Light and high as a cloud in the sky. Made by the new Martha Meade Time Saving Method. No creaming of sugar and shortening—no separate beating of eggs. Takes only one bowl for all the mixing.

* Sift flour before measuring. Use level measurements for all ingredients.

Have all ingredients at room temperature (about 70°). Preheat oven to baking temperature, 350°, a moderate oven. Grease and flour two 8-inch round layer cake pans, 1 1/4 inches deep. Sift together into a mixing bowl:

2 cups sifted Sperry Drifted Snow "Home-Perfected" Enriched Flour
1 1/2 cups granulated sugar*
1 teaspoon salt
3 1/2 teaspoons double-action baking powder

Add—
1/2 cup high grade vegetable shortening
1 cup milk
1 1/2 teaspoons vanilla extract

Beat 2 minutes by electric mixer on medium speed, or beat vigorously with a spoon, approximately 150 strokes per minute. Scrape sides and bottom of bowl frequently. Then add:

1/2-3/4 cup egg whites, unbeaten (4 large)

Beat 2 minutes more, scraping bowl frequently. (Although the total mixing time is 4 minutes, when beating by hand you may rest as often as necessary, but be sure total beating time remains 4 minutes.) Pour batter into prepared pans and bake 30-35 minutes in preheated oven. Remove from oven and let layers stand in pans for a moment before turning onto wire racks to cool. Frost cooled layers with any desired icing, 12 servings.

* Super Saving Tip: Use 1/2 cup granulated sugar and 1/2 cup white corn syrup in place of the 1 1/2 cups granulated sugar. Reduce milk to 1/2 cup plus 1 tablespoon.

Pour batter into prepared pans and bake 30-35 minutes in preheated oven. Remove from oven and let layers stand in pans for a moment before turning onto wire racks to cool. Frost cooled layers with any desired icing, 12 servings.

* Super Saving Tip: Use 1/2 cup granulated sugar and 1/2 cup white corn syrup in place of the 1 1/2 cups granulated sugar. Reduce milk to 1/2 cup plus 1 tablespoon.

Jerome Police Chief To Get 2-Way Radio

JEROME, Oct. 21.—Authorization to purchase and install a two way short wave radio for Police Chief Bill Grove's car was voted at a meeting of the city council.

A discussion of traffic safety program for the city was given by representatives of the Junior Chamber of Commerce who suggested that an additional officer be placed on duty during the day.

Fined for Drinking

Two men arrested by Twin Falls city police Sunday pleaded guilty to intoxication when they appeared before Municipal Judge J. O. Humphrey Monday morning and were released upon payment of fines.

O. W. Lilly was fined \$10, and D. Lilly paid a \$15 fine.

Arthur Glen Jones, who was arrested at the American Legion hall at 11:30 p. m. Saturday on an intoxication charge, is being held at the city jail awaiting appearance in court, and Ray Knowlton is being held on a vagrancy charge.
