Idaho's PAC Asks Change In CIO View

LEWISTON, March 22 (AP)—The Idaho CIO political action committee yesterday asked the national committee and union to reverse its stand opposing the Wallace-Taft third party.

The Idaho PAC adopted a resolution in which it "reserved the right to endorse a third party or independent candidate."

National Pres. Philip Murray has ordered CIO executives to repudiate the Wallace-Taft third party.

By CIO Agent
The Idaho group stood on a recommendation of Cecil Johnson, Oregon's CIO business agent and state Democratic committee member. Johnson said the PAC nationally is supposed to be non-partisan and work for progressive candidates in any party.

The group asked for the defeat of the plan of independence by the committee—Ben. Henry Dornick and Reps. Abe McCreight and John McNamara.

Idaho PAC also condemned President Truman's proposal for a peacetime draft and universal military training. It urged that any candidate favoring the Taft-Hartley act should not "receive a union vote."

Gov. C. A. Robins was criticized for not "reactivating the coalition of state labor committee and the state constitution."

The last legislature by-passed a bill which would have modernized the labor commissioner's duties and did not appropriate funds for the position.

Pair of Area Men Enlisted by Army

The enlistment of two Magic Valley men was announced today by Lieut. George P. Claxton, officer in charge of the Twin Falls Army recruiting office.

Enlisted were Joe D. Culler, 19, Wendell, and Leslie P. Lenker, 19, Gooding. Both men enlisted for three years.

Culler is the son of Mr. and Mrs. T. M. Culler, Wendell. He will receive his basic training at Camp Pendleton, Calif., for three months of basic training. Culler is a graduate of Twin Falls high school.

Lenker, son of Mr. and Mrs. George P. Lenker, Gooding, is related in the 82nd Airborne division, now stationed at Ft. Bragg, N. C. He will report duty to his basic camp. Lenker was graduated from Gooding high school, and has two years of prior service in the marine corps.

Charles Hobday Passes at Bliss

April 6 Army Day to Honor Vets of Area

"Local observance of Army day, April 6, will honor not only Magic Valley men who served in the army but also all the men in the area, still in uniform, who are guarding the peace as members of the occupation forces overseas."

Lieut. George P. Claxton, officer in charge of the Twin Falls recruiting station, said Monday.

"Few Americans realize the magnitude of the army's task in maintaining occupation forces in Germany, Austria, Japan and Korea," Lieut. Claxton commented.

More than half of the army's total strength now engaged in this vital post-war responsibility, and every man now overseas is doing an important job.

Lieut. Claxton pointed out that in addition to its occupation missions and its primary task of maintaining the nation's defense, the army's peacetime responsibilities also include the training of thousands of military specialists and continuing scientific research and development.

"To maintain minimum strength, the army must recruit at least 30,000 men annually," Lieut. Claxton said, indicating that the army has instituted several programs to provide maximum opportunities and benefits for these enlistees. These benefits include the army career plan, increased pay rate, and opportunities for outstanding recruits to receive special leadership training, he said.

Those interested in learning about the advantages of army enlistment now should contact the Twin Falls recruiting office, Lieut. Claxton added.

Miss Detweiler Feted by Group Before Wedding

A cleverly arranged shower was given Thursday for Margaret Detweiler, who is to be married to Walter, who is to be married on Easter Sunday. Mrs. Virginia Miller, Mrs. Ida Miller, Mrs. Fred Miller, Mrs. Donald K. Zuck were hostesses at the C. H. Detweiler home.

Miss Detweiler was centered the tables, in keeping with the Easter nuptial theme.

During the evening each of the 26 guests embroidered her name on a dish towel she had brought with her. A scrapbook had been completed by the hostesses, and all guests wrote short notes of advice to the bride and groom. These were entered in the book.

A buzzer was sounded at intervals during the evening as a signal that Miss Detweiler should open one of the gifts. Before the gifts were presented to her she was required to answer questions. Unseen persons made notes of her responses and at the close of the party these were read back to her.

Patricia Dwyer Heads Tri-Delt

Patricia Dwyer, daughter of Mrs. F. M. Dwyer, Twin Falls, has been installed as president of the Tri-Delta chapter of Delta Delta Delta. Patricia Dwyer, Boise, presented the president's gavel to Miss Dwyer.

Miss Dwyer was graduated from Twin Falls high school in 1945. She is a junior, majoring in education, and has been affiliated with Delta Delta Delta for three years.

Previous to her installation, Miss Dwyer acted as rush chairman of the Moscow Tri-Delta chapter. She is also affiliated with Alpha Lambda Delta, freshmen women's scholastic honorary; Sigma, sophomore women's service honorary; and is a member of the AWSO council, Greek caucus, and Pan-Hellenic council. Miss Dwyer was sophomore class treasurer.

Her term of office will expire in the spring of 1949. In June Miss Dwyer will be a delegate to the national convention of the sorority in Banff, Canada.

Coaches Recommend Two 16-Team State Basketball Tournaments

GEORGE HAYS
Reported to be the new president of the Idaho High School Coaches Association.

Rupert Mentor Now Chief of State Coaches

RUPERT, March 22.—Coach George Hays came from Pocatello not only to add with the responsibility of preparing for the first Rupert relay carnival set for April 24 but also with the presidency of the Idaho High School Coaches Association. He succeeded Bob Gibb, Boise.

Hays presided over one of the most fruitful meetings ever held by the new association at Pocatello Saturday.

Chuck Atkinson, Pocatello, was named president-elect. With Bob Brunner as vice-president and Ellis Williams, Pocatello, as secretary-treasurer.

Population of Big Game in U. S. Greater

WASHINGTON, March 22.—Big game in the United States increased 25 per cent from 1943 to 1947.

The fish and wildlife service reported.

Aside from improved game management, experts said the increase was due in part to a war-time shortage of hunting ammunition and of transportation.

The service estimated that big game at the end of 1946 totaled 6,500,000 compared with 5,100,000 in 1943.

Of the total, 1,700,000 were deer. These animals had made a recovery from a 1915 low of 3,000,000.

The game consists of game animals and birds, and includes: moose, 2,000,000; Columbian black-tailed deer, 600,000; woodland caribou, 400,000; elk, 280,000; moose, 23,000; pronghorn, 20,000; bison, 23,000; Rocky Mountain bighorn sheep, 15,000; mountain goat, 18,000; black bear, 18,000; grizzly bear, 1,400; American bison or buffalo, 1,000.

Most of the animals—67 per cent—are to be found on state and private lands. National forests comprise 28 per cent, grange districts three per cent, and national parks and Indian reservations, one per cent each. Kansas is the only state with no big game.

Leader in big game population in 1946 was Michigan, with 680,000, most of them deer. Next in order were Wisconsin, 550,000; Pennsylvania, 470,000; California, 400,000; Montana, 350,000; Wyoming, 340,000; Maine, 330,000; New York, 310,000; Oregon, 290,000.

Game populations, by states include:

White-tailed deer—Montana 27,000; Oregon 100; Washington 25,000.

Moose—Idaho 17,000; Montana 10,000; Nevada 11,000; Utah 12,000; Washington 7,500.

Columbian black-tailed deer—Oregon 11,000; Washington 11,000.

Woodland caribou—Idaho 12,000; Oregon 12,000; Washington 12,000.

Pronghorn—Idaho 12,000; Oregon 12,000; Washington 12,000.

Rocky Mountain bighorn sheep—Idaho 12,000; Oregon 12,000; Washington 12,000.

Mountain goat—Idaho 12,000; Oregon 12,000; Washington 12,000.

Black bear—Idaho 12,000; Oregon 12,000; Washington 12,000.

Grizzly bear—Idaho 12,000; Oregon 12,000; Washington 12,000.

American bison or buffalo—Montana 12,000; Idaho 12,000; Oregon 12,000; Washington 12,000.

POCATELLO, March 22.—Subcommittee of two Idaho state basketball tournaments for the current series of regional eliminations was proposed today by the Idaho High School Coaches Association.

The group submitted its recommendation to the Idaho High School Athletic association board of control.

This year only four teams entered each of the two state tournaments, the survivors of three regional series.

Under the coaches' proposal two state tournaments would be held.

The first tournament would be held at Pocatello. The larger high schools would enter one team with 16 teams from the smaller class B schools competing in another.

The coaches recommended that in 1949 the coaches' league be played in Pocatello, with the class B meet in Boise.

Plans for 1949 season's meet in track and football were drafted by members of the Southern Idaho Big Six conference. The group decided to hold its conference track meet at Caldwell May 1. The 1949 meet will be at Twin Falls and the 1950 meet at Pocatello.

The football schedule was drafted:

Sept. 6—Pocatello at Idaho Falls (non-conference).

Sept. 10 or 11—Idaho Falls at Boise.

Sept. 13 or 14—Idaho Falls at Meridian at Boise, Payette at Caldwell.

Sept. 17 or 18—Idaho Falls at Caldwell, Preston at Pocatello, Rexburg, Idaho Falls, Boise, Nampa at Moscow, Mont.

Sept. 24 or 25—Pocatello at Boise, Caldwell at Twin Falls.

Joe's First Switch

Joe McCarthy, manager of the Twin Falls Elks team, is shown here.

The Twin Falls Elks women's bowling team, managed by Joe McCarthy, won the first match of the Western States tournament today. The team, consisting of McCarthy, Mrs. McCarthy, and Mrs. McCarthy, defeated the team of McCarthy, Mrs. McCarthy, and Mrs. McCarthy.

Logan Man and Boise Women Capture Titles

Just as in the pistol division Saturday night, the rifle division in the annual championship shoot of the Idaho Rifle and Pistol association Sunday gave the crowning of new champions.

William Boyce, Logan, Utah, won the men's championship with an aggregate score of 1,775. He was followed by John McCarthy, Boise, with 1,770. Logan, Utah, was second with 1,765. Logan, Utah, was third with 1,760.

John McCarthy, Boise, won the women's small bore rifle championship, defeating Mrs. Fern Smith, Twin Falls, with an aggregate score of 1,775. McCarthy was followed by Mrs. McCarthy, Boise, with 1,770. McCarthy was third with 1,765.

Training Camp Notes

LOS ANGELES, March 22.—The Los Angeles Rams training camp is in full swing today. The team is working hard to get into shape for the upcoming season. The camp is being held at the Los Angeles Sports Center.

SPORT BRIEFS

RENO, March 22.—(UP)—Lloyd Goddard, Reno club member and instructor at Mount Rose Hotel, was winner of the open class Silver Bullet Derby. Winner in the women's combined event was Suzanne Harlow, San Valley, Idaho, with 102.1 points.

GREENSBORO, N. C., March 22

It seemed today that Lloyd Goddard can do no wrong. Even though the team linkman from Chicago shot a shabby three-over-par 73 in the final round of the Greensboro event, he wound up winning the event with a 218. Low Worham finished second to McGraw with a 278. Herman Keller, Akron, O., was third with 281, and Johnny Palmer, Badin, N. C., was next with 282.

BOISE, March 22.—(UP)—Richard Ireland, Bethel, Me., won the national junior golf championship.

Ireland registered the tricky skid on the 18th hole near here in 1:11 to win the event. His third round 73 on Sunday gave him a total of 218. Ireland's victory was a surprise, as he was considered a long shot.

The game will be held at a high school level and will be a feature of the coaches football school and clinic Aug. 9-11.

There was some doubt that Hendrix would play in organized baseball but he removed that the other day when he said that he would return to any offer that came his way.

In YOGS' book he is a great prospect. He can throw and run and hit a long ball—and that's what he needs.

Coach Halliday should have a good team this year — one that should be a state championship contender. His chance depends much on his ability to develop a catcher. The Bruins will be strong at all other points.

TWO WINS FOR DILLARD

CLEVELAND, March 22.—Harrison Dillard, the nation's No. 1 hurdler from Baldwin Wallace college, raced to twin victories in the eighth annual Knights of Columbus indoor track meet. The dusky speedster, in registering his 40th and 50th conquests, beat out some of the country's best under toppers in the 45-yard hurdles and 100.

HOLLYWOOD, Fla. (UP)—The Pirates departed from Hollywood on a high note after winning the Browns, 2 to 0 behind Kirby Hoge and Ernest Singleton.

ST. PETERSBURG, Fla. (UP)—The Yankees celebrated their third spring victory in four starts over the Cardinals after beating them, 5 to 2, before 4,038 fans.

TAMPA, Fla. (UP)—The Reds rode the crest of a four game winning streak after a 4 to 1 victory over the Red Sox.

ORLANDO, Fla. (UP)—Rookie second baseman Al Kozar's four hits paced the Senators to a 5 to 2 victory over Detroit.

WEST PALM BEACH, Fla. (UP)—Manager Connie Mack of the Athletics had lavish praise for pitcher Phil Hulse, who held the Phillies hitless over the last four innings, to help his club to a 5 to 3 victory.

CIUDAD TRUJILLO, (UP)—Jackie Robinson's first appearance at second base for the Dodgers was in a 2 to 1 success although Manager Lou Durocher claimed the move had no special significance. Robinson landed his position acceptably and hit home run as Brooklyn defeated the Dominican All-Stars, 8 to 7.

Third—Laura Mortensen, Twin Falls.

Maxwell class—Ann Titmus, Twin Falls.

Maxwell class—Joy Swensen, Jerome.

Labor Picture Darkens After Lengthy 'Lull'

WASHINGTON, March 22 (AP)—Once again the picture of the labor-management front are inflamed after 10 months of near-calm.

Economic warfare has crashed into the open in the coal and meat industries. The future is cluttered with uncertainties in electrical appliances, shipping, rubber, auto, railroad and still another likely coal-grids this summer.

The government has begun using the "national emergency" provision of the Taft-Hartley act.

Worse Than 40?

Some labor experts in the government believe the situation is more dangerous than at any time since the first five months of black 1946. Other government experts are no more cause for alarm than usual at this season. They say big labor strikes erupt every spring, with resulting uncertainty.

Arguments being made on the hospital side include:

1. No steel strike is expected this year. The widest strike in U. S. history was the steel strike of 1946.
2. The third postwar round of wage increases is already well advanced. The textile, clothing and other industries have granted raises to large numbers of workers without strikes.
3. Most labor leaders and industrialists are anxious to continue production for the sale of the 1948 world recovery plan and America's world recovery.
4. The Taft-Hartley act contains provisions that delay or prevent strikes in certain circumstances.

On the pessimistic side, some people are saying:

The in third round of wage increases hasn't reached most of the heavy industries like electrical appliances, steel, auto, rubber.

Last year, heavy industry raised wages and also raised prices to make up for it. This year both the public and the government are exerting stronger pressure against price increases without the support over the recent steel rise.

Inventories bigger

Some industries have bigger inventories than last year, and are thus in a stronger position to risk strikes.

Left-wing strike may flare among unions may affect industrial peace. Some people are saying how America's left-wing labor leaders (anti-CP) will act as the world situation changes.

We are still in a period of adjustment and elating interpretation with regard to the Taft-Hartley act. The problems of adjustment are serious in some industries.

High Price Trailer at Auction

A two-story trailer, built by 10 members of the seventies quorum, is shown above before it is sold for \$115 at a public auction to raise funds for the Gooding LDS church. More than 300 persons paid \$2,473 for 200 items at the auction. Members who helped build the trailer are pictured above. Gooding Sale Brings \$2,473 To LDS Church Building Fund

GOODING, March 22—The public auction staged by members of the Gooding LDS ward brought \$2,473 for the sale of the 200 items at the church building fund.

More than 300 persons turned out for the auction, bidding for the items. The items included a two-story trailer, built by ten members of the seventies quorum, sold for \$115.

William R. Olson and M. Staley, chairman of the church building finance committee, expressed their gratitude to all persons who attended the auction.

Auctioneers Harvey Iverson and Lawrence Willard conducted the service and Willis Cheney was clerk.

Livestock brought top prices in all.

6 Billion Surplus

WASHINGTON, March 22 (AP)—The government's budget surplus climbed above \$6,000,000,000 today for the first time in history.

The flood of income tax payments was responsible. Thirteen percent of the surplus, \$1,000,000,000, was paid in three days.

At \$1,121,195,817.39, the surplus was roughly moving toward the \$7,500,000,000 which President Truman has predicted by the end of this fiscal year, June 30.

The biggest full year surplus in history was \$1,155,000,000, attained under the Coolidge administration 21 years ago.

Boom Is Expected At Summer School

MOBICOW, Idaho's new teacher certification regulations are expected to increase the number of state teachers taking advanced work at the University of Idaho summer school June 10 to Aug. 4. Dr. J. Frederick Melvin, summer school director, said today.

Hundreds of experienced teachers plan to continue training to qualify for the new advanced elementary certificate or advanced high school certificate, he said.

Loretta Young Thrilled Over 'Oscar' Award

HOLLYWOOD, March 22 (AP)—Loretta Young, who was born at Salt Lake City, pointed to the Oscar and cried excitedly to newsmen: "To be perfectly honest, I never expected this in my life... I thought I would just get it."

Roseland Russell was sitting in the 30th row at the academy awards when she saw Loretta Young in the spotlight. "Not saying a prayer," she explained afterward, "but feeling one." When her fingers touched into her ears, she joined nearly 6,000 other spectators in roaring applause.

Big Upset of Event

Miss Young's receipt of the foot-high gold statuette for the best performance by an actress in 1947 was the big upset of the 20th annual ceremonies of the Academy of Motion Picture Arts and Sciences. She won for her spirited portrayal of a Swedish-accented housewife who runs to congresswoman in "The Farmer's Daughter."

Otherwise, the awards went according to forecasts. "Gentlemen's Agreement," a dramatic rap at anti-Semitism, was designated the best picture of last year.

Coleman's First

Gray and suave Ronald Colman, 51, won his first Oscar in 25 years of stardom in more than 50 pictures as the mysterious stage actor in "A Double Life."

Sticky Edmund Gwenn, 70, his cheeks and bald head lipicked, emerged by the congratulatory backstage klases of Celeste Holm and other actresses, said his prize would go on his library table. There it would join the Look magazine and Hollywood Foreign Correspondents' association trophies, presented earlier this year, for his performance as Kris Kringle in "Miracle on 34th Street." The Oscar is the first for Gwenn, like Colman a native of England.

Miss Holm "Shaking"

The blond Miss Holm was as happy as a little girl at her birthday party. She burst briefly into tears after walking offstage with her Oscar. She was "shaking," she said.

Miss Holm was honored for her acting as a sophisticated fashion editor in "Gentlemen's Agreement."

Brown-haired, blue-eyed Loretta, born Gretchen Young 35 years ago in Salt Lake City, accepted her award tearfully.

The language of Egypt under the Pharaohs is still used by Gwenn, Holm and Loretta in parts of their ritual.

No Cooperation

OKEMUNE, Okla., March 22 (AP)—The International Association of Rattlemakers Hunters is postponing the annual hunt one week—the rattlers won't cooperate.

Usually this time of year, the rattlers already are scaring the uninitiated, but a late winter has kept the snakes in their holes.

Orville Van Gulker, Okemune, chief rattler of the association, announced today that, because it takes two weeks of warm weather to bring the snakes out of hibernation, the hunt would be held April 11. It was set previously for April 4.

The snake hunters will hold their international convention at nearby Enid April 9-10, then return to Okemune for the roundup. Last year the hunt attracted 8,000 persons.

Stocks of Spuds Half 1947 Supply

BOISE, Idaho, March 22 (AP)—March 1 merchandise stocks of potatoes in Idaho were estimated to be less than half the quantity on hand the same date in 1947.

The department of agriculture said today potato stocks on March 1 were estimated at 5,000,000 bushels. The holdings on March 1, 1947, were 11,400,000 bushels, the department said.

The March 1 stocks compared with 6,550,000 bushels on hand Feb. 1. The department said holdings were 12,200,000 bushels on Jan. 1, 1948.

Carrot potato shipments during January and February were 7,114 cars or about 5,800,000 bushels, the department reported.

West's Solons Set Sights on Highway Cash

WASHINGTON, March 22 (AP)—Westerners have set a goal of \$25,000,000 for forest highways this year. And they haven't given up hopes of getting it.

"This, despite the fact that the house approved only \$5,000,000 for that purpose in passing the agriculture department money bill this week."

Two Courses Seen

The congressmen in the west—who assert that amount is too small to do any real good—are considering two courses to follow in getting it boosted:

"They can ask the senate to allow more funds, and then try to get the house to agree to the amendment when the bill comes to conference."

Or they can seek a deficiency appropriation.

Based on Testimony

The proposed \$25,000,000 forest highway budget is based upon testimony given by Thomas H. MacDonald, public roads administrator, before the house appropriations committee.

MacDonald said that \$10,000,000 worth of forest roads are already planned, and that another \$5,000,000 is needed for resurfacing.

There was no attempt to get this figure in the house when the agriculture department bill was up.

The proposed \$25,000,000 forest highway budget is based upon testimony given by Thomas H. MacDonald, public roads administrator, before the house appropriations committee.

MacDonald said that \$10,000,000 worth of forest roads are already planned, and that another \$5,000,000 is needed for resurfacing.

There was no attempt to get this figure in the house when the agriculture department bill was up.

ISC Field House State Aid Sought

POCATELLO, March 22 (AP)—Directors of the Idaho State College Alumni association have asked that state aid in constructing a new field house at the college.

T. M. Biddle of Pocatello, a member of the group, said directors agreed to raise funds locally to match any grant of state-appropriated money. The proposal will be presented to the Idaho board of education.

Cow Owned by Buhl Man Completes Test

BUHL, March 22—A registered Holstein-Friesian cow, owned by Charles A. Reed, recently completed a 354-day production record of 425 pounds of butterfat and 12,732 pounds of milk in a herd improvement registry test.

The cow, which is five years and nine months old, was milked three times a day. Testing was supervised by the University of Idaho in cooperation with the Holstein-Friesian association.
