Damage Estimated at \$90,000 For Disastrous 3-Hour Night Blaze in Store Building Here

Using every available piece of city firefighting equipment, every available Twin Falls fireman battled for three hours Friday night and Saturday morning to control a fire of unknown origin in the Barger building in the business district here. With damage estimated at \$90,000, it was the most disastrous fire here for years. Meanwhile, firemen and equipment volunteered by the Jerome fire department stood by at the local fire station in the event of any other alarms.

Shown above is a general view of damage caused in a three-hour fire Friday night at the Shirley-Mendiola Men's store and the Douglas hotel. At the top are two hotel rooms ready to fall into the store below. In the foreground are portions of the burning building which collapsed into the store. Shown in the picture above is the view of the Douglas hotel, South Carolina, and firemen working, lower right and left, cleaning debris from the furniture and fixtures in the hotel room at the upper right. Expert Lauds Readjustment Of State Vets

(From Page One) service in placing veterans. On a statewide basis the highest percentage of World War I veterans unemployed was 10 per cent in February, 1947, when all activities were experiencing a seasonal slull.

In October, 1947, an employment peak, the figure dropped to 0.8 per cent; then, rising to about seven per cent in February this year and standing at about 6.6 per cent now. The situation is showing a slight improvement all along, he said.

The importance of the seasonal fluctuations to Idaho's economy and society was emphasized last January by Gov. C. A. Rohlfus in a letter to civic leaders and organizations. The letter was accompanied by graphs showing the peaks and valleys in unemployment.

At that time there were some 10,000 unemployed persons in Idaho. The governor emphasized the need for a through-look of productivity and cost of state unemployment compensation.

Without criticizing such seasonal activities as lumbering and agriculture, he suggested that studies be brought to the state. He urged planning public works for slack periods.

The graphs showed a statewide average of 1.8 per cent unemployed at the height of summer activity and 10 per cent during winter inactivity. Contrasted with a fluctuation of 0.5 per cent in the mining and smelting industries were the three to 42 per cent and 1.5 to 40 per cent figures reported from other areas.

In Magic Valley the percentages are: Cassia and Minidoka counties, three to 10; Camas and Gooding counties, 0.5 to eight; Blaine, Jerome and Lincoln counties, one to six. Prater pointed out Bannock county with a four per cent maximum enjoys business two per cent more stable than Twin Falls.

Jobless Vets
As of Sept. 11, Prater said there were 10 unemployed veterans in Cassia and Minidoka counties, four in Camas and Gooding counties, six in Jerome and Lincoln counties, and 69 in Twin Falls county. Of the 69, total, about 83 were World War II veterans. On a statewide basis for the first seven months of the year, 50.6 per cent of all male labor placements were veterans.

Throughout Idaho, 47.7 per cent of the total male labor force (based on the 1940 census) is made up of veterans. The Magic Valley average is 47.5 per cent, but some counties are considerably higher than that. In some of the local male labor force, total number of veterans, and the percentages are: Blaine, 1,801, 870, 48.3; Camas, 422, 181, 42.6; Cassia, 4,124, 2,117, 51.3; Gooding, 2,618, 1,233, 47.1; Jerome, 2,887, 1,524, 52.8; Lincoln, 1,298, 576, 44.5; Minidoka, 3,084, 1,231, 44.3; Twin Falls, 11,228, 4,250, 46.8. Totals are 27,930, 13,245, 47.6.

The numbers of World War I and II veterans by county are: Blaine, 150, 720; Camas, 38, 140; Cassia, 450, 1,697; Gooding, 270, 1,052; Jerome, 360, 1,267; Lincoln, 110, 487; Minidoka, 250, 1,097; Twin Falls, 1,000, 4,200.

Salvation Army Young People End Outstanding Council Here

More than 80 Salvation Army youth council here Saturday night with Brigadier H. B. Collier, divisional commander of the Oregon-southern Idaho division of the Salvation Army, terming the session outstanding.

Nampa, Idaho Falls, Boise, Twin Falls and Baker and La Grande, Ore., were represented by delegations at the meetings which began at 4 p. m. Friday with registration and a dinner and welcome. Major Henry H. Koerner, division secretary, presided.

Major Clara Nielsen, local corps officer, said "we are most happy to have hosts to these young people for it gives us an opportunity to get better acquainted with the young people in the Salvation Army division and to show off the beauties of Twin Falls and Magic Valley."

Arlene Benson, 12, 1507 1/2 Highland avenue, gave the address of welcome following the dinner in the basement of the Episcopal church of the Ascension. Major Koerner introduced the delegates and musical numbers were offered by corps groups.

In his talk, "Practice Makes Perfect," Brigadier Collier stressed practice as a great factor in making the everyday life more perfect. Practice is a requisite to perfection in music, art and writing, and it is equally important in developing high ideals, he said.

The second session of the meet opened at 10:45 a. m. Saturday, with group singing, prayer, scripture reading and a talk in which Brigadier Collier told the assembled young people.

Weed Control Is Topic of Confab

Four Minidoka county officials conferred with Twin Falls county commissioners Friday on basic aims and procedures in the control of noxious weeds, according to Harry Gauld, Twin Falls county noxious weed bureau supervisor.

Minidoka County Commissioners L. T. Harper and E. L. Carlson, W. S. Elton, Minidoka county auditor, and H. B. Reynolds, Minidoka county noxious weed control supervisor, attended the meeting. Gauld said.

Two Oregon corps were represented at the council by Second Lieut. and Mrs. V. R. Conaway, Baker, Ore., and Second Lieut. and Mrs. R. Montgomery, La Grande, Ore.

Councils in the past have been held for participation by "recensers," Brigadier Collier said, so last year it was decided to give the youngsters, 10 to 14 years, a chance. This has been their council, he added.

Demos Plead For Voter Aid In Louisiana

(From Page One) was assured. If Truman needed their vote, it would be the understanding he could have it.

Other News Good, Bad and News elsewhere was good — and bad — for Mr. Truman.

The New York State CIO Political Action committee added itself to the list of organizations formally supporting the Truman-Barkeley ticket.

But in Illinois, Henry Wallace's Progressive party carried to the state supreme court its fight for a new trial on the ballot. The state election board had turned down the party's petition.

Democrats have been fighting to keep the Progressives off the ballot in Illinois. If the Wallace group gets on, most political observers think the balance would be tipped steeply for the Republicans, who already are claiming they will sweep the state.

Gov. Thomas E. Dewey, the Republican nominee, went back to his Pawling farm for a rest after a New York City conference with Gov. Robert F. Bradford, Massachusetts.

Dewey, who leaves next Sunday for his home in California, will be in town at 4:30 p. m. on Sept. 20, said he and Bradford talked about greater cooperation between the states and the federal government.

The possibility was mentioned that Gov. Earl Warren, California, the vice presidential nominee, might be assigned to bringing about such cooperation in the event Republicans win.

Truman Plans Talks
Mr. Truman pointed up some of his western tour speeches in a week-end rest on the presidential yacht, Williamsburg. He starts out Friday for Dexter, Ia., to open his tour with a farm talk there.

Dewey will be following the President closely into three major cities on their separate tours. After his appearance in Iowa, he will go to San Francisco.

35 Persons File Court Suit Over Property Titles

Suit to quiet title to real property in Buhl was filed Friday in district court against independent school district No. 3 by 35 persons who allege the district sold the property in a questionable manner and now is casting a cloud on the title to the land by threatening ouster and cancellation of the sale.

Those naming the school district are Mr. and Mrs. Roger M. Erb, Mr. and Mrs. Everett Deibel, Mr. and Mrs. Elmer J. Thomas, Mr. and Mrs. Edwin E. Monroe, Frank J. Machacek, Mr. and Mrs. Valentin Barinaga, Mr. and Mrs. J. B. Walling, Mr. and Mrs. Henry Wavra, Mr. and Mrs. M. O. Malone, Mr. and Mrs. John F. Kallack, Mr. and Mrs. John P. Buckman, Mr. and Mrs. Orlin W. Yinger, Mr. and Mrs. John W. Dillion, Mr. and Mrs. Richard C. Major, Mr. and Mrs. Richard C. Robinson, Mr. and Mrs. Roy Grubb, Mr. and Mrs. Woodrow O. Prewitt and Mr. and Mrs. J. M. Ruya. They are represented by Lawrence B. Quinn.

Their complaint states the district acquired the property on April 11, 1917 and passed a resolution on Jan. 14, 1946, to sell unimproved portions. The land was sold on Feb. 11, 1946, Oct. 14, 1946, and June 9, 1947, at prices ranging from \$200 to \$450 per lot.

The land was sold, the complaint alleges under laws having "...indefinite uncertainties and ambiguities ... with respect to the right to convey such property ... without first obtaining the consent of the electors ..."

VISIT IN BOISE
CASTLEFORD, Sept. 11—Mr. and Mrs. John Burkhardt and family recently spent a few days in Boise.

Dewey will speak in Denver Sept. 21, one day after a visit there by Mr. Truman. The Republican nominee will follow by one day the President's Sept. 23 appearance in Los Angeles and will be three days behind Mr. Truman's Sept. 22 arrival in San Francisco.

Legion, Auxiliary Officers Installed

Buhl, Sept. 11—Officers of the Buhl American Legion post and auxiliary were installed Wednesday evening at the Legion hall. Those taking office were Leonard Almqvist, commander; Albert Gahard, first vice commander; A. Amos, adjutant and finance officer; Homer Nelson, chaplain; and Dale Hobson, sergeant-at-arms.

The Legion auxiliary officers installed were Mrs. Doris Gahard, president; Mrs. Marjorie Lewison, first vice president; Mrs. Margery Nelson, secretary-treasurer, and Mrs. Clara Oerich, chaplain. Former Idaho department commander and active member of the American Legion, spoke on "Preparedness." An announcement was made that the building committee will meet Sept. 22 to elect officers for the coming year.

Rotary Club Gets Report of Parley

BURGER, Sept. 11—Homer Bull reported on the district meeting of Rotary International at Salt Lake City at the last luncheon meeting of the Buhl Rotary club.

Charles Parker was introduced as a new member by J. J. Van Zuydam. Ten members of the club signed their intention of attending a meeting of the Rotary club at Provo, Monday when the president of the Rotary International of Australia will be guest speaker. Andy Anderson, Boise, was a guest at the meeting.

Official Says City's Water System Good

(From Page One)
line bucket, it dropped on the main and broke it."

Second Incident
The water commissioner pointed out a similar incident happened last spring when the main was broken during rock-blasting operations at Rock creek canyon. The blasting broke the main. The 20-inch main is carried over the creek on a trestle. A 10-inch main goes the canyon on the Rock creek bridge on Shoshone street.

The 10-inch main is to be replaced this fall with 16-inch pipe which is scheduled to arrive this month. Granger said the replacement would alleviate to a large extent the drop of water pressure when the 10-inch main is used as a bypass to carry the city's entire supply.

Valves Planned
After the 10-inch main is replaced, Greenhatch said the city plans installation of a valve system to equalize water pressure in all parts of the city in areas of which large main, or both, is in use.

He said the city has constantly enlarged the system and has laid some 10 miles of new pipe in the past two years. A contract has been let for enlargement of filter plant facilities with work to start Oct. 1.

The commissioner said the city water system will continue favorably with those of other cities anywhere. He described its only weakness as the section between the filter plant and South Park where there formerly was 10,000 feet of wooden main.

Of that, 2,400 feet have been replaced by 20-inch steel pipe. Replacement of the wooden main is planned to be replaced by spring. Some of the necessary pipe is now on hand.

Man Arrested for Forgery at Buhl

BUHL, Sept. 11—A. C. Peterson, who was arrested at 4 p. m. Friday on a forgery charge, pleaded not guilty before Judge C. E. Rudy at a hearing Saturday morning. Bond was set at \$1,000 by Judge Rudy. Unable to post the bond, Peterson was returned to the custody of the sheriff.

Peterson was arrested Friday afternoon after he allegedly passed a forged check at a Buhl store. When picked up by police officials he had two checks with him identical to the one he had cashed. The checks were made out for \$20 each, signed by H. W. Vickers and payable to A. C. Peterson. The checks were found on the Piler branch of the Fidelity National bank.

Checking on the case, police officials discovered that no H. W. Vickers held an account at the Piler bank.

Two Plead Guilty To Forgery Count

Two men Friday pleaded guilty to a hearing Saturday morning. Ernest P. Crym and Mack Wigil, Judge Hugh A. Baker committed Wigil's sentence to four months in the county jail because he had no previous criminal record.

New Variety of Alfalfa Seed Raised on Farm at Hollister

Some 3,500 pounds of a new variety of alfalfa seed were brought to the Twin Falls office of the Idaho Crop Improvement association Friday afternoon by C. S. Skeem and Lester Skeem, route 2, Buhl. They grew it on a 14-acre tract near Hollister, one of the first foundations in Idaho.

T. C. Blackburn, association manager, said the new variety is known as Buffalo. He described it as highly resistant to wilt, a disease which causes considerable loss to Idaho alfalfa growers. The new variety is a selection from the old Kansas common variety.

The Skeems said it produces the quality hay and is a strong, swift grower. Under favorable conditions it will yield as many as seven tons of hay per acre. It is adapted to the alfalfa growing conditions and the stands hold up well where used in long rotations.

In cooperation with the International Crop Improvement association, the Buffalo variety was introduced here in 1947 by the Idaho Crop Improvement association for release to growers who could offer the right growing conditions. The Skeems were among the first of this.

The variety was tested here from an experiment station at Hays, Kan. Blackburn said all experimental data about Buffalo to be one of the best alfalfa varieties.

The seed brought in by the Skeems will be made available to other growers. It will be held for distribution in Idaho and none is to leave the state, Blackburn said.

Elmore Coroner Sets Inquest Date

MOUNTAIN HOME, Sept. 11—An inquest in the death of S. Wynn Smith, Jerome, will be held Tuesday, according to a statement issued by Elmore County Coroner Philo M. Greene.

Forgery Suspect Is Brought Here

Smith died following a two-car collision 10 miles east of Mountain Home on Sept. 3. The car in which he was riding was driven by Donald Poole, Twin Falls. It collided with the rear of a car driven by Mrs. P. Smith, Mountain Home. Mrs. Opal Smith and Floyd Hansen were passengers in the Mrs. Smith car.

He waived extradition in the Price city court Saturday and was back in Twin Falls by 8 p. m. where he probably will face arraignment Monday, officers said.

Payment of \$600 Ordered in Case

J. R. Russell was awarded \$600 principal plus interest on a mortgage case Friday by District Judge Hugh A. Baker on Russell's complaint filed against Willford Hansen, Ann Hansen and others.

The money is to be raised by a sheriff's sale of the mortgaged real property in Twin Falls county. The suit was defaulted.

Hay Stack Burns

BUHL, Sept. 11—The Buhl fire department was called to extinguish a blaze at the Leo Row ranch southeast of Buhl at 1:45 p. m. Saturday. A hay stack at the ranch was completely destroyed by the fire which was believed to have started by spontaneous combustion. A bucket brigade was formed to put out the fire before the fire department arrived.

Elva A. Patterson Claimed by Death

DEGLA, Sept. 11—Mrs. Elva A. Patterson, 87, wife of R. T. Patterson, Dec. died at 1:30 p. m. Saturday at her home, following a lingering illness.

She was born Nov. 28, 1860, in Gainesville, Mo. On March 14, 1903, she was married to R. T. Patterson, at Bethany, Mo.

The family moved to Burley 20 years ago and five years ago moved to Declo where Mr. Patterson has been associated with the Declo drug store. She was a member of the Christian Science church and had been active in civic affairs.

Survivors include her husband, R. T. Patterson; three children, Mrs. Harvey Rogers, Burley; Wayne Patterson, Boise; and Willard Patterson, Declo, and four grandchildren. Funeral services are pending. The body rests at the Postle mortuary in Burley.

State Ships Elk And Deer Tags

BOISE, Sept. 11 (AP)—The state fish and game department today sent out 50,000 deer tags and 19,000 elk tags to Idaho license vendors. It is the first shipment of the tags this year. Others will be provided as the estimated 200 vendors as the demand increases.

Last year there were 82,014 deer tags and 37,241 elk tags sold throughout the state. The metal tags are affixed to game animals by hunters after they are shot.

New Building Program Set For U. of I.

MOSCOW, Sept. 11 (AP)—A \$500,000 building project at the University of Idaho is under way. Largest of the items is the modernization of the school heating plant.

School officials said today the heating plant is being brought up to date at a cost of \$250,000, which was allocated by the last legislature. The project will include an addition to the existing structure and the installation of a modern boiler to replace two old ones in service for many years.

Among the projects under construction are the first unit of an athletic field house and a new club house for the student owned golf course. The first unit of the field house is expected to cost approximately \$100,000 and will be 175 feet wide, 100 feet long, and 50 feet high. The club house is in advanced stages of completion and will be finished complete with furnishings for \$33,000. Both projects are being financed from student funds.

Renovation of the agronomy building at a cost of \$50,000 and erection of three other buildings with the aid of federal funds complete the construction program. Two of the federal aid buildings will house a veterinary science laboratory, and extension service offices. The third will be an annex to the school gymnasium.

LEAVE ON VISIT
OAKLEY, Sept. 11 — Mr. Fred Miller has left for Darwin, Calif., to visit Mr. and Mrs. Gene Washburn.

Rescue?

MCCALL, Sept. 11 (AP)—A certain sheep may or may not be mutton today, but he was a frisky swimmer yesterday.

A boat brought the animal in, but it wasn't a dog. It was a large, woolly and very damp sheep.

Showing little gratitude for his rescue, the sheep made a large splash for a large plate glass window but was stopped just short of the pane.

First on the resort's menu last night was, strangely enough—lamb chops.

four hour strike of October, 1945—was announced by several rival telephone unions preparing to open wage talks with the Bell telephone system.

The unions, claiming to represent 376,000 workers, called for another joint meeting Sept. 24—48 days after negotiations are scheduled to start.

The west coast shipowners refused to deal with Harry Bridges' striking CIO longshoremen in handling army cargoes piled up in Pacific ports. The union had agreed to work army shipments on a pre-strike basis.

The employers said they would not deal with Bridges' union until union leaders sign non-communist affidavits in compliance with the Taft-Hartley act.

No signs of early settlement appeared as the CIO oil refinery workers strike against six major California producers went into its second week.

In Detroit, the Briggs Manufacturing company appealed to its 25,000 idle production workers to return to work Monday. However, the CIO United Auto Workers, speaking for the employees, declined.

The walkout of 170 Briggs strike guards, members of an independent union, has made 60,000 auto workers idle since Wednesday in Briggs, Chrysler and Packard plants. Other workers have returned to work through the picket lines.

Fishing Discussed By Hailey Rotary

HAILEY, Sept. 11—A talk on fishing, covering the laws of the sport and the varieties of trout in this area, was presented by Hal Wallington at the Thursday luncheon meeting of the Hailey Rotary club.

His reported surveys also made as to the food possibilities of the rivers and streams in the area, and fish are planned to be raised in accordance with these findings to assure a plentiful supply.

Visiting Rotarians at the meeting were Paul Jones, Redwood City, Calif.; Bill Michaels, Pasadena, Calif.; and A. W. Tinswell, Jerome. Coach Robert Briggs of the Hailey high school faculty was a guest of Berynn Burke.

Prices Steady at Gooding Auction

GOODING, Sept. 11—A total of 480 head of livestock sold at the weekly auction of the Gooding Livestock Commission company Friday. Prices were steady to 50 cents lower. Considerable livestock was held over for the auction next week because of the unsettled market condition.

Hogs were off 80 cents with the top selling for \$30.60. Cattle were steady throughout. Bulls sold for \$22; cows, \$20; feeder steers, \$26; vealers \$25 and \$26. Feeder pigs were higher in price and weaners sold for \$18.

Here Are Two of Many Highlights of Jerome County Fair

Gooding Fair Board Names Unit Officers

GOODING, Sept. 11—Leland O. Burres, chairman of the Gooding county fair board was re-elected to that position for another year at a meeting of the board Saturday. Mrs. Leura Lucke, treasurer and Wayne Hudeston, rodeo committee chairman, were re-elected to their respective positions. The treasurer's report showed a balance of \$15,000 on hand.

The board voted to appropriate cash awards for Gooding county winners at the 4-H district fair now being held at Jerome. Also considered were the following projects and improvements: A better water system; reseeded of the entire grounds to grass, and another barn for horses, sheep and hogs.

It was voted to move the irrigation canal which cuts across one corner of the grounds. The present plan is to move it further north.

Suggestions were made to have the road adjoining the grounds resurfaced. It also was recommended that the present board serve another year.

He Says Foreign Policies of U. S. Prepare for World War

Editor, Times-News: Your suggestion that readers present their ideas regarding our foreign policy is timely and well founded. It is true, not much of it comes out in the open. However, we of average intelligence can readily see that our plan is to militarize Europe in preparation for World War II. We are building military supply bases and air fields all over the world, dredging harbors and building highways, foreign consulates of strategic importance.

We are stockpiling atom bombs and other war materials. We are standardizing arms with all countries that fall for our financial bait. We are training soldiers in Greece, Turkey and elsewhere, supplying them militarily. And of all things, we have selective conscription here at home.

What does it mean? The answer is war. You know what a built-up show house he will put on a show.

Your questions are easily answered. No. 1. Do you favor further implementation of the Marshall plan, at the official estimated cost of four billion dollars annually? Answer: No, we can buy more governments with dollars, but not good will of the kind we need in our minds. And now, judging from many excerpts of letters I read from there, conditions are getting back to normal. So why all these crocodile tears?

Respectfully,
JOSEPH W. ADAM

Club Thanks Sheriff Rayborn For Closing Carnival Shows

Editor, Times-News: The Northview Ladies club of Buhl wishes to publicly thank Sheriff J. Freda Rayborn for his prompt action in answering the club's complaint against the continued indecent shows at the Twin Falls county fair last week.

Letters of protest at such shows were sent by several west-end ladies to the county board, secretary-manager of the Twin Falls county fair board last April and copies of the Northview Ladies' letter were sent to Thomas Parks, County Commissioner Kenyon Green and the Public Forum in both the Twin Falls Times-News and the Buhl Herald.

The letter called attention to indecent shows included in the carnival engaged for the county fair. We asked for a cleaner carnival at the fair "from now on."

This letter was answered promptly by mail to the Northview Ladies club by Commissioner Green and also on the front page of the Times-News. The letter said all three commissioners were in complete agreement with our stand regarding the indecent shows. The commissioners promised to confer with the fair board to see what means could be used to eliminate the undesirable shows.

Thomas Parks also answered the Northview Ladies' letter by mail and a copy of the letter was published in the Public Forum in the Times-News and the Buhl Herald. He agreed with our stand on the carnival shows, although he admitted he had never attended any of these shows and "perhaps they are, as you say, 'sore' and undisciplined." Mr. Parks promised to take up the matter with Mr. Siebrand and the fair board and "every effort will be made to eliminate any immoral shows."

At a district Grange meeting at the Northview Orange hall at which 210 Orangemen from all over the county were present, including F. V. Nail of Kimberly, president of the Twin Falls county fair board of directors, the Northview Ladies' letter was again read and more or less ridiculed by Mr. Nail but was upheld by other Orangemen, both men and women.

It was indeed surprising and disappointing to say the least to find the same shows operating. The pictures of the snakes were gone and the shows modified very little. The Northview Ladies club, having had a committee witness these perform-

Judge Orders Five Divorce Decrees Here

Five divorces were awarded Friday in Judge Hugh A. Baker's district court on charges of wilful neglect, extreme cruelty, mental cruelty and cruel and inhuman treatment. All of the actions were defaulted.

W. Wenzel received a divorce from Deloris Wenzel on grounds of extreme cruelty. The couple was married March 20, 1946, in Elko, Nev.

Grounds for Harold Howard's divorce from Louise Howard were mental cruelty. They were married May 6, 1946, in Twin Falls.

A divorce was granted Isabelle Reed from Woodrow W. Reed on charges of cruel and inhuman treatment. She was awarded custody of their minor child, a property consisting of a house and lot in Twin Falls county. They were married Dec. 1, 1943, in Shoshone.

Charging wilful neglect, Louis Mounce was awarded a divorce from Clifford D. Mounce as well as the custody of their minor child and \$25 per month for support of the child. The Mounses were married June 18, 1941, in Elko, Nev.

Lillian Sullivan was divorced from Lawrence Sullivan, charging him with cruel and inhuman treatment. Her maiden name, Lillian Doughty, was restored. They were married Oct. 13, 1941, in Elko, Nev.

Bothne Is Speaker At Lions Meeting

WENDELL, Sept. 11—G. J. Bothne, Twin Falls, was a guest speaker at the last meeting of the Lions club at Wendell. The session was the club's eighth night event.

Bothne spoke of his trip to Europe and pictured the reaction of the German people as they greeted the "Golden Rule" that would solve the world problems of peace.

Following the program the Lions club voted to sponsor a Civil Scout organization in Wendell. Clyde Peterson, president of the group, also announced that the group would sponsor the football game between Southern Idaho College of Education, Albion, and the college at Pocatello, which is to be played Oct. 2 at the Wendell field.

Afternoon Service Weds Barbara Price, J. Shinn

Before a background of white gladioli and lighted tapers, Barbara Price, daughter of Mr. and Mrs. G. E. Price, 223 North Main street, became the bride of Joseph Gourley Shinn, son of Mr. and Mrs. Juneuna Shinn, 437 North Main street, today. The Rev. E. Leslie Rolla read the wedding vows at 3:30 p. m. Thursday at the Episcopal church.

Close in marriage by her father, the former Miss Price was gowned in ivory satin which was fashioned in traditional style. Her bouquet was of cream gladioli and bouvardia. As tokens of sentiment she wore a necklace of pearls and a bracelet of pearls, a gift of the bridegroom, and a gift of jewelry.

Mrs. Marshall LeBaron was matron of honor. She wore a gown in orchid taffeta fashioned with a sweetheart neckline. Her net headpiece and mitts were of matching color, and she carried a bouquet of pink gladioli.

Kathleen Kelley was flower girl and wore a gold taffeta frock and carried a colonial bouquet. Best man for the bridegroom was a fraternity brother, Raymond Stannell, Boise. Thomas Carney, Twin Falls, and Bradley Minor, Idaho Falls, were ushers.

Wedding music at the ceremony was played by Mrs. Nellie Ostrom, organist. For her daughter's wedding Mrs. Price wore a cinnamon brown afternoon dress with matching accessories. The bridegroom's mother danced a bottle of drinks with the accessories, and each wore a corsage of tallman roses.

Following the ceremony a reception was held at the home of the bride's parents for 120 guests. Mrs. Joseph Gilman, sister of the bride, was in charge of the guest book, and reception assistants included Mrs. L. L. Carney, Mrs. William Haney, Mrs. Grant Thomas, William Bryan, Mrs. Rudolph Ashenbrenner, Mrs. Paul Tuber, Jr., Mrs. E. E. Johnston, Kathryn Thomas, and Bobbie Douglas. Mrs. Milton Powell assisted with the gifts. A three-tiered wedding cake, topped with bride and bridegroom under a bell, was cut in traditional manner by the happy couple.

For her traveling ensemble the bride chose a grey suit with black accessories. Following a wedding trip to San Francisco, the couple will make their home in Portland, Ore.

The bride, graduate of Twin Falls high school, was graduated this spring from the University of Colorado, Boulder. She was affiliated with Alpha Chi Omega. Shinn was graduated from Boise high school and the University of Idaho, Moscow, where he was affiliated with Sigma Alpha Epsilon. Out-of-town guests at the wedding included Mr. and Mrs. Wallace Rogers, uncle and aunt of the bride, and E. Robert, manufacturer of the bride, Olympia, Wash.

Friendship Night Meeting Planned

Meeting of the Order of Eastern Star was held recently. A covered dinner was served and Genevieve Scholde, worthy matron, presided at the business session. Maxine Salmon, accompanied by Mrs. Mary Hawley, presented two vocal numbers, and John Huntington played two piano solos during the program. Guests were Mr. and Mrs. Bert Hill, Grand Councilman, Wash., former Burley resident; Mr. and Mrs. L. A. Anderson, Los Angeles, Calif., and Mrs. Arva Cloward, Logan, Utah. Lloyd Driskell, worthy patron, presented the proficiency work given by Miss Salmon.

The next meeting, Sept. 20, will be "friendship night" at which time the chapter will celebrate its birthday anniversary. Albion, Paul, and Rupert chapters will be invited to attend the event.

Circle One Meet

Mrs. Ralph Elliott was hostess to the Methodist WCES circle one at a recent desert luncheon. She was assisted by Mrs. M. M. Moore. Devotionals were presented by Mrs. W. Taggart and the group devoted to send a package of love to the United Council of Church Women of World Community day, Nov. 5. Mrs. Earl O'Hanlon was in charge of the program and spoke to the members about Puerto Rico. Guests at the meeting were Mrs. Bertha Duke and Ida M. Wagner. It was announced that articles for packages are to be brought to the next meeting, Oct. 14, which will be held at the home of Mrs. H. W. Taggart.

Hankins Fedet

A bridal shower honoring La Donna Hankins was given by Mrs. Leonard Lun Thursday evening at the Hankins home. Mrs. Fred Hill was in charge of the program. A reading was given by Mrs. Lillian Sullivan. Gifts were hidden in various places for the honoree to find. Refreshments were served in the evening.

Group Meets

Honored

Dorothy Colard, who will leave soon to attend the University of Minnesota, Minneapolis, was honored at the Thursday evening meeting of the Astoria Chapter of the Episcopal church. A picnic supper was held by the group at the home of Mrs. H. W. Taggart. Miss Colard will be accompanied by her mother to Minneapolis.

Barbara Spaeth And Lewiston Man Are Wed

JEROME, Sept. 11—Barbara Gene Spaeth, daughter of Mr. and Mrs. William I. Spaeth, and Fred C. Williams, son of Mr. and Mrs. V. R. Williams, were united in matrimony today here. The Rev. Harvey Harper performed the ceremony at 4:30 p. m. at the Episcopal church. The First Presbyterian church before an altar decorated with peonies and white gladioli, ferns, and candelabra of white tapers.

The bride's gown was of ivory satin fashioned with a fitted bodice and a train of pearls, and a full skirt. She wore her mother's wedding veil edged with French lace which was held by a tiara of white satin. Sweetheart roses centered with an orchid and with streamers sprinkled with stephanotis formed her bouquet.

As tokens of sentiment she wore a ring belonging to her grandmother and a string of pearls, gift of the bridegroom. She carried a handkerchief which the bridegroom sent his mother from Belgium.

Mrs. Chester Timmer, matron of honor, chose a dusty rose taffeta gown and wore a halo headpiece of stephanotis. She carried a nosegay of white gladioli tied with pink and white muslin ribbons. Bridesmaids were Joan Churchman and Mrs. George Smith, Los Angeles, Calif. The bridesmaids wore shell pink taffeta and headbands of shimmered white carnations. Their bouquets were of pink gladioli and white carnations.

Junior bridesmaids and candlelighters, wearing gowns and carrying bouquets made of white carnations, were Cheryl and Lonette Hill, Glenda Jo Heila, and Mrs. E. Johnston. Each wore a headband of stephanotis, flowers, girl, and Johnny Kelker, Twin Falls, was ringbearer.

Handolph Clements served as best man for his brother, and ushers were William J. Spaeth and Fred Meech, Burley. Preceding the ceremony Mrs. O. A. Kelker, Twin Falls, sang "The Rose Tree" and "At Dawning." She was accompanied by Mrs. W. W. Godfrey, organist, who also played the wedding marches and background music.

For her daughter's wedding Mrs. Spaeth chose a black crepe and wore a corsage of tallman roses and accessories. Mrs. Clements wore a sage green satin suit with ballerina bouquets made of white carnations. A reception was held following the ceremony at the church with Mrs. V. Williamson in charge.

Guests present were Mrs. Glen Huesten, Mrs. Norma Griffin, Mrs. Owen Ellis and Mrs. Mary Joo, all Twin Falls, and Mrs. Mrs. Olsen, Fargo, N. D. Devotions were conducted by Mrs. Dick Morris, assistant hostesses were Mrs. Louis Heiter and Mrs. G. H. Lundemoen.

Choose Delegates

Delegates to the PTA district conference were chosen at the meeting of the PTA council Wednesday evening at the Twin Falls high school building. Those elected to attend the conference, which will be held Sept. 17 at Ketchikan, are Mrs. A. L. Richardson and Mrs. Ralph Elliott, council president. Mrs. Elliott presided at the meeting and reported on the national convention held at Cleveland, O., last spring.

Jerome Bride

Various Baptist missionary circles have held recent meetings. Grace Seagrave circles met with Mrs. W. A. Farley, hostess. Mrs. H. E. Malone held the devotional period. Plans for funds for the White Cross drive were discussed. Mrs. Aronid Kennedy, hostess, and Mrs. Lucy Gardner, co-hostess, entertained the Ladies Campbell circle recently. Mrs. Dean Deltrich led the devotional period. Mrs. Clyde Guffy, Mrs. J. W. Green, and Mrs. John Dillman were in charge of the program. Mrs. Guffy was appointed chairman of the new calling project for a city-wide census.

Mrs. Tony Bobler was hostess to the Mistle Thrift circle. Mrs. Ray McMullin served as chairman of the meeting and Mrs. Ted Scott was program chairman. Mrs. Bobler reviewed the reading list for the year and reported on the recent laymen's retreat at the Baptist assembly grounds. The next meeting will be with Mrs. Elwood Bobler.

Marian Bell circle met recently with Mrs. E. L. Drackett, hostess, and Mrs. Harvey Ployd, co-hostess. Mrs. Bernard Murray led the devotional period. Mrs. Kenneth Hoyer was in charge of the program on Mexico. Mrs. Sturston resigned as secretary. Mrs. L. E. Hawkins was elected secretary. Mrs. Fay Hann was chosen reading marshal, and Mrs. Lee Smith became installing officer. The officers of the club were presented corsages by Mrs. Lee Smith.

Mrs. Dale Jenkins and Mrs. O. A. Jackson were program chairmen. Following a trip to Yellowstone park the couple will make their home near Jerome where Mr. Pettit is engaged in farming.

Good Will Club

Good Will club met recently at the home of Mrs. Lloyd Hann with Mrs. J. R. Nelson presiding. Roll call was answered by "my favorite place in Idaho." Announcements were made that Mrs. J. E. Graham, Rexburg, district president of the federated clubs, will meet with the club on the evening of Oct. 6, and that Mrs. Lee Smith, first vice president, will represent the club as delegate at the state convention at Wallace on Sept. 30 to Oct. 2. Mrs. M. Sturston resigned as secretary. Mrs. L. E. Hawkins was elected secretary. Mrs. Fay Hann was chosen reading marshal, and Mrs. Lee Smith became installing officer. The officers of the club were presented corsages by Mrs. Lee Smith.

Myers Equals Strikeout Record of 16

BOISE, Sept. 11—T he Twin Falls Cowboys hold over their one-game advantage over third place Idaho Falls tonight by whipping the Boise Pilots 9 to 3 behind the hurling of Richie Myers. The young right-hander fanned 16 Pilot batters to equal the Pioneer league record set by Harry Perkowski, Ogden, against Idaho Falls on May 13, 1946.

No-Hitter

Richie Myers, (above) 31-year-old right hander of the Broadway Dodgers hurled the first no-hit game in the 1948 Pioneer league season with a 2 to 0 victory over the Giants at the Polo grounds, New York (Sept. 9). (AP wirephoto)

Myers pitched the no-hitter in the final game of the Pioneer league's regular 1948 season at Twin Falls. The Twin Falls team will open a Shaughnessy play series in Twin Falls Tuesday night.

Triple A Clubs Call Triandos, Myers, Polich

Shortstop Joe Polich, pitcher Richie Myers and catcher Gus Triandos of the Twin Falls Cowboys all have been recalled for the 1948 season by triple A baseball teams, Cowboy Manager Jack Radtke said yesterday.

Polich and Triandos will report to Newark of the International league, while Myers will return to Sacramento of the Pacific Coast loop. All three men are now on option to the Wranglers, and are being recalled from California high school seasons last August.

Bowling To Start Tomorrow

Twin Falls' fall bowling season starts Monday with action slated for the Merchants and Church leagues. Officials said two more leagues are needed for the Merchants loop, and interested persons have been asked to contact officers at the Bowling Women to Bowl.

Competition in the Women's Major league will start at 8 p. m. Thursday, with the following entries: 'Turkey's' with the following entries: 'Turkey's' with the following entries...

Boston Tops National Loop By 3 1/2 Games

BOSTON, Sept. 11 (AP)—Boston's Red Sox moved three games ahead of the rest of the field in the American league flag chase tonight by shaming the Philadelphia Athletics 2-1 behind the sick pitching of lefty Mel Parnell. The Sox had defeated the A's 9-1 in the daylight half of this afternoon-night program. Parnell, who won his 13th game of the season, his ninth at night and sixth in succession, got into a bad hole in the eighth of the ninth when the bases became loaded on two walks, a hit and a sacrifice.

PHILADELPHIA, Sept. 11 (AP)—The Boston Braves increased their National League lead to 3 1/2 games tonight by thumping the Philadelphia Phillies twice—3-1 and 12-1—in a day-night twin bill. Bob Elliott's 20th homer with two men on base, the deciding blow in the day contest.

YANKEES BOUNCE NATS WASHINGTON, Sept. 11 (AP)—The New York Yankees remained close to the front-running Boston Red Sox when they defeated the Washington Senators 6-3 today. It was the Senators' 11th straight loss.

Cardinals Boot Goats to Russets

POCAHELLO, Sept. 11 (AP)—The Idaho Falls Russets kept hot after second place in the Pioneer league tonight with an 11-9 victory over the first-place Cardinals.

The Cards, with the pennant apparently nailed to their chest, apparently refused to commit six errors and drop their third game in a row.

Task! Task!

The men who keep it quiet, but the women—was women usually do—the press about it anyway. It was the fact that the women's bowling team from the Gen State Oil company defeated the men's team from the Gen State Oil company in a practice match Friday night. The women were two out of three games.

GIANTS HUMBLE BEES

NEW YORK, Sept. 11 (AP)—The New York Giants all but ruined the Brooklyn Dodgers' pennant chances today when they trounced their in-terborough rivals twice, 2-1 and 6-4. A pair of grand slams by Larry Jansen beat Joe Hatten in the first game 3-inning duel to win his 17th decision of the season. Substitute shortstop Bobby Ryan's three-run homer with two out in the sixth and final inning furnished the winning runs in the nightcap.

INDIANS STRETCH STRIP

CLEVELAND, Sept. 11 (AP)—The Cleveland Indians took both ends of a doubleheader from the St. Louis Browns today 4-1 and 9-1 to run their current victory string to six games. Bob Lemon's six-hitter in the nightcap made him the first 20-game winner in the majors this season.

KINER'S HOMER WINS

CHICAGO, Sept. 11 (AP)—Ralph Kiner, who had hit only one grand slam home run in his major league career, bled another in a pinch-hitting role with two out and two strikes on him in the eighth inning today to give the Pittsburgh Pirates a 10-7 win over the Chicago Cubs.

REDS EDGE CARDS

ST. LOUIS, Sept. 11 (AP)—Pinch batter Danny Lathers' two-run double in the seventh gave Cincinnati Reds a 3-2 decision over the St. Louis Cardinals tonight before a crowd of 10,000.

TIGER SOUTHPAWS WIN

DETROIT, Sept. 11 (AP)—Supporting a pair of the southpaws with a double hit in each game, the Detroit Tigers topped the lowly Chicago White Sox today 4-1. The Tigers and 6 to 4. Ted Gray and Stubby Overmire took credit for the wins.

Plans Announced For Pioneer League Playoffs

POCAHELLO, Sept. 11 (AP)—The regular Pioneer league season ends tomorrow—and the Shaughnessy playoffs are expected to begin Tuesday.

Ward Leads Field At Cœur d'Alene

COEUR D'ALENE, Sept. 11 (AP)—Mervin (Bud) Ward, veteran Spokane amateur, held a five-stroke lead today at the end of the Cœur d'Alene open golf tournament.

Tierney Blanks Reds

BAIT LAKE CITY, Sept. 11 (AP)—Lloyd Tierney, Salt Lake City De-pulcher, shut out the Ogden Reds 6-0 tonight, allowing them but eight well-scattered hits.

BRUINS SWAMP OAKLEY GRIDDERS 56-0

T. F. Scores at Least Twice in Each Period

Pigskin Performers Prance Again

Displaying too much all-round ability for the courageous but only Coach Hank Coover's Falls Bruins ran and passed their way to a resounding 56 to 0 victory at Lincoln stadium Friday night. The teams gave a typical early-season performance of repeated off-sides and soft blocking and tackling. The Bruins at times, however, showed offensive brilliance on the ground and in the air. Twin Falls rolled up a net gain from scrimmage of 415 yards, compared to Oakley's 163.

Jerome Upsets Rupert 7 to 6

RUPERT, Sept. 11.—Fullback H. Black plucked an extra point in the third quarter but Jerome got some high school an upset 7 to 6 victory over Rupert. Right half D. O'Brien led the team to a victory for the victors. Rupert got its touchdown in the second quarter but failed to convert a net gain attempt. Fullback Frieberg plunged over for the counter. The game was bitterly fought all the way, although Rupert had an edge in the statistics. Rupert registered 15 first downs, while Jerome got eight. The visitors then penalized 4 yards, while Rupert was back 30 yards for rules infractions.

Buhl Defeats Filer 19 to 6

BUHL, Sept. 11.—Trailing one touchdown in each of the last three quarters, Coach Don Requa's Buhl gridders scored 19 to 6 victory over Filer here Friday night. Buhl worked well in the opening period, but was hampered by the loss of 40 yards through penalties. Robert Burchener scored the first touchdown in the second period, when he ran 40 yards with an accepted pass. On the first play after the second half kick-off, Buhl fumbled on its own 43 and Filer recovered. On the first play, fullback Ed Fadden rammed through the Buhl line all the way to the three-yard marker. He was stopped through the middle to tie the score. Buhl took the ball after the next kick-off and fullback Ed Fadden passed to right end Bob Jucker for the extra point. The final touchdown came in the last period. Burchener passed to the kicker on the Filer 19-yard line and Jucker sprinted the rest of the way. Buhl threatened again a few minutes later, but Ed Allison intercepted a pass on the Filer three-yard line to stop the march.

Burley Swamps Gooding 36 to 6

GOODING, Sept. 11.—Burley high school scored in two big clusters here Friday to rout Gooding gridders 36 to 6. The victors tallied 13 points in the first quarter and 23 more in the third. Fullback Jack Clark sprinted 53 yards in a 40-yard touchdown dash in the first half for the first, but the marker didn't count as his team was caught holding on the play. The second Gooding's only touchdown was in the second period as many stars for the Boksas. They dribbled American Football Labor Day. Led by the victors on offense were Clark and fullback Pappin.

Hagerman Edges Eden High 12 to 0

HAGERMAN, Sept. 11.—Hagerman high school scored 12 to 0 victory over Eden here Friday afternoon. Half on wide end runs, Hagerman showed a slight superiority in the line, but otherwise the contest was close.

Big Seven Standings

Team	Wins	Losses	Ties
Burley	1	0	0
Jerome	1	0	0
Filer	1	0	0
Eden	1	0	0
Hagerman	1	0	0
Oakley	0	1	0
Gooding	0	1	0

Four Good Tosses

Twin Falls scored at least two touchdowns in each quarter, and Oakley was unable to drive until a series of passes took the Hornets to the Bruin 10-yard marker as the game ended. The contest was the first of the year for both teams.

Left Half Billy DeWald

Left half Billy DeWald rammed 21 yards on the first play of the second period to score. Duane Bell intercepted the extra point. Right half Ralph Harrison got the first touchdown by charging over from the three yard line. Artid Craig converted the first try by kicking 27 yards to tie.

DeWald Scored

DeWald intercepted a noakley pass early in the third quarter and dashed 23 yards for a touchdown. A few minutes later, Cross smashed and scored again a few minutes later, but the play was called back because the Bruins were off-side.

Paul Gridders Edge Wendell

WENDALL, Sept. 11.—Paul high school gridders edged Wendell 19 to 6 victory here Friday as the new high on the local gridiron fielded its first game for the first time. Eric Strubar, Paul right halfback, scored from the 10-yard line in the first quarter when he took the ball from Evan Merrill on a release. Merrill plunged through center for the extra point. Wendell threatened to score in the third quarter on a series of line plunges. The drive came to an end when Wendell was playing with the visitors recovered a fumble and punted out of danger. The rest of the game was played out in a defensive struggle. Wendell has only three letters on its squad this year, and two of them played on the junior varsity most of last season.

Castelford Tops Murtaugh 6 to 0

MURTAUGH, Sept. 11.—Castelford high school gridders topped Murtaugh in the first quarter here Friday to edge Murtaugh high school gridiron club. The game was played out in a defensive struggle. Left half Richard Olsberg, Murtaugh, had the only touchdown during the contest, and officials said he probably will be out of action for two or three weeks.

Albion High Drubs Acquia 55 to 12

ALBION, Sept. 11.—Albion high school six-man football team scored in every quarter here Friday to rout Acquia 55 to 12. The Albion squad is coached by Mike Coglaine, a student at Southern Idaho College of Education in Pocatello. Albion and Mark Evans led the Albion scoring attack. Acquia was unable to score until Coglaine sent reserves into the field.

Sporting News Names Ashburn Rookie of Year

ST. LOUIS, Sept. 11.—The Sporting News today named Ritchie Ashburn, 21-year-old outfielder of the Philadelphia Phillies, as the major league rookie of the year.

Ashburn led the league with 32 stolen bases, his 330 hitting, some "thrilling catches," fast thinking and strong leadership. Ashburn led the National League in stolen bases and was third in batting when he broken hand recently. Other rookies mentioned include Dick Johnson of the Chicago Cubs, Bob Cerv of the Cleveland Indians, Batschelet Palmer of the Philadelphia Athletics, Gene Bearden and Joe Tipton of the Indians, George W. Bunker of the Detroit Tigers, Bob Porterfield of the New York Yankees and Dick Kokos of the St. Louis Browns.

Glenns Ferry Roms to 6 Win Over Richfield

GLENN'S FERRY, Sept. 11.—Showing a decided superiority throughout the game, Glenn's Ferry high school gridders romped to a 26 to 6 victory over Richfield here Friday night. The home club scored 10 points in the first quarter, and substitutes played most of the rest of the game. Fullback Len Fadden was outstanding for the victors. Each team registered six first downs. Glenn's Ferry completed its only pass attempt for a 35-yard gain. Richfield was successful full six times in 18 pass attempts. Fadden intercepted two Richfield passes. Glenn's Ferry was penalized 30 yards. Richfield was set back only 10 yards on penalties. Glenn's Ferry was playing within the services of two of its best linemen. Del Verne, 200-pound center, cut his hand one Friday and will be out of action for two weeks. Roy King, 195, is out of the lineup because of a shoulder injury. McFadden scored the first 0-6 touchdown on a 26-yard run in 15 minutes later fullback Vaughn Spangler intercepted a Richfield pass and ran 42 yards for a touchdown. Wats converted. Line score: Glenn's Ferry 26 0 0 0—26; Richfield 0 6 0 0—6.

500 Hunters Take To Field in State

DOISE, Sept. 11.—An estimated 500 hunters took to the field today in pursuit of the wily antelope of the Big Horn country. The state fish and game department expected most of the 500 hunters to get an early start on the season today. Of the seven hunting units, two are in the Big Horn country and Warm Springs Creek drainage southeast of Challis in Lemhi county have been allotted 100 hunters each. The remaining five were allotted 25 hunters apiece.

Shoshone Edges Honsen 6 to 0

HANSEN, Sept. 11.—Shoshone high school scored a 6 to 0 victory over Honsen in a football game here Friday. Fullback Hahn passed to quarterback Williams in the final quarter to give Shoshone its victory. Line score: Shoshone 6 0 0 0—6; Honsen 0 0 0 0—0.

Favorites Advance In Tennis Tourney

FIRST HILLS, N. Y., Sept. 11.—The favorites advanced in the first round of the national tennis championships today. None of the favorites received even a momentary fright. Billy Talbert, New York City, the second seed, led the opposition and here he knocked out Barney Walsh, Rockville, Md., 6-2, 6-1, 4-6, 6-1. Another favorite, Fred Perry, was regarded as the main foreign threat to the crown given up by Jack Kramer, the top man in American tennis. Vincent, New York City, by student at the University of Miami, 6-1, 6-2, 6-1. Frankie Parker, Los Angeles, the top seeded favorite, drew a first round by

SICE Gridiron Prospects Bright As 20 Lettermen Return for '48

SOUTHERN IDAHO COLLEGE OF EDUCATION, Albion, Sept. 11.—Grid prospects for 1948 are bright at Southern Idaho College of Education, where Coach Gene Cooper has a big squad of hopefuls working out for the season opener against College of Idaho at Caldwell Sept. 26. Twenty lettermen are on hand, and only four of last year's regulars were lost by graduation. Most members of the squad are from Magic Valley, including many 1948 high school graduates.

Michigan, Minnesota, Purdue Rated at Top

CHICAGO, Sept. 11.—Purdue, Michigan and Minnesota should be the big three of the Big Nine conference this fall. But the way the football schedule has been mapped, anything can happen. For instance, Wisconsin plays neither Michigan nor Purdue. And it just so happens that the Badgers, in the words of Coach Harry Stuhldreher, "could be the best team in six years."

Halliwell Fines Mattick, Lifts Suspension

POCATELLO, Sept. 11.—Manager Robert Mattick of the Ogden Reds has been fined \$35 as the result of an altercation in the game with Salt Lake City Sept. 8 but his suspension has been lifted conditionally. The ruling was announced today by J. P. Halliwell, president of the Pioneer baseball league. Fines charged Halliwell announced originally that Mattick was fined \$60 and suspended indefinitely for "pushing and abusing" an umpire. Subsequent investigation has led Halliwell to investigate further before making the suspension effective. "After a thorough investigation," Halliwell said, "I have decided to fine Manager Mattick \$35 and reinstate the suspension provided that we have no more trouble the rest of the season and in the playoffs. Mattick was suspended for 15 days because of a fight with an umpire. Williams, Flores Near Weight Limit

NEW YORK, Sept. 11.—(AP)—Lightweight champion Les Williams and contender Jesse Flores who meet in a 15-round title fight at Yankee stadium, Sept. 23, neared the division limit today after working out. Each weighed 137½ pounds, only 2½ over the weight they must scale in 12 days. Welterweight champion Ray Robinson and Cuba's Kid Gavilan, slated to clash in a non-title 10 on the same card, each boxed four rounds today.

Kimberly Gridders Hand Hazelton 37 to 0 Pasting

KIMBERLY, Sept. 11.—Scoring all their points in the first three quarters, the Kimberly gridders overwhelmed Hazelton 37 to 0 at Hazelton Friday. The Kimberly line was outstanding, opening scoring holes for the backs to charge through. Reserve fullback Billy Amin was also in excellent form for the winners, tearing off big chunks of yardage repeatedly. The Bulldogs scored early in the first quarter, then Raymond Johnson circled end for three yards and touchdowns. The run set up by good blocking. Fullback Ole Staley scored the next touchdown on an 11-yard run. David Raymond inflated the extra point on a quarterback sack. Staley scored the third Kimberly touchdown when he ran a punter marker when he ran a punter 22 yards to pay dirt. Amin set the next touchdown when he circled end for 12 yards. Raymond scored the next six-point play by punting one yard, after he had set up the score by sweeping end for 15 yards. The final touchdown came on a 42-yard pass from Raymond to center Del Verne, Richfield was successful full six times in 18 pass attempts. Fadden intercepted two Richfield passes. Glenn's Ferry was penalized 30 yards. Richfield was set back only 10 yards on penalties. Glenn's Ferry was playing within the services of two of its best linemen. Del Verne, 200-pound center, cut his hand one Friday and will be out of action for two weeks. Roy King, 195, is out of the lineup because of a shoulder injury. McFadden scored the first 0-6 touchdown on a 26-yard run in 15 minutes later fullback Vaughn Spangler intercepted a Richfield pass and ran 42 yards for a touchdown. Wats converted. Line score: Kimberly 37 12 12 0—37; Hazelton 0 0 0 0—0.

Total Damage Hits \$90,000 In Night Fire

(From Page One)

blaze might spread from the clothing store.

Hotel Damage
The Douglas hotel which occupies the entire upper floor of the Barger building—\$3,000 damage to furniture and furnishings covered by \$50,000 insurance. Except for broken windows and other minor damage, none of the rooms were undamaged.

Both Freelove and Stahl agreed the cause of the fire probably can not be determined because of the extensive damage to the building and its parts. Considered as possible causes were faulty electric wiring, cigarettes, and cleaning fluid.

Feasibility Rejected and cleaning fluid as causes. As to the wiring, they said damage was so complete it could not be determined if molten wiring set the building on fire or if flames from the building started the wiring. In investigating the wiring, each had the advice of qualified building tradesmen.

The fire started in the Douglas hotel. Mrs. Dorothy Barger Carlson, reported to live in California, and Mrs. Grace Barger Taylor who resides in Idaho, were the only occupants of the hotel.

Occupants of the Douglas hotel include Mr. and Mrs. Douglas, who operate the A. J. Bellamy, Mr. and Mrs. D. K. Doonan, Oscar DeRosia, Joe Houshka, Floyd Hatkins, Mr. and Mrs. J. J. Jackson, Lloyd Ludwig, Jack McKenna, Mr. and Mrs. James Reed, Frank Lewis, and Wayne Siskinbrook, all weekly renters.

Nightly renters include John O. Crowley, Halley, E. Bergwert, Pocollo; Gale Beaver, Floyd Whitmore, Twin Falls; George Hoyt, J. J. Bidler, New, and E. Martin, Coeur d'Alene.

Only vacant room was one which Mr. and Mrs. John McDermott, Nebraska tourists, had vacated at noon Friday. Only rooms which escaped serious damage were those of the Doonan's, Douglass, DeRosia, Houshka, Ludwig and McKenna.

Small Fire First
Describing fire-fighting activities, Freelove said while firemen were bringing in standpipes, a hose line through the front and rear entrances of the clothing store, another fireman with a small line was inside and had extinguished the only visible flame in the balcony area.

Freelove said by smoke he put on a gas mask. On his return a piece of ceiling fell in front of him. Looking up, the fireman saw a mass of flames in the space between ceilings. He went to work on it and asked that a hole be chipped through the floor above it.

Foam Partition
Firemen went upstairs with a type of foam partitioning an overgrown revolving spray for use between the clothes after they were removed in the floor, all they could see was the top of the second false ceiling and believed the fire was out.

Of 24 firemen, two were on vacation, one remained at the station in charge of the standby crew and in equipment from Jerome, and all others were called to town out cars parked in the immediate area.

Asio from blowing and leaking smoke, the fire was made especially spectacular. Tongues of flames licking up through the roof occasionally became large roaring flames covering a wide area.

At one point, smoke could be seen coming from the southwest corner of the building. The brick veneer loosened and appeared ready to topple on the main store roof. Although six inches away at the top it did not fall.

Heavy smoke prevented many spectators from seeing an exciting incident. Part of the western edge of the building collapsed into the interior about 11 p. m. The smoke and terrific heat prevented firemen from reaching good locations to combat the blaze.

500,000 Gallons Used
However, from every available vantage point, firemen poured tons of water into and onto the burning building. Much of it cascaded from the second floor to gutters. The city water department estimated a half a million gallons of water were used in fighting the fire.

Firemen used every kind of equipment in their battle. Ladders were hooked over the tops of several buildings and numerous devices used for special purposes. Early in the fire display windows were smashed in an effort to air out the ever-increasing smoke. Later a large iron sign was partially tipped off and an axe-wielding fireman chipped out a hole in its panel so water could be shot there.

Ladder Truck Needed
Commenting on the need for fire equipment which the city is considering buying, Freelove said the most pressing need Friday night was for an aerial ladder truck which can also double as a hose tower. It is a member of the hook-and-ladder family.

Other equipment badly needed at the fire was self-powered light facilities. A generator, floodlights and searchlights are usually carried on the type of aerial ladder truck described by Freelove. Also on such

Praise

Twin Falls firemen were praised early Saturday morning for the man who turned in the alarm, himself a former fireman. They did a fine job.

Roehrkamp discovered the fire in the Bishley-Mendota store after parking his car just across the street.

Roehrkamp said he saw the flames near the center of the store, ran across the street to make sure, then dashed to the Walgreen drugstore to telephone the fire department. By the time he returned to the clothing store, firemen were battering down its doors.

A fireman for 23 years, Roehrkamp said when he first saw the flames, he was about a foot and a half wide and not more than six feet high. When he returned after calling in the alarm, the blaze had spread to the false ceiling. Roehrkamp said he considered it out of control then.

Roehrkamp said firemen wasted little time in getting to work. They made their way through walls and partitions and difficult to fight.

men fought the fire. They were aided by three volunteers, giving a total of 24 in action.

The three fire trucks all were at the scene of the blaze. Used throughout the battle were two new pumps that had not been removed from city water mains. The newest of these pumps was placed in operation in December 1946. The oldest of the three pumps was in standby service at the scene.

Six Lines Used
Six hose lines were used for a total of nearly three-quarters of a mile of hose—3,800 feet. If city water pressure had not been restored only a few hours before the fire, firemen would have been forced to go several blocks from the scene to the Eighth avenue irrigation lateral in an attempt to pump water.

Roehrkamp expressed the city's gratitude to Jerome Fire Chief Dick Evans for the use of his men and equipment. The Jerome firemen had heard appeals for curtailed water usage broadcast because of the fire. They called the local fire department and asked if help were needed.

"We certainly owe the Jerome fire department a large debt of gratitude," Freelove said.

Volunteers Thanked
The fire chief also voiced his thanks to volunteer assistance received from the crowd which quickly gathered and stayed for the larger part of the fire. However, Freelove suggested that if such an event occurs again, volunteers should assemble at specific locations, send one member to report their availability and wait until called by firemen.

"There was a lot of good volunteer help," he said, "but sometimes the crowd was a little too enthusiastic."

The police traffic car was in constant use in controlling the crowd which was later swelled by fans gathered and stayed for the larger game. Police used the traffic car's loudspeaker system in a ceaseless appeal for spectators to leave back.

Bystanders In Danger
Because of their nearness, occasioned by the fire, many were often in danger and hampering firemen. A

Success

BUHL, Sept. 11—The attempt of a German girl, Winifred Piger, to locate a relative who operated a bakery here in 1923 has been successful.

The girl wrote Piger a letter calling his aid in locating Winifred Piger. The Times-News published her letter.

Piger recently received a communication from Piger, who now resides in Hermiston, Ore., stating he had contacted the girl, his last surviving relative in Germany.

Radio Useful
Radio equipment such as the city now has on order would have been useful at the fire, Freelove said. It would have saved the necessity of looking for a telephone and using police radio equipment to send in the second alarm.

The fire chief said radio equipment would have afforded instant communication between pumper units and helped provide better coordination in combating the blaze.

When the fire broke out again at 4 a. m. over the New Central market, Freelove had to jump in his car and get salvage covers from the fire station. With radio equipment he could have had it sent there in less time. Four firemen and two hose lines had been left at the scene in the event of another break-out.

In charge of firemen during the major portion of the fire was Assistant Chief J. Miller. Freelove had gone to Boise that day in connection with the state fire school to be held here Sept. 23, 24 and 25.

The fire chief had occasion to call here about 10 p. m. and when informed of the location of the blaze, rushed back. He arrived shortly after midnight.

County Group to Present Machine to TB Hospital

A \$1,000 electrocardiograph to be given the state tuberculosis hospital at Coalinga by the Twin Falls County Anti-Tuberculosis Association, it was announced Saturday night by Mrs. C. R. Weaver, acting chairman and for many years vice-chairman of the group.

Mrs. Weaver said funds for the purchase of the heartbeat recording machine have been accumulated through the annual sale of Christmas seals. The device, which detects irregularities in heart action, will be used in connection with chest operations, hospital staff members have told Mrs. Weaver.

Making the presentation of the machine Monday will be Mrs. Clyde O. Emulson, Mrs. L. P. Flumy and Mrs. Louise McCluskey, all Buhl, who are in charge of the camp there for children inclined to have tuberculosis. The camp is dedicated to the memory of the late Dr. McCluskey.

HOSPITAL ENROLLEES
WENDELL, Sept. 11—Wanda Gill and Violet Peterson have enrolled for nurses' training at St. Alphonsus hospital in Boise. Wanda is the daughter of Mr. and Mrs. William Gill and Violet's parents are Mr. and Mrs. Peter N. Peterson. Both graduated from Wendell high school with the class of 1946.

Pioneer Mortuary Is Sold at Hailey

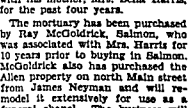

HAILEY, Sept. 11—The Harris mortuary, pioneer firm of Hailey, was sold this week by the family which has operated it since 1881 when it was established by C. E. Harris, grandfather of Charles Harris, who has held the firm jointly with his mother, Mrs. Lena Harris, for the past four years.

The mortuary has been purchased by Ray McGoldrick, Salmon, who was associated with Mrs. Harris for 10 years prior to buying in Salmon. McGoldrick also has purchased the Allen property on north Main street from James Neyman and will remodel it extensively for use as a funeral chapel. The business will be renamed McGoldrick chapel, but will be conducted from the present location until the remodeling is completed.

Mrs. Harris and Charles Harris will continue to own the furniture department of the store, which is as old as the mortuary.

Harvest Moon Due to Arrive In Next Week

By J. HUGH PRUETT
Astronomer, Extension Division, Oregon Higher Education System

There is magic in the autumn when the harvest moon hangs high.

Early autumn's gift to lovers and laborers, the beaming harvest moon, is again bringing us that delightful season when—should the sky be clear—the evenings are glorious with an overabundance of mellow light. Whether the charm lies principally in the intrinsic beauty of the big moon gliding lazily up in the eastern evening sky, or in the romantic pictures conjured up by the name, one cannot be too certain.

The season of harvest moon extends from a few days before to a few days after the full moon which comes nearest the autumnal equinox. In 1948 this equinox, the second time in the year that the sun is above the horizon approximately 12 hours the world over, occurs for this country Sept. 23. The moon is full on the 14th. Our lunar neighbor may then reasonably be considered "harvest moon" from about Sept. 14 to 23.

Without explaining the reason, the special characteristic of harvest moon is that the difference in the time of rising from one day to the next is later by much less than the normal average of 51 minutes. This keeps the moon in the early evening sky for many more nights than usual. The farther north the observer, the less the difference.

In the northern countries of Europe and much of the harvest moon moonlight evenings many days in succession. In arid climates ample opportunity to put in "full" days in gathering of crops. Thus originated the term "harvest moon."

This year, even as for south as Los Angeles, moonrise on the 19th, occurs only 23 minutes later than on the 18th. The interval from moonrise to light for several days around this time is no much greater. At the latitude of Denver, the least difference is 20 minutes; at Portland, Boise and Blumrock, 15 minutes; at Vancouver, B. C., 12 minutes. In northern Scotland there are in 1948 several evenings in succession in which the relation of moonrise is only about one minute. The rising point is farther north along the horizon each successive evening. Despite the presence of the genial face of the harvest moon in the evening heavens, there are several bright stars which attract attention. Around 8 p. m. (daylight time), the brilliant planet Jupiter glows low in the sky somewhat west of south. Slightly farther west—and a little lower—Antares is twinkling. About overhead we find bright Vega; and well up in the west, orange Capella is shining. In the northern horizon, going east, and within an hour or two will be easily seen in the north northeast by those with an unobstructed horizon.

Contest Plow Is Sent to Fairview

HOLLISTER, Sept. 11—Approximately 150 Grangers attended the plow contest, meeting of the Hollister Grange Wednesday evening. The master of the Hollister Grange presented the plow to the Fairview Grange at the session.

The presentation ceremony was closed with an original song sung by Elmo Farrar and composed by Mrs. Farrar. Fairview Grange will present the plow to the Filer Grange at a meeting scheduled for 9 p.m. Friday, Sept. 17.

Following the presentation of the plow a program was given by the lecturer, included songs by the Grange quartet and a talk, "The Little Red Hen," by Mrs. A. B. Kunkel. A play, "The Atomic Age," was presented by 12 young people of the Grange. Refreshments were served.

3 Persons Injured In Car Accident

GOODING, Sept. 11—Three persons were hospitalized here following a wreck caused by a blowout of a tire on highway 30 near Bliss, according to Deputy Sheriff O. B. Gates, who investigated the accident.

These taken to the hospital at Gooding were Mrs. Wilber A. Terpening, who sustained a broken right collar bone and badly wrecked left arm; Earl Wilson, badly smashed hand and Mrs. Earl Wilson, slight bruises.

Driver and owner of the 1947 sedan was Wilber A. Terpening. All are from Gaeburg, Ill.

Decline Noted In Employment And Pay Rate

WASHINGTON, Sept. 11 (AP)—A drop in employment and individual incomes from the record highs of mid-summer has been reported by the commerce department.

Employment fell to 61,245,000 in August, a 370,000 drop from the July peak. Summer farm operations were the cause. Employment of the farms hit a record high for the third time in as many months.

Other key findings of the commerce department report:

Total incomes of corporations—As distinguished from corporations—were reported for July at an annual rate of \$211,500,000,000. That was \$800,000,000 below June's record.

Farming was responsible for this decline too. Although prices of farm goods rose in July, the volume of marketings was below the usual mark for the season. The annual rate of farm income fell to \$22,000,000,000 compared with \$24,500,000,000 in June.

As in the case of employment, incomes of persons outside of farming rolled up to a new record annual rate—\$183,200,000,000 in July against \$187,700,000,000 in June.

A touch and you GO—that's DYNAFLOW!

YES, it boils down to just about that. You start your engine, set a lever—and from then on your treadle foot takes over.

You press the accelerator—and move softly and smoothly away.

You speed up, slow down, halt completely—and your right foot alone, operating gas treadle and brake, does it all.

How come? Simply because Dynaflow Drive is the one passenger car drive in America that gets completely away from gears which function in fixed stages.

Changes in the way oil flows, instead of changes in gears, adjust your engine power to your driving requirements.

Whether you are starting out, climbing a hill, surging past others or cruising easily, there's nothing for you to do except feed gas.

For very fast starts, extreme pulls, reserve braking power, you flick the selector lever—and your engine seems suddenly to double in size.

For parking, there is a very special setting, exclusive to Dynaflow Drive, that rigidly locks rear wheels.

Even rough and chattery roads are made smoother by power that flows along through a cushion of oil—your whole car is "sweeter" in its feel, far silkier in its actions.

Quite rightfully is Dynaflow Drive called the most important development since the self-starter.

It's a basically different way of transmitting power—and one you should know about firsthand.

See what your Buick dealer can do about arranging that for you. The merest sample of Dynaflow magic will make you want to place an order pronto, whether or not you have a car to trade!

Here's your Buick Dealer's Four-Square Selling Policy

1. NO PRICE HARKING. You receive an itemized bill of sale. We display all prices in our showroom.

Industrialists Named to Aid Plan on ERP

WASHINGTON, Sept. 11 (UPI)—Five prominent industrialists were appointed to help the government decide which German industrial plants should be removed or reparations lists to aid recovery.

Recovery Administrator Paul G. Hoffman announced the appointments. Already Britain and France are reported fretting at the United States delay in deciding what to do about the German industrial plants.

Cool Reception
Britain and France, it was learned, have given a cool reception to an American proposal for a moratorium on the dismantling of certain German plants.

The United States, it was disclosed, proposed the removal of these plants as reparations be held up pending a review of their possible value to the overall program for the recovery of Europe.

The group to advise Hoffman on the touchy reparations question will be headed by George M. Humphrey, president of the M. A. Tanna company, Cleveland.

Other Members Selected
Other members are John L. McCaffery, president, International Harvester company, Chicago; and O'Neil A. Price, president, Westinghouse Electric Manufacturing company, Pittsburgh; Frederick V. Geier, president, Cincinnati Milling Machine company, Cincinnati; and Charles E. Wilson, president, General Motors corporation, Detroit.

Hoffman said it would be weeks before he would be ready to make recommendations on the dismantling.

Details of the moratorium plan were worked out by a committee of officials from the state, army, interior, commerce and agriculture departments.

Governor Says People Forget Ideas on Which U.S. Founded

More than 60 persons Friday night heard Gov. C. A. Robins declare that many of the ideas upon which the U. S. was founded are being forgotten in the complexities of modern times. The governor spoke for the Presbyterian Men's club in the church basement where he was introduced by DeWitt R. Young, former classmate of the governor.

The most interesting part of the history of the country in that section which deals with the fundamental things in the building of the nation, such as the early history of the colony of Massachusetts where governmental powers were limited in a constitutional type government as early as 1639, he said.

Civil officers were empowered to administer laws made by the people, and if no law fit a particular situation, they were empowered to administer justice by the word of God. Governor Robins stated, in this government each individual was assured personal dignity, he added.

He pointed out that by their stand-

Idaho's June Slaughtering up 13 Per Cent

DOISE, Sept. 11 (UP)—June slaughter of meat animals in Idaho totaled 9,919,000 pounds live weight, 13 per cent more than the 8,616,000 pounds recorded last year, the department of agriculture said today.

Hogs, sheep and lambs increased over last year, while cattle and calves decreased slightly.

50,019,000 Produced

The department spokesman said total live weight of 50,019,000 pounds was produced during the January-June period, compared with 47,551,000 for 1947.

The June stock breakdown showed 6,600 head of cattle slaughtered at average weights of 970 pounds for a total of 6,402,000 pounds.

Hogs numbered 11,200 at an average of 271-pound weight for a total of 3,032,000 pounds.

1,000 calves slaughtered

Cattle slaughtered totaled 1,000 with a 270-pound average weight for a total of 270,000 pounds.

Sheep and lambs numbered 1,300, average weight 113 pounds for a total of 147,000 pounds.

The 1947 figures were: Cattle, 6,200; hogs, 8,100; calves, 1,200, and sheep and lambs, 900.

Life in MAGIC VALLEY

By INEZ PUCKETT

"A good poet's made, as well as born."

— Ben Johnson

Not every day that a Magic Valley poet makes the Saturday Evening Post. You folks will be proud to hear that Belle Stewart Haver, a resident of this Kimberly and one of our south Idaho's finest poets, has just achieved this. You'll find her delightful verse, "Promotion," on page 42 of the Sept. 4 issue. Everyone remembers Haver's recent book of poems titled "Earthshaker." This has been so popular that her publishers are now bringing out a second edition. Nice going, Belle!

BELLE STEWART HAVER

This is a tribute to a Magic Valley pioneer whom we shall never meet on this earth. He passed away last year on Sept. 12, and only his name and his good works are known to us. This man came to Idaho from Chicago in 1907. He was one of the most courageous band of easterners who developed this valley and made it the beautiful and productive area it is today. Like the others, he brushed land, lived in tents, and carried water via horseback from Blue lakes, fought flies, dust, and jack-rabbits. He cleared many acres southwest of Jerome, helped build the North Side Inn, and across reservoir. Thanks to the courage and vision of men and women like himself, our dusty, chunky frontier town became handsome little tree-shaded cities, with fine streets and houses. In paying this tribute to Fred Peterson, we also are paying tribute to all the spunky, upstanding pioneers of Magic Valley.

Up Halley way is a remarkable man we want to meet. His name is George McLeod, and he is probate judge of Blaine county. The judge was 91 last November, and from what we can gather, is equal to a routine that would frazzle a man half his age. In one week he had a jury trial, filed numerous papers, and took time to be driven "three miles below Bellevue" to marry a man and his sweetheart. The judge has a fascinating hobby of keeping scrap-books and has been at it since he was 21. We believe you readers would like to hear more about this remarkable citizen, so if the judge can ever spare the time to grant us a little interview, we'd be honored. (And I promise to tell you folks all about it.)

Jim and Betty just headed their Buick back to southern California. They found Idaho to be everything we'd said. Their hotel rooms were delightful, the help friendly. They thought dinner at the Roccon a most reasonable and tasty repeat, and they wanted us to be SURE to give a boost to Vi Tate, their waitress.

1948," she told us. "And in a few weeks I'll enter Brigham Young university at Provo."

Betty's pal, Barbara Johnson, has already left for Northwester, but Ben Morgan, Maurine Boren, Jennie Hoops and Beverly Crowley will go to Provo with Betty.

"This attractive girl, whose papa is J. C. Johnson at the Times-News, will major in journalism and hopes to have a writing career some day. My biggest thrill so far was when I met Claudette Colbert and Ray Milland at Sun Valley," said Betty. She thinks L. J. Schreyer, journalism teacher at Twin Falls high school, is really putting the school paper on the map.

Betty was drum major for the high school band during 1948 and is rightfully proud of the fact that they won first division honors in district and state contests. We know all of you readers join us in wishing Betty and the other about-to-become fresh, a happy school year.

It's Procter & Gamble's postwar WASHDAY WONDER

IT'S TIDE

...you've never used anything like it!

TIDE is a true washday miracle, made possible through wartime research. Tide's here to do your whole family wash! And listen, lady—Tide gets clothes cleaner than any soap in the world! Tide also leaves colors brighter than any soap. And as for your white things—no soap in the world will get them whiter than Tide! You'll know you're using a completely NEW product the minute you see amazing Tide's suds. They look different, feel different... and they billow up thick and fast even in hardest water.

NO SOAP WILL GIVE YOU ALL THIS:
The **CLEANEST, BRIGHTEST, WHITEST** wash you ever hung on the line!

CLEANER than any soap!
Yes, with Tide the whole family wash comes cleaner—even children's grimy play clothes and men's heavily soiled work clothes. That's because Tide not only leaves clothes free from ordinary dirt, but actually removes dingy soap film as well!

BRIGHTER than any soap!
Of course Tide gets your gay colored things brighter! Tide washes away the very soap film that may have dulled them... lets the true color shine clean and bright! Does it safely! Tide is safe for all your washable colors.

The world's WHITEST wash!
You'll know a miracle's working for you when you see your first Tide-washed sheets and pillowcases! No soap made will get them more gleaming white! And Tide keeps them that way, week after week... never turns them yellow!

GIVES MORE SUDS
—prove it in your dishpan!
Kind-to-hands suds! Faster suds! Longer-lasting suds than any soap in hardest water. Tide cuts grease like magic... washes dishes cleaner than any soap! No scum in the water! No greasy ring round the pan! No cloudy film! Dishes and glassware rinse and dry sparkling clear—even without wiping!
