

Farm Labor Camp Will Serve Area Through Harvest

The farm labor supply center south of Twin Falls will continue to serve this area's agricultural needs until late fall, even though the U. S. government will cease to operate it Sept. 30.

This became a certainty today with announcement that the Amalgamated Sugar company will operate the camp as a farm labor center for the Twin Falls County Farm Labor Sponsoring association from Aug. 15 until end of the harvest season, about Nov. 30.

Announcement of the plan was made by O. J. Bellwood, acting secretary of the association and assistant county farm labor supervisor, following a meeting Thursday night at which details of the three-way agreement were formulated. Attending the session in the district court room were directors of the farm labor sponsoring body, the board of county commissioners, representatives of the sugar company and members of labor committees from throughout the county.

Although the Amalgamated Sugar company will assume responsibility for operating the camp under lease from the government as an "in" emergency while ultimate fate of the center is still in the balance, the extension service will continue to conduct the placement service for domestic migratory and imported labor, assuring distribution of available labor to the types of agricultural work where most needed, Bellwood pointed out.

District Manager Harry A. Elcock Friday was working out final details of the agreement with the regional office of the U. S. department of agriculture's labor branch, production and marketing administration, at Portland, Ore. The sugar company's decision to assume responsibility for the project was at request of the farm labor sponsoring group which had depended upon the camp as a source of agricultural labor since its inception.

Engineers Go On With S. P. Walkout Plan

Despite a hint from President Truman that he may appoint an emergency fact-finding board to investigate the strike, the Southern Pacific railroad engineers are going ahead with their walkout plan.

A reporter asked Mr. Truman if he would appoint such a board, the President replied that he assumed that the railroad engineers would follow the usual procedure of railroad negotiations.

Labor experts took this remark as a definite indication that the appointment of a fact-finding board was under consideration. The White House has appointed boards in several past disputes of a similar nature.

But Harrison C. Holm, assistant general chief of the Brotherhood of Locomotive Engineers, said the strike definitely would be called at 5 p. m. (PST) Monday unless the railroad agreed to 19 changes in working conditions.

EFFECTS 2,000 UTAHANS
SALT LAKE CITY, July 18 (AP)—C. V. Gibson, general agent for the Southern Pacific line here, said an estimated 2,000 employees of the railroad in Utah would be affected by a strike of the Brotherhood of Locomotive Engineers, now threatened.

Olson said only 125 Utah employees are members of the brotherhood, but that the strike would affect all employees of the company.

"Assembly Line" Box-Car Tactics Easing Shortage

WASHINGTON, July 18 (AP)—The world's largest producer of box cars showed today how it had borrowed Henry Ford's idea to help break the serious production bottleneck and cut prices despite rising steel costs.

Ballman-Standard Car Manufacturing company placed its first mass-produced box car on display at Union station, officials said today. It was the first box car anywhere that was not "custom-built."

Standardization will hike the production rate 25 per cent, they estimated, and cut costs as much as \$700 per car. The economies are being passed on to the railroads in lower prices, they said.

John R. Steelman, assistant to the president, recently said that the company's cost-cutting announcement was "good news of the first order."

Vet Bills Scheduled
WASHINGTON, July 18 (AP)—The House today scheduled for debate a bill to provide for the payment of medical expenses for disabled veterans.

The bill would provide for the payment of medical expenses for disabled veterans who are unable to work because of their disabilities.

The bill would also provide for the payment of medical expenses for disabled veterans who are unable to work because of their disabilities.

The bill would also provide for the payment of medical expenses for disabled veterans who are unable to work because of their disabilities.

His partner, Alfred Finck (top), balanced on beam with legs in midair. Finck was lowered by rope. Firemen are shown lowering Ryan to the ground. (NEA telephoto)

Still Hot

Continued hot weather is in store for Magic Valley over the week-end, according to the five-day forecast of weather received here Friday via the Associated Press.

Some relief from the heat is indicated for next week with a declining trend forecast for temperatures in north Idaho, with the possibility the drop in temperatures may extend to this area.

Here is the complete forecast: "No rain of consequence but scattered thunderstorms. Temperatures abnormal, but falling trend in north portion beginning Monday or Tuesday."

When the heavy shower arrived on Friday, Wayne Schum, county coroner, testified as to details of his examination and the cause of death.

Jaycee Work Party Is Set For Air Show

An "old fashioned" Jaycee work party will be held by the Twin Falls Junior Chamber of Commerce Sunday when the group will pick up debris, refreshments, and aid in hanging the state model airplane contest and Wilson-King air show.

Jaycees will meet at 10 a. m. at the Twin Falls municipal airport, according to Cliff Stinson, chairman of the event. Those who do not have transportation to the airport are to meet at the Chamber of Commerce office, Stinson said.

Need Good Turnout He stressed that because of the large number of men needed to run concessions, keep time for the model events, and other projects, it would be necessary to have all Jaycees turn out Sunday.

A busy day of aerial events is planned. Model airplane contests will begin at 10 a. m. at the airport with glider, rubber power, and gas model distance flights. The speed contests for the model will be held at 1 p. m. at the newly-constructed ring at Harmon park. Also on the afternoon program are a jet plane demonstration by Frank Tidwell and model car demonstrations by Roy Bush, Twin Falls, and Ben Hogenson, Boise.

Sky Show Planned Immediately following the model airplane contest, the Wilson-King air show will be presented at the airport. One of the highlights of the show is the aerial acrobatics of Bernadine Lewis King in her specially-equipped Cessna helicopter.

A good turnout of citizens to express their views on the proposed consolidation is expected today at the school district meeting.

Good Turnout Urged Kenneth Dean, Genesee, member of the state committee for reorganization, will be unable to attend the school district meeting, but is expected to meet soon with the county reorganization committee.

The committee, headed by Larry Martin, Eden, as chairman and Charles Welcher, Jerome, vice chairman, is also forming tentative plans for a consolidation in the west end of the county, involving Appleton, Sugarloaf and Falls City districts.

Temporary Merger Banned Miss Dixon explained that last year Dixon district had a temporary merger with the Harrison school district, a procedure that would be banned this year by new state law.

Miss Dixon emphasized the committee's proposal also would include certain Jerome county territory now not organized in a school district but which is contemplated to be settled soon.

Counsel to NLRB Sees Act Benefit
WASHINGTON, July 18 (AP)—Robert N. Denham, newly-appointed lawyer behind the Fair Labor Relations Act, predicted today that "under proper administration the new act will do a great deal to benefit labor."

As President Truman's choice for the powerful post of general counsel to the expanded national labor relations board, the 62-year-old Republican told a reporter:

"I believe the labor situation will be faced up much more rapidly than some people believed."

He said he has no intention to use his powers under the new act to "mediate" labor relations, but rather to see that the law is enforced.

Neither does industry," he declared.

Neither does industry," he declared.

House Rides Roughshod Over Tax Veto; Oratory Slowing Senate's Action

WASHINGTON, July 18 (AP)—The house rode roughshod over President Truman's veto of the second \$400,000,000 income tax-cutting bill today but orators slowed up efforts for a quick vote in the senate. There was no indication when the senate would get around to a roll call because of its rules of unlimited debate. Both Republican and Democratic leaders were ready for a showdown.

Less than an hour after Mr. Truman's veto message, again calling the legislation the "wrong kind of tax reduction," the wrong time," was read, the house voted 293 to 108 to override, far more than the two-thirds majority necessary. There were indications the senate would sustain the President and kill the legislation. But leaders agreed it would be a close battle with the outcome probably hinging on one or two votes. A two-thirds majority also is needed in the senate to overthrow the veto.

The house roll call showed a substantial shift of Democrats in support of the measure, which provides for tax reduction effective Jan. 1, 1948. The chamber previously had voted 283 to 127—two short of the required two-thirds to sustain Mr. Truman's veto of the first bill which

2,000 Attend First Night of Pageant Here

(From Page One)
Indiana and forbidding uncharted territory, the elated and colorful of a stagecoach arriving at the Rock Creek station, a brief ride through the arena of the pageant express and appearance of the horses, and as they went away a lonely evening around the McCollum piano.

Rough Spots Overlooked
A few rough spots common in any first night performance passed unnoticed among most of the spectators who showed a desire to overlook minor misadventures and to give the cast the benefit of the doubt.

When one cowboy sitting on the edge of the town's watering trough fell over backwards and had to be pulled out of the water, the crowd wasn't aware of what was going on, it was not, but enjoyed it hugely. (It was part of the show.)

Introduction of the pageant, written by Mrs. Fanny Brunt, was by P. L. Lawrence, general chairman, who then presented a surprise feature of appearance of the blooded horses who went through their paces as a prelude to the Magic Valley Horse Show to be given here August 1.

Owners of the horses appearing were Georgina Eaton, Mrs. John B. Reynolds, Mrs. W. C. Ooster, Fred and W. C. Ooster, and Helen Greenhough and McCallie.

Mrs. Fannie Brunt introduced, Chairman Lawrence introduced Mrs. Perrine, who was seated in a car, and other early residents seated in the stands were also present.

The pageant will be offered again Saturday, starting at 8:30 p. m.

Sponsoring the event and appearing in many scenes throughout the production were members of the Frontier Riding club, Inc., the LDS church and the Twin Falls county sheriff's mounted posse.

Named Postmaster

WASHINGTON, July 18 (AP)—President Truman has nominated James H. Campbell for postmaster at Anderson, Idaho.

WASHINGTON, July 18 (AP)—The senate has approved the nomination of Sam O. Noble for postmaster at Bruneau.

The Hospital

Emergency beds only were available Friday at the Twin Falls county general hospital. Visiting hours are from 3 to 4 and 7 to 8 p. m.

ADMITTED
Mrs. Emil Metz and Mrs. William Yoder, both Twin Falls, Mrs. W. L. Campbell, Bruneau, Mrs. E. O. Miller, Kimberly, Mrs. Carlos Berlich, Shoshone, and Mrs. Emil Bernhardt, Bruneau.

DISMISSED
Mrs. Dora Dale and Mrs. Lloyd Hannaman and son, all Twin Falls; Ed E. Cline, Kimberly; Mrs. J. C. Cline, Kimberly; Mrs. F. M. Bralford and Mrs. Olinia Vinyat, both Bruneau; Mrs. V. M. Bedman and daughter, Carey; Mrs. Adrian Folk and son, Filer, and Mrs. Maurer, Elk, Nev.

Openings Listed By Civil Service On Federal Jobs

Various federal employment opportunities were announced Friday by H. P. Rexroat, secretary of the civil service commission here.

Veterans who are entitled to 10-point preference and who desire permanent positions with federal agencies in Idaho, Montana, Oregon and Washington, may file for a civil service examination leading to permanent appointment with permanent classified civil service status as elevator operator, \$1,800 to \$2,000 per year; fireman-laborer, \$1,822 to \$2,020; janitor, \$1,890 to \$2,243; guard, \$2,020 to \$3,048; and post office custodian laborer, \$1,700 to \$2,300.

Only 10-point preference applicants may file, applicants will be graded on experience and training, no written test is required, and there are no age limits for these examinations.

Other examinations were announced in social worker and geologist positions at salaries ranging from \$3,337 to \$8,170 per year and from \$4,162 to \$11,022. The social workers will be employed by the veterans administration and the geologists by the agriculture and interior departments. Technical qualifications are required.

Occupational therapist positions are also open in the veterans administration at salaries ranging from \$2,644 to \$4,902 per year. Requirements include training, professional experience and supervisory work for the different salary levels.

Further information may be obtained from Rexroat at the Twin Falls postoffice, from the civil service regional office, 487 Central building, Seattle 4, Wash., or from the U. S. civil service commission, Washington 25, D. C.

Man Bound Over On Theft Charge

J. J. Jordan was bound over to district court Thursday by Justice of the Peace J. O. Humphrey, following a preliminary hearing on grand larceny charges preferred against him by Eddie Scherbinke, Lodi, Calif.

Jordan's bond was set at \$1,000 after which he was remanded to the custody of the sheriff.

Scherbinke was being held in city jail Friday as a material witness. Justice Humphrey set appearance bond at \$500 which Scherbinke had been unable to raise early Friday afternoon.

He was arrived here in a bus from Oregon on Wednesday, when his trip came to a sudden end as Scherbinke charged Jordan with the theft of personal property.

Judge Humphrey said Scherbinke is being held as a material witness inasmuch as he is an out-of-state resident, the owner of the property in question, and because authorities would have no means of prosecuting the case if Scherbinke leaves.

Operation of Worker Camp Will Continue

(From Page One)
labor for the east end of the county. This action was seen as preserving operation of the camp for agricultural purposes pending congressional action on two bills now under consideration. One of these would give priority to labor groups for purchase of such centers; while the other provides for the installation of farm labor bodies.

Periods Short
As previously announced by the Times-News, closure of bills and all other such camps in the United States is scheduled for Sept. 30 because of restricted funds. The camp was originally constructed in 1939 as a migratory labor unit and later became a farm labor supply center.

Under an increase in rentals on the 48 family type homes and the 36 barrack-type structures will be necessary to make the venture profitable. At present, the homes are renting for \$3.85 per week, which includes furnishings, water and lights as well as a combination dining room and kitchen, two bedrooms, lavatory facilities and a garage; while the barrack-type structures are renting for \$1.40 per week per family unit.

Action Requested
Thursday night's action was in the form of a motion passed by the farm labor association requesting the sugar concern to take over operation of the camp during the period when the future is still uncertain. The license issued by the U. S. department of agriculture, but does stipulate that the operating agency will be responsible for physical property and will be on its own economically sound basis. The license also provides that the center be used exclusively for housing farm labor.

Meanwhile, E. J. Maestas, district supervisor of the production and marketing administration labor branch, announced here Friday that more than 300 Mexican nationals will be sent to the camp during the remainder of the crop season. There are 61 at Buhl, 59 at Burley, 49 at Gooding, 20 at Jerome and 20 at the Haselton camp. All are under contract, and Maestas indicated there was no reason to believe they will leave Magic Valley before the harvest is completed.

Greatest number of Mexican nationals employed in this area this year was 1,055, with the heaviest demand coming during beet thinning which is now completed.

Return of 'Free' Wool ups Action

BOSTON, July 18 (AP)—The return of the "free market" in the wool industry through the removal of government controls has opened up one of the greatest upsurges in buying in recent years, a spokesman for the industry said today.

C. Willard Bigelow, secretary-treasurer of the Boston Wool Trade association, said that, with the government now on the outside and with foreign wool clips unavailable until possibly September, the demand for domestic wool had caused widespread activity.

Further, he added, the worsted mills had become heavy buyers of the domestic clip because of the stockpiles of both domestic and foreign wools had been depleted.

During the war the government took over control of the domestic clip, but relinquished the control last April 15. The future of government buying now is contained in bills before congress.

Twin Falls News in Brief

Visits L. H. Perrine
John Fritz of Spokane, Wash., is visiting Frank Perrine, son of Mr. and Mrs. L. H. Perrine in Twin Falls.

Visits Ends
Mrs. Joe McCullum and son, Joe, Jr., have returned from Harrison, Ark., where they visited Mrs. McCullum's parents and friends.

Births
A daughter was born to Mr. and Mrs. Weiden Haskin, Twin Falls, Thursday at the Haskin Twin Falls county general hospital maternity home, and a son was born Friday to Mr. and Mrs. Emil Metz, Twin Falls.

Cousins Reunited
Mr. and Mrs. O. P. Gollishon and three daughters, Brady, Mont, and Arlene, who lived in Twin Falls, were in their right thumb Thursday afternoon while handling a bag of nails. Two stitches were required to close the wound.

Thumb Injured
Don Benson, employe at the Jerome Co-operative cannery, cut a thumb in his right thumb Thursday afternoon while handling a bag of nails. Two stitches were required to close the wound.

Will Direct Traffic
George N. Taylor, commander of the local civil air patrol squadron, announced Thursday that all members of the organization are requested to be at the airport not later than 8 p. m. Sunday to assist in directing traffic on the airport in connection with the Wilson-King airshow.

Pair of Divorce Actions Started

Two divorce actions were filed in district court Thursday and Friday but one was withdrawn immediately after the case was entered.

Graydon W. Smith, representing Grace Dixon in a suit for divorce from Bill Dixon, withdrew the case filed immediately after it was entered.

Michael Jordan, represented by W. L. Dunn, filed suit for divorce from Earl Jordan, whom she married Aug. 14, 1937, in Twin Falls.

Charging extreme cruelty, Mrs. Jordan asked the custody of their two children.

Magic Valley Funerals

GOODING—Funeral services for Jesse Kirk Manahp will be held at 2 p. m. Saturday at the Thompson funeral home chapel in Gooding. The Rev. Carlisle Moore, pastor of the Christian church, will officiate. Burial will be in the Buhl cemetery.

Buhl—Funeral services for Mrs. Bertha LeFurphy Williams will be held at 2 p. m. Saturday at the St. John's Lutheran church. The Rev. Louis F. Witte will officiate.

TWIN FALLS—Funeral for Emory J. Roloff will be held at 2:15 p. m. Sunday at the Twin Falls mortuary chapel, and high mass will be at 9 a. m. Monday at St. Edward's Catholic church. Burial will be in St. John's cemetery in Boise.

week. On the night of Aug. 30, all children of Minidoka and Cassia counties under 12 years of age will be admitted to the rodeo free.

Dutchman Stock Planned
The stock for the rodeo will be furnished by Earl Hutchinson, Rogers, Okla. Cattle, well-known announcer, will be on the public address system and featured at the rodeo. Griffiths, who will jump two white horses over a new car.

Other members of the board are Roy Edler, chairman; Wesley Sizemore, vice-chairman; John Powers, Malla, and Clarence Matthews, Oakley, rodeo chairman; George McGee, tickets and finance; Glenn Boddy, 4-H fair; and Wesley Sizemore and Ira Butters, chairman of the buildings and grounds committee.

Body of Worker Being Sent East

The body of Jack Brunner, farm worker who was killed by lightning Wednesday afternoon, will be shipped Friday evening by the Reynolds funeral home to Alliance, O., for services and interment.

Further identification of the accident victim was received Thursday by the sheriff's office in a telegram received from Union Pacific railroad personnel officials at Pocatello. The telegram revealed that in seeking employment with the railroad Mr. Brunner had given the name of his nearest relative as his father, Jacob Brunner, Youngstown, O., the date of his birth as Sept. 15, 1917, and his marital status as single.

Information received in a telephone call from the deceased man's brother, Donald E. Brunner, Alliance, O., disclosed that Mr. Brunner was preceded in death by his father and that his only survivors are the one brother and three sisters residing in Ohio.

LIEUTENANT TRANSFERRED
GLENNIS FERRY, July 18—Mrs. Addison Stone and daughter are visiting Mr. and Mrs. E. D. Stone, while her husband, Lieut. Addison Stone is moving from Austin, Tex., to Tacoma, Wash., where he has been transferred by the army.

Seen Today

Henry Graham gloomily strolling off with battered remains of watermelon after accidentally dropping it on sidewalk. Woman leaning half way into marine recruiting caravan to talk to fellows inside. . . . Gent at cafe gingerly operating device on top of cleanup bottle that causes contents to squirt out when pushed by thumb. . . . Sign in government office: "Selling, Collecting or Begging Prohibited in Government Offices". . . . Barber smoking big cigar while working on customer. . . . Woman peering into interior of used car with "For Sale" sign on it.

Two lonesome looking telephones in otherwise deserted PTA office. . . . Idaho 1947 license GR-666 and license 27-566 on same car. . . . Just seen: Ann Streifus, the Rev. Mackey J. Brown, Claude Deweller, Kenyon Green, Mrs. W. C. Ooster, O. P. Duval and Mary McFarland.

And overheard: Motorist making unkind remarks to no one in particular after finding stack of lumber in what looked like Main avenue parking space.

State's Jewelers Elect Local Man

Howard Allen, Twin Falls, was chosen vice president of the newly-formed Idaho Jewelers' association at the initial session in Boise Thursday evening. The group's officers will meet next week to draw up a constitution and by-laws.

M. G. Berry, Boise jeweler who was elected president, said the organization will work for a state law licensing all watchmakers "to protect the public from unethical dealers."

Truman to Be Demo Choice, Farley Avers

TAOCHIA, July 18 (AP)—Stating that the world is at present in a terrible mess, James A. Farley, once President Roosevelt's right hand man, chairman of the Democratic party and postmaster general, said here today that with the help of the United States at least the European side of the globe could get back on its feet.

Farley, here on one of his infrequent business trips, had little to say with regard to India and China, stating that he did not know the answer to the problems on that side of the globe.

"Up to U. S." He warned that "whether we like it or not, we have been given the leadership of the world's stricken nations, and it is up to us to continue our assistance to these countries, to aid them to get back on their feet so that they can help themselves and resume their normal economic relations with us."

Answering political questions Farley said in short:

Truman will be the Democratic party's choice in 1948. He will have no opposition.

Too Early For Forecast "It is too early to predict the outcome of the 1948 election, but the country rarely votes an administration out if the country is prosperous. Too, if the foreign situation is tense, there is little likelihood of a change in administration."

That Henry A. Wallace and his adherents will offer opposition in the coming party convention, is inconceivable.

"As for me, rest assured that I will do all I can for Mr. Truman."

Curry 4-H Boys Get Camp Outing

Eleven members of the Curry boys 4-H club enjoyed camping, hiking, fishing and games last week near Magic mountain at the head of Rock creek. Transportation there was furnished by their leader Elmer Anle.

On the camping trip were Leroy Alger, Ernest Albred, Bud Henderson, Bob Henderson, Dale Sharp, Jimmy Sharp, David Sharp, Clyde Bent, Billy Bent, Layne Shockley and Melvin Willis.

Shortly after their return from the camping trip, they met at the Sharp home to discuss beef cattle grades, and report on their projects and records. Refreshments were served after the meeting by Mrs. Sharp.

U.S. Food Price Index up 22.9%

WASHINGTON, July 18 (AP)—Wholesale food prices rose 0.7 per cent during the week ended July 13, sending the bureau of labor statistics index of wholesale commodities upward to 148.3 per cent of the 1926 average, the BLS reported today.

The index was 0.5 per cent higher than in mid-June and 2.9 per cent above mid-July, 1946. It was 8.1 per cent higher than the corresponding week of 1937 and 53.7 per cent above the July, 1926 index.

Local Middle on Cruise to Europe

Midshipman John E. Dacas, Benoit, son of Mr. and Mrs. Harry J. Benoit and a student of the U. S. naval academy, is participating in an extended summer training cruise to Europe aboard the aircraft carrier USS Randolph.

The cruise is the first to be made to Europe by midshipmen since 1937. The group will make ports of call at Rosyth, Scotland; Copenhagen, Denmark; Oslo, Norway; Goteborg, Sweden, and the English ports of London, Portsmouth, Weymouth, Plymouth, Greenwich and Woolwich.

Lewin Is Chosen For City Council

BUHL, July 18.—C. E. Lewin has been chosen as a member of the Buhl city council to fill out the unexpired term of Harold Hyde, who resigned recently.

Lewin will be chairman of the cemetery and park committee. He is a telephone clerk with the Union Pacific railroad and has been at Buhl the past four years.

The petition for Lewin was signed by 11 Buhl residents and was the only one submitted.

Research on Farm Called "Investment"

ABERDEEN, July 18 (AP)—Nearly 250 south Idaho farmers who attended a "field day" at the Aberdeen experiment station Thursday were told by Dean D. A. Theophilus, director of the University of Idaho extension service, that "agricultural research is an investment in the future."

Theophilus complimented the visiting farmers for their "interest in agricultural progress" and expressed the hope that their inspection of the station would give them "information of direct value in producing their crops."

Theophilus said the visitors were "capitalizing on the investment in Aberdeen station by inspecting it and seeing what is going on."

Large Turnout The large turnout, Theophilus declared, "is evidence of Idaho's desire for progress in the field of agriculture."

After three sectional tours of the 167 acres under cultivation at the station, the farmers returned to a large potato cellar to hear Superintendent Ralph Knight describe experiments and their results.

Others Tell Work L. W. Neilson, in charge of potato research at the station, utilized colored slides in explaining the need for seed treatment in the prevention of many potato diseases that are transmitted or originate in seed.

R. H. Stark, nursery manager for the soil conservation service at the station, explained a newly developed practice of cutting grasses with alfalfa. That subject drew considerable interest and discussion from the visitors.

During the morning tour, the farmers inspected a plot of seed peas planted in double rows with the irrigation water applied every other row to prevent the pod and vines from becoming wet in the irrigation water.

The officials are defendants in an action brought by the Bingham country club of Shelley seeking to restrain them from enforcing the new law and asking the court to declare the newly-enacted statute unconstitutional.

Court Asked to Declare 'Drink' Act to Be Legal

BOISE, July 18 (AP)—R. C. Lewis, commissioner of law enforcement, yesterday asked Ada county district court to enter a decree holding that the 1947 liquor law "is a valid and constitutional piece of legislation."

Lewis requested the action in a general denial that Idaho's new liquor law is unconstitutional and that it repeals a 1929 statute affecting liquor served in private clubs.

He was joined in the denial by Bingham county law enforcement officers.

The officials are defendants in an action brought by the Bingham country club of Shelley seeking to restrain them from enforcing the new law and asking the court to declare the newly-enacted statute unconstitutional.

MEETING TUESDAY

Time slated for a meeting of pilots, aircraft owners and airport operators was inadvertently announced as being 8 p. m. Thursday in the Idaho Power auditorium. Correct date scheduled for the meeting is 8 p. m. Tuesday in the Idaho Power auditorium.

practice of cutting grasses with alfalfa. That subject drew considerable interest and discussion from the visitors.

During the morning tour, the farmers inspected a plot of seed peas planted in double rows with the irrigation water applied every other row to prevent the pod and vines from becoming wet in the irrigation water.

The officials are defendants in an action brought by the Bingham country club of Shelley seeking to restrain them from enforcing the new law and asking the court to declare the newly-enacted statute unconstitutional.

Traffic Fines

Payment of 26 more over-time parking fines has been made in Twin Falls city traffic court. Paying fines of \$1 were Johnnie Gust, A. O. Benoit, Jr., Tom Driscoll, O. E. Showers, Mrs. O. D. \$1,353,024,000 in Foreign Aid Gets Committee Okay

WASHINGTON, July 18 (AP)—The House appropriations committee today voted the administration an additional \$1,353,024,000 for foreign relief, including the full \$400,000,000 requested for the Greek-Turkish aid program.

The committee, however, cut by \$100,000,000 the projected \$500,000,000 for the UNRRA relief program for Poland, India, China, Hungary, Austria, Greece and Trieste.

The relief funds were included in a bill carrying a total of \$1,600,000,000 in supplemental appropriations for the current fiscal year. The House will debate the bill after noon and probably shoot it to the Senate by nightfall.

The bill was \$137,173,881 less than the administration had asked. The proposed foreign relief program was cut by \$177,470,000, including a cut of \$175,000,000 in the war department request of \$725,000,000 for relief in the occupied areas of Germany, Japan, Austria and Korea.

Emroy J. Roller Claimed by Death

Emroy J. Roller died at 3:45 a. m. Friday at his home, 456 Sixth ave., following a brief illness.

He was born Sept. 2, 1892, at Lima, O., and came to Twin Falls in 1900, making his home in Boise. A hardware salesman for the Idaho Hardware Co., he was a member of St. Edward's Catholic church of Twin Falls and of the Elk's lodge in Burville.

Potatoes-Onions Post at KVMV

Charles (Chic) Crabtree, manager of KVMV since the station first started operations here, is leaving to become manager of the new radio station, KIFI, in Idaho Falls. It was announced today.

Jack Thomas, former KVMV employee who has been with KVMV since the station first started operations here, is leaving to become manager of the new radio station, KIFI, in Idaho Falls. It was announced today.

Two Women Ask Divorce Decrees

Suits for divorce were filed in district court Wednesday by two women who charged their husbands with extreme cruelty.

Accusing Grant I. Hopkins of "excessive drinking," Hazel Hopkins of Idaho Falls, today filed suit for divorce, custody of her 10-year-old daughter, \$50 support monthly.

Naazeres Attend Revival Services

Delegates from Kinsley, Fla., and attending, attended Thursday sessions at the tent revival campaign being conducted at Second avenue and Third street north by the First Church of the Nazarenes, according to the Rev. Mackey J. Brown.

The Rev. Harold Wolf, widely-known Nazarene evangelist, spoke on "God Our Only Hope." Joseph Shamp, musician and singer who is in charge of music, presented two solos.

Two Minor Auto Accidents Noted

Two minor accidents were noted by Twin Falls police Thursday. An intersection collision involving cars driven by Richard B. Laking, 1350 Ninth avenue, and William C. Laking, 1350 Ninth avenue, occurred at 3:45 p. m. at the intersection of Eighth avenue north and Third street north. The cars were damaged before police were called. Damaged were the front end of the Laking coupe and the right side of the Laking car.

"Hit-and-Run" Story Denied In Car Crash

Further details of a highway accident involving four vehicles Wednesday evening stop the hit-and-run bridge on U. S. highway 93, were given Thursday night by Ben O'Harrow in a statement to the Times-News. O'Harrow emphasized that one truck involved was not a "hit-and-run" vehicle, as listed in a wreck report made out by the deputy sheriff who investigated.

O'Harrow stated that he was driving north on U. S. highway 93 at a speed of about 30 miles an hour, had slowed down as he approached the run-to-into bridge, and was struck from the left rear by a truck driven by Russell Harris, Jerome.

Conspicuous to the right, he stated, and he had to swerve sharply to the left to avoid missing the bridge, almost going into the canyon. Right side of his car was torn by a guard rail. O'Harrow said that Harris struck him a second time while passing him on his left, "caving in" the left side of his coupe and damaging the steering apparatus.

After passing him, the truck continued on until it was about two-thirds across the bridge. O'Harrow stated, adding that the truck driver ran back and told him that both his normal and emergency brakes had failed.

Cause Out of Control
Continuing his description of the accident, O'Harrow said that his coupe was then out of control and that he hit the truck previously listed as "hit-and-run." At the time he hit the truck it was stopped and pulled over as far as it could go, he emphasized. He said he hit the truck under the left rear corner of its bed.

The fourth vehicle was a car driven by R. L. Williamson. O'Harrow stated it was following the second truck involved and was coming to a stop. He said he believed that it came to a complete stop when it was struck by his coupe.

O'Harrow declared that the driver of the so-called "hit-and-run" truck inquired if anyone were hurt and upon being told there were no injuries and no way in which he could help, drove on.

Because O'Harrow was en route to Jerome to serve as a pallbearer at a funeral, drivers of the other two

U. of I. Rams to Be Sold at Filer

MOSCOW, July 18 (AP)—The University of Idaho will offer nine high quality Suffolk rams for sale at the Twin Falls fairgrounds Aug. 6. O. W. Hickman, head of the university's department of animal husbandry, announced today.

Hickman said the university will also consign seven Suffolk rams and 15 head of Panama rams to the national sale at Salt Lake City Aug. 25 and 26.

KING HILL, July 18—Harry Graham, Auburn, Calif., who spent two weeks visiting his sons and their families in King Hill, has returned to California.

vehicles agreed that he should go on and that they would remain there to make the investigation officer and make a report.

Wendell Man Fined For Tossing Rocks

GOODING, July 18—Leo Lawson, Wendell, was fined \$25 and costs when he appeared before Probate Judge J. H. Jackson a charge of assault.

Lawson was arrested Sunday evening on the Clear lake road for throwing rocks at passing automobiles, according to Sheriff Russell Cecil.

After reaching an altitude of 25,000 feet, climbers on Mount Everest must lie down for 10 minutes after every six steps.

'Next to Best' Bean Crop Is Seen in State

BOISE, July 18—The state's second largest dry bean crop, 2,400,000 bags, was forecast on the basis of conditions up to about July 1. The only year in which production exceeded this year's output was 1943 when 2,576,000 bags were produced.

Spring weather favored bean planting and early growth and much of the crop got off to a good early start. However, spotted frosts around July 1 set back crops in affected areas. The degree of damage is not yet determined but it is believed that most fields will recover.

Acres for harvest is indicated to be 150,000 acres, the largest the state has had, except for 1943, since 1931. Plantings of all important varieties are reported to have been increased over last year.

Meanwhile, the potato crop was forecast at 52,000 bushels. A crop of this size would be about 22 per cent smaller than the 1946 crop, 29 per cent smaller than the record 1945 crop, but the sixth largest yet produced.

The acreage for harvest was estimated at 194,000 acres, a fifth less than last year. This marks the sec-

ond successive year in which plantings have declined sharply from the previous year. The crop got off to a good start and was in very good condition up to about the first of the month. Consequently, yield per acre was forecast at 240 bushels which if realized would be exceeded in four other years.

However, frosts right at the close

of June blackened young plants over much of eastern Idaho and in spots in the south central counties. Most fields have since recovered, but growth is retarded.

Divining rods still are widely used by superstitious well-diggers, who believe the forked hazel sticks will point to water.
