Five Persons Die in Area Traffic Accidents During 'Blackest' Week

Five persons died in traffic accidents in Magic Valley during the past week to make it the blackest period of the year for deaths resulting from mishaps on the area's highways. The deaths occurred in four accidents with three of the victims being killed in Twin Falls county, one in Jerome county and one in Blaine county.

Climax of the week of fatal accidents was the death Friday noon of James F. Methven and Gladys May Methven, both Buhl, who died when the 1942 Ford in which they were riding hurtled into Snake river canyon from the left side of the Twin Falls county approach to the rim-to-rim bridge.

Death started stalking the area's highways last Sunday when Dean Wallace, 22, was killed south of Halley when the pickup truck in which he was riding left the highway and rolled over five times. Speed was blamed for the crash.

About 24 hours later, Donald Johnson, 16, Jerome, was fatally injured when he fell from the rear of a loaded potato truck southeast of Murtaugh.

Third Victim
Mrs. Glenn Brown, 30, Jerome, was the third crash victim of the week. She was killed Saturday morning when the car she was driving collided with a truck near Jerome.

The Friday accident, in which the Methven pair died, boosted the 1947 total of deaths here to 10. Twelve of the fatalities occurred in Twin Falls county. The accident in Jerome county raised the number of deaths there to four and the fatality in Blaine county was the first recorded this year.

Rock Wall Planned
Following the Friday accident, the second this year in which lives have been lost when a car fell into Snake river canyon, it was reported the state planned to erect a rock wall 50 feet long and five feet high along the canyon rim. James O. Reid, state director of highways, said surveys of labor had delayed the project, but he declared the work would start as soon as labor was available.

Twin Falls County Coroner F. Wayne Schow indicated Saturday there would be no inquest into the deaths of the Methven couple. They were the divorced parents of two daughters whose custody was awarded to the mother.

(Continued on Page 2, Column 1)

Where Last Ride Ended at Bottom of Canyon

After devastation wrought when a car carrying two persons plunged into Snake river canyon near the north approach to the rim-to-rim bridge is shown by this photo taken a few minutes after the tragedy occurred. The body of Mrs. Gladys M. Methven, Buhl, is shown at left foreground near Deputy Sheriff Boyd Thietzen. The completely demolished 1942 model sedan is shown in background being examined by State Police Officer M. E. Ray, Jr., and Sheriff Grode Rayburn. The body of James F. Methven, also of Buhl, former husband of Mrs. Methven, was wedged under the left rear fender of the car. (Staff photo engraving)

Russian Bloc Boycotts Vote On 'Overhaul'

LAKE GEORGE, Oct. 18 (AP)—Soviet Russia and her satellites today boycotted the first vote on Secretary of State Acheson's proposal for an overhaul United Nations machinery and indirectly served notice they would not join in the assembly even if approved by a majority of the members.

A ballot on referring the Marshall proposal to a drafting subcommittee was 38 to 0 with Russia, Poland, Yugoslavia and Czechoslovakia refusing to vote. Four Arab nations abstained.

A moment later the assembly's resolution political committee voted unanimously and the subcommittee to Russia, Czechoslovakia and 13 other nations. The Russians and Czechoslovakia announced they would not participate even in drafting work because the whole was "illegal."

Asked whether these steps meant that Russia would refuse even to attend the session, a spokesman said by Marshall, a Soviet spokesman said today's action could be "regarded" as a "preliminary step" after being voted down 38 to 0 in efforts to block creation of the commission on the Balkans, Russia and Poland were elected to seats on the commission and promptly announced they would not open on the drafting group. He had taken the same action after the boycott in the Greek case.

41 Believed Dead As French Plane Dives Into Ocean
PARIS, Oct. 18 (AP)—Forty-one persons were believed today to have been killed in the crash of a French plane in the Mediterranean.

The company operating the plane said two persons, the pilot and another crew member, had been rescued. The French navy ministry said 11 bodies had been recovered. The plane was carrying 42 passengers and crew.

A search by military planes, a submarine and a tugboat failed to disclose any signs of additional survivors of the crash, which occurred yesterday in a telegram received from Marseille to Oran, Algeria.

The company said it had "little hope" of saving any more of the crew of five and 38 passengers. It apparently said the plane was carrying everyone was safe, but today the company said it was unable to give any more details.

Eight children and 16 women were listed among the passengers, all apparently residents of France or North Africa. One of the crew members was the plane hostess.

Taylor's Resignation Urged by Fifth District American Legion

ALBION, Oct. 18.—In a bluntly-worded resolution which pulled no punches the Idaho American Legion's fifth district tonight asked Sen. Glen Taylor to resign his office at once if he "does not halt immediately his policy of lending aid to Russian propagandists and jeopardizing this nation's unselfish campaign for world peace."

The district Legion which previously had protested the senior senator's radical actions, rolled up its sleeve and took one healthy verbal punch after another at Taylor.

Referring to him only as Idaho's senior senator, the resolution flayed Taylor as follows:

"For brazenly aligning himself and associating himself with Russian propagandists and fellow travelers in the U. S. ...
"For jeopardizing the well-being of the United States by lending aid to Russia, Poland, Yugoslavia and Czechoslovakia ...
"For openly championing communist Russia, attacking the U. S. as a war-mongering nation, and associating himself with worshippers of a foreign ideology."

"We express our stern disapproval of the deplorable stand taken by your senior senator," the resolution declared, "it is a stand in direct conflict with our country's efforts for world peace, and a stand in direct conflict with American Legion principles. We suggest that the senior senator resign his office at once if he does not halt immediately his policy of lending aid to Russian propagandists and jeopardizing this nation's unselfish campaign for winning the peace as we won the war."

"We further ask that the people of Idaho join in solemnly recommitting the United States to the war."

Train Load of 'Worst Men in Army' Strews Path of Escapes
SALT LAKE CITY, Oct. 18 (AP)—With a reinforced armed guard over approximately 150 of the worst men in the military, a train carrying the train rolled toward California today following seven escapes in three states.

All but one of the prisoners who escaped in wild leaps from the train have been recaptured. One, critically wounded, still hunted by Kansas police is the seventh man, identified by army authorities as James D. Anders, 21, Jamestown, N. Y.

The train is carrying the handcuffed prisoners, many serving life terms and facing dishonorable discharge for such crimes as desertion, rape or desertion from Greenhaver, N. Y., to detention barracks at Camp Cooke, Calif.

The cars remained darkened while they stood in the railroad yards here for 30 minutes while the train was serviced.

The cars remained darkened while they stood in the railroad yards here for 30 minutes while the train was serviced.

Col. Wade M. Killian, in charge of ground force reserves in Utah, took over command of the train and added 10 additional guards to the force already aboard.

At Camp Carson, Colo., where a successful widespread search for one of two prisoners who escaped in the southeast Colorado rocks was directed, Lieut.-Col. H. F. Ames, public information officer, termed the prisoners "the worst the army's got—willing to go to any extreme to escape."

Ames said three German prisoners of war, sentenced to life imprisonment for crimes committed while in POW camps, were the worst the army's got.

This is the story, with incidents given by army authorities and police of Missouri, Kansas and Colorado:

As the train sped across country, the "hard-bitten" prisoners became more and more surly. James W. Douglas, 21, Loveland, Tex., and Douglas, 21, Loveland, Tex., were the first to be arrested.

20 Billion Aid Won't Hurt U.S., Krug Says; Officials Fear Cost May Be Hiked

WASHINGTON, Oct. 18 (AP)—Secretary of the Interior Krug informed President Truman today that the United States could carry out a \$20,000,000,000 program of aid for western Europe without seriously draining its resources. Such a program, said Krug, would pay for itself in speeding up imports to this country, and it would help knock the world economy off the dead-center upon which he said it has become stalled. But the venture cannot succeed, Krug added, unless Americans cooperate in the President's grain-saving program, and unless certain export controls are retained to make sure this country's steel doesn't go into some other nation's beer cans.

Mr. Truman, releasing a bulky report on national resources and foreign aid prepared by an inter-departmental committee headed by Edwin P. Redkey, said that our natural resources are adequate to permit sharing its heartening.

The President pointed out, however, that the information must be fitted in with forthcoming reports on:

1. The economic impact of foreign aid to be prepared by a council of economic advisers headed by Edwin P. Redkey.

2. The "character and quality" of resources which may be available for foreign aid, as determined by a committee headed by Secretary of Commerce Hartman.

"Aided by these three interrelated studies," said the President, "and by information assembled by the economic advisers, we will be able to meet the needs of other countries and the needs of self-help and mutual help being sought by these countries. I shall prepare recommendations to the Congress on the nature and extent of foreign aid."

Krug told reporters that the most serious feature of the program of foreign aid is not depletion of resources but the problem of surplus.

Major Shortages
"This is serious, he added, only when related to war-time destruction and shortage of raw materials. It is shorts, especially cereals, that don't seem to be in short supply."

Steel Termined Main Trouble In Aid Report

On reports from the Bureau of Reclamation, the steel shortage problem was not as serious as it had been reported to be. Steel, basic to all reconstruction, is in short supply.

Condition of Crash Victim Termed Good

Mrs. E. A. Griffin, Twin Falls, Saturday was reported in good condition at the Twin Falls county hospital after suffering a skull fracture sustained in an accident at Blue Lakes last week.

On arraignment before Justice today, the driver of the car, identified as Charles W. Griffin, was held over for trial on charges of negligent homicide.

Experts Fear Europe Plan 'Too Optimistic'

WASHINGTON, Oct. 18 (AP)—Administration officials said today that the European recovery plan may have to increase rather than cut the \$22,400,000,000 total of European requests under the Marshall plan.

At the present stage of study they emphasized this is only a possibility—but one which is causing much concern to federal financial experts trying to reduce the cost before offering the program to an economy-seeking Congress.

These officials, who withheld the use of their names, told a reporter that the 16 western European nations have overestimated their ability to increase their own exports in the four-year period.

Prices Spiral Still Soaring To New High

By The Associated Press
Wholesale commodities established a new price peak today as an increasing number of cities announced week-end boosts in the price of bread and meat.

For the fourth consecutive day, the Associated Press composite price of 25 wholesale commodities broke previous all-time records. The index touched 196.83 compared with 192.45 a year and 190.10 during the base year 1926.

Since Price Boosters
Bakers in four eastern and one midwestern city raised the price of bread and the international shoe company of St. Louis, one of the world's largest manufacturers of footwear, said a general increase would be made in the price of shoes.

The boost in shoe prices, which will be reflected in the retail market about Oct. 1, will range from 25 cents a pair for children's footwear to 85 cents for men's.

Meanwhile, "December wheat hit the \$3.00 level again on the Chicago board of trade, after remaining below that level through September, and corn and oats also pushed higher.

See Other Rales
In Washington an official of the American Bakers association told a reporter that the price of wheat is "priced" if bakers in other cities have to raise prices "in view of wheat at \$2.95 a bushel and a shortage of flour."

The agriculture department reported that retail milk prices had reached their highest peak on records dating back to 1918.

Most commodities showed increases in the class of goods at primary markets yesterday. On the upward trend were butter, meat, cotton, rubber, sugar, steel, flour and corn. In both New York and Chicago wholesale markets were firm.

Red, Brazil Break Waits Formal Act

RIO DE JANEIRO, Brazil, Oct. 18 (AP)—A break in diplomatic relations between Brazil and Soviet Russia awaits only an official Brazilian announcement, it appeared today.

Foreign Minister Paul Fernandes held a long conference with President Eurico Gaspar Dutra, giving the Brazilian government's position on the break in relations.

The anticipated action is being interpreted in an emergency session of the Brazilian cabinet today.

General Strike in Paris Threatened

PARIS, Oct. 18 (AP)—The French cabinet met in emergency session today to try to end the six-day-old Paris subway and bus strike. In the face of a communist-led threat to lead all organized Paris workers off their jobs Monday.

Police Chief Howard Gillette urged merchants to be doubly sure of the identity of persons for whom they cash checks. He reiterated a previous warning that "this is the season for the forger."

PLANE CRASHES IN CITY
PORTLAND, Ore., Oct. 18 (AP)—A private airplane crashed into a parking lot near a junction subway and Portland intersection late today, killing a passenger while the pilot parachuted safely from 250 feet altitude into a tree.

Sees No Danger

J. A. KRUG

Secretary of the Interior Krug today said that the United States could carry out a \$20,000,000,000 program of aid for western Europe without seriously draining its resources.

At the present stage of study they emphasized this is only a possibility—but one which is causing much concern to federal financial experts trying to reduce the cost before offering the program to an economy-seeking Congress.

Legion Urges Senior Solon To Quit Post

(From Page One)
prolonging the legislative session, so that the rest of our nation know that he in no way reflects the sentiments of the great people of Idaho.

The resolutions committee was composed of Harry Kowalski, Rupert, chairman; Irving McNeill, Edna, and Douglas Bean, Twin Falls. One post cast a dissenting vote against the resolution.

Idaho Legion Commander Charles R. Howe was principal speaker at the banquet which followed the business session. He warned that both from within and without, dangerous forces were at work trying to destroy our democracy, and that the American Legion was the greatest bulwark against any foreign "ism."

Other state officers on hand were Mrs. Rosamund Bangs, Pocatello, state auxiliary president; Samuel E. Vance, Hazelton, Legion adjutant; John P. Day, Boise, service officer; J. O. Bangs, Pocatello, American Legion commission.

In other resolutions passed by the convention, Albin's Legion post, Commander Alvin Kempton and the Sherman Idaho Legion post were thanked for their hospitality in staging the convention, which was closed with the features of the college homecoming.

Conducted Meeting
District Commander Henry Hohmann of Hazelton conducted the Legion's business meeting, while the district president, Mrs. Irving McNeill, Edna, presided at the auxiliary session. Kempton presided at the banquet.

Another resolution was in honor of Otto W. Paul, Rupert, former district and state commander, who in September, Paul distinguished service to the Legion and his country was praised.

Seven of the 13 posts in the district were represented, and the turnout for the business meeting was larger than the previous district meeting at Hazelton.

Twin Falls tentatively was awarded the winter convention, subject to approval by the Twin Falls post executive board.

Escapes Mar Trip of Army Prison Train

(From Page One)
Slave Oranoldo, 26, New York state, leaps from the train near Windsor, Mo. A posse quickly caught Douglas in a cross-country chase.

Reads Vail Here
Mr. and Mrs. Roy A. Read, former residents of Twin Falls, were reported visiting Sunday here Saturday. Read is former publisher of the Twin Falls News. They are residents of Mill Valley, Calif.

Visitors to Leave
Mr. and Mrs. Glen Shepherd, who have been visiting at the home of Mr. and Mrs. C. W. Aldrich, are leaving for their home in Portland, according to word received here. She is majoring in mathematics.

Legion State Films
Members of Twin Falls post of the American Legion will be shown films in New York City at the regular meeting of the post, Tuesday, according to R. C. Peterson, commander.

Title Settled
A decree to quiet title to 10 acres of land in Twin Falls county has been signed by District Judge James W. Porter in favor of Mrs. Mary Nipper. She brought action against Mr. and Mrs. Alva R. Sample and heirs.

Walt Relatives
Dr. and Mrs. E. G. Ollister of Chester, Ill., are spending two weeks in Twin Falls and other southern Idaho cities visiting Mrs. Henry Ollister, aunt of Dr. Ollister, here, his cousin, Mrs. E. B. Ollister of Boise, and another relative, Mrs. Clayton Anderson of Leadore, Ida.

Seeks Master Degree
Jo Brown, daughter of Mr. and Mrs. E. Brown, has entered the University of Wisconsin where she will work for her master's degree, according to word received here by her aunt, Mrs. Hortense Ferrin. Miss Brown was graduated from Michigan State college last December.

Ruper's Rotarians Hear Vacation Tales
RUPERT, Oct. 18.—Reports on vacations taken by Thomas Maberly, N. K. Jensen and A. F. Beymer were given at the regular meeting of the Rupert Rotary club this week.

Bernice Abbott's Last Rites Held
Funeral services for Bernice E. Abbott were held at the Twin Falls mortuary today at the Twin Falls chapel with the Rev. H. B. Walker, American Baptist minister, officiating, assisted by the Rev. C. A. Munnly, pastor of the Lutheran church, officiating. Burial will be in Sunset Memorial park.

Final Rites Held For Mrs. Phillips

RUPERT, Oct. 18.—Funeral services were held for Mrs. Hartell Phillips at the LDS tabernacle in Rupert with Bishop Austin Harrison of the third ward church officiating.

Deaths Increased
Deaths increased here Saturday, three more victims of the influenza epidemic. One identified, was identified by guards as he attempted to jump.

Salviero R. Piroe, New York City, leapt through a window. A guard shot him from the moving train, critically wounding Piroe, who was taken to a hospital here Saturday. He started for Camp Carson station hospital.

Thomas J. Mulligan, 24, Denver, had been shackled in a baggage car by guards who suspected him of aiding in the Missouri escape. During the excitement over Piroe's leap, Mulligan broke loose. He hid in nearby woods and was taken to a nearby hospital.

One Operator Out In Forester Rift
SPOKANE, Oct. 18.—Only one Spokane lumber operator with 100 employees has entered the strike of the GIO International Woodworkers of America reached an agreement with the union.

Two songs were sung by the Rev. E. A. Bobb, Reichheld, accompanied by the choir of the Lutheran church. Pallbearers were Herbert Roberts, August Brønner, Frank Bala, Cecil Smith, Morda McLeod and Walter Ehlers.

Driver Posts Bond
Wayne Romjue was released early Sunday morning on a \$75 bond for his appearance today morning to answer a charge of reckless driving. He was cited about 11:45 p. m. Saturday at the corner of 4th avenue and Shoshone street by city police.

BURLEY — Funeral services for Mrs. Esther June Brown will be held at 2 p. m. Sunday at the Wiley funeral home with Elder Ruddle officiating, assisted by Elder Kurta and Elder Coffman of the Wesleyan Day Adventist church. Burial will be in Jerome cemetery.

BURLEY — Funeral services for Mrs. Burt Manning will be held at 2 p. m. Monday at the LDS first ward church with Bishop Paul Christensen officiating. Friends may call at the home of Mrs. Manning until time for services tomorrow will be in the Pleasant View cemetery.

Twin Falls News in Brief

Week-End Guest
Mr. and Mrs. William Rockwell and Vern Rockwell, Boise, are spending the week-end at the home of Mr. and Mrs. C. W. Aldrich.

Marriage License
Most recent recipients of a marriage license in the office of the county recorder were Gene L. Glenn and Ruth Bilbo, both Twin Falls.

Attends College
Mary Jane Chugg, daughter of Mr. and Mrs. W. G. Chugg, has enrolled as a Junior at the Maryhurst Catholic women's college near Portland, according to word received here. She is majoring in mathematics.

End Visit Here
After visiting their mother, Mrs. Merit Souder, and their sister, Mrs. Carl McCann, in Twin Falls, Mrs. George Richardson and Reid Souder have returned to their home. Mrs. Richardson lives in Temple City, Calif.; Souder lives in Ogden, Utah.

Pair Arrested
Two men, arrested Saturday night, will appear Monday morning before Municipal Judge J. O. Fumphy. They are Freeman Dalton, charged with intoxication and Johnny McNight, who was arrested on a vagrancy charge.

Awarded Play Role
Anita Chugg, daughter of Mr. and Mrs. Arthur Miracle, Twin Falls, has been chosen to take part in the initial drama of the season at Lincoln field college, McMinnville, Ore. where she is a freshman, according to word received here. The play is Shaw's satire, "Arms and the Man." Miss Miracle is a 1947 graduate of Twin Falls high school.

Red Journals Closed up by Greek Chiefs

ATHENS, Greece, Oct. 18.—The Greek government, acting on the initiative of its liberal ministers, struck hard at communist propaganda tonight and closed Communist party and EAM newspapers by police action which may have been agreed to by the American and British embassies.

Liberal Premier Themistokles Sofoulis placed his stamp of approval on it this morning when he told a news conference that the Greek press was at liberty to criticize the government but when the press manifests solidarity with the guerrillas and incites the people to take to the mountains, the government would have to take security measures.

High officials in both the American and British embassies have privately expressed the conviction that the movement directly linked with the guerrilla rebellion and were serving its cause.

Frontier Riding Club Sets Honor
The meeting of the Frontier Riding club originally scheduled to be held here last week was postponed one week because of the death of Dr. M. Grootes, who was a member of the riding club, officials said Saturday.

Pair Arrested
Two men, arrested Saturday night, will appear Monday morning before Municipal Judge J. O. Fumphy. They are Freeman Dalton, charged with intoxication and Johnny McNight, who was arrested on a vagrancy charge.

Fiery Petrillo Fixes Ban on All Recording

CHICAGO, Oct. 18 (AP)—James C. Petrillo, fiery head of the American Federation of Musicians, announced today his union's executive board had voted unanimously to bar union musicians from making phonograph records and radio transcriptions.

Petrillo asserted that union musicians were "destroying themselves" by making records and transcriptions and added, "there will never be any more phonograph records or transcriptions made by the 225,000 members of the musicians' union."

He said the union's executive board made the announcement personally after a closed meeting of the executive board. He said the move dated from a convention of the union last June, but did not elaborate.

However, Petrillo hinted last summer that such a step might be taken. He conceded before a house labor subcommittee in Washington that he would be better off if the threat to bar recordings was to make 600 radio stations "more susceptible to employing musicians."

There were no public broadcasting outlets using only records or network music, he said.

Second of kind

The action was the second of its kind taken by the powerful musicians union. Petrillo forbade the union's members to make records or electrical transcriptions on Aug. 1, 1942.

Twenty-seven months later the dispute ended in a complete victory for the union when the recording companies accepted union terms to pay the union fees ranging from one to two cents a record.

BING'S MANAGER CRIES
HOLLYWOOD, Oct. 18 (AP)—James C. Petrillo's announced ban was greeted today by a mixed chorus from record interests with a refrain resembling, "He can't do this."

Larry Crosby, brother-manager of singer Bing who is Decca's kingpin, said he would be better off turning the country over to Petrillo—and let him handle everything.

The ban would affect Bing's radio show, which is transcribed, and his recording business, too, Larry acknowledged, adding:

"Frankly, we're looking to our government for assistance."

Library Receives 20 More Volumes

Addition of 20 new fiction and non-fiction books to the shelves of the Twin Falls Public Library was announced Saturday by Librarian Jessa Fraser.

Books received in the fiction field are: "Julie," Babcock; "The Bishop's Mantle," Turnbull; "We Happy Few," Howe; "Dust on the Great," Erdman; "The Left Hand is the Drummer," Skis; "The Great Outdoors," Skis; "Fray Love, Remember," Carroll; and "The Spring Begins," Rich.

Non-fiction received includes: "House Construction Details," Burbank; "Practical Electricity for Home Study," Hask; "Handbook of Rocks," Kemp; "Home Workshop Cyclopedia," Popular Science Magazine; "Kingdom of Adventure," Ulman; "The Modern Better," Hochwald; "My American Pilgrimage," Chittor; "Fisher and the Angles," Manners; "Abigail Adams," Whitney; "Modern Woman," Lundberg and Farham; and "Jewelry and Enameling," Pack.

Youths See World Through Porthole

Word of the travels of two Magic Valley youths, Junior L. Martin, fireman, second class, of Piler, and Henry D. Van Patten, seaman, first class, of Jerome, has been received by the Twin Falls navy recruiting station.

Van Patten, who is the son of Homer H. Van Patten of Jerome, will visit Santa Monica, Calif., on Navy day, Oct. 27, while serving aboard the aircraft carrier USS Bicer.

Young Martin is a crew member of the destroyer, USS Moale, a unit of the Pacific fleet mobile task force. After fleet war games, this ship was attached to the present task force in May and then went to Australia, the Marianas, the Philippines and China. At Pearl Harbor on route back to the United States, the Moale stopped long enough to rendezvous with the army transport, Honda Ekoi, carrying the first World War II dead to San Francisco.

Traffic Fines

Payment of fines by 12 over-time parkers has been made in Twin Falls today in traffic court.

Paying \$1 fines were M. G. Crane, M. D. Conner, Daniel Moses, Heras, and Cash, Jacobson, Rock, H. H. Hendrix, Earnest Egan, Cleo Short-house, Virgil Menton and Mrs. V. Camir.

Vandals Add to Building Chore

Building a new home nowadays can be a real headache, and not only from the standpoint of material shortages and high cost of construction, as V. A. Flower, veteran Twin Falls photographer, has discovered.

During the last several days vandals in the neighborhood have broken 23 windows, flooded the basement with an inch of water and driven nails into the garage doors at Flower's new home which is nearing completion at 116 Taylor street.

This experience has climaxed the troubles which Flower has had with youngsters ever since he started excavation. The latest acts of vandalism have been reported to juvenile authorities.

Four Navy Vets Awarded Medals

Four more navy veterans have received World War II medals through the Twin Falls navy recruiting station, according to CQM Edgar E. Palmer, recruiter in charge.

Gordon T. Blizney, Nampa, received an American defense medal with fleet clasp and a victory medal.

Recipients of the victory medals were Jack LeRoy Donner, Jerome; Walter L. Manker, Twin Falls; and Melvin E. West, Hansen.

Guard Unit's Recruit Drive Gets Support

The drive of the Twin Falls unit of the Idaho national guard to obtain new members as part of a nation-wide recruiting program Saturday received the support of Mayor H. G. Lauterbach who issued a proclamation endorsing and supporting the movement.

Members of national guard units throughout the United States operated the drive on Sept. 16 which was proclaimed National Guard Day by President Truman. Goal of the two-month drive is to secure a recruit-a-minute for national guard units.

In connection with the remainder of the drive, members of headquarters and headquarters company, 1st Infantry Regiment, Idaho national guard, plan to intensify their efforts to obtain recruits. Members of the guard unit are scheduled to appear before civic and veterans' organizations and high school students to explain the object of the national guard and outline openings and studies available for recruits.

Enforcement of the drive was made by Mayor Lauterbach "in order that our community and thus our homes may be further assured of security and safety through the true citizenship and services of our neighbors who are now members of our own national guard units and of those who shall soon join their ranks."

Crop Share Goes To J. W. Thacker By Court Decree

Judgment of \$10,000 for a crop share was awarded John W. Thacker Saturday by District Judge James W. Porter in an action Thacker had instituted against several defendants.

The defendants included Marion and Mary Thacker, Clifford Thacker, the Colorado Milling and Elevator company, doing business as the Hansen Elevator company, Hansen, Washington Seed company, Twin Falls; Twin Falls Bank and Trust company, and Siers Perkin, Murtaugh.

Thacker claimed he had been employed by the other Thackers on a one-third of one-half the crop yield basis. The other defendants came into the action as parties who handed the crop or the proceeds.

Thacker was represented by Attorney James R. Bothwell, while the other Thackers were represented by Ray D. Ager. The bank and Perkins retained Attorneys Harry Bennett and J. H. Blandford. The seed and elevator companies made no appearance.

In his original papers Thacker had asked for \$2,251.30.

Roll Calls Slated On Nurse Death

Dorothy E. Colard, president of the Idaho state Nurses' association, will participate in the nationwide telephone roll call to be conducted Monday by Katharine J. Deane, national president, from Minneapolis on behalf of 153,000 registered professional nurses.

Miss Colard will indicate to Miss Deane what part the Idaho association will play in helping to solve the nursing shortage now facing the American people.

In this round-up, Miss Deane will speak with presidents of the 46 state groups, the Districts of Columbia, Hawaii and Puerto Rico. This is a step toward improving this situation.

Any Takers?

WASHINGTON, Oct. 18 (AP)—Senator Morse, R. Ore., proposed today that "a reservation on partisan politics" be declared until the political conventions next summer amid a non-partisan approach be made to domestic and international problems.

VISITORS LEAVE HAILEY, HAILEY, Oct. 18—Mr. and Mrs. Charles Brooks and daughter have returned to their home in Los Angeles, Calif., following a visit with Mrs. Brooks' sister, Mrs. George McCoy, and family.

U. S. mining operations use about 200 million cubic feet of timber annually.

Interest in Heyburn Store Reported Sold

HEYBURN, Oct. 18—Mr. and Mrs. Walter Holsten have sold their half interest in the H and B Mercantile store to Mr. and Mrs. Fred Minneson.

Holsten and his father, the late Charles Holsten, had operated the store for 38 years under the name of Holsten and company. Two years ago, a half-interest was sold to Mr. and Mrs. Etkin, Chicago. The firm will now be called the H and B Mercantile. Plans of Mr. and Mrs. Holsten are indefinite.

Five Killed in Accidents for 'Black Week'

(From Page One)
ed to Mrs. Methven when the divorce was granted on Aug. 16. Sheriff's deputies who investigated the accident said the bodies of the two victims were mangled beyond recognition. Mr. Methven was identified Friday night by two brothers, Fred and Perry Methven. Mrs. Methven was identified by letters, cards and receipts found in her handbag near the wrecked auto.

Witnessed Accident
Three persons witnessed the accident, with one of them standing within 20 feet of the spot where the car shot over the canyon's edge. Hal Cunningham, former Buhl chief of police, estimated the vehicle's speed at "well over 50 miles per hour." He has been standing at the edge of the canyon and was walking away when the sound of the speeding car drew his attention. He turned around in time to see the machine go hurtling out into the canyon.

Others who witnessed the mishap were Herman Vorberg and Mark Finch, both Halls, who were driving across the bridge from the Jerome side. None of the three men could tell who was driving the auto.

Remove Bodies
Officers carried the mangled bodies of the man and woman to the river on stretchers, placed them in boats and took them to an ambulance waiting near the Blue Lakes bridge one-half mile downstream. The bodies were taken to the Harrison funeral home at Buhl following identification at a Twin Falls mortuary.

Officers who investigated the accident included Sheriff Broda R. Bayborn, Deputy Sheriff David Thelton, State Police Officer M. J. Bays, Jr.

Married in 1933
Gladys Howard Methven had been a resident of the Broadway rooms. She was born June 4, 1918, at Ketchum, Okla., coming to Buhl with her parents when she was 12 years old. She married Mr. Methven May 3, 1933, at Ooding.

Survivors include two daughters, Arlene, 18, and Genevieve, 16, her father, George Howard, Culdesac, and a sister, Mrs. Raymond Hirt, with whom she lives at Buhl. Grave services for Mrs. Methven will be conducted at 2:30 p. m. Monday at the Buhl cemetery with the Rev. Olin Parrett, pastor of the Buhl Methodist church, officiating.

Native of Buhl
Mr. Methven was born May 20, 1912, at Buhl. Survivors besides his two daughters and two brothers, five sisters, include Mrs. Olin Parrett, Seattle, Wash.; Mrs. Gertrude Fralinger, Mrs. Mary Kambrick, Mrs. Nellie Band and Mrs. Edith Wuebenhorst, all Buhl.

Grave services for Mr. Methven will be held at 2:30 p. m. Sunday in the Buhl cemetery with the Rev. E. B. McDearis, pastor of the Buhl Baptist church, officiating.

Firemen Answer Two Minor Calls

Defective wiring in the attic at 129 Ash street resulted in fire in the insulation which the Twin Falls fire department extinguished about 7:37 p. m. Saturday. The fire called Grayville is insured, fire officials reported.

Sparks from an overheated furnace in the Twin Falls Floral company, 121 Seventh street, south, were given as the reason for the call at 11:31 p. m. Friday by Twin Falls firemen.

Mrs. Ayers Dies

Mrs. Bernadell Ayers, 32, Jerome, died at St. Valentine's hospital at 11:35 a. m. Saturday. Her body is at the Reynolds funeral home, Twin Falls.

The ancient Egyptians made artificial light from metal rods with oil-soaked rags wrapped around the ends.

Car Drops 476 Feet Into Snake River Canyon

Sheriff Broda R. Bayborn at lower left is shown pointing to the remains of the body of James F. Methven of Buhl beneath the left rear wheel of the 1934 sedan in which he and his former wife, Gladys M. Methven, rode off the rim of Snake river canyon near the high bridge Friday afternoon. State Police Officer M. J. Bays Jr. is standing at right and Deputy Sheriff David Thelton appears at left near front of the demolished machine. (Staff photo-engraving)

Women's Group Urges Rock Wall At Bridge Entry

The Rural Federation of Women's clubs Saturday went on record in advocating immediate construction of a rock wall along the rim of Snake river canyon at the south side approach to the high bridge to avert further traffic accidents.

This action, taken during a meeting of the organization at the Idaho Power auditorium, followed a second recent tragedy in which a car carrying two persons plunged off the edge of the canyon Friday.

All but one of the member clubs was represented at the meeting, during which Mrs. Lee Smith reported that a room at 920 Fifth avenue north might be secured by clubs wishing to conduct social functions.

Red Cross sewing for the year was discussed, and two clubs, the Country Women and Waynes groups, volunteered to cut out the garments, and others will do the sewing.

Mrs. C. E. Grieve, president, reported upon the state convention held at Reuberg Sept. 22 and 23.

Accident at Buhl Hurts Pedestrian

Buhl, Oct. 18—Mrs. B. Duncan, 331 North Ninth street, Buhl, sustained head and leg injuries when struck by a coupe driven by Helen Bordwick of Buhl at 1:30 p. m.

The accident occurred at the east end of the 200 block of North Broadway at Locust while Mrs. Duncan was walking across the street. She was carried about 50 feet by the car and sustained a fractured nose, a forehead laceration and other injuries about the head, knees and legs, according to investigating Buhl city police.

Right headlines of the car was brought there. There were no witnesses to the accident in which the driver and pedestrian apparently failed to see one another in time to avert the collision.

Mrs. Duncan received emergency treatment from a Buhl physician.

Warner Billed No. 1 Witness In Red Probe

WASHINGTON, Oct. 18 (AP)—Jack Warner, vice president of the company that filmed "Mission to Moscow," was billed today as witness No. 1 when the house committee on un-American activities starts hearings Monday on communism in Hollywood.

The movie stars come along faster for what Washington expects to be the biggest show of the fall investigating season. No feminine stars will have been tapped to testify. But the witness list has names like Robert Taylor, Gary Cooper, Robert Montgomery, Ronald Reagan and others.

Right from the start, the committee plans to begin "naming names" and developing through questions and answers whether the movie capital is infested with Reds.

And the opening day of the inquiry is expected to throw some light on a report from a subcommittee last May that "some of the most flagrant communist propaganda films were produced as the result of White House pressure."

All along, President Eric Johnson of the Motion Picture Association has been saying the industry has no objection to a fair inquiry, that there undoubtedly are

Touring Officials Ask Employment Of Disabled Vets

Friday's luncheon meeting of the Twin Falls Chamber of Commerce with representatives of service clubs and veterans' organizations was devoted to a discussion by a touring delegation on employment of disabled veterans.

Members of the group, representing the veterans' administration, the Idaho state employment service, the governor's office, and various veterans' organizations, told of how employers can assist in rehabilitation of disabled veterans and urged them for work that they are qualified to perform. The speakers congratulated Idaho Valley and Twin Falls on the small number of unemployed disabled veterans.

The speakers, all of whom were from Boise, were introduced by Don A. Divall, senior council representative of the Twin Falls veterans' administration office.

This chamber dispensed with regular business to provide necessary time for this special program.

Some communists in Hollywood. —And Committee Chairman J. P. Farrell Thomas, R. N. J., says the chief objective is "facts regarding the broads the communists have made in Hollywood." But because somebody is on the witness list, he says, does not mean he has communist connections.

No Danger to U. S. in Help, Krug Reports

WASHINGTON, Oct. 18 (AP)—The State Department today reported that the aid program for Europe is not a danger to the United States.

Krug report makes no mention of their problem on the basis of a \$200,000,000 program covering four or five years, setting on that as a round figure. Since they lacked the job, the State economic conference of 18 nations has asked for outside aid of \$2,400,000,000, most of it to come from the United States, in a four year program.

Krug said the committee survey showed definitely that domestic supply articles and "cheap goods" are not attributable to exports. He said U. S. exports have been declining gradually and will continue to do so down gradually for the next four years, in spite of aid program. Emergency movement of supplies to Europe might keep the volume of exports "at least" the same as approaching the former rates. He added, "but will not increase those rates."

U. S. stressed in his remarks, and underlined in the report, the observation that the nation's current

high levels of employment...
1. Comprehensively...
2. Adding materials to...
3. Importing raw materials...
domestic supplies are inadequate.

PTA's Event Monday Said 'Streamlined'

"Open house" to be held at the junior and senior high school at 8 p. m. Monday has been streamlined to provide the maximum amount of time for consultation with teachers, according to Mrs. Henley Payne of the publicity committee.

There will be no entertainment program and parents are asked to come equipped with a list of names of instructors they wish to consult, as well as any specific discussion points in individual parent-teacher meetings pertaining to a particular subject.

Mrs. Payne said Saturday, a directory of teachers' names and room numbers will be posted in the front hall, and teachers will be present in their respective rooms to open parents.

"Open house" is sponsored annually by the Junior-Senior Parent-Teacher association, a local unit of the National Congress of Parents and Teachers, which is the Idaho Congress of Parents and Teachers is a state branch.

A publication exhibit is being arranged for the event by Mrs. E. O. Carroll, publicity chairman. Hospitality chairman is Mrs. Ray Dunken and courtesy chairman is Mrs. Earl Jensen.

Deanery Meeting Slated at Hailey

Fall meeting of the Twin Falls Deanery will be held at the Hailey manual church at Hailey Tuesday, according to the Rev. E. Leslie Roll, dean.

Celebration of the Holy Communion will be at 11 a. m. with the Rev. Mr. Roll as celebrant, assisted by the Rev. F. V. C. Ward, Rupert. Meditation will be given by the Rev. F. V. C. Ward, Rupert.

Mrs. David Detweiler, Jerome, will preside over the afternoon meeting. Talks will be given by the Rev. A. E. Rolfe, Boise, and the Rev. E. W. Taylor, Twin Falls. Reports will be given for the year by the Rev. Mr. Roll, Twin Falls. The publicity committee is represented at the meeting.

Delegates are expected from the Rev. Mr. Roll, Gooding; Shoshone, Ketchum, Hailey and Twin Falls.

Funeral Is Held For Mrs. Blacker

RUPERT, Oct. 18—Funeral services for Mrs. Thomas Blacker were held Wednesday at the Lutz funeral home.

Interment was by Floyd Walker and speakers were Frank Adams, Gardner, Alton, Wyo.; Lorraine Brown, Fairview, Wyo.; David J. King, and the Rev. Mr. Roll, Twin Falls. Burial was in the Lutz cemetery.

Mrs. Blacker was born in England and came to this country with her husband, Thomas Blacker, who died in 1915. She was survived by two sons, Fred and John, and a daughter, Mrs. J. B. King.

Party Is Held by Legion at Rupert

RUPERT, Oct. 18—Some 50 members of the American Legion and auxiliary staged a membership party at the Legion home this week.

Program for the meeting was in charge of Mrs. J. G. Venter, immediate chairman of the auxiliary. Those participating included Mrs. Sullivan, Alan Peterson, Lou Rasmussen, Shirley Paoli and Barbara Povey.

Talks were given by J. J. Emery, H. A. Kowalski and Mrs. Harry Murphy. Refreshments were served by Mrs. J. G. Venter.

Minister to Attend Red Cross Meeting

RUPERT, Oct. 18—The Rev. and Mrs. J. R. Crowe and daughter plan to attend a meeting of American Red Cross officials in Pocatello Tuesday.

The Rev. Mr. Crowe is chairman of the home service department of the Minidoka county chapter of the Red Cross. The meeting is for all Red Cross officials in southern Idaho.

Overflow Swirls Around Base of Grain Elevator

Although the Twin Falls Flour mill has made it a practice for the past five years to pile overflow wheat about the base of its storage elevator, the sight never falls to wo passersby on Shoshone street south. This photo shows 125,000 bushels on the ground because of lack of storage space, while another 250,000 bushels are inside elevator storage bins. Officials expect to have the surplus hauled away within a month. (Staff photo-enlarging).

Two Wives Seek Children's Care By Court Action

In a divorce action filed Saturday by Attorney Graydon W. Smith for the Silvers, \$50 a month each for care of a minor child and another suspended in November was asked. Custody of the children is also asked from Burton Silvers, who she charged with cruelly described as "staying away from home all night without explanation or reason, use of vulgar and abusive language in front of their child and excessive intoxication."

The couple was married June 19, 1941, in Reno, Nev.

Besides custody of the children and custody payments, Mrs. Silvers asked the court to order the husband to pay doctor and hospital bills incurred during her present pregnancy and the birth of the child and sole ownership of household furniture now jointly owned.

Also filed Saturday was a complaint by Verla Marshall, representative by Raymond and Raymond, against Mrs. Marshall, who she charged with extreme cruelty.

Mrs. Marshall was married June 16, 1938, in Twin Falls and are the parents of four children. Custody of the children was asked by Mrs. Marshall, who requested the court to make whatever property division it saw fit.

Trainmen Rift On Fund Puts Out 2 Officers

CLEVELAND, Oct. 18 (AP)—An internal dispute over methods of spending a \$100,000 fund to combat "anti-labor bills" led to the removal of two members of the Brotherhood of Railroad Trainmen's three-man board of trustees, one of the removed officials said today.

The trustees' executive board announced last night that P. J. Baumberger, Miami, Fla., secretary of the trustees, and D. C. Bassett, Mobile, Ala., had been removed following a hearing "for interfering and obstructing efforts of the president of the brotherhood (A. R. Whitney) in the matter of public relations and with the efforts of the president to cooperate with bona fide labor organizations and other organizations on matters of mutual interest."

"No Evidence" Bassett declared there was "not one scintilla of evidence to support the charges," and said "the charges were rigged." He asserted he would appeal the case at the next general convention in 1950.

Bassett said the trustees approved last January the expenditure of \$100,000 from a legislative revolving fund at the request of Whitney, "for the purpose of opposing anti-labor bills in congress."

Approval Withdrawn Last February when Whitney directed a \$100,000 contribution to the Progressive Citizens of America, and proposed a similar contribution to the Southern Conference for Human Welfare. Bassett withdrew his approval in the use of the fund and Baumberger sided with him, said Bassett.

Whitney also "put a couple of people on the payroll who were not members of the brotherhood and were not suitable," Bassett said. The third member of the trustees board is chairman G. J. Giguere.

Cancer Education Program Planned By Idaho Society

BOISE, Oct. 18 (AP)—Expansion of the education program of the Idaho division of the American Cancer society through introduction of a manual for use in the state's school system, highlighted the first annual meeting of the board of directors of the organization here today.

The new manual was prepared by members of the school committee of the group, headed by Allen Jeffries, Boise. It will be presented to the state board of education for consideration and introduction.

Physician members of the board attended a symposium on cancer while district commanders participated in a workshop under the direction of Mrs. Grant Hess, Boise, state commander.

At a luncheon meeting, L. J. Peterson, Boise, administrative director of the Idaho department of public health, described national legislative trends in health welfare.

The board approved the expenditure of \$46,225 in the state, with \$20,770 earmarked for education and \$15,617 for service.

Leo J. Falk, Boise, was re-elected president for 1948. Dr. Asael Tull, Ruby, was named vice-president and Dr. Allen R. Cutler, Boise, secretary-treasurer.

Machinists Ballot to Conform With Rules

SALT LAKE CITY, Oct. 18 (AP)—International Association of Machinists delegates from five states today voted to conform with regulations under the Taft-Hartley labor act, but at the same time pledged to work toward repeal of the new law.

The union representatives from Utah, Montana, Idaho, Colorado and Wyoming opened a two-day conference.

Officials said the group will hold under consideration a proposal to affiliate with the American Federation of Labor. Union leaders said, however, it was not probable that action on the matter would be taken at this meeting.

Dr. George Roseberry, district superintendent, conducted the conference. Reports were given and Ray Rite, chairman of the building construction committee, said remodeling work would start soon. The monthly potluck dinner was scheduled for 7:30 p. m. Oct. 21.

Those participating in this Rally day program included Mrs. Paul Bye, Mrs. Fred Roberts, Mrs. John Townsend, Mrs. Ernest Billard, Mrs. Paul Fitzgerald, Miss Justice, Mrs. Dick Jordan and Mrs. V. Carson.

Civil Service Job Open For "Star Gazer"

Full information and applications for a United States civil service examination for astronomers may be obtained from H. F. Renzetti, Twin Falls postoffice.

The commission has announced the examination for filling positions in Washington, D. C., Virginia and Maryland at salaries ranging from \$3,977 to \$7,102 a year.

To qualify applicants must have completed a full 4-year college course leading to a bachelor's degree in astronomy, or have had four years of successful and progressive technical experience in the field of astronomy or any time-equivalent combination. In addition to meeting these requirements, applicants must have had from one to four years of progressive professional experience in astronomy.

Graduate study in astronomy may be substituted for as much as two years of professional experience.

No written test is required. The age limits, 18 to 62 years, are waived for persons entitled to veteran preference. Applications will be accepted in the commission's Washington office until further notice.

Hagerman Holds Rally Day Event

HAGERMAN, Oct. 18—Rally day was observed and the first quarterly conference was conducted at the Hagerman Methodist church last Sunday with Mrs. Olen Parsons, Sunday school superintendent, presiding over the program for the Rally day event.

Dr. George Roseberry, district superintendent, conducted the conference. Reports were given and Ray Rite, chairman of the building construction committee, said remodeling work would start soon. The monthly potluck dinner was scheduled for 7:30 p. m. Oct. 21.

Those participating in this Rally day program included Mrs. Paul Bye, Mrs. Fred Roberts, Mrs. John Townsend, Mrs. Ernest Billard, Mrs. Paul Fitzgerald, Miss Justice, Mrs. Dick Jordan and Mrs. V. Carson.

Weiser Ending Long Season on Tomatoes

WEISER, Oct. 18 (AP)—What is believed to be the longest tomato season in history of the Weiser area is drawing to a close after more than three months of production.

The product made its initial appearance this year about July 15. Local gardeners are still picking the vegetable from the vine and some deliverters are still being made to markets here.

The long season is attributed to the fact that there has been no "killing" frost in the area so far this fall.

Building Total Nudges \$38,000 For Week Here

Two applications for permits on new construction and four to change existing buildings were filed during the past week with Twin Falls city clerk. Total estimated costs amounted to \$37,000.

Proposed new construction was estimated at \$33,700, while alterations and additions were estimated at \$3,300.

Included in the week's total were six applications for new homes.

Merris L. Pomeroy plans to build a 28 by 37-foot frame dwelling in the Green Lawn addition for an estimated \$9,000.

Ernest Adams filed five applications for permits for residential construction. He plans to build 28 by 24-foot one-family dwellings in the Rosella subdivision and estimated the costs at \$2,000 each for three dwellings to be placed over basements and \$2,800 each for two homes without basements.

Idaho School Fund Shares Receive Okay

BOISE, Oct. 18 (AP)—The state department of education today certified to the 46 counties their allocations from \$2,064,923.38 in monies from the state school income fund—the first allocation for the 1947-48 school year.

The total monies available in the fund for the year—\$4,305,022.15—is the largest sum set aside for public schools in one year from state sources in history. The last legislative appropriation \$4,000,000 to the public schools for the school years 1947-48 and 1948-49. Additional monies accrue to the income fund from the state endowment funds.

Other allocations for the current school year will be delivered to the counties Jan. 15, April 15 and July 15. The 46 counties already have their shares of the state monies to the various school districts.

Canyon county received the largest share of the first allocation—\$187,168.84. Ada county was next with \$143,093.25, and Twin Falls third with \$137,847.12.

The allocations to other counties included: Blaine \$94,823; Cassia \$85,511.22; Elmore \$8,238.27; Gooding \$45,010.23; Jerome \$151,821; Shoshone \$19,103.81; Lincoln \$119,625.

Opening Told for Marketing Expert

Civil service officials announced today an opening for a marketing appointment to the positions in the quartermaster market center, Seattle, Wash., marketing specialist in fruits and vegetables, meat and meat products and dairy and poultry products.

Entrance pay for these positions range from \$6,149 to \$7,102 a year. Applicants must be between 18 and 62, except that these limits may be waived for veterans and under certain conditions for war service indefinite employment.

Further information may be obtained from the Twin Falls postoffice.

H. S. Plessinger Paid Final Honor

Funeral services for Hiram S. Plessinger were held at 11 a. m. Saturday at the Twin Falls mortuary chapel with the Rev. E. L. White officiating.

Two vocal selections were offered by Mrs. Nellie Ostrom.

Active pallbearers were Leighton Stratton, Edm. Pearson, Robert Norris, Mel Carter, Ralph Bouchtopp and Claude Parks. Honorary pallbearers were Henry Rasmussen, Orville Reed, Frank Magel, W. J. Hollenbeck, Quincy Norris and Frank Leaming.

Burial was in Sunset Memorial park.

LEAVE HEYBURN HEYBURN, Oct. 18—Mrs. C. L. Price, Los Angeles, Calif., who has been visiting her father, J. B. Fairchild, was accompanied to Ruby by her sisters, Mrs. J. L. McCasale and Mrs. Forrest Cheney, to visit another sister, Mrs. Wilma King-Johnson.

Drive Begins To Rid State Of Prostitutes

BOISE, Oct. 18 (AP)—The Idaho department of public health, with the blessing of Gov. C. A. Robins, Friday started a campaign to stamp out prostitution in Idaho.

L. J. Peterson, administrative director of the department, mailed out to the commissioners of the 44 counties copies of an attorney general's opinion that makes mandatory the quarantining of centers of venereal disease infection.

Peterson said that a "determined drive" must be made to halt prostitution.

"Essential Step" Peterson said "if an adequate venereal disease control program is to be carried out, repression of prostitution is one of the extremely essential steps."

"Medical treatment of prostitutes," said the governor, "is not enough to halt the spread of venereal diseases. The source itself must be attacked. That means a determined drive to halt prostitution and a campaign to close commercialized vice houses."

Traced to "Houses" Peterson said records of the state health department indicated that a large number of recent cases of venereal disease are known to have originated in houses of prostitution. "No healthy and thriving community in Idaho," said Peterson, "can afford to tolerate prostitution in any of its forms."

Hasaid county commissioners, who constitute county boards of health, "have a definite responsibility in the quarantine of persons infected with venereal disease."

Sale of Tickets For School Play Opens This Week

Tickets will go on sale this week in the main hall of the Twin Falls high school building for the all-school play, "Don't Take My Penny," which will be presented Thursday and Friday under the direction of Shirley Pope, dramatics instructor.

In the comedy, which was written by Anne Coulter, the author of a popular novel searches for a legal girl to star in the movie version of his book. Penny, 16, is certain she'll be selected, so walks around with a book balanced on her head and practicing elocution with a mouthful of pebbles. But Sally, the maid, is a former child movie star who has been "planted" by a publicity agent to be "discovered" by the author.

Penny and her best friend, Joanna, have their hands full with preparations for the trip to Hollywood and don't have time for their boy friends, Oreg and Kerry. All of which leads to a merry mixup with the author finally making a surprise selection of a girl for the movie role.

Answer

OMAHA, Oct. 18 (AP)—Box Elder bugs have descended in force on Omaha but one woman has found the answer.

City Forester Frank Pipal said today she equipped her vacuum cleaner with the attachment designed for cleaning draperies. Then she drew up a bucket and a half of bugs from her porch and lawn. She fed the bugs to her neighbor's chickens. "Those chickens laid so well after eating those bugs," declared Pipal, "that her neighbor gave her a couple dozen eggs."

2,000 Boys, Girls To Maintain Order

OKLAHOMA CITY, Oct. 18 (AP)—Two thousand boys and girls will work with the Oklahoma city police and fire departments Oct. 31 to keep law and order on Halloween.

In a special meeting today of the Halloween festival committee—composed of representatives of youth organizations, recreational and social groups—plans were made to keep citywide Halloween activities peaceful.

Eviction Ends With Suicide of Father

DAYTON, O., Oct. 18 (AP)—Clifford Heeter, 42, sat with his wife at their kitchen table, discussing where to find a home.

They, with their two children, had been ordered to vacate their three-room apartment by tonight. He had searched in vain for another.

Suddenly Heeter grabbed a pistol and shot himself in the head. Coroner A. F. McDonald reported in a verdict of suicide.

Hudson's "Footwear for the Entire Family"

Few Upsets as Big 9 Adds to Prestige; Illini Hands Minnesota Worst Loss of Old Rivalry

By HAROLD CLAASSEN
NEW YORK, Oct. 18 (AP)—The Big nine college football powers, Pennsylvania, Penn State, Georgia Tech, Duke, Tennessee, Kentucky, Army, Texas, Southern California, Mississippi, Michigan and Navy added to their stature in games today.

The Midwest circuit gained the most prestige. It sent what was labeled a weak and fumbling Wisconsin team to the home of unbeatens Yale and the Badgers poured out a 9 to 0 verdict. In addition, Indiana took its turn in walloping Pittsburgh, 41 to 7.

At the same time Purdue also defeated the east and crashed a hopeful Boston university's aspirations, 62 to 7.

Within its own orbit, defending champion Illinois overcame a stout Minnesota eleven, 40 to 13, and Michigan, held-apparent to the title, outscored Northwestern 21 to 21, while using 39 substitutes. Iowa and

Ohio State ducked at 13-all. Penn beat back the challenge of Columbia, 14 to 6, and Navy triumphed over the first time since his 1946 opening game by downing Cornell 26 to 19.

Georgia Tech ran its string to 32 games without a defeat by downing Virginia Tech, 40 to 0.

Penn State registered a 40 to 0 verdict over Syracuse.

One of the most impressive triumphs of the day was the 21 to 0 conquest of Arkansas by Texas with Bobby Lane and the Badgers pouring out a 9 to 0 verdict. In addition, Indiana took its turn in walloping Pittsburgh, 41 to 7.

At the same time Purdue also defeated the east and crashed a hopeful Boston university's aspirations, 62 to 7.

Within its own orbit, defending champion Illinois overcame a stout Minnesota eleven, 40 to 13, and Michigan, held-apparent to the title, outscored Northwestern 21 to 21, while using 39 substitutes. Iowa and

difficultly, California won its fifth straight, 21 to 6, with Washington state the victim. Southern California captured a point against Oregon State, 48 to 6, and UCLA trimmed Stanford, 39 to 6. Idaho downed Portland, 29 to 7.

Notre Dame, still playing under interim wraps, downed Nebraska, 13 to 0, with ace Johnny Lujack on the bench most of the time.

Other games in the east found Dartmouth defeating Brown, 13 to 0; Princeton handling Colgate, 20 to 7; and Harvard topping Holy Cross, 7 to 0.

Eight Missourians broke into the scoring as the Tigers bested Kansas State, 47 to 7, in a Big Six fray that was overshadowed by the 13 to 3 drubbing registered by Kansas over Oklahoma, 1946 co-champion. Iowa State bowed to Michigan State, 20 to 0, in a non-conference game.

Idaho Tech, coached by J. Edgar Hoover, invaded Oklahoma and came home with a scalp. The Dixie Bulldogs bested Oklahoma A & M, 20 to 7, and Georgetown surprising with a 22 to 0 blanking of Tulsa.

Mississippi won a 27 to 14 victory over Tulane and Alabama handed Tennessee a 10 to 0 palting. Georgia Tech triumphed, 47 to 7, over North Carolina got back on the winning track, 13 to 7, and Virginia

continued unbeaten by turning back Washington and Lee, 32 to 7.

The southwest was the scene of a deluge of games that finished as minor surprises. Texas Christian crushed Texas A & M, 28 to 0, and Methodist blanked Rice, 14 to 0.

Taking charge from the opening play and protecting a late second period field goal advantage due to the closing minutes, Wisconsin captured its first defeat and worst lacing Minnesota had received from Illinois in the 18-game rivalry.

The Gophers' blow-away enabled Moes to hurl a 23-yard scoring pass to Dwight Edziemman and then follow up with a 54-yard aerial play to Art Dufelmier for two touchdowns in the first period. The Gophers rained 60 yards for touchdowns at the outset of the second quarter. A few plays later, Edziemman scored for stripe come time in one of the longest runs of the season. The high-jumping track star nudged Harry Elliott's punt,

placed a hand-off to Dufelmier which drew the Gophers' tacklers to one side of the field, then streaked 80 yards down the opposite sideline.

Haliback Coy McCoee, 168-pound, Texasan, provided the spark which then heralded Johnny Lujack.

swept unbeaten Notre Dame to its triumph. Football still leads the Irish under wraps for the Army game Nov. 8. Coach Frank Leahy permitted scoring string quarterback Frank Tippeco to see more action than he had in a long time.

Frederick Maury Doerr of the Cowboys is a bit puzzled. Last season's complete attendance figures show that Boise, Ogden, Salt Lake City and even Salt Lake City were played to more fans on the road than the Wranglers. The quarter-back Bodin has won three more games than that quarter, mentioned, while Idaho Falls came in with 1,000.

"That's not just treating as right," said Maury, "when we push the Wranglers here to the tune of 8,000."

Doerr blames poor scheduling for the Cowboys' road showing, pointing out that Waddies always appeared second or third in the other clubs' home stands.

AND THAT'S THAT FOR NOW, says Maury. He says he'll be with Boise in 1948. He'll be with Houston in the Texas League next season.

On the **SPORT FRONT**
 With **YOSS**
 (The Fudgy One)

Ye Olde Sport Scrivener says: Watch out for the Hatley Wolverines next season and the season thereafter, and here's the reason why: Seven successive years Idaho has won four of the one-foot team composed of five sophomores, three juniors and only three seniors.

And what's more: Digger, Bodin and even last-placed Pocatello played to more fans on the road than the Wranglers. The quarter-back Bodin has won three more games than that quarter, mentioned, while Idaho Falls came in with 1,000.

"That's not just treating as right," said Maury, "when we push the Wranglers here to the tune of 8,000."

Doerr blames poor scheduling for the Cowboys' road showing, pointing out that Waddies always appeared second or third in the other clubs' home stands.

AND THAT'S THAT FOR NOW, says Maury. He says he'll be with Boise in 1948. He'll be with Houston in the Texas League next season.

Bengals Down Western State By 19-9 Count

Gunnison, Colo. Oct. 18 (AP)—Seven successive years Idaho has won four of the one-foot team composed of five sophomores, three juniors and only three seniors.

Coach Hank Powers Twin Falls Bruins gained their second Big Six victory here today as they defeated the Idaho Tech Tigers, 37-7.

The Bruins topped the Tigers' star, Ben Jernberg, and the other leading stars in the second period when the latter scored their lone touchdown.

The Bruins were marked by frequent penalties meted out to both teams. Inability to stop the Bruins' crack back, quarterbacked by Blony Long, and their pass-snatching end, Cooper, and the running of left-half Jerry Dufelmier paved the way for the Tigers' downfall.

The Bruins counted their first touchdown early in the first quarter after receiving the kickoff. Taking the ball on their own 40 the Bruins rolled off one first down and then Kleinkopf broke off right tackle for a 45-yard run and a touchdown. A bad pass from the quarterback rubbed out a chance for the extra point.

Midway of the second period, Duane Bell, Bruin tackle, blocked an Idaho Falls punt and fell on the ball on the Tigers' six-yard line. On the third down, Kleinkopf went off right tackle for a touchdown. Long's pass for the extra point missed connection.

With Bobby Drippe, the Bruins' star guard who has been stopping many of the Tigers' runs, injured and out of play as a result of an injury, Idaho Tech took on the offense and played Coach Powers' team for the remainder of the second quarter. The Bruins' defense, led by left half, doing most of the building, the Tigers attacked straight down the field. The Bruins' defense and Homer's kick for the extra point was good.

The Tigers had marched to the Bruins' five-yard line when the half ended.

On the Bruin 41-yard line, Twin Falls, aided by a long-to-Ford pass, good for 30 yards, moved to their third touchdown score after the opening of the second half. Kleinkopf went right tackle for 17 yards and the touchdown.

Later in the quarter, Kleinkopf, on a 19-yard punt return, moved the ball to the Tiger 40. He and Arrington, right half, smashed the ball to Tiger 31, from which Jack Cross, fullback, slunged off right tackle for a touchdown on the first play of the final quarter. Arrington hit the center of the line for the extra point.

The final touchdown was on a long-Cooper pass from the quarter line after two other passes to Cooper and one to Arrington had put the ball in scoring territory. Cross punched the line for the extra point.

Halley, Oct. 18—Coach Tex Crockett's Hansen high team, which a week ago barred Glenn Perry's otherwise clean record with a scoreless tie, came back Friday to knock Coach Mack Morrison's Halley Wolverines off the undefeated list. The score was 21 to 6.

While the playing was fairly even on the ground, Hansen's passing attack, with Uter and Smith doing the heaving, proved too strong for the Wolverines.

Hansen scored a safety in the first period when Neiman's punt set the Wolverines back to their six-yard line and Baker made a bad pass from center, the ball rolling behind the Halley goal line. There Dugger, the Wolverines' star, fell on the ball for a safety.

Hansen added to its lead in the second period when Fullback Neuman, passed to Miller, left halfback, for 18 yards and Neuman drove off tackle for a touchdown.

Then with only 12 seconds of the half remaining, Dugger took a punt and ran through the whole Hansen team 85 yards for Halley's lone touchdown.

Hansen scored again in the third period when Neiman's punt set the pass and ran 20 yards to score.

Uter place-kicked the extra point. After the half, Hansen led Halley 13 to 0 in the fourth period when Uter played 20 yards to right end Sims, who ran 13 yards, remaining 13 yards.

The lineup and summary:

Hansen	Pun.	Halley
Neiman	QB	Neiman
Miller	LB	Miller

Pass in Last Second Gives Vandals 20-14 Triumph

MOSCOW, Oct. 18 (AP)—A touchdown pass which sailed 48 yards as the timer raised his gun to end the game today gave the University of Idaho Vandals a 20-14 victory over Portland University. Though they trailed in most, the teams concentrated five touchdowns, all by passes, in the last half.

Though Billy Williams' mighty last-second touchdown heave to Woody Delorme decided the contest in favor of the Vandals, Portland's Bob Christianson matched his throwing pace, tossing two touchdowns passes in the furious last half.

One of the most impressive triumphs of the day was the 21 to 0 conquest of Arkansas by Texas with Bobby Lane and the Badgers pouring out a 9 to 0 verdict. In addition, Indiana took its turn in walloping Pittsburgh, 41 to 7.

At the same time Purdue also defeated the east and crashed a hopeful Boston university's aspirations, 62 to 7.

2 North Side Scout Groups Start Drives

Two north side communities have "kicked off" their Boy Scout finance campaigns, and workers are now busy on the drive, according to Robert W. DeBurr, north side field executive.

The Gooding campaign opened Thursday morning when 35 workers met for a breakfast at the Brown cafe, with Harley Crippen as campaign chairman, and workers are now busy on the drive, according to Robert W. DeBurr, north side field executive.

Herbert R. West, Snake river council executive, spoke before the Gooding gathering on development of Scouting within the eight Magic Valley counties. Referring to how two juvenile delinquents were arrested in Gooding following a misadventure in Boise, he turned to a news-article relating that \$37,000 was paid for a Herford and how a small part of that money could have gone toward setting up a program for these boys that would have kept them out of trouble that let them marked for life.

Chairman Crippen introduced the leave captain, who are Fred Vandergraft, Al W. Wilms, Ray Terry, Frank T. Giese, Earl Gray, Ted Mason, Irl Robinson and Hilbert Dilley.

Workers present were Forest Erickson, Max Westrom, William Stokes, Marion Reynolds, Fred Hendrickson, George Nelson, Tom Casiro, Frank Stone, Leo A. Rice, Charles Sarna, Walter Swope, Andrew F. James, Otto Schell, Luciano Uria, Bill Carter, Jim Cunningham, Harvey Greene, Monty Miller, Bud Schaefer, Herb Clark, Sam Sullivan, Ralph Kendrick, James Alastre, Harold Bright, P. M. Gokee, Ernest Clemens, Lowell Wills and Norman Nelson.

During the Wendell dinner meeting at the Brown cafe, Executive DeBurr described the growth of Scouting in the area and commended the workers for having four active Scout units.

National Youth Program Slated

Observing National Youth Sunday of Episcopal churches of America, the high school group of the Church of the Ascension, Twin Falls, will conduct the morning prayer service at 11:30 a. m. today, according to the Rev. L. Leslie Hollo, rector.

Addresses will be given by Gary Metzger, E. H. and Margaret Weaver, Twin Falls. Lessons will be read by Teala R. Bellini and Elaine Robertson, and prayers will be read by Don Hazard, Jean and Joan Fisher, Chris Jensen and Dick Mansfield.

Closing prayers and benediction will be given by the Rev. Mr. Rolfe. Members and guests are urged to attend the service.

Men's Club Hears Lyle Beebe Speak

A talk and demonstration by Lyle Beebe, federal communications commissioner, on amateur shortwave broadcasting, featured the program during Friday evening dinner meeting of the Presbyterian Men's club.

About 40 members attended, and Russell Miller was program chairman. Roy Painter reported on activities at the Scout cabin, and community singing was led by Howard Shupe, accompanied by J. Hill at the piano.

Members of the committee in charge of arrangements for the dinner were Dr. J. E. Langenwaller, Don Kinsey, Carl Irwin, G. D. Hatt, Grove, Howard Wiseman and Jack Horvitz.

This Rugged Blue Lakes Canyon Land . . .

As it stands today, the site of the contemplated Blue Lakes Country club golf course appears in this photo, with Club President Tom Peavy at left pointing to a portion of the lake over which golfers will make 200-yard tee-off shots. The proposed new club house will stand at the head of Alpheus creek at extreme right. This photo is taken from the north side of the canyon and shows Snake river in the background. (Staff photo-enslaving)

... Will Be Transformed Into Modern Golf Links

As envisioned by Francis L. James, golf course architect, this is the plan for the new golf course. The lake indicated above is the same one at left of top photo. (Staff engraving)

Safeway's Meat Counters are Open on Tuesdays (and every day except Sunday)

HERE IS WHY:

1. Many people need fresh meat in some form every day as prescribed by their physicians for specific health conditions.
2. Certain creeds and religious faiths may observe a day other than Tuesday as their meatless day.
3. Many consumers may find it necessary to buy their meat on Tuesday for use on Wednesday.

In having meat for sale every day Safeway is simply fulfilling its obligation to serve the needs of all customers.

In addition, Safeway believes that an important contribution will be made to cutting down waste by maintaining an even flow of perishable foods from producer to consumer. For its part, Safeway intends to wholeheartedly cooperate with President Truman's program by doing everything possible to eliminate surplus and waste in its stores and warehouses. Closing the stores or withholding food from sale on any business day would simply mean an extra storage period for perishable foods which in turn would increase the amount of waste and spoilage.

SAFEMAY STORES, Incorporated

Nature Did "Spade Work" for Golf Course Near Blue Lakes

Forces of nature that shaped the rugged Blue Lakes contours along proper building of grass mounds, inadvertently did the spade work for what promises to be one of the nation's most challenging golf courses.

This is the opinion of Francis L. James, golf course architect, who drafted specifications for the Blue Lakes Country club golf course. Architect James knows whereof he speaks, for he has designed and supervised the University of Idaho golf course, and also in the Palouse hills west of that institution at Moscow.

With the preliminary estimate completed, the country club is turning to raising the required \$50,000 by subscriptions among its members to finance the venture. Construction may start this fall, and the course should be ready for use next summer.

Development plans include construction of half a mile of gravelled road from Blue Lakes project to the site of the course, as well as a club house at the head of Alpheus creek. The country club last summer completed improvement of the main road leading down into the canyon from the north side of the river and also set up picnic sites and other developments along the four-mile stretch which it has taken on the north bank of the Snake.

Frank L. Cook has been appointed by Mayor Tom Peavy as chairman of the golf course construction committee. To them, James has sent the results of his findings during his survey of the golf course site last month.

Of the 320 acres set aside for the golf course, 34 will be seeded. A feature of the nine-hole course will be provision for alternate tees, so beginner and expert golfer alike will derive pleasure from playing. There will be about 21 tees.

As an example of this, the second hole from the first tee calls for a 200-yard drive across an artificial "Blue Lake." The golfer who doesn't feel quite up to this, however, can move to another tee on the tip of the lake where the golf ball mortality rate will be lower.

In his preliminary estimate, James writes: "My first impression of the site on which the golf course will be built, was its extreme ruggedness. Here is a place on which a course could be built of a nature rarely equaled in other parts of the country. I am happy to say that, after spending some days there and staking the course out, you really have something of which you may well be proud. Not only will it make up into an exceptionally fine golf course, but one which will be a real test of the game."

Continuing, he comments, "the extra tees offer a diversity of play on each nine, the length and character of the holes calling for every shot in the bag."

The golf expert, in outlining such details as construction of fairways, putting greens, tees, traps and other features, points out that the course provides a natural setting, complete with hazards, for a top flight course.

Flag Selected for High School Here

Twin Falls high school will have a flag as the result of a contest in which Lolsann Erickson submitted the winning suggestion.

The flag will feature a white torch, the base of which is encircled by an olive wreath, with the word "victoria" printed beneath it on a blue background. "Twin Falls High School" will appear in large letters on the top and bottom of the flag.

Contestants submitted sketches to the contest sponsored by the P. E. club and judged by members of the faculty.

Honorable mention in the contest

Demo Leader Goes To Wrong Meeting

CLIFTON, N. J., Oct. 18 (AP)—Harry Smith, Paterson City Democratic leader, beamed as he looked over the crowd of 300 at the Robin Hood Inn.

He had arrived for a meeting of the Democratic county committee. He beat a hasty retreat when he found the conversation slightly confusing—it was a dinner of the Clifton Republican club.

The Democratic meeting is next Thursday night at the same place.

went to Warren Peppergine, Halle Cox, Bill Walls, Vernice Yvonne Miller, Lois Soper, May Kaneta and Bonnie Yvonne Allen.

Confused Writer Raps Rationing, Asks Europe Aid

Editor, Times-News:—I continued. Just about a year ago, I thought we had had a permanent good bye to rationing. I hope I am not mistaken. I hope the government doesn't start rationing again. They blame out shortages on every radio and every old lady. I call her a procurer for these supplies. There are high prices and shortages. Maybe the law of supply and demand has fallen through an overdose of politics and lack of cooperation.

We, as a people, will never be straightened out so long as there is so much bickering in the higher places.

Now it is communism we have to fight and we were sure World War II would be our last war. The old adage of "when ignorance is bliss" is only too true. It is only by the scientific method of today that we will ever be eliminated from the earth. The Golden Rule—"Do unto others as you would that they do unto you."

Let us try to find some way to help the poor and suffering people of Europe, but try to get some way where the military leaders and black leaders won't get all of the benefits. Maybe it will be impossible, but we should at least try.

If Russia insists on having an "iron curtain," all well and good. Let's have a "glass window" polished by the scientific method of today. Let's have our armies, navies and airplanes so thick from the world of the south pole, with the world on both shores, that their greed and lust for blood cannot penetrate. Let's have Washington retreat of the yellow peril and warned against foreigners entering America. Let's keep America strong and free.

STELLA L. BROWNIE (Buhl)

She's Tired of Entire "Mess" World Has Been in for Years

Editor, Times-News:—Since I was a girl of 14, almost constantly the news has been in Europe or a starvation somewhere or some democracy, etc. I am tired of the whole mess. How do you folks feel about this talk of war with Russia?

Twice we have blown Europe all to pieces and we are building her up for the second time and what good has it done? Looks like a lot of foolishness to me.

Under the Romans, Europe enjoyed 1000 years of comparative peace. While there were skirmishes on her far-flung frontiers, the main part of the empire was at peace. Roman laws were sure and just. They built good roads and trade routes. They had a strong and only highly honorable to be a Roman citizen. It was good business. Then the empire was ruled for 500 years, then it was overhauled and a program of reorganization by Augustus, it lasted as the Roman empire for approximately 500 years. It was a long and successful one and we had the 1000 years of the dark ages.

What we should have done is let Hitler and Stalin fight it out. They were the two big bad boys. Let's have our armies, navies and airplanes so thick from the world of the south pole, with the world on both shores, that their greed and lust for blood cannot penetrate. Let's have Washington retreat of the yellow peril and warned against foreigners entering America. Let's keep America strong and free.

STELLA L. BROWNIE (Buhl)

Editorial Draws Appreciation of Power President

Editor, Times-News:—I want to take this opportunity of expressing my personal appreciation for the splendid editorial which you wrote covering the official opening of our Upper Salmon plant and the company's presentation to its guests on that occasion.

One of the very important elements in our business has been the splendid support which we have had from our news people, which in turn has reflected itself in general public acceptance, thereby making it possible for the management of the company to spend its time on the offensive, in the management of its business, rather than on the defensive.

As I endeavored to point out in my remarks at Hagerman that afternoon, those of us who are guiding the affairs of Idaho Power company are truly endeavoring to equitably represent the people who furnish the money, the men and the materials for the project. It is most gratifying to know that we are measuring up to this responsibility. We are hastening our construction program to the end that we can keep electric service well in advance of the requirements of this growing territory.

C. J. STRAIN (President, Idaho Power Co.) (Buhl)

Eliminate 36 Idaho Counties For Saving, Writer Suggests

Editor, Times-News:—An Uncle Remus of Showboat fame was once to exclaim, "This is only the beginning, folks, only the beginning!"

With election shadow-bogging propaganda and promises already making headlines in our daily papers, high cost of living investigations, food shortages, cost of government administration, etc., there's more to come.

Since we've survived the horse and buggy days and the necessity of a county seat at every crossroad, or don't some of our fearless, promising office seekers suggest to the voters of Idaho to reduce the number of counties taxpayers are forced to support, needless?

It's only horse-sense economy with our cars, we can reach any county seat in south Idaho within a few hours, conduct our business and be home in time for dinner. Or we can even make a round trip to our state capital and save hotel bills. How many business trips does the average citizen make to the county courthouse each year?

We could reduce the number of counties in the state to eight, four in the north and four in the south, and save part of the expenses of 36 county administrations. This appears to be practical economy as practiced by any successful business concern or private enterprise.

Some of our counties of less than 4,000 population cannot afford to pay salaries that attract the more competent office seekers. By consolidation, the more populous counties could attract more able men, pay higher salaries, insure better educational facilities, better highways and dispense localized friction with cooperation.

And, it would save some hard-earned money for taxpayers. But it won't be done with the indifference of the political job-hogging ward-

Sanborn's Stand For Water Issues Brings Question

Editor, Times-News:—We noticed in your issue of Oct. 15 that Representative Sanborn hopes that the bureau of reclamation and the water users on Snake River reach a satisfactory agreement on the building of Fallsdam reservoir and the subsequent use of the water. He also states that the present water users, doubtless referring to those who have been leasing the unsold space at American Falls, have majority rights that should be recognized.

We wonder if he refers to the claim for 12 or 13 years ago, because they have been leasing this water for a term of years, (think) that they have acquired a right to buy it and receive credit for the rent they have paid?

We also wonder if Mr. Sanborn had been leasing his good farm in Hagerman valley for a term of years and had now made up his mind to sell it, if he would recognize a prior right on the part of his tenant to buy the property and receive credit on the purchase price what had been paid as rental during the period he had leased.

A. C. DEMARY (President, Minnikoko North Bldg. Extentors Association) (Rupert)

Petition Filed in Estate of Meyers

Mrs. Caroline M. Meyers, widow of John Meyers, Jr., who died Oct. 1947, has filed a petition in probate court asking for letters of administration in the estate.

Tribunal Judge T. B. Hamilton set 10 a.m. Oct. 31 for a hearing.

The estate does not exceed \$40,000 in value, according to the petition. It includes a 90-acre farm near Clover valued at \$7,000 and a house at Buhl estimated at \$10,000. Farm machinery is listed with a probable value of \$5,000.

In addition to Mrs. Meyers, are seven daughters and three sons. They are Mrs. Lydia Stutzman, Mrs. Pauline Victoria Jones, Mrs. Bernice Gebard, Mrs. Eunice Mashack, Bernice and Leroy Meyers, all Buhl; Edgar Meyers, Piler; Mrs. Hilda Westerkamp, Spokane, Wash.; and Olga Meyers, Longview, Wash.

Jobless Pay Man To Be In Burley

Harold Salisbury, field representative of the unemployment compensation division, whose regular headquarters are at the state employment service office in Twin Falls, will be in Burley most of this week, he announced Saturday.

From Monday through Friday he will be at the LaLoyte hotel or the IDES office in Burley to confer with employers having delinquencies or other problems. Thereafter, he will be back at the Twin Falls IDES office.

Ambitious Youth, 16, Leaves Home

Eddie King is too ambitious, his mother has informed Twin Falls county authorities.

Only 16 years old, he left his Denver home "to make his own way" in the potato harvest in the Magic Valley area, she believes.

Eddie is described as a good-looking, lively, likeable lad who might be 12 or 13 years of age. He has brown hair, grey eyes, and is probably wearing black boots, overalls and a sweater.

Missing since Oct. 7, he was last reported in Wyoming "headed toward spud country."

Ruhr coal accounted for three-quarters of Germany's total production before the war.

Christian Church Official to Speak

The Rev. Paul C. Johnson, state secretary of the Christian churches of south Idaho, will be the featured speaker at the Christian church for both morning and evening services today.

The subject of his talk is "The Church in a World of Change." He will speak in the absence of the pastor, the Rev. Mark C. Greenberger, who is conducting a labor-camp campaign in California at Chubbuck, Wyo., and a ministers' seminar for the ministers of Idaho.

The Rev. Mr. Mortimore is well known in Idaho as a church leader and a leader in civic affairs. He has served the American Legion as both state and national chaplain.

Jobless Pay Man To Be In Burley

Harold Salisbury, field representative of the unemployment compensation division, whose regular headquarters are at the state employment service office in Twin Falls, will be in Burley most of this week, he announced Saturday.

From Monday through Friday he will be at the LaLoyte hotel or the IDES office in Burley to confer with employers having delinquencies or other problems. Thereafter, he will be back at the Twin Falls IDES office.

LAMB BACK CORRECTION

Is pleasant and painless. Back aches may be associated with rheumatism, arthritis, kidney, back, stomach and lumbar dia-phragm. Relief is often obtained after one treatment.

No Barks, No Coins—Just 'Paw'

It took Sandy only a half-hour to learn how to operate this dispenser when he discovered it delivers a tasty dog biscuit every time he paws the lever. Harry Johnson, Chicago, invented the "no-bark-no-coins" gadget for his 13-year-old pet. (NEA photo)

Royal Wedding To Be Broadcast

LONDON, Oct. 18 (AP)—Princess Elizabeth's "I will" when she promises to love and obey King Philip Mountbatten will be broadcast to American listeners under plans approved by Buckingham palace, it was disclosed.

An inconspicuous microphone will be installed inside Westminster Abbey to pick up the ceremony, scheduled to start at 11:30 a.m. (4:30 a.m. MST) Nov. 20.

Herbert Mueller, head of the National Broadcasting company's office here, is in charge of plans for a pooled broadcast. He said 14 U. S. radio men would participate in a two-hour program, to include descriptions of the processions from the palace to the abbey and from the abbey back to the palace.

Judicial Notice Taken of Rains

OKLAHOMA CITY, Oct. 18 (AP)—Judicial notice was taken of recent rains in Oklahoma's wheat belt.

U. S. District Judge Bower Broadbent accused the farmers from jury duty after they asked to be released to start wheat drilling which has been prevented by drought.

The farmers were David Rainbolt, Whiteford, and John J. Winter, Hitchcock.

GRANGE PLANS DINNER KING HILL, Oct. 18—Plans for the birthday dinner to be held at the Orange hall Nov. 3 were made at the last regular meeting of the King Hill Grange.

Doris the Doe Brings Havoc To City Area

YONKERS, N. Y., Oct. 18 (AP)—Three men were quietly quaffing the cup that cheers in a Yonkers bar when Doris the Doe entered—through a plate glass window.

Doris, a 10-month-old female ferret, then began a 15-minute rampage which turned a section of the city into a zoo. She smashed through two bars and a garage before succumbing to a policeman's coup de grace in a show window.

Where she came from nobody knows, but the populace first spotted Doris as she tore down Hawthorne avenue with a small black and white dog in yapping pursuit.

She jumped through the glass window of Brophy's bar and killed the three men who were drinking. Then Doris jumped the bar, failed to find an exit, cleared the bar again and dashed out the door as the dumfounded customers huddled behind a table barricade.

The doe then raced into the Greystone garage and tried to jump through a window. Rebuffed by its metal frame, she ran out again while two mechanics leaped into the grease pits for safety.

Next Doris tried Carroll's bar and grill—but this time she entered via the doorway. Six men and a woman leaped for corners in the street, jumped past a barred window and ricocheted onto the shuttle-board.

Bleeding and groggy by this time, Doris staggered for the door but bartender John Moss kayped her with a baseball bat and she fell into the show window.

When Patrolman Leo Magrath arrived, the doe was bleeding so badly he killed her with two shots in the head.

Split in Eye Ends Llama Love Tryst

HOLLYWOOD, Oct. 18 (AP)—Today got what he's been pining for just now, but he's unsharper than ever.

Juan is a long, lanky Spaniard, who lives in Griffith park zoo. What with the mating season, and all, he's just been mooning like everything. He'd turn his big eyes on a pair of zebras strolling in a nearby pen and start seriously eyeing them.

So zoo officials decided something had to be done. From the San Antonio zoo, William Randolph Hearst, they brought Jessel, a female of the species.

Juan was brought to the cage, then inside. But Jessel was unimpressed. She gave Juan a long, intense look—then split in his eye.

Juan retired to his corner in brood. Jessel studiously inspected the scenery.

"Don't worry," they attendants said. "She really likes him. She's just blushing, like any female. Tomorrow they'll be blissing it off well."

Miss Miami Beach Accused in Suit

CHICAGO, Oct. 18 (AP)—Mrs. Claire Borin, 37, yesterday said her wealthy husband, William, 52, for divorce, charging adultery and bigamy as co-respondent Janet Shore, 40, also known as Pepper Donna, who she says, was Miss Miami Beach of 1947.

The suit, filed in circuit court here, is in charge of plans for a two-hour program, to include descriptions of the processions from the palace to the abbey and from the abbey back to the palace.

Hear the "Golden Throat" in these sets by RCA VICTOR!

The Very Finest RADIOS and RADIO-PHONOGRAPHS

Smooth, Mellow Brilliance of Tone!

MODEL 682 FEATURES R. C. A. VICTOR F. M.—Frequency Modulation—AT ITS FINEST
For those who want modern performance, both standard and F. M., virtually structureless reception, this is the greatest value obtainable. Has the famous R. C. A. Victor "Golden Throat." Distinctive and beautiful walnut veneer cabinet. A truly unusual value. **\$99.95**

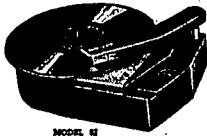

MODEL 681 HERE'S GRACE AND STYLE IN THE CLEVER USE OF MODERN PLASTICS

Magnificent performance in this handsome two-band table model radio—of striking design. R. C. A. Victor engineering "know-how" will bring in your favorite programs with a clarity of tone that is little short of amazing. Has sheet wire, automatic volume control, built-in handle. A radio that's sure to please if you want the combination of modern design and good reception. **\$42.95**

Matchless Beauty of Design!

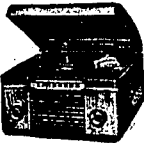

IT'S SMART, COMPACT, LOW PRICED

MODEL 81

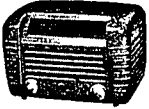

R. C. A. Victor Model 81 is more than just a record player. It's a record player with the "silent sapphire" here for the first time in a low priced unit in R. C. A. Victor's modern personal-size record pickup. No needles to change. No record bias. Has a good record playing action at minimum cost. Truly an outstanding value. **\$17.95**

Table Model Radio Phonograph with the "Silent Sapphire" Model 65U

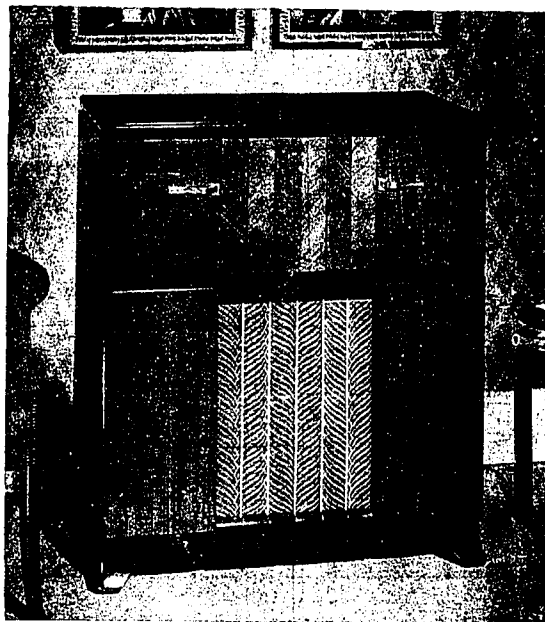

By comparison—beauty, performance, price—an outstanding table radio-phonograph. Has the finest tone system in R. C. A. Victor history, with "Golden Throat." Thirty minutes of uninterrupted music with both ten and twelve inch records. A smoother, faster action. **\$104.95**

Finest Tone, More Power, Outstanding Value in R.C.A. Victor's Model 65X1 with the "Golden Throat"

This fine little table model radio has a number of notable features. Gracefully styled plastic cabinet is a rugged chassis powered by R. C. A. Victor preferred type tubes. Magnet electro dynamic speaker reproduces with outstanding fidelity. Hear this sensational performance tomorrow. Walnut **\$27.95**
AMISQI TVOAY **29.95**

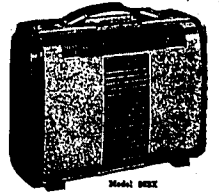

Radio and Record Performance Hits a New High In Glorious Tone Quality In Model 67V1

R. C. A. Victor Model 67V1 with the "Golden Throat" is truly a wonderful radio-phonograph combination. There is an elegance in the deft blending of striped and walnut veneers in this beautiful cabinet—plays either ten or twelve inch records without attention from the listener. Thirty minutes of uninterrupted "music automatically." "Silent sapphire" pickup gives the needle longer life. Hear this superb Victrola Radio-Phonograph.

\$209.95

THE "GLOBE-TROTTER"

An entirely new R. C. A. Victor traveling companion. R. C. A. Victor model 688X is attractively priced, exclusively designed, handsomely finished in aluminum and plastic. It is new and different—the latest blend in style and performance. The best quality of the "Golden Throat" produces exquisite tones. It's easy to carry—easy to tune. This small, compact, ultra-modern portable radio offers performance at model set cost. **\$69.95**

MODEL 688X

SMALLER THAN THE R.C.A. PRE-WAR PERSONAL

R. C. A. Victor model 54B is the smallest radio ever built commercially by Victor. Plays anywhere. Can be carried in a top-coat pocket. This tiny radio is made possible by R. C. A.'s new developed miniature components. Gives room size volume reception. You'll be amazed at the performance. Finished in polished chromium line. Covered in handsome alligator-grained plastic case. At the amazing low price of **\$34.95**

MODEL 54B

A Perfect "Escort" Wherever You Go! With a Battery You Can Recharge

No expensive batteries to buy. The battery can be recharged over and over again by simply plugging the set into an electrical outlet. This compact instrument has all of the music perfection of the "Golden Throat." Sleek, modern distinctive styling. Soft satin chromium finish with a smart background of luoyouge type setting. A set you'll show with pride. Latest in portable design. **\$94.95**
Pried at

Testing 'Grass Roots,' Solons Find South Fears for Co-ops

By GEORGE K. REEDY, JR. RICHMOND, Va., Oct. 18 (AP)—The touting house agriculture committee today was warned by farm cooperative leaders that the farmers' biggest worry is business interests that are trying to destroy cooperatives.

British Lower Boom on U.S.; Aid Too Slow

By J. M. ROBERTS, Jr. AP Feature Affairs Analyst. Judging by the tone of the London newspapers, some British officials seem to feel they are being very magnanimous in not requiring the United States to show more interest on what they owe us.

Curiosity of Pilot May Ground Him For Rest of Life

WASHINGTON, Oct. 18 (AP)—A pilot whose curiosity prompted him to push the wrong button with 58 per cent of the world's air traffic, may face the possibility of being grounded for life.

Warren Boom for President Begins

RIVERSIDE, Calif., Oct. 18 (AP)—A formal Warren-for-president campaign would try to make things harder for a Washington ad and day to rally in support of the point of skating over some pretty legal lines.

College of Idaho Pledges Reported

COLLEGE OF IDAHO, Caldwell, Oct. 18—Plans to the two new clubs on the College of Idaho campus have been announced following the end of "trial."

Life in MAGIC VALLEY

By INEZ FUCKETT

A curve in the road, and a hillside clear-cut against the sky, shade the valley from the sun. And a white cloud riding high; Ten men went along that road And all were one passed by. He painted it on a canvas For the other nine to buy.

— Ferrand.

Walking the fields of old Idaho in the autumn twilight is a wonderful experience. The plump tan haystacks and the stubble, pheasants whirr up from the willows beside the coulees. In neighboring ranch houses the lights shine warm through the dusk. There comes floating the

of voices and rattling milk pails. Everything seems so simple and safe, when you walk the good earth at evening. The farmer has put in his day's work, and now he is sitting down to supper. His sleek and clean and yourself, argue the finer points. I do certainly recommend that everyone set his Whipple's book-let. We like this Helen of Boise, and her breezy manner. Set you do, too, she says her letter with this paragraph:

"Do you know how much an acre foot of water is? ... It seems to be an important subject with tinkers, Taylor, and lawsuit makers! As I have heard you tell us, and what can you add to it? Well, no matter what you add, don't take a three-man board in Washington take one foot of it away."

Lots of nice folks in this world. For instance, we get a telegram from "The Outside." It ends up in the box of our neighbors, the Colliers. The Golter takes time to find it. The telephone demands an immediate answer, but we can't talk to Wendell and do, come a long-distance phone call, which relayed through the Jerome office to the Mar and Marjorie Martin ranch two miles west. The Martin car happens to be on the fire, and the call was sent to us and what of Joe Hansen, several miles north. Mr. Hansen, like all farmers in October, is a busy man, but he drops everything to hustle down and tell us. When we hear grumbling everywhere about a lack of kindly spirit, we think of the Colliers, Martins, and Hansen, and we're reassured.

"If tomatoes told the truth we would all want to be buried at sea."

Buhl Boys Ready For FFA Parley

BOISE, Oct. 18 (AP)—Idaho will be represented at the National Future Farmers of American convention in Kansas City, Mo., next week by two judging teams from Buhl. They are Guy Allen and Marjorie Martin, and Stanley Richardson, state FFA adviser, said today.

The Buhl livestock judging team is composed of Harvey Archer and Dick Reynolds. Reynolds and Kenny Remington, Rexburg, Don Howard, the third member of the Buhl team, cannot attend, and Remington was substituted. Official delegates will be Orville Hansen, Idaho Falls, and Kim Jensen, Grace. Also attending will be Robert Rhead, Shelley, who won the annual contest of the Idaho Potato Growers, Inc., and Milan Bush, Malad, Idaho's candidate for the American farmer degree.

REALLY SLEEPY TOWN
MELROSE, N. M., Oct. 18 (AP)—This really was a sleepy little town today. A rattlesnake locomotive whistle stuck at 9 p. m. and kept on blowing until the engine was towed away to the roundhouse at Clovis.

Openings for Civil Service Posts Listed

Applications for examinations for civil service jobs as engineering inspectors, office and junior professional assistants have been announced by the U. S. civil service commission.

Engineering aides either in survey or hydraulic engineering are needed in federal agencies in Idaho, Montana, Oregon and Washington at salaries ranging from \$1,354 to \$3,297 annually.

Deadline Filed
Applications for the written examination must be received by the director, 11th U. S. civil service region, Seattle 4, Wash., not later than Oct. 30.

Positions as insurance officer, insurance conservation officer and jobs in the loan guarantee series offer annual salaries from \$2,597 to \$7,122 and applications will be taken until Nov. 3.

Other Posts Listed
In the junior professional assistant group, positions are open for administrative technicians, chemists, economists, engineers, legal assistants, librarians, metallurgists, physicists, social science analysts and statisticians. Salaries range from a starting salary of \$2,664 a year. A written examination is required and applications will be received until Nov. 4.

Further information regarding examinations and application forms may be obtained from any first or second class postoffice.

Suspected Forger Requests Hearing

A preliminary hearing for George Howard, charged with forgery, will be held at an undetermined time next week, Justice J. O. Pumphrey ruled Friday when Howard was arrested and requested the preliminary hearing. Howard is being held in the Twin Falls county jail in lieu of \$1,000 bond.

Howard is alleged to have related Tri-State Lumber company chemist, engineer, legal assistant, prior of the store checked the val- ues of the check and then entered a complaint.

Police arrested Howard, 38, as he was about to leave his home in the South Park section with a packed suitcase. Police said Howard had worked for the Tri-State Lumber company for one year.

Students of Area Playing for Band

COLLEGE OF IDAHO, Caldwell, Oct. 18—Several students from Magic Valley are members of the College of Idaho pep band here this year.

Guy Allen, son of Mr. and Mrs. Guy W. Allen, Twin Falls, and James Hayden, son of Mr. and Mrs. J. G. Hayden, also of Twin Falls, are members of the band. Allen plays the baritone horn and Hayden plays the alto saxophone.

These Magic Valley students will accompany the band on a tour of Idaho high schools later this fall.

RETURNS TO COAST

KING HILL, Oct. 18—Mrs. Lolla Weismann has returned to her home in Los Angeles, Calif., after visiting here for five weeks with her brother and sister-in-law, Mr. and Mrs. H. E. Robinson, McCook, Neb., Mrs. James Stewart, and Mr. Stewart.

Bomb Damages U. S. Consulate

A guard looks at debris strewn before the wrecked doorway of the United States consulate building in Jerusalem against which a bomb was tossed. An Arab informant said the attack was by a member of an Arab group constituting the "striking force" of the so-called mufti of Jerusalem. (AP wirephoto)

Former Bellevue Resident Passes

HAILEY, Oct. 18—Word has been received of the death of Walter T. Wright, former Bellevue resident, at Grants Pass, Ore.

He was born in Clinton, Mo., in 1877, and at the age of five years came to Broadford, Ida., where the family engaged in farming and mining. He later became a farmer and stockman in Bellevue.

While a student at the University of Idaho, he entered the service and served during the Spanish-American war in the Philippines.

He married Miss Cora Carpenter in 1902 and they had four children, two of whom preceded him in death. In 1922 he left Bellevue and moved to Grants Pass where he resided until his death. Funeral services were held in Grants Pass Wednesday with military honors.

Survivors include his widow, Mrs. Cora Wright, and son, Don Wright, both of Grants Pass; one daughter, Mrs. Frances Saunders, Wendell; two sisters, Mrs. J. W. Lowe of Nevada, Mo., and Mrs. Meta Field of Iowa City, Ia.; three brothers, John

Blaine County's New Nurse Gets Training Course

HAILEY, Oct. 18—Mrs. Christine Meane, Cary, is receiving training in Blaine and soon will be engaged in active work as public health nurse in Blaine county. It was announced at the last regular meeting of the Hailey Parent-Teacher association.

Letters were written to the Ketchum and Cary PTA units, American Legion auxiliary and Hailey and Bellevue Civic clubs in an effort to form a group to cooperate with Mrs. Meane. It was suggested that each group appoint a representative, with the delegation to meet with the board of county commissioners twice a month to make reports on the progress of the project.

About 75 persons attended the PTA meeting at which a program of music was presented by the eighth grade class of Mr. Fairchild under the direction of Mr. Anderson.

Lt. Gen. George Clanton and T/Sgt. Frank Morris of the army recruiting station in Twin Falls presented motion pictures. An open discussion was held following the movies with Joe McFadden, Mrs. Josephine Price, Mrs. Sherman Bellwood and Mrs. Art Jensen participating.

Refreshments were served by first grade mothers.

Tides in Cook inlet on the Alaskan Pacific coast are among the highest in the world, often rising 30 feet.

Students Attending Meeting at Portland

COLLEGE OF IDAHO, Caldwell, Oct. 18—Seven students from the College of Idaho have returned from Portland, Ore., where they participated in a four-day conference of the Northwest Regional Student Christian association.

The College of Idaho students who made the trip as representatives of the Eastern Christian association included Jennie Karstner and Betty Jo Burger, both of Buhl, and Charles Case, Twin Falls. Accompanying the group was Professor John Anderson, dean of the department of religion.

Ketchum Residents Attend Convention

KETCHUM, Oct. 18—Mr. and Mrs. O. P. Farwell, Mr. and Mrs. Lonzo Price, Mr. and Mrs. George Venable, J. W. Scarborough, William Price, and Mrs. Esther Fairman have gone to Coos Bay, Ore., to attend a lodge meeting.

Following the lodge meeting, they will go to Moscow, Mrs. Hedges

Boiseans to Join Plane Event Here

The Idaho Model club has notified Frank Howell, sponsor of the Magic Valley Glider Show, that a number of its members, plus model plane enthusiasts from Ramapo and Caldwell, will be on hand for the model airplane meet in Twin Falls Sunday, Nov. 2.

Other entries are expected from Pocatello and Burley, as well as Twin Falls and other Magic Valley communities, so the best of southern Idaho model airplanes will be seen in action during the event to be held at the model airport near Jaycee park. A number of new and fast racers will be a feature of the show, according to Fred Well.

The Twin Falls Junior Chamber of Commerce will handle concessions at the meet, selling pop, coffee and other refreshments for spectators.

Board, Halley, accompanied the group and plans to visit her daughter, Mrs. Ralph Nasser, Lewiston. They expect to return by Nov. 1.

A Heavy Burden
Prejudices burden people in every land. Greater tolerance is the world's most urgent need.
NO PREJUDICE nor preference influences a truly ethical servant of the people in the performance of his duty.
