Local Action Near in State Drive on VD

The statewide campaign against venereal disease, which is being conducted by the state health department, is being carried out in Twin Falls this week and when state and county officials conferred upon action to be taken in the event of recent cases of infection reportedly contracted here.

These representatives of the state department of public health conferred with the board of county commissioners, which is the governing body of the county board of health. Dr. F. L. Murray, director of the state health department, and County Attorney E. M. Swalesky, were present.

Five involved
As part of the cooperative program to stamp out venereal disease sources of infection, the state health officials held before the meeting records indicating that recent infections had occurred involving five women who were in Twin Falls at the time the disease was contracted.

These apparent sources of infection were traced through the rapid treatment center at Boise. The representative of the state health department recommended that action be taken by the county board of health to avoid recurrence of infections.

County Attorney Swalesky Saturday said that the county board of health is empowered to isolate and, if need be, to quarantine cases of venereal disease and placard the quarters.

Members of the state department of public health, conferring with the county officials, were Dr. F. L. Murray, administrative director; Dr. Louis B. Thomas, chief venereal disease control officer; and James L. Houser, a department representative, all from Boise.

The control program was instituted when records showed a steady increase in cases of syphilis and gonorrhea since 1945. It was through this clinic may be due to some extent to better reporting methods, cases have increased from 611 records in 1946 to 1,375 for the first 10 months of 1947. This makes VD one of Idaho's most contagious diseases and the officials pointed out.

Report Made On Grazing in Forest Range

BURLEY, Dec. 21—During the 1947 season, 15,547 cattle and 25,294 sheep were permitted to graze in the Minidoka national forest, Forest Supervisor J. H. Read, Burley, reported.

Of this number, 9,905 cattle and 2,716 sheep were permitted on the Rader river range in Utah. The remainder were permitted on the Cassia, Albion, Shoshone and Black Pine ranges in Idaho. The livestock is owned by some 285 permittees who operated cattle or sheep outfits in the vicinity of the forest.

Briggs said that even though the 1947 season produced from 25 to 30 per cent more forage than average, it was not a good grazing season for the range. There was near normal moisture in the fall of 1946 but very light snowfall during the winter.

Unseasonably warm weather in April and May resulted in early maturing of vegetation on the lower ranges. An abundance of rain then came, starting about June 1, resulting in above average production of forage.

Usually heavy frost in June retarded seed production in the high elevations. High temperatures and high winds and lack of moisture during the 111-day period of dry weather beginning June 21, rapidly sapped the moisture from the vegetation. Small springs dried up and water holes became scarce.

Buhl Council Ups Slot Machine Fees

BURL, Dec. 21—At a special meeting of the city council this week, decision was made to increase the license on slot machines and to place them on a sliding scale. The 1947 fee was \$600 per machine.

Starting next year the fee will be \$600 on five and 10-cent machines, \$700 on the 25-cent machines, \$750 on the 50-cent machines and \$800 on the dollar machines.

The ordinance provides that licenses will be issued for two six-month periods. Fees on all machines for the first six months will be \$600 while fees on the same machines for the balance of the year will be the difference between the \$600 and the total fee. Machines being licensed for the first time during the second six-month period will be assessed for the full license.

COWBOYS SIGN 3 MORE PLAYERS FOR 1948 Hittle, Star of 1942 Russet Staff, Coming

President Maury Dore, president of the Twin Falls Cowboys, last night announced the signing of two pitchers and an outfielder and the assignment of a pitcher to the 1948 team.

The players signed include Willie Collins, a right-handed pitcher who played for the 1947 team in 1947 season; James Byrnes, an outfielder with Bismarck in the Arizona League; and Earl Bollen, a left-handed pitcher who played for the 1947 team in 1947 and Bismarck last season.

Assigned outright to Joplin in the Western association was Paul Enns, who left the club last June 18 after being assigned to Joplin. Collins was recommended to the Yankees organization by Earl Bollen, who played for the 1947 team in 1947 and Bismarck last season.

Spurred by Harvey Conlin's victories in the 100-yard dash, low hurdles and broad jump, won the state championship, Edging Bole, 25 to 24½, one-half of an identical twin combination, ran the 100 in 9.5 seconds to smash a state record that had stood since 1924.

Leviator beat Bole, 2 to 1, for the state high school basketball championship. Bole's American Legion basketball team won the state championship and regional championship, defeating Portland, Ore., 3 to 0, and 8 to 3.

The University of Idaho basketball team won one conference game, a 27 to 46 upset over the central champions, College of Idaho's hoopers tied for the Northwest conference title. In AAU basketball, the Idaho Simplotos won eight and lost 12 in the first American league.

Boeing staged a renaissance in the state with professional cards staged regularly. Bole, Twin Falls, Pocatello, Idaho, and Washington, Pocatello Negro, and Bobby Seabee, Twin Falls, were headliners in most of the cards. The Golden Gloves sectional tournament was held in Twin Falls for the second straight year, with Lyons, 135-pound Jerome youth, the only repeating champion. Bob McColl, Twin Falls, won the heavyweight crown; Henry Nelson, Jerome, the flyweight; Duane Silcock, Jerome, the featherweight; Ben Nelson, Twin Falls, the middleweight; and Lyle Taylor, Albion, the light heavyweight.

The University of Idaho boxing team again had one of its champions, having three coast champs, Laune Erickson, 175; Ray Engstrom, 135; and Herb Carlson, 135. Erickson and Carlson also won the national championship. The Vandals were undefeated in dual meet competition and tied with Wisconsin in the national title.

Adding shared many of the sport's headlines with Anne Winn of Clatskanie making the Olympic ski team in tryouts at Sun Valley. Edy Engstrom, Swindell, and George and George, Jr., were winners in the Harrington cup races. Muddy Nunn, 17-year-old McCall youth, won the state American Legion ski championship and finished third in the western states meet. Nunn also won the junior downhill ski races at Bogus Basin for the second consecutive year.

McCall won the Fayette lakes ski tourney. The Coast State basketball team won the state semi-pro basketball championship and beat Harris's club, Reno for the regional crown. In the national tournament the Idaho entry finished fourth.

First Security bank, Boise, beat the Jewel Box of Boise for the state men's football championship and Idaho Falls beat Oxnard Printers of California for the women's championship.

Dick Lombahl, Logan, Utah, took the Idaho amateur golf title and Tracy Tucker, Boise, won the state women's golf crown. Edith Lyons, Nampa, beat out Sonny Hickey, Twin Falls for the junior American Legion golf championship, but Hickey earlier won the state intercollegiate championship.

A record number of hunters turned out into the fields and forests for the hunting season, which was reported as one of the best in recent years. All of the state's water ski championships were won by Ken Lyons, Nampa, won the first Idaho water ski championship at McCall and Nampa swimmers won the state crown as Ken Lyons, Nampa, set a new state mark of 2:17.7 for the 200 yard boys event.

Edwin Martin, Boise, won the women's bowling state individual meet at the team level. The Twin Falls Co. Oola squad, Everett Hesterman, Ashton, munched his dogs to his fifth victory in the American dog derby at Ashton. In the state rifle and pistol meet Jim Sidwell, Twin Falls, won the state rifle and pistol meet. Harold Greer, Burley, won the Idaho state trap shoot singles and Albert P. Boyd, Boise, won the handicap event.

And for basketball—Glifford turned in the most top-sided score when they beat Sitton, 54 to 0, last January.

have been keeping the Magic Valley ski meet open packed for the past several days, and on Saturday, the 68th annual ski meet was held at Galena Summit.

Schools entered are University of Utah, British Columbia, Washington, Oregon, Idaho, and Montana. The 1947 team, which was led by Claude Jones, was available to the area on Sunday, leaving the Rockies at 9 a.m.

but that was the last opportunity the rebels missed. George Grimes, Virginia, sparked the south team with two touch-downs and three extra points, and kept the north eleven at bay with brilliant punting. Grimes scored twice, 33-6 in the tenth round of the Blue-Gray football game.

The outcome was never in doubt after the rebels flashed to two touchdowns early in the game and carried the fight to their opponents to the delight of a partisan capacity crowd of 2,500.

It was the south's sixth victory in nine tries and the most decisive of the series. The south, alert to its opponents' mistakes, had scoring chances early in the game when fumbles cost the losers the ball twice inside their 20-yard line. Neither produced a score, but that was the last opportunity the rebels missed.

Life in MAGIC VALLEY

When you think of Magic Valley, you think of the fertile, rolling hills, the warm, sunny days, the friendly people, the good food, the good music, the good times. You think of the life in Magic Valley, the life that is so different from the life in the big cities, the life that is so close to nature, the life that is so full of joy and peace.

One of the things that makes life in Magic Valley so special is the sense of community. Everyone knows everyone else, and everyone is willing to help out when needed. It's a place where you can find a sense of belonging, a place where you can truly call home.

Another thing that makes life in Magic Valley so special is the beauty of the landscape. The rolling hills, the warm sun, the clear blue sky, it's all so beautiful. It's a place where you can truly relax and enjoy the simple things in life.

Life in Magic Valley is a life of peace and joy, a life that is so different from the life in the big cities. It's a life that is worth living, a life that is truly magical.

Auto Demand Still to Pass Output in '48

By DAVID J. WILKIN
An Associated Press Staff Writer
TWIN FALLS, Dec. 21.—The demand for automobiles will not pass the output of the industry in 1948, according to a report by the National Automobile Manufacturers Association.

The report states that the demand for automobiles in 1948 is expected to be about 10 million units, while the output of the industry is expected to be about 11 million units. This is a decrease from the 1947 situation, when the demand was about 11 million units and the output was about 12 million units.

The report also states that the demand for automobiles in 1949 is expected to be about 11 million units, while the output of the industry is expected to be about 12 million units. This is an increase from the 1948 situation, when the demand was about 10 million units and the output was about 11 million units.

The report is based on a survey of the automobile industry and is expected to be a reliable indicator of the demand for automobiles in the coming years.

One of the reasons for the decrease in demand for automobiles in 1948 is the increase in the price of automobiles. The average price of a new automobile in 1948 was about \$1,500, compared to about \$1,200 in 1947.

Another reason for the decrease in demand for automobiles in 1948 is the increase in the cost of living. The average family income in 1948 was about \$2,500, compared to about \$2,200 in 1947.

Despite the decrease in demand for automobiles in 1948, the automobile industry is expected to remain a major part of the economy in the coming years.

One of the things that makes life in Magic Valley so special is the sense of community. Everyone knows everyone else, and everyone is willing to help out when needed. It's a place where you can find a sense of belonging, a place where you can truly call home.

Mtn. Home Land Plan Talk Slated

By DAVID J. WILKIN
An Associated Press Staff Writer
TWIN FALLS, Dec. 21.—The Mtn. Home Land plan is slated for a public hearing in the Twin Falls area.

The public hearing will be held at the Twin Falls Hotel and will be open to all people in the area. The public hearing will be a chance for people to discuss the Mtn. Home Land plan and to give their input.

One of the things that makes life in Magic Valley so special is the sense of community. Everyone knows everyone else, and everyone is willing to help out when needed. It's a place where you can find a sense of belonging, a place where you can truly call home.

BACKSTAGE at a telephone office

This scene is typical of the activity in many telephone offices today. As fast as more equipment is manufactured, skilled hands place it in service. Such additions are well-needed because they must be fitted into the existing telephone system.

Last year, Western Electric, principal manufacturing supply for the Bell System, delivered more equipment and supplies than in any other year in its 77 year history. That was due despite serious shortages of many essential materials.

We're moving closer to the day when everyone can have the kind of service he wants, when it is wanted.

WHAT to look for in a FARM LOAN

A LOAN GEARED TO THE LONG TERM EARNING CAPACITY OF YOUR FARM

IN LONG TERM LOANS THE MOST IS NOT ALWAYS THE BEST. At present inflated prices it is an easy matter to overestimate your paying ability in the future. When you contract for the repayment of money over many years ahead be sure the amount of your loan is geared to the long term value and earning capacity of your farm, and not to the temporary high earnings of today.

LONG TERM FARM LOANS through the joint services of the TWIN FALLS BANK & TRUST COMPANY and the FARMERS LIFE ASSURANCE SOCIETY are geared to the long term value of your farm and not to the present sale value. Our success is mutual with yours. Sound lending today may keep us both solvent in the years ahead.

Build your future today for those years ahead that may not be as prosperous, with the advantage and the protection which we offer through our COMPLETE FARM LOAN SERVICE.

U.P. Revising Its Operations For Speed-up

OMAHA, Dec. 27 (U.P.)—The operating divisions of the Union Pacific railroad will be reorganized to provide faster service throughout the west, says George P. Ashby, assistant general manager.

Under the reorganization effective Jan. 1, there will be seven operating divisions directed by three general managers, Ashby said. The general managers will have offices at Omaha, Salt Lake City and Portland.

Divisions Listed

The operating divisions will be: Nebraska division—The Nebraska division, extending from Council Bluffs, Ia., to Cheyenne, will remain as now constituted under the direction of a superintendent at Omaha.

Kansas division—The Kansas division, with headquarters at Kansas City, will be extended to, but not including Denver.

Wyoming division—The Wyoming division, with headquarters at Cheyenne, will be extended south to include Denver and Colorado north of that point. The Wyoming division will terminate at Green River, Wyo., where traffic is made up into through freight trains for Idaho, Oregon and Washington on the north, and Utah, Nevada and California on the south.

Utah division—The Utah division, with headquarters at Salt Lake City, will be extended from Salt Lake to Butte, and from Ogden and Pocatello to Green River, Wyo.

California division—The former Los Angeles division, with headquarters at Los Angeles, will be changed to California division, and extended from Los Angeles to Salt Lake City.

Idaho division—The Idaho division, with headquarters at Pocatello, will extend from Pocatello to Reno, Ore., where traffic diverges to Oregon and Washington. Pocatello and the territory north and east will be transferred to the Utah division.

Oregon division—The Oregon division, with headquarters at Portland, will terminate at Rialto and the portion of that division east of Rialto will be transferred to the Idaho division.

Kin of Kimberly Man Grew Beard Which Hit Floor

It whisked on in the family some Kimberly residents should have no trouble in winning any forthcoming whisker growing contest.

John Hamby, Kimberly, while going through the papers of his father, J. R. Hamby, also Kimberly, found a newspaper clipping telling of J. G. Brinkley, a cousin of the elder Hamby, who was believed to possess the longest beard in the world.

This clipping, which they traced back to about the year 1855, told of Brinkley, who at that time lived in North Carolina. He was six feet, two inches tall, and the beard not only reached clear to the ground, but four inches of it rested on the floor. To keep from tripping over it, he carried the beard tucked into an old silk bag in an inner pocket of his coat.

He was related to the late John Lawrence L. Lumbard.
