Issue of Rent Control Raised Here Again by Second Survey

Apparently a dead issue since its demise last May 1, the subject of rent control in this area was revived by appearance of H. C. Brandley, regional field representative of the rent control office at Denver, Colo., before the city council last night to seek an expression of sentiment on the matter.

Representative Brandley explained that shortly before rent control was removed for the Twin Falls area May 1, the local representative and he had conducted a survey to determine wishes of residents here. Even though this survey showed citizens almost unanimously favored continuation of rent control, officials at Washington, D. C., apparently had decided already to lift the

controls. This was done on the assumption that this is an agricultural area and theoretically not as hard-pressed for housing as certain other industrial areas.

Removal of rent controls arbitrarily to facilitate a budget reduction resulted in loud repercussions which reached Washington, resulting in instigation of the second survey now in progress.

Mayor Lauterbach expressed the opinion that it was not up to the city council to take a stand one way or the other on the question, but he declared that "the housing situation is as acute as ever and it seemed to be a mistake to have taken off rent control." He added, "I wouldn't necessarily advocate its re-

instatement at this time, however, as that would leave a bad taste."

While conducting the second survey to determine sentiment regarding return of rent control to the Twin Falls area, Brandley has been contacting officials of civic organizations, representatives of veterans' organizations and persons in positions to give opinions on the result of the control.

Since rent control was revoked in Twin Falls on May 1, several cases of prohibitive increase in rents have been reported. Brandley has indicated that these cases will figure in his report along with the general housing picture in Twin Falls.

The office of the area rent representative here was closed May 29,

Senate Approves Greek Aid Chief, Four Appointees

WASHINGTON, June 10 (AP) — Dwight Griswold, former Republican governor of Nebraska, today received senate approval as chief of the U. S. Greece aid mission.

It also confirmed, without opposition, the appointment of four other officials to the mission.

Richard P. Allen, vice president of the American Red Cross, to be field director of foreign relief programs.

Norman Armour of New York, career diplomat, to be assistant secretary of state, succeeding Spruille Braden.

Emmett O'Neal, former Kentucky congressman, to succeed Paul V. McNutt as American ambassador to the Hellenic Republic.

Monnett B. Davis, American consul-general in Shanghai, to be American representative to the economic council on Asia and the far east, meeting in Shanghai June 16.

Valley Youths Are "Elected" At Boys State

BOISE, June 10 (AP) — Wally Farnes of Pocatello will head a youthful council which will take over Boys State offices Thursday as part of activities at the annual week-long American Legion Gen. Boy's State here.

Farnes was named mayor at an election of city and county officials following extensive campaigning. The teen-agers will also elect a legislature which will meet Wednesday.

Following the session state executive and judicial officials will be taken.

The young city, county and state officers will "actually serve in office" Thursday under the supervision of officials.

Norman Adkins, president of Boys State, said: "Other city officials elected by the youths included Tom Flint, Pocatello, city clerk, and Alan Nichols, Pocatello, clerk of the court."

Don Hunter, Boise, was elected Mountain Home, and Bob Compton, Pocatello, councilman.

County officers named included Jerry Beeson, Boise; Ivan French, Lewiston, and Bill Gorden, Pocatello, commissioners. Don Guyer, superintendent of public instruction; Sterling Crothers, Jerome, auditor; Bob Nixon, Bonanza, Perry, prosecuting attorney; Don Ringe, American Falls, sheriff; Alton Harris, Mountain Home, assessor, and Stan Benson, Lewiston, probate judge.

The youths are housed at nearby Bowen field where all meetings will be held until they assume their offices in the Idaho capital, Ada county courthouse and Boise city hall.

BUGAR ACTION TAKEN

WASHINGTON, June 10 (AP) — The house today passed a measure to end sugar rationing for home consumption.

Charles W. Woolley, R., Mich., said that the decision was an "overwhelming" vote although not unanimous.

Balkan Red Parleys Broadening in Scope

By The Associated Press

Yugoslavia disclosed today that a Bulgarian military mission was in Belgrade, broadening the scope of Balkan conferences which have developed since the communists seized power in Hungary.

A Czechoslovak military mission also was to arrive tomorrow in Premier Marshal Tito's capital, already host to a Romanian delegation headed by communist Premier Petru Groza.

Groza waved aside suggestions in a news conference last night that a Balkan federation, such as has been suggested by Tito, was in the making.

But he said that the cultural and economic cooperation between his country and Yugoslavia eventually would lead to complete political cooperation.

With the Bulgarian mission was Lt. Gen. Zaharie Zahariev, who, a Bulgarian announcement said, was in Belgrade "for the Soviet Union."

Hungary's parliament was summoned today to discuss the mission. It is expected that anti-communist members would denounce communist pressure which brought about the coup d'état unseating Premier Ferenc Nagy.

Dispatches from Budapest suggested that the new communist-dominated government was warring its purge against dissident elements. The communist newspaper Szabadseg said the resistance activities of nearly 200 persons including Jozsef Cardinal Mindszenty, Roman Catholic primate of Hungary, would be reviewed. The articles indicate that the communists opposed the cleric during the war.

State Legion Head to Talk At Flag Rite

Annual flag day services conducted by the Elks lodge will be held in conjunction with the "Twin Municipal Band concert" held Thursday evening.

William F. Galloway, Boise, district commander of the American Legion, will be the principal speaker. He will be introduced by Harry Benoit, co-chairman of the event.

The municipal band concert will start at 8:15 p. m. under the direction of O. A. Fuller and the flag ceremony will follow the short concert.

Blindfolded said the Elks would be assisted by the Boy Scouts and young people of the United States American flag and show many old-time flags.

Puller announced that the musical program for the concert would include "The Conqueror," march by "Tike," "Fast," overture by Leuter, "Evolution of Dixie," Lake, and "The Blue and Gray" march by Dalbey. Encore numbers will include "Lazy River" and "Idaho."

Hot, Dry

Magic Valley residents who have been complaining about hot, rainy weather will have a "hot" weather later in the week, the official U. S. weather bureau forecast of weather indicated today.

The prediction, received here Tuesday via the Associated Press, is for the period ending Saturday.

Short and to the point, the complete forecast follows:

Temperature above normal. Amount of the prediction is NOT guaranteed.

20,000 Homeless in Middle-West Floods

Floodwaters pouring into the Mississippi river, which already have made more than 20,000 homeless and have inundated nearly 50,000 acres of farm land, in eastern Missouri and west-central Illinois, appeared today to have reached a new point.

Rivermen and U. S. engineers expressed belief that only further rains would aggravate the situation, but they also said that several river towns in Illinois and Missouri still faced serious flood conditions, despite the promise of receding waters.

U. S. army engineers and the coast guard had every available worker on the job in the flood area and the American Red Cross had 50 staff workers and about 600 volunteers aiding the homeless.

State Queried on Third Party Plan

BOISE, June 10 (AP) — Secretary of State J. D. (Oxy) Price said today he had received "several" requests recently, mostly from labor union representatives, for instructions on establishing a third party in Idaho.

Price said that he had received a letter from the Idaho Labor Union, asking for instructions on establishing a third party in Idaho.

The men involved were J. H. Caselman, James D. Towne, J. E. Adams and G. H. Hill, all of Boise and who were the members of the Idaho Labor Union who had picked the Mountain State Telephone and Telegraph company exchange here after the firm had settled its recent strike.

The telephone company employees' union could be set up to return to work until after the pickets were arrested.

Eden Girl, 5, to Draw Winners of Homestead Farms

JEROME, June 10 — An elaborate program with little 5-year-old Beverly Lance, daughter of Mr. and Mrs. Vernon Lance, Eden, as the center of attraction for the drawing of 43 homestead winners from the huge goldfish bowl, has been planned for Saturday afternoon in Jerome's south park.

Lieut. G. V. Donald A. Whitehead, representing Gov. C. A. Robins, will pluck the first name from the bowl and little Beverly will settle down to the serious business of deciding the 42 other World War II veterans who will receive homesteads and hundreds of dollars worth of equipment to start large-scale farming operations.

Ernest W. Palmer, land use specialist for the bureau of reclamation, said the program would start 2 p. m. Saturday with Hu Blunk, Boise, public relations director, as master of ceremonies.

Civic, veteran and reclamation leaders from the state will be introduced at the opening ceremonies and the drawing of the first name.

U. S. "Center Of Reaction," Wallace Says

NEWARK, N. J., June 10 (AP) — Henry A. Wallace said last night that the United States had become the center of world reaction and that the proposed compulsory military training was the "entering wedge" for a military-business dictatorship.

Speaking at a meeting sponsored by the New Jersey Independent Citizens' League, the former vice president and cabinet member ended a day of speeches and rallies which began with a demonstration in front of the state capitol building.

Wallace said that the United States was the "center of world reaction" and that the proposed compulsory military training was the "entering wedge" for a military-business dictatorship.

He said it would end the role of America as "the last, best hope for the world" and that the United States would be replaced by a "get practical" policy, Wallace asserted, before the actions of the United States so far "antagonized" the progressive people of the world that they went over into the communist camp.

Challenge to U. S.

He said the Soviet union wanted peace but it could not "Europe and Asia to communism by a democratic way of how it worked at home. This was a 'challenge' in the dynamic capitalist economy of the U. S. he said.

The attitude for communism everywhere is full stomach and a chance to live and grow and prosper," Wallace declared.

Deadline Nearing On Spud Support

BOISE, June 10 (AP) — Growers of less than three acres of early potatoes must apply before June 15 to qualify for price support, the production and marketing administration said today.

Applications for price support must be made in writing to county conservation committees.

Even if it isn't your own, it's still an experience to handle a check for more than one million dollars, as did County Auditor Charles Dulles and County Treasurer Joe J. Wilson on Monday.

The check, for \$1,106,530.39, was delivered by the Twin Falls Bank to the county treasurer. It was the proceeds of the sale of county bonds voted for a new hospital.

Together with a \$63,000 check previously delivered, the total received is \$1,169,530.39, which includes \$1,106,530.39 on the principal and \$63,000 as a premium. The balance is to be paid on Jan. 1, 1948, as interest from Jan. 1, 1947.

Council to Prevent Main "Saloon Row"

Main avenue will not become a "saloon row" in event sale of liquor by the drink is approved by Twin Falls voters in the local option election June 17, members of the city council declared at their meeting last night.

This notice was directed particularly to liquor interests which, in some cases, have already been endeavoring to lease business locations at high prices in anticipation of a "wet" vote.

Mayor H. G. Lauterbach pointed out that they should not "take too much for granted," as it is possible that the sale of liquor on Main avenue, for example, would be completely banned, because of license would be closely regulated in other ways by city ordinance, and state law on the subject are also stringent.

Before going into any plans, potential operators should first await outcome of the election and the decision on what action the council table, the official emphasized.

Advance indications were that another approaching issue — that of the proposed renaming of the city's streets — would provide some lively discussion. Sen. Aspy and Jim Briggs were on hand to discuss the matter, but withheld further comments when informed that a formal hearing on the plan will be held June 23 during the city's regular meeting at the city hall.

Consensus Seen

In a preliminary survey, Aspy pointed out that many business houses have large investments in the city and that their action on the matter would be a reflection of the confusion resulting from a (Continued on Page 3, Column 1)

Scandal Seen In Occupation Paper Money

WASHINGTON, June 10 (AP) — Three Republican senators called today for a full-scale investigation into reports that the United States has redeemed millions of dollars worth of German occupation money printed by Russian authorities.

The three lawmakers — Bridges of New Hampshire, Ferguson of Michigan and Knowland of California — told a reporter in separate interviews that they understand the plates to print the German marks were given to the Russians by American officials.

Paid Troops

Among other uses for this occupation money was to pay allied troops. Earlier reports have said that the Russian soldiers — drawing large amounts of back pay — paid fabulous black market prices to American GIs for such items as wrist watches and trinkets.

The GIs, in turn, converted the occupation marks into dollars. Script System Devied

The trade became so hot that American authorities resorted to several methods for discouraging the marks-to-dollar conversion. Finally the GIs were ordered to use a "script system" to develop and replace the occupation currency.

A war department statement on April 10, prompted by reports that the loss to the treasury of these black market deals might exceed \$500,000, acknowledged that the army had permitted a surplus of German currency.

"The present holdings do not, however, exceed future contemplated expenditures," the statement said.

City Program Of Recreation Is Underway

Registrations for the city recreation program in the kindergarten class will start at 10 a. m. Wednesday in Harmon park, City Recreation Director Kyle said today.

The swimming pool at the park was opened Tuesday and steps are being taken to the park "knoll" gang basketball league.

Mothers are encouraged to bring their youngsters from 4 to 8 years old to the park Wednesday morning to enroll in classes in clay molding, coloring and painting and other classes.

Parents and club members are invited to the park in the evenings for a varied program of activities including badminton, horseshoes, archery, tennis and others.

Swimming instruction will begin about July 1, although dates have not been set. The city's water swimming instruction will consist of classes for beginners, intermediate and advanced swimmers. Classes will be offered in junior and senior life saving.

The city recreation staff consists of 10 men, including the city's recreation director, Donnie Pratt, Jack Watta and Watta.

Marshall Favors 'U. S. of Europe'

WASHINGTON, June 10 (AP) — Secretary of State Marshall today pressed general approval of a resolution to put Congress on record as opposing the creation of a United States of Europe within the framework of the United Nations.

"Of course the United States must be a part of it," Marshall said. "It is better that it be made by the United States than by the United Nations."

Council Takes Stand Against "Saloon Row"

(From Page One)

Wholehearted change would exceed that which any might expect.

Mayor Luterbach pointed out that there had been considerable "agitation" for the change that had been postponed now for 40 years. As they came back with the rejoinder that he was yet unable to find the "agitation" to which the mayor referred, and at this point the discussion was postponed until the formal hearing.

Secretary Springs of the Chamber of Commerce explained that, after numerous delays, a tourist guide and informational book on Twin Falls is in the process of publication, and that a change in street names would make obsolete a map of the city that is in circulation.

Delay Noted

He was assured that, in event it was decided to rename the streets, the signs could not be obtained for at least eight months, and on this basis he indicated that printing of the books could proceed.

Backed by a delegation of model plane enthusiasts, Frank Tidwell appeared before the council to press the proposal of permitting construction of a circular model plane field in the park.

Mr. Tidwell pointed out that this could be done only if there were sufficient popular demand to justify use of public ground and he presented a petition on behalf of the proposal indicating interest in the activity.

Mr. Tidwell was awarded the contract for insurance on city equipment with a low bid of \$1,270.78. Three other firms also submitted bids.

Virgil Mort was appointed weighmaster, and Charles W. Birtch was named fireman by the commission.

Transfer of a slot machine from the Log tavern to the Ritz was authorized. The council also approved transfer of a beer license from C. V. Jones and W. W. Noble to C. E. Higgins for the Coffee Cup, which he purchased May 17.

The Idaho Cigar store was granted a new table license.

May reports were submitted and accepted for the public library and the weighmaster. Librarian Jessie Rogers reported 115 books purchased, one donated and 7,430 issued. The weighmaster report of Mrs. Alma Egbert showed 288 tickets used and \$66.08 collected.

Highway Crashes At Curry Probed

Two highway accidents causing property damage but no injuries were investigated in the vicinity of Curry Monday afternoon and Tuesday morning by state and county officers.

At 8:30 a. m. Tuesday, a truck driven by Francis Flynn of Twin Falls, collided with a hay rake being towed by a truck operated by Dean Mason, 21, route 1, Kimberly, smashing the wheels and the frame of the rake, according to investigating sheriff's officials. Scene of the accident was three-quarters of a mile west of Curry on U. S. highway 30.

A car overturned one and one half times in a freak accident at 4:18 p. m. Monday on a country road three quarters of a mile north of Curry. Driver in the car, Mrs. Gerald Turner, crawled unharmed from the overturned vehicle.

The mishap was investigated by State Police Officer E. E. DeBruin, who said the car was thrown out of control when a front wheel struck an iron rod lying in the road.

Services Set for Accident Victim

OAKLEY, June 10.—Double funeral services for Ralph C. and Elsie C. Milton, brothers who were killed in a truck accident at 4:18 p. m. Thursday at the Oakley LDS tabernacle with Bishop Wilford Sagers officiating.

The body of Merline Arthur Watson, also killed in the crash, will be shipped to the Elmhurst, Wash., for funeral services and burial.

Full military services for the Mittons will be held at Oakley with C. E. Jensen in charge.

The two youths are survived by their father and stepmother, Mr. and Mrs. Otto Milton, Burley, and Mrs. Dora, LaVoy and Bobby Milton, all of Oakley; four sisters, Mrs. Glen Pace, Twin Falls; Mrs. Bill Schorham and Mrs. Sam Paulson, Oakley; and Mrs. Alvin Fernard, Emmett; and granddaughters, Mrs. Wall Dye, Firth, and J. W. Milton, Burley.

Burial will be in the Heyburn cemetery.

Jaycees Discuss Streets' Naming

Renaming of Twin Falls streets was discussed by the Twin Falls Junior Chamber of Commerce at its general membership meeting Monday night, but the Jaycees tabled any action when a wide variety of opinions were expressed.

Erlie Martin presented a demonstration of "black light" showing how certain paints appear luminous under the lamp.

J. Hill mentioned that all businesses doing any credit or having mailing lists for advertising purposes would have to entirely revise their mailing lists at considerable expense if the streets were changed.

Other Jaycees pointed out that change of street names would affect late tourists and newcomers in finding their way about the city, but suggested that if a change is made, simple forwarding subscription, mail addresses, mailing lists, and other letters could be brought up-to-date before the change.

early day history of the Twin Falls project, describing the early settlements in south Idaho and the making of the Old Oregon trail. Mrs. Minnie Myers, Burley, outlined the project, pointing out the importance in compiling a history of the Cassia county pioneers and their accomplishment while many of them are still living. Elmer Allen, Boise, who replaced Mrs. Walters Turner on the program as Mrs. Turner was unable to attend, spoke of the present day opportunities for writers to have their work on pioneer topics published within their own state, in the form of books or more detailed articles, and C. C. Merrill, Buhl, remarked on his experiences as a fruit peddler from Clarkston, Wash., to Grangeville, Ida., in the "good old times and busy days."

Gives Invocation

At the opening session Monday, the Rev. R. E. Mahy gave the invocation and the address of welcome was given by J. A. Spriggs, secretary of the Cassia County Writers.

Mr. Mahy, in his talk Monday evening stressed the necessity of a writer being able to get the viewpoint of his character, and to put ideas into words as quickly as possible.

Mr. Schubert outlined what he considered the requisites for successful writing including imagination, concentration and relaxation. Under the first, he summarized the field of imagination and the necessity of a writer being able to put his ideas into words as quickly as possible.

Mr. Schubert also spoke briefly on the importance of proper illustrations for articles and stories.

Tuesday morning was taken up with various workshops, and the afternoon session included a showing of a film on Snake River followed by a business meeting. Upon adjournment the group attended to the Twin Falls public library.

Police Probe Four Crashes During Night

Twin Falls city police investigated four automobile accidents Monday night and early Tuesday morning.

At 2:30 a. m. Tuesday a Yellow cab, driven by Harold R. Magiffin, 284 Jefferson street, struck the rear of a Times-News panel delivery truck while it was unoccupied and parked near the corner of the 200 block of Second avenue west, police reported. Front of the cab and rear of the truck were damaged by the impact which knocked the truck to the right up onto the curb.

Officers reported that tire marks and damage indicated that the taxi was traveling "at an excessive rate of speed."

Monday evening, three mishaps occurred. At 8:10 p. m. a Buick driven by Helen L. Benham, route 3, Twin Falls, and Mildred M. Long, Filer, collided in the 100 block of Shoshone street south, damaging the front of the Benham car.

In pulling out from a parallel parking space, a car driven by Boyd Paulson, Oakley, collided with a sedan driven by Henry W. Neuman, route 3, Twin Falls. Right rear fender and panel of the right side of the Neuman car were damaged.

In an intersection collision, extensive damages were done to the front end of a car driven by Amy J. Kleiberg, Murtagh, which collided with the right rear portion of a sedan driven by Neil Puckett, 452 Third avenue west.

S. C. Anderson Is Honored at Rites

Funeral services were conducted at 2:30 p. m. Tuesday at the Reynolds funeral home chapel for Sven C. Anderson, the Rev. Herman C. Rice, pastor of the First Baptist church officiating. Music was furnished by Mrs. V. N. Terry, soloist, playing her own accompaniment.

Pallbearers were George Miller, John F. McClellan, George Filer, George Carter, Ralph Palmer and A. E. Gray.

CALIFORNIA VISIT

Speakers Set For Sessions Opening Here

Two speakers of national reputation will appear at the three-day annual convention of the Idaho State Pharmaceutical association in Twin Falls Thursday, Friday and Saturday, June 12-14.

They are James DuPre, president of the DuPre Pharmaceutical company, Holland, Mich., Friday afternoon speaker, and Carl Weeks, president of the Armand company, Des Moines, who is to speak Saturday noon.

Gov. C. A. Robins is to address the Friday evening session. L. J. Peterson, administrative director of the state department of public health will speak Thursday evening and Robert Altkie, Idaho health general, is to be the Saturday evening speaker.

Leo L. Robertson, Nespeque, association president, will deliver his annual report Thursday. The state pharmacy board met for a two-day session at Pocatello to conduct examinations of applicants for licenses and to visit Idaho State College school of pharmacy. It is expected to make recommendations regarding the school's enrollment next fall. Members of the board are L. S. Scott, Lewiston, president; L. S. Crowley, Twin Falls, vice-president, and Gordon Ashley, Montpelier.

183 Start Class At Albion School

SOUTHERN IDAHO COLLEGE OF EDUCATION, June 10—Summer school classes began this morning at Southern Idaho College of Education with 183 students registering from states ranging from Florida to Washington.

The 183 registrations comprise approximately three-fourths of the total expected, according to Harold Sooters, registrar. Enrollment will be kept open until June 16.

There are 171 students registering from Idaho, six from Nevada and one each from Utah, Missouri, Nebraska, Washington, California and Alaska.

Home at Jerome Damaged by Fire

JEROME, June 10—The fire department was called to the Ode Deter home four miles west and one-half mile north at 2:45 a.m. Monday.

Smoke awakened the family and they evacuated the house. Defective wiring was smoldering the wallboards. Deter closed the house and prevented a draft. Fire department officials said Deter's action in closing doors and windows immediately prevented blazing and minimized damage to the house.

Water Plan Started

GLENN'S FERRY, June 10—New watering holes for Glenn's Ferry residents who use village water for irrigation purposes started Monday. They provide a maximum of six hours a day with the north and south sides of town alternating days.

GETS TRANSFER RICHFIELD, June 10—Sgt. Bus Pat, son of Mrs. Ida E. Pat, Richfield, is being transferred from Great Falls, Mont., to the Philippine Islands.

Twin Falls Chief Wins Doubles Crown in Naval District Tennis Tournament

SEATTLE, June 10 (AP)—Philip W. Davis, chief of the Twin Falls, Idaho, tennis team, won the doubles crown in the naval district tennis tournament at the Point (Seattle).

Chief Davis is currently assigned to the engineering department at Pier 91, Seattle. He is married to a Twin Falls girl, the former Hazel Dean Coleman, daughter of Twin Falls city commissioner O. H. Coleman.

At the end of this fiscal year, Chief Davis will retire with 20 years active duty and reside in Twin Falls.

He says: "Although old enough to retire from duty in the service, I am still young enough to do plenty of work, as well as compete physically in participating in competitive sports." Evidence of his ability was demonstrated in his recent tennis triumph in the 13th naval district. This district includes Idaho, Montana, Wyoming, Oregon and Washington.

IN NET TOURNAMENT—GREAT LAKES, Ill., June 10—

Middleman Vern M. Yates, husband of Mary Yates, 1017 Elm street, Twin Falls, Idaho, represented the naval air station, Ottumwa, Ill., in the ninth naval district tennis tournament at the Point.

The winners of the tri-district tournament will compete in the all-navy tennis championship to be held at the naval academy, Annapolis, Md.

Lohrke Gets Homer When Giants Snatch N.L. Lead

NEW YORK, June 10 (AP)—Walker Cooper's second home run of the day, long walloping into the left field stands with two men on base in the last of the ninth inning, topped an exciting battle between the New York Giants and a 13-10 decision over Pittsburgh. Mel Ott's fence-busters hammered five home runs to grab first place from the Dodgers.

Coming into the eighth inning, trailing 8-1 and completely mystified by the two-hit pitching of Kirby Higbe, the Giants lashed out with an eight-run upper to take the lead.

After the Pirates came back with two in their half on Hank Greenberg's triple, Ed Walker's single and Eddie Bark's squeeze bunt, the Giants took into the ninth.

Jack (Lucky) Lohrke, formerly with the Twin Falls, Ida., in the Pioneer league hit his first major league home run for the Giants.

Knotholers See Film, Plan for Junior Circuit

A four-team Legion junior baseball league from which will be drawn the members of the team which the local post will place in national competition, will be formed at the practice sessions beginning tonight. Coach Eddie Purves announced last night.

The league will play a summer-long schedule of games and each team will be placed in charge of a Legionnaire. Funds for financing the league have been obtained.

Meanwhile, plans are moving forward for the organization of the Times-News-Knothole League composed of players not yet ready for the Legion teams, Kyle Walte, recreation director, reported.

Sharp Decline Noted in Calls For Laborers

Magie Valley's four Idaho state employment service offices and the extension service county agents have noted a sharp decline in the demand for farm labor, as compared to early May, according to the most recent Idaho employment summary of the 1946.

Sugar beet thinning is practically finished and the first hoeing is getting on a small scale, with some weevil damage reported to both alfalfa and clover. Dry bean and potato planting is now starting.

The Twin Falls office report: the need for miners at Mountain City, Nev.; while Gooding is seeking more labor for the Harrison-Krudner company at Hagerman, construction of a grain elevator at Fairfield has employed men there. The Sun Valley lodge has been made ineffective in many cases by rain washing away the insecticide.

Former Heyburn Athlete Succumbs

BURLEY, June 10 — Edward Broadhead, 32, a resident of Heyburn since 1910, died suddenly at his home in Heyburn at 7:30 p.m. Sunday.

He was born Jan. 18, 1914, at Richfield, Utah, and went through Heyburn schools, where he was active in athletics. He was married to Mary Halliwell Aug. 21, 1939. He was a member of the LDS church.

Mr. Broadhead is survived by his wife, two daughters, Nellie May and Barbara Jean; two sons, Edward, Jr., and Orville Gilbert; his mother, Mrs. Elia Broadhead Schaffner; seven brothers, Volney, Rupert, Ivan, Alaska, Mace, Malla; Orville, Utah; Forrest, Paul; Elijah, Richfield, Utah; and Robert, New Plymouth; and four sisters, Mrs. Edna Graham, Wendell; Mrs. David Eshelman, Mella; Mrs. Rachel Christianson, Blackfoot; and Mrs. Harry Powell, Pinger.

He was preceded in death by twin daughters.

The body is at the Payne mortuary pending arrival of his brother from Alaska.

Kimberly Man Gets Duty Commendation

KIMBERLY, June 10 — Mr. and Mrs. Robert G. Evans, route 1, Kimberly, have received word from the commanding officer of the USS Oakland that their son, Raymond Vern Evans, has been awarded a commendation for outstanding performance of duty and attention to duty.

He is now in China and is in the communications department. The letter states that his performance of duty has been "in keeping with the highest traditions of the naval service."

Farmers Unhappy Over Steady Rain

Twin Falls county farmers generally were unhappy over the amount of rain falling so far this month—more than an inch and a half—and many believe the rainfall has caused more damage than good.

Reports reaching County Agent J. P. Smith indicate that a large number of bean fields will have to be replanted because of rain either causing the seeds to rot, washing the seeds out of the earth or forming a hard crust of ground through which the seeds cannot grow.

The rains have delayed haying and have held back planting of other crops. Dusting of alfalfa against weevil damage has been made ineffective in many cases by rain washing away the insecticide.

Traffic Fines

Payment of 14 fines of \$1 each and one \$2 fine has been recorded in Twin Falls city traffic court.

Ed Herzinger paid the \$2 fine for parking in an alley. Those paying \$1 over-time parking fines were: H. W. Sherlock, M. S. McBeth, Denney Hogue, W. D. Silvers, Ted Leno, Fred Butler, Mrs. P. W. Reed, Bob Breeding, Marjorie Robinek, Otis Kenrick, R. F. Snyder, R. C. Roberts and John Rogers, two.

Men Urged to Sign for Red Cross Course

While the Red Cross course in care of the sick, being offered here starting June 16, is primarily for the housewife, it's advisable for some other member of the family to have a knowledge of home nursing skills, too.

For this reason, Nora Marco, Red Cross master training supervisor, today recommended that husbands join their wives in taking the course.

"At least five couples are urged to register for one of the night classes in the course," she said.

Classes will be held daily, beginning June 16, from 9:30 to 11:30 a. m., 1:30 to 3:30 p. m., and 7 to 9 p. m. The 12-hour course will be taught by graduate registered nurses who this week are being given an intensive course in teaching techniques, by Miss Marco.

Practical application will be emphasized throughout the course designed to teach sick room skills by demonstration, rather than lectures.

Registrations may be made by phone or in person at the Red Cross headquarters, basement of the Twin Falls public library.

Minidoka Sales Of Beer Barred During Sunday

RUFERT, June 10 — Minidoka county commissioners Monday passed a resolution prohibiting the sale of beer on Sundays and between midnight and 6 a. m. of all other days of the week, it was announced by Chairman D. L. Carlson, who said the resolution takes effect immediately.

Violation of the resolution will constitute a misdemeanor and conviction on that charge will result in revocation of the offender's beer license, he warned.

Gas Bug Entrants Get Event Prizes

Prizes were won by two of nine members of the Magie Valley Gas Bugs who participated in a model airplane contest held Sunday by the Boise Balsa Butchers. There were 75 entrants in the contest from Coeur d'Alene, Pocatello, and points in between.

Ray Bush won first place in the class 4 speed contest, with 102 miles per hour; and Don Botcher took second place in the class 5 speed contest, with 88 miles per hour. In addition to 450 in cash prizes, 18 large trophies were donated by Boise merchants, airlines and others.

After the contests, entrants formed a state association to coordinate contest dates and rules.

3 Fined \$150 Each On Battery Charge

Ray Hanby, Rex Isom, and Roy Hanby, all of Twin Falls, were fined \$150 each plus joint court costs of \$5.40 Monday by Probate Judge S. T. Hamilton, after they had pleaded guilty to charges of battery.

They were arrested by sheriff's deputies following an altercation Sunday afternoon at a service station one mile north of Kimberly.
