Royal Neighbors Meet
 Royal Neighbors of America met Friday evening at the Odd Fellows hall for a regular business meeting. Berle Watkins presided at the session.

Mrs. Louise Smith was elected beneficiary; Mrs. Margaret Miller, social chairman, and Mrs. Edith Cusbert, transfer chairman.

The charter was dropped in memory of Anna Peters Egbert, who died recently. Mrs. Esther Maher was in charge of the program for the evening. Mrs. Deano Morrison presented two vocal selections, playing her own piano accompaniment.

Refreshments were served by Mrs. Morrison, Mrs. Angie Irons and Mrs. Lora Shelly.

The next meeting will be held Sept. 5. Winifred Whitehead will be in charge of the program and Lillian Wilson, Sigrid Smith and Ada Hunter will compile the refreshment committee.

Plan Sunday Social
 Plans for an ice cream social to be held at the home of Mrs. L. E. Magrath, Aug. 24, were made by members of the Shamrock club when they met Thursday evening at the home of Mrs. Don St. Angelo, 206 Ninth avenue north.

The announcement was made at a party given recently by the bride-elect's parents in St. Anthony. Each guest was presented a bridal bouquet corsage with "George and Joan, August 24" written on the corsage ribbon.

Miss Cardon attended Idaho State college and is now a student at the Utah Agricultural college at Logan. She is a member of Alpha Chi Omega sorority.

Joel attended the University of Idaho, Moscow, for one and one-half years where he was affiliated with Beta Theta Pi fraternity. During the past year he was a student at Idaho State college. He served in the army for three years, spending one year in the European theater.

The wedding will take place Sunday, Aug. 24.

GOODING, Aug. 18—June Rose Heller, daughter of Mr. and Mrs. O. D. Heller, became the bride of Douglas Duane Kramer, son of Mr. and Mrs. Charles Kramer, at a double ring ceremony performed at 7 p. m. Sunday, Aug. 10.

The marriage vows were read by the Rev. P. J. Bruns in the presence of 125 guests. The couple stood before a latticed background of gladioli and phlox at the altar of the First Baptist church in Gooding.

The bride's white satin gown was fashioned with long sleeves and a lace collar, an heirloom of the family. Her fingertip veil was edged with lace and tiny bow knots and was held by a tiara of lace and seed pearls. She carried a white Bible and bouquet of lilies and gladioli.

The bride was given in marriage by her father.

Mrs. Paul Jones, Pocahontas, groomed in pink and plum colored tulle, was matron of honor. Florence Lucille Cooper, Weiser, identical twins, were bridesmaids. Each was groomed in blue with matching head-dresses. The three attendants carried colonial nosegays.

Isaac Echeverria, Mountain Home, served as best man and ushers were Thomas Wokarist and Harry Lamson, Jr., both of Fairfield.

Wedding music preceding the ceremony was provided by Mrs. Lloyd Enively at the piano and Joan Kramer, sister of the bride, sang with violin accompaniment.

SO MANY WOMEN WRITE TO OUR magazine and ask if they should keep turning in their used cooking fats. Most certainly you! There is still a shortage—not only in the United States but all over the world. Here is what Secretary of Agriculture Clinton P. Anderson says: "It is still necessary to conserve every pound of used fat, since the over-all fat supply situation is little better now than it was last year." That's why we American women must keep on saving used fats until the world-wide shortage is over!

Mrs. Kramer wore a street-length dress of red and black silk print and the bride's mother wore a mauve eyelash afternoon dress. Each wore a gemstone corsage.

A reception was held at the home of the bride's parents, immediately following the wedding. The rooms were decorated with roses and gladioli and the refreshment table was centered with a three-tiered cake. The bride cut the cake which was served by Mrs. Gene Heller, her sister-in-law.

Assisting with the reception were Mrs. Lelure Lucke, Mrs. J. B. Kilbourne, Mrs. Mary L. Blodgett, Mrs. Bert Bowler, Mrs. Lee Rice, Mrs. J. R. Cromwell, Ruth Richards and Mrs. Charles Kramer. Lola Magnusson and Sally and Joan Kramer were in charge of the program and Lillian Wilson and Lucille Cooper, the bridesmaids, were in charge of the guest book.

The bride is a graduate of the Gooding high school and was graduated from the University of Idaho in June. She will teach English and dramatics in the Lewiston high school this fall.

The bridegroom will be a junior at the University of Idaho, taking a pre-law course. He will be in the navy for 30 months prior to his discharge.

Out-of-town guests attending the wedding were Mr. and Mrs. Paul Jones, Pocahontas; Mr. and Mrs. Jack Heller and Miss May, Salt Lake City; Mr. and Mrs. Tom Workman and son, Kent; Mr. and Mrs. Fred Baucher and son, Bill; and Mr. and Mrs. Harry Lamson, all of Fairfield; Mrs. Marie Farnham, Ketchum, and Ben Brooks, Mountain Home.

The couple left for a two-week wedding trip to the Heller summer cabin on Baker Creek above Ketchum.

MRS. ALBERT F. DAVIS
 (Staff engraving)

JEROME, Aug. 18—Carman Colleen Frazier, daughter of Mr. and Mrs. Shirley Frazier, Jerome, and Albert F. Davis, son of Mr. and Mrs. W. C. Davis, also of Jerome, were united in marriage in a candlelight ceremony performed at 2 p. m. Sunday, Aug. 10, at the First Christian church.

The Rev. John M. Pries, pastor, read the marriage vows in the presence of relatives and friends before a background of gladioli, fern and lighted tapers.

The bride wore a white marquisette gown fashioned with long full sleeves, sweetheart neckline and fingertip veil caught by a tiara of seed pearls. She carried a bouquet of pink and white gladioli tied with net and blue and white satin streamers. As a token of sentiment she wore a string of pearls, a gift of the bridegroom. The bride was given in marriage by her father.

Bridesmaids were Doris and Ethel Frazier, sisters of the bride, who wore matching floor-length gowns with picture hats of white dotted net. Both wore corsages of white gladioli.

Best man was Dee Greene, and ushers were William Davis and Gertrude Nitting. Buhl, Lucille and Helen Rose Frazier, sisters of the bride, were flower girls. They wore similar blue and yellow marquisette dresses and carried small white crocheted baskets made by Mrs. W. P. McClure for the ceremony.

Preceding the ceremony Ann Louise and Joan Olson lighted the tapers. Ralph Adams sang "O Promise Me" accompanied by Mrs. Thelma Gibson, who also played the wedding music.

Following the ceremony a reception was held at the church. A three-tiered wedding cake topped by a miniature bride and bridegroom was cut in traditional manner by the newly married couple. Mrs. John Pries and Mrs. Thelma Gibson served.

Mrs. E. E. Adams was in charge of the guest book and Mrs. J. W. Fort presided at the gift table.

The bride's mother wore a brown and white afternoon dress and the bridegroom's mother wore a blue afternoon dress for the wedding. Both had corsages of white gladioli.

The couple left for a wedding trip to the west coast immediately after the reception. For her traveling outfit the bride chose a powder blue suit with white accessories.

Mrs. Davis was graduated from Jerome high school in 1947. The Jerome school is also a graduate of the school and served four years in the navy. He is now employed at the Men Valley implement company.

Out-of-town guests at the wedding were Mr. and Mrs. Leo Cecil, Mrs. Jess Osborne and daughter, Phyllis, and Eddie Carroll, all of Twin Falls; Mr. and Mrs. C. E. Johnston and family, Bellevue, and Mr. and Mrs. Clifford Nutting and family, Buhl.

BURLESON, KORALESKI BATS BEAT PILOTS

Pair Drives in Seven Runs as Cowboys Win

By MAJOR WOOLFE

The Little Man Who Wasn't There

BOISE, Aug. 18—Manager Earl Boryard's Twin Falls Cowboys were back within two games of the pennanting Boise today, as the duo of Burleson and Koraleski, batting first, led the team to a 7-3 victory over the Pilots in the final game of the state tournament here last night.

With Burleson, subbing for the injured Hal Danielson, hitting in four runs with three safeties, one of them a double, and Koraleski sending three others across with a home run, the Cowboys defeated the Pilots here last night, 7-3, to even the series and presenting Billy "Red" Rose with his first major triumph. Rose gave up only six hits, while the Cowboys got 12 off Roberts, Hicks and Manager Walt Love.

The Wranglers played brilliantly, fielding two double plays, both originating in the outfield when George Leyrer and Chuck Balsani made great throws to get runners at second and first.

Manager Boryard shook up his batting order somewhat, moving Balsani into the third spot behind Speng and dropping Jack Radtke to fifth to make use of his hitting with men on bases.

The Wranglers pushed over a run in the first inning. Leyrer and Jensen walked and the bases were filled when Daniels dropped Balsani's line drive. Boryard made a sensational catch of White's drive to left and Radtke whiffed. With Love up Roberts walked and Leyrer was waved home. The bases ground out to Jensen.

Pilots Take Lead

The Pilots took the lead in the third frame. Briskey walked and Speno doubled off the centerfield wall to score the shortstop. Siles walked. White opened the frame by walking. Radtke singled through Lowe at first, sending White to third, and when Speno grounded the ball the Cowboy captain strided to second. Lowe fanned, but Burleson, on the first pitch, singled to right, scoring both.

The Cowboys got over two more runs in the fifth. Balsani singled left, and when Speno doubled to center and Balsani grounded out to Daniels, Lowe singled to left, scoring Balsani and then stole second. Burleson doubled to center, putting Lowe over the plate.

Koraleski Hits Homer

The Wranglers got four runs in the seventh. With one down, White singled to left and Radtke beat out an infield hit to Lowe. Lowe flied out, but Burleson again singled to right, counting White. Koraleski then smashed the ball over the left field wall, scoring Radtke and Burleson ahead of him. After Rose walked, Hicks took Roberts' place on the hill and the Cowboys tied the bases but there was no further scoring in the frame.

The final run of the game came in the eighth and it was made by Rose when Briskey doubled down the third base line and Speno got a two-bagger off the center-field wall.

Dick Wakinggaw was scheduled to hit against the Pilots tonight.

Cards, Dodgers, in Flag Battle, Meet Twice in Majors' Only Tilts

By CORNELIUS RYAN

NEW YORK, Aug. 18 (AP)—With a fine sense of the dramatic, major league baseball today in Brooklyn and the Cardinals alone on the stage today for a doubleheader which may be as funny as show, as tragic as Ibsen or as surprising as O. Henry.

Only these two games were scheduled, one in the afternoon and the other at night, and interest was heightened by yesterday's results in which St. Louis outscored Pittsburgh, 6 to 5, while the Phillies trimmed Brooklyn, 4 to 0, to cut the Dodgers' lead to 4½ games over the Cards. Then, building suspense, each team played a tie game in the second half of the doubleheader. The Card-Pirate game was scoreless when rained out; the Dodgers-Phil contest was tied 4 to 4 when the curfew stopped it.

7 Games for Brooklyn

If the Dodgers play today as they did in yesterday's first game, it will be funny to see the Cardinals' faithful, but Shotton's boys made seven errors, and all the Phil runs were aided by bobbles. However, Duncanson's knuckleball, flitting perfectly, was touched for only seven scattered hits by Dodger bats, and Leonard completed the rout by batting in the last two Phil runs with an eighth-inning single.

A double victory for either team would be tragedy to the fans of the opposing team, but the Cards, needing a sweep of the four-game series, and the Cards, needing a win after yesterday's St. Louis padded Kirby Hughes' first run in the first four innings, then defending frantically as the Cards edged up on a homer by Frank Chasins, and a six-run fourth-inning burst in the eighth clinched by Hank Greenberg's 24th roundtripper. Al Brantle finished the game.

Giants Beat Twice

Boston's Braves whipped the Cardinals twice, 2 to 1 and 2 to 1, to hold third place in the National League. Warren Spahn in the first game and Bill Vukobrat in the second scattered eight Giant hits, and both fine batting support from Bob Elliott, who five hits in the two games sent home three runs. Clint Hartung, Giant pitcher in the opener, allowed only five hits but Walked 10.

The Reds took a firm grip on fifth place with two victories over the Cubs, 2 to 0 and 11 to 3. Ewell Blackwell won his 19th victory in the opener, scattering five hits and striking out 10 for a season total of 160 whiffs. Grady Hatton's two-run homer gave Blackwell his runs. The Reds got 19 hits in winning the second game.

Rasch, Finally Beaten

In the American league, Denny Galehouse outpitched Vic Rasch as the Red Sox beat the Yankees in 11 innings, 3 to 0. It was Rasch's first loss after six victories since he came from Portland. He held Boston to two

Jim Smargis To Get Place On Ring Bill

Jim Smargis, Idaho Falls' welterweight with the lethal right hand who went all the way to the finals in the last Golden Gloves tournament here, will make his appearance on the Veterans of Foreign Wars ring program at Jaycees park Wednesday night.

Smargis will oppose Frankie Williams, Weiser, in one of the two four-round preliminaries on the program. Williams won his bout on the last professional card staged here.

Matchmaker Bill Bell announced the completion of the card with the signing of Logger Tommy Bull, Idaho Falls, to oppose Sonny Kelly, a newcomer to Twin Falls, in a six-round preliminary. Both are welterweights.

Louis Ruybalid, Denver 132-pounder, who will oppose Buddy Washington, Pocatello's Negro sensation, in the 10-round main event, arrived Sunday and began putting the finishing touches on his training at Bill Moran's camp, where Bobby Beebe, local featherweight, is training for his semi-windup bout against Tommy Davis, Salt Lake City.

Bell reported a big advance sale for the program.

Glenns Ferry Defeats Filer, Wins SCI Title

Glenns Ferry, north side titleholders, won the championship of the South Central Idaho league by defeating Filer, the south side titleholders, for the second straight time in the playoff series at Jaycees park here Sunday afternoon. The score was 9 to 1.

Lee Porterfield, former Southern association southpaw, held Filer to seven scattered hits but the Twin Falls county lads passed up many chances to score by poor base running. Meanwhile, Glenns Ferry, the Filer hurler, was pounded for 14 hits including three doubles. However, a number of these were misjudged fly balls by his outfielders.

MISS SUGGS WINS

EVANSTON, Ill., Aug. 18 (AP)—Completing the first double-slam in the half century history of western competition, Louise Suggs, Atlanta, Ga. in the final round today trounced newcomer Carol Diring, Tiffin, O., 9 and 8 to win the women's western amateur golf championship. Miss Suggs is the first golfer to win both the western amateur and western top in consecutive years.

Bees Win Over Reds on Error In 11th Frame

By The Associated Press

REVENGE WAS SWEET for three winners of Sunday night games in the Pioneer league, although it might have been a lot sweeter for the Cardinals had they done a bit more to earn their victories.

The Bees and Cardinals who lost Saturday, won last night, the Salt Lake City Bees, 7 to 3, and the Cardinals, 10-9, as Russell and George Oldenburg projected.

At Salt Lake City's, Deeks fielded the game, who really held the ball game to the Bees, with Starter Bob Sanders leading light walks and his Junction city mates committing six errors after to insure their defeat. Ironically Sanders gave way to a pinch hitter in the 10th and Ed Schlenger was charged with the loss, although he worked only two innings.

Bob Drilling, top Bees right-hander, gave up 11 hits in nine stanzas and then he too left in favor of Ted Savarese, with the latter getting the win credit.

For the 11th Al Jacinto was walked by Schlenger. Jack Boccioco bunted to the mound and Schlenger heaved the apple far into the right field, Jacinto coming all the way home with the deciding run.

At Pocatello the Cards were trailing, 9-5, as their last bat began with Jim Foster still doing the Rust mound chore. After Ed Sheehan and Bob Thompson were walked Oldenburg airt in Walt McHugh who was promptly touched for a two-run double off Al Nell's bat and John Gries' tremendous three-bagger to score Neil.

Roy Vinbladi was intentionally passed and he showed his appreciation by unnecessarily strutting around just ahead of another intentional walk to Dave Abramson which led the base. Then Jim Gimpse hit a double play ball but wound up on second, and McHugh had taken all he could and walked Bob Lane and Stan Gray to force in Abramson with the winning run.

Bid for Race Brings Death By Hot Wire

CHICAGO, Aug. 18 (AP)—An unknown reckless driver who challenged another motorist to a race was blamed today for starting a series of freak accidents which resulted in the electrocution of three persons.

The driver pulled up yesterday beside the automobile of Sol Silvey, 48, who was returning from a picnic at Lake Zurich, Ill., with his wife, Thelma, 43, Mr. and Mrs. Joseph Ornstein, and the Ornstein's nine-year-old daughter, Francine. Both families are from Chicago.

Issues Challenge

As the two cars moved side by side down Rand road toward Chicago, the unknown man laughed and waved his arm forward, challenging Silvey to race him. The motorist threw his car toward Silvey's, forcing Silvey to swerve to avoid a collision.

Silvey's car crashed into a power pole, dislodging a live wire which fell across the hood of the automobile. None of the occupants were hurt in the crash.

Tripped Over Wire

Silvey got out to help the others from the car. As he moved around the front of the automobile, however, he tripped over the wire and was electrocuted.

Seeing her husband fall, Mrs. Silvey stepped out of the car, tripped over his body, and died instantly as the high voltage current ran from Silvey's body through hers.

Joined Others

Ornstein climbed from the car to help the Silveys. He stepped to the ground, one of his legs touched Mrs. Silvey and he fell dead across the bodies of the couple.

Mrs. Ornstein, afraid to touch the door handles, broke a rear window with a thermos jug to escape. Her daughter opened a door without injury. Both were treated for shock at a nearby hospital.

The motorist who had caused the accident drove on without looking back.

Meet the Montanas

Here are members of the Montana family to appear during the Twin Falls county fair and rodeo. All crack riders, they are Montie, Louise and Montie, Jr.

Montana Family To Headline Fair And Rodeo Event

A headline attraction at the Twin Falls county fair and rodeo in Flax Sept. 3 through 6 will be appearance of the Montana family, Tom Parks, fair board secretary, announced Monday.

The family consists of Montie, his wife, Louise, and their son, Montie, Jr. The Montanas have appeared at many major rodeos, fairs, and horse shows throughout the United States, Canada, Mexico and the Hawaiian Islands.

Montie was born and reared on his father's ranch near Miles City, and has been riding and roping ever since he can remember. In 1933, after he had entered rodeo riding in 1925, he was married to Louise.

This ceremony was a performance on horseback at the Los Angeles county fair, Pomona, Calif. Buck Jones was best man, Mrs. Jones was matron of honor, and the bridemaids were all cowgirls.

Montie and Louise have worked rodeo and shows together since their marriage, and in 1934 Montie, Jr., joined the troupe. He took his first ride when three days old.

The fancy rider has worked in pictures with Buck Jones, Tom Mix, Roy Rogers, Bill Boyd, Michael O'Shea and many other film "names." Some of the pictures in which he has appeared are "Circle of Death," "Comin' Round the Mountain," "Riders of the Deadline," "West of the Pecos," and "Law of the Pampas."

Overseas Airlines May Show Profit

WASHINGTON, Aug. 18 (AP)—A possibility that U. S. airlines operating trans-Atlantic services may show a profit this year without federal subsidies is noted by James M. Landis, chairman of the civil aeronautics board.

Within 10 or 20 years, Landis said in an interview, practically all of the international operations of American owned lines may be profitable without benefit of the mail pay they now get from this government.

The three carriers engaged in the trans-Atlantic trade are Pan-American, Trans-World airline and American Overseas Airlines.

First War Dead Due in October

WASHINGTON, Aug. 18 (AP)—The first two ships returning America's war dead are scheduled to reach the United States in October, and the war department says probably no others will arrive this year.

About 3500 will be brought home aboard the first vessel, due at San Francisco about Oct. 10. Another carrying some 6300, most from the Henry Chapel cemetery in Belgium, is scheduled to arrive in New York Oct. 25.

Joining the troupe are Roy Rogers, Bill Boyd, Michael O'Shea and many other film "names." Some of the pictures in which he has appeared are "Circle of Death," "Comin' Round the Mountain," "Riders of the Deadline," "West of the Pecos," and "Law of the Pampas."

Palisade Dam Cost Nearing Million Mark

IDAHO FALLS, Aug. 18 (AP)—The bureau of reclamation has expended \$229,364 on the Palisade dam project to July 1, 1947, according to word received by Ival Goelin, manager of the Aberdeen-Springfield Canal company, from Sen. Henry Dworshak, R., Ida.

In response to a request by Mr. Goelin for statistics covering the total expenditure on the proposed Idaho dam, Senator Dworshak recently contacted headquarters of the bureau in Washington, D. C., where he was furnished with a report of the dam's expenses to date.

Mr. Goelin also revealed that expense of the Boise regional office of the bureau paid from Palisade dam funds amounts to \$50,897. The canal company leader added—I presume this is total project funds charged to expense of the regional office, although the report I received did not specifically indicate so.

Expenditures listed for the dam to date seems reasonable and justified in view of the complexity of the project, and the amount of pre-construction work which has been accomplished to date. It is evident, if I have interpreted the figures correctly, that I. Donald Jerman, resident engineer at Idaho Falls for the bureau, is doing a good job. The water leader stressed that the Palisade dam is needed to sustain east Idaho's expanding agricultural economy and an early settlement of all problems on the Snake river is imperative.

Navy Plane Tests Near 'Sonic' Zone

WASHINGTON, Aug. 18 (AP)—The experimental Douglas Skystrak, which may be the navy's fastest plane, is reported creeping up slowly in west coast tests to the area around the speed of sound.

No figures have been released on how fast the Skystrak has flown, but it was designed to probe the lower fringes of the sound barrier—somewhere between 600 and 700 miles per hour.

The navy announced today that the plane, a jet type, had completed its 10th test flight. Speculation in aviation circles is that it is close to or has perhaps surpassed the army air force record of 623.8 m. p. h.

Mr. Goelin also revealed that expense of the Boise regional office of the bureau paid from Palisade dam funds amounts to \$50,897. The canal company leader added—I presume this is total project funds charged to expense of the regional office, although the report I received did not specifically indicate so.

Expenditures listed for the dam to date seems reasonable and justified in view of the complexity of the project, and the amount of pre-construction work which has been accomplished to date. It is evident, if I have interpreted the figures correctly, that I. Donald Jerman, resident engineer at Idaho Falls for the bureau, is doing a good job. The water leader stressed that the Palisade dam is needed to sustain east Idaho's expanding agricultural economy and an early settlement of all problems on the Snake river is imperative.

Detroit Man, 62, Finds Traffic Is Quite Hazardous

DETROIT, Aug. 18 (AP)—Joseph Petty, 62, planned today to stay away from Detroit's downtown section for a while after collecting two pedestrian tickets in as many minutes for "interfering with traffic."

Hoping Petty sticks to his decision was Police Officer Oscar Day, who directs traffic—with the help of a few signal lights—at a busy intersection of three streets.

Day was startled to see Petty coming uncertainly toward him through a maze of screaming brakes and blaring horns. That he decided, consulted interference with traffic, so he wrote out a ticket and showed Petty which light to watch to get to the opposite corner safely.

He turned back to his duties, only to hear cars clattering and brakes screeching again. Lying on the pavement this time was Petty, who had watched the wrong light.

An ambulance took the confused Petty to receiving hospital, where attendants found him only bruised. Then two other officers wrote out a second ticket.
